

## "Anthony Adverse"; Glee Club Benefit

The Men's Glee Club has secured the movie, "Anthony Adverse" for their benefit this year. Although the exact date has not been set, the ticket sale, which is to be handled by the members of the Glee Club, will begin just as soon as the tickets arrive. Because of the high reputation of the movie, the Glee Club expects to make this a successful financial undertaking. The money that is raised will be used to help defray expenses of several trips which are being planned.

## Aids In Answering Radio Questionnaire

Students who fill out a questionnaire which came out with this issue of "The Pointer" are asked to follow these directions.

Individuals will place their name, local address, telephone number, and home address in the spaces provided; groups who wish to appear must fill in the names of all the members on the blank.

Since all types of talent can not be covered on these short questionnaires, you are asked to be specific concerning what type of entertainment ability you have. If your particular line is not covered under musical, dramatic, speech, or vaudeville, describe it accurately under miscellaneous.

## Chorus Class Successful; Band Personnel Listed

The course in chorus directing which was started by Professor Michelsen last week held its first meeting Monday. The popularity of the course is shown by the fact that already eighteen students have signed up for it. The class is given Mondays and Wednesdays at 1:15.

Professor Michelsen has turned the directing of the band at football and basketball games this year over to the members of his band directing course. Last Saturday this work was handled by Ben Goldberg.

The completed list of band members is as follows:

### Flute:

Fred Parfrey, LuCele Beppler, Alice Bentz;

### Oboe:

John Steiner, Marion Marshall;

### Bassoon:

Lorraine Anderson, Richard Colby;

### Clarinet:

Ben Goldberg, Kenneth Storandt, Gerald Eyer, Ralph Abrahamson, L. Schwingel, Israel Mannis, Gilbert Faust, Clifton Fonstad, Philip Waisen-

## Radio Committee Forms Schedule

### Teachers Enroll For Night School

The number of persons enrolled in night school Tuesday was 124. This number will undoubtedly go up beyond 150 in the next few weeks. Last year's enrollment was 215.

The schedule of night school classes is as follows: From 5 p. m. to 6:30 p. m.: Steiner—Hist. 504 (Rep. Americans); Colman—Ed. 223 (Prin. of Ed.); Carlsten—Art 105 (Drawing); Hanson—Geog. 109 (Europe); Schmeckle—Conservation.

From 6:30 to 8 o'clock: Watson—Geog. 205 (Africa-Australia); Neale—S. S. 203 (American Gov't); Jenkins—Hist. 116 (American Hist. 2); Herrick—Ed. 219 (Tests, Measurements); Knutzen—Eng. 217 (New Eng. Circle); Thompson—Math. 105 (College Algebra); Reppen—S. S. 104 (Economics); Rogers—Chem. 203 (Physiol. Chem.).

Classes from 8 p. m. to 9 o'clock are: Tolo—Hist. 103 (Med. History); Hanna—Eng. 109 (Eng. Lit. Survey); Matravers—Ed. 226 (Ed. Psych.); Burroughs—Eng. 209 (Shakespeare); Thompson—Math. 105; Reppen—S. S. 104; Rogers—Chem. 203.

### Demonstration School Improved Recently

Extensive improvements have been made this year in the demonstration school located on the east side of the college campus. All of the rooms in the building have been redecorated, making the interior more modern and comfortable. Furnace improvements are under way to facilitate heating and to give the building air-conditioning. Roof insulation has been installed, and new screens and storm windows have been provided for the windows.

The school, in which students of the rural department are given practice work, has as its pupils 48 children from a rural district who are transported to and from school by bus. The bus which has been in use has also been replaced by a new and larger one which will seat 54 children.

At a school meeting held recently in the district from which the children come, it was voted to continue sending them for three years; a fact which signifies the success of the project in educating rural children.

### George Hyer Undergoes Operation For Appendicitis

George Hyer was operated upon for acute appendicitis early Sunday morning. He was admitted to St. Michael's Hospital at two o'clock. His condition has greatly improved and friends are invited to visit him. The entire student body wishes him a speedy recovery and hopes that he will be about school in a few days.

