Fifty-One Placements Reported At Present

Many Alumni Advanced To Better Positions For Next Term

According to Mr. A. J. Herrick, Superintendent of the Training School, and Mr. Neale, Director of the Rural Department, fifty-one of this year's graduates have already reported placements for next year. Late reports are expected to swell the total. The prospective teachers and the positions which they will receive are:

(Continued on page 3, col. 1)

Jayne, Mason Get Leaves-of- Absence

Two members of the faculty of C. S. T. C. will be away during the school year, 1935-36. Mr. C. J. Jayne, of the Training School, and Miss Syble Mason, librarian, have been granted leaves of absence. Both will do graduate work at the U. W. Miss Mason will be at the University of Wisconsin Library School. Her graduate work will consist of a study of book selection, reference work, cataloging and classification of books, trade and subject bibliography, and library administration. Mr. Jayne, also, will do two months of field work in other libraries.

Mr. Jayne's work will be in the Department of Education at the University. He has been granted a research assistantship under Dr. Barr, and his research work involves a study of the teaching difficulties of beginning teachers, making use of sound and sight recording equipment. His thesis will be in the field of visual instruction.

Miss Mason will receive the librarian's certificate regularly granted by the Library School instead of a degree.

50, Silver, Bronze Keys Denote Years Of Service

On next Tuesday morning, Senior Class Day, when other awards are being presented, the members of this year's Pointer staff will receive the customary key awards.

The tokens given to those having three years of service, and also given to those who have filled the two major positions on the staff, are gold keys with the letter "S" set in a purple background. The persons who will receive these three keys are Frank Kile, future Editor-in-Chief, and Howard Kujath, Business Manager.

Two Silver Keys Given

Keys similar to the ones described, but made of silver, are given for two year's service. Miss Jean Lynn, reporter, and Miss Thyrza Iverson, present Women's Sports Editor, will receive silver keys.

(Continued on page 3, col. 2)

Proposed Radio Studio Site Recently Changed

The radio studio, about which we have heard so much this year, will become a reality for the coming school year, it was learned this week.

A room in the training school, formerly used as a garage, has been chosen as the site of the studio. The former plan of using the third floor art room was discarded because of difficulty of insulation, and because the training school location is close to Schmeckle Field—convenience for athletic contest broadcasts.

Installation plans and costs have been submitted, and construction will probably begin in the near future.

Placements Of Last Five Years Charted

Five large charts, maps of Wisconsin, have been made by Miss Millicent Wilson for her F.E.R.A. project. These maps are dots showing an interesting comparison of the sad five year's placements. These charts will soon be on display in the school library.

Builders — The Class of '35

The class of '35 has set a goal for future graduating classes to shoot at. Among its members it includes many illustrious names, names that are synonymous with achievements. Can any class of the past boast names of six captains of major sports in its ranks? We believe no class has had the privilege of parallel or surpass this record. "Greg," "Jug," "Dick," "Barbo," "Scribb," and "Guy" are a few of the many who enrolled in the fall of '31 when athletic triumphs were out-of-fashion, and have played prominent roles in bringing to Central State numerous victories.
W. A. A.

Meeting

At the last meeting of the W. A. A., a supper hike was held at the Waite Woods Park. The new W. A. A. officers and sport heads making up the executive board were elected and installed. Next year's official officers are: Pauline—President; Maxine Miner—Vice-President; Alicia Jones—Secretary; Ila Rodger—Treasurer; Ruth Swier—Treasurer.

The following heads of sports were elected: Hockey—Mildred Luedtke; Tennis—Edna Karlson; Basketball—Anita M. McVey; Minor sports—Verna Michaels; Total—Marian McKenzie.

Tennis

The 1935 spring tennis tournament with its twenty contestants is the largest we have seen in five years.

The results of the tournament are as follows: Edith Gottschalk won the Rapidan Division; Thyrza Iversen in the semi-finals to meet Magdalen Wolf in the finals. She was successful here too, winning from Magdalen and thus earning first place and three brand new tennis balls, given by the Sport Shop. In the other half of the bracket the losers played two matches. Lolita Week triumphed to win two tennis balls and third place.

Pointe Awarders

(Continued from page 1, col. 2)

keys.

