Welcome Back Alumni!

Homecoming is a joyous occasion. Old grads return once again to the scene of their former labor and play. To us at school it is a pleasure to meet friends of other years. It brings content to know that Commencement at C. S. T. C. need not mean "good-bye" but merely "so long" till Homecoming.

So once again your Alma Mater bids the alumni welcome. Happy Homecoming to you all.

Adventurer-Lecturer

[Here This Morning]

One of the finest assembly programs of the year will be presented in the auditorium this morning at 10 o'clock when Von Hoffman, a world-wide adventurer, will relate many of his exciting and interesting adventures. Von Hoffman has explored countries all over the world including Formosa, Jutland, Morocco, Egypt, Rhodesia, Cape Colony, Sudan, Tanganyika, Uganda, Congo, Transvaal, and many others, and his many experiences should be of great interest to his audience.

Tuesday morning, October 12, Le Petit Ensemble, a sextet of artists from the Chicago Civic Symphony, will give a varied musical program featuring talented soloists and a splendid string quartet.

College Band Leads Homecoming Parade

The College Band will lead the Homecoming Parade and will maneuver before the judges' stand.

In the afternoon before the game, the band will be heralded by a drum and bugle corps and will maneuver to position in front of the student body where a flag ceremony will be conducted. Between halves, the band will lead the spectators in a skyrocket. The letter "P" will then be formed and the "Purple and Gold" sung. With the forming of the letter "M", "On Wisconsin" will be played and sung.

President Hyer states that this group comes highly recommended and should provide an hour of grand entertainment.

The Purple And The Gold

Other schools of valor boast, Of victories galore; Of laurels never lost, Of triumphs over the score.

Let them tell you of their prowess, Of warriors strong and bold, But their colors ever lower, To the Purple and the Gold.

Our men are all victorious, In every state around, Our athletes and debaters, Are winning fair renown.

Though we're proud of all Wisconsin, Whose fame's in story told, Our heart's with Alma Mater, And the Purple and the Gold.

To the banks of old Wisconsin, When years have passed and gone, As schoolmates we have parted, Our lessons all are done.

We'll return and show our comrades, We're as loyal as of old, And cheer them on to victory, 'Neath the Purple and the Gold.

Parade, Game, Dance Features Of Week-End

Pep Meeting And Bonfire

Begin Festivities Fri. Eve.

Yellow chrysanthemums will usher in Homecoming this weekend. The activities for this occasion will begin Friday evening at seven o'clock, at which time a Pep meeting will be held in the college auditorium. This will be followed by a bonfire on Schmeeckle Field. Freshmen have been joyfully collecting debris for the purpose all week. The meeting will adjourn in the traditional fashion.

At nine o'clock Phi Sigma Epsilon will hold its annual semi-formal pre-homecoming dance.

Parade Saturday Morning

Saturday morning will see the unveiling of the results of many an evening's work when the floats assemble for the big parade. The theme will be March of Time. Mr. Evans, chairman of the Homecoming committee, announces that prizes will, as is customary, be awarded the best floats.

Thank You

Just a word of thanks to all who help make Homecoming possible at C. S. T. C. Special mention is due, we feel, to Mr. Rigtseell, Mr. Schmeeckle, Mr. Watson, and Mr. Steiner of the Athletic Committee, and to Mr. C. E. Evans, General Chairman of Homecoming arrangements.

Pre-Homecoming Dance

Sponsored By Phi Sigs

Phi Sigma Epsilon Fraternity will sponsor its Annual Pre-Homecoming Semi-formal Dance at the Hotel Whiting, Friday night, Oct. 8, after the bonfire which will be held on Schmeeckle Field. The Castilians, one of Wisconsin's best-known bands, will furnish the music and the dancing is scheduled to start at 9:00 P. M.

The affair last year brought back many alumni members of Phi Sigma Epsilon as well as other alumni of C. S. T. C. and the Phi Sigs hope to duplicate last year's success.

Gerald Eyler is general chairman of the affair, assisted by Kenneth Storandt and Bob Piffner. Ted Meyer is in charge of advertising; Don Olson arranged for the music. The public is invited.

Welcome Alumni!

We'll return and show our comrades, We're as loyal as of old, And cheer them on to victory, 'Neath the Purple and the Gold.

NOTICE

Several pieces of news from organizations and students have come into the Pointer office late. This causes great inconvenience for the whole staff, and it is requested that all news be in by or during Monday night.

WANTED

One of the best channels for open-minded thought here in college is the student opinion column which is run in this paper. The column is yours and we hope that you will avail yourself of the splendid opportunity which awaits you. If you have a thought you would like to express, please put it down on paper and slip it into the pointer office drop-slot before Monday night.

