Both are juniors who have made fine records in scholastic work and extracurricular activities; are on present staff.

George Simonsen, prominent junior from Wausau, Wis., was appointed next year's editor-in-chief of the college weekly, "The Pointer." Robert Steiner, present associate editor, was awarded the position of business manager of the same publication.

George had previous newspaper experience prior to his enrollment at S. T. C., having been on the staff of "The Skyrocket," weekly newspaper of the Wausau High School.

Despite the fact that he was the only son of the Margaret Ashmun Club (acting as chairman for the story contest sponsored recently by that organization), Sigma Tau Delta, national honorary English fraternity, and the Forum. Then, too, George had an enviable reputation as a student and scholar.

Operetta Enjoyed By Large Crowd

In a little over an hour last Friday evening, May 10, more gayety and beauty were offered to the public than have been packed into that short a time before. The occasion was the presentation of "Stolen Flower Queen," a leading role in last week's program of events is pictured above. Miss Roach led the squad of 32 local delegates to the rural conference at Madison last Saturday, while Mr. Smith attended a history conference at Madison last Saturday and a Rotary convention at Des Moines last Monday and Tuesday.

Five Instructors At Madison Convocation

Five instructors from C.S.T.C. were present at the Sixth Annual Conference on the Teaching of History and the Social Sciences, which was held at Madison last Saturday, May 11. These instructors were E. T. Smith, head of the history department, W. Jenkins, Mr. Reppen, Mr. Glover, and Miss Tillson.

What was perhaps the most interesting feature of the day occurred in the morning, when Mr. P. Breuer, from Whitefish Bay, announced the changes that he was going to make in their curriculum next year. These changes will eliminate all medieval and modern history in the secondary school. This plan was ably contested by Mr. Powell, of the state department. Another part of his plan was to integrate the various methods now in use into a more usable combination.

Annual Summer Session Begins Monday, June 17

It looks like a very busy time for our faculty members for they must all be present at commencement on June 12, and four days later they will all be on duty for the summer school session from June 17 to July 26, 1935. This will be the twelfth annual summer term. It is to be a very profitable one with instructive and pleasurable evening and assembly programs planned for those who attend.

Classes of May 31 Will Meet May 25

In order to allow the students to have an extra day recess, on May 31 President Hyer has decided to call classes on Saturday, May 25. The regular Friday classes which would have met on May 31 will therefore meet on May 25.

Play Day Termed A Success Due To Large Attendance And Fine Spirit

More than a hundred representatives from eight surrounding school boards were in attendance at the annual spring formal.

The formal, with Myra Jacobson as general chairman, will begin with a seven o'clock dinner for all actives and alumnus and their escorts. Guests for the evening will be Mr. and Mrs. C. H. Cashin, Palmer Talley, President and Mrs. F. S. Hyer, and Miss Edna Carlsen. Miss Jane Anderson, president of the Omega Mu Chi will preside as toastmaster for the dinner.

At Sky and his Musical Stars, featuring the eucenitic director, Aubry Amaan, will entertain during the dinner and dance beginning at nine o'clock. The band is well-known in Wisconsin dance circles, and a musical treat is in store for those who attend.

Tickets may be purchased in advance from any member of Omega Mu Chi. It's the girls' treat (supposedly), but don't let this fact deter you from asking for a date, lad.

Prexy Hyer Is Guest At Band Tournament

About half of the band members attended the State High School Band Tournament at Wausau last Friday and Saturday. One hundred fifty-two concert organizations, including 76 bands and 25 glee clubs, competed.

President Hyer was a guest of honor at luncheon and had the gift of his kind to be held under the sponsorship of the Wisconsin School Music Association.

GEORGE SIMONSON AND ROBERT STEINER TO HEAD NEXT YEAR'S POINTER STAFF

All degree and diploma graduates will have an assembly at ten o'clock to-day. Graduation plans will be divulged.
Two more issues will fulfill our quota. One issue is scheduled for next Thursday (May 23) and the final edition will be distributed two weeks later (June 6).

Organizations are selecting their officers for the '35-'36 term. "Choose wisely," says the Tuesday, "date your own ends."

Speaking of leaders, we are reminded of the objectives of the Wisconsin Youth Assembly. We quote from the magazine, "Wisconsin Idea.

1. That a successful democracy demands an abundance of leaders. Indeed, the number of leaders determines the success of the democratic state.
2. That new leaders are always in demand, for change demands new leaders, and change is a prerequisite of progress.
3. That new leaders arise from the younger generation with new ideas, new concepts, and new associations.
4. That leaders are chosen from leaders, that is to say, leadership ability must be asserted before evidence of leadership appears.

