Prof. Michelsen Host To Bandmasters

Initiation Services Close Greek Pledging Period

Pan-Hellenic Dance Follows Initiation

The semi-annual Pan-Hellenic formal dance in the Training school gymnasium on Saturday evening, March 26, topped off the second semester pledging period of the Greek social organizations, and gave the new members of the fraternities and sororities a chance to get used to being themselves again in the presence of the older actives. A good sized crowd of Greeks and their invited guests attended the dance. Norman Hinkley and his Castilians played.

Following the dance Saturday evening formal initiation ceremonies and banquets were held by the organizations.

Tau Gamma Beta

Tau Gamma Beta Sorority held candlelight initiation services and its formal dinner in a private dining room of Hotel Whiting. Ethel McDonald conducted the ceremony and presided at the dinner.

After the dinner, talks were given by the patronesses Mrs. E. Michelsen.

Michelsen Attends Bandmasters' Meeting

Prof. Peter J. Michelsen left Monday to attend the annual meeting of the American Bandmasters' Association at Champaign, Illinois.

This organization, though it is American, includes the leading bandmasters of the world. Its members are chosen by very rigid examination and requirement, thus limiting its membership to bandmasters who are the best in the profession. Besides our Mr. Michelsen the Association includes such famous names as Edwin Frank Goldman who directs the famous Goldman Band on the Mall in New York during the summer, Frank Simk of the 'Armee' Band, Herbert Clarke, the famous cornetist who has written many solos for brass instruments and composed some of the nation's leading marches, A. A. Harding of the U. of Illinois and Ray Dvorak of the U. of Wisconsin. The late John Phillip Sousa was honorary life president of the Association.

Assembly To Feature Display Of Gyroscopes

A program featuring an exhibit of gyroscopes or tops by C. E. Jones will be presented at an assembly entertainment Monday morning at 10 o'clock. The apparatus with which Mr. Jones shows the principles of the gyroscopes is some of the most elaborate and expensive now on display. The demonstration and lecture is bound to meet the whole hearted approval of the student body.

Amateurs Star In Speech Class Plays

Wednesday, March twenty-third Prof. Leland M. Burroughs' speech class presented two one act plays at an evening assembly.

The first "The Valiant" portrayed a scene in a Connecticut prison. James Duerer played the part of the convict in realistic fashion. Lois Peden starred as Josefine Paris. Jerry Krembs made an excellent warder, while Kenneth Thompson was a credit to the church as Father Daley.

"Helena's Husband", a Greek farce, sent the audience into gales of laughter. Lawrence Jorwia as the fair Helena, Vernon Henricks as Menelaus, Francis Purell as Tesma, and Joe Bloom as Paris were effectively played. Clifford Sprague was admirably adapted to his part, that of the philosopher.

Junior High Inter-Class Debate April 1

The Junior High School pupils are more than busy these days. This week will decide the city basketball championship.

Last Friday the debaters to represent each class were chosen. April first marks the date of the inter-class debate. The eighth and ninth grade will debate, "Resolved that the Congress of the United States should appropriate eight million dollars." The eighth grade team will uphold the affirmative. Miss Hanson is in general charge of Junior High debate.

To-morrow at eleven o'clock a declaration contest will be held in the assembly room of the Mary D. Bradford Junior High School. Visitors are welcome.

Miss Davidson Guest Speaker Of W. A. A.

The W. A. A. will hold its second dinner at the Gingham Tea Room Friday evening at 6:00 o'clock. The dinner will be carried out in a theme of green and white or St. Patrick's Day. After the dinner we have a speaker, Miss Davidson from Sweden, who is on a World Fellowship tour. She will speak of sports, education, and life in the places about the world she has visited, especially Europe. The lecture and movies will be held in Mr. Watson's room immediately after the dinner. Everyone is invited to attend.
Assembly Features "Wild Life" Lecture

This week has been proclaimed Wild Life Restorat ion Week. The assembly program this morning at ten will feature a "Wild Life" lecture. The lecture will be accompanied by slides. The program was arranged and sponsored by Mr. C. S. C.'s ardent preservationist, Prof. F. J. Schmeecke.

Students are urged to attend the assembly. Our readers will agree that the title "Wild Life" sounds interesting.

College Honors War Veterans

Although our college is a comparatively young one it treasures a few traditions. One of them was manifest last week.

The second floor main corridor wall bears a bronze tablet. Freshmen usually read its inscriptions with a certain amount of curiosity, while upperclassmen pass by in the secure knowledge of what is there written.

1917 in Memoriam 1918

To the Boys of this school
Who gave their lives
For Freedom's cause.

Each year on the seventeenth of March a bouquet is placed under the tablet. The flowers this year were startling in their loveliness. Some flower artist had conclusively killed lilies and pink snapdragons.

Killed In Action

March seventeenth is the birthday of Rex Charles Beeckler of Granton. He was enrolled as a student during the 1916-1917 and 1917-1918 school years. He was a member of the National Guard. In his junior year at the age of twenty-three, Rex enlisted. Several months later his name was recorded on the casualty lists "killed in action." Beeckler was the first of the students of the school to meet death on the battle field.

And so each year flowers on the seventeenth of March bear tribute to

Pointers Lose To Oshkosh All-Stars

Edwards Rings Up 27 Points

Central State's eager fans were taken into camp by the Oshkosh All-Stars, champions of the Western Division of the National Professional Basketball League, to the tune of 60-37.

Lou Darling's collection of giants was away and above superior to a fighting Pointer quintet because of their height and ball-shooting ability. Coach Kotol's protégés did a fine job of handling the ball, but the opponents' defense was virtually impenetrable and the few shots that the local boys did get were hurried or from way out yonder.

LeRoy Edwards, an All-American guard from Kentukey, was the individual high scorer of the game with 27 points, racked up on 12 field goals and 3 free throws. He is undoubtedly the best ballormaler to ever visit our fair city, his playing doing a fine job of explaining why he took the scoring crown in the Pro League.

Chet Rinka and Don Johnston led the Pointer scoring on 8 and 7 points, respectively. Both men played fine games, Johnston showing all the All-Stars a fancy bit of dribbling and on one occasion passing up his guard with ridiculous ease.
