HOMECOMING WEEKEND FEATURE
PARENTS DAY TOMORROW

An Old Grad Looks Back

Each year schools, colleges and universities have what is called a "Homecoming". Its purpose is to welcome back former graduates of the school, who, for mostly sentimental reasons, cherish kindly feelings toward the place which graduated them. They wish to contact these scenes again, it is supposed, because of the things which happened to them while they were here, and to greet some of their classmates who might still be students here.

In a certain sense it is impossible to re-create the exact dramatic personae in which we had our place...the background is there, but there is the impossibility of capturing again the elusive memories of the past in their entirety.

The sequence of events necessary to the climactic moments we remember are lacking.

The moment of seeing "home" again has its charms, but not untinged by a kind of haunting sadness, when one remembers the things that are gone...down the trail of years...carrying with them cherished associates.

And then there is the gay side...the return brings laughter, volatility, thrills, all somewhat blood-tingling...the game...and the evening to follow...and the happy memories that remain "like the familiar, haunting strains of an old refrain, heard again in strange places."-Old Grad.

President Greets Parents

On behalf of the Faculty and students of Central State Teachers College, I extend a most cordial welcome to all parents and friends who are our guests on this Parents' Day.

Fraternities—Sororities Share With Alumni Members

Homecoming, with its usual amount of stirring and lively merrymaking, will again hold sway over the entire campus this weekend when the Point gridders enter the strong Illinois Wesleyan aggregation in the annual Homecoming tilt. The game Saturday afternoon will, of course, be the feature of the festivities, while the social events connected with Homecoming will play im-

Where's That Old College Try?

If there's anything worse than a school without a team (legally), it's a school without a cheerleader for the team isn't, and it's worse yet not to have any cheers. We have a great team (Mr. Jenkin's recitation, that's what people thought), we have the cheer leaders, and we have the cheers; so we aren't so bad off after all.

What we need is a little "get-together."

Burroughs Announces Debate Schedule

"Resolved that Congress, by a two thirds vote, can overrule all 5-4 Supreme Court decisions."

That is the question which has been set for the "debate" season, and proves to be an interesting one.

Professor Burroughs, debate coach, announces that an interesting debate program has been arranged. The schedule, as it stands at present is as follows:

Law Crosse .... Nov. 23 or Dec. 7

(Date to be decided by) Tan Claire .................. Feb. 1 1919

(This is a big three day tournament)

The Inner-State Oratorical Contest this year will be held in Stevens Point. This contest includes the oratorical art of declamation, and oratory. It is to be held on March 21, and on that date C. S. T. C. will act as host to many colleges of the state.

Glee Club to Appear

Next Tuesday, the 29th of October, the Men's Glee Club of Central State will make its first appearance before the college. Considerable hard work has been put in and though it is early, the Glee Club shall put forth its best efforts.

Three songs shall be sung, which are: "Drink to Me Only with Thine Eyes," an old English air; "Requiem," by Homer; and "God So Loved the World," from Stainer's Crucifixion.

Practices are now being held regularly in Mr. Knutzen's room, which has been provided with a piano.

BAND GIVEN NEW ROOM

With the band securely enounced in its quarters, Mr. Michelson has stated that this arrangement should in every way be superior to the old. Mr. Michelson's office is now what was formerly, Mr. Jenkin's recitation room, and Mr. Jenkins has placed in the same the piano. All of the pianos were tuned during the summer's recess and are in excellent condition now.

Band To Enlarge "Pep-meeting"

The Band will play a short "Pep Program" tomorrow afternoon in advance of the Homecoming game and will also play a course in gold regalia, for the huge homecoming Parade. The Band will also be on hand at the game to keep the spectators entertained during the "time out" periods and between halves. In addition to these near activities the Concert Band will play a short concert group next Tuesday.

Student Council Nearig Quota

The plans for a student social council are gradually materializing in the form of a compact student representation.

