### Wally Beau And His Boys To Furnish Swingcopation

As the Spring Social Season swings into being the Omega Mu Chi Formal again becomes the big thing of the day. Saturday night, May 21st, the gals and their guests will swing along to the "hot" rhythm of Wally Beau and his peppy bunch of rhythm-makers. ### Miss Swallow Speaks On Radio Monday

"The Menominee Indian Reservation" was the title of Miss Marie Swallow's radio talk presented last Monday afternoon over WLBL. Miss Swallow kindly consented to substitute, as the scheduled speaker could not appear.

Next Monday, May twenty-third, G. C. Allez continues the Practical Values in High School Subjects series with his talk: "The Library and Propaganda."

Plans for a summer school radio series are now underway.

### Rooms Ready For Work August 1st

The sound of hammer blows and the bustle of building is heard at the Training School these days. WLBL's new quarters are being prepared.

The story of radio at CSTC dates back to six years ago. At that time President Hyer proposed that a microphone be installed and broadcasting begin. The help of alumni was solicited. Sufficient funds were secured to put up a line across the football field. A microphone and amplifier equipment was secured and student broadcasting was begun.

#### Only College With Radio

Our president, at the time, cherished the hope that the college would some day house the WLBL station. It is expected that work will be completed and the rooms ready for work August first. Provision will be made so that the band programs will continue to be broadcast from the band room since that was prepared and designed for such broadcasts.

"The time is here," said President Hyer, "when provision for the training of teachers in radio and visual education will be essential."

### Mens Glee Club Attends Annual Sing At Milwaukee

#### Meeting To Be Held At Waupaca Next September

The Mens Glee Club attended the Associated Glee Clubs of America's annual sing, of which it is a member, last Saturday at the Milwaukee auditorium. Forty six men went on the trip. Nine large choruses attended the gathering and the program was truly thrilling, especially the huge massed choruses, one of which, "The Border Ballad", Mr. Knutzen directed. Our club sang "Tally Ho", which they dedicated to Mrs. Ober of Richmond, Virginia, President of the National Federation of Music Clubs, and "Hail Bright Abode". These two numbers have been especially well liked wherever the Mens Glee

## The N. Y. A. Question

The question of cutting the N.Y.A. allotments made to students in the Wisconsin Colleges next year is an important issue being discussed at the present time.

There are several reasons why such a policy might be justified. In many cases the work assigned to the students is not enough to keep them occupied for the length of time for which they are paid.

For example: When some rooms are occupied in the college at night, a student is assigned the duty of staying in the building to put out the lights when the people leave. For this he is credited with two or three hour's "work" on his N.Y.A. check. In many other cases the faculty members in charge do not make sufficient assignments, and, as a result, the people develop indolent habits that may be reflected in their later lives.

Another suggestion that is being considered is to cut the number of students receiving N.Y.A. positions in order to increase the sum paid each individual. The objection to such a proposal is quite obvious. It would be taking money from some students who need it and deserve it. If anything were done in this direction, it should be to increase the number receiving these jobs rather than decreasing it.

## Orchesis, New Dance Organization, Formed

Last Friday evening, Orchesis, a new dance organization held its initiation at Mrs. Finch's cottage on Found Lake, one of the Wau-paca lakes. A simple ceremony was performed around the fireplace and on having pledged each girl received a tiny corsage of sweet peas and roses from Miss Richardson. The following girls pledged: Betty Schwahn, Ruby Ottem, Grace and Jeanette Winarski, Margaret Miller, Rita Murphy, Edna Earl, Grace Melchior, Eva Rae Hanson and Eleanor Theisen.

### or Girls—Dancing

Orchesis is primarily an organization for girls who are interested in furthering and promoting the dance as an art. The group that was initiated had qualified themselves by participating and in helping make the program for Play Day.

On Monday evening a Junior Orchesis initiation was held at Iverson Lodge. This Junior organization has as its members children from the Training School who have been chosen because of their excellent work. These individuals are Joan Arend, Janis Arend, Dorothy Davidson, Betty Entzminger, Ruth Jersey, Shirley Lilly, Marian Lawrence, Janet Benn, Margaret Roberts, Esther Davidson, Joan Matravars and Judy Graham. The college Orchesis helped initiate the younger pledges and after the ceremony each girl received a corsage. A picnic supper was then served and each girl was given as a favor a crepe paper dancer, representing the dances they were in.

