PROBABLY OCT. 26th
HOMECOMING DATE
WITH WESLEYAN

Series III Vol. 10 No. 5 Stevens Point, Wis., October 10, 1935 Price 7 Cents

NO MORE '35 CONFERENCE GAMES

Arrangements are being completed for the Illinois Wesleyan homecoming of this year. Thus far the game of October 26, to be the date is only tentative. In the event that the lads from Bloomington do fill the Pointers' homecoming date fans are assured of seeing a real football game. Illinois Wesleyan was barely nosed out by South Dakota last week.

DEBATE QUESTION

Resolved: That Congress should be permitted, by a two-thirds majority vote, to over-ride any five-four decision of the Supreme Court declaring a law unconstitutional.

A copy of the debate question for the '36 season has just reached the hands of Professor Leland M. Burroughs, debate coach.

CLASSIFIED IN NIGHT SCHOOL

With night school in its fourth year, totals have rolled up higher and higher. This year's figure is two hundred and seventeen, a figure way beyond any previous enrollment. Since last Tuesday night, the deadline for enrollment, many applications have been received which, of course, had to be turned down. With such interest exhibited in night school work, it should grow to an important and essential part of the teaching program of Central State Teachers College.

This year's schedule of courses is as follows:

At five o'clock — Ancient History by Glover, Sociology by Smith, and Freshman Composition by Meston.

At six thirty o'clock — American History by Steiner, College Grammar by President Hyer, Economics by Reppen, Regional Geography by Hanson, and Education by Colman.

At eight o'clock — Freshman Composition II by Hanna, Children's Literature by Roach, Economics by Reppen, and English Literature by Knutzen.

BAND GETS NEW UNIFORMS

Six new band uniforms have been ordered to take care of the additional members that the band has this year. A new drum major's regalia is also on the way. In addition, all uniforms that were on hand that did not fit their wearers are being altered by a local tailor.

BASKETBALL NOT AFFECTED BY RULE

League Officials Claim Point Broke Pre-Season Training Rule

Conference relations with Stevens Point Teachers College have been definitely severed for the remainder of the grid season. The conference officials met at Madison Friday morning before the Point-Platteville game. It was decided to eliminate the Pointers due to an alleged violation of the pre-season training rule. The decision is in effect only during this year's football season and has no effect on the basketball schedule.

MISS RUTH KNAACK
AN OCTOBER BRIDE

On Saturday, October 12, at 4:00 o'clock in the afternoon at the home of Mr. and Mrs. G. J. Knaack of Princeton, will occur the wedding of their daughter, Ruth Caroline to Philip Lehner Jr., lawyer in that city.

Miss Knaack resigned her position on October first as Registrar of the State Teacher's College at Stevens Point. Philip Lehner Jr. is a graduate of the University of Wisconsin in the class of 1930, and since then has been practicing law with the law firm of Lehner & Lehner at Princeton. For the past two years he has been city attorney.

Knaack's resignation created an unexpected vacancy. We shall miss her at the registrar's desk and extend best wishes for her future success and happiness.

LELAND M. BURROUGHS
A call has been sounded by C. D. Donaldson, coach of debate at Eau Claire State Teachers College, River Falls, Stevens Point, and La Crosse, for a meeting to be held at Eau Claire today.

Recent close decisions on the N. R. A., the gold clause, and other so-called "New Deal" legislation have brought the Supreme Court to a commanding place in the public eye. Other cases are pending.

BAND GETS NEW UNIFORMS

Six new band uniforms have been ordered to take care of the additional members that the band has this year. A new drum major's regalia is also on the way. In addition, all uniforms that were on hand that did not fit their wearers are being altered by a local tailor.

Superintendents Hear Band

Mr. John Callahan and Mr. Richmond, while visiting C. S. T. C last Thursday, dropped in at the band rehearsal. They commented on the excellence of the organization.

1935-36 STUDENT DIRECTORY OUT

The new 1935-36 student directory, edited by Arba Shorey, is now on sale at Scheel's College Counter for 10c per copy, while they last. The book contains the names and present addresses of practically every student in the school, including the faculty members, and the home city of the college students. It also includes a classified business directory.

TEACHERS MEET AT WAUSAU

The Central Wisconsin Teachers' Association held its twenty-third annual meeting at Wausau last week-end. Governor La Follette was unable to be present, due to illness. More than one thousand teachers attended the conference.

Speakers Friday were Reo O. Reynolds, professor of education at Columbia University, New York, and President Frank L. Everson of Huron college, Huron, S. D. Following the activities at the Central School Dr. Charles A. Prosser, director of Dunwoodie Industrial Institute, Minneapolis, spoke to the schoolmasters and luncheon at the Hotel Wausau.