As a recent meeting at Nelson Hall, Miss Jane Crooks, the Secretary, was chosen to represent the dormitories. Miss Reedal's election brings the total representation to three. Other members are Deane Gordon, representing the professional group, and Francis Bremmer, representing the Greeks and the Pointer.

Mr. Rogers will appoint the representative for the honorary societies and the other two members will be picked by popular election in the near future, representing the religious and athletic groups.

Be sure to watch the bulletin boards for the meeting of your group.

Sophomore Party Proves Huge Success

The sophomores class innovated their first annual "hop" last Friday night, October 18, and, in this writer's opinion, it was one of the nicest parties ever held at this school.

A delightful spirit of informality prevailed which seemed to throw the crowd into a gala mood, and this informal note was further carried out in the decorations. Varied leaves and the traditional cornstalks exemplified the autumn theme, which was further enhanced by the mysteries, and in some cases, disturbing appearance of squash and pumpkins later in the evening. The lights were swathed in orange paper, and by way of a special treat, they all were turned off, and a moonlight waltz was enjoyed with only the wandering beams of a baby spotlight for illumination.

Everybody seemed to have a very fine time with the serpentines; dancing was hampered for a while but the dancers did not seem to mind.

The Upjohners were loudly acclaimed as a "slick band", and we hope to have them again soon.

The Chaperones for the evening were Professor and Mrs. Rogers, Miss Sue Colman, and Miss Beatrice Richardson.

The sophomore committee in charge, are to be congratulated on the success of their dance. We hope they make it an annual affair.

Loyola This Evening

The second regular meeting of the Loyola club will be held this evening at 8:00. The program will consist of piano duets by Rosaline Dubinsky and Ruth Brock, and vocal solos by Miss Richardson, at a meeting of the Young People's Get Acquainted Circle of the Frame Memorial Presbyterian Church. The meeting will be called at 6:45 o'clock, next Sunday evening, in the church parlors.

Phi Sigma Entertain Tau Gamma

The members of the Phi Sigma Epsilon fraternity entertained the Tau Gamma Beta sorority at their semi-annual joint meeting, held last Tuesday night at the fraternity house.

F-kit To Speak At E. L. Meet

Mr. E. T. Smith of the C. S. T. E. faculty, will speak on the Ethiopian situation at the meeting of the Epworth League of St. Paul's M. E. church.

Everyone is welcome to attend this meeting, which will be held Sunday evening, October 27.

Phi Sigma Entertain Tau Gamma

The members of the Phi Sigma Epsilon fraternity entertained the Tau Gamma Beta sorority at their semi-annual joint meeting, held last Tuesday night at the fraternity house.

Much talent was unearthed among the poor pledges, and much fun was had at their expense. Both groups of pledges combined to give a short pantomime, but the speciality numbers were the most interesting; i.e. Ben Laskey's "Tim" with his hotcha vocal selections, and the most enlightening game of "patty-cake" via the feet played by Blanche Bader and Edgar Kreilkamp.

Rural Life Club Meets

"Rural Life" held its regular meeting in the auditorium on Monday night. The meeting was called to order by Vice President, Doris Johnson, Edward Plank led the club singing, while Delores Skarweski played the accompaniment.

The program included piano solos by Beatrice Lehr, and a reading, "Explaining Nursery Rhymes" by Iris Precourt. The main address of the evening was given by Mr. Knutzen, who gave us an interesting talk on how to use our leisure time, the time with which each one does what he wants to do. He gave us food for thought regarding our responsibilities and interests in life. By use of music, song, and story, he challenged our imagination to picture scenes of childhood and nature.

Y. W. C. A. Meeting Tonight

At a regular meeting of the Y. W. C. A. to be held at Nelson hall tonight at 7:30, Miss Richardson will entertain the girls with a talk on her trip to Mexico.

Miss Richardson has spoken many times on this subject, and has proven very entertaining.