Health Service

In recent weeks reports of a widespread increase in respiratory infections have been prominent in the news. All over the country sore throats, fever, aching backs, headaches and eyes have sent many people to bed for a few days. Official comment says there is ‘the usual increase of colds for this time of year, and it is hoped these colds will not develop into an influenza type’.

In general the present increase in respiratory disease has not been called influenza because of its brief duration in the individual. Suggestive of influenza are the abrupt onset and the general aches and pains greater than the appearance in the nose and throat would indicate.

Research has, for years, attempted to discover the cause of colds and influenza. ‘We have come to the conclusion that a filtrable virus is in fact the principal causative agent of the common cold and influenza. Thus these two diseases are closely related. Equally important is the evidence that some abnormal condition of the mucous membrane of the nose and throat allows more successful planting of the virus. In a well person, temporary congestion of the nose occurs when exposed to irritating gases. This change may allow more of the agent of a cold. Similar changes in the mucous membrane are produced by: (1)—Sudden changes in temperature; (2)—Changes in humidity (rain, snow or fog); (3)—Chilling of parts of the body (wet feet, etc.); (4)—Lack of sleep; (5)—General fatigue.

Thus, there are several factors to consider in avoiding colds: 1—Exposure. 2—Unwise conduct resulting in decreased resistance. Rest in bed for a day or two. Drink plenty of water. Liquid foods are all that are required. Drugs for the relief of headache or body pains. Alcohol should not be taken. Soda has not proved of value. A strong laxative should not be taken. Call your Doctor.

Myrtle Nick, freshman of Fond du Lac, led the cheers at Monday morning assembly. According to Miss Nick the loyal sons and daughters of Central State were doing some chanting for the Homecoming game. So cheer up with these:

Student Opinion

Dear Editor:

Last Monday morning was an excellent illustration of the great amount of feeling which can be stirred up by an ungodly bunch of human angels. It started out with an innocent discussion of class elections which immediately progressed to a point where one was exactly sure to what bounds the discussion would progress. We all hope that Mr. Kordusk was a wee bit vehement in his accusations. It is hoped that the matter of class election is settled once and for all. We do believe that the majority was quite adequate to express the feelings of the student body.

Sincerely,

A Peaceful Sophomore

Dear Editor:

For the forum “debate” on the primary election system the other day, it was stated that such a system, as we use to elect officials in all the states of the union, was not wanted in school because the election would be run by so-called “politicals.” According to that assertion democracy has failed in the United States. It is apparent, then, that our officials are not elected by the vote of the people.

Although the primary system may be impractical in school elections, it certainly is not undemocratic. Rather, it is the most democratic election system ever devised. If you have any knowledge of the world at all you will know that the election boards merely act as officials to conduct the election procedure as it is conducted, so the results are valid. These people have no privilege to nominate, vote, or run for office.

Therefore, as an American citizen I do not feel that the democratization of the primary system with the accusation that it would be run by “politicals”.

Girl’s Glee Club

Tryouts Finished

The Girls Glee Club now has 70 members who meet Tuesday and Thursday from 4 to 5. Tryouts were finished last week and Mrs. Michelsen has placed the members in their respective positions — soprano, second soprano and alto. Of the 70 members, 25 will be chosen to represent the glee club for concert work. As yet, the list has not been announced.
Society News

Y. W. C. A. Meets
The Y. W. C. A. held its first meeting of the year in the recreation room at Nelson Hall, last Thursday evening. The officers were introduced to the guests, and a short business meeting was held, during which plans for the coming year were discussed. The programs are to be based on hobbies—the development of new ones as well as those in which there is already an interest, and they promise to be both interesting and worth while. A float committee for Homecoming was appointed, headed by Leda Van Gilder.

After the business meeting, business was played, and a lunch of weiners, buns, and soda was served.

Y. W. C. A. meets on the second and fourth Thursdays of every month. All college girls are eligible for membership, and we hope to interest you all in our organization.

Homecoming Dance
The all-school Homecoming dance will be held in the New Gym on Saturday evening. Benny Graham's orchestra will play for dancing.

COCO!!
A grave error was made when Jerry Krembs was listed as one of the organization editors along with Miss Zilphia Webster. Jerry is an ardent supporter of the Iris and in appreciation of his loyalty, he is being named office janitor, so that he may be near the staff.

Miss Webster will forever remain as one of the organization editors.

Informal Mixer
The Home Economics Club welcomed the freshmen of the Home Economics Department last Monday, October 4, at an informal mixer at the Sims Cottage.