### Former Grad Unriddles Present Naming Of Annual

To most students who have taken it for granted that the college annual has always been called "The Iris", this item should prove of interest. A quotation contained in a letter received by Dean Herbert R. Steiner from an alumnus of this school, Mr. R. E. Brasure, who is Principal of the Hartford City High School District, relates the following interesting information on how "The Iris" got its name:

"For some unknown reason a copy of 'The Pointer', series 3, volume 7, No. 28, on the date of May 18, 1933, has just come into my hands. I find under the head 'Eddie Discovers Somethin'', a paragraph of the early naming of 'The Iris' which is the annual of the college. I was there during the days when the annual was called 'The Summum'. The article says that the first issue of the annual under the name of 'Iris' was in the spring of 1907.

This is the situation, as I remember very definitely. J. Howard Browne was editor of the final annual during the year 1905-1906. I was on the staff of the business side of it. Due to some unfortunate circumstances, the business manager dropped from the staff and as an assistant, I assumed a considerable part of the business end of the proposition. That was the year the name of the annual was changed from 'The Summum' to 'The Iris'. It is my memory that Mr. J. Howard Browne, who was indeed a very efficient editor and a mighty pleasant and agreeable person with whom to work, should be given the credit for the naming of the annual to the name by which it is still known—"The Iris".

## Notice!

10:00 and 11:00 classes of yesterday will meet today at 10 and 11.

### Regular Weekly Spot Programs Announced

Regular time on the air has already begun with the student interview broadcast held Tuesday at 4:00 at the east entrance to the building. These "voice of the students" broadcasts will be a regular feature every Tuesday at four o'clock. The places at which the "mike" will be set up will not be announced until time for the broadcast, in order to avoid a formal atmosphere.

### Student Programs Soon

"Spot broadcasts" will be put on every Thursday at 4:00. The microphone will be set up in different departments of the building and broadcasts held "on the spot." The location for to-day's program is to be the library.

Regular school programs featuring the band, glee clubs, soloists and guest artists will begin as soon as technical equipment is acquired. A report is being prepared for President Hyer and the faculty committee in an attempt to get technical equipment which will make more elaborate broadcasts possible.

The questionnaires which were discussed in last week's issue of the Pointer are out and students who wish a tryout before the booking committee will be asked to fill them out. Although it is necessary to fill out a blank before tryouts are granted, anyone who fills out a blank is not obligated in any sense to appear.

### Staffs Still Open

The various departments—technical, audition, booking, and publicity—still have a few vacancies for students who are interested in the work.

### Girl Singers Begin Regular Practices

The Girls Glee Club has begun its regular practices. They meet on Tuesdays and Thursdays at 4:00. Director Michelsen announced that only four-part music will be used this year for concerts.

The organization is made up of about 50 of the 100 members who have tried out for it. These were chosen on the basis of tryouts which were held.

Officers for this year were elected at the last meeting of the Glee Club in '35-'36. They are: President, Leda Marie Bassler; Secretary-Treasurer, Geraldine Pagenkoff; Reporter, Jean Redeman.

Published Weekly except holidays and examination periods, at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

### Are We Too Used To Champions?

Did anyone notice the lack of cheering at the Jordan game? Surely some one must have noticed it. And just as surely there must be someone who was sufficiently incensed to appoint himself leader at our next game. Even in the high schools from which we came, and upon whose noisy display we sometimes now look with condescension, there was seldom a lack of interest at athletic events. Coach Kotal has a winning team on the field. It is entitled to all the cheering that the student body can muster. Let's have some organization in this matter.

### Regarding Student Opinion

This office lately received a very good letter regarding a student's opinion on the N. Y. A. situation in this college. Unfortunately, he forgot to sign his name. If he had, it might have been possible to publish part of his note.

However, do not get the impression that just anything that is written by a student can be published, provided that he signs his name. The editor of a paper is always personally responsible for anything that is in his sheet, even though the questionable and even libelous material may have been written by another person.

Do not let this deter anyone who really has some intelligent and reasonable criticism or comment to make. The Pointer has always welcomed as much student opinion as it can get.

### Anniversary Noted

Sept. 26 marked the 6th anniversary of President Hyer's coming to Central State. This column has already reviewed many of the important changes which began with his appearance. In addition to the increased success of the athletic, music, and forensic departments, there has been a marked rise in the prestige of the college. To quote from last year's Pointer, "Intangible, but of a distinctly recognizable quality, has been the advance in scholastic endeavor and faculty progress." Congratulations, Mr. Hyer.

