Delta Chapter Of  
Chi Delta Rho

This weekend, at Madison, a new chapter of Chi Delta Rho, national social fraternity, will be initiated at the regular semi-annual conclave to be held Saturday, May 28. This new chapter on the campus of the University of Wisconsin is the fourth chapter of Chi Delta Rho in this state.

**Conclave Saturday**

This new chapter has been in formation for the last six months and only last week did it receive final approval by Dean Goodnight, head of the committee of social functions at the University. The main purpose behind the formation of this chapter was for the benefit of the many students that transfer from the teachers colleges where Chi Delta Rho is located. Incidentally, Chi Delta Rho is the only fraternity which has its home chapter in a teachers college. The main campus is held and one on the campus of the University of Wisconsin.

The officers of the new chapter were elected in March with Willard Hanson formerly of Stevens Point being elected President.

The regular conclave to be held Saturday will be attended by representatives from all the chapters.

Last Saturday Miss Richardson, Miss Van Arsdale, Miss Neuberger and the members of the Orchesis organization spent the day in Madison. The trip was made in the school bus. Twenty-five people made the trip—some were in school children and others were college girls. The group had a picnic lunch at Vilas Park, spent two hours at Camp Randall watching demonstrations of various recreational sports for men and women together and then observed the Orchesis Dance Program presented at Bascom Hall by the Dance Department at the University of Wisconsin. Everyone enjoyed and appreciated the excellent performance.
Graduates Make Good Record In Band Work

Mr. Michelsen announced this week that nine of the ten bandmasters who have graduated from this school placed in the first division in the State Band Tournament with their bands, with one placing second. There are three divisions but the men from this school placed their bands in the two upper brackets. This is an especially record for any musical department to have and Mr. Michelsen is justly proud of the young men who have done this splendid work.

Student Opinion

Vacation

Soon it will be here, that which many of us have looked forward to with great hope and fond desires, that also which some of us do not relish because with it brings a new station in life. To those who will continue their schooling next year, it will be a season of joy and a time to play, perhaps to earn a little money for school next fall or for a trip to some far distant place. Some of us will not be back here to school, but will be continuing our education at some other place. For the remaining few days of the year may bring a little sadness when they realize that the friends they have made here will for the most part be lost to them as they continue on their separate ways.

For those of us who are leaving us to teach or to quit school and get out in the world this summer may hold many various kinds of things. Our would be teachers may all have or be assured of jobs, but the others may be out in a world which is cruel, a world in which work and the chance to work is not regarded highly. We are the last to lose them and as they do not come so near to us we should interest us.

Memorial Day

Our nation has set aside several days during the year on which it commemorates various historical events, movements, great feast days and religious holidays, this to serve as a reminder of the past and an ever inspiring commemoration for the present. One of these days was a time of state that is Memorial Day. This day has an interesting historical background and because of this it should interest us.

Memorial day was first celebrated in the South during the Civil War as a day of memory for the soldiers killed in the war. The practice had spread to the north and on May 5 of 1866 General John A. Logan was at that time commander of the Grand Army of the Republic, set aside May 30th as a day of memory or commemoration for the soldiers. It had been asked Decoration Day but in 1882 the Grand Army made the suggestion that it be called Memorial Day and thus it was named. Memorial Day is a day of national recognition given to the soldiers killed in the United States. Some of our southern states observe June 10, Jefferson Davis' birthday as their Memorial Day. The national government has not proclaimed this day as a national holiday; therefore it is up to the states to celebrate in the way they best see fit.

Best of All

Three tailors who did business on the same street were bitter competitors. One day the first one hung up a new sign. It read—"The best tailor in town."

The second chap, not to be outdone, soon put one in his window which read—"The best tailor in the country."

The third tailor looked at the two signs and scratched his head. Shortly afterwards he placed the following notice above his door; it said—"The best tailor on the street."

"I know, Papa, but vat's the void mean?"

Boy: "His memory."

"What makes you think his memory was so great?"

Nelson Hall Notes

We caught glimpses of the following guests who were back for the formal: Dorothy Webster, Helen Fieh, Barb Fulton, Helene Waterman, Billie Weed, Shirley Webster, Maxine Miner, Val Dernback, Maryan Lutney, Leda Bassler, June Erdman Schuetze, Vivian Staven, Inez Olson and Art Hoy.

Some of the girls of Nelson Hall entertained their mothers at a Mother and Daughter Banquet at the Hall last Friday evening. A short reception was held in the parlor after which the guests were taken to the recreation room where the dinner was served. The tables lighted by candles were decorated in purple and gold. Dainty corsages were presented to each mother. Miss Margaret Torkelson, our house president, acted as toast mistress. Mrs. J. Finch, as mother at the Dorn, gave a speech of welcome, after which Lois Peden spoke for the daughters. The program included selections by Carl Lindeman, pencils of Evelyn Schwingel accompanied by Roberta Peterson. Group singing followed. Mrs. Torkelson gave a few words of thanks for the mothers. The girls wish to thank Miss Neuburger, Miss Carlson and Miss Pfeffer for helping to make the dinner a success.

