WEED-MENZEL PROM QUEEN-KING

Committees Transform Gym; Butterfly Theme Features '36 Event

TOMMY TEMPLE'S
GREAT DANCE BAND TO BE ON HAND TOMORROW EVE

By Len Scheel

Tonight night, amidst hundreds of different-colored butterflies and pastel streamers, the most important of all Central State's social parties, the Junior Prom, will take place in the new gymnasium.

Ted Menzel, president of the Junior Class, will reign as king of the ostentatious affair with Zelta Weed of Plainfield as his queen.

Grand March—9:45

The Grand March will begin promptly at 9:45 with Oscar Copes, general chairman of the affair, and Evelyn White at Tomahawk, second in line. Miss White is not a student at Central State.

The receiving line will form at nine o'clock. First in line will be King Ted and Queen Billie; second, general chairman Oscar Copes and Miss Evelyn White; third, Regent and Mrs. Geo. H. Martens; fourth, Dean and Mrs. H. R. Steiner; and last, Class advisors and Mrs. C. O. Evans. President Hyer will be unable to be in the receiving line because of urgent business in Chicago tomorrow.

The "Poor Butterfly" theme of decorations has been carried out, even to the dance programs, which have gaily-colored butterflies on the covers. Tommy Temple's popular orchestra from Appleton will furnish the music for the dancings.

Townspeople are cordially invited. There will be a small charge for spectators.

College Orchestra—Women's Chorus In Annual Spring Concert Tonight

By Ralph Anderson

The Girls' Glee Club and the College Symphony Orchestra, both under the direction of Professor Peter J. Michelsen, will present their annual Spring Concert in the college auditorium at 8 o'clock this evening. Much work has been spent on the numbers that are to be presented. All who heard the delightful selections rendered at a recent morning assembly will certainly be pleased to hear that these groups are to present a full concert. All students and townspeople are cordially invited. There will be no admission charge.
**High School Speakers Guests Of College Tomorrow**

(Continued from page 1, col. 4)

The meet will last the entire day beginning at 10:00 a.m. in the morning. The program of events is as follows:

- **10:00 A. M.:** Oratorical Contest
- **1:30 P. M.:** Exttemp. Reading
- **2:30 P. M.:** Humorous Declamatory Contest
- **7:00 P. M.:** Exttemp. Speaking Contest
- **8:00 P. M.:** Dramatic Declamatory Contest

Burroughs Heads Arrangements

Professor Leland M. Burroughs, head of the speech dept., has been largely responsible for bringing the contest to C. S. T. C. and is acting in the capacity of director of local arrangements.

**EXPERT JUDGES**

The bands received expert criticism from Mr. Otto Krausehan and Professor Peter J. Michelsen. Many of the bands were highly elated over the praise which they received, and others promised to profit by the advice that had been suggested.

K. K. N. Grill of Wausau and Francis White of this college judged soloists in Woodwinds and brasses.

This affair was sponsored and worked out by Mr. Michelsen and the Central State Band. Much praise has been received for the orderliness and precision with which the proceedings were conducted. College traffic direction was in charge of Chi Delta Rho fraternity.

In the course of the evening's program, a sincere invitation to attend again next year was extended to all bands. The Pointer wishes to repeat this invitation.

**SIGMA ZETA OPEN HOUSE MAY 8TH**

The program for Science Open House, to be held Friday, May 8, was definitely arranged at a meeting of the committee heads held last Tuesday. Invitations have been sent to surrounding high schools, and other plans are proceeding nicely.

The students will assemble from two to five in the afternoon and from seven to nine in the evening. There will be four regularly scheduled demonstrations, with lectures, from 2:30 until 4:15. These demonstrations will concern Physics, Chemistry, Home Economics, and the various phases of biology.

Guides will be provided for the various groups which will attend these exhibits. Sigma Zeta very cordially invites all who can to attend.

HASTREITER ONLY  
POINT FIGHTER TO RING UP VICTORY

BERARD, HAYES, MCGUIRE  
FIGET TO DRAW "RED"  
MILLER, E. O.  
ED IN FAST  
SUPERIOR BOUTS

Stevens Point Teachers' college fighters went down to defeat in their opening boxing card of the season at the hands of a powerful Superior team. The bouts were held at Superior Monday night and the final score was 21-2. The lone Pointer victory was in the form of a decision scored by Bernard Hastreiter in the opening fight of the evening. Hayes, McGuire, and Berard fought to a draw in their respective classes to conclude the Point scoring. The attendance was estimated at around 1,100 fans.

