Homecoming At C.S.T.C. This Saturday

De Kalb Tilt Crucial Test

Leaders Of Little 19 Have Strong Team

The main event on Homecoming will find Central State opposing the strong De Kalb Teachers, who, at the present time are leading the Little 19 conference. Although...

(Continued on page 3, col. 1)

Welcome-Alumni of Central State

The longer one is in school, the more he comes to realize the full meaning of homecoming. He looks forward eagerly to seeing and greeting again his friends of former years, exchanging with them reminiscences which are now cherished memories and delightful in their companionship.

This writer is only a senior, so he cannot describe accurately an alumni's feeling on that day, but if they are anything like his, they are emotions that are too deep to permit an explanation.

So, again, welcome, grads! May this be the happiest homecoming ever. May there never be a dull moment in the day. Let us know that you're glad to be back, and we will do our best to show you a hearty and sincere welcome.

Berard, Chartier Chosen To Guide Senior, Junior Classes

"Web" Berard, popular senior and member of Chi Delta Rho fraternity, was chosen by the senior class as its president. "Web" is a prominent member of the football squad and is active in basketball and track as well as on the campus. "Gib" Pophal was elected vice president, while Maxine Miner and Zelda Weerd both of Omega Mu Chi sorority were chosen secretary and treasurer, respectively.

The junior class chose as its head and prom king Leonard Chartier, the red-head from Merrill, who is equally at home on the football field and on the dance floor. Al Bucholz, of Chi Delta Rho, was elected vice president, Bill Larson of Chi Delta Rho, secretary, and Dorothy Richards of Tau Gamma Beta, treasurer.

Ray Weingartner, a football man and a Chi Delt was elected sophomore president with Betty Jacobs of Omega Mu Chi vice-president, Franklin Hitze, Chi Delt, secretary, and Ruth Nason of Omega Mu Chi as treasurer.

The freshmen are starting their school career with Keith Aulik as president, Peggy Glennon as vice president, and Evelyn Schwingle as secretary-treasurer.

Notice!

Mr. Burroughs has requested that all those who wish to participate in debate and who have not as yet indicated their desire to do so should report to him as soon as possible.

Parade, Game, Banquets, Dance Fill Program

Affair Begins On Friday Evening With Pep Meeting And Bonfire

This weekend will be marked by an outbreak of festivities for Saturday is Homecoming. The activities for this gala occasion will begin Friday evening and continue throughout the weekend with emphasis placed on the game Saturday between Central State and De Kalb. Although the game will climax the festivities, the social events will brighten the campus and town and will add to the general spirit of welcome extended to the alumni.

Parade Begins At 9:30

At seven o'clock Friday evening the event will begin at the College auditorium where a mass pep-meeting will be held. A bonfire will serve to ignite the spark of enthusiasm which will blow throughout the following day. At...

(Continued on page 2, col. 4)

De Vega Group, Famous Dancers, Appears Tuesday

Carlos de Vega, noted Spanish dancer, and his troupe will appear next Tuesday evening, Oct. 27th, at 8:00 in the college auditorium. With him are two beautiful dancers of talent, Ynez, of the Argentine, and Mariluz, of Mexico. Carlos de Vega is known in the large cities of the Continent as the greatest living exponent of the Spanish Dance.

N. Y. A. CHECKS

Every student concerned has been complaining about the delay in the appearance of the N. Y. A. checks. This delay was caused entirely by several students who turned in their time cards late. The relief workers were informed on Sept. 25 that the cards were to be in on Oct. 10. Five or six of them did not come in until the middle of the succeeding week. So don't blame the government or the school authorities.

$50 REWARD OFFERED

Last week this paper ran a notice offering $25 reward for information leading to the arrest of the person or persons who took a green desk lamp from the Pointer office. No information has yet been received. The reward is raised to $50 this week. Should the reward be claimed the recipient will in no way be connected with the affair. Obviously, the price of the lamp alone is certainly not the reason for the 8th ring of this reward. The purpose of this offer is to forcibly imply that thefts of any kind from this office absolutely will not be tolerated. All the equipment in this office has been bought by the organization itself, and it is the Pointer's intention to retain what it has worked for.

