Welcome-Alumni of Central State

The longer one is in school, the more he comes to realize the full meaning of homecoming. He looks forward eagerly to seeing and greeting again his friends of former years, exchanging with them reminiscences which are now cherished memories and delighting in their companionship.

This writer is only a senior, so he cannot describe accurately an alumnus' feeling on that day, but if they are anything like his, they are emotions that are too deep to permit an explanation.

So, again, welcome, grads! May this be the happiest homecoming ever. May there never be a dull moment in the day. Let us know that you're glad to be back, and we will do our best to show you a hearty and sincere welcome.

Berard, Chartier Chosen To Guide Senior, Junior Classes

"Web" Berard, popular senior and member of Chi Delta Rho fraternity, was chosen by the senior class as its president. "Web" is a prominent member of the football squad and is active in basketball and track as well as on the campus. "Gib" Pophal was elected vice president, while Maxine Miner and Zelda Weed both of Omega Mu Chi sorority, were chosen secretary and treasurer, respectively.

The junior class chose as its head and prom king Leonard Chartier, the red-head from Merrill, who is equally at home on the football field and on the dance floor. Al Bucholtz, of Chi Delta Rho, was elected vice president, Bill Larson of Chi Delta Rho, secretary, and Dorothy Richards of

Tau Gamma Beta, treasurer.

Ray Weingartner, a football man and a Chi Delt was elected sophomore president with Betty Jacobs of Omega Mu Chi vice-president, Franklin Hitzke, Chi Delt, secretary, and Ruth Nason of Omega Mu Chi as treasurer.

The freshmen are starting their school career with Keith Aulik as president, Peggy Glennon as vice president, and Evelyn Schwingle as secretary-treasurer.

Notice!

Mr. Burroughs has requested that all those who wish to participate in debate and who have not as yet indicated their desire to do so should report to him as soon as possible.

Parade, Game, Banquets, Dance Fill Program

Affair Begins On Friday Evening With Pep Meeting And Bonfire

This weekend will be marked by an outbreak of festivities for Saturday is Homecoming. The activities for this gala occasion will begin Friday evening and continue throughout the weekend with emphasis placed on the game Saturday between Central State and De Kalb. Although the game will climax the festivities, the social events will brighten the campus and town and will add to the general spirit of welcome extended to the alumni.

Parade Begins At 9:30

At seven o'clock Friday evening the event will begin at the College auditorium where a mass pep-meeting will be held. A bonfire will serve to ignite the spark of enthusiasm which will blow throughout the following day. At

H. Bender Invites Alumni To Attend Annual Luncheon

Mr. Harry Bender, president of the Alumni Association of Central State Teachers College, has requested that the following invitation be published for the benefit of the alumni of Central State.

**Faculty and Fellow Alumni of
Central State Teachers College:**

You are cordially invited to attend our annual alumni luncheon at Milwaukee on Thursday at noon, November fifth. Our Secretary, Miss Bessie LaVigne, has everything planned with the Schroeder Hotel for an excellent meal. Plan to attend this annual "get-together" and renew the friendships and memories of our Alma Mater.

Sincerely Yours,

Harry Bender, President

Miss LaVigne requested that the following note be attached.

The price of the luncheon is 85 cents. Please send reservations to Bessie LaVigne at the Teachers College.

Published Weekly except holidays and examination periods, at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

N. Y. A. CHECKS

Every student concerned has been complaining about the delay in the appearance of the N. Y. A. checks. This delay was caused entirely by several students who turned in their time cards late. The relief workers were informed on Sept. 23 that the cards were to be in on Oct. 10. Five or six of them did not come in until the middle of the succeeding week. So don't blame the government or the school authorities.

\$50 REWARD OFFERED

Last week this paper ran a notice offering \$25 reward for information leading to the arrest of the person or persons who took a green desk lamp from the Pointer office. No information has yet been received. The reward is raised to \$50 this week. Should the reward be claimed the recipient will in no way be connected with the affair.

Obviously, the price of the lamp alone is certainly not the reason for the offering of this reward. The purpose of this offer is to forcibly imply that thefts of any kind from this office absolutely will not be tolerated. All the equipment in this office has been bought by the organization itself, and it is the Pointer's intention to retain what it has worked for.

LET'S HAVE SOME FIGHT!

