MRS. BURROUGHS CALLED BY DEATH

SCHOOL MOURNS LOSS OF FACULTY MEMBER'S WIFE

Body Taken to Indiana For Burial; Service at The House Wed. Afternoon

Mrs. Leland M. Burroughs, 1048 Clark St., whose husband is the head of the English department at this college, and who was the mother of Jack Burroughs, passed away last Tuesday morning, April 24, at 9:15 o'clock, at St. Michael's hospital. She underwent a major operation one week before her death. Her condition was considered favorable until Saturday night when pneumonia developed. Since that time her condition was serious, and it became critical Monday night.

Native of Indiana

Mrs. Burroughs, whose maiden name is Irma East, was born at Worthington, Indiana, where she spent her girlhood. She graduated from the Worthington High School, Worthington, Indiana, 27, 1913, and went to Bloomfield, Indiana, where he was a high school teacher. They subsequently lived in Bloomfield, Illinois, where Mr. Burroughs held similar high school teaching positions. The family came to Stevens Point, Wisconsin, where Mr. Burroughs accepted his present position at this college, and who was the mother of Jack Burroughs, is a native of Indiana. Her parents, the mother of Jack Burroughs, is a native of Indiana. Her parents, Mr. and Mrs. East, are her parents, Mr. and Mrs. East, of Worthington, Oklahoma, and one sister, Mrs. Walker Marshall of Bloomfield, Indiana.

Change Date Of Operetta To April 30

Because of unforeseen events, the Operetta "Sylva" which was to have been presented last night, has been postponed to Monday evening, April 30. The production is under the auspices of the college Music department.

Excellent Talent

In addition to the better known members of the school who are taking part, a considerable amount of hitherto undiscovered talent has been uncovered and developed by the coaches. The cast and chorus include over seventy-five members. Director Michelsen is being assisted by Mr. Knutzen, Mr. Aller, Miss Carlsten, and Mr. Evans.

Admission 15c and 25c

Admission will remain at 15c and 25c. The production begins at 8:00 o'clock. From all indications at the dress rehearsal, a fine entertainment will be presented. Proceeds will be turned over to the Music Department.

An inch of rain seems to be a foot to the man who is caught in it without an umbrella.

THE FETID CALF

Can It Be?

SENIORS GIVE ANNUAL CLASS BENEFIT PLAY

Roles Exceptionally Well Cast. Rehan, Ringness Outstanding Actors

"Skidding," a comedy in three acts by Arthur Roussel, will be presented by the Senior class in the College auditorium May 8th. According to Miss Ruby Tilton, coach of the production, the cast is exceptionally well adapted to their parts and rehearsals are progressing very satisfactorily. "Skidding" is one of the newer plays and was a decided hit in New York, where it enjoyed a full year's continued performance. It also ran for four months in Chicago last summer.

Fast Moving Comedy

The role of Judge Hardy, which was cast immediately, has been awarded to Charley Ross. Loretta Rehan as Mrs. Hardy and Tom Ringness as Grandpa Hardy are exceptionally good in their parts. The play centers about the Hardy family, a typical American group living in Idaho (the best state in the land, God bless her!). The myriads of problems that arise during the course of the play give rise to mirth provoking with surprising regularity. The whole production moves with a rapidity that would hold the most restless audience.

Carr's Committee at Work

Ethelyn Baerwaldt heads the committee on props. The following other committee heads were chosen: Katherine Wiggins, Furniture: George Jacobs, John Olsen, and Don Blood, scenery; John Wied and Lawrence Berdall, publicity and advertising.

Ducats may be purchased from Seniors or at the supply counter. The price of admission for students is a paty 15c and for townspeople, 25c. Excectually

Bloc Hears Jenkins, Point City Attorney

Bloc met at the home of John Wied Thursday night. City Attorney Jenkins was the guest speaker. His discussion dealt with the historic origin of the jury; the difference between law and equity as the terms are commonly used by lawyers; the selection of a jury; and the problem of pleading before a jury.