LET'S HAVE SOME FIGHT!

Each year several persons write letters to this paper regarding the lack of political spirit at Central State. Now is their chance to enter some active political work—either by joining the new progressive club or opposing it.

Marrs, College Physician, Evaluates Health Service

The health service which C. S. T. C. offers is of more value to the students than most of them realize," said Dr. F. A. Marrs, college physician, in a recent interview. He further stated that since the students realized this they might make more use of the opportunities which are available.

The health service is open, free of charge, to all registered students. In the past 10 months, 203 students have been admitted. The physical examinations not including grade school pupils. From 8 to 15 students report daily with some minor ailments. In examinations several cases were found of some major illness.

The school has a right to feel that the service which it provides is of value to the students. Students have seen a chance to discover ailments in their minor stages and to have them treated. All students are required to have a physical examination and are requested to do so at the earliest possible date.

Full Sports

The fall sports are well underway. They consist of tennis, archery, hockey, volley ball, and creative dancing.

The creative dancing class has drawn more people than any other activity. The girls number seventy-eight, but there is still room for more. Come out and try.

Hockey practice is held every Tuesday and Thursday at four o'clock. Regular teams have not been chosen as yet, so learn to play before the tournament begins.

From twenty to thirty girls are participating in tennis and archery. There will be tournaments in both of these sports if weather permits. Do you want to join us?

Just look out on the football field every Monday and Wednesday day if you want to see the hockey team in action. More players, with or without experience, are always welcome.

Remember that any two of these major sports will give you the necessary qualifications for becoming a member of W. A. A.

"Hot Dog" Sale

Buy all of your hot dogs from the W. A. A. at the Homecoming game. They will be sold during the half. They'll taste good on a cold day, don't you think?

"Mums" For Homecoming

Remember to buy your chrysanthemums from the W. A. A. members this Friday. All loyal C. S. T. C. students, faculty, alumni, members and friends, wear the chrysanthemums during the Homecoming week-end. Do your part in keeping up the Homecoming spirit!

Get Tickets From W. A. A.

Carlos and De Ve, noted dancers, will appear on the C. S. T. C. stage, October 25th. Watch for the W. A. A. girls. They will be more than willing to sell you as many tickets as you want for your father, mother, and friends. Students and faculty members are invited to attend and no admission will be charged.

Homecoming...

The Annual Homecoming parade, one of the chief features of the day, will start at 9:30 o'clock Saturday morning. Mr. Evans, chairman of the Homecoming committee, has been assured the support of many of the school organizations in the making of the parade. With the inspiration as the criteria for success, the floats are to be judged and prizes will be awarded.

Game Begins At 2-15

The floats will assemble on East College Avenue, shortly after nine o'clock. The line of march will be Clark street, from Premonstratensian street to 2nd street, 2nd street to the Public Square and Main street to the College Campus.

Saturday afternoon the scene will shift to Schmeeckel field where the De Kalb eleven will engage thee Rockis in a pigskin stunts in the big game.

The various fraternities and sororities will hold banquets for the players. The grand wind-up will be the dance in the new gym. The Castilians have been engaged to play for the affair, and a large crowd is anticipated.

Populariety

If you have reached the dizzy heights
Of popularity, beware!
Remember how a flying kite
Depends upon the feeble air.
The wind may change, you may go down
To example up beyond repair;
And when you've lost your tissue crown,
How many so-called friends will care?

If you are going on a hike,
Expecting wind and rain and snow,
You'll choose companions that you like
When you have every right to go.
If you are liked by them enough,
Because of Loyalty, you know,
They'll help you when the real gets rough.
With LOYAL friends it's always so.