## Student Opinion

Dear Editor:

Will you please help a co-ed? I have heard you are chivalrous.

First of all, I am a poor college student, the kind who must deny herself ice cream sodas. Recently I borrowed three books from the library.

Are there any Sherlock Holmeses on the staff? Spin might be. Where those books went is a mystery. I've searched everywhere. One is called **Fusion** and the **Social Studies** another is about **Prohibition**, a third is called **Hetty Wesley**. I'm sure no one will want to keep those titles.

Well, everyday the library chalks up six cents more on the fine list. And I wonder what the original cost of those books is.

Will I graduate or will I not? Mr. Editor, please do publish this plea, and mayhap some good Samaritan will find the afore-mentioned volumes and return them. And, mayhap I may graduate.

## Homecoming For Books On May 20th and 23rd

Friday, May twentieth, and Monday, May twenty-third, have been designated Library Homecoming Days. The high school, city, and college libraries unite to make this homecoming a success. Books belonging to any one of these three libraries may be returned to any one of the three.

### Basket For Books

A basket will be placed outside the C.S.T.C. library for the reception of all returning travellers. No questions will be asked. And, rejoice ye students of C.S.T.C.—no fines.

Following is a list of books belonging to sets, difficult to replace:

Allison—Guide to historical literature.

Toulmin—Executives business law.

Stevenson — Home book of verse, American and English 1570-1918.

Stedman—Library of American literature, vol. 7.

Cambridge history of English literature, vol. 10.

Williams — Historian's history of the world, vols. 8 and 12.

Larned—The new Larned history for ready reference, reading and research, vol. 1 and 3.

America great crises in our history told by its makers.

Horne—Great men and famous women.

The library is anxious to obtain these.

The library serves us faithfully throughout the year. Many of us know from experience how accommodating the library staff is in securing a difficult bit of information. Incidentally, for sheer cheerfulness our librarian would stand high in comparison with any library staff in the state.

Here is one chance to show student appreciation. Let's make C.S.T.C.'s book homecoming grand and glorious.

## Officers Elected For Mens Glee Club

Monday afternoon at a 3:45 meeting the officers for the Mens Glee Club were elected. They were, Art Stapel as President and Bob Larson as Librarian. Both jobs are very difficult with not too much glory connected with them. The President must appear at all the concerts and programs given by the Glee Club during the next school year, with a speech or presentation at each one. The librarian must keep track of all the music numbers, keep them straight and hand them out during the glee club rehearsals. It is easy to see that from former President Gerald Eyler and librarian, Gordon Cowles, the present offices have inherited no easy job.

## IS IT YOU?

## Mens Glee Club At Milwaukee

(Continued from page 1, Col. 4)

Club has appeared and they were well received at Milwaukee. Mrs. Ober had heard the men sing at Appleton and had signed a special liking for the "Tally Ho" number.

### Officers

Officers for next year are: President, J. A. Breese, of Appleton, who was re-elected; Vice-President, Fred Schroeder, of the Wausau Elks; and Secretary-Treasurer, A. Faulk of the Appleton-McDowell chorus. The organization will meet next fall at Wauwata on September 11th.

### Cars

Mr. Thompson, Mr. Rogers, Mr. Evans, Mr. Matravers and Warren Le Roux took private cars. Without their assistance the glee club would have been unable to go, for the college bus holds only about twenty-three and forty-six men went.

Then men stayed at the Milwaukee Y. M. C. A. and the Maryland Hotel, which works in connection with the Y.

### Comments

The men reported the trip very enjoyable and the sing at Milwaukee especially inspiring. Some of the men commented as follows: "It was truly an inspirational gathering, from the management to the conducting, everything was, shall I say 'tops'". A. Warren Le Roux. "The Milwaukee concert in my estimation was second in importance only to our home concert. It was indeed inspiring to be a member of a chorus that sang at the huge auditorium"—Clyde Brunner.

## WLBL At CSTC

(Continued from page 1, Col. 4)

Central State Teachers College will have the distinction of being the only teachers college in the state to house a radio station. This gives the college an ideal set-up for a department of audio-visual education.