Following the meeting, lunch was served.
THE POINTER

ECONOMIZE AND BE THRIFTY

The depression song has been sung so often that it is coming to be considered something of a joke. There is, however, a vital need of economy in the home, not only during depression days, but for every day.

Economy and education are very closely related. In the field of Home Economics education, economy has always been given an important position. Economy is stressed in Foods classes, by the use of left over foods. Attractive and appetizing methods for preparing economical foods are taught, and the foods themselves are prepared. Clothing courses stress the point also, that clothes must meet the standard of the regular course requirements. This lesson of thrift is taught in various other classes as well.

The planning of what will be spent is as important as economy itself. A definite, well-thought out plan of spending money in advance, is called a budget. Its view is annual. The object is not so much skimping as it is proportionate, well-balanced spending of the family income.

Budgets are essential to the financial success of every estimable business. The home is in reality a business organization and should necessarily be conducted in a business like fashion.

In home budgeting, allowances are made for shelter, food, clothing, home operating expenses, savings, luxuries, and advancements as books, magazines, church, music and club dues.

The importance of the budget cannot be too strongly emphasized. It is as mandatory for the home as is the attention to the art of crime.

If Home Economics did nothing other than teach girls a scientific method of budgeting home funds, its purpose would not have failed. But its values go even further, and through its field are acquired the arts of home making, teaching, management, and economy, as well.

FRANK N. SPINDLER

Prof. Arnold L. Gesell, who is to be our commencement speaker this year, was a graduate of the Latin course of this school, class of 1899. He is now Professor of Child Hygiene in the graduate school of Yale University. He is the author of several very notable books on children and is a great researcher along this line. While he was here he was a speaker of the state inter-state oratorical contest and stood out even in those days as a scholar. He holds many degrees--Ph. B. 1905 University of Wisconsin, Ph.D. 1916 Clark University, M. D. 1915 Yale. He was married in 1900 to Beatrice Chandler and lives at 785 Edwards Street, New Haven, Conn.

He is one of our most noted graduates.

His brother, Gerhart A. Gesell, is also a graduate of this school, class of 1906, and is clerk-treasurer of the board of education of Cleveland, Ohio. He has been a supervisor of the private schools in that city. These two brothers have ever accomplished it. She has a collection of spears, head-hunters' knives, and pictures which even in the Philippines she is considered rare curios, and which in due time she intends to give to museums in this country. We have reason to believe that C. S. T. C. will be the recipient of some of these.

Bessie Margaret Smith, class of 1912, now Mrs. Mathew Holzinger, writes from Honolulu, H. T. and asks us to send a record of her credits to the University of Hawaii. She says in this letter: "I wish to thank you for the copies of the Pointer that came so often. I find it an interesting little paper."

A scheme is a man who points out the silver of a cloud and then proceeds to borrow your umbrella.

MORE BRAINS WANTED

Augustus O. Thomas, a contributing editor of the Journal of Education, writes the following article which appears in the April 16 issue of that publication entitled "Our Surplus Crop". This is done with our school of educated young people!" is indeed a question which the social order of today and of tomorrow must seriously consider and find a solution for in the very near future. We feel that the article bears considerable significance and rests upon the present situation of young people who are now students in college to a very large extent.

"About a generation ago a movement arose which attracted its support the best brains of the country. The idea sprang chiefly from the newly established agricultural colleges of the West.

Based upon the theory of 'efficiency in production, this movement had as its purpose to 'two blades of grass where one grew before.'

There was never a thought of where a market was to be found for that second blade of grass. Today we have become so efficient in production that we are plowing under millions of acres, because we have the paradox of starvation in the midst of plenty. The effort is being made to bring into the school system, through child labor laws and compulsory education, millions of children. Literally two children are going to school where only one went before.

What are we to do with the youth we turn out of our schools? No one should find fault with the effort to get all the children of all people into schools. It must be done. Every individual can be made to do something useful better through culture and training. But the query still remains: 'What are we going to do with the twenty-six millions now passing through the schools? Where find a market for our product?'

It is time that resourceful men and women began to consider this serious situation. New things, useful things, must be found for these young people to do. At this moment there are no less than three million young men and women in high school. Many of these are roaming aimlessly throughout the country, with no hope, fast losing their desire for trades or professions, some of them being well schooled in the art of crime.