Then pick the friends that you can trust,
And let me pass along this cue:
Be Honest, Fair, and Just.
If you want friendship to endure,
I would not swap my loyal friends,
The tested friends I know are true
For HONEST adherence, loyalty depends
ON POPULARITY, and Loyalty.

by Summer Hazelwood

(Continued from page 1, col. 4)

(The Pointer is published weekly, except holidays and examination periods, at Stevens Point, Wisconsin, by the students of the Central Wisconsin State Teachers College. Subscription price $0.25 per year.)
Homecoming Dance Sat. Eve.
The annual Homecoming dance will be held in the new gymnasium Saturday night, October 24th.

Dancing will continue from nine until twelve. A very large crowd is expected. The Homecoming Dance is always a hilarious affair with much handshaking and enthusiastic greetings for old friends.

The Castilians, "University of Wisconsin Favorites," will furnish the music.

Jenkins Addresses Rurals

An address by Professor W. G. Jenkins was the feature of the program at the regular meeting of Rural Life on Monday evening. As a result of a request from the program committee, Mr. Jenkins discussed the principles and organization of Faseninl. He drew comparisons and contrasts with Communism and illustrated with many incidents from the histories of various nations. The members were very grateful for his clear and interesting presentation of this timely subject.

Other numbers on the program included a reading by Eileen McGuire and a group of vocal solos by William Clements. In the absence of Kirkwood Likes, Mr. Clements led the club singing while Ruth Kuntzmann played the accompaniment.

Men Hold Pine Dance

A large crowd enjoyed the new gymnasmuin given by the Men's Glee Club Saturday night. The Castilians furnished most danceable music. Little difficulty with the dance was remarked favorably about the orchestra's position in the corner of the gymnasium instead of its usual position on the stage.

Despite the disappointment of the afternoon, the dance was a high-spirited success. Glee club members also vouched for its financial success.

Back 2-Week Movie Benefit

The second and third weeks of November are benefit movie weeks for the College Band, the Girls Glee Club, and the Mens Glee Club. Proceeds from the shows sponsored during this time will be divided among the three groups. All members of these organizations will sell tickets before and during the two weeks. Students are urged to patronize these members. The names of the pictures will be announced in the latter issue.

Trouble Shooters

Wonders why everyone is rushing around so fast. Folks seem to be vainly trying to produce tricks. Why all this talk about formal paper, suits, horses, and cars! It must be homecoming isn't it. Lots of forlorn faces of boys and girls who "better halves" have been working or attending school elsewhere will brighten up when the alumni appear. We hope to see all of the old married folks back for the weekend: Fern and Bill; Marge and Frank; Myra and Mickey; and Larry Bishop and family.

Here's a little cheer for Norm Hinkley. That little speech he gave the cheering (5) section went home and even though he apologized for his ability as a cheer leader, he really made them yell.

I suppose you've noticed the lovebright in Micky's eyes. It's all for a little Freshman gal office of her class by the way. Yes, she's Irish, too. Lots of college students have been wondering why the "House of David" but at the Phi Sig House was called off. They claim that by mutual agreement it was declared a draw. If any of you had "Torch" in a class, you'd know. When the board began to reach the awkward stage, poor "Torch" looked as if he were suffering the seven year itch. The boys all returned to the civilized stage last week-end. Those Omegas have turned out to be quite the "Apple-Polishers". Haven't they? The minds of the gals seem to have a Merrill turn. Could it be the recent junior class presidential election? It might be those other fine Merrill products at the Almanac house telephone 2731. Politics seem to be sweeping the school. As fast as Landon badges appear they disappear into Don Johnston's safe-keeping. The N. Y. A. students are loyally supporting "Our gallant leader," but Schmeeckle has been seen with sun flowers of various sizes. (P.S. He grew 'em!) Ed Lighbody attempted a revolution of the class election system but it fell short. Nevertheless Ed's got the right idea that more orderly elections are in demand. The new student directory came out Friday and it surely is handy. Be sure you obtain one for a date reference or any other practical use.

