MUSIC FESTIVAL HERE TOMORROW

COLLEGE MUSIC DEPT. PRESENTS OPERA SYLVIA

Performance In Auditorium Wednesday, April 25.

The operetta "Sylvia" will be presented in the college auditorium next Wednesday evening, April 25, at 8:00 o'clock, under the auspices of the music department.

The cast of characters includes: Sylvia—Vivian Staven; Betty—Lorraine Rippling; De Lacy—Kirkwood Likes; Prince Toby—Philip Kundinger; William—William Theisen; Arabella—Le Da Basler; Margaret Luloff—Molly—Shirley Webster; Polly—Phyllis Murgatroyd; Dolly—Zelda Weed; Robin—Robert Steiner; Chorus of eight farmers sons; Chorus of eight farmers daughters; Chorus of fifty hay makers. The accompaniment will be furnished by the college orchestra.

A Comic Opera

Work on the production, "Sylvia", is being directed by Mr. Michelsen. He is assisted by Mr. Knutzen who is working with the chorus and soloists, Mr. Allee, coach and stage manager, Miss Carlsten, in charge of costumes, and Mr. Evans, who will take care of the facial makeup.

In this comic opera, Sylvia becomes tired of her chores and wanders into the hayfield where she overhears Betty bemoaning her fate and wishing she were engaged to marry a nobleman instead of honest William. They decide to change positions; they are both unhappy. Betty foos de Lacey, Sylvia's husband, and Sylvia foos William. De Lacey and Betty set forth to stroll through the left; April 30, Bernece Cummings; Floyd Cummins, Thursday; April 30, Busby Keeline and Dorothy LeRoux, Fishing; May 14, Berniece Eidell and Jean Lynn, Landscapes, Gardening; and May 28, Edith Rasmussen and Catharine Kirens, Touring.

Library Students Have Projects On Display In Alcove

Mr. Allee's Teacher's Library Training Course class will have projects illustrating certain books from now until the close of the school term. This week, if you are interested in travel, you will find a book of every country on display. These project displays are to be found in the alcove just to the right of the main desk, where debate material has previously been kept.

Variety Of Subjects

The people in charge of the displays are: April 24, Viola Hotvedt and Eunice Riley, Travel; April 27, Charles Ross and Floyd Cummins, Business; April 30, Blanche McNamara and Dorothy LeRoux, Fishing; May 14, Berniece Eidell and Jean Lynn, Landscapes, Gardening; and May 28, Edith Rasmussen and Catharine Kirens, Touring.

Surely one of these will be of special interest to you. Come in and see them.
WELCOME MUSICIANS

In behalf of the Faculty and Student Body of Central State Teachers College, the Pointer takes this opportunity to welcome you to the music festival and to our institution. We extend a special welcome to those of you who are Seniors in your respective high schools. We are concerned in having you become interested and learn about our school, in coming. We would like you to become a member of the Association. We can promise you a profitable and interesting experience. We will be delighted to have you on our campus or by your return. Information has been added to the usual discussion of subjects which can be found in the bulletin. The most important and decisive change to be found in the bulletin is the introduction of a new Bulletin. The new bulletin has been published for the first time in 1934-35. It is the only one of its kind in the state of Wisconsin. The bulletin has been prepared by the editorial staff and the students of the school.

NEW BULLETIN PUBLISHED

The C. S. T. C. Bulletin for 1934-36 has recently been completed and will soon be ready for distribution. A few important changes and several valuable additions are to be found in its pages. The first important addition is a list of several interesting facts titled "Every Student Should Know." The chapter on General Information has a number of new items in its contents, and an additional subject concerning the Provisions For Placing Graduates has been added to the usual discussion of subjects which can be found in the bulletin.

Among the important changes made is a definitely outlined course for Rural students. Beginning next fall, all students who have not successfully completed at least two years in that course. Likewise other courses one can pursue have been more definitely outlined.

The most important and decisive change to be found in the bulletin is the new bulletin. The bulletin has been prepared by the editorial staff and the students of the school.

Beppler Kayoes Opponent In First Round. Sparhawk And Laubs Win

Local fans will get their first glimpse of intercollegiate boxing next week when the undefeated Platteville pugilists will meet the pride of Central State. The card is set for the new gym at 8:15. Students 25 cents, and outsiders 50 cents.

