Men's Chorus in Tour Series

Annual Tour Over For C. S. T. C. Band

Peter J. Michelsen and his C. S. T. C. band, as the organization was termed in Green Bay, returned last Friday, having played their last concert at Weyauwega. From the stories which are in circulation, a great time was had by all. The high light of the trip was perhaps the visit to the State Reformatory at Green Bay.

C. M. T. C. Enrollment

Started March 1st

President F. S. Hyer has received notification of his appointment as Chairman of the Portage County Enrollment Committee for the Citizen's Military Training Camps.

Memberships Much in Demand

Enrollment for the 1936 summer camps began March first. Citizens Military Training Camps play an important part in the scheme of national defense. Young men from 17 to 24 years of age are brought together under the same circumstances. They are taught discipline and also to appreciate the other fellow's point of view. These camps, which are the outgrowth of the Plattsburg camps of 1913 and 1914, have been in constant operation since 1921. There are normally three applications for every camp vacancy. The number of applicants accepted depends upon the War Department's appropriation.

Girls' Glee Club Rehearses Easter Song Program

That sprightly group of singers, the Girl's Glee Club, has been busily engaged in rehearsing and mastering a colorful repertoire. Peter J. Michelsen, the director, has further unified the group this second semester so that the divisors are better balanced for four part singing.

An Easter program is in preparation and it will well repay the student body to attend. "Queen of the Heaven from Cavalleria Rusticana" by Mascagni and Handel's "Holy Art Thou from Xerxes" are being made ready for concert rendition. Among lighter numbers, the group is interpreting "Shout Him Bread" with Mr. Nelsonoff's facial contortions, a Song in the Night, and Lullaby by Brahms.

Central State Band Sponsors Movie

The college band will sponsor a double feature theatre party at the Fox on March 16th, 17th, and 18th. The pictures are "Professional Soldiers" starring Freddie Bartholow and Victor McLeaglen, plus the Jones Family in "Every Saturday Night".

Victor McLaeglen has left a double feature theatre-loving public through his "hard-boiled" service man roles, such as in "What Price Glory". This new laurels to his fame in "Professional Soldier".

Victor McLaeglen last week won the distinguished service award from the Academy of Motion Picture Arts and Sciences, the highest honors to be won in the American theatre-loving public.

Advice to Pledges

With the coming of the pledging season every year there are always a lot of bewildered pledges who just don't know how to take all the deeply intellectual instructions handed to them. Consequently, they are always eager for a little enlightening advice on these matters. To summarize briefly the best way to make yourself popular with the actives is:

1. Pass them unnoticed in the halls or on the streets—Be aloof, they'll love it.
2. Never speak to them unless approached directly—Be nonchalant, call them by their last names only.
3. Always forget about the little jobs or duties they assign you—they never mean them. But if you do happen to get in on an ironing or pressing job, just savor the article a bit—it's a sure cure.
4. Always ask the actives to exchange swats with you—they'll appreciate you're wanting to be just.

Thursday morning sees the club at Por­lage with an evening concert in Manitowoc the same day. Two pro­grams will be given at Baraboo on Friday, March 20th.

Week-end at Stevens Point

Saturday night will be spent at Stevens Point and Sunday the chorus will start to travel in the other direction, singing in the afternoon at Shawano and in the evening at Green Bay. Manitowoc will be the final stop. An afternoon concert will be given, and a potential radio broadcast is tentatively scheduled.

Winner To Go To Madison

It is interesting to note that two of the men affiliated with this regional contest, Earl Kjer and Mr. Neuwel, the latter principal at Attica, were respondents in the speech department in Central State Teachers College some years ago.

Each school that competed were Tomah, Mat­ton and Oconto Falls.

High School Dramatic Teams Guests Here Yesterday

High School Inter-District dramatic teams, consisting of La Crosse, Oshkosh and Stevens Point as contesting representatives, were the guests of Central State yesterday. The high schools that competed were Tomah, Mat­ton and Oconto Falls.