### Begun Six Years Ago

Many people have worked for and with radio at C. S. T. C. Foremost in the promotion of the work has been President Hyer.

This year's music programs have attracted a good deal of comment. Members of the faculty have co-operated in presenting talks for the radio series. A faculty executive committee is in general charge.

Credit is due Don Colby, Student Head of the radio staff for his radio work of the past two years. Colby brought to the work in addition to his enthusiasm, a knowledge of the technical side of radio. Phil Runkel has assisted in this work. George Cartmill has assisted in the weekly band program.

August will bring to fruition a plan conceived by our president six years ago. The names of those among faculty and students who have played an active part in radio work are too numerous to mention in the brief space allotted to this story. All of them are pleased to know—Radio is here to stay!

Some boxing season highlights. ... The boxing squad extends its sympathy to Herb Schielke for his broken hand.... The La Crosse papers refused to believe that Roman Baker was only a freshman and that he had never boxed before this year.... Earl Michaels fought the best fight of his career while losing to a much more experienced opponent at La Crosse.... Dan Young, powerful 175 pounder, keeps in shape during the summer by pitching baseball.... He struck out 17 Amherst Junction players last Sunday for Plover.... ## Point Linksmen Defeat Oshkosh

A Central State Golf team composed of Bob Olk, Bill Mailer, Park Joy, and Don Johnston accompanied the track team to Oshkosh Friday and gained Point its only victory of the day. Bill Mailer's 74 was tops for the meet and was two strokes up on his opponent Hartman, while Olk and Joy shot 82 and 83 respectively as compared to 84 and 88 for their opponents. Schneider and Hutchinson, to give Point three out of four matches. Don Johnston was the only loser, his 97 being six strokes down on Batterman of Oshkosh.

The Point tennis team, which journeyed to Oshkosh last Friday, was badly defeated by a highly superior Oshkosh team. The team was easily out-classed in both the singles and doubles events. Bill Miller was the only one of the Pointers to win a set. The meet showed that the Point delegation needs plenty of practice before the state meet to be held here May 27.

The Oshkosh team, however, is rated second only to Milwaukee so the outlook isn't as gloomy as it may first seem.

## Trackmen Lose To Sawdusters

Friday the thirteenth cast its unlucky spell upon the track team at Oshkosh last weekend as the Pointers lost to Oshkosh by the score of 88-44. The Pointers did very well, however, considering the lack in dash men. Oshkosh "slammed" the high and low hurdles and the 100 and 200 yard dashes. If the Pointers would have had any dash men at all they would have beaten Oshkosh easily. "Goon" Johnston was the surprise man of the team winning the pole vault and tying for first in the high jump with Hank Warner. Christenson took his usual first place in the 440 and took second in the broad jump and the 880 giving him 10 points and making him high scorer for the Pointers.

The other winners are as follows:

High Hurdles (1) Richlen (O); (2) Wisnefski (O); (3) Brownlee (O); Time: 17.4 seconds.

100 yard dash (1) Kimball (O); (2) Grancorbits (O); (3) Fenrich (O); Time: 10.5 seconds.

Low Hurdles—(1) March (O); (2) Brownlee (O); (3) Wisnefski (O); Time: 27.3.

880 yards—(1) Neaman (O); Tied, Christenson and Burquest (SP); Time: 2.17.

220 yard dash—(1) Kimball (O); (2) McGowan (O); (3) Monday (O); Time: 23.

## Society News

The practice teachers of the intermediate grades had a hilarious time last Wednesday when they were royally entertained by their critics. Though the picnic was at Iverson Park a big truck was needed to escort two who fell by the wayside. Eats were especially delicious. The evening closed with school yells and finally weary "taps" were sounded. Intermediates went home tired and sleepy—another picnic was history.

The members of the Rural Life held their final meeting May 16. The meeting was opened by group singing led by Margaret Torkelson. The Rural Life Chorus sang Kerry Dance. Rural Life members who attended the Rural Life Conference gave short talks on their trip to Madison.

## Hither And Yon

Got my first glimpse of Ripon's boxing team in intercollegiate competition last night. From the standpoint of boxing cleverness our boys had it all over the Pointers. Whipple and Felix were the only Pointers who seemed to have any finesse.—Ripon College Days.