## Greek Activities

### Council Convenes

The Greek Council set the all-important dates for rushing, pledging, and "Hell" week at a meeting last Thursday.

Formal rushing will begin on October fifth, with pledging starting October thirteenth. Then beware, ye pledges, for "Hell" week lags from November tenth to the sixteenth.

After the sororities and fraternities formally initiate their pledges, a Pan-Hellenic Dance has been planned for Friday, November twentieth.

### Chi Delt "House-warming"

Chi Delta Rho Fraternity formally completed its entry into its new house last Sunday night when it held a "house-warming" party. The sixteen couples who attended were entertained with card playing and later served a lunch. Mr. Allez and Mr. Rightsell, faculty advisors, and Mrs. Carlson, house-mother, were among the guests.

## Personalities

Mr. Schmeekle surprised his adherents last Monday by appearing in the halls wearing a sixteen inch sun-flower. This would seem to indicate to the uninitiated the trend of Mr. Schmeekle's political views, but we think that he took it from his garden to feed all the little canaries here in school.

Ellery Bassler, senior, unintentionally pulled a prize boner the other day in chemistry lab. He connected his bunsen burner in the approved manner, struck a match to light it, and turned on the valve. Imagine his chagrin when a fine stream of water arose from the burner and extinguished his match.

### Fall Sports

The sport's season for girls opens this week. If you are interested in dancing, tennis, archery, hockey, or volley ball, be sure to sign up for them on the W. A. A. bulletin board. No previous experience is required of any participant in these sports.

The following schedule will be carried out:

**Mon. and Wed. 4:00-5:00**

Tennis

Archery

Hockey

**Tues. and Thurs. 4:00-5:00**

Volleyball

**Tues. and Thurs. 5:00-6:00**

Dancing

There's a sport here for every girl. Why don't you come out and try one?

### W. A. A. Picnic

Eighty-five girls celebrated the annual W. A. A. picnic on Tuesday, Sept. 22. The more energetic ladies hiked out to Robertson Park while the others hitch-hiked in the school bus.

The girls were divided into two teams—the purple and the gold. Various games were played, such as volley ball, cage ball, and kitten ball. At the end of these activities—and even before—the thought of food became uppermost in everyone's mind, so chili, doughnuts, apples, and coffee were served in cafeteria style by the old members of W. A. A.

## Photo Club Initiates

Announcement has just been made of the selection of fourteen new members to the Photo Club. Those who will join the ranks of the amateur photographers are as follows: George Church, Harold Dent, Betty Peterson, Zilphia Webster, William Miller, Marguerite Cook, Earl Shearier, Ruth Smith, Roland Cady, Ethel Stoltenberg, Grace Morgan, Marjorie Warner, Clifford Sprague, and Janice Berens.

The first regular meeting was held Wednesday, September 30. Election of officers was held.

## Dance Highly Pleasing

A large crowd and pleasing music made the dance Saturday night an extremely successful evening. The party, which was sponsored by Chi Delta Rho fraternity, marked the beginning of the week-end dances given by various organizations. Many of our victorious football heroes were there, while even a few dejected Jordan players were present.

Benny Graham and his orchestra furnished the music for the evening.

### Gets Prized Position

Aaron Mannis, who was graduated from C. S. T. C. in '35, recently received a highly sought after teaching position at the Wisconsin Rapids High School. His entire work will consist in training and directing the band.

Mannis had formerly been teaching in Colby, where he directed the band in addition to teaching several subjects.

### Students In Accident

Ted Ketterl, driving a Ford sedan while coming to Stevens Point

from a picnic at Red Bridge last Friday evening, collided with a car driven by F. A. Love, a local insurance man. Love was alone, while Don Norton, Jeanette Van Natta, and Margaret Kratz were with Ketterl. Love received a severe scalp wound. None of the other persons was injured.

## Webster Suffers Injury

Zilphia Webster is in the St. Michael's Hospital in this city recovering from a compound fracture of the left ankle, which she sustained when the car in which she was riding collided with another car. Jerry Krembs and Ruth Nason, who were in the same car, suffered minor bruises and cuts.

## Thompson In Hospital

Arthur Thompson, prominent alumnus of C. S. T. C., underwent an operation for appendicitis recently. Although he is still at St. Michael's hospital, his condition is improving steadily.