Each year several persons write letters to this paper regarding the lack of political spirit at Central State. Now is their chance to enter some active political work—either by joining the new progressive club or opposing it.

Marrs, College Physician, Evaluates Health Service

"The health service which C. S. T. C. offers is of more value to the students than most of them realize," said Dr. F. A. Marrs, college physician, in a recent interview. He further stated that once the students realized this they

might make more use of the opportunities which are available.

The health service is open, free of charge, to all registered students. Up to date more than 300 students have had physical examinations not including grade school pupils. From 8 to 15 students report daily with some minor ailment. In the examinations several cases were found of some major illness.

The school has a right to feel itself secure when asked about its health rating. Students have the chance to discover ailments in their minor stages and to have them treated. All students are required to have a physical exam and are requested to do so at the earliest possible date.

Fall Sports

The fall sports are well under way. They consist of tennis, archery, hockey, volley ball, and creative dancing.

The creative dancing class has drawn more people than any other activity. The girls number seventy-eight, but there is still room for more. Come out and try it.

Hockey practice is held every Tuesday and Thursday at four o'clock. Regular teams have not been chosen as yet, so learn to play before the tournament begins.

From twenty to thirty girls are participating in tennis and archery. There will be tournaments in both of these sports if weather permits. Do you want to join us?

Just look out on the football field every Monday and Wednesday if you want to see the hockey team in action. More players, with or without experience, are always welcome.

Remember that any two of these major sports will give you the necessary qualifications for becoming a member of W. A. A.

"Hot Dog" Sale

Buy all of your hot dogs from the W. A. A. at the Homecoming game. They will be sold during the half. They'll taste good on a cold day, don't you think?

nine o'clock Phi Sigma Epsilon will hold forth at the Whiting Hotel where the Castilians will play for a semi-formal pre-homecoming dance.

The Annual Homecoming parade, one of the chief features of the day, will start at 9:30 o'clock Saturday morning. Mr. Evans, chairman of the Homecoming committee, has been assured the support of many of the school organizations in the making of the parade. With the inspiration as the criteria for success, the floats are to be judged and prizes will be awarded.

Game Begins At 2:15

The floats will assemble on East College Avenue, shortly after nine o'clock. The line of march will be Clark street, from Fremont street to 2nd street, 2nd street to the Public Square and Main street to the College Campus.

Saturday afternoon the scene will shift to Schmeeckle field where the De Kalb eleven will engage Eddie Kotaf's pigskin stalwarts in the big game.

The various fraternities and sororities will hold banquets for the alumni. The grand wind-up will be the dance in the new gym. The Castilians have been engaged to play for the affair, and a large crowd is anticipated.

Get Tickets From W. A. A.

Carlos and De Vega, noted dancers, will appear on the C. S. T. C. stage, October 27th. Watch for the W. A. A. girls. They will be more than willing to sell you as many tickets as you want for your father, mother, and friends. Students and faculty members are invited to attend and no admission will be charged.

Popularity

*If you have reached the dizzy heights
 Of popularity, beware!
 Remember how a flying kite
 Depends upon the fickle air.
 The wind may change and let you down
 To crumple up beyond repair;
 And when you've lost your tinsel crown,
 How many so-called friends will care?*

*If you are going on a hike,
 Expecting wind and rain and snow,
 You'll choose companions that you like
 When you have very far to go.
 If you are liked by them enough,
 Because of Loyalty, you know,
 They'll help you when the trail gets rough.
 With LOYAL friends it's always so.*

*Then pick the friends that you can trust,
 And let me pass along this cue;
 Be Honest, Faithful, Kind and Just.
 If you want friendship to ensue,
 I would not swap my loyal friends,
 The tested friends I know are true
 For HOSTS whose faithfulness depends
 ON POPULARITY, would you?*

Society News

Homecoming Dance Sat. Eve.

The annual Homecoming dance will be held in the new gymnasium Saturday night, October 24th.

Dancing will continue from nine until twelve. A very large crowd is expected. The Homecoming Dance is always a hilarious affair with much handshaking and enthusiastic greetings for old friends.

The Castilians, "University of Wisconsin Favorites," will furnish the music.