HASTREITER WINS

Little Bernard Hastreiter got the Pointers off on the right foot in the 115 pound class by winning a decision in the card's opener. The first round was only a few seconds old before Ber nard had floored his opponent who was Keijo Wessenman. Bernie continued his good work to win handily.

Fred Hayes fought Jim Murphy to a draw in the 125 pound class. Hayes seemed to have a bit the better of the argument and the crowd boomed as the decision of the officials was made public.

In the heavyweight division big "Red" Miller led with his chin in the opening round and suffered the Pointer's first knockout of the season. Bob Adams, Superior heavyweight, supplied the punch.

Benny Laschivitz lost on a technical knockout to Louis Goldfine in the 135 pound class. Ben was trying gamely but the towel saved him from serious physical damage.

Johnny Ostrom of Superior, 148, outpointed Deane Gordon of Stevens Point, 148, after a close fight all the way. Incidentally this fellow Ostrom goes under the nickname of "Dynamite".

Jim "Mickey" McGuire, Stevens Point, 160, knocked out Fishback, Superior, put on a slugfest that was finally called a draw. "Mickey" flattened his opponent for a 9 count, but couldn't keep him there. This fight was in the 160 pound class.

if any of the old medieval Bavarian beer drinking clubs have been revived in colleges or if our young people are still drinking the prohibition-inhibited hard liquor. The following is a copy of the questionnaire sent with the letter.

1. Briefly calling to mind the prohibition days of bathtub gin, student arrests for carrying or consuming li quor, and the employment of students by law enforcement officers do you believe conditions are better or worse under Repeal?
2. Is beer being sold in the college restaurants, fraternity houses or anywhere within the college environs? Do you approve of this policy?
3. Have beer drinking societies been revived in your college? Do you approve of social clubs?
4. Has the drinking of hard liquor increased or decreased in the three years since Repeal?
5. After three years of re-legalized beer are you prepared to say whether or not it has had any effect on the students in their social life or on their morals and habits?
6. Do you think college students are interested in the moderation problem?

By Don Unferth

We are going to go a bit reminiscent today and recall some famous "firsts" in the history of Stevens Point athletics.

In March 1905 Stevens Point played Piatteville in basketball for the first time in history and the Pointers won, 55-18.

The first football victory ever scored by Stevens Point on the Oaksho home grounds came on November 12, 1898. The score was 21-6.

On October 16, 1926, Stevens Point defeated East Chire in football for the first time in the history of the two schools. Two blocked punts in the last quarter gave the Pointers a hard earned 6-0 victory.

This first basketball game in the history of Stevens Point Normal occurred Tuesday evening, January 25, 1898, in the gym. The gallery was filled with about 350 interested spectators, waiting to see which team would carry off the honors. Two games were played—one between two teams of young ladies and the other between the normal team and Phi Beta Psi. At seven o'clock the young ladies took their positions on the floor. The final score was a tie 4-4. At seven thirty the boys lined up for their game. After about ten minutes of play Roseberry made a pretty basket from the field. The final score was 5-3 in favor of the Phi Beta Psi's.

The first basketball game ever played with any other school by the Normal was against Lawrence's cage team on February 22, 1898, Lawrence won, 19-14. At that time the guards were called right and left backs. The team had no coach. Nearby $100 was taken in at the games that season.

League, St. Louis will come in second, New York third, and the Cincinnati Reds fourth. In the American League I pick the Boston Red Sox because money is the root of all evil and also of most baseball flags. Besides, red is my favorite color. Then will come St. Louis, Detroit, and the Yankees in the order named.

**EVEN RINKA TALKS**

Chet Rinka, co-captain of basketball team: "Take it from me the Cubs will repeat in the National League. They have a good team, featured by its all around strength. The Cards will be a close second. New York will end up in third spot followed by the Brooklyn Dodgers. Detroit will cop the American League pennant because of their hitting strength and the addition of Simmons. Cleveland, New York, and Chicago will complete the first division.

