**CLASS ’34 PRESENTS “SKIDDING”**

**ANNUAL PLAY WILL BE GIVEN TUESDAY, MAY 8**

Play is scheduled to start at 8 o’clock in auditorium; New Low Admission – 15c & 25c

A three-act comedy, “Skidding”, played and produced by members of the Senior class and directed by Miss Ruby Tilleson is the next big event on the college calendar. On Tuesday night, beginning at eight o’clock in the auditorium, the Hardy family from a little town in Idaho will graphically show what happens to the domestic circle when several of its members start skidding away from their social conformity.

**Tilleson Directs**

Judge Hardy, played by Charles Ross, finds that his election is being endangered by a political machine. Mrs. Hardy, played by Loretta Rehm, just doesn’t understand politics and her lack of comprehension creates many a laugh. Aunt Millie is an unobtrusive person throughout the first two acts, but brings the house to its feet when she bursts forth in the last scene. Ella Kleist plays the role of Millie with finesse.

**Swell Phrase Here**

Marion, played by Carolyns.

**English, History Conference Here All Day Saturday**

Saturday, May 5, the members of History class 225, and English 225, with the aid of Mr. E. T. Smith and Mr. N. E. Knutzen, will be hosts to around seventy teachers of those subjects who are professionally engaged in central Wisconsin.

As was indicated in The Pointer last week the two groups will hold a joint meeting in the main auditorium of the college. At that time they will be addressed by President Hyer, Mr. Edgar S. Donnna, secretary of the board of regents, and Mr. F. Waddell, assistant state superintendent of schools.

The afternoon sessions will take on a more informal aspect. Practical problems of the teaching of those subjects will be openly discussed for the mutual benefit of all those concerned.

**Class ’34 Presents Operetta “Sylvia” A Big Success; Capacity Crowd Enjoys Program**

**Nuesse Sends ’34 Iris Copy To Printers**

The operetta “Sylvia” presented last Monday evening, April 30, by the students of Central State Teachers College under the auspices of the Music Department, with Peter J. Michelson directing, assisted by Mr. Knutzen, and Mr. Allez, was an overwhelming success.

**Whole Well Cast**

The capacity crowd that filled the auditorium will attest the fact that the characters were well cast. Miss Vivian Staven, who played the leading feminine role, Sylvia, displayed a rare combination of dramatic ability and musical talent. The warmth and color of Miss Staven’s voice won him professional caliber. Miss Lorraine Riplinger, who acted the part of “Betty”, the farmer girl, likewise charmed her assignments well. Kirkwood Likes, the DeLacy of the opera, and Betrothed of Sylvia, took the male lead. His pleasing tenor voice won him many encores. Philip Kundinger (Prince Tobbytun) and William Thiesen (William), pleased the audience with their portrayal of humorous scenes.

**Musical Numbers that were especially well received included the duet of Betty and Sylvia, the quartette of mixed voices with DeLacy, Sylvia, Betty, and William, and the final solo of Miss Staven, “My Sailor Lad”**

**Accompanied By Orchestra**

The large supporting cast of more than sixty lent a realistic atmosphere to the production. The accompaniment was furnished by the college symphony orchestra.

**Much of the credit for the successful staging of this light opera, the first presented by this college in several years, is due Miss Edna Carlsten who was in charge of costumes and scenery. Mr. Charles Evans took care of the make up and Ward Fonstad was the property manager.**

---

**Parents’ Day Sponsored By College Coeds**

The copy for the 1934 “Iris” has been completed and shipped to the Badger Printing Company of Appleton. It is expected that the book will be ready for publication about May 25.

The theme of this year’s annual centers around the fortieth anniversary of the college. The treatment is entirely modern, something “different” from the books published here in recent years. All of the special features and art work have been made up to bring back reminiscences of the history.