Oshkosh Holds Pointers To 7-7 Tie

Pointers, Superior, La Crosse Hold Top

Stevens Point, although tied by Oshkosh, retained its hold on first place in the Southern Division of the Ped's Conference, while Superior, being idle last week, was still tied with La Crosse for the leadership in the Northern Division.

The standing are as follows:

**Southern Division**

Pointers Outgain Oshkosh In Yardage, First Downs

Oshkosh's husky football team refused to be pushed out of the fight for the championship of the Southern Teacher's Division Saturday, and as a result a large crowd of faithful Central State supporters saw their favorites play sixty minutes to a 7 to 7 tie.

**Sixty-Two Yard March Falls Short**

If games were decided on first downs or on total yards gained, the Pointers would have had an overwhelming victory. Unfortunately, they still pay off on touchdowns and, according to all indications, they will for a long time to come.

In the early minutes of the game, after Oshkosh had booted the opening kickoff, the Pointers started a march that made one think they were watching a Big Ten team in action. With Johnstun and McGuire rolling off consistent gains, the Pointers chalked up three consecutive first downs and carried the ball from their own ten yard line to the Oshkosh twenty-eight. However, this long march was stopped when Oshkosh got control of the ball they immediately punted.

**Oshkosh Scores**

Stevens Point again failed to make the yardage for a first down and were forced to kick against a north wind. The ball was downed on the opponent's thirty-three yard marker after bouncing aimlessly around the field and Oshkosh now had a chance to open its bag of tricks. On the first play, Derr threw a pass to Arsenauw who caught the ball in the middle of the field and, behind some quickly formed interference, raced to the twenty-one yard line before being stopped by Betray. It was first down for the Pointers and the Pointers now had exchanged positions with Oshkosh and had their own backs to the middle.

Quarterback Arsenauw decided to try a line play and, on the first one attempted, Derr made a first down on the ten yard line. The following play saw Derr toss one to Lautenslager who caught the ball in the end zone for the first score of the game. The pass for the extra point, from Derr to Arsenauw, was good and the Pointers trailed by the score of 7 to 0.

After receiving Oshkosh's kickoff on the twenty-five, the ball was returned ten yards and another steady Point drive was on. Houck tore through the center of the line for twelve yards; Houck, again gained six yards right through the middle; a pass from McGuire to Olsen was good for twenty yards and a first down on Oshkosh's seventeen; on a series of line plays the ball was carried to the fifteen and another first down; two line plays and a pass failed to gain and the fourth down pass was intercepted by Ruf on the five. Another sixty yard gain had fallen short of the pre.

**Intercpted Pass Halts Threat**

Oshkosh, not taking any chances on a fumble deep in their own territory, kicked and the ball rolled out of bounds on their own forty-yard marker. The Pointers first play was smothered for a ten yard loss but then McGuire braved a pass to Chartler; he was tackled on the twenty five just as the first quarter ended.

With the breaks against the Pointers, at the start of the second quarter a fifteen yard penalty for holding slowed the ball back to Oshkosh's forty. After several incomplete passes, McGuire started out of bounds on the twelve yard line. A five yard penalty, on the Point for having a player offside, advanced the ball to the seventeen but on the next play Ninnu redeemed himself by erasing through and throwing Oshkosh for a six yard loss. Coach Koff's eleven punt out of danger but on an exchange of punts the pigskin was in Oshkosh's possession.

Parker Gives Honor Pens

The All-American Board of Football announced that the Parker Vacumatic Pen has been selected as a special award to be given each week for the nine weeks of the current football season to the ten outstanding college players in America. Each player awarded will be inscribed with the words "All-American Rating." From the 90 players receiving this trophy pen, the All-American Board will select the All-American Team of 1936. The present All-American Board is composed of Christy Walsh, sports editor and syndicate writer, and the following famous coaches: Glenn S. "Pop" Warner, Temple; Howard Jones, Southern California; Elmer Layden, Notre Dame; and Frank Thomas, Alabama. The Board's selections are usually accepted as official by coaches, sports writers, and the football public in general.
Sports Gossip

