Miss Susan Colman Elected To Central Wis. Teachers Board Will Be President During Fifth Year

Miss Susan E. Colman, head of the primary department at Central State Teachers college, was elected to the executive board of the Central Wisconsin Teachers association at the annual meeting held at Wausau last week. She succeeds E. A. Holm, principal of the vocational school at Wausau, who was president of the association during the past year.

Miss Colman

The board is composed of five members each of whom serves four years as an executive and then automatically moves into the president's chair the fifth year. As a result Miss Colman will preside over the association in 1942. Other members of the board include P. A. Tipler, superintendent of schools at Antigo, next year's president; T. H. Boebel, superintendent of schools at Medford; W. P. Boyle, superintendent

Five Major Tournaments Constitute a Strenuous Program This Season

Wisconsin, Iowa, And Ill. Teams To Meet Here

One of the most extensive debate schedules attempted by Central State Teachers College in years confronts Coach Leland M. Burroughs and his debaters this season. Five tournaments constitute a strenuous program and consequently Professor Burroughs is anxious to begin the tryouts and practices as soon as possible.

The first major meet is the invitational tournament to be held at Normal University in Illinois during the latter part of December. A few weeks later another invitational tournament is to be conducted at the local college with teams from Wisconsin, Iowa, and Illinois colleges participating.

Mid-West Tournament

A forensic contest will be staged at Eau Claire on Saturday, February 19, which will consist of six different types of expression: Oratory of the declamation type (speaker to select his own oration) oratory of the original (speaker to write his own oration); serious declamation; humorous declamation; extemporaneous speaking; extemporaneous reading. Each college will have a contestant in all divisions and coaches will act as judges.

Consolation Meet

The mid-west debate tournament, perhaps the outstanding meet which local debaters will attend, will be held at St. Paul during the first week of March. The men will compete at St. Thomas

of the Tomahawk public schools; Miss Nellie Evjue, Merrill county superintendent of schools.

Mr. Burroughs

College while the women will debate at St. Catherine's College.

A post season tournament, a consolation meet organized mainly for those individuals who do not compete at the St. Thomas tournament, will be held at River Falls shortly after the St. Thomas meet. This contest will provide students who are not able to make the regular squads an opportunity to gain experience in regular competition.

The question to be debated in all tournaments is the Pi Kappa Delta question: "Resolved, that the national labor relations board should be empowered to enforce arbitration of all disputes."

Notice!

All students who wish to try out for the men's or women's debate squads should report to Mr. Burroughs today (Thursday).

College Band On Air Waves Each Wednesday

Each Wednesday afternoon between 3:30 and 4:00, Central State Teachers College Concert Band will broadcast a program of state and national tournament numbers. The purpose of these programs is to enable the band directors of the state to listen to the different arrangements and interpretations of these numbers.

It will be greatly appreciated if students who are free at this hour would listen to the broadcast and give comments to Mr. Michelsen.

Prizes Awarded Homecoming Floats

Prizes Given For Most Original Floats

Crepe paper may be wilted, costumes tinged with mud splashes, but the Homecoming parade must and did go on Saturday morning at eleven o'clock.

The following were highlights of the parade: The Phi Sig bull, we refer to the float, was unharmed by the rain. Don Schmeeckle purchased a bathtub at the Wodleigh auction for the munificent sum of ten cents. It appeared in the parade wearing the purple and the gold and bearing the inscription "Wash up Milwaukee".

Prizes for the most original floats were carried off by the Tau Gam's; Grammar Round Table, and the Forum. It is hoped that the members of these organizations will not over-indulge in chocolates during the next few days.

The Tau Gam Sorority presented a Chinese float, with the inscription, "Milwaukee hasn't a Chinaman's chance."

Miss Victory was the theme of the Round Table's presentation.

The Forum with a junk wagon gave sagacious advice "Junk Milwaukee."

One of the most attractive floats, that of the girls of Nelson Hall, rode in an Austin, the property of A. D. Hutter.

Chi Delta Rho went in for poultry farming. Their chickens advised "Laying for Milwaukee." The chickens, by the way, are the property of Dearborn Spindler.

GET ACQUAINTED!

Are you acquainted with our neighbor, the Training School? Far too many of us have merely a bowing acquaintance with her and her faculty during our under classmen days. Then, all too soon we become Seniors.

Many Seniors approach the Training School with a shyness verging on fear. Practice teaching seems an ordeal, instead of the grand adventure it was intended to be. Of course no one seems to especially enjoy the blackboard washing required of practice teachers. However, there is consolation in the fact if they but reflect on it, that no good teacher in the field must wash blackboards. He usually has more than enough volunteers to do it for him.

The novice, as he becomes acquainted with the Training School grows to love it as one's neighbors should be loved. He finds teaching a joy, and critics kinder than he had expected.

Working side by side in the Training School, Seniors develop an esprit de corps unparalleled elsewhere in the College.

