

WEED-MENZEL PROM QUEEN-KING

Committees Transform Gym; Butterfly Theme Features '36 Event

TOMMY TEMPLE'S GREAT DANCE BAND TO BE ON HAND TOMORROW EVE

Prom Tomorrow Evening

By Len Scheel

Tomorrow night, amidst hundreds of different-colored butterflies and pastel streamers, the most important of all Central State's social parties, the Junior Prom, will take place in the new gymnasium.

Ted Menzel, president of the Junior Class, will reign as king of the ostentatious affair with Zelda Weed of Plainfield as his queen.

Grand March—9:45

The Grand March will begin promptly at 9:45 with Oscar Copes, general chairman of the affair, and Evelyn White of Tomahawk, second in line. Miss White is not a student at Central State.

The receiving line will form at nine o'clock. First in line will be King Ted and Queen Billie; second, general chairman Oscar Copes and Miss Evelyn White; third, Regent and Mrs. Geo. H. Martens; fourth, Dean and Mrs. H. R. Steiner; and last, Class advisor and Mrs. C. E. Evans. President Hyer will be unable to be in the receiving line because of urgent business in Chicago tomorrow.

The "Poor Butterfly" theme of decorations has been carried out, even to the dance programs, which have gaily-colored butterflies on the covers. Tommy Temple's popular orchestra from Appleton will furnish the music for the dancers.

Townsppeople are cordially invited. There will be a small charge for spectators.

College Orchestra—Women's Chorus In Annual Spring Concert Tonight

By Ralph Anderson

The Girls' Glee Club and the College Symphony Orchestra, both under the direction of Professor Peter J. Michelson, will present their annual Spring Concert in the college auditorium at 8 o'clock this evening. Much work has been spent on the numbers that are to be presented. All who heard the delightful selections rendered at a recent morning assembly will certainly be pleased to hear that these groups are to present a full concert. All students and townspeople are cordially invited. There will be no admission charge.

HIGH SCHOOL SPEAKERS HERE TOMORROW

CALENDAR OF COMING EVENTS

April 23	Orchestra and Girls' Glee Club Concert
April 24	Prom (New Gym—Tommy Temple Plays)
April 24	Men's Chorus at Adams
April 27	Herbert Petrie and his White Hussars (8:00 P. M.)
April 29	Band Concert (Evening)
April 29	Men's Chorus at Iola
May 1	Men's Chorus at Wittenburg
May 1	Forensic Finals—Jr. High School (Col. Auditorium)
May 2	Phi Sig Formal
May 8	Pan-Hellenic Dance
May 8	Science Open House (Sigma Zeta)
May 9	Chi Delt Conclave, Madison (tentative)
May 16	Omega Mu Chi Formal
May 16	Play Day (W. A. A.)

High School Musicians Throng Here For Central State's 3rd Annual Music Festival

By Bill Theisen

Amid the echoes of the music of the twenty-one bands and four orchestras which gathered here last Saturday, Central State's Third Annual Music Festival was brought to a fitting close by a concert of our own symphony band.

WEATHER FAVORS EVENT

The weather was perfect throughout the day. The parade was undoubtedly one of the finest ever seen in Stevens Point. All the musicians were keyed to their best efforts, and the concerts showed it in the ability with which they performed their various selections.

In all, more than twelve hundred high school musicians and directors were present, in addition to their parents and friends. The evening concerts were played to a full house even though many bands were unable to stay over. There was a large crowd in the auditorium all day.

(Continued on page 2, col 1)

Petrie's "White Hussars" Here Next Monday

Herbert Petrie and his White Hussars will present their colorful program here on Monday, April 27, 8:00 p. m. This beautifully costumed and distinguished group is a favorite on many stages throughout the country. It is noted for its clever novelty numbers.

The group consists of two men playing cornets, two trombone players, and a woman pianist.

MICHELSON AT NEILSVILLE

Professor Michelson, head of the music department at Central State will act as critic tomorrow for a concert of the Neilsville High School Band at Neilsville. He is also scheduled to present a talk on band work.

College Concert Band In Annual Spring Concert Wednesday Evening

The College Concert Band, under the direction of Mr. Peter J. Michelson will present its annual spring concert next Wednesday evening, April 29th, at 8:00 in the college auditorium.

One of the highlights of the program will be "Mignon" by Ambroise Thomas, a very high class professional number which is known to require the highest ability on the part of the players and directors. Another thrilling number will be "Slavonic Rhapsody No. 2" by Friedeman. Those who enjoyed the band's presentation of the first "Slavonic Rhapsody" by the same composer will certainly look forward to hearing this number.

