French Classes Will Attend Play Saturday

College Awards To Be Distributed Soon

College Spring Sport Programs Arranged

Sigma Zeta National Meet April 17-18

The Girls Glee Club and the College Symphony Orchestra will present an assembly program tomorrow morning at ten o'clock. Professor Michelsen is the director of both these groups.

The orchestra will play, among other numbers, the colorful "Call of Bagdad" Overture and "Zampa" Overture. Five numbers will be sung by the Girl's Glee Club, among them being Schubert's "Serenade" and Handel's "Largo".

The Pointer of last week stated that the Men's Chorus would also take part in the program. This has been changed, and only the two organizations mentioned will perform.

Men's Concert Pleases; Programs Successful

It seems that the Men's Glee Club continues to win praise! Fresh from their successful tour around the state, this splendid organization sang over the air Sunday afternoon on a test program sponsored by radio station WBBL. On Monday afternoon the chorus sang several numbers over the College Radio Hour. Comments received concerning these broadcasts were very complimentary.

"Taps" Closes Program

The Glee club scored a smash hit last Tuesday evening at their third annual concert. Their performance was flawless in rendition, and the numbers were delivered with a spirit and enthusiasm that captivated the audience. The closing sonation, the fierce tone, was the high point on the program, and the beloved "Taps" was beautifully sung.

The soloists "came through" with a professional smoothness, and their numbers well rat their hearty applause. Individual performances were given by Kirkwood Lukes, tenor, Bill Theisen, bass, and Joseph Pfiffner, baritone. The saxophone quartette was composed of Ralph Abrahamson, Joseph Pfiffner, Gerald Eyler and John Steiner.

Glee Club-Orchestra To Perform At Ten A.M. Friday

Easter vacation will be a splendid opportunity for all amateur authors to put the finishing touches on those prize-winning stories. Those whose turn are in late miss the chance for the five dollars. Stories will be accepted any time after vacation. A good plan would be to clip these rules and have them on hand for references when typing your story, as this is the last time they will be published.

Rules Of The Contest

1. Manuscripts should be typed and double-spaced. Attach a front page containing the name of the writer, title of the story, and the date. Place the title at the top of the manuscript proper, number the pages, and fasten them together. The name of the writer should appear only on the front page. Stories are not to exceed 3000 words.

2. Stories will be judged on the basis of plot, local color, originality, and other literary qualities.

3. The deadline for manuscripts is April 15. Hand them to Mr. Burroughs or Doris Johnson.

Central State will hold its third annual band festival on Saturday, April 18, when Professor Peter J. Michelsen and his band will entertain about twenty-five bands and eight orchestras from central Wisconsin. The program will be an all-day affair, beginning in the morning and lasting until late in the evening.

Parade and Mass Concert

The first year the festival was held here, in '34, thirty-seven bands and orchestras were present, and the musicians were divided between the college and Stevens Point High. Last year about thirty-five were present and the entire program was given at the college. This year, Mr. Michelsen plans to limit the number of entrants to five per school.

As before, one of the biggest events of the day will be a parade and mass band concert, to be held in the afternoon. The College Band will probably give a short concert in the evening.

Some of the cities in which the high schools have already indicated that they will send their band to the festival are Abbottsford, Nekoosa, New London, Marshall (two bands), and Stevens Point (two bands). Nekoosa and Stevens Point have the only orchestras registered as yet.

The purpose of a band festival is to allow the leaders of the bands and the bands themselves to profit by the criticisms of some competent judge. Since no places are awarded, all competition is eliminated, and all chances for bad feelings are removed.

Nearby communities have already indicated that they will send their bands. Some of the cities in which the high schools have already indicated that they will send their band to the festival are Abbottsford, Nekoosa, New London, Marshall (two bands), and Stevens Point (two bands). Nekoosa and Stevens Point have the only orchestras registered as yet.

Sigma Zeta National Meet

April 17-18

The Sigma Zeta National Science Meet will be held on April 17-18 this year. This will be some weeks before the Science Open House, which will be held May 8. The Science Open House is an annual project of the chapter of Sigma Zeta National Honorary Science fraternity which is located at this college.

College Spring Sport Programs Arranged

Coach Eddie Kotal is laying plans for an intensive spring athletic program to go into effect immediately after Easter Vacation. Kotal is in hopes of arranging several matches for the boxers; he is also making arrangements for spring football practice; another sporting item being arranged for the entertainment of the students is a volleyball tournament; in addition an intra-mural softball league is in the embryonic stages of development. The fate of track is a bit doubtful due to the general lack of interest in this sport.

