PARENTS’ DAY PLANS COMPLETE
GREEN DEBATE MATERIAL GETS OFF TO GOOD START; TWENTY-EIGHT OUT

PARENTS’ DAY NOVEMBER 16th

Committees Are Busy;
Excellent Program Planned
A new and worthwhile project is in the making. The Primary

Parents’ Day has become an all-school undertaking, and Friday, November 16, has been definitely set as the day on which we honor our mothers and dads. Invitations, carefully addressed by Miss Coleman’s workers, went out Wednesday. We can make the parents who come glad they accepted these invitations only by making it really “their day,” and offering them every possible consideration and courtesy.

Morning Program
A program to be given in the
(Continued on page 2, col. 4)

Omega Informal
Next Week
Are you “pinching pennies” this year? Then be sure to attend the informal Bargain Dance sponsored by Omega Mu Chi Sorority, Friday, November 16. A sorority dance; you know, Freshmen girls give you the chance to pick your man and pay the bill. The cost will be 50¢ a couple, and you’ll have to wait till Retail’s next one-cent sale to equal the bargain offered here.

This is the first informal of the year and ushers in the pre-winter social season which is all the more reason for making the most of it. The Castilians, dance band extraordinary, popular at the University of Wisconsin, will play. The dance will be given in the Training School Gym.

Bob Neale Gets Break
Robert (Bob-to-you) Neale leaves next Tuesday for Washington D. C. as Wisconsin’s delegate to the National Rural Forum, convention of rural problems. He will go with Dr. E. L. Kilpatrick, head of the Department of Rural Sociology at the University of Wisconsin. They will travel by automobile and Bob will take moving pictures of all blow-outs, interesting people and places. We hope he brings back one (picture) of his cousin who has been a secretary of every Pre-

(Continued on page 2, col. 1)

Teachser’s Convention Well Attended
A Post Mortem of the Teachers’ Convention held at Milwaukee reveals that Mr. Neale’s speech entitled “Equal Educational Opportunity — What is it?” was well received, that Miss Roach was banqueted and banqueted in honor of her birthday, that the Convention was well supported by C. S. P. O. Professors and Alumni, and that these folks managed to find time enough to enjoy themselves at the Theatre and the Shop.

College Students Take West Point Exams
Ronald Murray, a junior in the college and a well-known football player, and Peter Zaborski, a sophomore, have taken examinations which may lead to appointments to West Point. Both are national guardsmen and the exams are competitive in nature. Murray took the exam in Madison last Friday along with about one hundred other candidates. Yesterday Zaborski took his examination at the Armory. We wish them luck, hoping that they may win the coveted honor.

Book Show Plans Are Set
In observance of National Book week November 11-17, the Training School is planning a Hobbyhorse Book Show which, in the words of Barnum “will be bigger and better than ever.” It will be held Friday night November 16 from seven to nine thirty P.M.

An exhibit of this kind consists of cataloguing the books according to types and subjects and illustrating them with pictures or the articles with which they deal. A book on cooking might be illus-

(Continued on page 2, col. 2)

American Education Week, Nov. 5-11
Again, at its usual time, the National Education Association is sponsoring its regular American Education Week. The period extends from Nov. 5 to Nov. 11. Although a knowledge of the methods and aims of the National Education Association is valuable to everyone, it should be especially worthwhile to the students and faculty of a teacher’s college. For your information, the magazine, “Journal of the National Education Association,” which we have in our library, has much good material on the subject.
A CHANCE TO SHOW OUR APPRECIATION

The axiom that "a tiny acorn grows into a mighty oak" again is proved true. Three years ago Miss Colman's Primaries sponsored a Parents' Day for their departments; this year this project evolved into an all-school affair. A splendid morning assembly program has been arranged in honor of our parents, special efforts to show how their friendship are being planned — everything appears set for a day our guests will long remember.

The combined efforts of every student and faculty member are required to put over the project.

We are proud of our parents and we appreciate their sacrifice; we extend the interest in our welfare and our school by bringing them with us the morning of the 16th. Let's plan to show them around the school buildings, let's arrange to have them meet our faculty members, let's introduce them to our fellow students and friends, let's give them the friendly heart to which this school has become famous is contagious — and when the setting sun brings the day to a close new adherents will be found and new friendships formed.

CONGRATULATIONS, WAYNE KINGERS

The Collegians, our college dance orchestra, made a hit with all concerned. We wish to compliment the splendid and pleasing performance when they made their debut at our last all-sports party. We hope they reap the reward they have proven they deserve — and get opportunities to play numerous jobs. Constant and regular practice has perfected their style — in behalf of the student body we congratulate them.

