the entire campus this weekend when the Point gridders entertain the Oshkosh Sawdusters in the annual Homecoming tilt. Of course, the game will be the feature of the festivities, but for the social minded, the social events connected with Homecoming are of great importance.

In previous years, the celebration began with a pep meeting, torchlight parade and bonfire. As was the case last year, this procedure will be done away with. The annual Phi Sigma Epsilon Alumni Ball at Hotel Whiting will be the main event Friday evening. It will be an informal dance with Don Halvorsen's Castilians furnishing the music. All available statistics point toward a seventy-five cent tariff for the dance.

Round Table Elects Officers

The Grammar Department held an enthusiastic meeting Monday evening. Officers elected to guide the Grammar Department through the year were: President, Ellen Thorpe; Vice President, Virginia Watson; Secretary-Treasurer, Floyd Cummings. Plans were formulated for Homecoming with Floyd Cummings as general chairman of arrangements. A very successful year is looked forward to by the Grammars.

HOMECOMING SCENES

Scenes such as these remind us that Homecoming will soon be here. The upper picture shows a portion of last year's homecoming crowd; the lower is a picture of last year's prize winning float which represented the Training School.

DE WOLF HOPPER '34 DIRECTORY HERE MONDAY READY MONDAY

Next Monday evening, Oct. 8, De Wolf Hopper and his company will present the opera, "The Mikado" at the College Auditorium. This is the first of the regular evening programs. Townspeople have secured \$3.00 tickets for this series, and about 400 students will be able to see each performance at no extra cost.

De Wolf Hopper is now over seventy years of age, and has played "The Mikado" for many seasons. His theatrical career began in 1879 with "Our Boys".

As the Pointer goes to press it has been assured by the Service Printing Company that the long awaited Student Directory will be completed by Monday of next week, and will be on sale at the College Counter. The cost to the students will be ten cents per copy.

The directory contains the telephone number of all college offices; the name, address, and phone number of faculty members; and any student who enrolled before Tuesday noon of the second week of school will find his name, home address, year in college, local address and local telephone number, provided he filled in the information blanks, legibly, completely, and accurately.

NOTICE

An invitation is extended to the presidents and vice-presidents of all the clubs, sororities, and fraternities in school and the faculty advisors to attend the first Margaret Ashmun meeting of the year. This is to be held Tuesday, October 9th at 7:30 in Mr. Burrough's room. Since this meeting is of such vital importance it is asked that a representative be sent if the officers are unable to attend.

NOTICE

Meeting of the "S" Club will be held immediately following the Assembly in Mr. Watson's room. All members are urged to be present.

MEN'S GLEE CLUB PLANS BIG YEAR

**Fifty Report For Tryouts;
Bob MacDonald Elected Prexy**

Any organization in college in which almost one-seventh of the men are vitally interested certainly ought to be treated as a major activity. The Men's Chorus is such an organization. To date, fifty-eight members are signed up; and this number will be substantially increased after the football season is over.

Although the group made but several appearances in various N. E. Knutzen high schools of the state in 1933-34, this year's expectations for outside engagements are very great; and under the combined efforts of Mr. Hyer, Mr. Knutzen, and the Tour-Manager, the group expects to put on quite a few programs. At present, negotiations are being carried on with half a dozen or more high schools about the state to arrange suitable dates for appearances. Those of the members who went along with the club on the trip to Rhinelander and Antigo last year will tell you how much they enjoyed it.

Many Social Parties

It has been usual in the Chorus to hold at least one social meeting a month, and this custom has by no means been discontinued this year. These social events usually take the form of a smoker; but when weather permits, the gatherings are held outside. All the members will remember the wonderful time that was had at last year's picnic at Sunset Lake.

MacDonald Is President

On last Thursday, the organization held its annual election. The following officers were chosen:

Enrollment Figures Are Still Climbing

Latest reports from the office indicate that the enrollment has reached a mark of 685. This figure exceeds by one the 1931-32 mark. The night school figures, however, are not included in this total, and it is quite probable that the night school enrollment, added to this figure, will set a new record. Last year's total was 818.