Get Acquainted Club To Meet

"Getting acquainted with Mexico by Automobile" will be the subject presented by Miss Richardson, at a meeting of the Young People's Get Acquainted Circle of the Frame Memorial Presbyterian Church. The meeting will be called at 6:45 o'clock, next Sunday evening, in the church parlors.

Alumnae Visit Omegas

Three alumnae of the Omega Mu Chi sorority were present at the last regular meeting of the sorority, held Tuesday evening, at the home of Ruth Schwahn.

The old members were Gwen Tovin, Colborne, Port Edwards, Vivian Stevan, Wisconsin Rapids, and Alice Sorenson, Stevens Point.

Pledges of the sorority entertained the actives and alumnae with many novel and amusing tricks.

WESLEYAN HERE FOR HOMECOMING

ILLINOIS WESLEYAN ELEVEN CONFIDENT
OF DEFEATING CENTRAL STATE FOOTBALL
TEAM IN HOMECOMING TURSLE SATURDAY

POINT UNDERDOGS; WESLEYAN TOUCH
FOE TO MEET

Central State's football team is in store for a tough battle Saturday in its annual homecoming classic. Illinois Wesleyan, lone victors over the Pointers last year, will provide plenty of opposition. The Point is severely handicapped due to the breakup of their football schedule after being banished from the Teachers Conference. However, the boys have been working hard for the past week. The Bloomington team defeated Stevens Point last season 13 to 6. Naturally the Point will be out there fighting to avenge last year's defeat.

Murray And Andy Will Help

Milton Anderson and Ron Murray have joined the squad in preparation for Saturday's tilt. These boys were members of the Buckeyes for the past three seasons, two of which ended in championships. "Andy" is a fine blocker and pass receiver while Murray gained considerable fame in previous years by his broken-field running. Their presence will bolster the Pointers' running attack greatly. The team is almost free of injuries. Kotal's main problem has been to get the gang in shape after their long layoff. Bob Broome suffered a minor casualty in practice when a little finger received a bad sprain. However, Bob will be available for action when the opening whistle sounds.

Last Year's Sad Story

Illinois Wesleyan got the jump on the Pointers last year and therein lies the tale of their victory. A six-yard dash to the goal line on the first play from scrimmage placed the Pointers in the hole from the start. Late in the last quarter a Central State pass was intercepted and led to Wesleyan's second and final touchdown. Stevens Point piled up thirteen first downs to Wesleyan's three but they don't pay off on first downs.

Wesleyan Faces Stiff Opponents

Wesleyan's record this year is not so impressive but kindly note the stiff opposition they have met up with. Duquesne of Pittsburgh defeated Wesleyan 20 to 6, South Dakota U. followed up with a 7 to 6 victory over the lads from Bloomington. Wesleyan then defeated Carroll, 12 to 6; and last week James Millikin defeated our homecoming opponents 13 to 7. You can see that there are no breathers on Wesleyan's schedule. The probable lineups for Saturday will be:

Wesleyan

Hawkins L.E. P. Menzel
Oliver L.T. T. Menzel (C)
Gatesport L.O. Sparkacek
Hraul C. Weingartner
Pichler R.G. Pophal
Yureci R.T. Copes
McManick R.F. Berard
Chittum Q.B. Bucholtz
Crochane H.B. Johnston
Walliek Y.B. Chartier

ILLINI ELEVEN BOAST
FINE TEAM AGAIN
THIS YEAR

So far this year Wesleyan has played only three games ... one at home and two away from home ... The first game at Duquesne University, P.e.n.n. Sept. 30, left the Titans on the tail end of a 20 to 6 score. Without quite a few of the first string men injured ... the game was unimportant since it caught the Titans with only one week's preparation and left them with enough injured regulars to more than account for a heart-rendering 7-6 score in the city of Vermillion, S. Dakota at the hands of the South Dakota University eleven.

Wesleyan 12; Carroll 6

The Titans stayed home for two weeks, took advantage of a much needed rest and period of recuperation and then went the field at home to battle a night game with the Carroll team to a victorious score of 12 to 0 Friday.