High School District Forensic Contest Here Friday

PROF. BURROUGHS HEADS LOCAL ARRANGEMENTS FOR SPEECH CONCLAVE

Winners To State Meet

By Jack Burroughs

C.S.T.C. is becoming the hub of state activities, Tomorrow, April 24th, the college is again acting as host to the District High School Forensic contests. The contestants appearing here tomorrow have competed in league districts during the last two weeks. There are nine leagues in this district and these nine winners will enter the State Tournament in the near future.

(Continued on page 2, col. 1)

Senior Class Finances Are Debated-Decided

The first regular meeting of the graduating class was held last Thursday afternoon under the direction of Mr. Evans, chairman of all graduation exercises. Graduation plans were tentatively made and other business was taken care of.

A special assessment of one dollar for each graduate was made in order to cover the cost of the graduate panels in the Iris. The second semester Senior class dues were also determined. The four year graduates will be taxed twenty-five cents this last half.

Trip to Wausau Projected

Solos during the evening will be played by Kenneth Storaand, clarinet, Arnold Jindrick, cornet and Bill Fisher, Baritone. Each of them is a state or national winner in his division. There will also be an exhibition of baton twirling by Fred Parfrey.

The band is looking forward to presenting a concert in Wausau in the near future. Final arrangements have not been made for this trip as yet.

HASTREITER ONLY POINT FIGHTER TO RING UP VICTORY

**BERARD, HAYES, MCGUIRE
FIGHT TO DRAW. "RED"
MILLER K. O'ED IN FAST
SUPERIOR BOUTS**

Stevens Point Teachers' college fighters went down to defeat in their opening boxing card of the season at the hands of a powerful Superior team. The bouts were held at Superior Monday night and the final score was 5½-2½. The lone Pointer victory was in the form of a decision scored by Bernard Hastreiter in the opening fight of the evening. Hayes, McGuire, and Berard fought to a draw in their respective classes to conclude the Point scoring. The attendance was estimated at around 1100 fans.

HASTEREITER WINS

Little Bernie' Hastreiter got the Pointers off on the right foot in the 115 pound class by winning a decision in the card's opener. The first round was only a few seconds old before Bernie had floored his opponent who was Keijo Wessman. Bernie continued his good work to win handily.

Lloyd Hayes fought Jim Murphy to a draw in the 125 pound class. Hayes seemed to have a bit the better of the argument and the crowd boomed as the decision of the officials was made public.

In the heavyweight division big "Red" Miller led with his chin in the opening round and suffered the Pointer's first knockout of the season. Bob Adams, Superior heavyweight, supplied the punch.

Benny Laschevitz lost on a technical knockout to Louis Goldfine in the 135 pound class. Ben was trying gamely but the towel saved him from serious physical damage.

Johnny Ostrom of Superior, 148, outpointed Deane Gordon of Stevens Point, 148, after a close fight all the way. Incidentally this fellow Ostrom goes under the nickname of "Dynamite".

Jim "Mickey" McGuire, Stevens Point, and Leo Fishback, Superior, put on a slugfest that was finally called a draw. "Mickey" flattened his opponent for a 9 count, but couldn't keep him there. This fight was in the 165 pound class.

THE BASEST MAN IN SCHOOL...

Bill Theisen (Tobe)
Sings 2nd Bass in the Glee Club
Is Bass soloist with the Club
Plays the Bass horn in the college Band.
Plays the Bass viol in the college Orchestra.
Plays 3rd Base on the Chi Delt Soft Ball Team,
and recently wrote a paper on "Bases and Their Reactions" in Chemistry.
(Altogether he is quite a low fellow.)

THE WET PARADE...

The Pointer received a letter recently from the United States Brewers' Association who are making a survey, through the medium of college newspapers, to discover the results of Repeal. They are attempting to find out if any of the old medieval Bavarian beer drinking clubs have been revived in colleges or if our young people are still drinking the prohibition-incited hard liquor. The following is a copy of the questionnaire sent with the letter.

1. Briefly calling to mind the prohibition days of bathtub gin, student arrests for carrying or consuming liquor, and the employment of students by law enforcement officers do you believe that conditions are better or worse under Repeal?

2. Is beer being sold in the college restaurants, fraternity houses or anywhere within the college environs? Do you approve of this policy?