Long live the Training School!

COMPLAINT!

Many times since school started this year, we have noticed cars parked directly in front of the walks from the Dormitory. This necessitates that the girls walk all the way around the cars; and during rainy weather, that is not too much fun. We realize that there is great lack of parking space but we do believe that a little more courtesy and consideration in the parking of cars would help a great deal.

Photo Club Adopts New Regulations

The Photo Club is to be organized on a slightly different basis this year. A few new regulations were adopted at the last meeting. This year both old as well as new members wishing entrance into the club will be required to leave a slip of paper in Mr. Rogers' office giving the following information: Name, class, and experience in photography.

This should be handed in not later than Tuesday, October 19. A committee will be formed for the purpose of investigating new members to be taken into the organization this year. All old members who do not do this will automatically be dropped.

Hallowe'en Party

The Training School is having a party. The affair is scheduled for Friday evening, October 29. It is a Hallowe'en party. Costumes, witches, and refreshments are the order of the evening. Training school students and teachers, don't miss the Hallowe'en party!

Is It You?

Four more easy ones this week. They'll get harder, but try these or wait for the others.

Short, dark, etc. Should be an easy one to guess as she keeps company with a baby grand piano. Sorority girl; Home Ec. Teaches music in the training school. Has acquired a surplus of nicknames.

You saw him on the basket-ball floor last year—Quite a good sized boy. Has other namesakes in school. Seen towering around school in yellow S jacket and a big grin. Good natured—good fellow.

Blond but not the blonde type. Junior—Curly headed—Very active athletically. Ardent dormite. Boyish looking. If I told you she was short I'd give it away. Not seen much at dances.

Older than the rest of us, carries his years in a most dignified way. Leader in school, being in what fraternity and a former officer of what class? Friends notice the absence of thick hair. Goodlooking—quite a dancer. Footballer. Is going places and has a good start already.

Student Opinion

Dear Editor:

For the first time since I started school here over three years ago we did not have a bonfire. The night before the Homecoming game has been observed for years with a pep meeting, bonfire, and snake dance. Why has our school become so lethargic? Why didn't the Freshmen collect material for a bonfire? Is it because the upperclassmen have become so engrossed in their own affairs that they no longer take an interest themselves? After all, one cannot blame the poor Freshies for not doing their duty if no upperclassmen showed an interest in such a pre-Homecoming night.

Maybe it is a good thing we lost our game Saturday. Maybe a few defeats, will remove our smug and self-satisfied feeling and bring a little more spirit back to our school.

A senior

Dear Editor:

The recently-developed feud between the Greeks and the two gentlemen, namely Kordus and Lightbody, should be dropped without delay. It is merely developing a lot of unnecessary bad will. Any Greek I know would rather lose his right hand than lose his membership in his or her respective group. The brotherhood established and maintained is certainly to be desired. The afore mentioned gentlemen would do the wisest thing if they forgot the incident entirely for they shall surely make fools of themselves if they continue on in the same vein. There is nothing to be gained by further antagonism, for the Greeks are not monopolizing the elective offices nor are they running the school. Lets grow up and forget such petty things.

Miss Hanson Attends Madison Radio Meet

Miss Hanson of the College Training School faculty attended a radio meeting at Madison, Thursday.

Miss Hanson represents the Teachers Colleges of the state in the Education Association Committee of School Broadcasting. Other committee members who met in joint conference at the University Club Thursday evening were Mr. Parker, H. B. McCarty, and H. L. Eubank. The committee discussed plans for its future program, deferring adoption of a definite policy until after the Milwaukee Convention.

Most Wisconsin folk are aware of the work of Ranger Mac and the school of the Air presented over W. H. A. The current issue of the Wisconsin Journal of Education bears an interesting and informative article on the work of the Education Association Committee of School Broadcasting and its associates.

Former Students Begin Voyage To South America

Three former students of the college, Kenny Thompson, of Stevens Point, and Ben and Mark Schneider, of Independence, left Monday for an extended trip.

They left Monday going to Tampa, Florida, by car, from where they will go to Rio de Janeiro on a fruit-boat.

The boys are not certain how long they will be away, but they said "at least a year."

Good Turn-Out

A large number of girls have signed up for fall sports. If all of them come out for the games, perhaps something can be done. Beginners in hockey, tennis, archery and dancing should feel that these sports are equally as much, if not more so, for them as for those who have played before. Here's the chance to learn these games if you have not had the opportunity before and if you desire extra help the sport heads will be glad to help you.

Nelson Hall Notes

Homecomers at Nelson Hall this week end were Maryann Lutsey, now attending Moser; Erma Kaneeny, Faye Yerke, Roberta and Ann McWilliams, Mary Wamsley, Phyllis Davidson, Marion Gaffney, Marie Gigstad, Jeanette Doughty, Avis Gerke, Estelle Greunke, Ann Williams, and Lucille Hickok.