The one year award, a key of bronze, has been awarded by the following persons: Robert Steiner, present assistant-editor; George Simonson, present sports-editor; Robert Hickok, reporter; William Thieson, society editor; Frank Gordon, business manager, and Elmer Rub, circulation manager.

For the season, the following Bonnie Rose award were given to the Pointer's winners for the season:

Bound copies of the Pointer's winners for the season are listed:

1. Verna Hahn, for her efforts in the field of news; Mildred Simonson, for her work in the field of society; Frank Gordon, for his work in the field of business; Elmer Rub, for his work in the field of circulation;

2. Maxine Miner, for her efforts in the field of sports; Verna Michaels, for her work in the field of Minor sports; Marian McKenzie, for her work in the field of Minor sports.

3. Edith Gottschalk, for her efforts in the field of Tennis; Thyrza Iversen, for her work in the field of Tennis; Magdalen Wolf, for her work in the field of Tennis.

4. Robert Hickok, for his efforts in the field of Sports; William Thieson, for his work in the field of Sports; Frank Gordon, for his work in the field of Sports.

5. George Simonson, for his efforts in the field of Minor Sports; Marian McKenzie, for her work in the field of Minor Sports; Elmer Rub, for his work in the field of Minor Sports.

6. Robert Steiner, for his efforts in the field of Business; Frank Gordon, for his work in the field of Business; Elmer Rub, for his work in the field of Business.

7. Verna Hahn, for her efforts in the field of News; Mildred Simonson, for her work in the field of News; Frank Gordon, for his work in the field of News.

8. Maxine Miner, for her efforts in the field of Society; Verna Michaels, for her work in the field of Society; Marian McKenzie, for her work in the field of Society.

9. Edith Gottschalk, for her efforts in the field of Tennis; Thyrza Iversen, for her work in the field of Tennis; Magdalen Wolf, for her work in the field of Tennis.

10. Robert Hickok, for his efforts in the field of Sports; William Thieson, for his work in the field of Sports; Frank Gordon, for his work in the field of Sports.

Phi Sigma Elect
At a recent meeting held of the Phi Sigma Epsilon fraternity, officers for the coming school year were elected. Al Schultz was elected President; Dr. D. Starhubb, Vice-President; Bill Bretteke, Treasurer; Cal Swaze, Guard; Corresponding Secretary, Cliff Martin; Art Heany, Greek Council Representative, Francis Bremmer.

The outgoing officers are President, Guy Kumm; Vice-President, Morris Skinner; Recording Secretary, Cal Schultz; Corresponding Secretary, Bill Bretteke; Treasurer, Francis Bremner; Greek Council Representative, Dick Gunderson; Guard, Bob Gunderson.

Mr. Schultz and Arba Shovey will represent the local chapter at a huge five-day National Convention of Phi Sigma Epsilon fraternity to be held in Kansas City, Missouri, in August. All expenses will be paid by the national organization. This promises to be the greatest conclave in the history of the fraternity.

Announce Marriage
Miss Fern Mangerson and Mr. LeRoy Hartz announced their marriage which took place 9:00 o'clock, Saturday, February 22, 1936 at St. Stephen's Church. Father Casey performed the ceremony.

The bride wore a brown suit with a red fox collar and carried a bouquet of red roses.

Both Mr. and Mrs. Hartz are well-known among the students of C.S.T.C. "Larry" is a member of Phi Sigma Epsilon fraternity and is now employed at Norhamton's. Fern is a student enrolled in the Home Economics Department. They plan to make their home in Stevens Point. The Pointer Staff extends congratulations.

Attend Funeral at Whitewater
President and Mrs. Frank S. Hyer and Miss Susan E Colman drove to Whitewater last week to attend the funeral of Miss Florence Shadduck, head of the Primary Department of Whitewater State Teachers' College. Miss Colman was a faculty member of the Primary Department of Whitewater State Teachers' College before accepting a position on the local faculty.

Tau Gamma Fraternity
One hundred and ten couples attended the Tau Gamma Beta annual spring formal. This was the last formal of the number sponsored by the Greek letter organizations.

Many alumnae were present at the dinner preceding the dance. Special guests were Mr. and Mrs.

