JUNIOR PROM PLANS COMPLETE

RUSS WALTERS PLAYS AT PROM

Milwaukee Orchestra Performs

The Junior Prom, first and foremost spring event following the Lenten season, will be held April 26, in the new gym.

The main attraction will be, of course, Russ Walters and his band, W.T.M.I. This band was one of the bands that played at the University of Wisconsin prom. However, as you are aware, the opportunity to hear a band is already on its way to fame.

Unusual Decoration Scheme

Beginning with the usual melodies of Russ Walters, the scheme of decorations will be the "Rhapsody in Blue." This new type of decoration is your opportunity to put everyone in the proper atmosphere to enjoy the prom to its fullest.

Music Festival Well Attended

The Music Festival which the music department of C.S.T.C. sponsored last Friday was a great success, not only from the point of view of the number of bands attending, but also because of the record attendance at the concerts.

Several bands and four orchestras were present. It is estimated that more than 2,000 people came to hear the concerts at various times throughout the day and thousands more witnessed the parade. The snappy uniforms and snappy music made sights and sounds which will not soon be forgotten in this college.

As an afterthought to the day, notice how many new addresses (Continued on page 2, col. 3)

Former Faculty Member Returns For Visit

Dr. George A. Talbert, faculty member of Stevens Point Normal last week, was a guest of H.L. Scheel last week. The last formal program for the day has been set.

SCIENCE OPEN HOUSE SCHEDULED FOR APRIL 26TH

A tour through our Chemistry lab will be a feature of the Science Open House.

Art Spieth Critically Injured In Accident

Word was received last Friday that Arthur Spieth, a sophomore here at C.S.T.C., was seriously injured in an auto accident near Tiguerton. The car which he was driving struck a train at a dangerous crossing, and Art suffered a concussion of the brain. The local physician pronounced his condition as extremely serious and rushed him to the Shapiro Hospital. When word was last received (Monday) he had not yet regained consciousness, and the doctors had little hope for his recovery.

Miss Adeline Spieth, Arthur's sister, and Janet Strong, of Stevens Point, who were riding with him at the time of the accident, escaped with minor injuries.

English And History Teachers Meet April 25

Fr. Kranten and Mr. Smith, sponsors of the English and History Teachers' Conference, to be held on Saturday, April 25, state that though band tournaments and what-not are running a good deal of competition, they still expect a large and enthusiastic crowd on that day. An excellent program, featuring Mr. Douma, secretary of the Board of Regents, and John Callahan, superintendent of schools, has been arranged.

SIGMA ZETA'S PLANS FOR SCIENCE OPEN HOUSE COMPLETE

Alex Perrodin is Chairman of Program For April 26

The plans for the Science Open House are now complete, and Alex Perrodin, head of the project, has already submitted the program for the day. The following is the order of events on the program.

I. All exhibits open from 1:30-5:00, 6:30-8:00. Students will be on hand at all times to answer questions.

II. Continuous showing of films in assembly - 2:30-4:00, 5:00-7:00, 8:00-10:00.

III. Schedule of demonstrations (Special) Biology 1:30-2:00, Biology Laboratory, Chemistry 2:30-3:00, Chemistry Laboratory, Home Economics 3:30-4:00, Home Ec. Laboratory, Physics 4:30-5:00, Physics Laboratory, 7:00-9:00, Physics Lecture Room.

IV. Evening Program beginning at 8:00.

1. Music - 8:00-8:30.

(Continued on page 2, col. 1)

Miss Carlston Attends Chicago Art Contention

Miss Eola Carlston, head of C.S.T.C.'s art department, and Miss Emma Smith, art supervisor in the city schools, have returned from Chicago, where they spent last week attending the annual convention of the Western Art Association. 1,800 were registered at Stevens Hotel, convention headquarters. The conventionites enjoyed among other things the annual banquet with Lorado Taft acting as toastmaster; a talk given by Grant Wood, Iowa artist, and a visit to the National Art Hobby Guild.

NOTICE

To-day's 1:15 and 2:15 classes will meet at 10:00 and 11:00 o'clock respectively. There will be no school this afternoon.
The A Cappella Choir of Oakhoit, State Teachers College is enjoying another tour. To-night they sing at Fond du Lac, tomorrow night at Kaukauna. And many of the others on the program.

To be frank, we were taken by surprise. It wasn’t enough to be met by a richly garbed, well-mannered, and orderly group; they proceeded to give us one of the finest concerts of the year.

