Popular Program Appears This A. M.

"The Dixie Melody Masters" will make their second appearance at Central State this morning. The group consists of four young harmonizers who specialize in Jubilee songs of the Old South. Their program made a hit here last year and will undoubtedly do so again. These men are good showmen and use this talent in adding to the quality of their program. This is the beginning of a fine group of morning assemblies to be presented this semester.

Yearbook Receives First Class Rating

The Iris received first class rating in the four-year Teachers College class in the Sixteenth All-American Critical Service for scholastic yearbooks conducted by the National Scholastic Press Association. The scorebook containing the judges' comments was received this week by Mr. T. A. Rooks, faculty advisor.

In attaining first class honors the Iris was in competition with all teachers colleges in the United States. The total number of high school and college entries was 700.

The National Scholastic Press Association is an organization of 2,250 member publications established for the purpose of furthering the interests of all forms of scholastic and collegiate journalism. Staffs whose yearbooks are members submit copies of their publication for an annual scrutiny by the N. S. P. A. judges. N. S. P. A. is the oldest and largest scholastic press association in the country.

First class is awarded yearbooks which in the opinion of the judges are excellent. Yearbooks are scored on the plan of the book, sections of book-editing and makeup, mechanical consideration, and general effect. In recognition of this distinction, the staff will receive a handsome diploma.

College Library Given Memorial

A picture of F. N. Spindler has been placed in the college library by his widow and his son, Deborn. It is a facsimile of the picture which appeared in the 1913 Iris, which yearbook was dedicated to Mr. Spindler. The picture has been placed in the college library.

Speech Department Planning Freshman Debate Tourney

Prof. L. M. Burroughs plans the sponsoring of a freshman debate tournament to be held early in November. This type of forensic work gives all freshmen an opportunity to try out for debate and acquire some skill in preparation and presentation of material for the varsity teams are held. Definite schedules for this freshman tournament will be announced later, and Prof. Burroughs wishes to urge all freshmen to take advantage of this opportunity.

Stevens Point has been active in the Midwest Debate Conference for the last ten years, so Mr. Burroughs did not think it necessary to send student delegates. Mr. Burroughs, however, wrote Mr. Edapp to the effect that Stevens Point will participate at St. Thomas College, St. Paul, again this year. In preparation for this tournament, the local debaters

Music Groups

Plan Concerts

The band is working on the new music which it has received during the past few days and is busy preparing it for its first concert which will be held either the last part of this month or the first part of next month. One of the features of this concert will be several solos on the new marimba xylophone which the college has just added to its band.

The college orchestra, which is practising regularly on Mondays and Wednesdays at four o'clock, appears to be the finest orchestra Central State has ever had. According to present plans, the public will get its first view of this group at the first concert which will be given some time in December.

Concerts for the Girls Glee Club have been almost completed. One hundred and four girls have had their voices tested. Out of this group, 60 girls will be chosen for concert work.

According to present plans, the public will get its first view of this group at the first concert which will be given some time in December.

Concerts for the Girls Glee Club have been almost completed. One hundred and four girls have had their voices tested. Out of this group, 60 girls will be chosen for concert work.

Night School Enrollment Shows Slight Decrease

Night school enrollment for the 2nd week was 160 in comparison to 170 for the first week last year. The final figure is expected to exceed the entire 200 of last year, however, because many prospective students have not yet enrolled. Announcement of night school classes went out later than usual, and for that reason, the entire number desires of taking classes have not yet been able to enroll.

Platteville Next Point Opponents

Coach L. Leif will bring his Platteville team to Stevens Point Saturday in an attempt to stop the local's eleven in their penultimate match of the season. The same team which beat the Pointers last year by a score of 2 to 0 will be on hand to offer all the opposition that will come their way.

Boasting 16 lettermen, the Pioneer's prospects this year are excellent. In their opening game this year, Platteville was victorious over Stout by a score of 19-6, and since that game they had two weeks to correct any faults which were found.

Crucial Test In View

Every position on the team is well fortified with at least one letterman and several reserves. The backfield consists of ex-captain Vavraksa, Simpson, Perkins, and Splinter. The latter two men are freshmen and have shown up exceptionally well in action so far this year.

According to the Exponent, the Platteville paper, the game with Stevens Point will be the acid test for their team. The game will be a test for the Pointers as well, and the winner of this game should be the logical team to win the Southern Conference.

Speech Classes Prepare Plays

Two speech classes under Professor Leland M. Burroughs are working in a speech laboratory for a few weeks in preparation for two plays which are to be presented by the group.

