**174 STUDENTS COMPLETE COURSES**

**DEGREES WILL BE AWARDED 61 COLLEGE GRADS**

Dr. Arnold Gesell '99 To Deliver Commencement Address At Ten Saturday, June 9

With the advent of commencement, one hundred and seventy-four students will graduate from this institution Saturday, June 9, has been set as the date for the exercises, when 61 four year students will be awarded the degree of Bachelor of Education, and diplomas will be issued to 4 three year, 68 two year, and 41 one year students.

**Socia Laureate Address**

The Reverend Noble E. McLaughlin, pastor, of Wausau, Wisconsin is scheduled to deliver the commencement address to the graduates in the school auditorium Sunday, June 3, at 3 o’clock in the afternoon. President and Mrs. Hyer will be on the platform, and faculty and students will be seated in the reception room of Nelson Hall from 4:30 to 5:30 o’clock.

**Hyer - Collins Speak**

At 10:30 o’clock in the assembly, Friday, June 8, awards will be presented. The College Day program will begin at 2 o’clock on that day with a concert by the College Band. President Hyer will deliver an address, ‘Forty Years in the Making’, after which the College Orchestra will play several selections. An address, ‘The Changes, The Challenges, Have Come’, will be given by Dr. Joseph V. Collins of the faculty. The College Glee Club will close the program with several vocal selections.

**Alumni Banquet**

Immediately following the exercises, the faculty will receive the returning and graduating class in the reception room of the Home Economics Department at 4 o’clock. An alumni banquet has been arranged for 6:30 at the Hotel Whiting. In the evening, an all-college dance has been planned to be held in the gymnasium.

**Procession at 9:45**

The final commencement exercises begin at 9:45 o’clock on Saturday, June 9, with the academic procession on the college campus. At 10 o’clock Dr. Arnold Gesell, Stevens Point Normal ’99, who is now a professor of child hygiene at Yale University, will deliver the commencement address. Presentation of diplomas and conferred degrees will be made by President Hyer.

**MEMORIAL DAY**

**Wednesday, May 29**

**"The Valiant," "Third Angle" Thurs. May 31**

As one of three final projects, the Advanced Speech 120 class of Mr. Burroughs will present to the student body two one-act plays and a pantomime in the college auditorium Thursday, May 31, at eight-fifteen in the morning. Students and faculty members having no examinations scheduled for that period are invited to attend the performances.

**Kurz is Coach**

Miss Gennette Beggs will open the program with a selection entitled, “Beyond.” The second division in the program will be a one-act play entitled, “The Valiant.” The cast of “The Valiant” includes: Josephine Paris, Evelyn Dumbleton; James Dyke, “The Valiant”; John Wied; Warden Wilder, Gerald Porter; Father Daly, Philip Kundinger; an attendant, Albin Dumpy; a guard, Elmer Krause. Leon Kurz is coaching the play.

**Anne” Nason Is Good**

The final division of the program will be a humorous comedy entitled, “The Third Angle.” There are only three characters in the play; two of them feminine. Because of a shortage of female characters in the class, the two parts will be taken by men, and fair reader, are they GOOD? The cast of characters includes: Anne Paige, Bill (bass drum) Nason; Jerry Paige, Clifford Biedermann; Clarabelle Brent, Francis (cornet) White.

**Big Crowd Enjoy Rural Production **

**"Playing The Game"**

The annual Rural department play, "Playing The Game," directed by Miss Mary E. Hauth, was presented before a large crowd in the main auditorium, last Tuesday evening, May 22. The cast of characters included only members of the department sponsoring the presentation. The three act drama, written by Willbur Braun, was a decided success both financially and dramatically.
SOCIETY NEWS

As per tradition the fraternities and sororities of the Greek Council plan to spend a week of outing at Waupaca lakes at the close of the regular session.

Sorority Kittenball

Schmeckmeier Field was the scene of the first inter-sorority kitten ball game ever to be played in the history of Central State Teachers College. Friday afternoon the Tan Gams, with "Mag" Wolfe and Verna Sorenson doing the pitching, took the Omegas to the tune of 14 to 13. Two more games will be played in the near future to decide the 1934 championship.