Central State Teachers is to be congratulated for possessing such a fine band, an able director, and an affable and congenial student body.

Thank you, Central State!

Central State has come into its own. A glance at our calendar of events, given ample proof that our college has become the rendezvous for central Wisconsin's varied activities. The recent Band Festival started a parade of gatherings that are excellent publicity for our growing college. Coming events that will acquaint the pupils and instructors of the State, and many of the others on the program.

SOCIETY NEWS

Miss Allen Entertains at Dinner
Miss Bessie Allen was hostess at a formal shell dinner served Monday evening in the Home Economics dining room. Twenty four ladies were present. The menu, favors, and centerpieces carried out the novel sea idea. The table was decorated very artistically with bouquets of assorted flowers, gold fish bowls and sprays of green ferns. The shell bowl containing the bouquet and a lace jabot with the shell pattern were given as prizes at the bridge party which followed. The Junior Home Ec. girls served.

Richard Reinholdt Addresses Rural Life
Community singing lead by Harold Davel opened the Rural Life program held last Monday evening. Phillip Danielson sang several vocal solos. Mr. Richard Reinholdt, local lawyer, spoke on “Scenic Pictures of Norway.” Mr. Reinholdt was formerly secretary to the Ambassador to Norway, so he could speak with authority on the subject.

Plans were made to attend the Country Life Club at Madison, May 11.

Easter Tea
The Home Economics girls were guests at a festive Easter Tea given in the Home Economics parlors Wednesday afternoon. The color scheme, pink and white, was carried out in the room and table decorations. Flowers and plants in profusion lent a beauty to the affair. A large Easter egg with rabbits formed a centerpiece. Miss Adela Houle and Miss Mary Jane Oswald dressed in costumes of pink and white, prered with Miss Anita McVay welcomed the guests.

Sigma Zeta Meets
Tuesday evening, the Sigma Zeta National Science fraternity held its regular meeting in Mr. Rughtes’s room. Mr. Alex Perrodin, chairman of the meeting, took charge of the program on different phases of biology in everyday life.

The candidates to the National Conclave held at Alton and Lebanon reported on the interesting events of the trip. Thyrza Iverson reported on the Lincoln Memorial at Springfield, Illinois, Norma Truesdale on the campuses of the different universities, Richard Schiware on the Shaw Botanical Gardens at St. Louis, and Frank Mauel on the Owen Glass Making factory.

Chef Club Gives Supper
The new chefs of Central State gave a successful supper Tuesday evening. A large crowd turned out for the excellent chili, lettuce sandwiches and chocolate cake. We congratulate the fellows on their second successful venture.

Loyola Sponsors Movie
The Loyola Club sponsored the movie, “Life of Our Savior” Sunday afternoon to an appreciative audience. The movie netted the club a profit of $11. Katherine Boland accompanied the beautiful colored film by playing appropriate music on the piano. Approximately three hundred eighty people attended.

NELSON HALL

Visitors at the dorm over the weekend were: Mr. and Mrs. Charles Grimes of Rhinelander who visited Helen Fiehl; Mrs. Grimes is Helen’s sister; Margaret Cook who visited Dorothy; Evelyn Mangatrozy who visited Phyllis; Germaine Mannel who visited Eleanor; Mr. and Mrs. Arthur Mueller of Wausau who visited Adeline Goetsch.

A “Martin” flew in “With-us” ear Sunday afternoon. A certain Junior doesn’t mind the weather now because there is more than one way of getting home.

The brightly colored uniforms added a touch of gaiety to the premises of the dormitory Friday.

Libby Prussew was called home last Thursday because of the illness of her mother.

The dorm girls aren’t the type to complain when it rains but two of our dormites were storming around because the Lord sent an abundance of it on their food supply. You can’t keep anything from the Lord, girls!

Jane Rasmussen spent the weekend with her sister Ivy at Spoon Rivonia.

Carol Keen, Adeline Belleman, Mary Anne Stauffacker, Dorothy and Edna Ericksen and Helen Keel celebrated the latter’s birthday by going on a marshmallow and weiner roast this week.

