'35 Iris Staff Selected

Point Northland Gridiron Battle at Goerke Field To-morrow Nite

EMERY, SCHWAHN CHOOSE MEMBERS

Plans Well Under Way; Many New Features

Here are the people who begin to work and perhaps to worry so that one day in spring the students may greet each other with, "Iris is out! How about writing in my book?"

Emery is Editor

Robert Emery, editor-in-chief of the Iris, says that the annual will have several new features. These are: more picture space, an entirely new fraternity and sorority section, and the omission of organization write-ups.

W. Schwahn is Business Mgr.

While Mr. Emery edits the book, the business manager, Wilson Schwahn will work equally hard, hoping to make the yearbook a success from the financial point of view. A new type of advertising is expected to solve the financial problem.

The staff members have been selected with the greatest care from the efficient and talented members of the Senior Class; and each has been chosen on the basis of his ability.

Free Fox Passes To Be Given

Through the courtesy and cooperation of Mr. Newman, manager of the Fox Theatre, a number of C. S. T. C. students will be presented free passes to the Fox Theatre every issue beginning next week. We feel that Mr. Newman should be given a big hand, for he not only is keeping us off to the best cinematic hits through his class A advertisements, but is giving each hard-working student an opportunity to enjoy an evening's entertainment gratis.

The method of distribution is as yet undivulged, but each student will have an equal chance to share in the free cinema pastebords.

NOTICE

The Pointer Staff again requests that those organizations which failed to appoint publicists to date do so at once.
THE EDITOR'S COMMENTS AND COMPLIMENTS

The Freshman Class did a creditable task in collecting debris for the bonfire. If this achievement serves as a gauge of the ability, enthusiasm, and industry of the class, the school has every reason to feel proud of its newcomers, and you'll be backing them as they carry on, breaking existing records and earning an enviable name for the class of '38.

Night School is Well Under Way

Ten members of the faculty are scheduled for teaching in the night school, in which classes will begin next week. All courses will be given on Tuesday evenings, at 7 o'clock, with the exception of three fall semesters of Saturday morning classes, which have been abandoned, because the crowded laboratories in Biology and the overloaded schedules of the Biology teachers, in particular, made them impossible. Most of the applicants for Saturday sessions wanted to enroll in a Biology course.

The enrollment in the night school took place Tuesday evening, October 2, between 5 and 8. Figures on enrollment are not yet available, but over 250 interested students attended the first meeting.

The teachers, together with the courses they will offer are:

- Mr. Steinle (History 116), Mr. Smith (History 102), Mr. Rupen (History 206), Mr. Watson (Geography 107), Miss Hanson (Government 111), Mr. Neale (Economics A), Mr. Spindler (Psychology 204), Miss Hanna (English 102), Miss Rasmussen (English 111), and Mr. Knuteson (English 109). Mr. Knuteson is in charge of the night school work.

Demonstration School

A Student Laboratory

Here, on our college campus, besides the regular laboratories which are to be found on any campus, we have, in addition, a "laboratory" for the training of students who wish to enter the field of rural education. This laboratory represents Demonstration of Rural Education.

On Highway 10, west of the city, there stands a new rural building, completely equipped to give the children of District No. 1 the best rural education possible. But at present it stands empty and is used only for community meetings. The reason is this: each morning of the school week, a bus from C.S.T.C. goes out to this district, calls for the children at their homes, and takes them to the Demonstration School; each evening, the bus returns them to their homes.

This arrangement has been made to make it possible for the students of our college to obtain rural teaching experience in a real rural school, which the Demonstration School is.

To date, the enrollment in the school is thirty-eight, in comparison with forty-one last year. These figures indicate a drop of about 7% from last year's total.

Ode to an Uneventful Sunday Evening

When the evening seems dull and lonely, the besieged spirit longs to be set free. One should try so hard to ponder on anything but pleasant memories of you.

The 2nd floor phone rings in the hallway.

My heart almost skips a beat.