Before going into the actual mechanism of the construction of the Pointer may we first tell you something of the members of its staff?

ASSISTANT EDITOR

Bill Thiesen, of Loyal, Wis., is the associate editor. This is Bill’s second year on the staff. He served as a reporter last year. Bill is a member of the Band and the Glee Club, also a member of the Sigma Zeta, a national honorary science society. The associate editor is also interested in stage work and has taken part in many musical plays. "Tebe" is an A student, a member of the Loyola club, Chi Delta Rho fraternity, and the Junior class. Don’s part in the Pointers is to carry him into baseball (pitcher), football (back), basketball (forward present captain), and sports writing, which position as sports editor he fills on the Pointer. Baseball is Don’s first and biggest attraction, and the "Cubs" is his favorite team; sports his favorite hobby, recreation, reading, and music, or what have you. Don is a Senior and member of Chi Delta Rho fraternity.

ASSISTANT SPORTS EDITOR

Francis Bremmer (Stevens Point) is a Senior, and he is serving his first year on the Pointer staff. Because of efficient reporting work he was promoted to assistant sports editor, for he has taken part in all sports programs. Mr. Bremmer is now co-editor of the '38 Iris year book.

WOMEN'S SPORTS EDITOR

This all-rounder athlete takes part in all sports, and was selected as a member of the Pointer’s All-Star basketball team last year at the conclusion of the women’s basketball tourney. Maxine is a Junior, and a member of Omega Mu Chi sorority. She is also the Sigma Zeta national honorary science society. COLLEGE NEWS BRIEFS

Musical Program Enjoyed
An appreciative audience attended a musical program presented in the college auditorium last Monday evening. The group of entertainers consisted of Vera Gillette and Vincent Micari, duo pianists, Harry Sukman, pianist, and Leola Allman, coloratura soprano.

The enjoyment derived from the recital repaid those who braved the water and slush covering the streets to attend the concert.

Omega Pledge Ten
The pledging service for the Omega Mu Chi Sorority was held last Tuesday evening at the home of Maxine Miner. Luncheon was served following the service.

The girls pledging to the sorority were: Betty Schwanh, Betty Jacobs, Ruth Mueller and Ruth Nason, all of Stevens Point, John Olson, Elcho; Lucile Blech, New London; Gladys Malenowake, Portage; Arletta Nowhouse, Marathon; Virginia Webster, Lamhurst; and Kathryn Duskey, Wausau.

Chi Delta Pledge Eleven
At its fraternity rush downtown, ten men became pledges of the Chi Delta Rho fraternity last Sunday evening.

The following men were pledged: Frank Hitzke, Merrill; Newell Jaasper, Port Edwards; John Krembs, Merrill; Bill Miller, Poverty Bay; Bernard Hasstreet, Rib Falls; Bay Weirharter, Gladstone, Michigan; Don Norten, Wisconsin Rapids; John Steiner, George Hyer, Jim Murat, and Fred Nickelson of Stevens Point.

Annual French Trip
Miss Mildred Davis is planning to take a number of French students to Madison on April fourth to attend the play, "Le Barbier de Seville," by Beaumarchais. The play is to be presented at Bascom Hall.

This play will be dramatized by members of the French department of the University of Wisconsin.

Le Barbier de Seville was first produced in February, 1775. It is representative of the author's love for Spanish music.

Radio Programs Presented
To begin this "lyr" column" we emphatically wish to make mention that we were in no way responsible for those ungodly "songs" which passed as "Mountain Music". For complaints, send your queries to Monsieurs Schwingle and Kilmer.

Except for the "artistic" exception (excusable) the "hour" represented the usual fine display of Central State's talent.

Next Monday's program will feature the Tau Gamma Beta Sorority (sound effects by B. Joy) and promises to be interesting. And to those of the "Cleaned Winged Hearth" every Thursday at 3:30 in the auditorium.

BAND AFTERMATH
The annual band pilgrimage is over. For the band members pleasant memories will remain of the hospitable treatment accorded them by the parties among whom their lot was cast while on tour.