All State College Meet Topped Season Under Lights
On May 23

Recent bad weather has again stepped in to delay conditions of Kotal's track men, who need large doses of outdoor exercise to reach their top form for the year's opening triangular track meet at Waukesha on May 26. Whitefish Bay, Whitewater, Oshkosh and Stevens Point will contest. The May 4th meet, tentatively scheduled for Milwaukee, Oshkosh, Lawrence, and Point has been canceled at the last moment because of wet conditions for the Platteville base ball game and boxing match (separate contests). The Quadrangular meet for Milwaukee, Oshkosh, Milwaukee, and Point participating at Milwaukee on May 18, will be followed by the state track meet on the night of May 28 at Stevens Point. In this event all state colleges with a spring schedule to include track, will participate.

All State Colleges Here

These include Milwaukee, Oshkosh, Whitewater, Stevens Point, La Crosse, Superior, River Falls has substituted base ball this spring as an experimental manner of athletics. Platteville boys will not be active in spring athletics. Platteville will push base ball and boxing.

Records Fell Last Year

In the meet of last spring several of the conference records fell. A new record of 19 feet 1 1/4 inches was turned in by Bohman of Oshkosh. Harr (La. Crosse) leaped 22 feet 5 1/2 inches in the broad jump, to better a mark set in 1924. Page (Milwaukee) set a new record in the high jump, clearing 6 feet 8 inches, over the four men 880 yard relay, Whitewater made 2 minutes 4.9 seconds. Up until last year Poitz had held records in the 440 yard dash, established (in 1925) by Powell (S. P.).

Point Title Holders

The Purple and Gold hold the state teacher's college records in the high jump and 220 yard low hurldles. The high jump mark of 6 feet 3 1/2 inches was set by Art Thompson of this college in 1928. The hurldles record was established by Atwood in the same year.

At present Milwaukee holds seven track and field records -- in the 880 yard run, the mile run, the two mile run, the pole vault, the high jump, the broad jump, and the hammer throw. The women hold the records for girls -- that is, the 190 yard high hurldles is shared with Milwaukee and Oshkosh -- Harr of Oshkosh has the 100 yard dash record. University of Wisconsin women set a new record, and Lyon, of Oshkosh, has held the javelin title since 1926, Oshkosh is the record holder in the 100 yard and the 220 yard dash events. Oshkosh shares the 190 yard hurldles records.

State College Records

The 1926-27 Track. The history of the Wisconsin State Teachers Colleges follows.

100-yard dash -- 9.3 seconds, Bogucki, Oshkosh, 1927.
220-yard dash -- 21.6 seconds, Bogucki, Oshkosh, 1927.
440-yard dash -- 50.8 seconds, Bohman, Oshkosh, 1927.
880-yard run -- 2 minutes 25.6 seconds, Matt, Milwaukee, 1929.
3200-meter race -- 9:38.3 minutes, Thiesenhausen, Milwaukee, 1932.
Long jump -- 21 feet 7 inches, McGinnis, Milwaukee, 1927.
Killey, Milwaukee, 1933.
220-yard low hurldles -- 25.5 seconds, Atwood, Stevens Point, 1926.
5280-yard run -- 19 minutes 30.3 seconds, Whitefish Bay, 1924 (May, Doyle, Healy, Arnold).
High jump -- 6 feet 2 inches, Gerhart, La Crosse, 1924.

Some very interesting speculation has been going around recently concerning some remarks by Mr. Brutus Hamilton, former United States amateur football champion and now coach of the University of California track and field team.

100 YARDS IN 9 SECONDS?

In discussing track recently Mr. Hamilton prophesied regarding present and future track records, and the ultimate human performance in track and field events. According to Mr. Hamilton, 9.3 seconds would be the time taken by a 100 yard dash man if he were running his 4 minute mile run would turn up -- also a 9 second 100 yard dash man, Mr. Hamilton is inclined to disagree. He sets the best possible human performance at 9.33 seconds for the 100 yard dash and 4.05 minutes for the mile. Mr. Hamilton goes on to mention an additional list of ten events Mr. Hamilton sets forth that the limit of human performance has not yet been reached, and that the world's best in the broad jump, the hurdles, the 880 yard low hurdles, the pole vault, the javelin, the javelin throw which, as present stands at 57 ft. 1 inch. In other words, no better can be done by human effort in this event, the maximum being reached, Mr. Hamilton does, state that a fifteen feet mark is entirely possible in the pole vault, and a 27 foot mark can be reached in the broad jump. (Keith Brown of Yale in the Boston A. A. U. meet recently set a new American record.)

CAN ALL EXISTING MARKS BE BETTERED?