EMERY, SCHWAHN CHOOSE MEMBERS

(Continued from page 1, col. 1)

The staff is as follows:

Editor-in-chief
- Robert Emery
- Robert Schwan
- Bob Garvin
- Wilfred Engerstrom
- Nolan Gross

Circulation Manager
- Nora Gross

Administration and Classes
- Robert McNally, Margaret Turriff
- Forensic and Dramatics
- Leonard School
- Main

Business Manager
- Yvonne Jolliff
- Dick Schwan

Features
- Robert McNally, Eileen Tutt

Society Editor
- Jane Anderson, Carol Kennes
- Photography
- Bob McDonald, Eileen Tutt

Art
- Ray Thompson and staff

Attend Press Convention
- Mr. Rogers of the Chicago Daily News, Emery, and Schwan left Wednesday to attend the convention of the National Scholastic Press Association in De Paul University, Chicago. Will bring new ideas that should come back from that convention, and the capable staff at work we predict that this year's Iris will come up to the high standard set by Editor Celeste Neuse and Business-Manager Edward Leutholder last year.

34 HOME COMING

VERY SUCCESSFUL

(Continued from page 1, col. 2)

Third place was awarded the Chi Delta Kho fraternity whose members regretted that the invited Oskosh team, clad in barrels and decked with bandages, the floats of Omega Mu Chi Sorority and the Homecoming Committee received honorable mention.

Banquets, Football, Dance

The various organizations entertained their alumni. But the big event was the football game which, as everybody knows, ended in a victory for Kotal's Gang. The enthusiasm of the crowd was aroused by the band and the cheerleading.

To climax the affairs, a big homecoming dance was held in the new gym, with the Castillians furnishing the music. On the dance floor were seen many alumni, and a good time was had by all.

But it's for some lucky girl friend Whose lover deems it necessary to meet.

Why can't we all be so lucky And catch a lift without a bus Instead of having your honey leave you And spend the whole weekend in Figurine?

Diner (who has ordered tea) - What do you call this stuff anyway - tea or coffee?

Waiter - What does it taste like?

Diner - Paraffin

Waiter - Then it must be tea - the coffee tastes like gasoline.
SOCIETY NEWS

Homecoming Festivities
The Alumni Associations of the Phi Sigma Epsilon and the Phi Lambda Phi fraternities started their social activities of Homecoming off with their annual dance Friday evening at the Hotel Whiting. The dance was well attended by alumni, college students, and townspeople.

Tau Gamma Luncheon
The hotel dining room of the Hotel Whiting was festively and beautifully decorated with bouquets of pink gladioli and Chinese forget-me-nots for the Tau Gamma Beta luncheon Saturday noon. Covers were laid for twenty-nine. Margaret Turris, sorority president, welcomed the alumnae: Mrs. Robert Paterson, Miss Edna Carlsen, faculty adviser; and Miss Jane Anderson, president, presided at the table decorated with yellow snapdragons and candles. (More)

Gingham Tea
The Primary girls are taking advantage of the exhilarating fall weather and gorging siwan coloring tonight when they plan to hike out to Robinson Park for their picnic supper. A social hour is scheduled following the refreshments.

Nelson Hall
All new girls were initiated last Tuesday and several of them are planning revenge for the unfortunate new members of next year. Can’t they take it?

The familiar figure of Bill Herrick was welcomed “with open arms” to ye olde dormitory this week-end.

A certain girl on a certain first floor is wearing a certain fellow’s fraternity pin night and day. Can it be love?

Don’t forget the dorm dances Tuesdays and Thursdays from 6:30 to 7:30. Everybody’s welcome!

It brought back many pleasant memories to see so many familiar faces of the old dorm girls who visited Nelson Hall over Homecoming.

Esther Kushman was taken seriously ill Monday. We hope that she will be well soon.

Chi Delta Pete Alums
Gilbert Busch, Tom Holliday, Jack Frost, Fred Cochrane, Weldon Leavy, Elmer Larson, Sam Kingston, James Turris, Donald Duggar, Clarence Konopaski, Douglas Robertson, Donald Blood and Gerry Holm were the alumni guests at the Chi Delta Rho dinner held Saturday evening at the Gingham Tea Room. The fraternity colors, blue and white, were carried out in the decorations. Richard Schwahn, president, made the occasion particularly interesting and unforgettable by calling on each alumnus present for a few remarks.

Dinner For Omegas
The Omega Mu Chi Sorority gave a banquet for their alumnae members at the Hotel Whiting Saturday evening. Miss Edna Carlsen, faculty adviser, and Miss Marie Anderson, president, presided at the table decorated with yellow snapdragons and candles. (More)

Homecoming Dance
As a final wind-up of all the Homecoming activities, the Athletic Association featured a dance Saturday evening in the gymnasium. The popularity of this annual event was evidenced by the record crowd and the general spirit and up.