BOB NEALE GOING TO WASHINGTON, D. C.

(Continued from page 1, col. 2)

sident since "Teddy Roosevelt," and with whom he expects to stay.

Some of the high spots of the trip will be: an opportunity, through Senator Nye, to attend a discussion of the Amendment question in the new Senate Building; contact with such authorities as C. J. Galpin, author of a text used at C. S. T. C., C. C. Taylor, rural sociology expert and head of one of the President's boards, and H. A. Weishar, Sec. of Agriculture; and a visit to Mt. Vernon and Baltimore.

When Bob gets back ask him about the C. C. C., the N. R. A., the F. B. R. A. or even the D. A. R.

SOPHOMORE NOTICE

Many sophomores are anxious to know when the annual sophomore dance is to be held. Due to the inability of securing a suitable date for the affair in the near future, the dance will be postponed until sometime after the Senior Ball.

BOOK SHOW COMING

(Continued from page 1, col. 3)

trated by a Earl Leaderman trying to "mussel out" his wife first attempt at biscuit making. An agricultural book with a miniature farm, etc. The show will feature very old books, very new books, very unusual books. Uniformed Boy Scouts will act as door keepers and guides.

In addition to making, the student aware of the knowledge and adventure that can be derived from books, it is the purpose of the Hobbyhorse Book Show to interest the everyday student in a hobby which would prove worthwhile and fascinating and which would tend to instill in him a love for purposeful reading.

NOTICE

There will be a very important freshman meeting this evening in the Senate Hall after the program today. All freshmen are asked to be present.

CORRECTION

In the account of the Music Club Convention, it was given in the Oct. 26 issue of this publication, two names of women who are wives of faculty members and who belong to the Twilight Music Club of Stevens Point were omitted. These were Mrs. C. C. Evans and Mrs. R. L. Kotsa.

DEBATE GETS UNDER WAY

(Continued from page 4, col. 2)

In order that each person has an opportunity to display his prowess, time will be allotted to five minute constructive speeches with three minutes allowed for rebuttal. An outside judge will select the eight debaters who show the most promise. These speakers will take part in the first intercollegiate debate to be held at La Crosse State Teachers College, December 3.

Twenty-Eight Out

Armament Question

The question this year is the problem of international ship of armaments. Each team debates both sides of the question. The college forensic program this year is more comprehensive than in previous years. Plans are already on the schedule call for an exchange of three-act plays by each college. Oratorical contests debates and declaration will also be held. The scheduled site is Stevens Point as the location of the oratorical contest to be held in March, 1933. In 1934 no dramatic contests were held due to enforced economy. It is hoped that C. S. T. C. will have as successful a record in forensics as in recent years. Judging from the past records of some of the debaters that have reported, we can look forward to a successful season.

Collegiate Radio Hour Changed And How

The Collegiate Radio Hour, on the air each Wednesday afternoon from 3:30 to 4:00 has been reorganized and will henceforth be under the supervision of a State Radio Committee. The program will be mapped out in advance, and it will be arranged so that each department will have its turn at the mike.

"This change was made to insure the public a constructive program instead of thirty minutes of pure ballyhoo.

PARENTS' DAY NOV. 16

(Continued from page 1, col. 1)

College Auditorium will contribute much to the enjoyment of the event. It will include an address of welcome by President Hyer, and mrs. Van Buskirk, Mr. Peterson will speak for the parents, to be followed by the Boys' Glee Club. The concluding number of the program will be a concert by Kay Powell Van Buskirk, soprano, of Chicago. Those who have seen the complete artistry with which Mrs. Van Buskirk can present will know that no nightclub appearances in Stevens Point is of particular interest, for she is the daughter of Mrs. Van Buskirk, an alumnus of this college, and was herself a student here.

Committees Busy

Arba Shorey is general chairman of Parents' Day. Each department of the school is represented by a chairman of one of the committees. Dera Ploeger, President of the Primary, is chairman of the invitation committee, and H. W. Wilson, a member of the Grammar Department is chairman of the program committee. Bob Neale, a Rural, is in charge of advertising, and Mrs. Ogle, a Home Economics girl. These people, and the committees they select to aid them, will be working from now to the 16th to make this day a success, and they cannot succeed without the cooperation of each student. Write your parents a special invitation, treat them and all who come royally, and send them a year raising the spirit of C. S. T. C.

Fox Theatre Treats Gridders

The Fox Theatre, through the kind invitation of Mr. Neuman, was host to the Central State football team on Thursday, October 18th for the showing of "Student Charley," starring Jimmy Durante.

