Mr. Clyde Hunting, superintendent of the photographic department of the Jahn & Olleir Engraving Company of Chicago, was the speaker at a meeting of the iris staff, Monday night. Very comprehensive and valuable service to the annual staff was given by Mr. Hunting.

Monday and Tuesday Mr. Hunting was on the campus aiding the iris photographers in taking pictures which will be used in the Iris. Mr. Hunting is well known in Central Wisconsin, and has been a member of the local high school faculty for several years.

On Tuesday and Wednesday the heads of the iris staff — Mr. Rogers, Wilson Schwahn, and Robert Enser — conferred with the representatives of several Chicago printing concerns which specialize in college yearbook printing, regarding the 1933 Iris.

Arba Shorey, a junior, was elected to head the Forum, High School Departmental organization, at a meeting held the day before assembly last Thursday. The officers elected were Frank Klement, vice president, and Bonita Newby, secretary-treasurer. Several important announcements were made by Professor E. T. Smith, director of the High School Department.

Questionnaire Results Interesting Many Troubled Financially

(We owe Miss Bosh a vote of thanks — Editor)

Judging from the answers received in the questionnaire filled out by the student body last week, about two hundred students are in grave financial difficulty. PROVE THAT YOU'RE HONEST

Complaints have been heard and criticisms have been made that enough copies of each week's Pointers are not set in the halls for the students. Each Thursday morning 700 copies are placed at the students' disposal; there are less than that number of students enrolled in the college, so it doesn't seem to prove anything.

One copy is printed for every student; every student pays for one copy. An honest person would take his allotted paper (not papers) realizing that when he takes more than his share he is stealing from someone else. If you insist on sending one to the folks back home, and after you have finished reading it — and not that extra you have been in the habit of confiscating.

You wouldn't think of robbing a pal of hard-earned money; then why rob a classmate of something he has paid for and something he has a right to expect to receive. So we say, "Molsten your fingers when you take next week's copy of the Pointer."

Omega Informal Plans Under Way

The pre-winter social season is ushered in by Omega Mu Chi sorority and will feature an Informal Dance scheduled for the evening of November sixteenth. The Castillians' rhythmic steps will make the time pass quickly.

NOTICE

OPPORTUNITY FOR ENTIRE STUDENT BODY: Harlequin play try-outs for the first semester will be held on Monday, October 28, from 3:00 to 6:00 in the afternoon.

Watch the Bulletin Boards for place of tryouts.

Instructor Speaks At Wautoma Meeting

Mr. O. W. Neale, head of the rural department of the college, has accepted an invitation to speak at the county school board convention at Wautoma Friday afternoon. Because of his knowledge of the problems of the rural school, Mr. Neale is greatly in demand as a speaker at meetings of teachers and school officials.

Many modern ideas are incorporated in Mr. Neale's address on school problems, and this subject is the Wautoma convention Friday will be "A New Type of Rural School", a representative topic.

Teachers Meet At Milwaukee

(Continued from page 1, col. 1)

will be a feature of the convention for the alumni of C. S. T. C. now teaching throughout the state. It will be held Thursday, November 1st at 6 P. M. in the Green Room, fifth floor, of the Hotel Schroeder.

Known Speakers Scheduled

President C. C. Stangel in the October issue of the Wisconsin Journal of Education said: "No more Gymnast or Fort has been spared, and we feel confident in saying that our 1934 convention will be on a par with any other educational program offered the teachers of this state or any other state. Featured on the programs will be such speakers as James Richmond, Louis Johnson, Kollo Reynolds, John Flynn, and Mary E. Woolley."

However not all the teachers tickets are taken up with business — the opera, movies, and large stores are offering special features. Business is combined with pleasure.

No Pointer Next Week

Last but not least — We, the Pointer staff, also have a vacation week coming. You may still find us in the face of the country, through our tears, (yeah?) we beg to announce that there will be no issue of the Pointer next week.

A sad note darkens the picture, for unless a couple of students have enough school spirit to contrive infantile paralysis to get some school band, Alma Center. They may look for five weeks of running, the doors will be locked, and the State Teachers Convention at Milwaukeee, Wisconsin, will be slated for November 24-25.

Scheduling Convention Changed to Appleton

Many local college students who were anticipating an interesting and important meeting, the Young People's Conference which was slated for November 24-25 are to be disappointed.