This same Carroll Team played the University of Chicago for the little end of 20 to 0. The first string men of the invading team were on the field for the entire game while coach Bell chased out quite a few squad members for their first game during the last half of the game ... Carroll scored in the last quarter.

This year Coach Bell (First year at Wesleyan—replacing Dr. Norman J. Elliott, who has retired to his field of business—medicine—eye, ear, nose and throat ... Elliott produced two championship teams—1932 and 1933) has been very much handicapped by the absence of good tacklers ... Tony Blazine and Ernie Henry, the regular tacklers, went the way of graduation ... Yureci also went the All Star Game in Chicago. Bell would win it with thumbs up ... the All Star Game in Chicago this year and is now on his way to the top with the Chicago Cardinals ... Yureci was shifted from the backfield to the hole at tackle. position and Coach Bell has in one way or another covered up the hole with the lack of any "fat" line on the first string men whom he is playing them as craftily as possible to win. ...

Gene Bedell, the regular center on the Titan team will probably be out of the game for the entire season because of an injured knee at the beginning of this season. Orville Brutt, largest man on the team and a second string center from last year has been holding down the pivot position very well so far this season.

Kenny Chittum, the flashy little broken field runner is still gaining the ground this year and bids fair for conference rating.

Coach Harry Bell is working for the most part with second and third string men left from last year's string and is depending this season quite a bit on his freshman material ... Freshman showing up well this season are DeSollar, Bigham, Fulton, Cochran, and Posey.

SPORTS SHOTS

Homecoming this week, and we meet as tough a foe as one could find. Stevens Point's football team must rise to the heights if they are to win in the upcoming match over Illinois Wesleyan. The Pointers will be fighting to the last ditch Saturday. They'll need support from the sidelines. It may be the student's last opportunity this year to cheer the Pointers on. Everybody should be out there backing up Coach Kotal, Captain Menzel, and the rest of the gang as they do their utmost to bring home victory and even up that little incident of last season.

Figures Don't Lie?

In this era of high scoring games and frequent upsets it might do us well to note just how impossible it is to pick winners by comparative scores. At last we have come upon some real proof of the unreliability of that method. A round robin football affair was staged recently. Colgate played a thirty minute game with St. Lawrence and emerged the victor, 31 to 0. Then the Red Raiders performed for thirty minutes against Amherst and won again, this time 12 to 0. This game was followed by another thirty minute fray in which St. Lawrence trounced Amherst, 13 to 0. Now what does it all prove?

Turn About Is Fair Play

In an effort to discover if football teams run true to form every week, Detroit and Villanova are trying something new. October 26, Coach Gus Dorais and his Demons will entertain Harry Strehldreher's Villanova team in the motor city. The following Saturday the same teams will play each other again at Villanova. The two teams played a scoreless tie last season.

During the past week we picked 10 winners and had 6 reverses with one tie. Season's record to date: right—40, wrong—13, ties—1, percentage .755.

Here are this week's guesses:

THE POINTER

WESLEYAN TRIMMED
IN LEAGUE OPENER

Illinois Wesleyan, Central State's homecoming opponent, was defeated Saturday by James Millikin University football team 13-7. It was Millikin's homecoming and was the second straight conference victory for last year's Little Nineteen co-champions.

Passes Results In Touchdowns

Millikin scored in the initial quarter after a long pass had placed the ball on the two yard line. Another pass gave Millikin its second touchdown in the third period. Wesleyan tallied in the fourth quarter after a sustained drive of sixty yards. Benson (not Tom) passed to Hawkins, left end, for the touchdown from the twenty yard line. Millikin chalked up ten first downs while Wesleyan could gain but four. The defeat spoiled Wesleyan's conference debut.

