HOMECOMING DATE CHANGED

OCTOBER 6th IS THE NEW DATE

Athletic And Homecoming Committees Make Plans

Due to popular demand the Athletic Committee has moved Homecoming from October 13th to October 6th. The first date would have meant a game with Northland—a non-conference game. The change makes the Oshkosh game—a conference tussle—the feature event of the homecoming festivities. The Athletic Committee feels that the consequent large gate results from the Oshkosh tilt justifies this change.

For one-week end lonesome freshmen and upper-classmen are asked to forget home-going in favor of homecoming. The Homecoming Committee, under the direction of Prof. C. C. Evans has already formulated skeleton plans for the annual gala event.

Game is Feature

The feature of the celebration will be the home game, La Pointers vs. Oshkosh—which year in and year out has been the LA Pointers vs. Oshkosh game. The change makes the Oshkosh or years school large gate results from the Oshkosh tilt justifies this change.

Festivities will begin with the Annual Phil Sigma Epsilon Alumni Ball —tentatively scheduled for Hotel Whiting, Friday evening October 5. Saturday, Oct. 6, will see this year's version of the Homecoming Parade—the feature event for the Junior Prom. A depression theme will be carried through the parade. "Costly floats are to be done away with, with the substitution of less costly."

(Continued on page 2, col. 3)

IN MEMORIAM

J. M. Davidson, whose ten years of devoted and stimulating service had won for him a high place in our esteem as a valued instructor, also as a warm place in our hearts because of his fine qualities of character and his genial personality, has answered the final call of the Great Teacher.

His active service in our behalf is ended. His face, always genial and kind, now wears the mask of death; but his stimulating influence, his great and good character and his high ideals will always remain fixed in the hearts and minds of those who knew him.

HOMECOMING DATE CHANGED

OCTOBER 6th IS THE NEW DATE

LA FOLLETTE IS GUEST OF BLOC FRIDAY EVENING

Will Speak in College Assembly Friday Night

Bloc Honorary, general discussion group of Central State Teachers College, has completed arrangements with the Honorable Robert M. La Follette, Jr., senior United States Senator from Wisconsin, to be its guest while he is in Stevens Point tomorrow evening, Friday, September 28th.

Mr. La Follette will be entertained at a six o'clock dinner at Hotel Whiting, following which he will give a brief talk to the members of Bloc and their guests. At eight o'clock in the evening he will appear in the main auditorium of the Teachers College to deliver a scheduled campaign address.

Arrangements had previously been communicated (Continued on page 2, col. 1)

NOTICE

Following the assembly program today, the annual dean's meeting with the men of the college will be held. All men are urged to be present as elections will take place to determine the governor of the men's room. Many other subjects of interest to the men will be discussed.

ENGEBRETSEN NEW SENIOR PREXY

Scheel Will Lead At Annual Junior Prom

Once again the four classes of C. S. T. C. have named the leaders who will guide them through the coming school year. On Thursday, September 20, after general assembly, class elections were held.

Of greatest interest to the school at large are the Senior elections. This year they were very close. For one office the winner came out a single vote ahead of the runner-up. The complete line up from the Senior Class follows: President—Wilfred Engerbretsen, Vice-President—Richard Schwahn, Treasurer—Orville Halverson, Secretary—Morris Bloomer.

To the president of the senior class and the lady of his choice goes the honor of leading the Senior Class, the only formal function of the first semester. In the two years since its inception this event has won a place in the social calendar, and is eagerly looked forward to. Mr. Engerbretsen has been prominent in school affairs, and last year was president of Bloc Honorary.

Of equal moment is the question of "Who will be King of the Junior Prom?" This year the class has selected a man as a member of Chi Delta Rho fraternity, and of Harlquin Club. The senior officers are Leonard Scheel, Vice-President; Helen Bunker, Secretary; Don Halverson, Treasurer; Wilfred McCall and Leonard Scheel, President. The Sophomore class is Bill Theisen, a member of Chi Delta Rho fraternity, vice-president of the band, and active in Glee Club, Harlquin, and Loy.