Nelson Hall

Several of the dorm girls attended the band tournament at Wausau Saturday.

The spring weather is evidently having an effect on some of our girls. Do you think they will be able to keep their figures after eating two dinners, a Bar-B-Q and some popcorn in one evening?

Ione Rasmussen attended the high school prom at her home town. Jane Warrinbe and Ruth Lethenstrom attended the Clintonville Prom.

Van Johnson took a trip through several cities Sunday one of them being Adams. Van was going to look up one of her girl friends in the dorm whose home is in that city, but she was detained at the zoo and got no farther.

Helen Pihl says that being famous isn't what it's cracked up to be. Sunday night she was receiving phone calls every three minutes which became very tiresing after the first couple of hours.

The Nelson Hall girls enjoyed the Play Day visitors last Saturday who popped up the week-end with their cheers and songs.

What is the significance of a heart on the wall with the names "Jean" and "Muggs" in it?

Chi Delta Formal Coming
Al Seegers and his orchestra, that "danceable dance band," will officiate at the Chi Delta Rho formal which is slated for Saturday, May 25th. This is the last fraternity formal, so fellows get busy.

Notice on the front page of this issue the details about the Omega Mu Chi formal to be held tomorrow evening at Waves.

Glee Club Picnic
Yesterday afternoon the Men's Glee Club journeyed to Susse Lake for a picnic. This was the final wind-up of the Glee Club's social activities. The singers enjoyed the outing and refreshments served.

Phi Sig Formal
One hundred couples attended the first Greek formal of the season. Jack Horner and his orchestra from Minneapolis proved to be an unusually fine orchestra instead of the usual grade. President Frank Hyer, Mr. F. M. J. Schneeklott, and Mr. Burton Hotvedt, an alumnus of the fraternity.

Great Singer Mourns Death of Local Lad
Madame Schumann-Heink, great-grandmother of Hans Hirzy, son of Mr. Ferdinand Hirzy of this city, received news of the little boy's death just as she was to broadcast on Mother's Day.

Just fourteen months old, little Hans died of an streptococcic infection resulting from an attack of measles. Madame Schumann-Heink, who said in an interview, "What do I care for anything in this life, but that I have been a mother," dedicated the lovely song, "Going Home" to the boy.

Mr. Ferdinand Hirzy is an alumnus of C. S. T. C.

Miss Dumbleton Honored
In appreciation of her work of coaching the senior girls' basketball team of the High School, Miss Evelyn Dumbleton was presented a silver trophy by the girls of the team.

The trophy which was a basketball on a standard was accompanied by a card with the message, "To appreciation of your efforts, from the class champions of 1934-1935." Evelyn is a sophomore of C. S. T. C.

Bloe Met Tuesday
Bob Emery was host to the Bloe Honorary Tuesday evening. This meeting was unusually interesting in that it had obtained the services of Carl Wettemeier. Mr. Wettemeier, who has traveled in Europe the summers of '30, '32 and '33, spoke about his travels, illustrating his talk with pictures taken of scenes in Europe. Herbert B. Bauers, Wilson W. Wied, William Larson and William Brettewell were guests of the last two years at C. S. T. C.

Sigma Zeta Outing
A special meeting of the Sigma Zeta National Science Fraternity met Wednesday at four o'clock. Plans were made for a journey to Wild Rose Fish Hatchery on May 31. After viewing these, the members will go to Waupaca where a banquet will be held in the Empire Room of Ye Olde Inn. Election of officers will also take place.

CORRECTIONS
In last week's issue, Ward Foran's name was unintentionally omitted from the account of the quartet which went to New York.

The right column heading should read "parent Training School Operetta." Instead of "Junior High Be-letta."

The six lower grades, sponsored this program.

Baseball - Ball Game

If the modern day ball fan, who strolls out for an afternoon of recreation at a neighboring ball park were to be whisked back through the years and the successive changes undergone by the national game, he might have some difficulty in recognizing it, especially those of the earlier era.

Back in those halcyon days (1869) the game was on in Whitewater. Wisconsin was admitted to the union and ball players were attired in a uniform color - green - of one to three shades of green. A basket ball uniform, a football suit, and a Lord Franklin outfit, consisting of blue woolen pants, while material shirts and straw hats. The catcher stood some feet behind the plate to receive the ball on the bounce. The pitcher threw the ball, somewhat resembling a knitted ball, to the batter from the play-ground ball distance. "Pluggins" was a part of the game, and souvenirs and drinks were served the players during the game. The umpire appeared in a high topped silk hat, with a curbstone (Prince Albert) and flaxing whiskers. No one thought of disputing his decisions, which were rendered from a spot halfway between home plate and first base.