Prompt Story Writing

Part Two In History of "Normal Pointer";
Files Reveal Kate Smith Former Editor
1904 EDITION FORETELLS PRESEDY HYER'S POPULARITY

By Ruth Nason

When the ninth Pointer of the second volume was published in May and June of 1897, the table of contents consisted of twenty-three pages, a departure from those of the previous issues. Clubs of all types were represented with write-ups. This was an outstanding step in the progress of the Pointer's history, as it had just been organized, but unlike the Forum which we know, it was a literary society for just the young men. The Arena was indeed a fitting name for the forensic club. Debating was popular and contests were heated.

Is This "Our" Kate?
Margaret Ashmun had seen many improvements made on the Pointer. She had been the editor of Volume II from September 1896 to October 1897, when Kate L. Smith assumed her position. Her second edition of the Pointer a new column was added. The scientific students of the Normal formed a department in which they discussed various phases of science.

The advertisements had now become a major part of the school paper. They were incorporated almost at the end of the last page, of each issue. I can imagine that they weren't very effective, as it would be so easy to stop reading when you got there.

Set-Up Shows Improvement
The first wing added to the building was completed in 1901. In the October Pointer the new picture of the school was printed with the large right wing showing prominently.

The athletic section of the Pointer was rapidly improving. Complete line-ups with statistics and decisions in interschool meets made the athletics much more interesting and informative.

Savoir Faire Listed
In October 1892, the Pointer had a newly designed cover with a large design. The cover was now made of stiff paper.

Every June the Pointer put out a Savoir Faire Number, which I believe would be a popular practice this year. In this souvenir number there were many pictures of outstanding students, officers of the various organizations on the campus, and news of commencement.

In the 1903 number I found the following paragraph relative to the history of the Pointer:

"One of the early signs of school life in the Normal was the formation of the Press Association. This occurred in the fall of 1895, the first issue of the regular publication coming out in December of that year. The explanation or has always been a strieted piece of the student body; its regular publication and steadily improving quality would place among peer publications its sure progress, while its increasing circulation has shown the esteem in which it has been held."

First Signs of Humor
In 1894 there was established the Jolly Column. Contributed bits of humor now composed a department of its own, whereas previous efforts had been sandwiched into the Exchange section. The humorous conception of the Freshman still prevails.

A FRESHMAN
The boy stood on the burning deck, and as far as we could learn, he stood there in perfect safety—He was too green to burn!

It was in the October edition of 1904 that I ran across a most interesting item about our president.

FRANK S. HYER
"Mr. Frank S. Hyer, who succeeds Mr. Livingston as Institute Conductor and Teacher of Professional Reviews, is a graduate of the Milwaukee Normal. His efficiency as an instructor may be inferred from his rapid rise in the educational field. He was, successively, Superintendent of Schools in Jefferson County, Principal of the Rhinelander High School, and Principal of the Manor County Training School, which post he but recently resigned to accept his present position."

"Altho Mr. Hyer has been with us but a short time, his strong personality and true interest in everything pertaining to the school bespeaks for him a warm place in the hearts of the students.

Little did the writer of those words suspect that today Mr. Hyer would be our President and that every student in college would hold the same opinion of him today.

SHOTS AT RANDOM

GLEANINGS—
SUNDAY and DEVIOUS

The ideal marriage is when a man finds a beautiful girl and a good housewife and together they make a householder. We thought that was bigamy.

In his grammar class, President Hyer illustrated how a missing comma could change the meaning of a sentence by this example: Wanted a man to milk and drive a Ford.

The bonds of matrimony are not worth much unless the interest is kept up.

A scientist, after discovering that cheerful people resist disease better than gloomy ones, "The sure bird catches the worm."

He has a concrete mind—thoroughly mixed and permanently set.—Reader's Digest.

Winter is a season when you keep the house as hot as it was in summer when you kicked about it.—Los Angeles Times

Jones—Did your son go through college?
Smith—Not quite. He took a chemistry course and went only as far as the roof.

On The Air
March 30th, another Monday and another College Radio Hour, and the last before the spring vacations. The March 30 program was a pleasing one, being opened in the characteristic manner by Swenorg and the Band, and featured Norman States own Men's Glee Club under the direction of Norman E. Krutzen.

"Ken" Storniti was this week's guest artist. He played a delightful clarinet solo, accompanied by Dolores Scarcezki at the piano. Kenneth has the distinction of winning the State Solo Contest in his field and placing third in the national contest. An up-and-coming musician. Let's hear more from him.