Closing Activities

At the regular Rural Life Club meeting Monday evening, members of the group heard the report of the recent program held in Madison under the auspices of the Youth Section of the Roosevelt Country Life Committee. Several of the local students who were in attendance gave a very fine synopsis of what they had seen and heard.

Other numbers on the program included a group of piano selections by Everett Hull of the Bennett茸 Graham Orchestra, cornet solos by Francis White, accompanied by Carol Swenson, vocal solos by Kirkwood Likes, whose accompanist was Helen O'Neill, and a presentation of some of his own poems by our poet, Rogers Constand.

In a few well chosen words Curtis Trottson, president of the club, thanked the committee and the members who have helped to make the year so profitable. This brings to a close the activities of E. L. C.

GRADUATE NEWS

by FRANK SPINDLER

Esther S. Busse, of the two year primary school class of 1926, is now teaching in the primary grades of Oak Park, Illinois. She lives at 925 N. Austin Blvd., Chicago, Illinois.

Irving M. Gordon, 3 year high school course of 1927, is an auditor for the Wisconsin Tax Commission at Madison. His wife is Alice Sell of the class of 1926.

Irma I. Jenney, 3 year Home Economics and General Course of 1926, has registered nurse and graduated from Marquette University in nursing in 1926. She is a registered nurse in Los Angeles, California.

Dora M. Losby, 3 year Home Economics course of 1929, is a bookkeeper for the Southwestern Wisconsin Gas Company, Sparta, Wisconsin.

Milo N. Wood, 4 year English course of 1929, is pomologist for the Division of Fruit and Vegetable Crops and Diseases for the Bureau of Plant Industry, United States Department of Agriculture. He is located at Sacramento, California. He is a big man in that work. He assisted Mrs. Burbank for a while to get straightened out after Luther Burbank's death. Milo recently has issued a technical bulletin. Number 387, January, 1934, for the Department of Agriculture. The subject of this research and bulletin is pollination and breeding habits of the Persian walnut in California. This is a pamphlet of 56 pages and shows the results of large research and great technical knowledge of this subject.

Sigma Zetas Return

The six delegates who represented Central State at the national convention of the Sigma Zeta, honorary science society, held at Westerville, Ohio, spent an educational and entertaining week-end. They heard interesting talks including lectures by professors of Ohio State University and by members of the society. Movie demonstrations added to the portrayals. The delegates were just in time to see the big Chicago fire Saturday night. They also made stops at Indianapolis and Columbus, where they visited the Capitol buildings and the new government building at Columbus, Ohio.

Loyola Club Picnic

The Loyola Club will hold its annual picnic Sunday, May 27. Arrangements have been made to attend church at Custer in the morning and to have the picnic at Lake Emily in the afternoon. A packed lunch will be served. A fee of twenty-five cents will be charged all those present. Any members having cars for transportation, please see Frank Klement for details.

TRACK CONTEST
AT WHITEWATER

Sparkhall and Serberon Lead Scoring, Kotalmen Win
Six First Places
Taking six first places and scoring in every event except the hammer throw and the 220 yard dash, the Purple and Gold romped home with the triangular track meet between Oshkosh, Whitewater, and Stevens Point last Saturday. The Kotalmen garnered 53 points, Whitewater earned 52, and Oshkosh 37.

High Honors
"Chuck" Sparkhall, freshman strong man, outdistanced the veterans, Fritsch in the shot put with a heave of 41 feet 3.46 inches. He also took the broad jump with a leap of 20 feet 7 inches. A sophomore, Serberon, Sparkhall a total of 13 points to lead the individual scoring.

Pile up Points
Lyman Serberon, local iron man, ran the half mile, the mile, and the two mile. He won first in the mile and two, and a third in the half mile. Serberon and Bob Steiner took the pole vault with 10 feet 6 inches. They doubtless would have gone higher but were not forced. Steiner has had no previous experience and has only been out for track a week. Thaler, who has performed great promise. Frank Klement took the javelin throw with his usual consistency, heaving the spear 197 feet, 7.5 inches. Don Abel tied with Werbelow of Whitewater for first in the high jump, going 5 feet 10 inches.

State Meet Friday
The unpleasant feature of the trip proved to be pulled tendons by Joe Frank and Webo Berard. This achieves significance of note because the state meet at Madison comes off tomorrow.