The evening began with a peanut hunt, games, and later on refreshments were served.

Jenkins Addresses Kiwanis
W. G. Jenkins addressed the Kiwanis Club at luncheon Tuesday, October sixth, at the Hotel Whitman. Mr. Jenkins gave an interesting talk on War.

Nelson Hall Notes
Miss Ruth Stauffer who is in training at the Presbyterian Hospital of Chicago visited at the Hall Thursday, Sept. 30th.

An explanation of those happy noises in certain rooms on second floor might be that Mary Walmsley visited here over the weekend. Miss Walmsley, who attended school here last year, is now taking a Physical Education course at LaCrosse.

Another guest of Ruth Smith and Grace Morgan was Miss Phyllis Davidson who is now teaching in Waupeana.

Marion Marshall of Omro has returned to the Hall after a week's absence due to illness. Yes, the "foursome" is once more complete.

Alberta Veeder had as her week-end guest her sister, Miss Barbara Veeder, who is a teacher at Lake Geneva.

Mr. and Mrs. Behnke and friends from Beloit visited Ruth Behnke Sunday. Ruth is recovering from an appendectomy. We understand "the friends" helped the recovery considerably.

Miss Emily Jakin, a graduate of 1937, visited her former roommate, Dorothy Gilbertson, last Saturday.

If it hadn't been for visitors, Nelson Hall would have been a quiet place with sixty-five girls signed out for week-ends all over Wisconsin. Among those spending the time at home were Catherine Field of Rhinelander and Anita Madsen of Phelps. Betty Warren visited at Land-O-Lakes, Arletta Newhouse at Oak Park, Illinois, and Margaret Kratz at Carroll College, Waukesha.

Have you seen the beautiful bouquet of gladioli in the Parlor? They are from Ruth Smith and she says they grow "big" in Plainfield.

Third floor and all was well—but no!—a sob was heard from the head of the stair's room. More sobs and even some tears if we interpret the drip, drip, drip correctly. Softly we stole along. Slowly the door was opened. Oh, it's only Gladys mourning—(noon and night too). Yes, she is out of circulation for the present.

Milwaukee Gulls Homecoming Foes

The Milwaukee State Teachers College Green Gulls, will be Central State's homecoming for Saturday, Oct. 9. Last year the Pointers lost their first homecoming game since the dedication of Schmecke Field in 1933 to DeKalb teachers of DeKalb, Illinois. Last year Milwaukee defeated the Central Staters for the only conference loss suffered by Kotal's gridders. The boys are out for revenge this year and are determined to bring home the hunting.

The Green Gulls' football team showed promise of developing into a formidable factor in the Southern Conference in their games against Carroll College of Waukesha, one of last year's seven undefeated and untied teams and St. Norberts of De Pere. Although the Green Gulls were defeated, 19 to 0, by Carroll they have a team that flashed at times and once they start to click, they will be hard to stop.

Ray Kroszka, freshman end from Milwaukee, is a fine kicker who consistently boots the ball fifty and sixty yards. The guard posts are well taken care of by Ed and Morris Sires, both veterans of three season's play. In the backfield, Carl Eckenrod and Larry Janski will carry the burden of the ball-carrying and both men are stars at their position.

Looking Back

This cut shows the scene of Saturday's game. The picture has a story behind it.

The ground now known to C. S. T. C. as Schmecke field was not many years ago a hideous-looking sandlot. The total cost of the field was approximately $3,800. Through the work of our President, Regent, and the faculty, Schmecke field came into being.

Prof. Schmecke gave an entire summer's vacation to the supervising of the new field. He brought to the task a knowledge of horticulture and a love of hard work, asking no compensation for his time and effort.

It was at President Hyer's suggestion in 1932 that the field was christened Schmecke field, the name it bears today.

McGuire Makes Winning Marker

Pointers Score in Second Period

On 70 Yard Drive

Central State overcame a fighting Stout Institute team last Saturday afternoon by a score of 7 to 0 on a 70 yard drive in the second quarter with Captain Jim McGuire carrying the ball over for the only marker of the game. The Stontonians proved surprisingly tough and even surprised their own supporters by the inspired ball that they played against the Pointers.

Johnston Out For Season

The Purple and Gold gridders were clearly the better team but when they were close to pay dirt something always came up to shove them back on their heels. Once they were penalized fifteen yards for an indigible man catching a pass and twice the Staters fumbled.

Pointers Hold Edge

The Pointers paid dearly for their victory, however, when Don Bremmer and Al Buecholz suffered sprained thumbs, Lyle Brunner was injured in the leg and hands and Ray Weingartner hurt his ankle and Don Johnson wrenches his knee and will be out for the rest of the season. Johnston's loss will be felt because he played a leading part in the game Saturday, twice rolling off runs of fifteen yards.