The "hour" ran quite smoothly except for one thing, and yes, it is going to bring this fact to your attention right now. Those band boys under the baton of Swenorg have certainly done a fine piece of work this last semester. They have given up a great deal of their valuable time to augment the program, and have received very little laudatory in compensation, and believe you me they deserve it, so if one can applaud on paper, that is what this bit is meant for. These men are: "Sonny" Gingey, "Vie Kilmer, Hinkley, Al Bucholz, "Ace" Abrahamson, "Red" Reynolds, "Cliff" Talbot, "Jim" Pfiffner, and the weekly guest artist, Johnny Pfiffner.

And by way of closing this weekly comment on Central States radio activities, there are still some seats not filled in the old Wing. Every Monday at 5:30.

The College Radio Hour is your "hour", for your entertainment, and the way you can support it is by dropping into the auditorium every Monday at 5:30.

Programs weekly:
College Radio Hour—
Monday—5:30 to 6:00
Cleaned Winged Heart—
Thursday—3:00 to 5:00

Vacation Begins Tomorrow
Classes Reopen April 13th
Easter vacation will begin tomorrow at the end of the last classes. School will be resumed, after a ten-day vacation, on April 13th.

Every man should keep a fair-sized cemetery in which to bury the faults of his friends—Henry Ward Beecher.

Published Weekly, except holidays and examination periods, at Stevens Point, in the state of Wisconsin, by the Central States Teachers College. Subscription Price $2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 2, 1879.
FOUR POINTERS ON COACHES ALL-STAR BASKETBALL SQUAD

Kotal Arranges 1936-37 Quintet Schedule. Open at Milwaukee

The coaches of the State Teachers Colleges of Wisconsin met at Stevens Point last Thursday and voted to eliminate the center jump in conference basketball games next year. The coaches made this drastic change in anticipation of a national rules change in the same direction. Only at the beginning of the half will the ball be put in play at center; otherwise the team scored upon will take the ball out of bounds under that basket. This rule change follows closely on the heels of last year's revision when the center jump after a successful free throw was abolished.

FOUR POINTERS PICKED

The coaches also picked honorary teams for the past season and made public the 1936-37 conference cage schedules. The Southern Division coaches continued their practice of selecting an all-star team instead of a first team. Four members of the championship Stevens Point team were picked on the squad of eleven men.

ALL STAR SQUAD

The Southern Division squad is as follows:

Forwards: Lautenschlager, Oshkosh; Sprangers, Milwaukee; Rinka, Stevens Point; Austin, Wisconsin.

Centers: Nimz, Stevens Point; Dassow, Milwaukee; Rheinsteedt, Platteville.

Guards: Johnston, Stevens Point; Kleinman, Milwaukee; Lindow, Stevens Point; Disrude, Platteville.

NEXT YEAR'S SCHEDULE

La Crosse was picked as the site for the tennis tourney to be held, May 30. Whitewater will be the scene of the state track meet, May 23. Bob Kolf was elected president and Guy Penwell secretary succeeding Cowles of River Falls and Werczrat of Superior. Stevens Point's 1936-37 conference basketball schedule is a bit different from the past three seasons. The Whitewater-Platteville two day trip has been eliminated; instead two separate invasions of the south will be made. Below is the Pointers' conference schedule.

SPORT SHOTS

FAME IS FLEETING

It has often been said, and wisely so, that fame is fleeting. An excellent example of that old proverb is brought before us at the present time. Stevens Point's College basketball team rang up fifteen consecutive victories to win the State Teachers' conference championship. Three days after the final victory the team was feted at the Hotel Whiting, and then immediately forgotten. Since that time the 1935-36 team, one of the finest in Point history, has been seldom mentioned. No more banquets have been held in honor of the champs. We sometimes wonder if Stevens Point isn't growing weary of championships. Victories are taken for granted; a defeat would be no less than a catastrophe and a disgrace.

Hottentots Win Girls' Cage Championship

In the girls' basketball tournament this year, there were three teams entered—namely the "Camels," the "G-Men," and the "Hottentots." In the first game of the series, the "Camels" lost to the "G-Men"—36 to 43. The following game was won by the "Hottentots" by a score of 34 to 9 over the "G-Men." The championship game was taken by the "Hottentots," who defeated the "G-Men" by a 33-14 score. Nason and Crocker tied in the honor of being high scorers of the tournament with 23 points each.

The winning team is composed of Mary Gordon, June Emery, Ruth Olson, and Magdalen Wolf as forwards, and Helen Blake, Dorothy Richards, Betty Schwahn, and Maxine Miner as guards. An all-tournament team will be published in next week's Pointer.