STRAIGHT EVENTS ON THE GRIDIRON

Many odd things show up on the gridiron every Saturday. Last week for example, Tulane made nine first downs. Yet their total net gain from rushing was 2 yards, Tulane gained 90 yards from scrimmage and lost 88 yards. Michigan State rang up the amazing total of 22 first downs to Boston College's 6. However, the score ended 18 to 6 in favor of the beam town bays. Then Indiana piled up 13 first downs while Cincinnati could gain but 2, but the final score found Cincinnati the victor, 7 to 0. Glenn Seidel, Minnesota's captain and quarterback, made a tackle on the one foot line to prevent Tulane from scoring Saturday. This is the last tackle Seidel will ever make for the Gophers because he broke his collarbone on the play.

important parts in making the event a success.

In previous years, the celebration began with the annual Phi Sigma Epiklon Alumni Ball at Hotel Whiting. This year all arrangements for the affair were cancelled because of the uncertainty of the date of Homecoming and in its stead the nationals will stage a big pow-woo for its old grads at the fraternity house.

A student pep meeting, beginning at seven o'clock in the main auditorium Friday evening will serve as a means of arousing school spirit. A bonfire may also develop afterwards somewhere on the campus.

Parade At Ten O'clock

Ten o'clock Saturday morning is the time set for the parade, one of the features of the day. Many organizations have signified their intentions of entering floats, and Mr. Evans, Chairman of the Homecoming Committee, says that the parade will be fully as large if not any in the past. He also says, "The idea of the parade is not to make an elaborate display, but rather to install the Homecoming spirit." Prizes will be awarded the best float and the best stunt.

Floats will assemble on East College Ave., shortly after nine o'clock. The line of march will be Clark Street, from the corner of Fremont and Clark Streets to the public square, and return to the College via Main Street. Leading the line will be the College Band.

Game Starts At 2:30

After these preliminaries the two elevens will swing into action at 2:30 p.m. on Schmeeckle field. During the intermission at half time the fans are promised some entertainment in the form of stunts to be performed by the pledges of the Greek societies.

Social organizations will take advantage of the lull a few hours after the game to hold their annual alumni banquets. Both Omega Mu Chi and Tau Gamma Beta sororities will convene at Hotel Whiting. Saturday evening at... (Continued on page 7, col. 1)

Trend To Old Time Dances Is On

With the fall dances showing a trend toward old time dances mixed in with our modern shakers, it behooves all ye women, ye fair lasses of the flaxen tresses, ye mistresses beauteous of the auburn locks, and ye platinum blondes of the peroxide bath to hie thyselves to the unused room on the third floor back, or to the "rec" room, and there, to the sonorous tones of some barn dance announcer, teach thyself the genteel art of the square dance or the schottische.

With premiums at a new high for good dancers, the men folk of this college search with intentness the rows of eager faces piled two days near the entrance, and, after the first minute of a dance has passed and the good dancers are already gliding as smoothly as ye olde zephyrs over the waxen floor, the men retire to their side of the gym determined to get a "good" dancer quickly the next time and beat the rest to this or that "peach".

Now, gals (going from old English to slang) with all the floor space provided for the learning of this wonderful art, and, with a chance to shine now at some polka or circle two step, let's get together, call the men a few names, then learn the rudimentary arts of stumbling rapidly away from the efforts of some football man, and above all, let's hear some comments on just what you think they ought to learn.

GLEANINGS—SUNDAY and DEFIJOS

After reading a week's output of a ten-cent-medecine advertisements, we are convinced that in a case of war all we have to do is feed it to the army and we'll lick the world in half-a-day.

Women have smaller vocabularies than men—but think of the turnover.

The wonders of modern aviation: a girl in New York in the morning, married at noon in Chicago, divorced or shot in the evening at Reno.

It seems to me a more potent argument against gambling than the oft heard immorality of "getting something for nothing" is "getting nothing for something."

Then, on the other hand, the trouble with so many self-made men is that they knocked off work too soon.

We usually hear enough truthful things about us to overcome the flattering things that are said to us.

Marge Wells opines that hens are justifiably peevèd—they can never find things where they lay them.

Best way to get rid of your duties is to discharge them.

This country has the five cent cigar it was in need of but it's marked twenty-five cents in the stores.