Most officials believe that all of the existing marks stand a chance of being bettered. Of course the day will arrive when the then existing marks will be so good that they will stand for all time; a track man, however, expert, has se be bold, indeed, to set numerical limits when human effort is concerned. Many years ago 22 feet was top-notch for the world's best in the broad jump, and twelve feet was near the world's title. Will the succeeding years with better methods of training, more uniform tracks, bring better results? It would certainly seem so.

It takes a good type of opposition to lower records. Judging from the field at present, it appears that it is forthcoming -- take the rivalry of Glenn Cunningham and Bill Bonthron in the long run; Bill Carr and Ben Eastman in the 440; Keith Brown and Bill Groves in the hurdles, son of the event. Football men are wont to say that Eddie Tolan in the 100 yard and 220 yard dashes. Certainly no one can say, when viewing recent track stars, that any present team is the safe.

PIVOT-POST PLAY

The National Association of Basketball Coaches, at a recent meeting in Chicago, adopted the rule that on some occasions, when playing games, certain men will be acted upon by the rules committee, which will meet later in New York.

Base Ball

While the present rules are not a menace to many students, many others are not so fortunate. The following men are members of the varsity A or B football or basketball team, and these also must be considered in the selection of the state college team. No mention of the selection is made here.

1. A rule whereby no offensive player, with or without the ball, may remain in the free throw area for more than three seconds, except to pursue a loose ball, is one which is much needed at the present time.

2. Most important among the changes made known among the coaches. As it is known to fans the play simply consists of a player, within the course, stationed as a pivot, that is, a point which will push base ball into the resin-ed arena.

3. Many games were becoming a deading repetition of this same play. Art Thompson, Bob Broome, and Peterson are among the exponents of this rule on the play of Fred Nims, lengthy center, who was another exponent of this type of play.

SUGGESTED RULE CHANGES

The coaches' conference listened to a considerable number of suggestions in regard to rule changes. Many of the suggestions were ruled out under actual playing conditions. Some suggested raising the baskets from their present height, 10 feet, to a height of 12 feet.

C. S. T. C. Base Ball

A listing of all the college baseball men would require considerable space. The following men are members of the varsity A or B foot ball or basketball squads and also play base ball. Don Unferth, Bob Broome, Oscar Cepe, Charles MacDonald, Milton Anderson, Bob Hulson, Art Thompson, Bob Broome, and Peterson are among the exponents of this rule on the play of Fred Nims, lengthy center, who was another exponent of this type of play.

B. C. S. T. C.

A listing of all the college baseball men would require considerable space. The following men are members of the varsity A or B football or basketball team, and these also must be considered in the selection of the college team. On the other hand some of the men above listed will be representing the college on the track team or boxing team.

B. C. S. T. C. Base Ball

The following men are members of the varsity A or B football or basketball team, and these also must be considered in the selection of the college team. On the other hand some of the men above listed will be representing the college on the track team or boxing team.
RECENT BOOKS ADDED TO LIBRARY
BY MISS VIRGINIA MACDONALD

There is no frigate like a book
To take us lands away,
Nor any courser like a page
Of pacing poetry.

This traverse may the poorest take
Without oppress of toll;
How fragil is the charter!
That bears a human soul!

Emily Dickinson

A guide to the art of intelligent reading, describing the methods of reading, how to use the library, aids to reading and study, and concluding with a survey of the best books in each department of literature.

Kane, John Francis, "Pictur­
eque America"

A colorful and inspirational symposium, consisting of realistic photographs, prose sketches with full information, and nature parks, all by many different writers. National parks of the United States and Canada, national forests and monuments, and state parks, including the major part of the book, but Alaska, Hawaii, Cuba, Puerto Rico, the Bermudas and Mexico are briefly included.

Wilton, Edith, "A Backward Glance"

A reticent and dignified autobiograph revealing the sensitive and charming personality of Mrs. Wharton. In addition, New York of the seventies and eighties is delightfully and inimitably portrayed. The sketches of Henry James, Theodore Roosevelt, Thomas Hardy, George Meredith and others give a fascinating insight into the intimate life of the English and American literati of that period.

Kunitz, Stanley J., and Haycraft, Howard, "The Junior Book of Authors"

More than 250 authors and illustrations of children's books are included in this new volume of literary biographies and autobiographies. Most of the living writers and artists included have written their own life stories. Each is accompanied by a portrait of the subject.

Wellman, Paul I., "Death on the Prairie"

An authentic and dramatic historical account of the Indian wars on the plains between 1862 and 1897. Guster, Carrington, Crock, Miles, McKenzie, Sheridan, Red Cloud, Sitting Bull, Chief Joseph and Little Wolf are among those whose part in the struggle is graphically described.