(Continued on page 2, col. 4)

Miss Van Arsdel New Training Teacher

Miss Gladys Van Arsdel has been appointed assistant botany instructor at the State College. She will direct the Botany Laboratory and give instruction in Botany to the students.

(Continued on page 2, col. 4)

White Elected Band Prexy For Year

On Thursday of last week the band held its regular annual election. Bill Nason, the outgoing president, who is transferring to the University this year, called the meeting to order and presided over it. The following officers were elected: President—Francis White; Vice-President—Bill Theisen; Secretary—Ward Fonstad; Publicist—Henry Lampman.
IT'S TIME FOR THE SOPHOMORE TO ACT

Our college athletic program has risen to new heights during the past few seasons. The music activities have kept pace, and paralleled our school's growth. The social ladder also seems headed for a new deal. Several seasons ago the Senior Ball was added to our school's social calendar, and our social program was raised to a higher plane; and now the senior party out of the doldrums, and inaugurating it in a growing plan was a decisive forward step. The theme seems ripe to elevate the Sophomore Hop the higher rung it deserves. The result should be a party that rivals the Senior Ball and Junior Prom for galaxy, gallantry, and grandeur.

The Sophomore Assn should be first to prove to the school that it possesses enough talent and ability to eliminate the ordinary class-sponsored twenty-five cent dance and replace it with a class party, as in the name before Hop. The next move is up to you, Sophomores, to display a desire to sponsor the worthwhile project of which you are capable. If you desire to have a real party — and you should possess the initiative and set a precedent for future sophomore classes — now is the time to plan; now is the time to act.

October 6th Is The New Date

La Follette Is Guest Of Bloc

(Continued from page 1, col. 2)
been made by Bloc to hold its regular meeting at the home of Mr. N. E. Knutsen, with Mr. E. T. Smith and Mr. Wilson Schwahn, George Simonson, Dr. N. O. Reppen, and Mr. Neal Glenn of Wisconsin Rapids as guests. These plans have been hastily formed and the persons mentioned above will be present at the dinner with Mr. La Follette.

Miss Ellen Greer needs no introduction to Wisconsin readers. For many years she has stood before the voters of this state. Naturally Bloc feels highly flattered over securing the talents of a man who is known and respected over an entire nation.

Training School Library Is At Work

(Continued from page 1, col. 2)
and "Curlylocks, Curlylocks, Will Thou Be Mine?" Taken as a whole the dimensions of the group are 13 by 13 by 18. Individuals to measure 40 by 28 inches. The characters are 23 inches tall. The painting completes a most desirable atmosphere in which small children can read, and then by looking to the walls visualize what they have studied. It will lend itself to teaching in helping to create a spirit of interest among students.

One of Best

The training school library is without question one of the best of its type to be found anywhere in the state of Wisconsin. It is only natural that college students who attempt to make their work at home, will use the library as a stepping stone to success.

Dance in Evening

The final event of the day will be the annual Homecoming Dance to be held in the College Gymnasium. The dance will wind up the program for the day.

These plans are tentative. Many new events are to be added. To you Freshmen and upper class men who have never attended a Homecoming.

Engbrechten New Senior Presy

(Continued from page 1, col. 4)
ola. The complete sophomore officers are:

President ... Bill Theisen
Vice-President ... Eleanor Crummay
Secretary ... Arthur Hemmy
Treasurer ... Charles Torbenson
The Freshmen have run true to form by selecting a football man as their chief. Tom Benson, a product of the Minneapolis prep schools, and All-City end of the Twin City team, was made senior vice president. Complete Freshman officers are:

President ... Dick Weidman
Vice-President ... Raymond Engbrechten
Secretary ... Dorothy Cook
Treasurer ... Ray Beach
On the other hand, nearly all the presidents, devotes much responsibility; they can make or break the spirit of the classes. The Pointer wishes them all success.

C. S. T. C. homecoming — stay in Stevens Point the week-end of Oct. 6 — you will agree it will be well worth your time.
SOCIETY NEWS

Tau Gam Tea Saturday

Tau Gamma Beta Sorority Tea which was postponed from last Saturday will be held next Saturday in the Home Economics parlors. The sorority extends an invitation to all college women, faculty women and faculty wives.