Small Stuff

The game this Saturday will be the third contest that the Pointers have had with Little-I19-teens. In an earlier famous contest with Illinois Wesleyan, the Pointers were defeated, but this week the fans are expecting a different outcome. DeKalb's boasts of a giant-midget combination composed of Charles Cook, 260 pound tackle and Bill Rezek, 190 pound quarterback, so the coaches have been concerned as the game is 245 serious scoring bids were concerned although the play was entirely confined to Oskoski's territory. Oskoski, however, has control of the ball most of the period and played the offensive side, while Point upheld the defense.

Statistics Show Point Supremacy

During the final quarter, the game was played between the thirty yard markers with the exception of the final minute, when the Pointers made their last desperate bid. With the ball on Oskoski thirty yard line, with less than twenty seconds to go, McGuire squatted back for what appeared to be a touchdown but Nixon was offside and the play was cancelled for a five yard penalty. The crowd was on the field, thinking the game was over, but high hopes were raised. After the offside penalty the Pointers had time for but one more play and McGuire again carried the ball but after ten yards, he was stopped. The gun went off and the game was over.

Still from all statistical information Oskoski was rather fortunate in holding Central State to a tie, but, as has been mentioned before, tomorrow's games determine gridiron games, so probably Oskoski deserved their hard fought tie.

Eddie Olsen, Mickey McGuire, Don Johnston, Charley Horner, and Ted Menzel played good ball for the Point while Derr, Lautenschlager and Asenean were outstanding for Oskoski.

Oskosh, Point Meet For Tie

(Continued from page 4, col. 1)

Touchdown, Point kicked off at the beginning of the second half and, when the ball rolled into the end zone for a touch back, Oskosh took possession on their own twenty. Unable to make any yardage Oskosh was forced to kick. On the next series of plays, mixed with a fifteen yard penalty, the ball was taken by Central State from their own forty five to the Oskosh forty three. After several line plays failed, McGuire went off tackle for the only Point touchdown, converted the kick for the extra point and the score stood 7 to 7.

The rest of the third quarter was of little significance as far as matters of the game were concerned.

Oskosh-Oskosh Art Kovacevich, also a tackle who stands 6 feet 7 inches tall.

It's About Time

The Pointers from DeKalb, Illinois, have never lost a homecoming game since Coach Evans has been at the helm. Saturday is a good day to rain a point record.

The Triple Threat Boy

Chester Davis, DeKalb quarterback, has solved Coach Evans' problems in finding a reliable man to call the signals. Against Carbondale, Davis returned a kickoff 90 yards for a touchdown, performing so far he has been a consistent ground-gainer.

Has A Lot Of "Wait"

The DeKalb Chronicle criticized the playing of Coach, the giant 265 pound lineman, because he plays a waiting game instead of charging through for a tackle. I'll bet many coaches would open their arms to a few of these big boys even if they could play a waiting game. Furthermore, it takes a lot of "Where's" to keep a seventh of a ton running.

"Fluke" Quarters In Demand

According to the Platteville Expounder, Stevens Point has played Platteville two weeks ago in a Fluky second Quarter. Any team would be satisfied if they could score 19 points in a second "Fluky" quarter. It looks like the Exponent used the wrong adjective in describing the second period because personally, I feel that playing a three touchdown drive in fifteen minutes anything concerned with a fluke.

Two Months Late, Swede

Eddie Olsen, one of the hardest fighting players on Coach Kolat's squad, played a mighty sweet game against Oskosh. The only disappointment this department heard of his playing was the manner in which Eddie tried to tackle Derr, and although it nearly threw a pass, "Ole" grabbed the passer's arm and in attempting to down the man, gave a good imitation of a top pole dance.

A Rough Game

Several of the players took quite a physical beating Saturday. Mickey suffered muscle pains in his legs while Bucholz, at the time of this writing, was confined to his bed with a torn muscle. Both should be in condition, however, to see action this week.