This note of warning should be sounded across the land: If the youth of today are not taken care of the country will run headlong into a catastrophe.

HOME ECON DEFEND COURSE

Each week the reader will find in these columns articles concerning the Home Economics Department contributed by the members of that group in an effort to stress the importance of and the benefits derived by individuals following such a course.

A lack of interest in the subject has been prominent during recent years, or should we say that it has been under-valuated or under-estimated by those authorities forming the curriculum of college courses. At any rate, at the present time, we find that C. S. T. C. is the only Teachers College in the state offering a Major in Home Economics.

No doubt the department feels that these articles are open to discussion or criticism and welcomes answers to such effect.

LOST!!

An open-faced, yellow gold wrist watch; Elgin make, no band strap attached. If found please return to Mrs. John Robertson, Lock Box 17, Owen, Wisconsin. Liberal reward for return.

INVITATIONS

Graduates, who are interested in getting invitations for their commencement exercises, still have the opportunity to order and pay for these at the table in front of the library. (Adv. printed and paid for.)

He is one of our most noted graduates.

His brother, Gerhart A. Gesell, is also a graduate of this school, class of 1906, and is clerk-treasurer of the board of education of Cleveland, Ohio. He has been a supervisor of the private schools in that city. These two brothers have ever accomplished it. She has a collection of spears, head-hunters' knives, and pictures which even in the Philippines she is considered rare curios, and which in due time she intends to give to museums in this country. We have reason to believe that C. S. T. C. will be the recipient of some of these.

Bessie Margaret Smith, class of 1912, now Mrs. Mathew Holzinger, writes from Honolulu, H. T. and asks us to send a record of her credits to the University of Hawaii. She says in this letter: "I wish to thank you for the copies of the Pointer that came so often. I find it an interesting little paper."

A scheme is a man who points out the silver of a cloud and then proceeds to borrow your umbrella.

Before giving advice a wise man prepares to dodge the consequence.
Last Friday over forty men reported to Coach Eddie Kotal for spring football training. The men been turned out every afternoon since, from 3:30 to 4:30 on Schmeckle athletic field. Captain-elect Warren Beecker is not likely to be with his squad this spring because he is working in Green Bay to get enough money to return again next fall. However, most of the 1933 championship squad are back with just as much snap as ever.

Good Material

Among the men who have been showing up well are Ed Loeger of Tigerton, George Stofoen of City Point, Wilfred McGillivray of Pulaski, Gib Pophol of Merrill, Jim McGuire of Stevens Point, Smitty Schmidt of Neenah. Bud Kuwawa of Rudolph, Webb Berard of Wisconsin Rapids and Bob Tariff and Bob Steiner of Stevens Point.

Schwahn-Miller Coach

Coach Kotal is so busy with track, baseball, tennis, and boxing that he is giving Dick Schwahn and Bucky Miller, captains of the last two years' squads, charge of the gridders. Under Kotal's guidance and supervision the two men have picked teams whom they will drill on fundamentals and signals in preparation for a scrimmage May 4.

College Nine Begins Games. Preps Friday

Coach Kotal has been taking charge of the baseball team after track practice daily. In the meantime the boys practice under "Sarge" Mish. There is no question but that Kotal has a fine group of boys to work with. However, individual stars too often fail to make a good team.

In an effort to give his men a real test, Coach Kotal has scheduled a practice game with the local high school nine. This game is to offer a chance to pick a tentative team for the game with the Platteville May 5. Games are also being booked with Eau Claire, Oshkosh, and River Falls.

Kish claims that there are at least two or three good men out for every position on the nine. The pitchers haven't been getting along so well and probably will be allowed only an inning or two against the preps Friday.

A BIT OF MR. THOMPSON'S PHILOSOPHY IN VEERBE

If you think you are beaten,
If you think you dare not,
If you think you can't win,
It means almost as much as you do.

If you think you'll lose, you're lost,
For out of the world we find
Success begins with a fellow's will;
It's all in the state of mind.