Coach Kotal has a real program lined up with a wrestling bout between Chuck Sparhawk and Julian, when the undefeated Platteville pugilists will meet the pride of Central State. The card is set for the new gym at 8:15. Students 25 cents, and outsiders 50 cents.

**Tennis Tournament Postponed Vets' Practice Looks Good**

Art Thompson's tennis elimination tournament has been postponed till next week because of the weather. The singles tournament begins Monday and the doubles contest starts the following week.

Many of the fellows have been taking advantage of the late favorable weather to get in some heavy practices. Bob Neal, Clets Collins, Arnie Gordon, Maurice Skinner and Schwahn look especially good.

**BILL'S BULL**

More men are engaging in athletics at this time than at any other time during the year or any other year, for that matter. Track, tennis, baseball, boxing, and golf are among the more important fields open. Coach Kotal must certainly be commended on his efforts to give everyone a chance somehow.

The college baseball nine has been getting in shape. A game with Platteville will be definitely scheduled when Coach Leitl comes down Saturday with his boxers.

Fellows who remember Virg Pizer will be interested in knowing that he has a brother who is almost certain to be a regular on the University of Wisconsin's football team next year. Gordon Pizer has been doing well in spring training and is working for the center job. Virg was an athlete in high school too but when he came to college he gave it up for more strenuous occupations.

We understand that a certain few students went to Fremont to catch a string of the pikes that are supposed to be running about now. The boys came back talking about full-houses, full-houses, and pairs. That in the fishing game it may not. However, I'll drink to it over. (That's a terrible pun, but it's getting late)

**Sweaters And Awards Given To Athletes**

In case you haven't noticed, the athletic sweaters are here, white ones for the football men and blue ones for the baseball men. The football men who received them are Abel, Anderson, Beppler, Becker, Breitenstein, Brollo, Brotz, Brueck, Glesener, Klemmert, Lamp, McDonald, Frank, and Ted Menzel, Murray, Marns, Negent, Schwahn, Scribner, Sparkhawk, Unfert, Slotwinski, Zurfuhl. Cager include, Collins, Gregory, Abel, Anderson, Hansen, Gordon, Klement, Marsh, Shorey, Tardiff, and Unfert.

**Special Awards**

Ray Urbans and Al Dumply received heavy white sweaters because of two years' service. Nolan Berg received a six letter senior award. At that Greg is only a junior. In three years he has been on football and basketball teams continuously. A gold star, symbol of his captaincy of this year's basketball team, tops the stripes on Greg's purple sweater. Dick Schwahn and Bill Scribner received three letter Senior awards although Scribner is the only Senior. Schwahn was captain of the football squad and champions undefeated this year.

**Outlook Rather Good For Annual Meet At Camp Randall, May 29**

Central State will again be represented in track at the annual State Teachers college field meet to be held at Camp Randall, Madison, May 25. Last year Milwaukee won the state championship at Whitewater.

The usual interclass tournament is scheduled for the 28th. Last year the freshmen class won so it looks as if they now have the best chance.

The C. W. A. workers are laying out cinders and digging the jump pits.

**Good Material**

Men signed up are Abel, Bunnell, Bassler, Blom, Brown, Copes, Frank, Freiberg, Fritsch, Dumph, Krueger, McGuire, Murray, Negent, Schmidt, Sparkhaw, Scribner, Schulz, Shanks, Slotwinski, Zurfuhl, Anderson, and Gordon. Abel is a crack high jumper. Blom is a two yer. The Brown brother are pole-vaulters; Fritsch, Sparhawk, and Copes are the weight-throwers; Negent is a broad-jumper. Frank is a hurdlesman and Scribner is the miler.

**Scribner Should Place**

The boys have been working out regularly in their new golden sweat suits getting the kinks out of muscles. The intercollegiate schedule is not yet complete but Scribner and Fritsch, at least, will be consistent winners. Harold and Monroe Brown are specialists in the pole vault but both boys are ineligible. They will, however, be given a chance in the interclass tourney. Coach Kotal feels that they are entitled to the privileges of exercise given to all students and he also hopes they can give valuable teaching in their line.

This is what we call tough luck — to come down with a case of measles just before the formal. Such is the sad luck of Erma Groth. However, we hope she will be back before too much of the social season passes.

Heard at the dormitory: "She isn't here right now but she says, isn't there any message?"

A certain young freshman of the High School has had considerable luck stepping out with some of the dorm girls. More power to him if he can get away with it.