NOTICE

There are a few copies of last year's yearbook currently bound in book form for sale at one dollar each. If you wish a copy, however, you must apply to your Chairman of the Pointer. Ask quickly as the supply is limited.
**SOCIETY NEWS**

**Miss Tilleson Addresses Grammar**

Dressed as a Spanish senorita to add color to her very vivid portrayal of the Southwest, Miss Ruby Tilleson entertained her audience thoroughly with her topic, "From 16,000 feet above sea level to 6,000 feet below," at the meeting of the Grammar Table, Monday evening. Her personal experiences while visiting the Grand Canyon, Pike's Peak and Halibut Cove during the year, were brought home by the various illustrations and snapshots shown.

A two-act, The Lamp Went Out and it's clever play, "Napoleon's Farewell to Josephine" completed the program. Miss Luscille Chown presided at the piano, furnishing music between the various numbers.

**Sigma Zeta Visits Hospital**

The Sigma Zeta Society journeyed to St. Michael's Hospital Tuesday evening, October 30. Dr. P. R. Krembs addressed them in a very interesting lecture on "Basal Metabolism," Miss Allen was in charge of the affair for the evening.

**Greek Council Elects**

Monday afternoon, the Greek Council met for a short business session. Miss Margaret Turrish was elected the Secretary-Treasurer. Plans are underway for various affairs which the Greek Council sponsors during the year.

**Y. W. C. A. Holds Monthly Meeting**

The Y. W. C. C. met in the Recreation Room of Nelson Hall Wednesday evening. Rev. Dyvig of the First English Church addressed the young ladies. All members are urged to pay their dues to the treasurer as soon as possible.

**Athletic Committee Sponsors Dance**

Again the "Castillians" will tease the toes of our college girls with their peppy tunes, when they play for the dance sponsored by the Athletic Committee, Saturday night. Admission twenty-five cents to all.

**Collegians Orchestra Well Received**

The Collegians under the direction of Aaron Mannis, have received a very sympathetic reception at their concerts. The local artists have shown rapid improvement so that they can now boast a ten piece music concert made up of all students able to produce rhythm, harmony, and melody which will infect the most sedate with dancing feet. They have not only been retained for the great share of the College Hops, but they have merited engagements and popularity in a great many other places.

**NELSON HALL**

Ruth Brys and Florence Knaf Hall of Fame visited the former's sister over the week-end.

When did Francis Bremer move into Nelson Hall? We were wondering last his room number is so we can distribute his mass of fan mail.

Leave it to Edie Rasmussen to get her man — the brute caught a mouse last night.

The Freshman of Nelson Hall are just starting to take baths — they learned that the five-cent-charge is just a hoax.

The pledges in the dorm are getting a very liberal education from selling overall on the square — to — disguising themselves in men's clothing.

Esther Kushman is out of quarantine now and feels as well as ever.

Harriet Nelson, June Hochstaf, Edith Rasmussen, Nova Hartline, Margaret Wray, Emma Boesel, Neive Stevens, Dorothy Gilbertson, Margaret Taylor, Miss Gilbert and Miss Horton stayed in the dorm over vacation.

One of our Freshmen took a round about means of getting rid of more than her foes. She let the bath-tub run over and nearly drowned two of her very beloved girls.

**ALUMNI NEWS**

by FRANK N. SPINDLER

The annual alumni dinner at Milwaukee was held this year at the Hotel Schroeder, fifth floor, in the Green Room. It was a very pleasant occasion, and the alumni that were there were full of pep and enthusiasm and evidently had a splendid time. There were about fifty who participated in the dinner, almost equally divided between the faculty and the graduates.

The program was short and to the point. The speakers were Mr. Bryer, Mr. Smith, Mr. Thiede, and Celostine Nussell.

Although there have been alumni banquets in Milwaukee where there was a more cordial spirit and sociality, the prevailing feeling was one of pride in the school's accomplishments for Wisconsin and the world and a feeling of undiluted loyalty to the school and confidence that its future will be even more glorious than its past.

**W. A. A.**

Seven Pledged

At last week's meeting seven new members repeated the pledge of the W. A. A. They are: Marion Gaffney, Mildred Larsen, Beulah Turinski, Lolita Week, Mary Carr, Irene Meyer, and Anny McVey. Following the initiation the club members adjourned to the back lot where a fire had been built, to enjoy smore. These delicious sandwiches made by placing a toasted marshmallow and half a harshey bar between two grah crackers. Singing rounds and tunes in and out of harmony brought the evening to a gay close.

