College Quartet Sings At Land O'Lakes

On last Saturday morning, May 4, a quartet from the Men’s Choir of this college left for Land O’Lakes, Wisconsin, where they sang in the evening. Mr. Knutzen, director of the Men’s Glee Club, Robert Emery, Bill Theisen, and Miss Honorale White, a graduate of Lawrence, accompanied, made up the personnel of the quartet. From the reports that have come in, “a wonderful time was had by all,” especially as the men had the privilege of staying in a delightful cabin on Black Oak Lake Saturday night. The group returned late Sunday evening.

W. A. A. COMMITTEES ANNOUNCE PLANS FOR FIFTH ANNUAL GIRLS’ ATHLETIC RALLY

Goerke Field To Be Scene Of Varied Sports Events In Which Girls Of Surrounding High Schools Participate—’Play For Play’s Sake’ Becomes A Reality. Approximately 110 girls from about 10 of the surrounding high schools will participate in the Women’s Athletic Association’s fifth Annual Play Day Saturday. Although 18 schools were invited to attend, this is band season, so the mortality in attendance is high. Since Schneekle Field is being reseeded, the events will take place at Goerke field.

The program for the day will begin with 9 o’clock registration, and a general meeting in the new gym where everyone meets everyone else and the color teams are organized. From here the girls will march to the music of a miniature C. S. T. C. band to the field to begin playing the team games of volleyball, line-soccer, baseball, and volleyball. Following these, some novelty relays will be held.

Luncheon Served

The luncheon is to be served at Nelson Hall by the Presbyterian Guild women. Special guests of the day are President and Mrs. Hyer, Miss Marguerite Schwarz of Madison, and President Frank S. Hyer, who will extend their welcome and greetings to the guests. The speaker of the day is Miss Marguerite Schwarz, the National Secretary of the Athletic (Continued on page 3, col. 3)

Classes To Converse Saturday, May 25

The student body was shocked last week by President Hyer’s announcement that school will be held Saturday, May 25. A moment later a sigh of relief was heard when he stated that that day would take the place of Friday, May 21, thus adding a day to the Memorial Day recess, originally scheduled for Thursday, May 30 (only). The change is welcomed by the student body, since four days of vacation just before exam week are very convenient—or are they? At any rate, school will convene May 25.

Mother’s Day—May 12

Innumerable are the things she’s done for you Since your cradle days so long ago. Close your eyes and just remember now— Can’t you remember how she sang Despite the many cares and woes That you imposed upon her, So Remember her on Mother’s Day, and Send a “message”, just to let her know How you still feel toward her, Your mother. Junior High Operetta To-Morrow Evening In College Auditorium

One Hundred Seventy-Five Pupils Take Part In Play

To-morrow night at 7:30 the stage of the college auditorium will no longer be a stage, but will become the home of fairy folk, flowers, and other unusual persons and things. There will be more and prettier colors than have ever been collected under one sky before. The snowflakes will be glittering in blue and silver; the woods will be arrayed in brown. There will be daffodils, violets, and chrysanthemums in bloom (Continued on page 5, col. 1)

Two College Students Undergo Operations

Miss Mary Jane Ehelbing, a freshman from Richland, Wisconsin, and Miss Eleanor Lange, also a freshman, of Manawa, underwent operations for appendicitis last week at St. Michael’s Hospital. Both are progressing nicely, and their many friends wish them a speedy recovery.

College Students Plan To Attend The S.B.T.

Many of our college students will be going to Wausau this week-end for the state band tournament. In addition to the numerous orchestras and glee clubs, from sixty to a hundred high school bands are expected to participate. It has been estimated that this event brings from 10,000 to 15,000 people to the city.

The parade is scheduled to start at 2:00 in the afternoon.