Jenkins Addresses Rurals

An address by Professor W. G. Jenkins was the feature of the program at the regular meeting of Rural Life on Monday evening. As a result of a request from the program committee, Mr. Jenkins discussed the principles and organization of Fascism. He drew comparisons and contrasts with Communism and illustrated with many incidents from the histories of various nations. The members were very grateful for his clear and interesting presentation of this timely subject.

Other numbers on the program included a reading by Eileen McGuire and a group of vocal solos by William Clements. In the absence of Kirkwood Likes, Mr. Clements led the club singing while Ruth Knutson played the accompaniments.

Men Hold Fine Dance

A large crowd enjoyed the new gymnasium given by the Mens' Glee Club Saturday night.

The Castilians furnished most-danceable music. Many of the dancers remarked favorably about the orchestra's position in the corner of the gymnasium instead of its usual position on the stage.

Despite the disappointment of the afternoon, the dance was a high-spirited success. Glee club members also vouched for its financial success.

Home Ecs Give Dinner

A dinner was given at the Home Economics cottage in honor of Miss Mary Alice Ames. Guests at the dinner were: Miss Bessie Mae Allen, Eunice Rouse, and Doris Duecker. The hostesses were Louise Kissinger, Anita McVey, and Ruth Schwahn.

Miss Ames, who is now teaching at Marshfield, was a week-end guest of Miss Fay Yerke.

Trouble Shooters

Wonder why everyone is rushing around so at school? Folks seem to be vainly trying to procure trucks. Why all this talk about crepe paper, signs, horses, and carts? It must be homecoming is in the air. . . . Lots of forlorn faces of gals and fellows whose "better halves" have been working or attending school elsewhere will brighten up when the alumni appear. . . . We hope to see all of the old married folks back for the week-end: Fern and Bill; Marge and Frank; Myra and Micky; and Larry Bishop and family. . . . Here's a little cheer for Norm Hinkley. That little speech he gave the cheering (?) section went home and even though he apologized for his ability as a cheer leader, he really made them yell. . . . I suppose you've noticed the lovelight in Micky's eyes. It's all for a little Freshman gal—officer of her class by the way. Yes, she's Irish, too. . . . Lots of college students have been wondering why the "House of David" bet at the Phi Sig House was called off. Benny claims that by mutual agreement it was declared a draw. If any of you had "Torbie" in a class, you'd know. When the beard began to reach the awkward stage, poor "Torb" looked as if he were suffering the seven-year itch. The boys all returned to the civilized stage last week.

Music Groups Back 2-Week Movie Benefit

The second and third weeks of November are benefit-movie weeks for the College Band, the Girls Glee Club, and the Mens Glee Club. Proceeds from the shows sponsored during this time will be divided among the three groups. All members of these organizations will sell tickets before and during the two weeks. Students are urged to patronize these members. The names of the pictures will be announced in the later issue.

end. . . . Those Omegas have turned out to be quite the "Apple-Polishers." Haven't they? . . . The minds of the gals seem to have a Merrill turn. Could it be the recent junior class presidential election? It might be those other fine Merrill products at the same house—telephone 277M. . . . Politics seem to be sweeping the school. As fast as Landon badges appear they disappear into Don Johnston's safe-keeping. The N. Y. A. students are loyally supporting "Our gallant leader," but Mr. Schmeeckle has been seen with sun flowers of various sizes. (P. S. He grew 'em!) Ed Lightbody attempted a revolution of the class election system but it fell short. Nevertheless Ed's got the right idea that more orderly elections are in demand. The new student directory came out Friday and it surely is handy. Be sure you obtain one for a date reference or any other practical use. . . . Goin' steady, Pickles!

Point High In Title Running

Coach Harry Ringdahl's High School gridders were treated to an upset by Rhinelander's Hodags last Saturday.

Tim McGuire, brother of our own Jim, was easily the outstanding player for the local High School.

The defeat dropped Point almost entirely out of championship consideration because of their previous tie with Nekoosa. The local high school, however, still has a mathematical chance of winning the pennant, since Rapids, the present leaders, have two games left to play, one of these being with Point on October 31.

Pointers Outgain Oshkosh In Yardage, First Downs

Winning Touchdown Called Back On Offside Penalty;
Olsen, McGuire, Johnston Stand Out

Oshkosh's husky football team refused to be pushed out of the fight for the championship of the Southern Teacher's Division Saturday, and as a result a large crowd of faithful Central State supporters saw their favorites play sixty minutes to a 7 to 7 tie.