Yes, other things being equal, style-minded people would choose the Parker *Vacumatic* for beauty alone! But other things, too, including performance, make this revolutionary invention the national favorite by a still bigger margin—by 9 to 4.\*\*

One important difference—its ink supply is ever visible—the ENTIRE length of the barrel. Thus it shows days ahead WHEN IT'S RUNNING LOW.

Another great difference is the patented Parker filler. There's no other like it. It requires no sliding piston immersed in ink—its working parts are sealed in the top WHERE INK CAN NEVER TOUCH THEM—can never decompose them.

The Parker point is Scratch-proof—precious Platinum combined with solid Gold.

Every student needs this miracle writer that doesn't "let you down" by running dry in classes or exams.

# Central State Takes Opener From Jordan

## McGuire Marks Up Winning Touchdown

Jordan Succumbs Under Powerful Pointer Attack; Bucholz, McGuire, and Chartier Score

Playing rather listless ball at times and then again displaying unbeatable form, Central State opened its bid for another successful season by whipping Jordan 18 to 12. The Pointers outplayed their opponents in almost every department, but a weak pass defense caused the game to be as close as it was.

### Point Ties Score

Jordan scored the first touchdown of the game in the opening quarter. A pass to Hansen took the ball to the 23 yard line and then, after a short gain through the line, Kaufman tossed the ball to Trenary who managed, in the midst of several players, to grab the pigskin and the first six points. The attempt for the extra point failed.

Webb Berard

The Point started its winning ways in the opening minutes of the second quarter when, on two successive end sweeps, Chartier went over the goal line and, when the kick for the extra point failed, the score was tied. A short time later Bucholz, on a brilliant return of a punt, aided by beautiful blocking from Berard, Houek, and Sparkaw, scampered 40 yards to the second touchdown making the score 12 to 6. Again the kick for the extra point fell short. The first half of the game ended with Jordan in possession of the ball on their own 24 yard line.

The third quarter found both teams playing defensive ball and as a result neither eleven made a first down. The game, however, was almost always in Jordan territory, but the visitors, due to their punting, were able to keep Coach Eddie Kotal's men from making any serious threat for a touchdown. The third quarter came to a close with Jordan holding the ball on their own 17 yard line.

### McGuire Goes Over

Realizing that a one touchdown lead was not a very comfortable margin, the Pointers started the final quarter out in great style. After Chartier had made a spectacular run of about 30 yards, only to have the play recalled because of an offside penalty, McGuire passed to Chartier who was downed on the three yard line. On the second play McGuire crashed over for the local's final touchdown. The kick for the extra point was wide and the score stood at 18 to 6.

On the next kickoff Jordan's pass offense began to click but after throwing several incomplete passes they were forced to punt and Central State started another goalward march. The passing combination of McGuire to Chartier, which was on par with Jordan's passing combination of Kaufman to Babcock, worked the ball down to one yard line but then a fumble followed by a touch back gave Jordan the ball on its own 20 yard line. Immediately, the visiting eleven began an eighty yard drive which consisted of a ten yard gain through the line by Kaufman and the completion of four passes for the remaining 70 yards. The touchdown pass was from Kaufman to Boerner. The kick for the extra point was not allowed because Jordan had only six men on the line of scrimmage. The score now stood at 18 to 12 and, with only seconds to play, Jordan kicked off and the game ended with Point having the ball on their own thirty yard line.

The game, however, was not as close as the score indicates. Three times the Peds had the ball within Jordan's five yard line but they failed to push it across. In two of

## Whitewater Game Next On Schedule

Coach Kotal's gridders are facing a hard battle this week with Whitewater's husky squad having a nucleus of 16 returning lettermen. "Pop" Farina, all-conference quarterback, will again lead the Whitewater attack in his usual competent way. "Sike" Morani is another all-conference man who will be in there battling against the Pointers. Eighty-four boys turned out for practice, of whom forty-eight were back-field aspirants, and thirty-six were prospective linemen. Coach Agnew has at least one letterman for every position and has seven backfield lettermen to rely upon to put up a good fight.

All of the boys on the Pointer team who played against Whitewater in 1934 are aching to get into the game Saturday. It seems that they have a little argument to settle with the gentlemen from the southern part of the State. You can be assured that if Whitewater wins, they will know that they have been in a clean, but hard fought, game.

the three times they had four downs to go less than four yards, but the opposing team dug in and refused to be scored upon.