Omega Mu Chi Society to Sponsor Tea

Next Thursday afternoon the Omega Mu Chi Sorority will be hostesses at their annual Tea Party. All faculty women and women of the faculty and college are cordially invited to the Home Economics Parlor, where tea will be served from four to six.

Faculty Reception Tonight

The date of the oft-postponed and much anticipated Faculty Reception has been definitely set for Thursday evening, Sept. 27th. The students are urged to be prompt for the receiving line which will form at eight o'clock. Ray Jacob's orchestra will furnish the music for the dancing.

Omega Matinee Tuesday

The Omega Mu Chi Sorority will sponsor a matinee dance next Tuesday afternoon from four until six. "The Collegians" are scheduled to play for the dance, which will be held in the old gym. Admission, ten cents to everyone.

Y. W. C. A. Party

The Y. W. C. A. entertained at a delightful party last Wednesday evening in the Nelson Hall recreation rooms. Plans for the year were formulated after which a varied program was given. Candy bars were served as an introduction to the usual sale of candy bars which the Y. W. C. A. sponsors throughout the year at the dormitory. Your patronage is solicited.

Carlsen Elected Advisor

Miss Edna Carlsen has been elected the new advisor for the Omegas. A second advisor will be elected at some future date. Miss Eva Seen and Miss Florence Brown were former advisors of the sorority.

Loyola Elects

An interesting and varied program was given at the Loyola meeting last Wednesday evening. Miss Florence Glenn, who sojourned in Europe the previous summer, provided the main point of interest when she spoke about the play "Oberammergau." Following the program, the officers for the year were elected.

Bloomington's Party

Members of the Loyola Club, college Catholic students' organization, will be entertained this Friday night by the Squires of St. Stephens Church, in that school's gymnasium. The Knights of Columbus have sponsored the event in formulating features of Grand Opera and the Squires have arranged the entertainment. Ray Jacob's orchestra has been engaged to furnish music for the occasion.

Phi Big Party

Wednesday evening, September

W. A. A.

To the women of the college who are interested in the Women's Athletic Association, we wish to state that membership is open to all women of the college. In order to be eligible one must have spent at least one college one semester, have a scholastic standing of 81, and must have shown an active interest in the activities sponsored by the association. Active interest is defined specifically as participation in two major sports or one major and two minors. Will those girls interested in joining in this time hand names to Ruth Wagner or any W. A. A. member.

Since our formidable opponent, the weather, has relented a bit, our sports have actually begun. Last week a group of twenty women women reported for hockey and were out again Tuesday. The ladder tennis tournament is posted on the bulletin board and with dry courts the challenges are being made.

19, Phi Sigma Epsilon fraternity was host at a card party held at their house, 1011 Main Street. Twelve couples enjoyed six tables of bridge. First prize for the ladies was awarded to Miss Alice Sorenson, '34 degree graduate of C. S. T. C. Morris Skinner won the men's highest scoring honors. Refreshments were served.

Former Student Honored

Burton Hotvedt, former student at the local teachers college and an ex-president of Phi Sigma Epsilon, now employed by the Hardware Mutual Insurance Company, was recently notified of his election by the national council to the National Council of Phi Sigma Epsilon.

Phi Sigs would like to call the attention of the student body to their national magazine, The Triangulum," now posted on the bulletin board on the second floor of the main building next to Miss Knack's office.

Bloc Meets

Bloc Honorary met Tuesday evening, September 18, at the home of N. E. Knutzen, 1117 Clark Street. Monday evening, October 15, Bloc will discuss with the Rev. Mr. W. Schwemmer, social, religious, and economic conditions of Nazi Germany and Communist Russia. Rev. Schwemmer, who is pastor of the Peace Evangelical Church, located at the corner of Center and Dixon in this city, has recently returned from an extended vacation abroad.

Tuesday, October 30, Mr. Neal Glenn, well known classical teacher, is located at Wisconsin Rapids, and personal friend of Robert Emery, will discuss, and demonstrate some of the most interesting features of grand opera. Tuesday, November 13, will be taken up with a general business meeting and discussions. No guests or speakers will be invited. All three meetings will be held at the home of Mr. Knutzen.