Sixty-Two Yard March Falls Short

If games were decided on first downs or on total yards gained, the Pointers would have had an overwhelming victory. Unfortunately, they still pay off on touchdowns and, according to all indications, they will for a long time to come.

In the early minutes of the game, after Oshkosh had booted the opening kickoff, the Pointers started a march that made one think they were watching a Big Ten team in action. With Johnston and McGuire reeling off consistent gains, the Pointers chalked up three consecutive first downs and carried the ball from their own ten yard line to the Oshkosh twenty eight. However, this long march was stopped and when Oshkosh got control of the ball they immediately punted.

Oshkosh Scores

Stevens Point again failed to make the yardage for a first down and were forced to kick against a north wind. The ball was downed on the opponent's thirty three yard marker after bouncing aimlessly around the field and Oshkosh now had a chance to open its bag of tricks. On the first play Derr threw a pass to Arseneau who caught the ball in the middle of the field and, behind some quickly formed interference, raced to the twenty-one yard line before being stopped by Berard. It was first down for the Koffmen and the Pointers now had exchanged positions with Oshkosh and had their own backs to the wall.

Quarterback Arseneau decided to try a line play and, on the first one attempted, Derr made a first down on the ten yard line. The following play saw Derr toss

Ted Menzel

one to Lautenschlager who caught the ball in the end zone for the first score of the game. The pass for the extra point, from Derr to Arseneau, was good and the Pointers trailed by the score of 7 to 0.

After receiving Oshkosh's kickoff on the twenty five, the ball was returned ten yards and another steady Point drive was on. Houck tore through the center of the line for twelve yards; Houck, again gained six yards right through the middle; a pass from McGuire to Olsen was good for twenty yards and a first down on Oshkosh's twenty seven; on a series of line plays the ball was carried to the fifteen and another first down; two line plays and a pass failed to gain and the fourth down pass was intercepted by Ruf on the five. Another sixty yard grind had fallen short of the precious six points.

Intercepted Pass Halts Threat

Oshkosh, not taking any chances on a fumble deep in their own territory, kicked and the ball rolled out of bounds on their own forty two yard marker. The Pointers first play was smothered for a ten yard loss but then McGuire heaved a pass to Chartier who was tackled on the twenty five just as the first quarter ended.

With the breaks against the Point, at the start of the second quarter a fifteen yard penalty for holding shoved the ball back to Oshkosh's forty. After several incomplete passes, McGuire punted out of bounds on the twelve yard line. A five yard penalty, on the Point for Nimz being offside, advanced the ball to the seventeen but on the next play Nimz redeemed himself by crashing through and throwing Oshkosh for a six yard loss. Coach Kolf's eleven punted out of danger but on an exchange of punts the pigskin was in Oshkosh's possession

Parker Gives Honor Pens

The All-American Board of Football announced that the Parker Vaumatic Pen has been selected as a special award to be given each week for the nine weeks of the current football season to the ten outstanding college players in America. Each pen awarded will be inscribed with the words "All-American Rating".

From the 90 players receiving this trophy pen, the All-American Board will select the All-American Team of 1936.

The present All-American Board is composed of Christy Walsh, sports editor and syndicate writer, and the following famous coaches: Glenn S. "Pop" Warner, Temple; Howard Jones, Southern California; Elmer Layden, Notre Dame; and Frank Thomas, Alabama. The Board's selections are usually accepted as official by coaches, sports writers, and the football public in general.

on their own twenty five. Lautenschlager made a first down on the thirty seven but when a series of line plays did not gain, the ball was punted to the Point's thirty. After being penalized to their own twenty, McGuire shot a pass to Nimz for a first down on the forty five. Another pass from McGuire to Nimz brought the ball to their rival's twenty five and Central State was within scoring distance.

Al Bucholz

tance for the fourth time in the first half. However, a pass was intercepted on the twelve yard line and Oshkosh had stopped another threat.

Pointers Knot Score

The remainder of the second period saw both teams throwing passes in an attempt to score before the half ended. Three passes were intercepted, two by Oshkosh and one by the Point, and the first half ended with Oshkosh still leading by what appeared to be a commanding lead of 7 to 0.