All of the men who saw action for Stevens Point showed up well but several men stood out. The outstanding ones were McGuire, Chartier, Houek, Ed Slotwinski, Menzel, and acting Captain Berard. Kaufman, Babcock, Ecklund, and Formolo showed up exceptionally well for Jordan.

## Harriers Practice For Cross Country Season

Central State harriers began practice for the 1936 cross-country season on Monday, Sept. 21. According to Coach Eddie Kotal dual meets are being arranged with several colleges in the state but as yet no definite announcements can be made.

The squad is made up largely of men with some experience in varsity meets, besides several newcomers. Cross-country meets were not held last year but this year attempts are being made to place the sport back on the schedule.

The returning veterans are R. Grandkowski, E. Bull, C. Cook, and B. Christenson. The two freshmen who have been going through the daily grind are Anderson and Johnson.

## Sports Gossip

Our praise goes out first of all to Webb Berard, acting captain Saturday, Charles Houek, and Chuck Sparhawk for their stellar blocking. We do not intend to take any credit from Al Bucholz for his spectacular 40 yard run but it was the superior blocking of the above mentioned players that made that run possible. It was really a pleasure to see the Jordan men toppled over as Bucky raced toward the goal line with those short legs of his fairly running out from under him.

According to latest reports the easiest way to raise Bucky's ire is

to call him 6 pt. Web Berard informed us that Buck isn't really peeved, it's only his modesty getting the best of him.

Bremmer has an ankle injury which will most likely keep him out of the game Saturday. McGuire, Ed Slotwinski, and Chartier also have injuries but they should be healed by the end of this week.

Dr. Tolo and Postmaster Hirzy have been donating their time from three to six every afternoon in helping Coach Kotal handle the football squad. They have been giving their aid willingly and their assistance is greatly appreciated.

Warren Becker, former star at Central State Teachers College, is playing pro ball at Ironwood, Michigan. Warren is a twin brother of Wayland Becker, who is playing end for the Green Bay Packers.

Although the baseball season is drawing to a close and football reigns as the chief sport, here is an oddity regarding Si Johnson, pitcher for the Phillies. Last year he made but one hit and that was a fluke single. It must be on this type of hitting that fans base their claim that pitchers can't hit.

Coach Kotal, assistant coach Tolo, and several football players were guest stars on the college radio hour last Thursday. Gerhardt Willecke, the roving reporter, asked the various men several questions, among which was their opinion of the hardest position to play on the football team. Invariably the answer was left end, but Ray Weingartner upset the dope by picking center. (You'll excuse us if we're wrong, won't you, Ray?)

During the interview Ray was asked how to center a ball. Our worthy center almost forgot himself and started talking with his hands but after a few snickers from the audience Ray managed to make himself understood without the motions.

Lady Luck frowned on us last week and as a result missed on one of our guesses. We still insist, however, that if the St. Norbert game had been played on a dry field Carroll would have

been the loser. Until next week we will have to be satisfied with our average of .923.

## Nelson Hall Notes

By EVANGELINE JOHNSON

Marie Eibergen spent the week-end with the Dopp sisters at Wild Rose.

Mr. and Mrs. Bill Herrick visited the dorm Sunday. Many old friends welcomed them back. They are residing at Augusta.

Mrs. Finch has improved and all the girls are looking forward to her return some time this week.

Where are all the dorm dances on Tuesday and Thursday nights? Don't the '36 freshmen fellows dance? How about it, girls?

Dorothy Cook went home for the week-end. Is Mike in New York again? Maybe something's wrong.

Sarah and her room mate both like Don Johnston. Who will win out?

The piano is being kept in use by Norman Hinkley between 12 and 1. Must be a girl, or is it practice he needs?

Let's select the most popular girl in the dorm. I nominate a blonde from Waupaca. Can she play, sing, dance, hike? Don't say you haven't heard her. You might not have seen her but it won't be long.

It must be grand to have boy friends out of town. Marianne and June are free all week. How about it, fellows?

Several dorm girls, and others, too, have lately gotten up the courage to mention the trepidation

they feel at running the gauntlet at the east door of the college. The girls say they can just feel how they are being looked over and talked over when they have to go through that line of idle on-lookers.

Our freshmen girls are very quick to catch on. On the signing out sheet in the dorm there is a place where you put down where you are going. Could you find a girl if you looked where she signed out for? Try it some day.