**Theater Passes Again Given**

Two freshman and a sophomore were the lucky winners of last week's Box theater passes. Janice Berens, a freshman who lives in town, won a ticket because her name happened to be the twentieth in the B section of the student directory. Lee Lang, a sophomore from Marathon received a ticket, his name being the sixth in the L section. The ticket for the twenty-first name in the S section went to Virginia Scott, another Stevens Point freshman.

This week three more passes will be given. If you want a chance to win, you must be in assembly today, for the passes will be given in a novel manner: President Hyer will read the numbers of three assembly seats, and the students lucky enough to be in them will receive the free tickets. To settle any disputes ahead of time, we'll tell you that the seat number is on the left arm. If you win, see Howard Kujath, business manager of the Point.

Central State Teacher’s Win Over
Milwaukee Elevates Furlough To Top Rung

Play-by-play Reveals Power Of
Two Opposing Teams As
Players Battle In Mud

Although the ball was wet and slippery, the Green Devils—Broome (point-center) and Newtont made faultless passes to their b ackfield mates, while Becker, in spite of the handicap, continued to feature Pointer play with well-placed punts for fair weather averages.

Many Penalties

The Purple and Gold had many first downs this week. They were victorious over the Nineteen-fifty years in penalties. Milwaukee’s brilliant backs, Iacoc­ cucci (quarter-back) and Kar­ powitz (full-back) accounted for the Green Devil’s yardage. Ray Schmidt, speedy half-back, was unable to get going, due to slippery footing.

Jink Broken

It was the first homecoming
Milwaukee has failed to win since 1924. In the fourth quarter the green wave had the ball on the Point thirty-six yard line, with one foot to go for a first down. They elected to buck the line and their only storm threat of the final quarter terminated when Broome, McDonald and Dagnan proved adamant, and Kotal’s men recovered the ball and Murray recovered Milwaukee fumb les. At one time C.S.T. had completed one pass—only five were tried.

The game play-by-play

Point kicked off to Milwaukee’s goal line where Joe Iacocucci (quarter-back) received the ball, returning it to Milwaukee’s twenty-yard line. Tony Kar­ powitz drove for five yards over his own right tackle. At Burns failed to make the tackle, Iacocucci punted to Murray (S.P.) on Point’s thirty-five yard line; Murray returned the ball to the fifty yard line. Murray lost three yards on an attempt run toward left end, Mil­ waukee was penalized fifteen yards for holding. Murray took the ball for an eighteen yard gain around his own right end to the Milwaukee twenty-three yard line. He was met at the one yard line. Benson turned in a gain of two yards over his own right guard.

wits was unable to negotiate two needed yards for first down and Point took possession of the ball on their forty-yard line. Becker lost three yards on an attempt left end sweep. Point was penalized six yards on this own right tackle, Murray failed to gain and Becker punted out of bounds on his own third-yard line. Point was penalized fifteen yards for tackling a Milwaukee ball carrier. Milwaukee’s forty-yard line, Karpowitz hit the line for seven yards. Mil­ waukee was penalized five yards and retained the ball on their own forty-eight yard line, Karpowitz was held for a ten-yard gain and Miller kicked, putting the ball rolling to the Point twenty-yard line. (Again the ball was moved up ten yards over Milwaukee’s back ten-yard line, a half ended with the scores Stevens Points 0; Milwaukee Teachers 0.

Second Half

Third Quarter

Dagnan went in for Sparhawk at guard for C. S. T. C. Iacocucci was back at quarter-back for the Purple and Gold. Milwaukee kicked off to Stevens Point. Murray returned to Point’s forty-yard line, Murray took ball for Milwaukee’s thirty-three yard line. Becker was held on down. commuters through center for nine yards. Becker then lost two yards, Johnson gained ten yards over his own thirty-yard line, Murray gained one yard on two tries. Becker gained slightly over his own forty-yard line for off-side. The ball rested on Milwaukee’s forty-one yard line. Karpowitz avanzed away for a ten-yard gain placing the ball on the green one yard line. It was new first down for Central. On the first play Becker scored on a power smash between Milwaukee’s left end and tackle. Becker’s try from place with Murray holding the ball was good for a two-point score and Stevens Points 7; Milwaukee 0, early in the third quarter.