If you think you're outclassed, you are;
You've got to think high to rise.
You can't be sure of yourself before
You ever can win a prize.

Life's battles don't always go
To the stronger or faster man;
But sooner or later the man who wins
Is the one who thinks he can.

Bill's Bull

Finals in the tennis tournament are being run off this week. No matches had been definitely scheduled when this paper went to press.

When Arb Shorey went to the formal initial banquet of the Phi Sig last week soup was served. The three-dollar-a-plate arrangement was adopted for the tennis tournament.

Without a moment's thought the dispensation fellow put cream and sugar into his complexion thinking, no doubt that coffee was the first course at places other than fraternity houses.

Bill Zorn of Eau Claire came down to see the boxing card last week. He started arrangements for a match between the Pointers and his team. Coach Kotal sent in his list of fighters and weights in time to clinch the match by getting a definite date. The bouts will be staged in the open air at Schmeckle Field in the near future.

College golf enthusiasts are trying to arrange a team. The conference board decided not to include the game as a minor sport and therefore, games scheduled will be more or less individualistic.

Sam Kingston and Bob Marrs are two excellent players. The team loses to travel with the track men where they feel sure of contests.

We'd like to take this opportunity to ask Neil Rothman how the St. Louis Browns and the main event of ping-pong are getting along. Probably sprawling carp will be the next idea.

Ten new records have been put on the machine at the Coach.

Sparhawk Pins Julson Twice During Five Minute Wrestling Bout

Fans at the card last Saturday unanimously agreed that intercollegiate boxing is as full of excitement and fight as a Golden Gloves tournament. Every bout was fast with each boy giving in there all the time. The Pointers averaged the defeat they got at Platteville last week with winning seven of the eleven bouts. Chuck Sparhawk pinned out his first bout twice in the five minute period which certainly sets the fans roaring.

Roshak Again Kayoes Man

Stanley Roshak proved his worth as lead-off man by pounding Joslin so hard that Coach Butch Leitl threw in the towel in the second round. Roshak is fast, strong, in good condition, and a good boxer.

Platteville fans had their inning when Polich was awarded a decision over Loyd and both boys fought it out toe to toe. Polich had the reach on the smaller Hayes and made Loyd carry the fight to him. The Pointy boy invariably had to stay two or three punches with his chin before he could get in close.

Best Fight On Card

Charlie Torbenson gave the Purple and Gold a lead they never relinquished by winning a referee's decision over Richardson in what proved to be the fastest and classiest bout of the card. Both boys were fast and strong and got in some real counters.

Russ Bepple took his match against Parr, a heavier man, by giving the fans a lesson in getting past the reach of a tall man.

Pointer Tough

Price of Platteville finally won a decision over Pete Zaborowski after trying in vain to knock him out. Pete hit the mat many after hard blows but he always came up for more.

Al Zurlfleh defeated Krisetz and McGirpe stopped Stanton in the next two contests.

Pioneers Also Tough

The Pioneer's classiest boxer, C. Myers, finished off Art Labbs in the first round.

Web Berard defeated Beaster to chop up another win for the Pointers. Ben Slotwinski hit the canvas when the other Myer boy connected with a right to the jaw in the first round. Thexingy boy saw Bruno Slotwinski take a decision from Moore after finding he couldn't knock out the chubby boy. Bruno hit him on the jaw, in

HIGH SCHOOLS
HOLD FORENSIC
CONTEST TODAY

Sixty Participants Entered. Contest Will Be Held In Auditorium At Ten

Throughout the entire day, the auditorium will be the scene of the annual Stevens Point district forensic contest for the high schools of this area. There will be five separate divisions of the meet, including oratory, extemporaneous reading, humorous declamation, extemporaneous speaking and non-humorous declamation. There will be sixty contestants entered in the various divisions of the tilt.

Speech Class Directs
Members of the advanced Speech class, under Mr. Burroughs, have been designated hosts for the contestants. The following committees were appointed by Mr. Burroughs to prepare for the contest; Gerald Porter, manager of the day; Bill Nason, extemporaneous speaking selections; Phillip Kundinger, tickets; Elmer Kraus and Melvin Dumphy, time keepers; Evelyn Dumbleton, and John Wied, extemporaneous reading selections; Harriet Bombera, advertising.