**TALKS FROM EXPERIENCE**

Robert Steinier, Senior of note: "The Pittsburgh Pirates will be the class of the National loop. They have an all around clouting club and an improved batting corps. Charlie Grimm's Cubs will rest in second place at the conclusion of the season and the Cards will place third. The Boston Bees, who are on the up-and-up with a new morale, will round out the first division. In the Junior circuit it looks like Cleveland. They have a well balanced club, a fine start. Stan, a great star in Averill. (I saw Averill play once and should know.) Detroit, New York, and Washington will follow in the order named."

**BUT THE NEWS IS**

Tom Lindsey, basketball star: "With Lon Varner's arm in shape and Chuck Klein making a comeback, the Cubs will repeat in the National League races."

**PHI SIG FORMAL MAY 2**
With the Junior Prom, scheduled for tomorrow night, the spring social season of Central State swings into shape. Saturday, May 2, the weekend following the prom, is the date set for the Phi Sigma Epsilon annual formal. Ernie Stragge and his highly recommended band from Minneapolis will furnish the music for this popular party, which will be given at the Hotel Whiting.

Personal wishing invitations are referred to Bud Hemmy. The tariff for the dance will be the standard price set by the Greek Council.

**PAN-HELLenic DATE CHANGED**
Due to unavoidable circumstances, the date of the Pan-Hellenic formal has been changed from May 1, to the weekend of May 3 and 4. Excellent music has been procured for the occasion. Advisors and faculty members of each organization have been asked to chaperone. As this is the first attempt at a formal, sponsored mutually by all the Greeks, the members are particularly anxious that the dance be a success.

**PLAY CAST TO BE CHOSEN**
Plans are under way to give a performance of the comedy "She Stoops To Conquer" by Goldsmith at Plainfield. This play is being given as a benefit for this year's forensic awards.

Two casts from the class have been selected by Professor Burroughs, and tryouts for each part will be given next week, with special rehearsals being held this coming Tuesday and Wednesday.

**RICHARDSON SPEAKS TO RURALS**
The members of "Rural Life!" enjoyed a particularly fine program at their regular meeting on Monday night. Miss Richardson gave a splendid report of her summer's vacation in Mexico. She remained for some time after the adjournment answering questions of people who were interested in various features of her trip. During her talk last week, she was ready to make the trip again and was looking for a traveling companion. From what we hear she will need to charter a bus.

Other numbers on the program which were applauded by a pleased audience included saxophone trios by Alden Reynolds, Norman Hinchley, and Alvin Bucholz, a declamation, "Little Sister," by Jean Doolittle, and a declamation, "A Small Sister's Reflections," by Betty Davis.

**EDITOR'S NOTE:**
Last week's Pointer contained a headline to the effect that Shake-speare's "She Stoops To Conquer" would be presented soon. The author of this play is Goldsmith, as we have been informed since. The mistake was entirely the fault of the headline writer—the editor—in this case, and the mistake had no connection with Jack Burroughs, who wrote the story, but not the head.

And so for another year, the trim rings down on the pledging activities of the sororities and fraternities. After undergoing horrible tortures and mental privations at the hands of their actives, the pledges were "rubbed" (and informally) welcomed into the respective organizations, and now are seemingly flying out of their hallow proclamations around the halls proud as peacocks.

**Chi Delta "ruff" them**
The Chi Delta Rho fraternity was entertained at their informal (ruff) initiation last Saturday, April 18. After the initiation the pledges and actives enjoyed a feed at the Ideal Cafe. Their formal initiation was held at the Hotel Whiting, Tuesday, April 21. The ritual was performed at 6:00, followed by a banquet at 6:30. The new Chi Delta are: Franklin Hitzke and John Krembs, Merrill; Nevell Jasperson, Port Edwards; Bernard Hastedter, Marathon City; Don Norton, Wis. Rapids; Ray Weingartner, Gladstone; Bill Miller, Plover; and John Steiner. George Hyer, Jim Murat, and Fred Miner of Stevens Point.

**Tau Gamma Beta**
Tau Gamma Beta sorority held their formal initiation Wednesday night, April 22, and formally admitted their pledges into the sorority Wednesday, April 22 at Hotel Whiting. The initiation ceremony was performed at 6:00 followed by a banquet at 6:30 in the club dining room. Those girls going into the sorority were Edith and Mary Gordon of Stevens Point, and June Emery also of Stevens Point; Eleanor Theisen, Loyal; and Irene Dix, Colby.