MY KINGDOM FOR A HORSE (HOARSE)—CHEERLEADER

The cheering at the La Crosse-Point football classic last Friday was conspicuous by its absence. Only the keenest critic of the game, only the select few who know what football plays are and how they should be executed, can sit still through sixty minutes of bloodthirsty football and actually enjoy this great American collegiate game. Few of us, however, are analysts of the fine points of this sport, and consequently enjoy the crowd and the glamour as much as the game itself. We like to give vent to our feelings, and know that an occasional cheer and applaud would make us feel more like human beings.

We can't imagine a football game without cheers, and the teams must feel as strange as a duck without its water. A dozen corpses could have been perched in our stead on the bleachers last Friday, and without effort could have made twice as much clamour as our two thousand fans. The visiting team and out-of-town fans were, too, undoubtedly impressed — and not favorably. We've heard dozens of comments along this same line, and one of the ardent fans even accused the student body of being a "bunch of deadheads". The stinging sarcasm hurts our feelings, and though last Friday's tussle may have suggested such a thought to many, we allayed such intimations, and declared that we had stored pep in our systems, but that the failure of a cheerleader to appear on the scene was the only thing that spoiled a perfect day.

Give us a cheerleader who will guide us and in whom we will have confidence, and we'll make those who criticized us beg to be pardoned for even daring to accuse us of lacking school spirit. Give us a cheerleader and we'll back the boys in whose victories we revel. Give us a cheerleader and we'll prove to the wide world that we're proud of our school, our team, and our band, and that we are human beings who can profit by helpful criticism.

We've only a week to get our vocal organs in shape for that battle-of-the-century without our rivals from the Sawdust City, and we're going to prove to all concerned that we're proud of the school, we're proud of the team — yet not too proud to cheer.

IT'S TIME TO FALL IN LINE

We have a team that possesses all the attributes necessary to be a title contender — two victories are already tucked under its belt — and a band that ranks second to none in the state. Both will take a prominent part in putting over the greatest event scheduled for the school's forty-first term. But the cooperation of the entire student body is needed to put over that day which should stand out in the lives of those who come back to review the scenes of days that are never forgotten.

Homecoming! That very word seems to surround us with magic spells. It's a chance to meet again the friends of former days — friends of ours and friends of the school. Let's show these returning grads that our school has grown and that we've grown with it. Let's show them that we're able to put over a project which calls for untiring cooperation on the part of every student and every member of the faculty. Let's show them that we've a pride in our school — not the type which creates breaks in the rope of friendships and gains enemies for us, but a pride which stirs us on to greater efforts and more worthy achievements.

Cooperation seems to be the keyword — cooperation in putting over the novel stunt parade, cooperation in greeting back the old grads and making them feel glad that they're back with us, cooperation in cheering at the battle of battles, the Point-Oshkosh gridiron duel, and cooperation in patronizing the homecoming dance which is planned to climax the day of memories.

We should feel honored to be the hosts to men and women who have preceded us — the graduates of forty classes in forty years, alumni who are assembling for an event that has become a tradition. Each flower in Nature's storehouse plays its small part in making the world a more beautiful place; each drop of water helps to fill the bucket; and each student's contribution is needed to make our Homecoming an event that will never be forgotten.

A Good Team And No Pep?

Dear Editor:

There can be no doubt of the fact that we have a wonderful football team. The spirit of the team was exhibited in both its games to date. The team is to be commended, as is our coach.

However, it seems to me that there was a sad lack of enthusiasm on the part of the student body at the game last Friday. I graduated from a very small high school, but what we lacked in size we tried to make up for in spirit and with cheers. Through the efforts of three capable cheer leaders, selected from our small group, our cheering was organized. When a game came around everyone was out there doing his or her best to inspire the team to greater efforts.

