STUDENT FUND HAS CASH BALANCE

ACTIVITY FUND
FIRST SEMESTER
NETS $8,185.82

New Bus Saves Athletic Department $715
In One Year
A financial report of the Student Activity Fund for the first semester submitted by Mr. Fred J. Schmeecke, chairman of the fund, shows that total receipts from student fees and athletic receipts totaled $8,185.82. Expenditures amounted to $7,567.79, leaving a surplus of $618.03 on February 5, 1934.

None In The Red
None of the departments supported by this fund finished the semester in the red, as the case has been many times in the history of the organization. All departments show a favorable balance for the semester, except for entertainments. Receipts of entertainment, which have no further report at present, for the semester, have been $150.00. This has been due to President Earle Leland Burroughs, in which other elements of receipts enter in, such as the sale of tickets to citizens of other states and $6 is deposited into the faculty fund.

Six Dollar Activity Fee
Prof. Michelsen is the faculty representative for the Pointer; Prof. Michelsen, Music; Prof. Michelsen, Forensics; Prof. Rogers, Social; President Earle, Entertainment, and Prof. Schmeecke, in charge of Athletics and Miscellaneous Funds.

The $21 paid by students each semester, $15 goes directly to the state and $6 is deposited into the student activity fund. Of the $6, the Athletic Department receives $2.50; the Pointer $1; Entertainment $1; Music $5.50; Forensics $5.50 and the remaining $5.50 goes to the Social and Miscellaneous Funds.

High Schools Debate Here
Mon. Mar. 12
Monday, March 12, Central State Teachers College will be host to a high school sectional debate and dramatics tournament which will choose the representatives for this area in the state tourney to be held at Madison later on in the year.

At 3 o'clock in the afternoon New London, from the Oshkosh district, Red Granite, from the Stevens Point district, and Tomah, from the La Crosse district, will compete in a triangular debate.

The judges, three for each contest will be chosen from the faculty and townpeople by Leland Burroughs. In the evening following the debate the dramatic contest will be held.

Earle Kjer Coach
Oconto Falls will present the play "Pot Bottlers", Athens "Judge Lynch", and Bangor "King Row".

The judges for this event will likewise be chosen by Professor Burroughs from Central State's faculty and townpeople. It may be of interest to the students and faculty to know that Earle Kjer, Oconto Falls coach, is a graduate of this college.

Michelsen Plans Extended Tour For Band Exhibitions
Central State Teachers College is completing plans for a proposed concert tour throughout central Wisconsin. As the project was outlined to The Pointer by Ward Fonstad and Mr. Michelsen, more than fifteen high schools in this area will be visited. The southern and western extreme to be reached will be La Crosse, the Eastern Two Rivers, and the northern Shanoa.

Use School Bus
No date has been definitely set for this excursion, which will last a week, but it is likely that it will take place around May 1. In the event that this itinerary actually materializes, the band will use the school bus and private cars as means of transportation. The entire affair will be self financed.

Madison Coed Doing Librarian Work Here
Miss Lois L. Rainer of the state of Alabama, who is succeeding H. A. Olsen, is assisting Mr. Allez and his staff of librarians for a month. She is completing her field work which is required of all librarian graduates of the Library School of the University of Wisconsin.

Miss Rainer graduated from the Alabama State Teachers College in 1931. Her academic work has been on an education major. Since that time she has done graduate work at the University of Chicago and is now continuing at the Library School affiliated with the University of Wisconsin at Madison.

Our southern coed has made her home at Nelson Hall during her four week stay in Stevens Point.

NUESSE, MILLS FINISH THIRD AT ST. THOMAS

Debate Team May Compete At Louisville, Kentucky For National Honors
In the debate tournament held at St. Paul, Minnesota, under the auspices of St. Thomas college, Feb. 27, 28 and Mar. 1, Central State Teachers College representatives, Celestine Nuesse, Donald Mills, Cetus Collins and Michael Zyka, coached by professor Leland M. Burroughs, won a total of ten out of fifteen contests.

Weekly Eight Straight
The unit composed of Mills and Nuesse placed third in the tournament, winning eight out of ten encounters, and losing only to the eventual winners, Hastings Nebraska Teachers, in a two to one decision. In reaching the finals, they were defeated by Wisconsin place among forty schools from seven states throughout the middle west, Nuesse and Mills undoubtedly scored one of the greatest victories won by a Central State Teachers College team in any extra curricular activity.

Their visit to the campus of the University of Wisconsin, February 9. Aaron Mannis and his Collegians will furnish the music for dancing until midnight.}

Dance In New Gym Friday Evening
The Men's Room is sponsoring a dance, which is to be held in the new gym tomorrow evening, Friday, February 9. Aaron Mannis and his Collegians will furnish the music for dancing from 8:30 until 12 o'clock midnight.

College, High School students and Townpeople are invited. Admission price will be twenty-five cents per person to all.

**Informal Dinner**

Katherine Slowy, Katherine Wiggins, Irene Miller, and Reina Reisinger were the guests of the informal dinner Friday, March 1, at the Cottages. The guests were Mr. and Mrs. J. C. Johnson.

**Omega Party**

Omega Mu Chi Sorority gave a theatre party for their prospective pledges, Saturday, March 2. From the theatre the entire group repaired to the Pa'l restaurant where refreshments were served. The guests of the evening were: Misses Ruth Schwahn, Velma Scribner, Maxine Miner, Audrey Wehr, Mildred Simonson, Greetings, Margaret Beggs, Eleanor Crumney, Alice Okl, Margaret Bentzen, Dorothy Brick, Mary Iverson, Eileen Bodeen, and Gwendolyn Weed.

