

Teachers To Convene At Milwaukee

Pledging Season To Last Three Weeks

Pan-Hellenic Dance Will Be Held Nov. 13

Rushing functions of the fraternities and sororities are over for another semester, and pledging has been under way for a week.

The bulletin boards of the Greek organizations reflect the pledges' efforts better than any other of their numerous duties, displaying various types of humor in the form of pictures and otherwise.

The fraternity pledges are made conspicuous, as usual, by the traditional wooden paddles, which they are required to carry for actives to use.

Pledging will last only three weeks this semester, with formal initiation and the Pan-Hellenic dance to be held on Saturday, November 13.

The pledges to the respective Greek societies are as follows:

Tau Gamma Beta sorority: Florence Mastey of Pulaski, Ethel Bucholz of Weyauwega, and Ula Mae Knutson of Stevens Point.

Omega Mu Chi sorority: Anita Madsen of Phelps, Eleanor Bodeen of Rice Lake, Alberta Veeder of Friendship, and Alice Bentz of Nekoosa.

Phi Sigma Epsilon fraternity: Jerry Dunn, Earl Michaels, and Charles Burch of Stevens Point, Fredrick Parfrey of Richland Center, Robert Bishop of Antigo, Robert Baker of New London, Ray Laschkewitsch of Goodrich, North Dakota, Dan Young of Bancroft, and Ralph Abrahamson of Sparta.

Chi Delta Rho fraternity: John Verrill, Charles Mase, and Jim McGuire of Stevens Point, Gordon Cowles of Wittenberg, Wilburt Rathke of Merrill, and William McDonald of Wisconsin Rapids.

Notice!!

Each semester of school fifteen issues of the Pointer are printed. Due to the fact there are more weeks than issues some weeks must be skipped. There will be no issue of the Pointer next week, November 4.

All Hallow Eve is the name the Christians bestowed upon October 30th. However, the celebration dates beyond Christianity. The Celts in the days of the Druids had a feast day thereabouts. To them it was the occasion calling for food, dance, and ceremony. Christianity made of the day preceding All Saints a holy day.

To Americans of today Hallowe'en is the occasion of parties, witches, hob-goblins, and pranks. The pranks are as old as humanity, the witches, probably a hang-over from Celtic times, but we are sure that Hallowe'en has one American contribution, the pumpkin jack-o-lantern.

And in conclusion, let me quote a bit of Hallowe'en advice. It is taken from Riley's poem, and we would that all folks who soap windows or follow other nefarious inclinations would heed it: "The goblins'll get ya, ifn' you don't watch out".

Unique Program To Be Offered Ruralites

Invitations Are Extended To Faculty And Students

The members of the Rural Life Club are anticipating a real treat at their regular meeting next Monday night and will welcome any of the faculty or college students who wish to attend.

Rural School Band

Kenneth Bartels, a student in the State Graded Division, is arranging to have the East Moundville School Band present a program of band and solo numbers. Lola Audiss will play a group of clarinet solos and Mildred Hume will present solos on the cornet. Mildred has won second place in Class B in the state contest two years. She is now a student in the high school at Portage and will enter C. S. T. C. as soon as she completes her course there.

The band of the East Moundville School is unique in being made up of children in a one room rural school exclusively at its be-

Miss Colman To Represent Central State Teachers

Alumni Luncheon To Be Held At Schroeder Hotel

Program plans for the annual state convention of the Wisconsin Education association, to be held in Milwaukee, Thursday, Friday, and Saturday, November 4, 5, and 6, have been completed. Faculty members from both the teachers college and the training school will attend and several will take active parts at meetings during the convention.

Business Conference Thursday

Miss Susan E. Colman, head of the primary department, has been elected to represent the college at a representative assembly of the association. The college is entitled to one member at this meeting, representation being determined by the size of the faculty. Various business matters and educational problems will be taken up by the delegation.

Distinguished Speakers To Lecture

A. J. Herrick, director of the training school, and Miss May N. Roach of the rural department, will represent Central State Teachers college at a meeting of the association of Wisconsin Teachers Colleges. This group will hold its business conference Thursday afternoon at which time matters pertaining to the teachers colleges in the state will be discussed. It is expected that the association will agree to a spring conference to be held at Madison next May. Miss Myrtle Trowbridge of La Crosse State Teachers College is president.