Due to the fact that organized cheering was conspicuous at other college games that I have attended, I expected as much at C. S. T. C. Especially because of the fact that our last year's team won the Championship and this year's team is undoubtedly strong. I was greatly perplexed by the fact that during the entire game that our boys were conquering the strong La Crosse team they were not accorded so much as a single cheer. Isn't it possible to remedy this neglect. Can't we have some organized cheering at our games. Not only does it add to the gala and spirit of the occasion, but there can be no doubt that the team would be inspired to greater efforts if the student body would visibly exhibit its support.

ALSO, in displaying our great American Flag, it is proper that the Colors be given the honor of being placed at the RIGHT of ALL OTHER BANNERS. It was an altogether too evident error when the school colors (much as we love them) were given the place of honor at last Friday's game.

Yours,

Cheerleaders Are Needed

Dear Editor:

I wonder what's become of all the pep around Central State Teachers College. There sure was a swell exhibition of pep shown by the students at the La Crosse game Friday. To me it looked more like a scrimmage than a football

Practice Twice a Week

Under the efficient direction of Norman Knutzen, the Men's Chorus has been practicing every Tuesday and Thursday night for the last three weeks. The practice so far has been sight-reading, but work by parts will soon begin. Mr. Knutzen says, "There is every indication, both by quantity and quality in the fifty-eight voices represented, that we are off to a fine year."

Programs Are Varied

From the usual meaning of the words "Glee Club", one would expect the programs presented by such an organization to be purely musical; but in the case of this club, he would be wrong. Of course, the programs are mainly musical; but there are enough instrumental and vocal soloists, novelty numbers, recitations, and scenes with special lighting effects to relieve the monotony for those who do not enjoy a pure diet of music.

Members Are Listed

The membership of the group now, by sections, is as follows:
1st tenors — Jack Burroughs, Phillip Danielson, Harold Davel, Sherman Groves, Lawrence Hartvig, Vic Kilmer, LaVerne Oligney, Rolly Ollman, and Melvin Pflum;
2nd tenors — Gerhard Bestul, George Cartmill, Bob Emery, Donald Eyler, Ward Fonstad, Henry Lampman, Bill Larson, Bob McMillen, Eugene Majewski, Arb Shorey, Strauther Spencer, Malcolm Stofeldt, and Ray Urbans;
1st basses — Ralph Abrahamson, Kermit Anderson, Ralph Cunningham, Earl Hoeffler, Bob McDonald, Howard Pagenkoff, Jim Parks, Joe Pfiffner, Bob Steiner, and Carol Swenson; and 2nd basses — Don Bryan, Sheldon Gardner, Len Scheel, Dick Schwahn, Bob Siegler, Bill Theisen, Dick Tuthill, Don Walter, and Wilbur Westfall. Also, there are several who have not been classified as to section. Among these are Ray Busch, Albin Fons, Delmar Gurlott, Norman Hinckley, LeRoy Lund, Eino Tutt, Ray Weingartner, and Frank White.

game; the only pep shown was by the football men themselves. I wonder what our homecoming will be like with no cheerleader; with a cheerleader the whole school can be led to cheer Central State Teachers College to another Football Championship. To win Football games the team has to have the cooperation of the entire student body.

For a school of our size I think we should have at least three cheerleaders. I'm hoping to see somebody take these positions and help the team win their games. A megaphone can be had by inquiring at the physical education department.

COME ON GANG LET'S GET THAT OLD SPIRIT OF PEP BACK. Here's hoping to see that our school is the peppiest school in the states.

Yours truly,
Manager Urbans

Glee Club Holds Smoker

Dean Steiner and Mr. Allez were guests at the first of the Glee Club Smokers held last Tuesday evening at the Gingham Tea Room. The features of the evening were five hundred, bridge, chess, and checkers after which refreshments were served. Some of the fellows appeared appropriately decked out with the well-known El Ropo between their teeth.

Phi Sig Dance Friday

The Phi Sigma Epsilon Fraternity will sponsor a dance for its alumni and active members Friday evening at the Hotel Whiting. This will be held in connection with the Homecoming activities and a large turn-out is expected. Don Halverson's band plays.