Ah, for those good old days.

The Point gang got off to a bad start early in the day, and were hardly out of what the fire troupl indicated that ball was ahead. The tracksters arrived an hour behind schedule time and the second event, the pole vault, was underway. Harold "Stubb" Brown danged his track in this try to take in Point's first blood when he vaulted to an even, twelve feet to capture a first place point winners for Kotal's squad.

Christensen (third in the half mile), Berard (second in the 220 yard dash - and the next week of the intercollegiate meet), 440 yards 1:48, B. Yecke.

Milwaukee's well-balanced squad was ahead. The tracksters arrived start early in the day, which were recorded from various governing bodies for track and field events. One reads one week of the Olympic record in the 100 yard dash and the next week of the intercollegiate dash - and the next week of the NCAA and the National Collegiate AA 100 yard dash records, the latter somewhat of a jumble. Topping all these are the official world's records, broken (as far as I could find) of the Olympic records.

Just for variety's sake let's list a few of these.

Until a comparatively recent date, the Olympic events included a ten mile walk, standing high jump, standing broad jump, standing hop, step and jump, and 10,15, weight events.

A THRILL FOR MUSSOLINI!

In a recent Giants-Phillies game the following play occurred: Pesando pitched to Fosna, who hit a fly ball, which was thrown to Gamill for a putout called by Uptide Finelli.

Turner a Carroll Threat

Frank Turner (Carroll) rated heavily to figure in the hurdles and dashes, was the Pioneer's high point man with firsts in the high hurdles, broad jump, and seconds in the 100 yard dash and the low hurdles.

The Whitewater meet resulted in uniformly better marks than those established by our sister colleges.

Milwaukee — Whitewater Seem To Be 'The Top'

Carroll, Oshkosh, Milwaukee and Stevens Point provide the track and field bill-of-fare in a quartet regular. The latter team at the Cream City on Saturday afternoon looks to be a cinch to cop the meet, judging from last week's Whitehall meet.

Members Who Enjoy Conferences And Banquet At Capital City

Thirty-two people from the Rural Life Club of C. S. T. C. attended the meeting of the Collegiate Rural Life Conference in Madison last Saturday. This was the Wisconsin section of the National Country Life Conference, which Robert Neale attended in Washington, D. C. last fall.

President Glenn Frank was the principal speaker on the morning program which was held in Agricultural Hall. Miss Abby Marlett of the University Home Economics Department addressed the group at the luncheon meeting and Alfred G. Arvold, founder of the Little Theater movement, from the State College at Fargo, N. Dak., entertained the assembly at the evening meeting.

Locals Lead Discussion

During the afternoon the students held small conference meetings, at which selected students as leaders and others were prepared to carry on discussion. Robert Neale acted as leader for one group. Others who opened discussions in various groups were Frances Wising, Raymond Grossnick, Edward Wojt and Bernard Cunningham.

The meeting closed with a Recreation Hour, in charge of Mrs. M. B. Henry in the gymnasm of the Congregational Church. Everyone reports an instructive and entertaining program.

E. T. Smith Attends Rotary Convention

Professors E. T. Smith and C. F. Watson were delegates to the Northern Wisconsin — Upper Michigan District annual Rotary convention. They left Sunday afternoon for Escanaba, where the convention was in session Monday and Tuesday. Mr. Smith is president of the local Rotary Club.

About 400 delegates from the various clubs in the territory were present. The Rotarians were entertained at a number of luncheons and a convention banquet, and ball, in addition to the business sessions.

Doris Johnson Elected Sigma Tau President

At a meeting of Sigma Tau Delta, held a week ago Tuesday at the home of Prof. G. C. Allee, Miss Doris Johnson of Denmark, Wisconsin, was elected president for next year. Gladys Boursier of Stevens Point was elected vice president and Nina Bell Dumen of Wisconsin Rapids was elected secretary-treasurer.

Retiring officers are Bonita Newby, president; Jack Ogg, vice president; Jean Lynn, secretary, and Margaret Terriah, treasurer.

A short program was held following the business meeting. Miss Florence Knope reviewed "A Collected Book of Verse" by Robert Hillyer. Alex Perotin reviewed "Lamb in His Bosom", a current novel.

Delightful refreshments were served by Mrs. G. C. Allee immediately following the meeting.