Charles F. Watson, Dr. and Mrs. Leonard Wells, Mr. and Mrs. Francis N. Knop, Miss Margaret Tarrell, sorority president, presided. Mrs. Watson gave a delightful short talk. Covers were laid for forty two couples. Bouquets of pink sweet peas and blue delphinium carried out the sorority colors in the table decoration.

The Tau Gamma Beta sorority again featured Charles Brinkley's popular orchestra from Appleton. The attractive and dainty programs were of White leather embossed with the sorority coat of arms in blue.

To Speak at Convention
Miss May Roach, member of the local faculty will be the chief speaker at the Lincoln County School Board Convention to be held tomorrow, June 7.

Miss Roach is a popular and versatile speaker. Her Irish wit has enlivened many gatherings upon many occasions and the messages she brings to her listeners always net her an invitation for a return visit.

Leave for Kirkville
Mrs. J. M. Davidson and family have left for Kirkville, Missouri. Mrs. Davidson has attended C. S. T. C. the last semester. She plans to attend Kirkville State Teachers College where she will get her degree at the end of the summer session.

Mass Van Arsdaile of the Training School faculty will occupy Mrs. Davidson's house on 1125 Clark Street during the summer months.

Larson Heads Glee Club
The Men's Glee Club have elected their officers for next year. Mr. Bill Larson was chosen President, others elected were Secretary-Treasurer, Howard Pagenkoff; and Librarian, Don Walter. The tour manager will be selected by Mr. Knutzen next fall.

The Glee Club who is closing an unusually successful season, will sing two selections at Bacca laureate services on June 9.

1936 Social Committee
Drafts Calendar
A week ago last Tuesday, organization heads met with the Social Committee to help draw up the social calendar for the 1936-37 term. Mr. Rogers, faculty committee chairman, announced new plans for the coming year. One of the innovations will be the selection of student representatives on the committee. Organizations are to be grouped into divisions and each division is to select a representative. The religious, professional, honorary, Greek, and athletic groups will each have one representative; the Girl's Council of Nelson Hall will have the sixth student representative.

Highlights of next term's social calendar are: Sophomore Hop (October 18), Senior Ball (December 13), Mardi Gras (Tuesday, March 3), Junior Prom (April 24), and Music Festival (May 1).

Two of the fraternity formals have been moved up to the first semester—in the past the Greek formals were all in the spring.
The Pointer

COLLEGE TEAMS IN GOOD YEAR

Sport Summary Shows

Points Cop Three State

Championships Past Term

Central State sprang to a new high in the sports limelight by coping two major championships during 1935-36. In addition to titles in football and basketball, the track squad made a fair showing and the boxing team has its annual encounter with Platteville, coming off second best. Tennis made its debut and Irv. Larsen was crowned singles champion of our conference while the doubles team of Neale and Woerhl were defeated by Milwaukee.

Football Championship

Coach Eddie Kotal's gridiron ruggers rang up an impressive record in winning their second consecutive football championship. The boys were undefeated in conference play, winning over Oshkosh, Milwaukee, Whitewater, and Platteville, all by very close scores. Then in non-conference tilt they defeated Warren Becker led his mates to victory over La Crosse, champions of the western half of our conference. St. Cloud, Minnesota, and Northland College of Ashland, Wisconsin, defeated Stevens Point its only reverse down at Bloomington by a score of 13-0. Ted Menzel was elected captain of the 1936 team at the conference meeting held late in the season. All-conference mention was given to Captain Becker, quarter back; Captain-elect, Ted Menzel, tackle; Chuck Sparhawk, guard; Bob Broome, center; and Ronald Murray, half-back.

Basket Ball Championship

Hardly had the moleskins been packed away when Kotal issued the call for eage practice. Coach arranged a very tough non-conference schedule against the all-star alumni teams, semi-pro clubs, and other colleges. Central State emerged victorious in all of its pre-season tilts against one of the favorites to capture the southern title. Kotal's team lived up to all advance dope, losing only one conference game, to Milwaukee, and went down at Bloomington by a score of 13-0. Ted Menzel was elected captain of the 1936 team at the conference meeting held late in the season. Title mention was given to Captain Becker, quarter back; Captain-elect, Ted Menzel, tackle; Chuck Sparhawk, guard; Bob Broome, center; and Ronald Murray, half-back.