NELSON HALL

A certain freshman in the dorm called up L. Scribner and inquired as to a good place to go walking. Imagine his embarrassment!

Ione Rasmussen, who has been ill this last week is back at Nelson Hall again.

Dorm girls turn gun women! No — just their frivolity coming out in the form of busting paper sacks.

Sally Harsh of Marshfield was called home Monday because of the death of her brother. The dorm girls extend their sympathy.

A certain "Blond Venus" in the dorm left her job after one-half day's work. It seems that there was some scrubbing to be done!

The dorm girls are studying rhythms these days. Several new radios were installed, being the instigators of the rhythm.

A new interior decorator has been discovered in room 233. If you don't believe it, come up and see her room sometime!

A certain gentleman rang the doorknob of the dormitory the other night. He asked to be taken to room 309. Was he surprised when he found that he was at "dormitory" and not the hospital!

Helen Piehl celebrated her 18th birthday Sunday night at Sherm's. The regular group who eat there made up the party.

La Crosse GRIDDERS HERE FRIDAY

TOUGH BATTLE ON PROGRAM

La Crosse Scored Impressive Win Over Winona Last Saturday

It will be Howard Johnson's La Crosse Collegians against Eddie Kotal's Purgold pigskin toters tomorrow afternoon in the first appearance on the home turf of a La Crosse team in many years. Relations were resumed last year, when the two teams battled to a 6-6 tie near the banks of the Mississippi.

Game at 2:30

Well pleased in a few respects, but much worried in others, all disclosed as the result of last Saturday's contest with Saint Cloud, Coach Kotal will ete no chance to throw his football machine into high gear for the always tough La Crosse crew, who will bring the opening honors when they take the field opposing the Pointers at 2:30 P.M. tomorrow afternoon on Schmeeckle Field in the 1934 Purple and Gold curtain raiser.

Nugent Missed

Night practice by floodlights and continuous "skull" sessions have been the steady diet of the C. S. T. C. men. It is no secret that the winners and backers of the local crew would feel better if Nugent, last year's fullback, always good for that extra-yardage in the pinch, was once more in the fold, and that the dozens of irritating leg and foot injuries were a thing of the past, instead of an increasing source of alarms as the minor injuries toll mounts daily.

Large Squad Ready

When the wraps are taken off the 1934 C. S. T. C. aspirants for the championship on the morrow, many new faces will dot the greensward, some of whom will see service if regular starting placements falter. Kotal may try various combinations for it is still early in the season, and not at all past the experimental stage. Although the squad is built around hold-overs from last year it is improbable that many of the new men can be used to advantage in a winning combination. The work of Benson, Charter, and Lamp as backfield material has met with approval, but sterner competition will be the order as the season lengthens. Regular jobs await the linemen who can show better form than the 1933 edition, who at this

NOTICE

There will be an important meeting of S Club members in Mr. Watson's room immediately following today's assembly. All members are urged to be present for the transaction of important business.

C. S. T. C. ATHLETIC BOARD

C. F. Watson H. R. Steiner
H. M. Rightbelle F. J. Schmeeckle

The C. S. T. C. Athletic Committee is composed of Mr. Watson, Mr. Steiner, Mr. Rightbelle, and Mr. Schmeeckle, Chairman. This body governs all athletics activities at the college and maintains relations with the schools of the conference. The board has decided that Homecoming will occur on Oct. 13th, with Oshkosh as the visiting team, instead of Northland on Oct. 13th, as given in the Student Handbook.

Prescription For a Tired Business Man

Select any brilliant fall weekend for your grandfather's funeral, and save a twenty-two huskies at each other in a bowl or gridiron... it takes a little dough to work up a good stiff batter... add several million American football nuts... headed by several kangarooos... watch critically to avoid running over goal lines... be careful not to fumble... garnish with touchdowns... and let boil for thirty minutes until almost done... then add a few cool shots and the two teams will be up and running... a thoroughly good football game has the earmarks of being a good one. (Continued from page 4, col. 3)

Isaak Walton Jamboree At Armory Tonight

The Stevens Point chapter of the Isaak Walton League will have a get-together at the Armory tonight. Many prizes will be given away and a fine program has been arranged, according to officials. Admission — four bits.