If you are in doubt whether to kiss a pretty girl, give her the benefit of the doubt. Carlyle.

The war dogs are beginning to bark. To relieve tension we suggest you locate a playing card—perhaps a deck of them.

Scientists say we are what we eat. In that case, the "Honest Pointer Readers" of last week had better lay off the nuts.

A radio philosopher says, "all men are born free from avarice, hate, jealousy, and greed—which probably accounts for so many self-made men."

Are we being attacked on two fronts? Or are we the victims of our environment? Conservationists tell us the country is being demeûd—portions of the people are following suit, (or aren't, depending upon how you look at them).

COLLEGE RADIO HOUR HAS LARGE AUDIENCE

The "College Radio Hour" may add another successful program to its list. A large crowd attended in the auditorium, as well as a listening audience, which can be proven by the "fan mail" that is beginning to "pour in."

Radio Listeners Active In Voting

The voting is really getting quite heavy and those in charge wish to thank those who have been enough to write in.

Francis White and his orchestra are doing an excellent job taking care of the musical side of the program.

Last weeks winner of the "Amateur Contest", according to the judges, was Bill Theisen—but the audience voting did not agree with this—for the listening audience picked Miss Florence Quast as their choice. Both will compete in the final contest. Congratulations.

Others who appeared on last weeks program were, "Girl" Cornwell, J. Prazul, Fred Parfrey, Richard Colby, and Miss Rodamacher. The winners of this contest will be announced at a later date.

Quoting from the Lawrence College Collegian paper, "Up at Stevens Point, where the Teachers College is located, Main hall is now being rented every Wednesday night to local boxing club. A shooting gallery is being installed in the basement of the library, and there are definite rumors to the effect that the gymnasium will be used for public dances and roller skating."

The Pointers, as some may know, played a little "harmless" pre-season game with the Green Bay Packers and were politely kicked out of their conference. Eddie Colby, who started with the Vikings eight or nine years ago, is head coach for the Teachers. Maybe Eddie can arrange a game with the Ohio State players. They will be good business training as well as their college education—"

You forget to mention the crap games on the third floor, the bar in the basement, the continuous burlesque performance in the auditorium, the Murder practices on the front steps—College Cal

Sororities to Give Box Social

I wonder how many of you have ever attended a real old fashioned box social? If you haven't, here's the lowdown.

Each girl packs a basket lunch for two and makes it as attractive as possible. Then she brings it to the social and places it among the other baskets. When the masculine contingent arrives, the baskets are auctioned off to the highest bidder. Of course, the pinner and perker the bow on the basket, the more money it will bring. Then it is only proper that she suppers with the gentleman that bought it. Oh! its fun!

Now we come to the real purpose of this article. The Tau Gamma Beta and Omega Mu Sororities are going to hold one of these socials, Wednesday, October 30, in the new gym. The ladies will arrive at 5:30, and the gentlemen at 6:00. Of course, the fun will be spoilt if anyone dated, so dates are positively forbidden, (until after supper).

Dean Steiner... Auctioneer

Mr. Steiner has commented to be auctioneer, and you know how much fun that will be. The price of admission is only a quarter, which is the minimum price a basket will sell for. Also, cash will be served to make the meal more complete.

Last, but not least, the most excellent hill billy band in the state has been engaged to play for an old time dance, which will be held in the evening. Sincerely signed, college and students, and faculty members too, put on your old clothes and lets see you kick up your heels and swing your partners in the old good dances that ma and pa used to go to.

DREAM GIRL???

And all for 25 cents, ladies and gentlemen, only 25 cents. Something entirely different in the line of entertainment for you people, and you just can't help but have a good time. (Imagine seeing your best girl eating supper across the table with some good looking stranger) and you bachelors... maybe you'll meet your dream girl, who knows?

The sororities have spared no pains in planning a hilarious evening, and assure you that it will be well worth the small insignificant sum involved.

THERE is no greater regret than the memory of the wasted dollar.