Speakers during the main sessions will include Congressman Brooks Fletcher of Ohio, Edward Tomlinson, a member of the Pan-American peace conference, Clarence Dykstra, president of the University of Wisconsin, Sinclair Lewis, novelist, Lady Hay Drummond-Hay, England's leading woman journalist, and Drew Pearson, political writer. Superintendent G. O. Bonting of Waukesha is president of the association.

In connection with the convention a luncheon of alumni of Central State Teachers college will be held at the Schroeder hotel on Thursday noon, November 4.

Classes Elect 37-38 Officers

So once again class elections have come and gone and such momentous questions as Who will lead the Senior Ball (at least the King), and Who will be Prom King have been decided.

Following are the results of the 1937 Class elections which took place last Thursday morning:

LET'S FALL IN LINE

By this time all of the school organizations should be well started on their programs for this year. We are not always sure exactly what the purposes and aims are, but we are supposing, at least, that there are some reasons for their existence. Therefore, starting with this Pointer, a series of articles will be started which will cover all of the organizations in school. This series will explain what the organizations are going to do, what they are doing now, and what they have done in the past. We hope that this information will enlighten all of the new students and perhaps some of the old. Many students in school have not engaged in any extra-curricular activities; this may be partly due to a lack of knowledge concerning them. For this reason we believe that a series of this sort will not only be interesting but also will prove to be an inspiration to inactive members of the student body.

Concert Orchestra To Present Program

The College Concert Orchestra has been rehearsing regularly since the opening of school. Professor Michelsen reports that the organization is much better than last year's orchestra.

Some of the numbers which the orchestra is rehearsing are: Selections from the opera "It Happened in Nordland" by Victor Herbert; "Hungarian Dance V" by Brahms; "Minuet" by Paderewski; and "Valse Triste" by Sibelius.

The orchestra performed last night as a part of the benefit concert sponsored by Stevens Point Lion's Club and will appear December 9 on a program sponsored by Alpha Kappa Rho fraternity.

gining. Every child in school played some instrument in the band. At present there are sixteen in the organization. For several years Mr. Bartels was teacher of the school and director of the band. He resigned this year in order to enter C. S. T. C. He is now a member of our college band.

Bloc Club Changes Discussion Policy

Members of the Bloc and their guests will meet at the house of Cliff Malchow tonight to witness a demonstration and lecture on the therapeutic value of electricity by Dr. R. C. Fischer. This program marks the first of a series of programs designed to make Bloc a discussion organization of several fields instead of mere political.

Alpha Kappa Rho Fraternity Pledges

Alpha Kappa Rho, newly organized honorary music fraternity, began pledging activities last Thursday evening, October 22, with Alice Bentz and Delos Kobs as pledges. Ula Mae Knutson and Marian Marshall have been elected to become associate members.

The fraternity will sponsor a concert on Thursday evening, December 9. The Mens Glee Club, Girls Glee Club, College Concert Orchestra, and soloists of Alpha Kappa Rho will appear on the program. The proceeds will go to the music department.

Band Programs Evoke Comment

The response to Professor Michelsen's request for criticisms of the weekly band broadcasts is greatly appreciated. The criticisms have been very beneficial to the individual musicians as well as to the organization as a whole.

Under the present policy of W. L. B. L. no personal dedications of numbers can be made. However, on yesterday's broadcast a number was dedicated to Cliff Talbot, a former band member, by special permission of station authorities. From now on numbers will be dedicated only to organizations or to schools.

Education Meeting Held At Wautoma

Wautoma was the scene of an education meeting last Friday. The meeting was one of the series conducted in various parts of the state each year by the Department of Education.

Mr. Herriek, Director of the Training School; Miss Diehl; Miss Pfeiffer; Miss Tobias; and Dr. Lyness attended the conference.

Visitors Impressed By J.H.S. Program

Visitors to the Monday assembly program of the Junior High School could but be impressed by the business of the morning. Among matters receiving attention were: Flowers for a student who is ill in the hospital, a council meeting, and announcement of the Lincoln vs. Junior football engagement.