The play in the first quarter was even but for the rest of the game the Pointers held an edge over the Stout boys. The Central Staters made twelve first downs to

Charlie Houck has definitely decided to return to school and will be a valuable addition to the squad as soon as he gets in condition... Harrison Oljegy, a reserve end last year, has also returned to school and will help relieve the immense end situation where Ed Olsen and Fe Bohem have been holding out.... The new cheer leader, Miss "Swing-Time," and the Pep Club are to be commended for their efforts to instill the old spirit into the hackadayisial spectators.... It has been a long time since there has been any concentrated cheering at Central State's football games... Don Bremmer sprained his thumb last week just at a time when he was beginning to click on his passes.

He may be kept out of the Milwaukee game by the injury.

Progressives Meet
Among the many fields in which college students may seek to give an outlet to their interests at Central State Teachers' College, the football playing is that which deals with social economic and political problems. The Young Progressive Club was organized by some of the college students who were especially interested in this field, and who thought that by a collective thinking, studying, and acting they could somehow fit themselves for the part they must play as citizens of our United States. Intelligence on the part of the voters of this nation is essential for the preservation of our democracy, and that is the most important aim of the Young Progressive Club.

There was a Progressive outing at Iverson Lodge, Wednesday, October 6, at 7:30 P. M. Mr. Allez led a general discussion on the World War which was of great interest since he was one of those who went "over there" to do his part, and even more, to give his utmost to win for Uncle Sam. Entertainment and music were on hand; a small fee of fifteen cents was levied to take care of some of the expenses. Watch the Progressive bulletin board.

Tips On Tomes

Your audience expects you to be interesting. Mr. W. D. Nebit, in his book After Dinner Speeches and How To Make Them has been for years one of America's most popular after-dinner speakers. This book can be of help and interest to the average after-dinner speaker who wishes to keep his audience up on their toes.

The Daily Newspaper in America by Alfred McClung Lee shows the evolution of the American newspaper and how the newspaper does not depend so much upon editors as upon social trends expressed within the pages. The discussion From Press to People covers historical beginnings to the Formation of the Associated Press.

Here is the book for coaches, physical education teachers and students. Safety in Athletics contains a fund of athletics and physical information gathered by Lloyd, Deaver, and Eastwood.

Life and Labor in the Old South by Ulrich B. Phillips contains much information about the land of Dixie, the cotton plantation problems of long ago and the life of the slaves, planters, geutly, and overseers that usually is rather indefinite within our minds.

America's Experience As a Creator Nation by Madden, Madler, and Sauvain is a study of the significant phases of the international economic interrelations of the U.S. with the rest of the world.

Greek Activities

Greek Council Elects
The first meeting of the Greek Council was held on Wednesday evening of last week. Officers were elected as follows:

President: Phyllis Gikting
Secretary-Treasurer: Dorothy Mullarkey

The dates for rushing and pledging were set at the meeting. Rushing will continue from Monday, October 11 to Tuesday, October 19. Pledging will last from October 19 to November 19. Formal initiation and the annual Pan-Hellenic formal dance will take place on Friday, November 19.

Omega's Entertain
The members of Omega Mu Chi Sorority will entertain their alumnae and friends at a Fall Formal Homecoming banquet on Saturday, October 9, at 6:30 P. M. at the Gingham Tea Room. Before the dinner, a reception will be held at Nelson Hall.

Greek Banquets
The Greek organizations are busy with plans for homecoming. Floats for the parade before the game on Saturday are "in the making," and arrangements have been made for homecoming banquet following the game.

Tau Gamma Beta will hold its banquet in the Club Dining room of Hotel Whiting.
Phi Sigma Epsilon fraternity's dinner will take place in the fraternity house on Main Street.
Arcie's Cafe will be the scene of the banquet for Chi Delta Rho fraternity.
Omega Mu Chi sorority will receive its alumnae and friends at the Gingham Tea Room.

Fall Tea
Omega Mu Chi sorority entertained the women of the faculty, the faculty wives, and women students at its annual Fall Tea on Thursday, September 30, from 4:00 to 6:00 P. M.

Lutherans Elect
The Lutheran Student Association met on Tuesday evening for the purpose of electing officers for the coming year. They are: President, Gladys Anderson; Vice President, Albert Totzke; Secretary-Treasurer, Charles Hartvig.

The organization will meet the first and third Thursdays of each month. All Lutherans are urged to attend. Watch the bulletin boards for announcements concerning meetings.