The basketball card (some of the dates tentative) lists Eau Claire here in December and games with Duluth and Superior. St. Norbert's also play to be announced on a home and home basis. In February Concordia College will be encountered at Milwaukee. Local officials would like to secure a game with Notre Dame for the early part of March, if the Wisconsin Rapids Field House can be secured at that time.

The sports year of 1934-35 is over. A summary of the year appears elsewhere on this page. The sports ed desires this at home to thank Kotal for his very fine and complete cooperation with this department at all times. The sports-ed wishes to thank Don Unferth, Al Dumphy, Ray Nygard, and Art Nygard for the early part of March, if the Wisconsin Rapids Field House can be secured at that time.

Musical Organizations On Busy Schedule

Orchestra, Men's Chorus Take Active Part in Commencement

Most of the musical organizations on the campus will close their year's work by appearing at some time or other during commencement week. Preceding or following these appearances, each group will have its annual picnic. Professor Peter J. Michelsen, director of the College Symphony Orchestra, and Professor Norman E. Knutzen, head of the Men's Chorus, will lead their respective groups at the Baccalaureate Services, which will be held on Sunday afternoon, June 9, starting at 3:00.

Concert Next Monday

The next evening, on Monday, the College Band, also under the direction of Mr. Michelsen, will play a concert, beginning at 7:00. At 8:00, the Speech classes, under the guidance of Professor Leland Ashmun, will present Shakespeare's "As You Like It" on the campus in front of the college. The College Symphony Orchestra will play the incidental music for the production.

On Tuesday morning, during the Class Day exercises, various of the organizations will play and sing. In the evening, at 8:30, the College Dance Orchestra, led by Aaron Mannis, will play for an all school party.

The College Symphony Orchestra will again play and the Men's Chorus will sing at the Commencement Exercises on Wednesday morning.

Mention "The Pointer"

Margaret Ashmun Club Dissolved

For many years the Margaret Ashmun Society has been an active force in the school. It has sponsored the annual Short Story Contest, and in other ways has been influential and an inspiration to all interested in writing and literature. Miss Margaret Ashmun, in whose honor it was formed, is a well-known writer of novels and stories for young people.

More recently when the "Normal" became a Teachers College and began to grant degrees, it was able to establish Phi Beta Chapter of Sigma Tau Delta and thus affiliate with a national English fraternity. It has been found that the work, interests, and members of the two societies overlapped to such an extent that their purposes could be better served by one organization. For this reason, Margaret Ashmun Literary Society will be no more, but will be merged as far as possible with Sigma Tau Delta. The Club has served its purpose and served it well.

FOUNTAIN PENS
Herrick Comments On Training School Year

"Since 1920 there has never been a busier, more strenuous, or more pleasant year in the Train-

ing School that I can remember. During the last five years, in par-

ticular, as the enrollment has been increasing, the number of student teachers has increased, and the territory over which our place-

ments extend has been enlarged, as is shown by the comparatively large number of out-of-state place-

ments."

Training School Closes This Week Friday

Tomorrow, June 7, at two o'clock, the Training School will hold its annual commencement exercises. The program for the day, and for to-day, which is Class Day, may be found in full in last week's issue.

The graduating class this year consists of eight boys and four girls. They are Edward Hass, Jeanette Halverson, Anthony Klein, Waldo Nelson, Frances Oesterle, Janet Parks, James Scribner, Thelma Spencer, Ray-

mond Konopacke, Douglas Wright, Richard Worden, and Royce Hanna. Royce, the last mentioned, is president of this year's class.

College Student Enters 'Amateur Night' Finals

Francis White, accompanied by Don Halverson will enter the fi-

nals in the series of Amateur Night Contests at the Fox Theater which will be held next Tuesday evening. White earned the right to participate when he was one of the two winners in one of the weekly contests.

Many college students have en-

tered the competition but White, a cornetist, was the only C.

S. T. C. victor. The contests are being held all over the state, and next week's winner will go to the state contest at Milwaukee with all expenses paid.

Complete Iris Copy In Printer's Hands

The final copy has been sent to the printers, and the Iris should be out next week, barring mech-

anical break-downs. The staff has put special effort into making this book one of the best ever made, and they have every confi-

dence that it will come up to their expectations.

Robert Emery, editor of the annual requests that all those who expect to leave school before Commencement Day should leave their addresses in the Iris mail box or in the main office.