Wisconsin is fast becoming the sport center of the nation—at least as coaches go. Early last winter Athletic Director Harry Stuhldreher of the University of Wisconsin was elected president of the National Football Coaches association and now last week Bill Chandler, Marquette basketball coach, was elected to head the National Basketball Coaches association, and Jimmy Walsh of Wisconsin was elected president of the Intercollegiate Boxing association.—Ripon College Days.

While talking about the conference, it seems rather peculiar that La Crosse should be in the Northern Division when it would be much more convenient for them to be in the Southern part and the same for a team or so in the lower circuit to be in the upper. And why not have the Teachers Conference on the same level as that having Lawrence, Ripon, Carroll and Beloit. That is, be like most colleges and have freshmen ineligible for varsity competition. This is not meant to belittle the frosh. Why not have all state colleges on the same footing.

—La Crosse Racquet.

For uncrowned champions of 1937 we nominate:

Lou Gehrig, who was put on a radio program to endorse a certain breakfast food, supposedly beneficial toward his iron-man stunts, and then named the competitor's product.

A Detroit high school coach who sent his track team through a hard workout, only to remember that he had a meet scheduled for the same day.

The Philadelphia fans who sent orders to Shibe park in May for world series tickets.

The golfer who played a shot from a thin sheet of ice on a

creek, broke through and then was hit on the head by the ball which shot straight up into the air and back down again.

Another golfer who refused a 500-to-1 bet he could not repeat a recent hole-in-one and then aced the same hole on his next round.

The college football star who got a pro contract with the notation, "Remember there are 12 million unemployed in the U. S." Who then sent the contract back with a note attached telling them to make a recount because there were 12 million and one unemployed.

The University of Michigan back, Norman Purucker, who told Harry Kipke that he waited to kick on fourth down to see how he (Purucker) would go under pressure.

The St. Mary's guard who charged out of the line with his mouth wide open, only to have a bee fly in and sting him on the tongue.

The 21 spectators who watched a baseball game between New Orleans and Nashville in the Southern association.

The cross-country runner who was told by his coach to run with his head down and then crashed head-on into a post.

### Can't Print Anything

The reporter limped up to the newspaper editor.

"Well," growled the editor, "did you get the interview?"

The newsman pointed to a pair of black eyes.

The editor banged his desk.

"We can't print a pair of black eyes. Where's the story?"

The reporter lifted his hat and displayed a huge bump on his head.

"Look," he repeated.

The editor went wild.

"What good is that?" he howled.

"We can't print things like that. Didn't you get the chap to say a few words?"

The reporter wiped a bloody nose.

"Sure," he nodded, "but you can't print that either!"

### Wished For The Best

A teacher was making a strenuous effort to get good attendance in her room. Looking over her class one morning she saw that all except one were in their places.

"This is fine!" she exclaimed; "all here except Jimmie Jones; and let us hope that it is something serious which keeps him away."

### Not Synonymous

"Did you say this man was shot in the woods, doctor?"

"No, I said he was shot in the lumbar region."

### Family Trait

Johnny: (looking out of the window): "Oh, mother, a motor car has just gone by as big as a barn."

Mother: "Johnny, why do you exaggerate so terribly? I've told you forty million times about that habit of yours, and it doesn't do a bit of good!"

### Indictment of the Lighthouse

"Lighthouse no good for flog," says Chinaman. "Lighthouse he shine, whistle he blow, flog bell he ling, and flog he come just the same. No good."

## Mens Glee Club Goes To Adams Monday

The Mens Glee Club, directed by Norman E. Knutzen, went to Adams, Monday evening for their final concert of the year. Twenty-two men made the trip in the college bus. They arrived in time for a six-thirty dinner and sang afterwards in the Adams Congregational church.

### Student Directors

Numbers on the program directed by student director, George Cartmill were: Guns, Requiem, and Morning. Director William Larson handled the numbers: The Lost Chord, Wayfarers, Night Song, and Tally Ho. All of the student-directed numbers were especially well received. They are selections that have been proven to be very popular during this year's programs which have been presented all over the state. Thomas Faucett, Warren Le Roux, and George Cartmill sang solos. Mr. Faust, faithful accompanist of the Glee Club again played for the boys with his usual verve and skill.