**Phi Sigma Epsilon**
The Phi Sigma Epsilon fraterni­ty's formal initiation was held Friday night, April 17, and their formal initiation was held Tuesday, April 21, at the Phi Sig House. The ritual was read at 6:00 and the banquet for the new members followed at 6:30. The men initiated were Don Olson, Joe Hannon, Jim Pfiffer, Jerry Krembs, Carl Swanson and Ray Hoddell of Stevens Point; Ernest Cater, Mosine; La Verne Single, Richland Center; Russ Way, Medford; and Ken Storandt, West Salem.

**Omega Mu Chi**
Omega Mu Chi sorority held their informal initiation Saturday, April 18, and the formal ceremony was performed Tuesday night, April 21, at the Hotel, with the ritual being said at 6:00 and the banquet following it at 6:30. The following girls pledged: Zelphia Webster, Amherst; Inez Olson, Elcho; Arletta Newhouse, Marathon; Gladys Malinowski, Portage; Leatrice Bleck, New London; Catherine Duskey, Wausau; and Ruth Mueller, Ruth Nason, Betty Jacobs, and Betty Schwaehn of Stevens Point.

**College Chorus In Demand**
Glee club practice under Mr. Knutzen is in full swing in preparation for concerts to be given in the near future. The chorus will sing at Adams on April 24 at Iola on the 29th, and at Wittenberg on May 1. The big reason for full time practice is the festival at Green Bay on June 2. Copies of the numbers to be sung at the festival have been received.

Despite the fair and promising weather the men are seldom absent from practice. It is obvious that they like both the work and their instructor.

Normal Pointer Emerges As "The Pointer"; Men March As War Clouds Hover

Our State Normal School had already acquired the title of "The Pointer School of Wisconsin." Similarly our Normal Pointer was gaining prestige, and, through various exchange departments, it was being read in some of the finest schools in the land.

It is interesting to see how many prominent business men of today were already pursuing their careers in 1916 and thereabouts.

James Hull was the Athletics reporter on the staff at this time. He is now a familiar figure to many students who have seen him in the "press box". Mr. Hull covers some of our college games for the Stevens Point Journal, of which he is the City Editor.

LOYOLA CLUB ORGANIZED

The Loyola Club was organized at this time under its first president, Ewald P. Brady. The Loyola Club for this club was first initiated by Reverend W. J. Rice, pastor of St. Stephens Catholic church. Loyola Club was organized for the specific purpose of bringing students of this faith into closer relationships and is still active in this same end.

300th ANNIVERSARY OF SHAKESPEARE'S DEATH NOTED

Several dramatic productions were being offered. Many of the departments or classes this year had quite a few students. Mr. Hirsche, one of our most famous alumni, is an old hand. He has done much to promote athletics in all our local schools, and is still held in high esteem by all of the students. I think that all of the students have noticed the absence of dramatic productions by the departments or classes this year and are welcoming the forthcoming play of the Production Department 120 class under Mr. Burroughs. In this Shakespeare Memorial Program twenty years ago, Jacek, from As You Like It, was a young man.

When Volume XXII was published in December 1916, the staff, under Charles T. Burns, decided upon a new presentation. It was planned to specialize or separate in the different phases of school life. The idea was a popular one and worked well.

The 1916 season had just closed, it was appropriate that the first issue be of an athletic nature. That was the year we started Superior—or, to 0. Although the team had not won the championship, they had done well and fought hard, so they were rewarded with a banquet and a stirring tribute.

STUDENTS PLEASE NOTICE

Students in this college have been walking off with library books from the library without the knowledge of the librarians. So many books have disappeared that Mr. Allez is considering closing all of the stacks. The alternative method, if the stacks are closed, will be to stand in line, order the book wanted, and have the librarian get it for you.

The disadvantages of such a plan are quite apparent and obviously ninety per cent of the students would not be favorably disposed. Some method is not found whereby the missing books will be returned where they belong, the closing of the stacks will be the result in the not too distant future.

Mr. Allez has made every effort to facilitate easy withdrawal of books from the library. Unfortunately many are finding withdrawals easy without the formality of registering at the desk at all.

It is to be hoped that the good sense of many of the thoughtless offenders will result in an improvement in this situation. If there are some who cannot be appealed to on ethical grounds, perhaps the alternative of closing the stacks to general admittance will supply a partial solution.

It is to be hoped that Mr. Allez will be supported by the student body in this serious emergency.