At the close of the period, Miss Hanson presented the Sigma Tau Delta cup to the winners of the last year's debate and declamation contest.

Those who had their names engraved for 1937 were: June Halvorson, Archie Lasewski, Don Walker, and Thelma Briselden. Miss Phyllis Gikling was debate coach.

College Theater Celebrates Its First Anniversary

(Editor's Note:

This is the first of a series of articles concerning the history and objectives of various organizations on the campus.)

College Theater celebrates its first birthday Thursday evening. President Hyer is to be guest speaker at the anniversary meeting to be held in Mr. Jenkins' room at seven-thirty o'clock.

Three Productions Last Year

Ten students met a year ago to establish the organization now known to the students of Central State Teachers College as College Theater. The organization was created to train student teachers to enter the field with a practical knowledge of back stage and business problems.

Last year two public productions, "Three Taps at Twelve" and "The Importance of Being Earnest" were presented. In addition, one workshop production, "Sintram of Skaggerak" was given in assembly for the entertainment of students.

Newspaper comment on the past performances included special recognition of the unusual care in providing comfort for the audience in the form of lobby and free checking services. The audience was pleasantly greeted with an auditorium bathed in colored light. This distinctive treatment of the auditorium lighting has become recognized by other organizations as an exclusive feature of College Theater productions.

Members Receive Credit

College Theater is a business organization. Its setup is unique and differs from the usual association in that it is a production organization, not a dramatic club. Members are stockholders and as such invest time, energy, and capital. The stockholders elect a board of directors consisting of a faculty advisor, business manager, and one other member. Mr. Jenkins has served as faculty advisor since the Theater was established. A president is elected each year, and a secretary and bookkeeper employed.

Plays are authorized by the executive board which thereupon authorizes a student director to take charge of the play. The student director is responsible to the board for a satisfactory performance.

Returns are in the shape of experience, and academic credit for this extra curricular, non-classroom, dramatic activity.

Central Staters Tie Platteville, 13-13

Pointers Score In First Half

Central State spoiled Platteville's homecoming last week by tying the Pioneers, 13 to 13 in a game that was replete with thrills. All of the scoring was done in the first half and it was 7 to 7 after only 1 minute and 15 seconds of the first quarter had passed.

Stevens Point received the kickoff and after trying three line plays, punted out inside Platteville's twenty yard line. On the first Pioneer play of the game, the center threw the ball over the ball-carrier's head and Lyle Brunner fell on it behind the goal. Frank Hitzke kicked the extra point making the score 7 to 0.

Schwartz Scores

The Kotalmen kicked to the ten yard line and Curt Sheehan ran the ball back 90 yards for a touchdown. Henry Schwartz kicked the extra point and the score was 7 to 7.

The Pointers received the kickoff and punted to the fifty yard line after a series of line plays. On the first play the Pioneers completed a thirty-two yard pass and after two line plunges, Schwartz ran around end for a touchdown. On the first try for the extra point, Schwartz made good but Platteville was penalized 15 yards for holding. This time the Pioneer halfback missed the kick.

Pointers Brace In Second Half

In the second quarter the Central Staters, on a series of passes by Hitzke to Larson and Houck brought the ball to the ten yard line. Hitzke then tossed a pass to Sell which was deflected by the Merrill lad into Jack Larson's arms over the goal. The ball was called back because of two offensive men touching the ball. The same play was tried again and this time Sell deflected the ball into a Platteville man's arms who in turn sent it on to Fred Nimz who was in the end zone. This time the play was legal. Hitzke missed the try for extra point, making the score 13 to 13, and that was how the game ended.

In the second half, the Platteville gridders never crossed the Central State's forty yard line but the Pointers were equally impotent against the Pioneer's defence.

On the last play of the game, the whistle ending the game blew just as the ball was snapped by the Platteville center. The play was an intended pass but the passer, Perkins, was smeared hard for a big loss. The referee said that the whistle blew before the ball was snapped but Coach Leidl contended that it was blown afterward. Bohan and Perkins were having a big time swinging at each other while the debate was going on but were finally separated. The spectators rushed onto the field to get in on the fun but were too late. The referee's ruling stood and the game was over.