Chi Delt Banquet at Tea Room

The Alpha Chapter of the Chi Delta Rho fraternity has completed arrangements for its annual Alumni Banquet to be held Saturday evening at the Gingham Tea Room. A fine program has been planned for the alumni who eagerly anticipate this annual event.

Omega's Banquet Saturday

The Omega Mu Chi Sorority will be hostesses to their alumnae members at a banquet Saturday evening at 6:30 o'clock. The sorority expects a large return of its former members and the affair promises to be an outstanding event in the Homecoming activities.

Tau Gam Alumnae Luncheon Saturday

Much interest and enthusiasm are displayed among the alumnae members in the luncheon of the Tau Gamma Beta Sorority to be held Saturday noon at the Hotel Whiting. To insure a large crowd an alumna member of each year has been deputized to contact their sisters. Many old acquaintances will meet again at this Homecoming affair.

Loyola Club Elects

Another interesting meeting is being planned for the Loyola Club's next meeting scheduled for Wednesday night, October 10th. At the last meeting officers were elected for the year. Those selected to head the club are: President—Philip Kundinger; Vice President—Joe Piffner; Secretary—Treasurer—Lillian Frawley.

Lutheran Students Organize

The Lutheran students of the college under the leadership of Rev. Ludvig, have organized themselves into a club which will meet bi-monthly on Wednesday evenings in Mr. Smith's room. At the last meeting of the group, Eino Tutt was elected president and Sadie Klimeck, secretary and treasurer.

NELSON HALL

Helen Ketter and Evelyn Warekkois hitch-hiked to the former's home last week-end. Good looks—good rides.

Margaret Blake celebrated her birthday in high fashion Wednesday evening. Several of the girls were invited to her room and all enjoyed the eats, radio, and each other's company.

Fern Van Veuren was nursemaid for two of Evelyn Heuer's rag dolls this week-end. That's why Fern didn't date, boys!

Miss Tilleson spent the week-end at her home in Phillips, Wisconsin.

Franklin Suits visited the dorm several times last week-end. Old times revived—but new girls.

Helen Piehl and Barbara Fulton spent the week-end at Oconto at the latter's home.

"Cookies" seem to be popular in the dorm these days!

Several of the dorm girls attended the sorority teas last week.

Some of C. S. T. C. boys are so anxious to entertain the dorm girls with their musical talent that it takes "les gendarmes" to keep them quiet.

The next meeting will be held Wednesday evening, October 9. All Lutheran students are urged to attend.

Sorority Teas Highly Successful

The Tau Gamma Beta Sorority's annual tea given in honor of the college women and faculty wives was a huge success in spite of the disagreeable weather last Saturday afternoon. The Home Economics' parlors were attractively and appropriately decorated in the sorority colors. The table was particularly beautiful with its centerpiece of pink gladioli and blue Chinese forget-me-nots, flanked with blue candles. Mrs. Frank S. Hyer and Miss Jessie Jones, patronesses, poured.

A large crowd was entertained by the Omega Mu Chi Sorority in the Home Economics' Parlors. Beautiful bouquet of dahlias and snapdragons graced the rooms. Purple and yellow were the predominating colors. Jane Anderson and Ruth Schwahn poured.

'34 DIRECTORY READY MONDAY

(Continued from page 1, col. 3)

One of the reasons for the delay in the publication is the fact that special care has been taken to eradicate all errors in spelling, and punctuation. The lists were linotyped, proof read, and then relinotyped and reread. The same process was gone through for each advertisement to be found in the book. Another reason for the directory not being published sooner is the fact that the Service Printing, local jobber, has been running at capacity and was unable to give the directory the immediate attention originally planned.

Types Changed

The style of the Student Directory, will remain much the same as in previous years. The handy size of 5" X 8" is unchanged. The cover is the same quality and color as that in use last season. The only real modification is in the print styles. All types have been simplified, and consistent, harmonious styles are in effect throughout the copy. Most "doo-dads", printer's slang for decorations, have been done away with. The advertisements in the main body of the book will again be 4" X 4½".