The audiences who attended the various concerts must have been well repaid, if we are to judge by the corresponding receipts from various points of contact, excerpts from which are herein included.

The band played to over 5000 persons. Balancing the costs of contacting each individual if one were inclined to circularize, the individual cost per person contacted favors the band trip method.

From Oshkosh State Teachers College:
"Your band was beautiful today, they play so very well. We are glad that they stopped here."
—Florence Case, chairman-Assembly Committee.

From Green Bay (Green Bay Press Gazette)
March 5 Issue:
"Completely holding its audience in the spell of beautiful music, wonderfully played, the Central State Teachers College band more than lived up to its reputation as one of the best bands in the state, when it played last night at East High School. Directed by Peter J. Michelsen, who is considered one of the most excellent conductors in Wisconsin, the band presented a program calculated to please the most varied tastes... the audience responded enthusiastically."

Duluth Teachers
Win 16 Straight

The Duluth Teachers have won sixteen straight games, eight of these in the Minnesota Teachers Conference. The non-conference games include 36-32 and 48-31 wins over Superior Teachers.

This is the third straight championship for Coach Peterson's "Bulldogs", and the Duluth student paper, the Chronicle, calls the team "one of the greatest basketball teams ever developed in the northwest". John Tesar, Maurice Gorham, Louis Barle and Ray Moren, and Captain Vacinich are the first string five.

Evidently, a game between Duluth and Central State would be "a natural", with one defeated string of fifteen meeting up with another of sixteen victories. At any rate it's good chaff for the "heat-stove" league.

Results of Thursday's (Mar. 5) games:

In the opening game of the men's intra-mural the Holy Terrors were defeated by the Hawkeyes by a 26-22 score. Joe Szsmanski of the Terrors had a big day of it, collecting seven field goals. Don Norton was outstanding for the Hawkeyes with seven buckets. The lineups:

In the second game of Thursday, March 5, the Chi Delta Rho fraternity team were victors over the Bluejays by a 28-19 score. Ted Mezal was high scorer for the Greeks with seven field goals and two free throws, and two out of three falls. "Red" Miller, of the Bluejays reserves, led the Bluejay's scoring efforts with three field goals and a free throw. The lineups:

HE WHO LAUGHS LAST
By BI

Well, our old Milwaukee friend McGrath, with whom the columnists of the Milwaukee Echo, in the pleasure of dreaming last season, is indulging in his typical whimsical fashion of dreaming out loud (see Don's Column) in the Milwaukee Echo, student publication of the Milwaukee State Teacher's College, issue of February 20.

Last year you will remember friend McGrath said of the '35 Championship Point team (before the season opened) "They ought to beat Oshkosh".

The Milwaukee forecaster (1) further attempted to dope the other state college games a recent week-end. Here are his choices:

1. Milwaukee over Stevens Point by 10 points.
2. Oshkosh over Platteville by 3 points.
3. Superior over Eau Claire by 20 points.

Here are the actual results:

1. Milwaukee 31; Point 29.
2. Oshkosh 26; Platteville 30.
3. Superior 30; Eau Claire 33.

A mere trifile of 50 points out of the way! It's our bet that McGrath is a Republican. They've been guessing wrong for years.

NELSON HALL NOTES

Miss Alice Martin, graduate of C. S. T. C. and former Dormite visited here Sunday afternoon. Where was Bremmer those few minutes?

How do you like our work of art, on the porch roof? Careful girls, you're being watched.

Many of the dormites are becoming domestic. Knitting, crocheting, cross-stitching, etc., are fast becoming fads.

Watch the date for our first meeting of the "dance club" to be held in our newly decorated rec. room. "Is going to be good."

But, bet you wonder why all the dorm girls are right up in there, when it comes to humming the latest song hits? We all listen to the "Hit Parade" each Saturday night.

Adeline Goeth, Emed Rade­maecher and Dorothy Erickson, attended the Band trip last week.