Administrators, supervisors, directors of departments, and interested teachers were present at the luncheon.

Dr. Reynolds in his address told the teachers "What a Modern School Should Do for a Modern Child". "Education is getting out of the boys and girls what God Almighty put into them. Education is teaching boys and girls to do better things they are likely to do anyway," he said in quoting two familiar definitions of teaching.

"A good school," he said, "should develop boys and girls to the utmost of their mental powers. It should develop the power to know things that are worth knowing. The teacher has the responsibility of assigning subjects that he thinks we teach boys and girls! We try to do this scientifically!"

Teach the Truth

The modern school, the educator declared, should teach the boys and girls of today the truth. "Of the greatest sins of education in the past is that we have lied to our boys and girls," he said. In most history books he pointed out, one paragraph is devoted to Cyrus McCormick, inventor of the reaper, and pages upon pages are given to generals.

NEX'T IN POINTER-IRIS SERIES IS JOERNS BROTHERS FURNITURE CO.

Important Point Manufacturers

Interested Visitor To Factory Finds Both Romance And History In Study Of Furniture

Last week we discussed Stevens Point's paper industry. This time we shall wander another branch of manufacturing establishment that plays a key part in the industrial life of this community. The making of furniture at Joerens Brothers Furniture Co. on the southwestern side of the city, like the paper industry, is almost in ancient and modern history. There was efficient veneering of furniture in ancient Egypt and imperial Rome, in 17th and 18th century Paris and London; but only for the palaces and great houses. Today, the lowestest woods, making the finest furnishings, are in the reach of the average person. This is the story of the company, which was founded in 1886 at St. Paul, Minnesota. In 1902 the main library as moved to Sheboygan and a branch was established at Stevens Point. When the Sheboygan plant burned in 1917, Joerens Brothers added the Coye furniture company to its local holdings and operated both plants until 1931, when one of the factories was dismantled; since that time they have been operating just the one, which today employs 175 men. The company has sales offices in New York, Chicago, and Los Angeles.

As we went through the plant, escorted by one of the original organizers, Mr. C. Joerens, now president, we saw the tree and processes explained to us as we went, and saw the finished product, which, with one surprise after another. One can believe that such high class furniture in such large quantities is being made in such unostentatious factory buildings.

In conclusion he said: "Teaching is the greatest possible use one can make of this life. The ideal teacher is the one who has a personality worth sharing."

Practical Education

Practical subject matter for second-assembly school, said Dr. A. Prosser, director of the Dunwoodie Industrial Institute at Minneapolis, at the schoolmasters' club luncheon at the Hotel Wausau. He emphasized the need of subjects and methods of teaching which will appeal to the adolescent boy or girl instead of trying to present abstract and theoretical ideas to the group and making it impossible for these adolescent boys and girls to understand the subject matter.

He told of teaching such youths concrete, constructive and abstract thinking of the type which these youths must do outside the school doors. He scored the practice in eight schools including only in the school curriculum those subjects handed down from antiquity and said that universities should make no requirements of second-assembly schools excepting that of producing graduates who will be able to think efficiently. He pointed out the Dr. C. Thorndyke, professor of psychology at Columbia University, has reminded educators that there is no longer a body of accepted natural facts and that the great need today is to teach the student to gather the facts for reasoning out a problem from the beginning. What does he think is the proper subject for this. Dr. Thorndyke also pointed out that any subject matter is just as efficient as any other to train the mind and that it is only thinking ability we teach these subjects which have the greatest possibility in life and which will afford the most efficient mental training.

Dr. Prosser stressed qualitative rather than quantitative education, and rationalizing rather than reading out of..."
Rural Life Meets "Life Rural" held its regular meeting on Monday night. The rural assembly room was crowded to enjoy a splendid program which had been prepared by the members. The meeting was called to order by the president, Roy Ehler. He introduced Kirkwood Likes, who led the club singing, while Edward Plank played the accompaniment.

The program included vocal duets by Carolyn Zeichert and Phyllis Davidson, who sang "Moonlight Down In Lovers' Lane" and "All I Do Is Dream of You"; a declamation, "The New Teacher" by Jone Reussuen; and vocal solos by Kirkwood Likes, who sang "Brown Bird Singing" and "Homing".

The main address of the evening was given by Miss Hanna, who gave a most interesting review of her trip to the Bad Lands and Black Hills during the past summer. She painted her pictures so vividly that we felt as though we were actually seeing them.