Many Advertisers

A total of fifty seven advertisers have taken advantage of this medium to place their names and the names of their products before the student body of this college. They have cooperated to the extent that the cost to the student body has been kept at the traditionally low price, and he Athletic committee, who sponsors the publication, will show a profit after expenses have been paid. The directory is in essence a business men's utility as well as a student desirability and should be considered as such by those enrolled at this institution.

According to inquiries made at the Counter students who desire a copy will have to make their purchase early for only a limited number have been printed.

OSHKOSH HOMECOMING FOE

FIRST CONFERENCE HOME GAME

Oshkosh Stubborn Opponent For Pointers In Past

After completing a very successful season last year, in which they were undefeated and untied in conference and non-conference opposition, Kotal's men ran afoul of Oshkosh in the final game of the year. The sawdust city crew, with everything to gain (i. e. beating C. S. T. C.) and nothing to lose, for their past record made visions of a championship impractical, marched straight down the field for a touchdown in the first quarter. During the last half the teams battled each other to a standstill, the final result being a 7-7 tie, the year's only blemish on the otherwise spotless record of the State Teachers College Champions.

Oshkosh Team Strong

On the Oshkosh team of last year were Stoegbauer and Lautenschlager at ends (one chosen as all conference); Gorges and Fabriki in the tackle positions. In the backfield were Captain Barlow, and Tadyeh, Brier, Lindow, Wandrey, Tess and Ainsworth. Of this group this

year, Coach Kolf must replace a center and two guards from the squad of forty-two men who reported for opening practice. Backfield men must be selected to replace Barlow and Tadyeh, stars of last year's backfield. Among the promising freshmen and sophomore backs are Swiston and Arsenau (Washburn); Peterson, Martell, Kloeber (Oshkosh); Rottmann (Fond du Lac); "Chubby" Stoegbauer, a converted lineman, is slated to call signals.

Tied St. Norbert's

In their first football game of the year Sept. 22nd Oshkosh and Saint Norberts played a scoreless tie, the same result as last year. Both teams landed within the ten yard line; Stoegbauer (quarterback) featured with a sixty-three yard run from punt formation in the second quarter, being brought down on the Saint Norbert's twelve yard line. Gorges (tackle) broke up many Saint Norbert plays.

Defeated Northern State

In the game of last week-end Oshkosh played Northern State at Marquette, winning by a 26-13 score. The smooth functioning of the Oshkosh passing attack brought them victory in the final period. Tess to Swiston (right half back to fullback); Tess to Lautenschaller (right end) were the passing combinations of the Fox River

POINTERS DEFEAT LA CROSSE GRIDDERS

Game's 7-0 Score Indicates That Battle Was Close

The Stevens Point Teachers rang up their second straight non-conference victory at Schmeeckle Field last Friday by defeating La Crosse 7-0. Midway in the third quarter Captain Becker broke through right tackle for the only touchdown of the game. Each team turned in seven first downs, La Crosse being aided by penalties on several of these. The visitors threatened to score in the second quarter, recovery of a cardinal fumble by Copes. Point tackle, halting their march goalward.

La Crosse Wins Toss

La Crosse won the toss and had the wind in their favor during the opening period. Coach Johnson's men, using the double wing-back style of play, kept the ball in Stevens Point territory during the greater part of the first half, due to the elusive qualities of slot-like

F. Menzel

Johnny Watts, former Beloit High School colored star, who caused the Point line much trouble on reverse plays over the tackles for short, but consistent gains.

In the second quarter La Crosse made their spectacular bid for supremacy, marching to the home goal line in a series of line plays, aided by the completion of a forward pass. With nine yards separating the westerners from a touchdown, Watts fumbled in the backfield, Oscar Copes recovering for Central State.

Ten Menzel Recovers

Becker immediately punted to past midfield, where the La Crosse safety fumbled the ball, Ted Menzel recovering for Point. Three plays gained nothing and on the fourth down Becker's try for a place kick from the fifty yard line was short and wide, the ball sailing into the end zone.