College Ball Talent Plentiful

Another County League Club, the West Side, has Don Smith as an infielder, Doc Miller as right fielder, Bill Pulep, and Bob Broome as the ace pitchers on this club. Bob Smith is out with an arm and is an excellent lead-off man besides being a fine fielder, scoring a runner ahead of him, for Junction City. Brother Brone officiated.

Central State has many fine baseball players among its students. Bob Broome is one of these. He plays center field for Edgewood and is a key man, having won many games for the college. Joe Monahan is another who takes part in the national pastime during the summer months.

In the Stevens Point Merchants Wisconsin Rapids Badgers' game of last Sunday -- Don Unferth and Bill Skibba hit a double-bas hit, and drove in one run. Earl Eckerson also batted well, while Wilbur Watersmeet and Brother Frank lost, after a fine effort. Brother Bruno, on the other hand, lost a base hit, accounting for three hits.

Boxing Results

The boxing detail returned from last week's meeting and their record was fine. They won three out of seven bouts. The only credit must go to Dean Gordon, Chuck Berwanger and Bruno Slotwinski -- winners. The others lost, but from their point of view it was immutable.

The student body must instince the courage of the pioneers in a movement to broaden the base of our sports structure. It consists to the credit of the school that no academic work be represented in this field, and a start must be made with those who are the first participants in these events. The results of these proceedings will serve to show changes will have to be made to avoid first mistakes. The way of those who come after will merely be less audacious because of the work of these first ringmen.

The movement to build a lasting catalog under way, with the announcement of a definite future policy in this field. University's Work Approaches

Another Re-Fiiper lost. "The future benefits of his work in this field, both for the student and for the younger boxers who owe much to him -- will outweigh any temporary personal set back -- and his capture will be less severe whenever Central State and boxing are considered as a team. The Platteville squad was a clean, fast, well-trained outfit, with the excellence of a number of regulars from Haskell, Milwaukee, and others to profit by. We bow to them now -- but someday there'll be somebody in another time and place.

Bruno Slotwinski won under trying conditions, "there'll be a way to teach a boy to play the game."

When Experience Counts

Dean Gordon and Chuck Berwanger fought the most spirited fight, winning with some points. Brother Frank lost, after a fine effort. Brother Bruno, on the other hand, lost a base hit, accounting for three hits.

WAA 17th Anniversary

The W.A.A. can put seventeen candles on its birthday cake for the girls' athletic association of the Stevens Point Normal School was organized November 26, 1918. At that time all girls who had taken an active part in athletics the preceding year were admitted as charter members, and from then on membership was restricted to those having 100 points which were won by making class department teams and by winning field and track events—in other words, "to the victor belongs the spoils" and to those girls who were interested but not winners there was little chance for membership.

Basketball Stressed

In 1922, clubs—hiking, skating, and skiing—were organized within the association and in these clubs the girls won points for admittance.

During the years, 1918 to 1927, basketball received the major emphasis with annual tournaments being held between the departmental teams. The coaching was in the hands of men from the men's class in coaching.

From 1925 until the present day the association in its purpose has changed from the sponsoring of team to individual sports, those which will more likely carry over into later life. The point system was radically changed in that it awarded points to a season of practice in one of four major sports, basketball, volleyball, baseball, and captain ball rather than necessitating "making a team."

New Constitution

From the year 1927, under Miss Eva Sein as director, the organization of the sports seasons has been put into the complete charge of the sport heads. By the spring of 1928 a new constitution replaced the old. The purpose of the W.A.A. as stated in it is: "to organize and control extra curricular activities and to promote permanent interest among women's recreational activities." This is carried out by the association through the sport heads who with the officers make up the executive board. The sport seasons are diversified and carry throughout the year beginning in the fall with tennis, archery, and hockey, and leading into basketball, volleyball, tapdancing, tumbling, and minor sports such as skiing, skating, and hiking, and finally closing with spring baseball, archery, and tennis. The membership is now open to all women in the school with the requirement of a scholastic standing of 81 and evidence of an active interest in sports.