Hello "Momme"

If the present plans go through, the home coming game will be broadcasted over WJHL directly from Schunceelke field. So far this year, summaries of the Point games between the halves of the Wisconsin broadcast and the last few minutes of the local contests have also been sent to the boys. Gerald Willecke and Ben Laschkewitz have been handling the description of the games.

Is There No Justice?

Well, we took a severe jolting last week in our predictions due to the many ups throughout the country. However, our good all relieves came through for us and our rating now is at .840.

DeVega Dance Ensemble  
(Continued from page 5, col. 1)

Each dancer specializes in different types of illustrative dances. These range from dances of ancient peoples to intricate modern dances. Costumes add to the reality of the performance and costumes and hair styles help to portray the mysterious element prevailing in many of the scenes. This is the first time this troupe has toured the U. S.

The public is invited to attend this unusual and outstanding program. An admission price of fifty cents will be charged to outsiders. Students will be admitted upon presentation of their activity tickets.

College News Briefs

F. Rogers Constance, a former student of Central State who is now teaching at Westboro, Wisconsin, has had another poem of his published in the 1936 Poets' Anthology of Verse. The title of this poem is "In the Heart of India."

Jim Murat, who had an appendicitis operation a week ago last Monday, is convalescing nicely, although he was very ill at first. He intends to be back in school in a short time.

The Oshkosh State Teachers College Band, directed by Professor Breese, assisted here at the game last Saturday. They changed off with the College band in playing marches.

The college band has been doing excellent work at all the home football games. Marching and better formation between halves of the games provides entertainment that the spectators enjoy.

The enrollment for this semester has probably reached the final figure of 672, having increased by quite a large number over the first figures. The additional 178 enrollment for night school brings the total up to 850.

Political Group Organizes Rapidly

The club which was organized at college last week is known as the Young Progressive Club. The purpose of this club is to interest students in things pertaining to their government and to aid in the present campaign. Membership is open to all students and membership blanks are on hand by calling for one from the chairman, Ed Lighthart, or from anyone who will have his name posted on the bulletin board for this purpose.

To Have Straw Vote

One of the first acts of the new group was to extend its good will to the president and to endorse his candidacy for reelection. The local assemblyman, Mr. Kostuck, was the main speaker of the evening at the first meeting. His address was of especial interest and was well received. He spoke on "Why I Am A Progressive".

At the meeting this week it was decided to issue a straw ballot on which the choice of the student body could be registered on the offices of governor and president. This ballot is to be non-political, and will be so distributed as to make it free of political control by any group or another. The final steps in distributing the ballots has not been completely worked out but will be by the first of next week. This will give the students one full week in which to make their choice for their respective candidates. The committee hopes to make it as accurate as possible, so they are asking all to cooperate in filling out the ballots and returning them as soon as possible. Results of the ballot-counting will be posted from time to time and the complete results will be published the day before the general election.

The group held a short business meeting Tuesday night and adjourned early in order to attend the Republican meeting at the Armory. They decided to hold their next meeting on Wednesday of next week.

Ask: "Are you saving any money since you started your budget system?"

Wisby: "Sure. By the time we have balanced it up every evening, it's too late to go anywhere."

HERE is one of the reasons why the rank and file of Wisconsin school teachers want a Progressive administration:

Wisconsin's budget, under Governor La Follette, is balanced—but not at the expense of Wisconsin common schools. Progressives fight for Equality of Opportunity for Wisconsin Youth, and that means fighting for better schools.

State aid to common schools—during the fiscal year of 1935-36 (under Governor La Follette) amounted to $3,092,123.44, an INCREASE of $728,735.49 over the allotment made by the Schmedeman administration which had slashed the aid.