Before much time had elapsed in the second half the Pointer crew were knocking at the La Crosse goal line. Murray opened up with a fifteen yard return of Smallbrook's (L. C.) punt to the Point forty-seven yard line. Becker, Murray and Fritsch alternated in advancing the ball to the visitor's eight yard line. A five yard penalty on La Crosse for too

field... the combination of the two making for everything desirable in our modern American citizenship.

Meet the Squad at Work and Play

Jim McGuire, a graduate of Grant's Pass High School in Oregon, seems in a fair way to take over the end assignment left vacant by the absence of Dick Schwahn, captain and end of last year. McGuire, age twenty-one lives at 1503 Main Street, weighs 177 pounds. He played ball with the Stevens Point Delzells, and was used as a pitcher and third baseman. Jim also played with the champion Empire soft ball team during the past summer.

"Web" Berard, a graduate of Wisconsin Rapids High School, resides at 1250 Washington Avenue in the Rapids. He is eighteen years of age, weighs 173 pounds, and worked for the Dairy State Cold Storage Company of his native city, finding time to play baseball during the summer months with the Sport Shops of Wisconsin Rapids, league leaders of the Wood County League. Congratulations!

Paul Maurer, whose Stevens Point address is 429 Church Street, weighs 175 pounds, and is eighteen years of age. He is out for a line position; being a graduate of one of Coach Ringdahl's Emerson High School teams. He is "a jack-of-all-trades", but was specifically employed at the Stevens Point Journal office during the summer months.

Eddie Olson, native of Elcho, Wis., has 136 Algoma Street as a Stevens Point address. He weighs 171 pounds, is nineteen years of age, and is out for an end position. Eddie played baseball with the Enterprise baseball team, and worked on a farm near Elcho, being a graduate of the high school of that place.

Don Krehnke, who hails from Port Edwards, Wis., weighs 160 pounds, and he is out for a guard position. Don did not play baseball this summer, being employed in the Nekoosa-Port Edwards paper mill. He is a graduate of Lincoln High School in Wisconsin Rapids.

Ellsworth Peary is another graduate of Principal Ritchey's Wisconsin Rapids, Lincoln High School. He is twenty years of age, weighs 180 pounds, and is a candidate for the line position. Ellsworth worked for three years with the Johnson-Hill Company of Wisconsin Rapids.

Charles Birch, of Unity, Wis., is a graduate of the high school of that place, where he played catcher on the Unity baseball team last summer. Charlie also worked on the farm, later at the Hotel Whiting in this city. He is twenty years of age, weighs 165 pounds, and the line (end) is his favorite spot.

Bill Dagneau, of 715 Elk Street, is another of the large group now participating in C. S. T. C. athletics who had previous sports experience under Coach Ringdahl at Emerson High School. Bill worked at Sturgeon Bay for a while during the summer months, and he played baseball with the West Side Americans. He is eighteen years of age, weighs 150 pounds, has always played in the backfield.

Ray Weingartner's home place is Gladstone, Michigan, where he spent the summer working as a clerk for the superintendent of schools. Ray also ran a store in a C. C. C. camp, at Gladstone, Mich. He now resides at 318 Strong's Avenue, weighs 158 pounds, is twenty years of age, and he is a candidate for the center position.

many rest periods placed the ball on the three yard line, from whence Becker cut back through his own right tackle for a touchdown. His try for the extra point neatly split the uprights for the additional tally, making the score: Stevens Point 7; La Crosse 0, in the third quarter.

La Crosse Threatens

In the waning moments of the game La Crosse gambled heavily with aerial thrusts, several of which were completed for substantial gains, and one of which was intercepted by Fritsch, who played an alert defensive game all afternoon. The gun put an end to the game and the visitors hopes in the midst of their short-lived rally.