The first of the plays is a modern comedy entitled "The Adding Machine". It is a satire on industrial life in our modern large cities.

The other play is perhaps the most difficult one which the speech department has ever attempted. It is "Hamlet", by William Shakespeare.

All parts in both of these productions will be taken by members of the two speech classes. The plays will be ready for presentation some time during the first semester.

Debaters!

The debate question for this year is: Resolved: That the extension of consumer co-operatives would contribute to public welfare. The question will be the same for both men and women.
Calendar of Events

Thursday, Oct. 8
Morning assembly, Dixie Melody Masters

Saturday, Oct. 10
Platteville here (Dad's Day)

Saturday, Oct. 10
Iris Dance (New Gym)

Saturday, Oct. 17
Glee Club Dance (New Gym)

Friday, Oct. 23
Phi Sigma Epsilon Dance

Saturday, Oct. 24
Homecoming, DeKalb

Saturday, Oct. 24
Homecoming Dance (New Gym)

DAD'S DAY
Saturday of this week is Dad's Day. Invite your dads down, follows and girls. Take them through the school in the morning. Have them come to the football game in the afternoon. Show them a good time.

BIG RESPONSE

The radio questionnaires which were handed out last week have been coming back at the rate of almost one a day. That is some number of answers, when one considers the amount of talent which was uncovered last year in a series of amateur programs. Perhaps the delay has come because the students did not know that the blanks should be returned as soon as possible. Also, there seems to have been a misunderstanding about where they were to be turned in From now on, they may be placed in the slot in the door of the Pointer Office.

BY THE BUSINESS MANAGER

In this issue of the paper, there is an ad especially inserted for the benefit of recent graduates of C. S. T. C. It contains some interesting information about a privileged reduction in the subscription price of the paper.

ACTIVITIES

All students are urged to take part in one or more of the numerous extra-curricular activities which are offered at this college. College life means very little without something in addition to regular scholastic work. Besides, a person’s extra-curricular activities most often furnish his biggest means of finding a job. Nearly everyone who applies for a certain job has the same scholastic work, but it is probably his ability to do something else besides straight teaching which will land the place for him.

Notice!

The student hand book will be on sale early next week.

CLASS ELECTIONS

It seems that the classes are rather slow about electing new officers this year, President Hyer has charged the class officers for the class for directing the P. A. system. It could be used in the auditorium (for assemblies), in the gym (for dances and basketball games), on the football field, and in other places.

While the cost of such an outfit is not prohibitive, there is every reason to believe that we havemen in school who would be able and willing to construct a P. A. system.

***Society News***

Iris Dance Saturday

A dance will be given Saturday evening in the new gym. This party is sponsored by the Iris, college year book. Regular admission rates will be charged.

Tau Gamma Beta Tea

The members of Tau Gamma Beta sorority were hostesses to the college women, women faculty members, and wives of faculty members at its annual tea last Saturday. Mesdames E. T. Smith and E. L. Kotal, patronesses of the sorority, were in charge.

A color scheme of bronze and red was carried out in the tapers and the bouquets of dahlias.

Rural Life Club Meets

A special treat was offered the Rural Life Club at its regular meeting Monday evening, when Dr. A. A. Sinaiko addressed the group. He illustrated his travel talk with slides.

A very entertaining reading, entitled "Uncle Roger Hangs a Picture" was presented by Jeannette Doughty.

The musical portion of the program featured two vocal solos by Kirkwood Likes. His selections were: "To my First Love" and "You'd Better Ask Me," two Irish songs by Herman Lohr. He was accompanied at the piano by Ruth Knutson.

Omega Mu Chi Tea

The women of the college, women faculty members, and wives of professors were entertained by the Omega Mu Chi sorority at tea Wednesday, September thirtieth.

The home economics parlor was decorated with bouquets of dahlias, in their primary colors, yellow and lavender, were prominent in the table bouquet and tapers.

Miss Edna Carlsten, honorary advisor for Omega Mu Chi, Miss Shirley Webster, and Miss Zelda Weed assisted in pouring.

Loyola Club Picnic

Wednesday evening, September 30th found Loyola Club members at Robertson Park picnicking. A weiner and marshmallow roast served with firelight and accompanied with community singing was the evening's entertainment. Kathryn Duskey and Harold Reichert presided over the cream pitcher. Miss Hanna, assisted by Miss La Vigne prepared delicious coffee after her own recipe. It's a secret. Miss Roach declined speech-making in favor of Irish songs. Guests of the evening included: Reverend Father Kools, Nurse Mary K. Neuberger, Miss Mary Jane Vandegraaf, and Miss Garnet Heilman.