Stevens Point kicked off to the Milwaukee nine-yard line, Iacocucci returned two-off thirty yards, and Point’s own thirty-yard line. On the first play Dagnan broke through and dropped Bay Schmidt for a three-yard loss.

Milwaukee was penalized fifteen yards on their own thirty-eight yard line, their own eighteen yard line. Iacocucci tucked behind his own gain of seven yards added one yard and Hobler paced out bounds in the center of the field. The ball was unable to gain. Hobler romped over center for two more. Becker then broke loose for a ten-yard advance, then he was run out of bounds on Milwaukee’s thirty-six-yard line. Benson lost two yards, Becker, on an attempted pass, was run back and sputtered for a loss of twenty-one yards. A pass failed. The Point was back on their own thirty-yard line. Iacocucci was stopped short of yardage when he hit his thirty-yard line. Becker’s punt on the green twenty-yard line as the third quarter ended.

Fourth Quarter

Fritsch went into the game for Ben­ son. Point was penalized fifteen yards. Karpowitz substituted for Dagnan at right end and fanned the sweep around his own left end for ten yards. Karpowitz worked through center for seven yards, Becker fumbled and Iacocucci gained yard and added another tackle. Iacocucci picked up the ball, went one yard short of one-yard line, for a first down, Iacocucci gained ten yards at center and Point took the ball on their forty-two yard line. Becker was unable to advance on his own sixty-yard line. Karpowitz then picked up the ball on Beef’s left end and dropped it into the hands of a five-yard line. Becker was thrown for no gain. Point was penalized five yards for a bad block. Becker punted and McDonald (guard) downed the ball on the green twenty-eight yard line. Lerman came into the game to replace Iacocucci at quarter-back. Darrell relieved Ray Schmidt at half-back for Milwaukee. Karpowitz punted the line for forty yards. Mach (Milwaukee) fumbled and Broome (8, P. center) recovered the ball on the Cream City forty-yard line. Becker rammed the line for two yards, following this up with thirteen yards over his own right tackle, placing the ball on Milwaukee’s twenty-five yard line. Karpowitz substituted for McDonald (to be substituted for Beekman)

Chester (left tackle). Point was penalized five yards. Fritsch picked up two yards. Point was penalized five more yards for slowness in play execution. Beitzman replaced Regan at left tackle for Milwaukee. Regan was helped off the field. Becker lost control of the slippery ball but recovered for an eleven-yard loss. He pointed out of bounds on Milwaukee's twenty-three yard line. After another Cream City substitution, Karpowitz pounded over guard for three yards. A Milwaukee pass failed. Point received the ball on their own thirty-nine yard line after Landeck's punt. Murray scrambled for twelve yards through Kringe's left tackle on a delayed back. It was Point's ball in the exact center of the field. Becker skirmished through for three yards. Murray, aided by fine interference, advanced the ball twenty-six yards for Point's second consecutive first down. The ball now rested on the green grill's thirty-yard line. Murray fumbled, but recovered without loss. He then lost fifteen yards on an attempted end sweep. Point had twenty-five yards to cover for a first down. Becker's place-kick from the fifty-yard line went out of bounds on Milwaukee's twelve-yard line. Two passes in succession failed for Milwaukee, but Larson passed successfully to Rosenblum. Point was penalized fifteen yards. It was still Milwaukee's ball on their own thirty-eight yard line. Karpowitz fumbled, but recovered for a loss of six yards as the gun ended the game with the final score: Stevens Point Teachers 7; Milwaukee Teachers 0. About 600 people witnessed the game which was played amid intermittent showers.
PARENTS' DAY PLANS FORMING

Primary Project Growing Into An All-School Affair
Parents' Day is now three years old. It was begun by the Primaries the year after Miss Susan Colman became head of that department for the purpose of setting aside a day in which the parents of the people in the Primary Department might become acquainted with the school and the faculty. The first two years of its existence, Parents' Day was sponsored by the Primaries alone; last year, the Home Economics Department cooperated; and this year, it will be sponsored by the entire school. There will be a meeting of the heads of all organizations tomorrow to make plans.

Program Being Planned
The date, November 16th, has been set, and a tentative program drawn up. That program may include entertainment by band, glee club, and orchestra, luncheon and tea, visits to classes, and a concert by Kathleen Powell Van Buskirk, soprano, of Chicago. Such a day is welcomed by school and parents.