More state aid to common schools gives school boards a chance to write

Training Teachers Listed;
Junior High Has Majority
Students who are taking practice work are listed in their positions for the semester. The completed list of training school teachers is as follows:

Junior High

Sixth Grade

Fifth Grade

Primary
Regina Schnorrer, LaVerl Poston, Ann Williams, Maxine Tovbs, Elva Pet- ter, Lois Reader, Jeanette Wilson, Dorothy Anderson, Vivian Klog, Agnes Kriegel, Luma Jane Rosenow, Edith Carlson, and Valeria Mac Trinidad.

The Purple and the Gold
Other colors of school boost, Of victory, glory,
Of laurels ever lost, of triumphs by the score.

Let them tell you of their lineage, Of warriors strong and bold.
But their colors ever live, To The Purple and the Gold.

Our men are all victorious, In every state around,
Our athletes and debaters, Are winning fair renown.

Though we're proud of all Wisconsin, Whose fame's in story told
Our hearts with Alma Mater, And the Purple and the Gold.

To the banks of old Wisconsin, Whos years have passed and gone,
As schoolmates are here today, Their lessons all are done,
We'll return and show our comrades, We're as loyal as of old,
And cheer them on to victory, Neath the Purple and the Gold.

Debate Meeting
Well Attended
Important Tournament Scheduled For Monday, November 2
A large number of students indicated their interest in debating by attending a forensic meeting last Thursday afternoon. The chairman of the speech department, called the meeting to organize the debaters and to ascertain the number of students who are desirous of competing this year.

Those who have indicated their debate intentions by attending the meeting or by notifying Mr. Bur- roughs are:

The first debates of the year will begin on Monday, November 2, when a preliminary tournament, which is being planned by Bob Hoffman, will be scheduled.

Material Is "Cornered"
This tournament will be one of the largest ever held in C. S. T. C., and Mr. Burroughs has asked that both students and townspeople attend. The judges have not yet been chosen. However, they will be from outside the school.

In anticipation of this early tournament and the La Crosse tournament which will probably be the first outside contest of the year, all materials available in the college are being gathered and catalogued. Reference books and other pertinent literature has been ordered and will be placed in the hands of the debaters as soon as it arrives. Meetings will be held in the future to discuss the question.

Band Concert Next
Thursday Morning
The college band will present a concert on Thursday, October 28, at the regular morning assembly hour. This is the first concert of the school year.

The program will be of special interest to those who enjoy band music. The band will render the "March of Youth" by Olivadoti; "Cabin" by Gillette; "Snow-Flakes," a novelty xylophone solo by Elyoen Schwing, by Charno- sin; "Ris Rita," from Ziegfeld, by Tierney; "Scherzo - Swallows Flight" by Langenus, duct by Ken Storandt, clarinet, and Fred Paffrey, flute; "Triumph of Alexander" by Richards; and the "Ve- netian Festival" by Olivadoti.

Some weeks ago Mr. Victor Grabel commented upon the excellence of this organization. His approval should certainly be enough to induce all real music lovers to attend this first concert of the season.

Greek Mythology, Art Theme Of Yearbook
This year's "It's", with a com- pletely modern artistic and typo- graphical layout, promises to be one of the most beautiful annuals ever put out. Every attempt is be- ing made by the editor and lay- out staff to give the book a light and artistically perfect appear- ance.

The theme for the book is Greek mythology, and to carry out the idea examples of Greek art and architecture which are found in our building will be used through the medium of photo- graphy. If present plans go through, there will also be beau- tiful color photographs of the school and campus throughout the book.

A new feature this year will be a complete student index. The opening section will be larger and lighter, and a special feature sec- tion will be developed apart from the rest of the book.

The professor was delivering the last lecture of the term. He told the stu- dents with much emphasis that he ex- pected them to devote all their time to preparing for the final examination.

"The examination papers are now in the hands of the printer," he concluded.

"Now, is there any question you would like answered?"

Silence prevailed for a moment, then a voice piped up: "Who is the print- er?"

Mention "The Pointer"
"Busted, your dog seems to be in pain."
"No, oh, he ain't in pain. He's just lazy."
"But he must be suffering or he wouldn't be howling like that!"
"He's just wanting you to sit down on a thistle."