3. Have beer drinking societies been revived in your college? Do you approve of social clubs?

4. Has the drinking of hard liquor increased or decreased in the three years since Repeal?

5. After three years of re-legalized beer are you prepared to say whether or not it has had any effect on the students in their social life or on their morals and habits?

6. Do you think college students are interested in the moderation problem?

COLLEGE STUDENTS NAME FAVORITES IN LEAGUE RACES

The major league baseball season has just begun. Fans everywhere are forecasting as to how they believe the races will end and who the world series contenders will be. After interviewing a number of prominent Central State students we found that a variety of opinions prevailed.

CARDS FAVORED

George Simonson, Editor of the Pointer: "The St. Louis Cards will win the National League pennant. The addition of Roy Parmalee to last year's staff makes the Cards my choice. The Cubs will place second, New York third, and Pittsburgh, although pushed by the Reds, will round out the first division. In the American League I'll give the nod to Detroit, because of the addition of Simmonds plus the confidence gained by last year's world series victory. They have enough power at the plate to offset the baschits that will elude their aging outfield. They tell me that on a clear day the creaking of the appendages of the Detroit outfielders can be heard in the upper deck. Cleveland will take second, New York third, and the St. Louis Browns fourth."

OZZIE LIKES THE DOUGH

Oscar Copes, football star: "The New York Giants will win the National League title because of the strength gained when they acquired Leslies and Whitehead. I pick th Cubs, Cards, and Brooklyn Dodgers to finish in the order named. In the American League I favor the Boston Red Sox because money is the root of all evil and also of most baseball flags. Besides, red is my favorite color. Then will come St. Louis, Detroit, and the Yankees in the order named."

EVEN RINKA TALKS

Chet Rinka, co-captain of basketball team: "Take it from me the Cubs will repeat in the National League. They have a good team, featured by its all around strength. The Cards will be a close second. New York will end up in third spot followed by the Brooklyn Dodgers. Detroit will cop the American League pennant because of their hitting strength and the addition of Simmons. Cleveland, New York, and Chicago will complete the first division."

TALKS FROM EXPERIENCE

Robert Steiner, Senior of note: "The Pittsburgh Pirates will be the class of the National loop. They have an all around clouting club and an improved hurling corps. Charlie Grimm's Cubs will rest in second place at the conclusion of the season and the Cards will place third. The Boston Bees, who are on the up-and-up with a new morale, will round out the first division. In the Junior circuit it looks like Cleveland. They have a well balanced club, a fine staff, and a great star in Averill. (I saw Averill play once and should know.) Detroit, New York, and Washington will follow in the order named."

BUT RUTH SAYS NO!

Tom Lindow, basketball star: "With Lon Warneke's arm in shape and Chuck Klein making a comeback, the Cubs will repeat in the National

SPORTS SHOTS

By Don Unferth

We are going to go a bit reminiscet today and recall some famous 'firsts' in the history of Stevens Point athletics.

In March 1905 Stevens Point played Platteville in basketball for the first time in history and the Pointers won, 53-18.

The first football victory ever scored by Stevens Point on the Oshkosh home grounds came on November 12, 1898. The score was 21-6.

On October 16, 1926, Stevens Point defeated Eau Claire in football for the first time in the history of the two schools. Two blocked punts in the last quarter gave the Pointers a hard earned 6-0 victory.

This first basketball game in the history of Stevens Point Normal occurred Tuesday evening, January 25, 1898, in the gym. The gallery was filled with about 350 interested spectators, waiting to see which team would carry off the honors. Two games were played—one between two teams of young ladies and the other between the Normal team and Phi Beta Psi. At seven o'clock the young ladies took their positions on the floor. The final score was a tie 4-4. At seven thirty the boys lined up for their game. After about ten minutes of play Roseberry made a pretty basket from the field. The final score was 5-3 in favor of the Phi Beta Psi's.

The first basketball game ever played with any other school by the Normal was against Lawrence's cage team on February 22, 1898. Lawrence won, 19-14. At that time the guards were called right and left backs. The team had no coach. Nearly \$100 was taken in at the games that season.

League. St. Louis will come in second, New York third, and the Cincinnati Reds fourth. In the American League I pick the Tigers to repeat; Cochranes managerial ability coupled with the hitting and fielding of Simmons will turn the trick. In the runner up spot will be Cleveland, followed by New York and the White Sox."