COPIES ELECTED "AS GRID CAPTAIN FOR 1936 SEASON"

Veteran Tackle Rewarded By Athletes After 3 Season's Play

Big Oscar Copes, varsity tackle for the past three seasons and an all-conference selection, was elected captain of the Stevens Point Teachers college football team for the 1936 season. Copes hails from Tomahawk, Wis., where he was just about the whole Tomahawk team during his high school days. Standing six feet two and weighing around 220 pounds Oscar plays an aggressive game at tackle and should prove to be a capable leader. Copes was also a member of the championship Point cage-squads for the past two years serving as the reserve center. The choice of Copes for the football captain, along with the election of Don Johnston and Chet Rinka as co-captains in baseball, made the Central Wisconsin leaders in athletics for the next school year. We feel that the athletes have made three splendid choices and wish the captains the best of luck.

College Boxers Bow To Superior

(Continued from page 3, col. 1)

To Joe Dedi, captain of the Superior boxing team, on a decision, in the 155 pound championship.

In the final bout of the evening, "Wobb" Berard, 175, and Louie Rich, 175, fought to a draw. Rich is a football playing type and can work out with his mitts, but Webb stayed with him all the way. Berard received the praise of Gordo Horman, one of the best inter-collegiate boxers in America, for his work in the ring.

Superior Here May 1

Although the boxing program was the first of the season for Stevens Point boxers such was not the case of Superior. Our Northern rivals have already taken part in several cards, and have defeated Michigan School of Mining, 7-1, while losing to the Wisconsin "B" team, 5-3. Therefore Superior was further advanced in its training which so doubt accounts for a good share of their success this season. The Superior boxing team, coached by John Ennis and John Faccette will meet Coach Jenkins Pointers in a return engagement here May 1st.

LET'S BACK IT RIGHT

It is sincerely hoped that the student body and townspeople of Stevens Point will give the Pointers the same in the home matches. A crowd of at least 800 or 900 should turn out to watch the Pointers open the local boxing season.

ON THE AIR

Jack Burroughs—Conductor

The Chi Delta Rho Fraternity along with "collegiates" in capacity of guest artists on the radio hour last Monday. Both organizations did a fine piece of work with "Singing's Band". The group, under conductor H. R. Steiner and May Roach were the Alumni Representatives. Other familiar names are Harold Scriber, Leonard Nohr, Loretta Pagel, Doris Shumway, and Russell Broten.

WAR ISSUES REFLECT SPIRIT OF THE DAY

In the June issue of 1911, much of the space is devoted to very serious subjects. After a long farewell message to those students who were graduating, Professor Hyer contributed a touching article in tribute to the Volunteers, it is rather shocking to realize that it wasn't many years ago that some of the students from Central State Teachers College were offering their lives to their country. Professor Hyer pays them a beautiful and stirring tribute.

NORMAL POINTER BECOMES "THE POINTER"

Series Number Two began on November 27, 1919. The name of our school paper was changed to this at this time, and it now was known as The Pointer. Its form has just become familiar. The size, heading, departments and advertise-ments all are similar to those of our present Pointer. Many familiar names are present on this staff. Bertha Glennon, with her Irish shadings, was the Associate Editor, and I don't know of any-one who could do a much better job. She is now the head of the Department of Journalism at Stevens Point High School. Edith Calkins, also a well-known teacher at the local high school, was an associate editor. H. R. Steiner and May Roach were the Alumni Representatives. Other familiar names are Harold Scriber, Leonard Nohr, Loretta Pagel, Doris Shumway, and Russell Broten.

SERVICE MEN MARCH AS WAR CLOUDS HOVER

By Ruth Mason

The Chi Delta Rho Fraternity along with "collegiates" in capacity of guest artists on the radio hour last Monday. Both organizations did a fine piece of work with "Singing's Band". The group, under conductor H. R. Steiner and May Roach were the Alumni Representatives. Other familiar names are Harold Scriber, Leonard Nohr, Loretta Pagel, Doris Shumway, and Russell Broten.

RADIO CREW COVERS FESTIVAL

The radio personnel did a splendid job broadcasting the Festival. Jack Burroughs announced the hit with Swing as "feeder" and our technician Colby arranging the program. The "Bullfrog on the Bank", turned out a fine piece of work.

Today's "Cleaned Winged Heath" will feature Barbara Wade who will read contemporary poetry. Kirkwood Williams will have several of his lovely vocal solos accompanied by Janet Joor-tes at the piano.