Kotal's boys again displayed a pleasing proficiency in following the ball, recovering several costly La Crosse fumbles; the blocking was not up to par. The C. S. T. C. eleven succeeded in keeping the La Crosse backs under complete observation in the last half. Clark Lampe played for a portion of the game in the backfield, and Bruno and Ben Slotwinski in the line. Schwoegler played most of the game as fullback for La Crosse, and Harr, halfback, was also used.

HERE and THERE

a columnist's column

Saturday is homecoming. Graduates will return to their Alma Mater. Primarily they come to renew old acquaintances, and to review, re-live if you please, their college days. Fond memories linger in their minds. They will see again the vine covered main building, and the beautiful campus which were the scenes of many happy experiences.

Men and women will be here who have never seen some of the recent physical additions. The spirit of the school, however, remains unchanged. In the final analysis that is what draws them back.

We hope that the members of the alumni will be favorably impressed with those of us now enrolled at this institution, for we are only, after all, pledged to that greater fraternity, the fraternity that by the actions of its individual members, makes or breaks the good reputation of this school.

Frances Bremmer says a real pal is the brunette girl friend who finds a blonde hair pin in a young man's pocket and thinks he's been working in the chemistry laboratory.

There are "learned fools", and "unlearned wisemen". Lay classes often group schoolmen with the former. That is why the teachers' retirement fund is administered in part by politicians.

A student who does nothing but study may enter that hall of fame reserved for "learned fools". The one who does nothing may wind up in the poor house. The one who takes part in activities other than scholastic as well as those purely academic may graduate from college a rational being.

Clarke Lampe, diminutive, classy, football player, is small enough to stand up in a telephone booth with Kate Smith.

The business men of this city helped build the football field. They contributed indirectly to the financing of the tennis courts, and directly to band uniforms. It is they who make possible The Pointer, Iris, and Student Directory.

The forgotten contributor is the everknown advertiser. As long as this world remains a mutual benefit association students ought to, other conditions being equal, patronize advertisers who use college publications as a means of putting their names before the public.

Wilfred Engebretson is glad that American government officials don't wear togas. He is afraid gentleman from one of the gulf states might resemble a wrecked dog tent in one.

It won't be long before Greek pledging periods begin. This college could stand one more fraternity. There are too many good men of fraternity calibre for two chapters to accommodate. Another

PARADE, GAME, DANCE FEATURE

(Continued from page 1, col. 1)

Parade At Ten O'clock

Ten o'clock Saturday morning will see the "big parade", a feature of the Homecoming program. Led by the seventy-two piece College Band and featuring floats and stunts based on the depression idea, the parade promises to be the equal of anything on record. "It is not the idea to do away with floats entirely," Mr. Evans says, "but more economical floats than in the past are desirable."

The line of march will be Clark Street from the corner of Fremont and Clark Streets to the public square and return to the college via Main Street.

Game At 2:30

The big event of the day will be the game — Oshkosh vs. Pointers — at 2:30 p. m. on Schmeekle field. Already Oshkosh has signified that 250 of her rooters, including her sixty piece band, will be on hand.

The entire north half of the bleachers will be reserved for the students and the faculty, with the hope that concentrated cheering will aid our cause. Numerous requests have been made for reserved seats for townspeople with the consequent setting aside of the south portion of the bleachers for this purpose.

Dance In Evening

The Homecoming dance will conclude the day's program. This will be held in the New Gym, 8:30 p. m., Saturday evening. Don Halvorsen's Castillians have been tentatively scheduled to furnish the music. Admission will be seventy-five cents per couple. The dance is not strictly a couple affair — for those desiring to stag, admission will be men, forty cents and women, thirty-five cents.

Organizations Plan Banquets

Social organizations will take advantage of Homecoming to hold their annual alumni banquets. Tau Gamma Beta sorority will hold its function at a luncheon at Hotel Whiting, Saturday noon. Omega Mu Chi sorority will convene at Hotel Whiting at 6:30 p. m., Saturday evening. Chi Delta Rho will entertain its alumni at a dinner at 6:00 at the Gingham Tea Room.