FROST SHOULD KNOW

Frost Bassler, baseball star: "In the National League it will be Chicago. They have practically the same team that put on such a great winning spurt at the end of last season. The Cards are my second choice. New York will finish third and Cincinnati fourth. The acquisition of Simmons, at his apparent old time form, makes the Tigers the team to beat in the American League. It looks like the Yanks for second, Boston's high priced stars for third, and Cleveland fourth."

WATCHING the ticker is nowhere near as pleasing and profitable as watching an account grow here.

Barbara Joy—Conductor

PHI SIG FORMAL MAY 2

With the Junior Prom, scheduled for tomorrow night, the spring social season of Central State swings into shape.

Saturday, May 2, the weekend following the prom, is the date set for the Phi Sigma Epsilon annual formal. Ernie Stragne and his highly recommended band from Minneapolis will furnish the music for this always popular party, which will be given at the Hotel Whiting.

Persons wishing invitations are referred to Bud Hemmy. The tariff for the dance will be the standard price set by the Greek Council.

PAN-HELLENIC DATE CHANGED

Due to unavoidable circumstances, the date of the Pan-Hellenic formal has been changed from May 1, to the weekend following, Friday, May 8.

Excellent music has been procured for the occasion. Advisors and faculty members of each organization have been asked to chaperone. As this is the first attempt at a formal, sponsored mutually by all the Greeks, the members are particularly anxious that the dance be a success.

PLAY CAST TO BE CHOSEN

Plans are under way to give a performance of the comedy "She Stoops To Conquer" by Goldsmith at Plainfield. This play is being given as a benefit for this year's forensic awards.

Two casts from the class have been selected by Professor Burroughs, and tryouts for each part will be given next week, with special rehearsals being held this coming Tuesday and Wednesday.

RICHARDSON SPEAKS TO RURALS

The members of "Rural Life" enjoyed a particularly fine program at their regular meeting on Monday night. Miss Richardson gave a splendid report of her summer's vacation in Mexico. She remained for a long time after the adjournment answering questions of people who were interested in various features of her trip. During her talk she said she was ready to make the trip again and was looking for a traveling companion. From what we hear she will need to charter a bus.

Other numbers on the program which were applauded by a pleased audience included saxophone trios by Alden Reynolds, Norman Hinckley, and Alvin Bucholz, a declamation, "Little Sister", by Jean Doolittle, and a declamation, "A Small Sister's Reflections", by Betty Davis.

EDITOR'S NOTE:

Last week's Pointer contained a headline to the effect that Shakespeare's "She Stoops To Conquer" would be presented soon. The author of this play is Goldsmith, as we have been informed since. The mistake was entirely the fault of the headline writer—the editor—in this case, and the mistake had no connection with Jack Burroughs, who wrote the story, but not the head.

Greek Activities

By Barbara Joy

And so for another year, the curtain rings down on the pledging activities of the sororities and fraternities. After undergoing horrible tortures and mental indignities at the hands of their actives, the pledges were formally (and informally) welcomed into their respective organizations, and now may be seen strutting around the halls proud as peacocks.

Chi Deltas "ruff" them

The Chi Delta Rho fraternity was entertained at their informal (ruff) initiation last Saturday, April 18. After the initiation the pledges and actives enjoyed a feed at the Ideal Cafe. Their formal initiation was held at the Hotel Whiting, Tuesday, April 21. The ritual was performed at 6:00, followed by a banquet at 6:30. The new Chi Deltas are: Franklin Hitzke and John Krembs, Merrill; Newell Jaspersen, Port Edwards; Bernard Hastreiter, Marathon City; Don Norton, Wis. Rapids; Ray Weingartner, Gladstone; Bill Miller, Plover; and John Steiner, George Hyer, Jim Murat, and Fred Miner of Stevens Point.

Tau Gamma Beta

Tau Gamma Beta sorority held its informal initiation Wednesday night, April 22, and formally admitted their pledges into the sorority Wednesday, April 22 at Hotel Whiting. The initiation ceremony was performed at 6:00 followed by a banquet at 6:30 in the club dining room. Those girls going into the sorority were Edith and Mary Gordon of Stevens Point, and June Emery also of Stevens Point; Eleanor Theisen, Loyal; and Irene Dix, Colby.