**MISS WATSON WINS FIRST IN FORENSIC MEET**

John Corney, Phillips, Best in Extemporaneous Speaking; J. Scheemer Best Orator

In a high school district forensic contest held at this college Thursday, April 27, Miss Virginia Watson, secyetary of the Intermediate Department at this institution, was accorded first place by the judges in a declamation on the subject “The Show Must Go On”.

Winners To Madison

There were twelve contestants of the day included John Corney of Phillips in extemporaneous speaking. His topic was “Austria and the Peace of Europe”. The humorous declamation first ranking was awarded to Miss Rebecca Swinger of Burnside on the basis of her delivery of “String Beans”. Alice Rowlands of Birnamwood took first place in the emblematic reading event with the topic “The Foreign Policy of Company 99”. John Scheemer of Colby won the oratorial contest with the oration “Builders of Destiny”.

Speech Class Hosts

The contest held last Thursday was to determine who would represent this district in the state meet to be held in Madison on May 5. Fifty-seven speakers, representing the high schools in central Wisconsin competed here. There were twelve contestants entered in each event. Each of the winners of the several divisions will compete in the contest at Madison.

**Playing The Game,” Rural Play, Pay 22**

“Playing The Game,” a smart comedy drama of three acts, by Wilbur Braum, has been selected by the Rural Life Club for its annual play to be given in the college auditorium on Tuesday, May 22. The cast for the production has been selected and will be announced in a later issue of the Pointer.

Miss Mary E. Hanna of the Rural Department is coaching the play.

GROUPS SHOW ACTIVE INTEREST

Since activities along the line of sponsoring events and entertainments to bring ‘outsiders’, especially high school students, to our college have been quiet frequent of late, we are taking this opportunity to comment on the same.

Our opinion of the matter is that the various departments and organizations of the institution have shown considerably more interest in this field during the past year than was shown in previous years. It is to be highly complimented, bearing in mind that the Heads of the various organizations were instrumental in undertaking and so successfully carrying out these projects.

Pouting out more specifically some of the more recent endeavors are:

1. The Music Festival sponsored by the Music Department.
2. The Loyola Dancing by Rosaleen

CLOTHING

Home Economics Sewing Courses of-
course help to solve the
clothing problem of families
today.

Every woman wishes to be well
dressed. One can get better dressed
in a few well-chosen dresses than in
many poorly chosen ones. In
Home Economics Sewing Courses
each girl gains a knowledge of
how to choose her wardrobe
wisely from the standpoint of
wearing quality, as well as that
of line, color, and design.

Ready-to-wear clothing usually
needs some altering. A knowledge
of how things may be altered prop-
erty is stressed in all sewing courses.

Ready-to-wear clothing is
usually more expensive than
clothing made at home. Garments
made at home are often naturally
better made and are under the
control of the maker. Those who
have training and common sense,
are as good looking as many of
the ready to wear garments, and
usually better made by a careful
and patient worker.

Today, because of its increasing
importance, renovation has been
stressed more in the teaching of
sewing. Successful renovation en-
able one to live within a
limited income and be well and
comfortably dressed.

To solve all the difficulties in
the clothing problem of the
family at the present time is be-
ing more and more important
and is, by no means, an easy task.
It is a challenge to Home Eco-
nomists.

Goin’ Fishin’? See Exhibit In Library

The college fishermen returned with the usual stories accompanied with the phrase, “No tackle” from their fishing trips of this week. Mr. Allez’s advanced library class has prepared an exhibit on “Fish and Fishing” which is displayed in the alcove of the library. Much useful information may be gained by browsing through these books toward a knowledge of fishing technique, fish and their habits, what the government is doing to maintain this sport, etc.

McNamara – Le Roux In Charge

Miss Blanche McNamara and Miss Dorothy Le Roux are in charge of the exhibit. Most of the books are new and have been added to the library in the last few years. Some of the information compiled in these texts is the result of government research both in museum and actual life in lakes and streams.