Perhaps, due to economic conditions, this Homecoming will not be as lavish as those in the past. However, let us, by pep and spirit, make it the biggest and best in the school's history.

group might eliminate certain, undesirable, rather tense relationships that have from time to time existed between the old orders.

W. A. A.

Chrysanthemum Sale

At this time of the year when memories of past homecomings return we can no more think of the day without purple and gold chrysanthemums than of bacon without eggs. These flowers are traditional emblems of the spirit of Central State and we hope they will be victory emblems for 1934. Carry on the tradition by wearing one of these on your coat to the game. They will be on sale Thursday after assembly and from then on through Saturday.

Annual Breakfast

The annual breakfast for alumnae and active WAA members is to be held Sunday morning at nine o'clock at the Gingham Tea Room. All those who are planning to attend sign on the bulletin board before Friday.

Candy Bars On Sale

When you are in need of strength for more cheering during the second half of the game buy a candy bar from the WAA.

Archery

If you have a spare hour you may have the use of bows and arrows by applying at Miss Gilbert's office. This fall weather is grand for archery. Should you become expert enough we'll plan a fall hunting trip. Make your arrangements with Evelyn Dumblenton.

Riding

Six women have signed for riding up to this date and the special offer still remains open to college students. If the cost of the costumes is bothering you we refer you to Monkey Ward's over-all counter.

LYNESS ADDED TO FACULTY

Will Teach Science In Training School

The vacancy in the Training School, caused by the death of Mr. Davidson, will be filled by Mr. Arthur Shireman Lyness, a man who comes well recommended for the position. Mr. Lyness spent his undergraduate days at the Kansas State Teachers College, Emporia Kansas, earning a B. S. degree. A master of Science degree was conferred on him at the University of Iowa in 1919. He has since that time completed his work on a Doctors degree at the same University.

Mr. Lyness has had teaching experience in Rural and Graded Schools, as Principal of high school, and as superintendent of city schools.

His extra curricular interests are Glee Club, Chorus, Debate, Boy Scouts, and Literary Societies. He will teach English and Science in the Junior High School beginning today.

New Addition to the Pointer Staff

Donald Hickok, a freshman, was recently appointed to the Pointer staff as a reporter and news writer. Don hails from Showano, and has had two years of journalistic work at the city's High School where he amassed many honors and a fine reputation as a student and a good-fellow.

He has been editor of the Shawano High's annual, and editor of the Shawano Tuesday Times, the high school's paper. He was president of his class in his Sophomore and Junior years.

Already he has made a fine start and much is expected of him in several of the school's major activities.

Primary Council Met Monday

The Primary Council held its first group meeting of the year on Monday evening. The new president, Dera Ploeger, was elected to serve the unexpired term of Miss LaZett Schmidt, who has accepted a teaching position in Birnamwood, Wisconsin. Ventura Baird was elected Vice President; Secretary — Dorothy Jerred; Treasurer — Helen Brady; Publicist — Florence Wroldstad.

The evening's business consisted of plans for Homecoming, and a picnic to be held in the very near future. Committees were appointed to take care of the details for each of these affairs.

Refreshments were served following the meeting.

Professional Thieves Visit Our School

The crime wave has spread even to our own Main Building. The College Counter was broken into last Sunday night, and about two dollars in small change was taken from the cash register. The culprit removed a large pane of glass by jimmying the frame, and reached in, opened the till, and removed the money. A typewriter and three fountain pens in full view, besides the stock of candy and school supplies, were left untouched.

Since then he has been with Frohman's Madison Square Company, the McCaull Opera Company, Weber and Fields Company, with the Student Prince Company, 1925-26, 1927-28, and White Lilac Company, 1929. He has also starred at the head of his own company, in The Pirates of Penzance, Wand, Happyland, The Matinee Idol, Pinafore, and The Better Ole. He is author of the baseball classic "Casey at the Bat", and with W. W. Stout of "Once a Clown, Always a Clown". He is a member of Lambs and Players, two important theatrical clubs.