Coach Kotal must have "talked turkey" to the boys between halves because the Pointers wasted little time in scoring their

Whitewater defeated De Kalb earlier in the season, there is no need to think that De Kalb will offer a set-up for the Pointers.

With a line averaging over 180 pounds and a backfield averaging 175 pounds, the De Kalb teachers should present quite a formidable outfit. The center position is filled by Winslow, a first-year man who plays quite an aggressive game. At guard, Da Rango and Sandargus, both veterans and each weighing 180 pounds, very nicely fill Coach Evans' guard expectations, while Hein, 205 pounds, and Rockenbach, 175 pounds, also veterans, are at the tackle posts. Hein, a four year man, is a track star in the middle distances. Larson and Allen, with a combined weight of 350 pounds, complete the line at ends.

In the backfield the outstanding man is the quarterback, Davis. Davis, an extremely shifty runner, has seen two years of action and is playing his third year this season. The rest of the backfield comprises the two halfbacks, Lundeen and Lentz, and Barber, the fullback.

According to the De Kalb Chronicle, the big fault with Coach Evans' boys is the lack of charge from the line. However, the fault seems to have been remedied because De Kalb defeated Wheaton, Saturday, by the score of 19 to 0, and they are spending this week on polishing their plays for the Central State Teacher's College Homecoming.

The Probable Line-ups Are:

Allen	L.E.	Olsen
Rockenbach	L.T.	E. Slotwinski
Da Rango	L.G.	B. Slotwinski
Winslow	C.	Wiegand
Sandargus	R.G.	Sparhawk
Hein	R.T.	Menzel
Larson	R.E.	Berard
Davis	Q.	Bucholz

touchdown, Point kicked off at the beginning of the second half and, when the ball rolled into the end zone for a touch back, Oshkosh took possession on their own twenty. Unable to make any yardage Oshkosh was forced to kick. On a series of line plays, mixed with a fifteen yard penalty, the ball was taken by Central State from their own forty-five to the Oshkosh four yard line. After several line plunges failed, McGuire went off tackle for the only Point touchdown. Chartier converted the kick for the extra point and the score stood at 7 to 7.

The rest of the third quarter was of little significance as far as

Sports Gossip

Small Stuff

The game this Saturday will be the third contest that the Pointers have had with Little-19 teams. In the two previous contests, both with Illinois Wesleyan, the Pointers were defeated, but this week the fans are expecting a different outcome. The De Kalb Teachers boast of a giant-midget combination composed of Charles Couch, 265 pound tackle and Bill Rezek, 130 pound quarterback. Another fair sized man on the sound is 245

serious scoring bids were concerned although the play was entirely confined to Oshkosh's territory. Oshkosh, however, had control of the ball most of the period and played the offensive side, while Point upheld the defense.

Statistics Show Point Supremacy

During the final quarter, the game was played between the thirty yard markers with the exception of the final minute when the Pointers made their last desperate bid. With the ball on the Oshkosh thirty five yard line and with less than twenty seconds to go, McGuire skirted end for what appeared to be a touchdown but Nimm was offside and the play was recalled for a five yard penalty. The crowd was on the field, thinking the game was over, but their high hopes were short lived. After the offside penalty the Pointers had time for but one more play and McGuire again carried the ball but, after gaining ten yards, he was stopped. The gun went off and the game was over.

From all statistical information Oshkosh was rather fortunate in holding Central State to a tie, but, as has been mentioned before, touchdowns determine gridiron games, so probably Oshkosh deserved their hard fought-for tie.

Eddie Olsen, Mickey McGuire, Don Johnston, Charlie Houck, and Ted Menzel played good ball for the Point while Derr, Lautenschlager and Arseneau were outstanding for Oshkosh.

pound Art Kovacovich, also a tackle who stands 6 feet 7 inches tall.

It's About Time

The Profs from De Kalb, Illinois, have never lost a homecoming game since Coach Evans has been at the helm. Saturday is a good day to ruin a perfect record.

The Triple Threat Boy

Chester Davis, De Kalb quarterback from Aurora, has solved Coach Evans' problem of finding a reliable man to call the signals. Against Carbondale, Davis returned a kickoff 90 yards for a touchdown and in all of the games played so far he has been a consistent ground-gainer.