The program for the day includes:
Oratory — 10:00 — 12:00 A.M.
Extemporaneous Reading — 1:30 P.M.
Humorous Declamation — 2:50
Extemporaneous Speaking — 7:15
Non-Humorous Declamation — 8:15

Point Enters Three
Judges for the contest have not been announced to date. Because they won first places in the semi-finals held at Wisconsin Rapids last week, Stevens Point high school will have three entries.

NELSON HALL

Erma Groth returned to the dormitory Monday, after being confined at home with the measles.

Natalie Gorski, a B. E. graduate of the four year Junior High School course, is again a resident at Nelson Hall. Miss Gorski is doing further work in teaching methods.

Nelson Hall girls enjoyed the many visitors on the day of the band tournament.

Bright Dorm Girl — “Did you know that Governor Blaine died? It was in tonight’s Journal.”

Another, not so bright — “I thought that Schmeeckle was the governor.”

With the coming of Spring, several of the more serious minded women in Nelson Hall have found it necessary to draw up written declarations of a very serious nature. Most of these resolve to spend at least one and one half hours a day enlarging their intellect through the medium of study.

One of the most interesting collections to be found in the dormitory is a group of wish-bones, tied with a red ribbon. The respective owners are keeping them for luck rather than for their scientific value.

Found — A new interest in life — especially night life.

Fern Van Vuren

Then there is the ambitious Intermediate who wants someone to recite for her while she sleeps.

Miss Ids Townsend of Nekoosa, a resident of the dormitory, is ill with anephelethia — an inflammation of the brain tissue, which is a result of improper diet and overwork.

Idleness is the incubator of a great many small sins.
Edick-Winn

Faculty and students of Central State Teachers College were pleased to learn of the recent marriage of Bernice Edick and Ronald Winn.

The wedding service was read at the Presbyterian parsonage by the Reverend Claude Shaver of this city last Monday evening at 7:30 o'clock. Miss Beulah Turinski was bride's maid, Robert Broome, the groom's attendant, favored the newlyweds with a vocal solo, "I Love You Truly," accompanied at the piano by Miss Wilson. Following the services the bridal party enjoyed a dinner at Hotel Whiting.

The former Miss Edick, whose home town is Gillett, Wis., was a junior here. She made her college residence at Nelson Hall. In addition to being a popular young lady, Mrs. Winn enjoyed a membership in Harlequin dramatic society, and had formally initiated into Omega Mu Chi sorority. During the 1932-33 term she ruled as queen of the Junior-Junior team.

Ronald Winn, whose home town is Granton, Wis., is now employed at Hotel Whiting and attending school at the same time. He is a member of the "8" club, having received reconnialgo for athletic service as a member of the basketball squad during his first year here.

The young couple will make their home in Stevens Point. Mrs. Winn will continue her college work.

The Pointer staff wishes to join with the faculty and student body in congratulating them and wishing them long and happy married life.

Chi Delta Phi Formal

Members of Chi Delta Phi and their friends enjoyed a dinner and dance at Hotel Whiting, Fri. April 20. Special dinner guests were Mr. & Mrs. Rightess, Mr. & Mrs. Hyer, Mr. & Mrs. Allee and Mr. Knutzen, of the faculty. The dinner was followed by a talk by President Hyer. Profs. Raymond Rightess, Norman Knutzen & George Allee, advisors to the fraternity also gave short talks. Donald Blood and Gilbert Busch spoke for the members of the fraternity and Douglas Robertson represented the alumni. Edward Leuthold acted as toastmaster. Following the dinner, members and friends of the fraternity enjoyed dancing to the music of Howard Kramen's Orchestra.

Chi Delta Turn Maude Mullers

The Chi Delta decided to play Maude Muller last Thursday and when President Hyer found them romping, rakes in hand, upon the front campus, he was so delighted that he commanded that they be immediately refreshed with (very good) coffee and doughnuts. The fraternity boys were at their best seeing President Hyer next year.