Sam Kingston Wins Club Championship

Sam Kingston, who spent his first two years at C. S. T. C. and who will enroll at the University of Wisconsin as a junior this year, continues to add laurels to his golf record as a member of the Purple and Gold golf team while a student here.

The Stevens Point Teachers Collegegrid side scored a 7-6 victory over the Saint Cloud Teachers, last year's undefeated Minnesota State Teachers.

The two teams were about evenly matched, and the balance was broken by Captain Warren Becker's kicked point which kicked the extra point, translating a tie into victory for the Pointers.

ST. CLOUD SET UP BY KOTAL'S GAN

Becker's Punting Featured; Teams Evenly Matched

The Stevens Point Teachers College gridiron team is back in full force this year, ready to take the field opposing the Pointers at 2:30 P.M. tomorrow afternoon on Schmeeckle Field in the 1934 Purple and Gold curtain raiser.

Nip and Tuck

Saint Cloud tallied in the second quarter to lead 6-0, but much of the credit must be attributed to Warren Becker's kicked point which kicked the extra point, translating a tie into victory for the Pointers.

Place Kick Missed

Stevens Point kicked off with the wind in their favor to begin the game. Shortly afterward Becker, with a long punt, was returned by Saint Cloud, who gained fifteen yards on the return.

ST. CLOUD SCORES FIRST

In the middle of the second quarter Saint Cloud scored by virtue of a thirty-three yard field goal which the local score saw hit the crossbar and then return to the gridiron.

(Continued on page 4, col. 4)
Meet The Squad
At Work and Play

Milton Anderson, 1105 Ellis Street, another one over from last year, played baseball this summer with the Matson and Marine Coal Company team in the Rutabaga League, during his residence in that city. He also attended the World's Fair for 6 days. He is twenty-one years of age, weighs 160 pounds.

Frank Menzel, 805 Normal Avenue, played ball with the Stevens Point Del- ets in the Portage County League, and worked at the gas station during the summer months. Frank had planned to enroll at the "C.S.T.C." but he has returned to C.S.T.C. and all the football fans are glad of it for Frank was regular end fighting good for the start of the places in the line. The starting linemen will be picked by 7-6 score, but hopes to

St. Cloud Loses to Pointers

La Crosse here-friday

(Continued on page 5, col. 3)

Pointers Retali ate

The Point crew came out in a fighting mood for the start of the season and were soon threatening their opponent's goal line. Becker pointed from his own eight yard line and Broome downed the ball on St. Cloud's one yard line — a beautiful punt of ninety yards. St. Cloud instantly punted out and the boys from Central Wisconsin began their march to a touchdown. A pass, Lampe to Becker, was good for thirty yards, placing the ball on St. Cloud's six yard line. Lampe amassed off tackle for two yards; on the final drive Becker pointed from the twenty-six yard points, adding the extra point to make the score read C.S.T.C. 7, Saint Cloud Teachers 6.

Frisch Recovers

In the final quarter Saint Cloud made their supreme effort to break through the stubborn defense of Kotal's men when interference on a pass gave them the ball on the Point twenty-three yard line. They immediately fumbled however, and Fullback Myron Frisch was on the ball when the players were disintegrated from the resulting scrimmage. Saint Cloud filled the air with passes in the final minutes but to no avail. The Point gang played good hearty ball at all times to take advantage of the few breaks they received.

Starting lineup:

G. S. T. C.

McIlhiney L. E.

Ben Blotwinski L. T.

Armstrong Sparhawk L. G.

Broome C.

McDonald R. G.

R. T. Kaffel

Menzel B. E.

writing, occupying the majority of the places in the line. The starting linemen will be picked from the following group: Broome, Weingartner, T. Menzel, F. Menzel, Ben Blotwinski, Sparhawk, McGuire, Olson, McDonald, Maurer, Benson, Copes, Popahl, Krenke, Schmelinger, Peavy, Birch, Behnke. The backfield will be picked from the following group: Becker, Frisch, Murray, Lampe, Unferth, Zurfluh, Chartier, Bucholtz, Anderson, Nugemann, Beppler, Schmidt.