Helen Piehl, Marianne Stauffacher, Elouise and Helena Torkelson, and Marguerite Cook visited sisters at the Dorm over Homecoming.

Mrs. "Bill" Herrick, Mrs. Clarence Schultee, and Mrs. John Eastling kept husbands waiting in the parlors while they visited with girls along the halls.

Miss Francis Hopper of Friendship visited Alberta Veeder for several days. "Billie" Weed and Shirley Webster were in to see "the crowd".

Guests for Glenis Christensen and Irene Floeter were Bernice and Earl Floeter, Carol Kanamon, Thelma Crawfords, and Evelyn and Victor Muir.

Rita Murphy is doing substitute teaching at Owen. She will teach Latin and English in the High School for two weeks.

Going! going! gone!—to the girl with red hair. New furnishings in dorm rooms were displayed as a result of an auction held next door. "Look at my lamp—got a bargain—if it works!?" A minute later we heard "It works", followed by shouts of joy. Such were the exclamations as the dormites returned from the sale. Our musical baritone player on second floor brought home a much prized bust of Beethoven. Another girl came back and threw away orange crates to make room for a good "second-hand" book stand.

Milwaukee Line Deciding Factor In Defeat For Central Staters

Central State opened its conference season last Saturday by going down to defeat before a Milwaukee team that outcharged and outfought the Kotalmen. While the Pointers held an advantage over the Gulls in yardage and in first downs, the Klugemen clicked when they were within reach of the goal. The Milwaukeeans broke the spirit of the Purple and Gold gridders by tossing a long pass for a touchdown on the first play

run off by the Green Gulls, Carl Eckenrod to Ray Krzoska, who was behind the Point secondary when he caught the pass.

Bremmer Scores

The Milwaukee line outplayed Central State forwards and was the deciding factor in the victory for the down-staters. The second touchdown for Milwaukee was made after Eckenrod had tossed two passes to Krzoska, putting the ball on the 2 yard line where Point was penalized to the 1 yard line. Kamens went over for a touchdown on a drive over the line. Krzoska, who had kicked the first extra point, missed the

next one making the score 13 to 0. In the second quarter, Lieber intercepted a pass by McGuire on the Milwaukee 30 yard line and ran unmolested for a touchdown.

Milwaukee and Whitewater share first place in the Southern Division of the Teachers College Conference while Eau Claire stands alone at the top of the heap in the Northern loop. Milwaukee defeated Point, Whitewater dropped Platteville and Eau Claire beat River Falls in the only conference games played last week. Oshkosh lost to Jordan College, 20 to 0, Stout was beaten by Northland, 12 to 7, LaCrosse fell before Winona Teachers, 12 to 0 and Superior was drubbed by Emporia Teachers, 26 to 7, in non-conference games.

Krzoska again missed the try for the extra point.

Burch Outstanding

The Pointers threatened to score twice before Don Bremmer finally went over for the only Central State marker. Bill Loewecke failed in the attempt for the extra point, making the final score 19 to 6. The Kotalmen were on the 2 yard line once on fourth down with a yard and a half to go for a first down but failed to make the distance. On another occasion, the Purple and Gold gridders were on the fifteen yard marker but an intercepted pass stopped them. Charlie Burch, Jim McGuire and Charlie Houck were outstanding for the Central Staters while Eckenrod, Edwards and Krzoska showed up best for the Green Gulls.

Whipple Named Boxing Coach

Inman Whipple, 1934-'37 boxing champion in the 155 pound class, has been hired by the Athletic Department to teach the fundamentals of boxing to beginners who wish to learn the manly art of self-defense. Anyone who has signed up for Physical Education 101 is eligible for the class which will meet at 10:00 A. M. on Monday, Wednesday and Friday and full credit will be given. The men who take the course will be taught all the secrets of the ring but will not have any scheduled bouts other than those within the class. Whipple will also coach the varsity after the Christmas vacations and has already started to make preparations for the season. Men who made the varsity team last year will not be allowed to join the class.

Everyone who is interested should sign up in Coach Kotal's office immediately so that plans may be completed.

Whitewater Next Pointer Opponent

Coach Agnew of Whitewater State Teachers College is smiling behind his hand these days when he thinks about his football prospects. The Quakers have the finest bunch of material to work with this year that they have had in a long time and they expect to go places in the conference race. Last week they decisively defeated the strong Platteville Teachers College team, showing power all along the line, and are resting on the top of the heap with Milwaukee in the Southern Division.

Whitewater was one of the first teams to hold Chester Davis, colored flash from DeKalb, scoreless. Davis is the boy who ran wild against Stevens Point last year. The Quaker line is one of the greatest that Coach Agnew has ever built and their spirited play provides the drive for the Whitewater backs. Caesar Morani, all-conference tackle for the last two years, and Will Sherman, center, are the individual stars of the line while "Pop" Farina, a veteran of three years experience, is the brains of the backfield.