Beard, Charles A., "The Open Door At Home"

A radical argument in favor of a new form of nationalism which consists in supplanting the idea of international trade with that of national planning. Problems of trade, economy, economic rivalry, and armaments are discussed by this noted authority.

FOR FROM THE STREAM OF LIFE—
Newly Bits of News

Billy Bear's Band of Milwaukee will play at the Watertower State Teachers College Prom scheduled for May 10th — R. Williams Lawson from both ears last Monday when spring pulled a winter's trick; one for Ripley — Paul Lyness, son of A. S. Lyness of our college faculty, won first prize in oratory at a forensic contest held at Marshfield last Wednesday. Marshall, Wausau, Wisconsin Rapids, and Nekoosa competed — Eleven students (eight boys and three girls) have signed up for a learning class at Platteville State Teachers College — It's the girl who pays; Jack Burroughs will be in Chicago on Prom night — the final date for entries in the Margaret Ashmun short story contest is April 30th — The dean of our faculty members, from print to service, is Dr. Joseph V. Collins. He has served the students since this college first opened its doors in 1894 — May 1st will prove who the fish are (the trout or the fisherman) — George Hyer, son of our college prexy, is the editor-in-chief of "The Tattler," the annual of the local prep school. We nominate Miss May Roche for the "most bashful" prize — Spring is here. Mr. Schmeekle is returning to his hobby, landscape gardening. Only three dorms will spend their Easter vacation in Nelson Hall.

W. A. A. Notes
(Continued from page 2, col. 4)

and backward rolls, balances, and head stands. Tumblers, be careful about the loose change in your pockets!

Hiking

Those who are interested in doing extra-curricular hiking may get blanks for recording these hours on the game room bulletin board. They are to be returned same day.

College women, there is a sport or game for every girl — not just for the few who excel. If organized and strenuous teams don't appeal to you, try archery, tennis, or horseshoe pitching, or even hiking. They are grand ways of enriching leisure time. We'll help you to make friends, and will keep you physically fit.

Leaving Soon

Jack represents Wisconsin At Interstate Oratorical Contest

Jack Burroughs, holder of the state oratorical title, and Professor L. M. Burroughs, his father and coach, will leave next Wednesday for the Interstate Oratorical Contest, to be held in Harris Hall, Northwestern University, April 25th and 26th.

French Play Enjoyed By Thirty Pointers

Thirty "Frenchmen" and "Frenchwomen" returned from Madison late last Saturday night, tired but happy, for they had not only seen and heard an excellent French play, but they had also had a chance to greet their many friends at the University. Mrs. Smith, the person who was at the head of the project, had secured 30 of the best seats in the Beacon Hall Theatre for Miss Davis and her protégés, and we may well believe that the performance was enjoyed to the utmost. The play lasted from two to five in the afternoon, and it was so well attended that more than 100 persons had to be turned away.

As a added highlight of the trip, the students had the privilege of seeing Monsieur Rame Veilletl, French Consul at Chicago, and several of them obtained his autograph.

"S" Club Sponsored Movie Nets Nest Profit

The "S" Club members proved themselves capable in fields other than athletics last week when they sold 480 tickets in their movie project, "Clive of India." The ticket-selling campaign was a great success, declared Ron Murray, chairman of the drive. Murray and "Ted" Menzel sold 69 and 62 tickets, respectively, to carry off the honors. Other high pressure salesmen were Oscar Capes, who sold 90, and Mr. Schmeekle, with 28 sales.

Dick Schwahn, president of the "S" Club, wishes to thank those who supported the campaign in such an excellent manner.

Local Delegates Term Conclave "A Success"

The local delegates to the Sigma Zeta conclave, at Alton and Lebanon, Illinois, returned Sunday night. Bad driving weather did not in any way spoil the trip or the conclave. Mr. Rogers, who was re-elected Grand Recorder-Treasurer, termed the convention "the most successful conclave in Sigma Zeta history".

Highlights of the trip were: a visit to the Owen Glass Factory at Alton, Illinois; a trip to the Scott Aviation field in St. Louis; and a tour of the Shaw Botanical Gardens in St. Louis.

The nearness of the conclave to St. Louis enabled the two colleges who entertained to bring a wealth of material for the programs. Summing up, Mr. Rogers declared, "The two colleges were real hosts. We enjoyed the trip".