Van Johnson went to Madison Sunday.

Miss Naomi Johnson was unexpectedly called home, to Rhinelander, Sunday, by the death of her grandmother. She expects to return by Wednesday. We all extend our sincere sympathy, Naomi.

But returning to the Band trip, our Home was more occupied between the hours of 7:00 and 10:30, p. m., than it has been all year.

CAGERS WIN 15 GAMES IN ROW

POINTERs FINISH SEASON BY TAKING WHITawiTER 54-36

AUSTIN SCORES 20 FOR IN-VADERS, RINKA TALLIES 17 FOR KOTALMEN

Coach Eddie Kotal’s Pointers closed one of the most successful cage seasons in the school’s history. The program was crowned by winning the Whitewater last Thursday, 54-36. The victory was the fifteenth straight for Stevens Point, and also gave the Pointers their first appearance in another of Eddie Kotal’s championship teams. A program was presented with a large silver trophy inscribed, “To Coach E. L. Kotal, in recognition of a fine team of 1936-37 quintet.”

JOHNSON A VETERAN

Don Johnston, star guard, and Chet Rinka, sharp shooting forward, were elected co-captains of the 1936-37 Stevens Point Teachers College basketball team. The election took place during a banquet held at the Hotel Whitting in honor of the champions. Rinka and Johnston were voted the most vital cogs in Coach Eddie Kotal’s splendid machine during the season just concluded, and showed themselves to be excellent leaders in next season’s quest for another title.

JOHNSTON STARS AT GUARD

Johnston hails from Appleton and has just completed his second season as a regular guard on the Stevens Point college team. Don won all-conference honors last year and is a cinch to repeat this season. He is a clever dribbler and narrowed by Autin, who talled eleven points in the first half, ralled and the half ended, 23-16.

POINT STEPS OUT

The Agnewmen threatened mildly shortly after the start of the last period a challenge to the regular eight. Stevens Point’s lead to 27-22. Then the Pointers spurred far into the lead and were never in danger again. Kotal inserted a reserve five midway in the last half and then shot his regulars back into action with six minutes to play and the score standing 44-31. Johnston and Rinka scored ten points between them while Austin, Hull, and Player talled for the invaders. Nimz scored from under the hoop as the game ended to make the final score, 54-36.

LAST GAME FOR THREE

Austin scored six baskets and eight free throws to take high honors with half a school record. Nimz scored the last 9-3 afternoon, having 15 points. Chet Rinka, sharpshooting Point forward, was close behind with seventeen points. As usual the Point guards all helped themselves to plenty of points.

Unfirth and Johnston having nine, while Nimz and Linden each collected eight. The officials had

RINKA REALLY SINKS ‘EM

Chet Rinka starred during his prep days at Stevens Point under H. A. Uhl. He also has just completed his second year as a member of the Pointers. Rinka is a deadly shot from any angle, and is especially adept at long range goals. Chet really found himself this year and finished among the leading scorers of the conference. His was the ideal build for a basketball player, is a splendid team man, and deserves an all-conference berth by his steady play all season.

BEST WISHES

There we have the leaders of our next season’s basketball team. In the Point’s 15 game schedule this year they scored 100 baskets and 44 free throws between them for a total of 244 points. Team mates have the utmost confidence in Chettie and Don, and we are expecting them to bring home the bacon again next year. Congratulations, Don and Chet!

RINKA—JOHNSTON CO-CAPTAINS OF 1936-37 QUINcEt

The Agnewmen threatened mildly shortly after the start of the last period a challenge to the regular eight. Stevens Point’s lead to 27-22. Then the Pointers spurred far into the lead and were never in danger again. Kotal inserted a reserve five midway in the last half and then shot his regulars back into action with six minutes to play and the score standing 44-31. Johnston and Rinka scored ten points between them while Austin, Hull, and Player talled for the invaders. Nimz scored from under the hoop as the game ended to make the final score, 54-36.