Young Peoples' Society Invites "Getting Acquainted with Young Folks in China" will be the topic discussed by Miss Margaret Franke, who has recently returned from that country, at the next meeting of the Young People's "Get Acquainted" Society of the Presbyterian church.

The meeting was called to order by the president, Barbara Joy. Everyone reported that they had a "swell" time at the dance on Saturday, sponsored by Tau Gamma Delta. The cast of castilians were in top shape; a very good crowd was present, and altogether it was an enjoyable evening.

Omega Mu Chi Sorority Pledges Omega Mu Chi sorority pledged four girls at their candle light service last Thursday, Octo ber 3, at the home of Ruth Schwan, the sorority president. The prospective members are Beulah Turinski, Tomahawk; Jean Redeman, Fremont; Gene Copes, Wausau; Johnny Maier, Medford, and Ralph Anderson and Ed Duggan, of Stevens Point.

Tau Gam Dance A Success Everyone reported that they had a "swell" time at the dance last Saturday, sponsored by Tau Gamma Beta sorority. The Castilians were in top shape; a very good crowd was present, and altogether it was an enjoyable evening.

"TUNE IN" CHOSEN; ROBIN HOOD DROPPED At the last minute, it was decided that the school would be unable to present the opera "Robin Hood" this year. The cost of production would be too great. Instead, a late hit of Don Wilson's, "Tune In!", has been chosen. The songs, script, and orchestral pieces have already been telegraphed for, so production should begin very soon.

"Tune In" has for its story the experiences of a young man who partly owns his own radio station. Joe Brown (that's his name) needs a paying advertiser. His troubles with Kroggins, the kippered codfish manufacturer, and with Kroggins' wife, the awfully voiced soprano he (Kroggins) is trying to put on the air, will keep anyone in a condition of hilarity. And then Joe loves Jean, the daughter of Mrs. Kroggins. And Joe embarasses Jean by turning down her mother... But wait and see it.

The cast calls for about eight men and eight women as principals, in addition to a chorus of Radio Stars, Engineers, Continuity Writers, Announcers, Production Men, Gypsies, Studio Guests, etc. Altogether, it looks as though the men and women of the musical organization are in for some rousing good fun putting on this operetta.

POINTER LOSES DECISION

Doudna Makes Statement

E. G. Doudna, secretary of the board of normal school regents, stated Monday, "It was voted that Points College, with their coach, must two pre-season games now on the squad of the Stevens conference relations with Stevens Point be discontinued from Monday, October 7, to the end of the football season."

May Schedule Other Games

Naturally the conference ruling was a severe blow to the entire student body at Stevens Point. Coach Kotal immediately informed Illinois Wesleyan of the ruling so as to ascertain whether or not it will have any effect on our scheduled game with them. The Illinois Wesleyan game, October 26, is the only game remaining on the Pointer schedule at the present time. Our athletic committee is attempting to arrange for games with several strong colleges in the Midwest. The difficulty of obtaining grid tilts at this late date is readily realized by all pigskin fans but it is hoped that two or three games can still be arranged.

Squad Takes Ruling Hard

Central State feels that the conference ruling has been unjust and it has many sympathizers in this respect. The decision (whether fair or not) certainly had its effect on the gang in their recent tilt with Platteville. Oscar Copes spoke the minds of everyone during the game when he said, "The old spirit just isn't there anymore."

POINTER LOSE TO PLATTEVILLE, 7-0

Poor Point Punt Permits Fred Simpson To Score For Miners

The pointers opened and closed their abbreviated conference season by dropping a hard fought game to Platteville, 7 to 0. This was Point's third conference setback since 1932 when Milwaukee won the trick.

Point Falls To Score

The lone score of the affair came midway in the first quarter when Fred Simpson, giant Platteville fullback cracked over center from the one foot line for the touchdown. Vavaruska place-kicked goal for the extra point. The Pointers confined themselves to but one lone scoring threat reaching the Miners' 20-yard line just before the half of the initial period. Leithl's men braced at this point and a fourth down pass fell untouched in the end zone. Only a determined goal line stand by the Pointers averted another Platteville tally late in the final quarter.

Simpson Goes Over

Platteville won the toss and kicked off, Sparhawk returning a low boat to the Point's 35 yard line. The Kotalmen picked up a first down but were finally forced to punt. Shorty afterward a long Platteville kick bounced out of bounds on Central State's 3 yard line. Unfirth's punt from the end zone was nearly blocked and went out of bounds almost immediately deep in Pointer territory. Platteville advanced to the one foot line from where Simpson was tackled. Vavaruska's place-kick made the score 7 to 0.