La Crosse Won Opener

The La Crosse eleven opened their season last Saturday with an impressive win over the Winona State Teachers, 12-0. After halfback, scored both touchdowns, after substantial gains by Schwedler, fullback. The Raequets flashed a deceptive attack featuring passes and line jabs.

Key To City In Neale’s Office

It’s a large key, 18 inches long and tied with a purple ribbon. It has a place of honor in Mr. Neale’s office on the third floor of the building, and this is its story:

In the year 1918, September 22-25, 400 people from 18 states gathered in this city in the “State Normal School auditorium” for the first Rural Education and Country Life Conference in Wisconsin. To quote from the original newspaper story: “This meeting was the result of a successful conference ever held by the city, and the delegates present from Massachusetts to Nebraska, from Virginia to North Dakota, listened to the addresses, took part in the discussion, and observed at first-hand Wisconsin’s method of dealing with the problems of rural education and life.”

Four Day Conference

During the four days that the conference was in session material was presented on all aspects of rural life; church, health and leaders in the field, Mr. J. L. Mc- Brien, School Extension Agent, U. S. Bureau of Education, Washington, D. C., Professor Walter. E. Larsen, State Rural School Supervisor, Madison, Wisconsin, Rev. Matthew McNutt, representing the board of Home Missions, Presbyterian Church of the United States, of New York City, and 48 other speakers, equally well-known, brought from their wide experience suggestions and ideas that would better further the aim of the conference “to make rural life and rural schools as attractive and efficient as city life and schools.”

Key Presented

A conference of such size and importance is not often brought to a city the size of Stevens Point. It was accomplished in this instance through the efforts of Mr. Neale’s long friendship with Mr. J. L. McBrien, executive secretary of the conference. The occasion called for the presentation of the key to the city to President John F. Smith of the college by Mayor John N. Welsby. Sixteen years later it is a symbol of one of the school’s triumphs, and a reminder of past glories.

LOST AND FOUND

The following have been found and left in the Training School Office:

1—pad notebook filler, large size.
2—cameo ring, filigree setting.
3—set of ear keys in red holder, with Mosinee name and telephone number on same.

Enrollment At C. S. T. C. Compares Favorably With Other Colleges

The total enrollment of the nine State Teachers Colleges at the end of the first week is six per cent lower than it was at the end of the first week a year ago.

Total: 5,890

With the exception of Platteville and Superior, the only schools to show a gain, all schools suffered.

The drought forced many students to stay out of College this year, as did the lack of available loan funds; these reasons coupled with the increased length of courses, discouraged a good many students that would otherwise have enrolled. Interest in teaching as a profession has declined due to the difficulty of securing a position after graduating. This was also a contributing factor in the general decline. C. S. T. C., in spite of the increased length of courses, has retained the same number of students. The State Teachers Colleges can best take care of an average enrollment of about 5,100. As conditions return to normal there will be a decline to about 4,800.

College Student’s Car Stolen Last Week

It seems that the thieving populace has moved into new fields and has selected as its target students of C. S. T. C. The first major theft of the current term was the stealing of the 1931 Ford Coupe of Miss Lillian Frawley, a coed, from its parking place near Nelson Hall, Wednesday Sept. 19. The car which bore the license 303-193 was dark in color with green wheels. Anyone knowing the whereabouts of said car is requested to communicate with Miss Frawley at Nelson Hall.

College Radio Hour Program Next Wed.

Next week Wednesday, when the college makes its weekly broadcast, there will be on the program a special contribution from one of our school’s alumnas, Mrs. Irene Hite Thompson, Mrs. Thompson is a local music teacher, and a pianist of highest ability. Although the final arrangements have not yet been worked out for the “Play of the Week” series, the program director says that we can expect a play for next week.