Ardent Supporters Follow Team

The Misses Zelda Weed, Gladys Malinovsky, Peggy Glennon, Margaret Kratz, and Alice Sorenson drove to Whittier for the football game Saturday. After losing their vocal ability cheering for the boys, the girls drove to Madison where they spent the night, returning to Stevens Point on Sunday.

Rumors say that a marvelous time was had by all and it's a certainty that members of the team appreciated the support given them.

Photo Club Elects

At its last regular meeting the Photo Club elected the following officers to preside for the ensuing year:

President ........ Robert Vennie
Vice-President ...... Ted Meyer
Secretary .......... Dorothy Cook
Treasurer .......... Ralph Anderson

Club meetings this year will be held every Wednesday at 4:05.

Home Economics Picnic

About thirty members of the home economics department enjoyed a picnic at Robertson Park Monday, October fifth.

A new secretary treasurer, Roberta Veeder, was elected, and some business discussed.

The social meeting followed, and a delightful lunch was served, as the only "home economics" can serve.

Nelson Hall Notes

by EVANGELINE JOHNSON

Glum is the word! Nelson Hall was so quiet this week-end that those few who did stay here had to talk to themselves to maintain their sanity. Not that we are a noisy group—just animale spirits. But when the mules are gone there's no kick in it!

The absence of frail females was also noted at the dance Saturday night. Add one to the football hero. Along with their absence so few girls came to the hop that, wonder of wonders, we had no wall-flowers!

These pleasant week-ends sometimes have disastrous results. We found that Kathleen Stone and Eleanor Burnet spent all day Monday in bed nursing colds. Sorry girls—if you take our advice and stay in the Point—there is something strengthening about the odor from the South which wards off colds.

We are so glad to have Mrs. Finch back with us. Once again the Hall is "home" and runs smoothly.

Harriet Nelson, former Nelson-Hallite, who teaches at Adams, is expected to visit us this week-end.

A house meeting was called Monday evening and new counselors for the semester were elected. Colorful evening paraphernalia was displayed to the appreciative eyes of no males present but it gives us a definite idea of what mildy dresses when she "wants to be only alone!"

The general quiet aforementioned was broken rather dramatically by Miss Jane, in tears, suddenly decided to take the bus home to Lodi. She had informed her mother that she wasn't coming home. Did news from River Falls instigate this sudden change of heart?

Stopping in mid-air for a moment—Do we appreciate what the U.S. Postal System does for us?

Encouragement to the webe-gone All of you boys who had to take the pleasant "I'm sorry, but "a petite fille" has gone to 'Fair-the-well" and won't be back till Monday morning," take heart—all of these girls will be here this weekend.

Central State Takes Conference Opener

McGuire, Chartier
Lead Pointers To Thrilling Victory

Weingartner, Menzel, Bucholz, E. Slotwinski, Olsen
Play 60 Minutes

Playing championship ball before a fair sized crowd, Central State's fighting eleven annexed its second straight victory of the year at the expense of Whitewater by a score of 12 to 2. After Farina had returned the opening kickoff from the 10 yard line to his own 29 yard line, the Pointers began to click and, with the exception of an inspired spurt now and then by Whitewater, had complete control of the game.

Point Tifftreants

On the first two plays of the game Woodring, Whitewater fullback, fumbled and the Pointers recovered the ball on their opponent's four yard line. McGuire immediately carried the ball over and Coach Eddie Kotial's gridiron galloped. The kick for the extra point was blocked and the score early in the game stood 6 to 0. The remainder of the first quarter found both the teams punting in order to keep the play out of their territory and the quarter ended with the ball in Whitewater's possession on their own 20 yard line.

When the Southern Teachers, at the start of the second quarter, were forced to kick, Stevens Point started goalward on large gains through the line by McGuire and Chartier and the completion of a 20 yard pass from McGuire to Be r a r d. However Houch fumbled and Whitewater had stopped the threat.

Whitewater Resorts To Passes

The threat had only been stopped temporarily. After an exchange of punts, Menzel and company decided that another touchdown would give them a much more commanding lead and so they went out after it. With Chartier and Olsen on the receiving end of McGuire's passes the Pointers worked the ball down to the three yard line. Three successive line bucks failed to gain... (Continued on page 5, col. 1)

Future Grid Foes

Look Over Pointers

Evidently our Teacher's College foes think that Stevens Point is worthy of careful consideration as future football opponents. Coaches and certain members of the football squads of Milwaukee, Platteville, and Oshkosh were on the sidelines scouting Coach Kotial's gridiron gallopers. Central State meets all of the above mentioned teams on their schedule this fall.