Phi Sigma Epsilon

The Phi Sigma Epsilon fraternity's rough initiation was performed Friday night, April 17, and their formal initiation was held Tuesday, April 21, at the Phi Sig House. The ritual was read at 6:00 and the banquet for the new members followed at 6:30. The men initiated were Don Olson, Joe Hanon, Jim Pfiffner, Jerry Krembs, Carl Swanson and Ray Hodell of Stevens Point; Ernest Cater, Mosinee; La Verne Schwingle, Richland Center; Russ Way, Medford; and Ken Storaandt, West Salem.

Omega Mu Chi

Omega Mu Chi sorority held their informal initiation Saturday, April 18, and the formal ceremony was performed Tuesday night, April 21, at the Hotel, with the ritual being said at 6:00 and the banquet following it at 6:30. The following girls pledged: Zilphia Webster, Amherst; Inez Olson, Elcho; Arletta Newhouse, Marathon; Gladys Malinowski, Portage; Lucille Bleck, New London; Catherine Duskey, Wausau; and Ruth Mueller, Ruth Nason, Betty Jacobs, and Betty Schwahn of Stevens Point.

College Chorus In Demand

Glee club practise under Mr. Knutzen is in full swing in preparation for concerts to be given in the near future.

The chorus will sing at Adams on April 24, at Iola on the 29th, and at Wittenberg on May 1. The big reason for full time practise is the festival at Green Bay on June 2. Copies of the numbers to be sung at the festival have been received.

Despite the fair and promising weather the men are seldom absent from practise. It is obvious that they like both the work and their instructor.

Study DENTISTRY

Seniors are invited to write for information concerning the advantages of dentistry as a profession. Dentistry is worth while as an important division of health service.

Attendance at all dental schools in the United States has decreased 44% since 1924 because of advancing standards. The decrease will be still more marked in the near future. Dentistry therefore offers unusual opportunities.

STUDENTS PLEASE NOTICE

Students in this college have been walking off with library books from the college library. So many books have disappeared that Mr. Allez is considering closing all of the stacks. The alternative method, if the stacks are closed, will be to stand in line, order the book wanted, and have the librarian get it for you.

The disadvantages of such a plan are quite apparent and obviously ninety per cent of them react unfavorably to the students. If some method is not found whereby the missing books will be returned where they belong, the closing of the stacks will be the result in the not too distant future.

Mr. Allez has made every effort to facilitate easy withdrawal of books from the library. Unfortunately many are finding withdrawals easy without the formality of registering the books at the desk.

It is to be hoped that the good sense of many of the thoughtless offenders will result in an improvement in this situation. If there are some who cannot be appealed to on ethical grounds, perhaps the alternative of closing the stacks to general admittance will supply a practical and more forcible reminder.

It is to be hoped that Mr. Allez will be supported by the student body in this serious emergency.

COPEs ELECTED AS GRID CAPTAIN FOR 1936 SEASON

Veteran Tackle Rewarded by Athletes After 3 Season's Play

Big Oscar Copes, varsity tackle for the past three seasons and an all-conference selection, was elected captain of the Stevens Point Teachers college football team for the 1936 season. Copes hails from Tomahawk, Wis., where he was just about the whole Tomahawk team during his high school days. Standing six feet two and weighing around 220 pounds Oscar plays an aggressive game at tackle and should prove to be a capable leader. Copes was also a member of the championship Point cage squads for the past two years, serving in the role of reserve center. The choice of Copes for the football captain, along with the election of Don Johnston and Chet Rinka as co-captains in basketball, gives central State its leaders in athletics for the next school year. We feel that the athletes have made three splendid choices and wish the captains the best of luck.

College Boxers Bow To Superior

(Continued from page 3, col. 1)

to Joe Dedo, captain of the Superior boxing team, on a decision, in the 155 pound class.

In the final bout of the evening "Webb" Berard, 175, and Louie Rich, 175, fought to a draw. Rich is a football player of note and is also clever with his mitts, but Webb stayed with him all the way. Berard received the praise of Gordie Horman, one of the best inter-collegiate boxers in amateur circles, for his work in the ring.

Superior Here May 1

Although the boxing program was the first of the season for Stevens Point fighters such was not the case of Superior. Our Northern rivals have already taken part in several cards, and have defeated Michigan School of Mining, 7-1, while losing to the Wisconsin "B" team, 5-3. Therefore Superior was further advanced in its training which no doubt accounts for a good share of that victory margin. The Superior boxing team, coached by John Ennis and John Facette will meet Coach Jenkins' Pointers in a return engagement here May 1.