The Pointer
ALUMNI NEWS
by FRANK N. SPINDLER

It may be interesting, especially to the new students in this school, to know how widely the graduates of this school are scattered over the world. There is not a county in Wisconsin where there are not many of our graduates, and in all cities of this state of any size and in towns and villages our graduates are found.

When a student graduates from this school and receives a diploma, he becomes a member of the greatest fraternity that he will ever belong to,—a fraternity, members of which are bound together by loyalty to Alma Mater and by friendship and by common ideals and principles. It is exceedingly gratifying for the members of this faculty when they meet graduates out in the field, for the sincere and evident pleasure with which the graduates meet the members of the faculty whom they have known shows how deeply they regard the school.

Our graduates are found, as we have said, all over the world. We shall note what states of this union we have graduates living in; viz: Alabama, Arkansas, Arizona, California, Connecticut, Colorado, Delaware, District of Columbia, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Hampshire, New Jersey, New Mexico, New York, North Dakota, Ohio, Oregon, Pennsylvania, South Dakota, Texas, Tennessee, Vermont, Washington, West Virginia, Wisconsin, Wyoming.

Not only are our graduates scattered all over the United States, but we find them around the world in Canada, Canal Zone, Panama, Hawaiian Islands, Philippine Islands, China, Sumatra, Madagascar, Germany, Venezuela. Wherever and whenever around the world you meet a graduate of this school, you meet a friend. What is more valuable than to belong to such a worldwide brotherhood?

A miscellaneous fund which financed all school parties, dances, etc.

Evangeline Johnson, whose headquarters are at Nelson Hall, thinks that all plastic surgeons are great lovers, for women are just like putty in their hands.

School parties, dances, etc. are not for the faculty, and should not be financed from money from the instructors' pockets. However, we understand that every member of the teaching and secretarial staff buys an annual season ticket to all athletic contests, and pays a years subscription to The Pointer. That dual price of the ticket costs them exactly five dollars. Too, they donate to every school solicitor whose purpose is recognized by the administration.

The other night we heard Oscar Copes, giant football bruiser, refer in this way to another aspirant for gridiron fame, who had quit the squad after a tough workout:

"He was a brave fellow,
Except he was yella,
As bold as a sissy could be."

In order to make this column as interesting as possible helpful suggestions, criticisms and contributions are in order.
NIGHT SCHOOL GETS UNDER WAY

Large Enrollment Expected; Mr. Knutzen In Charge

A record enrollment is expected this year in the night school, according to Mr. Knutzen, the faculty member in charge of the work.

About 40 people enrolled in the night school in 1932-33, the year of its inception. Last year the enrollment jumped to 103, and this year, Mr. Knutzen reports, over 150 registrants, some from as far as 120 miles away, are expected. Requests for information from a large number of interested persons enable the teacher to predict a greater demand than ever before for night school work.

Regular Credit Given

Teachers who receive regular college credit toward a degree for the work make up a large number of the students, and many others take purely cultural courses.

Twelve members of the faculty offered courses last year. These teachers give freely of their time, receiving no compensation for the work. A great deal of credit is due them for doing such excellent work among students who otherwise probably could find no way of increasing their education.

Many Subjects Offered

The subjects offered in the school depend entirely on the demand. Any college course for which ten or more entrants express a preference will be offered by the faculty.

The registrants pay a fee of $8.00, and they are privileged to take courses aggregating six full credits each semester, in courses with no laboratory work. Classes were formerly held only on Tuesday night, but because of the unprecedented demand, an additional Saturday morning class is planned.

The first meeting was held Tuesday evening, September 25, at which all interested persons were to help plan this year's work.

Iris Plans Are Under Way

With the expert aid of several of the country's largest school annual concerns, the Iris staff has already come to definite conclusions regarding this year's annual, The Iris. Two entirely new features, yet undivulged by editors year's. Fifty men were elected to 103, and so on, as far as the number of interested persons, over 119 are expected. SMART CLOTHES Requests for information from a hand of every child.

Homecoming Plans Get Under Way

For one week-end even some Freshmen are asked to get home-coming, and we are sure they won't have to be asked to stop the next year. Organizations, professional and rural, and the various departments of the school, are already at work on plans for floats and stunts.