LAST GAME FOR THREE

Austin scored six baskets and eight free throws to take high honors with half a school record. Nimz scored the last 9-3 afternoon, having 15 points. Chet Rinka, sharpshooting Point forward, was close behind with seventeen points. As usual the Point guards all helped themselves to plenty of points.

Unfirth and Johnston having nine, while Nimz and Linden each collected eight. The officials had

MILWAUKEE SWAN SONG

by DON

The following was taken from the February 26 issue of the Milwaukee Echo.

“Heartened by their 43-38 victory over the strong Oshkosh five, Milwaukee’s Green Gulls will enter the league-leading Stevens Point team Friday in what amounts to the title game. Since the Pointers have given the local team its only conference defeat of the season, the Gulls are looking forward to upsetting the state team with considerable relish.

(They must have eaten the relish for supper—S. P. Sports Editor’s note.)

HEH! HEH!

“Penwell does not anticipate a hard contest from the invaders, Stevens Point, his chief worry this year has been the Rawhide. (Oshkosh at the present writing has been nosed out of the cellar by Whitewater—S. P. Sports Editor.) A victory for Milwaukee will boost the local team into a tie for the lead and very probably the title.”

WON’T PAY-OFF—NO PLAY-OFF

“Stevens Point has only to face the outclassed Whitewater team. Should a tie occur, both teams will take the regular season with seven victories and one defeat, a play-off game is likely.”

NIMZ SHOWS ‘EM UP

Incidentally the Milwaukee Sports writer (McGrath) also mentioned, in a previous issue, that Rhemstedt of Platteville and Dassow of Milwaukee are the outstanding centers in our conference. Well, maybe those 16 points by Fred Nimz at Milwaukee set the Milwaukecite scribe back on the right track.

POINTERs NOT TO ENTER TOURNAMENT AT MILWAUKEE

The Athletic Committee held a meeting the last part of last week and voted unanimously against having Stevens Point Teachers College enter the A. U. Cage Tournament being held this week in Milwaukee. The expense involved and the missing of classes were among the reasons given for refusing to enter the trials for the Olympics. In view of the fact that prominent teams of this state are sending bids to Olympic Trial Tournaments it would seem as though the Olympic basketball idea is turning out to be somewhat in the nature of a flop. Among those teams rejecting bids are Notre Dame, Purdue, Indiana, Ohio State, Illinois, Iowa, Illinois Wesleyan, and many others.

LOOKS BAD--With all these new locks they are putting on the doors it's getting so that even the faculty can't get in. (Ed. Note: With the new marking system it'll probably be even tougher to get out!)

ATTENTION COACH JENKINS! Bill Bretzke has gone in for "fist-cuffin". Seems that the other day when Bill was going home from school a misdirected snowball glanced off his eranium. His ire aroused, Bill began to flail the hurler of the ill fated missile with his two appendages. There's a box fighter for our college team.

THE HEIGHT OF SOMETHING--OR OTHER
Ron Murray, regular official in the Wisconsin Valley Conference, forgot to report even entering an intra-mural game the other night for the Chi Delts, so Bill Dagneau called a technical foul on him. How come, Ron? Is this a case of "do as I say"--not "do as I do"?

SOME ATTRACTION?
A new high was reached this semester for students farthest away from home by Phyllis Gikling of Lake Placid, N. Y., and all day it was 80-85 degrees. We came through a large irrigated region and the grapefruit and oranges were pulling the trees down (Arizona).

Bob got left behind 15 miles to-dam of water and he almost burned up from heat before we found out and went back for him."

DEBATE NEWS
NORTHWEST DEBATE TOURNAMENT

Sunday morning, March first, Jack Burroughes, George Hyer and Arba Shorey left by train for St. Paul to be followed in the afternoon by Michael Zyka, Virginia Watson, Jane Reedal, Mrs. Schmeekle and Mr. Burroughes via automobile for the Northwest Debate Tournament. Mrs. Schmeekle also accompanied the party.