**Archery**

What sports are these archery fans! On Monday afternoon, one of freezing tendencies, there were seven of them out on Schmoke field aiming at and hitting the target in spite of cold fingers. Some day they may bring home that duck.

**Hockey**

Two teams have been scrimmaging this last week to increase their playing and driving skill so that they may give the other fellow a beating when the tournament games start. This reminds us of the recent news from the hockey world that in 1936 America is to be the hostess to teams from seven foreign countries when they meet for an international conference and tournament in Philadelphia. American women have not shown up so successfully against British teams, but by 1936 they expect to give England a real tussle. Field hockey is a world sport and is played in thirty one countries.

FOOTBALL REPORTS

Point WINS OVER

WHITewater 2-0

Kotalmen Miss
Scoreless Tie By
Narrow Margin Of Two Points.

Stevens Point blasted whatever hopes Whitewater may have had of sharing in the championship, and assured themselves at least a tie for the title in the closing regular season game.

The game was a see-saw in the first half, with neither team having a distinct advantage. Penalties again served to stop the Purdue and Gold advances whenever the boys got under way.

Stevens Point game was not marred by any unusual features.

SOUTHERN HALF TEACHER'S
CONFERENCE STANDINGS

W L T Pct.
Stevens Point 3 0 0 1000
Milwaukee 3 1 0 750
Oshkosh 2 1 1 66.66
Whitewater 1 2 0 33.33
Platteville 0 3 0 000

A few performances in the last four games; have readin' too much into this.

Four Play Last Game

There are others who will continue to carry on the tradition, at least those of us who have been privilged to view the progress of these men during the past few years, who will not soon forget Milton Anderson (Fulaski), W. A. Reek (Green Bay); Myron Fritsch (Spencer); Ronald Murray (Glidstone, Mich.).

Platteville Soap Box Derby

The Pointer will face Platteville Saturday in the season's football winn.

For the Stevens Point teachers who are present in the platt 1le's win over the big schools now stay close to the school because of the recent spread mark of the last year to take back the local teams.

Stevens Point will meet Platteville Saturday in the last game of the season.
The holiday season will soon be here.  

Proms and Balls  

will soon be in order.  

The Big Shoe Store has always catered to the college co-ed in timing their shoes to match their gowns.  

Expert wormanship our policy.  

The best way to avoid a cold  

is to wear the Big Shoe Store's all rubber gaiters in slushy weather.
HALLOWE’EN PARTY SUCCESSFUL

The Training School Halloween party under the leadership of Thyrza Iverson and her committee was a distinct success. All present had a very enjoyable time. The committee is to be congratulated upon the fine manner in which this party was conducted.

Shelves Installed in College Library

In keeping with its progressive library policy Central State Teachers College has recently added six new stacks to the stack room which will, The Pointer has been told, be in use in the very near future.

The purchase means shelf space for 3600 more books. As the library adds approximately 1200 books, bound magazines, and government documents annually this was necessary to provide for normal growth.

The latest available figures place the total volumes in the local library at 27,921, which far surpasses the minimum standard set by the North Central Association and American Association of Teachers’ Colleges in books and library facilities.

The stacks were purchased from Sneed & Co., of Jersey City, N. J., and are standard library equipment.

Dr. Faust—Newton L ectured Last Tuesday

A large audience enjoyed the unusual revelations of Dr. Cosette Faust-Newton, well-known lecturer, who spoke here in the main assembly last Tuesday night. The address was entitled “The Rainbow-Hued Trail Around the World,” the story of her three years trip around the world.

The listeners were delighted with tales of strange places and weird customs in out-of-the-way lands. The lecture was illustrated throughout by photographs from Dr. Faust-Newton’s collection.

Kozuchs’ Program Commented Upon

Thaddeus Kozuch, brilliant pianist, played to a large audience, Sunday, November 4th, in the College Auditorium. This accomplished young Polish-American was brought to Stevens Point under the auspices of the St. Vincent De Paul Society. His work has been much praised by various newspapers, and authorities: Herald-Examiner, and the Chicago Daily Tribune say of him: “he owns the entire where-withal to build a career... youth, brains, technie, temperament,” and “he has the three essential T’s, tone, technie, and temperament.”

MARGARET ASHMAN TO MEET TUESDAY

The Margaret Ashman club will meet next Tuesday at 7:30 in Mr. Burrough’s room. This meeting will be particularly important as it is the first parliamentary law session. Officers of all organizations are asked to be present at this meeting.