SHORTS -IN- SPORTS

Charlie Burch was left behind in a Madison Hotel when the football team pulled out.... No one had thought to call him and he was pounding the pillow after a strenuous night.... The part that hurt was that he had to pay his own way back via the bus.... Platteville seems to have an invigorating effect on the Point tackles.... Last year Ed Slotwinski made a touchdown on a blocked kick and this time Lyle Brunner made the only score of his college career.... On the Platteville programs for the game they had a picture of Jim McGuire, Point Captain, and underneath had a lengthy story about Mickey's baseball prowess.... They hadn't mentioned his football ability at all.... Don Bremner is out for the season after being injured in the second quarter of the Pioneer game.... The Platteville homecoming parade was really a swell layout.... The Central Staters met the floats as they were coming into the city and were greeted with hearty cheers by those in the parade.... Ed Slotwinski and Rodger Bernstein, both tackles, started at guard to give the forward wall more weight.... Slotwinski was later changed back to tackle and played a whale of a game.... The Pointers missed a golden opportunity for a field goal late in the fourth quarter when they were on the eight yard line and di-

Sell and Frank Hitzke in the backfield showed up well for the Pointers while Donald Perkins and Joe Kafha were outstanding for the Pioneers.

La Crosse And Superior Tied

Superior and LaCrosse are still deadlocked for first place in the Northern Division of the Teachers College Conference while Whitewater and Milwaukee are at the top of the roost in the southern half.

Superior defeated Eau Claire last Saturday 24 to 0 at the time that LaCrosse was trouncing Stout 25 to 6. In the Southern Division, Whitewater drubbed Oshkosh, 27 to 0, and Platteville and Stevens Point played to a 13 to 13 tie.

This week end the only conference game coming up is between Eau Claire and Stout.

Oshkosh Next Pointers Foe

The Purple and the Gold will travel to Oshkosh Wednesday, Nov. 3, to meet the Oshkosh Sawdusters under the lights. Although Oshkosh is in a last place tie with Platteville and Stevens Point, they have a much stronger team than is commonly believed. Oshkosh was defeated by both Milwaukee and Whitewater. Although beaten by these teams, Oshkosh will give the Purple and Gold a stiff battle.

The probable starting lineups for this game are:

Stevens Point		Oshkosh
Olsen	L.E.	Derr
Otto	L.T.	Specht
Loewecke	L.G.	Meyers
Luenser	C.	Hanson
Pophal	R.G.	Miller

Cagers Start '37 Practice

Basketball at C. S. T. C. is again under way with prospects for another championship. About 15 men work out in the Gym 3 times a week under the direction of Chet Rinka, a star of last year. The hopes of another championship this year run high with returning lettermen. There are quite a few new men out who have prospects of developing into good players. Among the most outstanding Freshmen prospects are Beals from Unity, Bandow from Stevens Point and many others.

One of the students of the college, Ellen Yetter, a sophomore, has moved with her family to Fairbury, Nebraska. Ellen will probably wait until next semester before she enrolls in a college there.

Hallowe'en Party

The members of the Grammar Round Table enjoyed a Hallowe'en party Wednesday evening at Iverson Park. Refreshments were served. Each member was allowed to bring a guest.

Witches—Ghosts—Pirates

Friday evening, October 29th, from seven to nine o'clock the students and teachers of the Mary D. Bradford Junior High School are staging a Hallowe'en party.

Present indications are that a good time will be had by all. Emily Peterson is chairman of the Program Committee.

Talented student teachers and pupils have been engaged to furnish entertainment for the evening. Bjorn Christenson, the athlete, is in charge of the games. Miss Hanson is chairman of the decoration committee, while the refreshment committee, a position of no little responsibility, is in the capable hands of Dr. Lyness.

Costumes are in the course of preparation, and the training school gym bids fair to being the den of witches, hobgoblins, ghosts, pirates, and other creatures Friday evening.

From remarks overheard last week you had a little difficulty. Better sailing this time.

A local light... known as quite a "campaigner"... short... fairly dark... known to all the student body... might say his activities run rather to the mental side rather than physical... his leanings are slightly more liberal than conservative... connected with a number of movements to better conditions at C.