He Has A Lot Of "Wait"

The De Kalb Chronicle criticized the playing of Coach, the giant 265 pound lineman, because he plays a waiting game instead of charging through for a tackle. I'll bet any coach would open his arms to a few of these big boys even if they did play a waiting game. Furthermore, it takes a lot of "Wheaties" to keep a seventh of a ton running.

"Fluke" Quarters In Demand

According to the Platteville Exponent, Stevens Point defeated Platteville two weeks ago in a Fluky second Quarter. Any team would be satisfied if they could score 19 points in a so-called "fluky" quarter. It looks like the Exponent used the wrong adjective in describing the second period because, personally, I wouldn't call a three touchdown drive in fifteen minutes anything concerned with a fluke.

Five Months Late, Swede

Eddie Olsen, one of the hardest fighting players on Coach Kotal's squad, played a mighty sweet game against Oshkosh. The only complaint this department heard of his playing was the manner in which Eddie tried to tackle Derr while the latter, was trying to throw a pass. "Ole" grabbed the passer's arm and in attempting to down the man, gave a good imitation of a May-pole dance.

Hello "Mommie"

If the present plans go through, the homecoming game will be broadcasted over WLWL directly from Schmeeckle field. So far this year, summaries of the Point games have been given between the halves of the Wisconsin broadcast and the last few minutes of the local contests have also been sent over the air waves. Gerhardt Willecke and Ben Laschkewitsch have been handling the description of the games.

Is There No Justice?

Well, we took a severe jolting last week in our predictions due to the many upsets throughout the country. However, our good old reliables came through for us and our rating now is at .840.

DeVega Dance Ensemble

(Continued from page 1, col. 1)

Each dancer specializes in different types of illustrative dances. These range from dances of ancient peoples to intricate modern dances. Costumes add to the reality of the performances and castanets and heel taps help to portray the mysterious element enclosing many of the scenes. This is the first time this troupe has toured the U. S.

The public is invited to attend this unusual and outstanding program. An admission price of fifty cents will be charged to outsiders. Students will be admitted upon presentation of their activity tickets.

College News Briefs

F. Rogers Constance, a former student of Central State who is now teaching at Westboro, Wisconsin, has had another poem of his published in the 1936 Paebur Anthology of Verse. The title of this poem is "In the Heart of India."

Jim Murat, who had an appendicitis operation a week ago last Monday, is convalescing nicely, although he was very ill at first. He intends to be back in school in a short time.

The Oshkosh State Teachers College Band, directed by Professor Breese, assisted here at the game last Saturday. They changed off with the College band in playing marches.

The college band has been doing excellent work at all the home football games. Marching and letter formation between halves of the games provides entertainment that the spectators enjoy.

The enrollment for this semester has probably reached the final figure of 672, having increased by quite a large number over the first figures. The additional 178 enrollment for night school brings the total up to 850.

Political Group Organizes Rapidly

The club which was organized at college last week is known as the Young Progressive Club. The purpose of this club is to interest students in things pertaining to their government and to aid in the present campaign. Membership is open to all students and membership blanks may be had by calling for one from the chairman, Ed Lightbody, or from anyone who will have his name posted on the bulletin board for this purpose.

To Have Straw Vote

One of the first acts of the new group was to extend its good will to the president and to endorse his candidacy for reelection. The local assemblyman, Mr. Kostuck, was the main speaker of the evening at the first meeting. His address was of especial interest and was well received. He spoke on "Why I Am A Progressive".

At the meeting this week it was decided to issue a straw ballot on which the choice of the student body could be registered on the offices of governor and president. This ballot is to be non-political, and will be so distributed as to make it free of political control by one group or another. The final steps in distributing the ballots has not been completely worked out but will be by the first of next week. This will give the students one full week in which to make their choice for their respective candidates. The committee hopes to make it as accurate as possible, so they are asking all to cooperate in filling out the ballots and returning them as soon as possible. Results of the ballot-counting will be posted from time to time and the complete results will be published the day before the general election.

The group held a short business meeting Tuesday night and adjourned early in order to attend the Republican meeting at the Armory. They decided to hold their next meeting on Wednesday of next week.

HERE is one of the reasons why the rank and file of Wisconsin school teachers want a Progressive administration:

Wisconsin's budget, under Governor La Follette, is balanced—but not at the expense of Wisconsin common schools. Progressives fight for Equality of Opportunity for Wisconsin Youth, and that means fighting for better schools.