SCHOOL MOURNS LOSS OF FACULTY MEMBER’S WIFE

(Continued from Page 1, col. 1)

Mrs. Burroughs’ mother and Mr. and Mrs. H. T. East, her brother and sister-in-law, arrived in Stevens Point Monday night.

Socially Active

Mrs. Burroughs was active in social circles in Stevens Point and had a large number of friends. She was a member of the Faculty Wives’ club of the Teachers College and a member of the Nakama Bridge club.

Services were conducted at the Burroughs home at 3 o’clock Wednesday afternoon. The body was then taken to Worthington for burial. The funeral party left immediately after the services.

Nuesse, Knutzen Take Mr. Burrough’s Classes

President F. S. Hyer has appointed Celestine Nuesse in charge of Mr. Burrough’s classes during his absence from school. Mr. Knutzen is taking charge of his evening classes.

Harlequin Convenes

Harlequin Club met Monday evening in Mr. Burrough’s room. Miss Davis spoke on “Blancette,” the play which Mr. Knutzen’s classes went to see at Madison last week end.

FESTIVAL HELD FRIDAY, PROVES HUGE SUCCESS

College Is Host To 3,000 Visitors At Colorful Music Program

Central State was host to more than 1,000 musicians from various high schools throughout central Wisconsin as the festive concert, held here Friday. Twenty-seven high school bands and eight high school orchestras participated in the event.

Concerts were held in the college and high school auditoriums during the day. Bands were heard playing and seen marching the streets of this section of the city throughout the day.

Parade Successful

The grand parade, led by the C. S. T. G. band under the direction of P. J. Michelsen, was a splendid demonstration of the abilities of the many organizations. The parade was more than a mile in length in which the various high schools participated. The bands followed in accordance with alphabetical arrangements.

As the bands played and marched through the business district of the city the event was picked up and sent out over the air through the facilities of the local broadcasting station, WLBL. Following the parade the bands massed at Schmeeckle Field where a group concert which was exceedingly successful was presented.

Traffic Blocked

Following this, various bands presented concerts over the air. Large crowds gathered about the streets of the city, blocking all traffic on downtown streets to watch the band plays. More than 2,000 visitors in addition to the prep musicians, were here for the festival. No doubt, a much larger crowd would have been present had the weather been more favorable.

Large crowds witnessed the performances at both the high school and college during the morning and afternoon performances. A capacity crowd filled evening concerts.

Hyer Chairman Of Enrollment For C.M.T.C. Camps

Mr. F. S. Hyer, Chairman of the Portage County Citizens’ Military Training Camps Enrollment Committee announces that registration for the camps to be held during this summer will begin at once.

The camps which will be attended by Wisconsin boys will be held at Fort Snelling, Minnesota for Infantry applicants from August 1st to 31st, while boys who wish to enroll for Cavalry and Field Artillery training will be sent to Fort Sheridan, Illinois, during the period July 2nd to 31st.

Blanks Obtainable

Boys who have applied for the camps previously have already received their application blanks from Headquarters 5th Sector, Organized Reserves Wausau, Wisconsin, while new boys may obtain applications from the county chairman or from any of the County Enrollment Committees:

Chairman: Mr. F. S. Hyer, President, Central State Teachers College, Stevens Point, Wis.

Committees:
Capt. J. Chase, F. A., Stevens Point, Wis.
Phillip Hiler, Roshost, Wis.
Joseph S. Kraus, Stevens Point, Wis.
Capt. F. A. Love, Stevens Point, Wis.
Harry B. Pomeroy, Amherst, Wis.
Lt. G. K. Rogers, Stevens Point, Wis.
Carl Roshost, Roshost, Wis.
Mrs. Margaret E. Todd, Stevens Point, Wis.
Capt. F. A. Hirzy, Stevens Point, Wis.