LET'S BACK IT RIGHT

It is sincerely hoped that the student body and townspeople of Stevens Point will give the Point boxers the same kind of support that is accorded the Superior boxing team in its home matches. A crowd of at least 800 or 900 should turn out to watch the Pointers open the local boxing season.

Normal Pointer Emerges As "The Pointer"; Men March As War Clouds Hover

By Ruth Nason

WAR ISSUES REFLECT SPIRIT OF THE DAY

Our State Normal School had already acquired the title of "The Growing School in Central Wisconsin." Similarly our Normal Pointer was gaining prestige, and, through various exchange departments, it was being read in schools all over the state.

It is interesting to see how many prominent business men of today were already pursuing their careers in 1916 and thereabouts.

James Hull was the Athletics reporter on the staff at this time. He is now a familiar figure to many students who have seen him in the "press box". Mr. Hull covers some of our college games for the Stevens Point Journal, of which he is the City Editor.

LOYOLA CLUB ORGANIZED

The Loyola Club was organized at this time under its first president, Harold P. Brady. The idea for this club was first initiated by Reverend W. J. Rice, pastor of St. Stephens Catholic church. Loyola was organized for the purpose of bringing students of this faith into closer relationships and is still active in this same endeavor today.

300th ANNIVERSARY OF SHAKESPEARE'S DEATH NOTED

Several dramatic productions were being offered. Many of the departments gave plays which were very successful, especially in a financial way. A town-talent operetta was given in our auditorium, also. Shakespeare was honored in a memorial program on May 5, 1916. Ferdinand Hirzy was the trumpeter. It must have been quite a program. Mr. Hirzy is one of our most famous alumni. He has done much to promote athletics in all of our local schools, and is held high in the estimation of all students. I think that all of the students have noticed the absence of dramatic productions by departments or classes this year and are welcoming the forthcoming play of the Play Production 120 class under Mr. Burroughs. In this Shakespeare Memorial Program twenty years ago, Jacques, from As You Like It, was a main character.

When Volume XXII was published in December 1916, the staff, under Charles T. Burns, decided upon a new presentation. It was planned to specialize or feature each issue with some department or phase of school life. The idea was a popular one and worked well.

As football season had just closed, it was appropriate that the first issue be of an athletic nature. (That was the year we trounced Superior—73 to 0.) Although the team had not won the championship, they had done well and fought hard, so they were rewarded with a banquet and a celebration.

In the June issue of 1917, much of the space is devoted to very serious subjects. After a long farewell message to those students who were graduating, Professor Hyer contributed a touching article in tribute to the Volunteers. It is rather shocking to realize that it wasn't many years ago that some of the students from Central State Teachers College were offering their lives to their country. Professor Hyer paid them a beautiful and stirring tribute.

NORMAL POINTER BECOMES "THE POINTER"

Series Number Two began on November 27, 1919. The name of our school paper was changed at this time, and it now was known as The Pointer. Its form has just become familiar. The size, headlines, departments, and advertisements all are similar to those of our present Pointer. Many familiar names are present on this staff. Bertha Glennon, with her Irish slant on things, was Humor Editor, and I don't know of anyone who could do a much better job. She is now the capable head of the English department at the Stevens Point High School. Edith Calkins, also a well-known teacher at the local high school, was an associate editor. H. R. Steiner and May Roach were the Alumni Representatives. Other familiar names are Harold Scribner, Leonard Nohr, Loretta Pagel, Doris Shumway, and Russell Broten.

ON THE AIR Jack Burroughs—Conductor

The Chi Delta Rho Fraternity along with "colleegers" acted in capacity of guest artists on the radio hour last Monday. Both organizations did a fine piece of work. The Chi Deltas gave their Mardi Gras "The Peerless Buggy Whip" program (the horsiest program on the air) with "Len Scheel" as M. C. "brought 'em out in the aisles". The Colleegers gave their version of that epic "The Bullfrog on the Bank".

"Swing's" Band brought forth several new numbers—all in all very well done.

This Friday plans are being made to broadcast the District Forensic Meet.

RADIO CREW COVERS FESTIVAL

The radio personnel did a splendid job last Saturday in broadcasting the Festival. Jack Burroughs announced the bit (with Swing as "feeder" and our technician Colby arranging the broadcast) and "Jimmie" turned out a fine piece of work.

Today's "Cleaned Winged Hearth" will feature Barbara Wade who will read contemporary poetry. Kirkwood Likes will give several of his lovely vocal solos accompanied by Janet Joosten at the piano.

Mention "The Pointer"