Rural Life Program
Leland Burrough’s presentation of the four-set play “She Stoops To Conquer” will be the feature of the Rural Life Club’s next Monday night program.

“Townpeople, as well as all students and faculty members, are always welcome,” says Pres. Robert Neale.

Loyola Club Met
Rev. Francis Krembs of Lanark was the principal speaker at Loyola Club’s meeting last Wednesday night.

A Good Place For Students To Eat
414 Main Street

Mention “The Pointer”

Chic Delt Smoker
Tuesday evening, the Chi-Delts entertained prospective pledges at an informal rushing party at the Gingham Tea Room. Willard Hansen was chairman of the committee in charge.
Cross Country Team Scores

The C. S. T. C. Cross Country team raced to victory over Oshkosh in a two and one-half mile grueling race last Saturday afternoon. Lynman Scribner, Bjorn Christiansen, Ed Bull, Danny Laseczewski, and Bubenhoff made up the five man crew, winning three out of the first five places. The purple and gold tracksters were paced by Lynman Scribner, who came in first in first, second, and thirty-fourth seconds, and Bjorn Christiansen, who placed second.

The course followed highway 66 to the "point where "Clue Lane" begins. Being college athletics the men traversed this area both coming and going, winding up at the football field just after the close of the first half. They were given a rousing hand by the large homecoming crowd.

High School and College Rules

Many football followers of both high school and college football have been a bit puzzled concerning basic differences in the rules employed by these teams. Briefly the differences and likenesses lie here:

1. In college and high school football, the penalty for two successive incomplete passes (five yards) is abolished.

2. High school players, on a pass grounded in the end zone on any down, the ball reverts to the defending team. In high school play this does not apply except of course, on the fourth down, when the ball goes to the defending team on its twenty yard line.

3. In college play, the forward pass must be released at least five yards behind the line of scrimmage. In high school play this rule does not apply, the ball can be released anywhere behind the line of scrimmage.

4. In college and in high school play, bounds of bounds balls automatically returned to a point fifteen yards in from the sidelines.

The liberalized high school rules are the outgrowth of their successful application in the last few years by the country's outstanding professional teams. In general the rule was that a man of any type of game has resulted, opening up a new field of potential plays; speed and deception are more at a premium.

When a man begins to shoot his good ball from the home teams it is your cue to look in the cellar for his evil ones.

"Golf — Our National Game"...

Golf goods produced this year were said to be $7,262,092 worth of baseball clubs $1,029,537. . . . gold tracksters were paced by Lynnman Scribner, who came in first in first, second, and thirty-fourth seconds, and Bjorn Christiansen, who placed second. NEW BOOKS ARE ADDED TO LIBRARY

The college library has just purchased several new books just off the presses and all of these volumes have been published before but which have recently been revised. Among the many to be found there are "Memoirs of Mary D. Bradford", "On Our Way" by Franklin D. Roosevelt, "Garden Flowers in Color" by G. A. Stevens, "The Plays of Henrik Ibsen" and "Beethoven" by Robert H. Schaffner.

FORMER TEACHER WRITES

The name Mary D. Bradford is known and respected by every person ever connected with Central State Teachers College. The training school junior high school is named in her honor. In her book Mrs. Bradford devotes considerable time to the early history of Stevens Point Normal. The entire thesis is autobiographical and historical reminiscences of education in Wisconsin, through progressive service from rural school teaching to city superintendent.

THE PRESIDENT SPEAKS

"On Our Way" by President Roosevelt is a description of his basic ideas for reconstruction as it affects national planning for economic and social betterment. It will be of genuine interest to every alert citizen of the United States and of special value to all persons more deeply interested in social sciences.

LANDSCAPERS READ THIS

"Garden Flowers in Color" by G. A. Stevens, is primarily a picture book. An endeavor has been made to illustrate in color every important flower and shrub now grown in American gardens. The pictures are arranged to show in experienced gardeners what flowers and shrubs are(coder in nurserymen's catalogues look like.

FAMOUS DRAMA

"The Plays of Henrik Ibsen", is an anthology of the ten outstanding plays written by the famous Scandinavian. Henrik Ibsen has been referred to by men acquainted with the field of literature as the father of modern drama. This volume contains the quintessence of Ibsenism. In it are all his important plays -- plays which place him with Euripides, Shakespeare, Moliere and Corneille.