Red Chartier Injured

In the second and third periods Platteville had the edge on Stevens Point in the matter of ground gaining due to its superior blocking. Red Chartier and Charle Houck led the Pointers on a sustained drive to the Miners' 20-yard line in the fourth quarter, but finally lost the pigskin on downs. At this point Chartier's arm injury necessitated his removal from the game and impaired the Point's offensive play.

Two Point Scores Nullified

Broome, Point center intercepted one of Vavaruska's southpaw tosses and raced sixty yards to the goal in the fourth quarter, but the play was called back to the point of interception by officials because Bob's knee touched the ground as he began his jaunt to the goal. Five minutes before the final gun Fred Nimz scooped up a Platteville fumble and sprinted eighty yards down the field. Again the play was recalled and it was ruled that Freddy picked the ball off the ground and not out of the air.

Platteville, with its veteran backfield and sturdy line, will be

MOVIE FANS AWAIT
ANNA KARENINA

Local movie fans are eagerly awaiting the advent of the picture "Anna Karenina," will appear at the local Fox theatre on Mon., Tues., Wed., Oct. 21, 22 and 23rd. All members of the Chi Delta fraternity and their pledges will sell tickets for this premiere showing. "Anna Karenina," by Tolstoi, chosen as one of the fifteen outstanding novels of all time by Prof. Wm. Lyon Phelps last year, has an outstanding cast with actors of proven merit collaborating in a really superlative performance. The picture is four-starred by Liberty and its cast have the following distinguished qualifications:

Frederic March — a Wisconsin boy in the leading male role—starred as "Robert Browning" in "The Barretts of Wimpole Street," the motion picture Academy of Fine Arts and Sciences' choice as the outstanding production of last year.

Greta Garbo ("I want to be alone") will appear in the leading female role of "Anna Karenina." Miss Garbo has a long list of distinguished performances, such as "Granny," the dancer, in "Grand Hotel," outstanding picture of its year of production.

May Robson, grand old lady of "Lady for a Day." (Apple Annie), filmdom's outstanding picture of year, before last, has a great role in this picture.

Freddie Bartholomew, the David Copperfield in the picture of the same name, offers another fine characterization, similar to his last role.

Paul Kavanagh, Europe's gift to the American screen, who appeared in Mae West's 'Gain To Loan' as her leading man, will also be in the supporting cast.

Tickets can be purchased from Ron Murray, Frank Menzel, Frost Basler, Robert Steiner, Ted Menzel, Vic Kilmer, Web Berard, Al Urbans, Bill Theisen, Bill Larson, Len Scheel or any other member of the Chi Delta Rho fraternity or

OPEN EVENINGS

Radio Amateurs
IN 1ST BAPTISM

Crooners, Hog Callers, Impersonators, Announcers, etc. Guitther
Air-waves

Next Monday at 3:30 the "College Radio Hour" will continue its series of programs from the college and "I" last Monday final tests were made from this location and the results were quite satisfactory.

In the "Amateur Contest"

Those who appeared on the first program, were — Otis Pennington, Thoburn Peterson, Ruth Behnke, Roberta Peterson and Beatrice Leahr.

The honors for this first program were taken by Miss Beatrice Leahr, who received first place in the contest.

Last week's honors in the "Amateur Contest" were taken by Philip Dombleton, who sang a lovely tenor solo accompanied by Professor Kuntz. Philip is a freshman at C. S. T. C., and a member of the Mens (Glee Club. Carrol Swenson was given honorable mention. Others that competed were, William Taegen, William Clements, Beatrice Schult.

The managers extend a cordial welcome to all of the student body and their friends, to witness the next program which will originate in the college auditorium. It's going to be a real party, so be sure and be there and don't miss the fun — remember the date, Monday, at 3:30, and in the college auditorium.

its pledges, listed in this issue, or you can get them at the College Counter.

JOAN CRAWFORD'S NEWEST
BACKED BY TAU GAMMS

On Monday, Tuesday, and Wednesday, October 13, and 15, the glamorous Joan Crawford's latest picture, entitled "I Live My Life," will be shown at the Fox Theater. Crawford is too well known and loved by "ye movie fans" of C. S. T. C. to need further comment, and needless to say, her picture will be, as each previous one has been, a smash hit.

"I Live My Life" will be sponsored by the Tau Gamma Beta Sorority, and you can buy your tickets from any sorority member. (We suggest pledge Mag Koss, up at Taylor's — she's always in one place and might give you a free cake.)

Don't miss Joan — she's going to be good.

New Sport Head

The vacancy in the office of Sport Head of basketball was filled by Ruth Schwahn. She will take the place of Lolita Week, who is attending the University of Wisconsin.