**Tau Gamma Beta Entertain**

Tau Gamma Beta Sorority entertained their prospective pledges at a Progressive dinner Friday evening at 6 o'clock. The cocktail course was served at the home of Florenne Knoppe, the main course at the home of Katherine Krembs, and the dessert course at the home of Margaret Pflinner. The in-stitution has grown considerably during this period both in enrollment and in its extra-curricular activities. What is a college without football, basketball or Debate teams; without a band? Where do they rate? Certainly you'll agree—way down at the bottom.

There's the advantage of having a student activity assessment. Should these be split up into their respective amounts, invariably all of the above should fall therein. Yet these smaller activities, such as Debate and the Band are actually so valuable in the progress and the maintenance of a high standard for the institution.

By way of explanation as to what the money in each of these funds is used for we add that from the $55.30 allowed the Athletic Department gets $19.10, part of the $W. A. A. fund are financed by the fund. This year students were admitted to six dollars, costing less than $2.50; the Pointer receives one dollar; likewise one dollar goes to the Entertainmet Fund. Herefore the remaining $6 was distributed among the remaining activities as it was needed. This year both Music and Forensics have been allowed special funds receiving fifty cents from each of the fund. The remaining fifty cents from each dollar is put into a Social fund, which finances the all school functions, and takes care of all Miscellaneous items. Don't fail to remember that extra-curricular activities are major factors in putting the school on the map. This has been conclusively within recent years since the presidency of Mr. Hoyer who reorganized the fund situation to what it is at present. The institution has grown considerably during this period both in enrollment and in its extra-curricular activities. What is a college without football, basketball or Debate teams; without a band? Where do they rate? Certainly you'll agree—way down at the bottom.

**WHAT BECOMES OF THE $6 STUDENT ACTIVITY FEE?**

Many students are unaware of just how their $6 paid each semester is expended. $15 is sent to the state. The remaining $6 is placed into the Student Activity Fund, for which each student receives an activity ticket. In numerous instances, especially among the newcomers, an entirely wrong conception of the worth of this ticket is borne in mind by the owner. He thinks only of gaining admission to this or that or this event upon its presentation.

He doesn't stop to think that some funds are necessary to carry on the various activities about the institution. The six dollars is deposited in the one fund which is divided in the following manner:

- The Athletic Department gets $2.50; the Pointer receives one dollar; likewise one dollar goes to the Entertainmet Fund. Herefore the remaining $6 was distributed among the remaining activities as it was needed.
- This year both Music and Forensics have been allowed special funds receiving fifty cents from each fund. The remaining fifty cents from each dollar is put into a Social fund, which finances the all school functions, and takes care of all Miscellaneous items. Don't fail to remember that extra-curricular activities are major factors in putting the school on the map.

Nuesse, Mills Finish Third at St. Thomas

(Continued from Page 1, Col. 4)

Stories, they met reverses at the hands of Normal University of Chicago, Maelaster, and Gustavus Adolphus of St. Paul.

21 Wins, 9 Loses

Including the Normal University team of Normal, Ill., where the Pointers won 11 out of 15 arguments, the figures show 21 wins out of 30 attempts.

It is interesting to note that at Normal the team of Collins and Zylka won 6 out of 7 while the other squad were victorious in 5 out of 8 tries.

May Enter National Meet

Mr. Furnoughs indicates that it is almost a certainty that Nuesse and Mills will enter the tournament staged at Louisville, Ky., April 1, in which national honors are represented from all over the United States. There is a possibility that other teams may enter also. As each contestant is allowed to enter two fields, Nuesse may polish up the old creation with which he brought a tri-state championship to Stevens Point three years ago, and Mills is likely to enter into the experimental contest.

Tyroler Opera Co. Here For Concert March 13

Tuesday evening, March 13, the Tyroler Opera Co. of Chicago, Ill. will present a program in the main auditorium. This is another in the series of entertainments brought to the student body with the help of the townspeople. Any student who wishes to attend the opera must get his ticket from the main office. As there are only four hundred admissions available for men and women of the college, any one interested in attending ought to get his admit as soon as possible.

College Baseball Players Limber Up

A few of the college baseball players took advantage of the warm weather last Sunday in playing catch outdoors for the first time this year.

"Sarge" Misch and "Pete" Peterson, who play against each other in the summer, were seen performing in front of the fraternity house.

There are about two dozen good amateur ball players in College who play with their city teams in the summer. Coach Eddie Kotal has had much experience as a semi-pro player and could build a strong college baseball team with the excellent material available.

Bill's Bull

The play-off game proposed between Milwaukee and Superior was called off. President Frank E. Baker of the Milwaukee Teachers College cited expenses and loss of school as his reason for preventing his peda journey to Superior. The fans all wanted to see the game played to decide the best team in the Teachers Loop. Milwaukee and Superior are champions of their respective divisions in the conference.

Three Central State griddiers journeyed to Junction City to take part in a wrestling card last Monday night. Warren Becker, Russ Bepple, and Chuck Parker were the "grunts and groans" artists. So well are the boys liked in that section of the country (or should we say county) that they were featured in the match after several preliminary tussles.

THE OSHKOSH TEACHERS student body was not unemotional to the comment made in Bill's Bull relative to some practice of some teachers. The Editorial Board, while without sympathy, was not unmoved in response to the personal attacks made. The subject of the protest was the name of Neelie (of whom we have never heard), and Guy Krum. Now they make the "knummy ac-
cusation" of inferring that our wasn't called C. S. T. C. but S. T. C. with the ex-
ception of the members of the Chi Delta Rho Fraternity. After today the picture will be on display at the College Counte

er.

Students are asked not to solicit the aid of Mr. Collins or Mr. Pat-

money. "Spin" says this picture typifies the days when football was more of a "Knock'em down and drag 'em out/" affair than it is today.