State aid to common schools—during the fiscal year of 1935-36 (under Governor La Follette) amounted to \$5,092,123.54, an INCREASE of \$726,753.49 over the allotment made by the Schmedeman administration which had slashed the aid.

More state aid to common schools gives school boards a chance to write

The Purple and the Gold

*Other schools of valor boast, Of victories galore;
Of laurels never lost, Of triumphs by the score.
Let them tell you of their prowess, Of warriors strong and bold,
But their colors ever lower, To the Purple and the Gold.*

*Our men are all victorious, In every state around,
Our athletes and debaters, Are winning fair renown
Though we're proud of all Wisconsin, Whose fame's in story told
Our heart's with Alma Mater, And the Purple and the Gold.*

*To the banks of old Wisconsin, When years have passed and gone,
As schoolmates we have parted, Our lessons all are done,
We'll return and show our comrades, We're as loyal as of old,
And cheer them on to victory, Neath the Purple and the Gold.*

Debate Meeting Well Attended

Important Tournament Scheduled
For Monday, November 2

A large number of students indicated their interest in debating by attending a forensic meeting last Thursday afternoon. Mr. Burroughs, head of the speech department, called the meeting to organize the debaters and to ascertain the number of students who are desirous of competing this year.

Those who have indicated their debate intentions by attending the meeting or by notifying Mr. Burroughs are:

Grace Morgan, Ruth Smith, Rosalie Timm, Kathryn Becher, Katherine Hong, Phyllis Gickling, Avis Gehrke, Marguerite Sargent, Darleen Loomis, Eleanor Ruchti, Gid Carswell, Kirk Likes, La Rue Smith, Ben Schneider, Ward Whitaker, Ben Laschkewitsch, Mike Zylka, Bob Hoffman, Tom Fancett, Harlow Henninger, Keith Aulik, Joe Ophaven, Bernard Johnson, Benjamin Kordus, James Murat, George Hyer.

The first debates of the year will begin on Monday, November 2, when a preliminary tournament, which is being planned by Bob Hoffman, will be scheduled.

Material Is "Cornered"

This tournament will be one of the largest ever held in C. S. T. C., and Mr. Burroughs has asked that both students and townspeople attend. The judges have not as yet been chosen. However, they will be from outside the school.

In anticipation of this early tournament and the La Crosse tournament which will probably be the first outside contest of the year, all materials available in the college are being gathered and catalogued. Reference books and other pertinent literature has been ordered and will be placed in the hands of the debaters as soon as it arrives. Meetings will be held in the future to discuss the question.

Band Concert Next Thursday Morning

The college band will present a concert on Thursday, October 29, at the regular morning assembly hour. This is the first concert of the school year.

The program will be of special interest to those who enjoy band music. The band will render the "March of Youth" by Olivadoti; "Cabins" by Gillette; "Snow-Flakes," a novelty xylophone solo by Evelyn Schwingler, by Charrosin; "Rio Rita", from Ziegfeld, by Tierney; "Scherzo — Swallows Flight" by Langenus, duet by Ken Storaundt, clarinet, and Fred Parfrey, flute; "Triumph of Alexander" by Richards; and the "Vesnetian Festival" by Olivadoti.

Some weeks ago Mr. Victor Grabel commented upon the excellence of this organization. His approval should certainly be worth enough to induce all real music lovers to attend this first concert of the season.

Greek Mythology, Art Theme Of Yearbook

This year's "Iris", with a completely modern artistic and typographical layout, promises to be one of the most beautiful annuals ever put out. Every attempt is being made by the editor and layout staff to give the book a light and artistically perfect appearance.

The theme for the book is Greek mythology, and to carry out the idea examples of Greek art and architecture which are found in our own building will be used through the medium of photography. If present plans go through, there will also be beautiful color photographs of the school and campus throughout the book.

A new feature this year will be a complete student index. The opening section will be larger and lighter, and a special feature section will be developed apart from the rest of the book.

The professor was delivering the last lecture of the term. He told the students with much emphasis that he expected them to devote all their time to preparing for the final examination.

"The examination papers are now in the hands of the printer," he concluded. "Now, is there any question you would like answered?"

Silence prevailed for a moment, then a voice piped up: "Who is the printer?"