College Golfers
Lose to Lawrence; Mars Only Winner

The college golfers lost a second match, this one to the Lawrence team, 8 and 4. Sam Kingston, Bob Mars, Nolan Gregory, and "Heart-breaker" Maurer made up the Point quartet. Kingston lost to Rudy Vogt, shooting a 79 to Vogt's 78. Mars won from George Blanchard by an 88 to 90 count. Gregory shot an even 100 to lose to Eberhardt who went around in 99. Maurer "kind of got took" by Glaser who shot an 85 to George's 97.

PHI SIGS TRIM
CHI DELTS 9-4
TO END SERIES

In one big inning the Phi SigmaUp- allion sluggers clinched the interfraternity kitten ball series defeating the Chi Delta Bbos, 9 and 4. The four games, scheduled for three games out of a possible five and ended after the fourth game. Scores of the previous tilts are: Phi Sigs 6, Chi Delta 5; Chi Delta 3, Phi Sigs 12; Phi Sigs 4, Chi Delta 3.

Collins Pitched Entire Series
The Chi Delts brothers jumped into a three run lead in the first inning, but Andy hit a homer for the Dels to enter the fourth inning 3 and 1. Then a parade of 8 runs crossed the plate for the Phi Sigs. Murray gave way to Klempt who pitched the remainder of the game. The Chi Delts pushed over two runs, one a homer by Klempt, to conclude the scoring for the day.

John Collins pitched the entire series for the Nats while Klempt and Murray worked for the Chi Delts. The games are always filled with excitement (Quite true) and never end until the last man is out. Last year the Chi Delts won the "little brown jug" but this year they return it to the Phi Sigs.

Prominent Men To Be Present at Big Reunion

Hyer Receives Answers From Other Outstanding Graduates; Plan Enjoyable Time

President Hyer is making a decided effort to contact personally many of the more outstanding alumni, former faculty members, and friends of this college and to bring them back to the campus to help celebrate the fortieth anniversary of the life of Central State Teachers College.

Below are excerpts from letters he has received from various men.

Former Regent

Justice Geo. B. Nelson, of the State Supreme Court, a former regent writes: "If my share of the work of the June assignment is not unusually heavy I shall be with you on June 8. "It would give me a very large amount of pleasure to celebrate with you and all the others." 

H. J. Mortenson '98

H. J. Mortenson, commissioner of insurance (state dept.) of Madison, Wis., answers thusly: "I know that you expect several of the old professors and graduates to be present. It certainly would be refreshing to see those with whom I associated in the years way back when, and if it is possible for me to attend I shall be there." (1898 grad).

J. D. Beck '97

Joseph D. Beck, commissioner of agriculture (state dept.) of Madison, Wis., answers thusly: "I shall make every effort to come. I regret that I have never been back to any graduating exercises at Stevens Point since I completed a course there. It seems that I have been inexcessably neglectful." (1897 grad).

E. A. Schofield '01

President E. A. Schofield of Eau Claire Teachers College, a 1901 grad, replies: "I am planning to leave here Friday morning June 8. I can be present at your alumni reception in the afternoon at 4 o'clock and hope to be present at the banquet in the evening."

Original Faculty Member

From way down in Citronell, Alabama, Mr. C. H. Sylvester, a member of the faculty from 1894 to 1900 writes: "Since the receipt of your letter of April 27, I have done little but think of the old days at Stevens Point and try to arrange matters so that I might be with you. That it seems impossible to accept is little less than a calamity from my point of view."

EXCHANGES

At Oxford University students enjoy six week's vacation at Christmas, six weeks at Easter, and three months in summer; however they are expected to do most of their studying during those periods. A tutor decides what reading shall be done during vacations. No check is made as to whether one attends lectures. The afternoons are devoted exclusively to athletic games. There are no coaches; teams and games are run by the captain and the secretary, both of whom are students. Laws governing moral conduct are very strict. They are not permitted to frequent public dance halls or saloons, nor to date town women. Students are affiliated primarily with their own college rather than with the university.

From the Echo Weekly, M.B.T.C.

You can't fool all the people all of the time, but you can fool many of the people most of the time. Exactly 150 students and three professors at Akron university signed a petition recently in which they agreed to commit suicide by decapitation. The college editors submitted the petition in order to see how many would sign a document before reading it.