A REAL BEETHOVEN

"Beethoven" by Robert Schaffner is written with the aim in mind to release the real Beethoven from the chains of tradition and flattering half truths with which admiring biographers have enthralled his life. The author discredits many old stories and brings to light some new facts, but throughout the book avoids extravagance about the difficult problems of Beethoven's life.

(Continued from col. 2)

HUMOR

Mrs. M.: A twenty page letter from Francis. What do you say?

Alice: He says he loves me.

Doc. Evans: Deep breathing, you know, will kill microbes.

Scribbler: Yes, but how can I force them to breathe deeply?

"Oh, I'm in such a perspiration," said Marion after she had finished playing hockey one warm afternoon.

"Miss Holman," rebuked Miss Gilbert, "I want you to remember that it is horses that sweat, men that perspire, and that young ladies never do anything more than glow."

Ben: "What did Mildred say after you kissed her?"

Bill: "She told me to call on Friday hereafter, because that was amateur night."

Excerpt: "How's the collection at church, Bruder Moses?"

Moses: "Well, I ain't had to stop in the middle of the collection and go empty the box."

HERE AND THERE

A columnist's column

Break, Break, Break

On thy cold, hard stones, O sea

And I hope the printer won't print

The thoughts that rise in me.

"Ah! those foolish days, those foolish days when I was young and unselfish and pure-minded. And, oh! how beautiful she was, how wondrous beautiful. She was like an angel and everything else was earthly and plain.

"But now those days are over and I am wise. I know who buys all the perfumery and medicated soap, and how her hair acquired that lustrous wave, and how her lips got so rosy, and how her eyes got that large starry look, and that her eyebrows are really blonde.

"The whole story stares at me from every magazine, from every boy, - I didn't know her the morning after, - before she put on her face." (Contributed)

While sarcasm is sarcasm and not humor we got a big kick out of that disillusioned lovers reactions.

Mr. Evans, in animal biology class:

"What does a tomatist do when pierced by cupid's arrow?"

Margaret Turrian: "He finds himself a first aid kit."

We have another sarcastic contribution at hand. While we do not agree with its theme in its entirety we do recognize its readable interest. We may answer those questions one by one in a later issue.

Wilbur Berard, who drives to school daily from Wisconsin Rapids, says "nothing is as helpless as a fat girl in a rumble seat, unless it's the fellow that's with her."

Next week we are going to turn to the serious again and say some complimentary things about Mr. Michelson and his band and symphony orchestra.

Oshkosh complicated system of signals inveigled the home boys into several off-side penalties but the tables were turned when Kolf's men edged due to the same trouble in the third quarter.

**ALUMNI NEWS**

by FRANK N. SPINDLER

Homecoming brought together hundreds of alumni of our college. Many favorable comments on the parade, game and dance were heard.

The Annual Alumni Dinner during the Teachers Convention at Milwaukee, will be held Thursday, November 1st at six P.M. in the Green room, fifth floor, of the Hotel Schroeder, price one dollar per plate. It is hoped there will be a large attendance of graduates and faculty. Make reservations soon.

**Capacity Crowd Greets De Wolf-Hopper**

A capacity crowd greeted the performance of the De Wolf-Hopper light opera company in the Gilbert-Sullivan light opera "Mikado" last Monday evening. With De Wolf-Hopper, the international light opera favorite in the leading role, and supported by such stars as Lillian Hutton, Rex Cushing, Boris Apion, Maurice Cherest, Gladys Sandstrom, Laura Butts, William Rollins, Martha Blocker, and Gertrude Wiston. The operetta was a masterpiece and was thoroughly enjoyed by all present. Although seventy-nine years old Mr. Hopper still continues to lead his troupe, and judging by the applause rendered, he seems to have lost none of the ability which has held him at the top of his profession for more than a half century.

---

**College Students in Auto Accident**

Four students of C. S. T. C. narrowly escaped injury last week when a car driven by Theodore Anderson, 1011 Main Street, rolled over in the ditch east of here on Highway 10. The driver was forced to swerve to avoid a car parked on the wrong side of the road, and the wet concrete left no base for the wheels. Other occupants of the car were Miss Helen Hazen, Miss Maybelle Peterson and Edward Jarvis. They escaped with a few minor scratches, although the car was badly damaged.