HYER-SHOREY GO FAR
The team of George Hyer and Arba Shorey participated in eight rounds of debate before it was eliminated by Hamlin University and Kearney State Teachers College of Nebraska. When we realize that the team from Hamlin won second place in the National Tournament last year, and that Kearney State Teachers College won the Southwest Tournament, defeating Hastings Nebraska twice, we feel that they made an excellent showing. They were also responsible for the elimination of Hastings, Nebraska in the sixth round.

Wednesday morning, Arba Shorey, having completed his debate activities, left St. Paul, Minn. via the new "Hawthorn" for his newly achieved position in Elmhurst, Ill.

BURROUGHS-ZYLKA ELIMINATED
Competition in this tournament was very keen and the other two teams, Jack Burroughes, Michael Zyka and Virigna Watson, Jane Reedal won one debate and lost three the first day, thus being eliminated.

This St. Thomas Tournament concluded the debate activities for Central State this season and will be long remembered. In actual percentages of all the debates we have participated in this season we find that we rank near the top. The Pointer

NIMZ ON SICK LIST
After last Thursday's game with Whitewater Fred Nimz, Point's great center, went right back to his sick bed and remained there several days. Due to his illness Fred was unable to attend Sunday's banquet, but, instead, had to remain in bed. So you see Nimz was a present boy during that game, but you just couldn't keep him out of action. Incidentally it was just a year ago but that is a record to be proud of, especially when you consider the fact that in one game alone Whitewater lost four men on fouls.

REMARKABLE RECORD
When Oscar Copes left the game on four personals against Whitewater last week it was only the second time in 15 games that any of Kotel's men were forced out of the game on fouls. Fred Nimz received that doubtful honor on last March 15, and he was ejected on fouls down at Platteville. It seems to us as though that is a record to be proud of, especially when you consider the fact that in one game alone Whitewater lost four men on fouls.

TRIBUTE TO THE TEAM
Harry Ringdahl, popular Steve's Point coach, paid the Point Men the compliment at Sunday's banquet when he said, "This season's team is the best I've ever seen play for Steve's Point Teachers College and I've been here a long time."

HIGH SCORING AUSTIN
Austin, Whitewater's ace center, who is only a freshman, certainly looked good here in last Thursday's game against the Pointers when he scored 29 points. However, it seems as though he was merely warming up for the following night, when he plunked in 21 points against Oshkosh, giving his team its only conference victory of the season.

COACHES PRESENT
Several notables were in attendance at the Sunday banquet held at the Hotel Whiting. Among the High School coaches present were Karl Klandrud, Wis. Rapids, Palmer Macmillan, Merrill, Ringdahl and Bostad of Stevens Point, and Kirk of Antigo. Mr. Marrs, regiment of Stevens Point, along with the Atheltic committee, consisting of Profs. Steiner, Watson, Schmeekle, and Rightwell, and President Hyer were also on hand.

Men's Chorus on Tour
(Continued from page 1, col. 4)

SOSOLS, QUARTETS EXTRA

The school bus and several cars have been engaged to transport the club on this tour. In many towns entertainment is being provided for the club in the form of sight seeing tours. In Manitowoc, the special use of the school's swimming pool has been promised. The program will include solos, quartet numbers and instrumental numbers besides the regular chorus arrangements. Soloists are: F. Parfrey, flute-pipecolo, Jim Pfeiffer, cornet; Joe Pfeiffer, K. Lutes, and B. Thesen vocalists. A sax quartet, consisting of Eyler, Abrahamson, Joe Pfeiffer, and John Steiner, plays a number of novelty arrangements. O. Faust is the piano accompanist for the chorus.

HOME CONCERT CHANGED
The date for the home concert of the chorus has been changed to Tuesday, March 31. The men should be in top shape for their final appearance after five weeks' rest from their seven day tour.

Bill Larson, president of the group, has worked with Mr. Knutzen in arranging the trip. With the repertoire that the organization has, the librarian, Sherman Groves, has certainly had his work cut-out for him lately.