Examination Required

All boys who have not attended camp before must have a complete physical examination which they may obtain from any of the following volunteer Medical Examiners:

Dr. H. P. Benn, Stevens Point, Wis.
Dr. Wayne F. Cowan, Stevens Point, Wis.
Dr. F. R. Krebbs, Stevens Point, Wis.
Dr. G. W. Rein, Junction City, Wis.
Dr. J. R. Rice, Stevens Point, Wis.
Dr. G. H. Schlenker, Amherst, Wis.
Dr. C. Von Neupert, Stevens Point, Wis.

STILL TIME

To send her a corsage for the Sorority Dance Friday night.

We make corsages to match the girls’ gowns for only 50c. and up, delivered.

GRADUATES GET CONTRACTS FOR TEACHING JOBS

Ten Placements Made To Date
More Than 200 Students Enter Applications

To date, according to information recorded recently from Mr. A. J. Herrick, ten graduates of this college have signed contracts for new teaching positions. Six of these ten placements are among those of this year's graduating class. As is the case with other teachers, placements have been rather slow.

We are not able to verify the statement, but we understand that other colleges have placed less students than has this institution.

Many Openings

Principal A. J. Herrick of the training school informs us that prospects look good. More than 200 graduates have entered applications at various places throughout the state. In several instances individuals have two or more applications at the present time.

It is expected that positions will be granted more speedily during the closing weeks of school and the early summer months. School boards have remained quiet recently, probably due to financial budgeting, and because of the abundance of teachers available causing them to make their selections more slowly.

3 Rurals Placed

Among those of this year's class having signed contracts for positions are: Gerhard Holm of Tigerton—7th and 8th grades at Mattoon, Wis.; Mary Gruber of Vesper—Rural school near Marshfield; Caryl Richardson of La Farge—Primary grades at Virginia, Wis.; Evelyn Becker of Pardeeville—Rural school near Pardeeville; Ruth Whipple of Stevens Point—Rural school in Portage county; and Curtis Trongson of Forestville—Principal of State Graded School at Sister Bay.

The alumni of C. S. C. T. C. who have recently been placed are: Herbert Freese, 32—3rd grade at Bayport, Wis.; Alice Feller, 28—Primary grades at Elmhurst; Ili—Henry Kolka, '33—High School at Oxford, Wis.; Natalie Gorski, '33 Intermediate grades at Three Lakes, Wis.

STUDENT SPECIALS

BAKE RITE BAKERY COMPANY
Stevens Point, Wis.

Our college boxers came right back at Platteville last Saturday night and won seven of the 11 bouts, after losing 8 of 11 at Platteville the week before. "Bake Rite" bread and pastries have that "punch" and deliciousness that other breds have not. Ask for "Bake Rite" bread and pastries. Always fresh.
EXCHANGES

"Because of the illness of Sol Marshall, executive editor of the Echo Weekly, consideration of charges of graft, cheating and ineligibility in the college made by him in a front page editorial last week was postponed by the Commonwealth executive board Tuesday." (Milwaukee Echo, April 18, 1934.)

Here is a very brief synopsis of the charges which Editor Marshall publicly retracted. They were published April 11, 1934, under the heading "What's Going On Here?"

"Charges that chiseling, cheating, breaking of scholastic regulations, and perhaps other forms of unfair play in financial, scholastic, and eligibility matters are prevalent at Milwaukee State with student and faculty administrators doing little or nothing to prevent or punish the guilty ones are made in a recent letter to the Echo Weekly..."

"Knowledge of such unethical conduct is current among large numbers of students... Irregular students have taken part in activities ranging from small society functions to major inter-collegiate sports...

"At present, most student and faculty heads do almost nothing when they discover 'dirty work' or when it is forced to their attention... Investigations into shady financial transactions have usually been hushed up with other exorcism not conviction of those involved. Students have participated in college affairs while officials looking on knew that they were ineligible but did nothing.

"An attitude has been developed throughout the college, it seems, of covering up misdeeds, presumably in order to save the college from scandal... By covering up offenses, student and faculty heads are defeating their own purpose. It would be better for Milwaukee State to let it be known that it is clean by constant purging of unclean elements... A central authority with power over all organizations would seem to be the remedy for this situation.”

Perhaps the reason a woman's work is never done is because she employs a domestic to do it.

CENTRAL STATE TEACHERS COLLEGE