Complete Coverage

The Field Museum of Chicago has sent out pamphlets on Fish and Fishing that Mr. Allez has bound into a volume. This volume with others by the United States Treasury Department may be purchased for a very few cents. They also contain much information that should give the student some conception of what the different government departments are doing to maintain this sport and industry. The plaques on display are contributions from the Weber Lifelike Fly Co.

PHI SIGS TAKE CHI DELTS 5-6 IN OPENING KITTENBALL GAME

In a game marked with thrill and spills, the Phi Sig took the first tilt of the interfraternity kittenball series, 5-6. Excitement prevailed as the pitchers got out of tight places with superb throws. It was a good game to decide the contest. With two men out and two on the bases, “Scoes” MacNally laid one out past the center fielder to send John Collins scampering home with the winning tally.

J. Collins pitched against Frank Klement, both men going the full route. Bremmer, Anderson, and Maurer led the Phi Sig while Gretery led the Chi Delta in sluggers.

Glee Club Takes Trip To Antigo And Rhinelander

In preparation for several scheduled appearances of the Men’s Glee Club at other high schools, they have spent considerable time lately brushing up on some of the numbers presented at their debut here last month. Plans have been made for an all-day trip for two appearances — one at Rhinelander today, at 11 o’clock, and another at Antigo at 3 P.M. Plans for appearances at Shawano and Vici are still indefinite. It is also expected that the group will appear at the Class Day exercises, June 8.

Arrangements for the trip are being made by Norman E. Kautzen, director of the organization.

Odd Facts About Prominent People

DID YOU KNOW THAT —

Glen Frank, president of the University of Wisconsin, when a mere lad of 12 preached 3 times a Sunday in Missouri, and that later he preached with Billy Sunday. Frank has on his desk an old fashioned school bell that was used by his father, who was a country school teacher; he was the editor of Century magazine from 1925. Among other things he is in great demand as a public speaker — writes daily syndicated columns — is the author of several books and was a member of President Wilson's staff at Versailles.

Phillip Spencer, who was one of the founders of Chi Psi was hanged at sea on a government boat in 1837. He was accused of holding secret meetings. His father was secretary of the navy at the time.

Dr. Walter Williams, president of the University of Missouri, is the only college president who never graduated from college.

Since 1918 Purdue University basketball teams have won 130 out of 183 Big Ten games for an average of 710. They have shared seven Big Ten championships in the last 14 years. They have had the highest offensive average and the lowest defensive average for the 104 Big Ten season.

The University of Alabama of Tuscaloosa, Ala., has an enrollment of 3,000. A butler in the Lambda Chi House has named three of his offspring Lambda, Chi, and Alpha. More than 50 of them have graduated from those houses. — An international paganist is held every year at which foreign students don picturesque costumes of their native lands. — A sports writer in 1912 termed the U. S. C. athletes "Trojans" because of their ability and fight. — S. C. has developed into the nation's undisputed leader in the track and field. The I.C.A.A.A.A. meet for 3 consecutive years, never losing a dual, sectional, or national meet during that period.

Annual Music Tournament At Green Bay, Wis.

Wisconsin's 15th annual school music tournament will be held in Green Bay on May 18 and 19. The "World's Largest Congress of Student Musicians" will gather in the above city where bands, orchestras, groups and individuals will compete in the several classes. Indications are that this year's Tournament will be the largest in the history of the organization. Though district tournaments will eliminate lesser bands, there will be many more than that number of orchestras and choruses admitted to the Green Bay Tournament.

5,500 Student Musicians

In conjunction with the contests will be the city's celebration of the Wisconsin Tercentennial making the event more interesting and drawing a much larger crowd. More than 5,500 student musicians are expected to take part in the event. Formerly it was the state band tournament but now it embraces orchestras and vocal choruses from the high schools of the state.

Since there is serious consideration of abandoning the state tournament idea in Wisconsin because it has become almost too huge an enterprise to conveniently handle, this may be the last Wisconsin tournament on this state-wide scale.