Point, Oshkosh

Share Southern Division Lead

Oshkosh defeated Milwaukee Saturday, at Milwaukee, by a score of 6 to 0 and now shares the lead in the Southern Division with Stevens Point, winner over White water. La Crosse played the only conference game in the northern division last week-end and emerged with a 6 to 0 victory over River Falls.

Down For the Count

Web Berard almost suffered a streak of unconsciousness Saturday when he attempted to tackle "Pop" Farina, quarterback for the Purple gridsters. As Web was about to wrap his arms around Farina, the shifty signal caller de-cided to run. The field and Web went down for a short rest. Amid the cheers (Web claims they were jeers) of the crowd, our noble end hurried himself out of his stupor and continued to play his fine brand of football.

Sports Gossip

Dope

Ray Weingartner, weighing a mere 154 lbs, was up against rather tough opposition Saturday at Whitewater. Opposing Ray was Oehrke, a two-letter man, weighing close to 290 lbs and playing his third year at the pivot position. Weingartner played the entire 60 minutes and in our opinion outplayed both of the centers Whitewater used.

Coach Eddie Kotial in a talk to the Rotary Club, Monday, expounded his views on football. After Whitewater win Eddie must have had plenty to say.

Chartier, unfortunately, suffered a broken nose in the face with the Southern foes and it appeared that every time Red was tackled someone managed to give his proboscis a quick jerk. Chartier, with the aid of several Central State players, was able to control his temper and finished the game in great style.

Just About Time

The Pointers have scored five touchdowns this year but have failed to score a single point after touchdown. As a matter of fact not an extra point has been scored in the teacher conference games so far this season. Those extra points in the ball games so it would be a good idea if the Point started clicking on them soon.

Faithful Ray

Ray Urbans, who has faithfully served Central State as athletic manager for five years, claims he holds some kind of record for attending football games. In his five years of service Ray has missed but two games and those were due to difficulties which could not be blamed on Ray. Although Ray has a sprained ankle and is on crutches, he managed to obtain a ride to Whitewater Saturday and hobbled around to put in his word of encouragement whenever it was needed.

Charles Atlas

Felix Bohan, substitute left end from Chicago Heights, boasts of one quarter of an inch chest expansion. Personally I didn't think it was even that much, but the tape, used in measurement, was only divided in quarter inch sections and therefore it was impossible to be more accurate.

(Continued on page 5, col. 2)
Victory For Pointers
(Continued from page 4, col. 2)
point, but Charrlter's kick was blocked by Goers and the ball was recovered by Menzel in the end zone for a safety and two points for Whitewater.

Ted Menzel

Sports Gossip
(Continued from page 4, col. 4)
Burgess Whitehead, second baseman for the New York Giants, is the only Phi Beta Kappa man in the major leagues. The fact that he was a member of the above honorary fraternity kept him from being shipped back to the minors, George Trautman, president of the American Association, figured that any man that possessed enough intelligence to belong to Phi Beta Kappa should not be playing minor league ball.

Well Taken Care Of
The Platteville football team consists of four captains. On the eleven are Vavrusla, captain in 1935, and co-captains K a f k a, Kline, and Sauer. We wonder if they vote by secret ballot on their decisions during the game.

We Guess 'Em
Due to some bad breaks, mixed with a little misjudging, our prediction rating dropped below the 900 mark and we now have an average of .897. Here are our choices for this week.

Ohio State over Pittsburgh
Chicago over Butler
Towa over S. Dakota
Northwestern over N. Dakota State
Minnesota over Nebraska
Purdue over Wisconsin
Washington over U. C. L. A.
Washington State over Idaho
Army over Columbia
Navy over Virginia
Colgate over St. Lawrence
Marquette over St. Louis U.
Notre Dame over Washington U.
C. S. T. C. over Platteville
Tulane over Centenary
Princeton over Rutgers
Harvard over Brown
Yale over Pennsylvania
Syracuse over Baldwin-Wallace
Vanderbilt over Southwestern U.
Louisiana State over Georgia
Duke over Clemson
Tennessee over Auburn
North Carolina over Maryland
Stevens Point over Nebraska
Southern Cal. over Illinois
Indiana over Michigan