Well, girls, here's to the best summer of all and hope to see you all again next fall. So long.

The Y.W.C.A. will meet Thursday evening, May 26 at the Home Economics parlor where Miss Meston will talk to us about formal dinner procedure.

All students should be interested in the sale of C.S.T.C. pennants which will take place on Friday. We've seen them and they are very nice—and very reasonable, too, we understand.

In the meantime, don't let Spring weather make you forget there is a store inside the Hall.

Milwaukee
Central Staters Enter State Track Meet

Only Five Men To Make Trip

On Saturday, the twenty-eighth of May, Central State's track and field team will travel to Whitewater to enter the state meet. Five men will make the trip including Bjorn Christenson in the half and quarter mile; Ray Grandkowski in the one and two mile; Henry Warner the high jump; Don Johnston, high jump and pole vault and Jim Duecer in the javelin and shot put.

In the last track meet against Oshkosh, these men stood out forPoint and much is expected of them this Saturday. Christenson and Grandkowski showed fine form in the longer distances while Warner may almost win the high jump. Don going higher then this since in that meet he was never pushed to gain his top rating. Duecer showed he has the talent of himself in both the shot put and the javelin. All in all, the whole Point squad should be as such to bring home firsts.

Other teams entered in the meet are, besides Stevens Point and Whitewater; Oshkosh, Milwaukee, Platteville, Superior, River Falls, Stout, Eau Claire, and La Crosse.

Four Knockouts Feature Bouts

Coach Inman Whipple’s boxers wound up their season last Thursday night with a smashing 8 to 1 victory over Jimmy Dodge’s Neepoit Indians. The Pointers and Ghost leatherslingers did themselves up proud in all of the bouts, four knockouts featuring the fight, two technical knockouts and two sleepmakers.

Ben Kranisky won the opening bout from Nelson Pokan although the Pointer lad was outreached by six inches and was forced to get in close to do much damage. He knocked the Indian down for a count of one in the second round. Bob Reading chalked up the first technical knockout of the evening when Jug Irving was unable to continue at the end of the first round after the bout reading that Reading had given him.

Al Cooke won the only Neepoit victory by a close margin from Earl Haas. But Al is much more experienced than Michaels and made the most of his few opportunities. Bob Larson took up where Reading left off by defeating Norby Lawe. Larson fought cautiously for the first two rounds, opening up in the third to gain a unanimous decision. Roman Baker fought with his head as well as his hands to take the decision from Lloyd Wankau. Baker made the most of his opponent’s slow reflexes to get in frequent telling blows. Inman Whipple ended his collegiate career by easily defeating Felix Bruttke. Whipple was trying hard for a knockout but his foe insisted upon hanging tenaciously onto his senses.

Dan Young knocked Roland Rades cold in one minute and twenty seconds. Young had too much power in his gloves for the Indian. John Felix added one more knockout to his list in his final adieu to Central State. John is one of the most popular fighters to ever set foot in the college ring and has proved to be a most inexhaustible to his boxing brother. He pounded George Funk hard in the first round knocking him down once for a count of twelve seconds. He was one in a count of one in the second round.

It remained for Fred Nitzm, Central State’s only heavyweight to provide the highlight of the evening with a 22 second knockout of Pug Kuhn. Nitzm swung a powerful punch in his comparatively small manner and had no trouble connecting.

Charles Torbein, three time champion at 135 pounds, was the referee; Ben Laschkewit, also a three year titleholder at 125 pounds, was the announcer; Coach Rotal was the timer and Win Bowersock, Dr. Butler and Leo Jakus were the judges.

Jim McGuire and Felix Bohan put on an exhibition wrestling bout with both men winning one fall. It was a nice picture of the grunt and groan racket as played by professionals. Bohan was a champion wrestler in high school and McGuire has had numerous bouts.

Tennis Tourney To Be Held Here

Stevens Point will play host to a large number of tennis players this week at the state meet to be held here Friday, May 27. Every town in the state including Oshkosh, Platteville, Superior, Milwaukee, Stout, River Falls, Eau Claire, La Crosse, Whitewater and Stevens Point expects to enter a team.

The men that will carry the purple and gold colors are not as yet definitely selected. Four boys, Charles and Bill Meyer, George Quandt, and Ernie Ruppel will engage in a play off this week to decide the two men who come out on top will pair up in the doubles match.

“S” Club To Hold Softball Tourney

The 8 club soft ball tournament will begin this week with four teams entered. The teams are very appropriately called Army, Navy, Yale and Harvard. Judging from the lineups of the teams we can expect to see some good games.

Bjorn Christenson

Bjorn Christenson of Nelsonville has gained many laurels in high school and college, the least of which is his co-captaincy of the Central State track team. Bjorn has been an outstanding track man since he first donned spiked shoes while a freshman at Amherst High School, setting numerous records as he went along, one of which is 2:08.2 in the half-mile, still stands in the Central Wisconsin conference.

He was undefeated at the half-mile in high school for both district and conference meets and won first place at the state tournament in 1934. Christenson was also the individual high scorer for Class C high school and college and not taking second place in the 220 yard dash and third in the broad jump along with his championship in the throw. In his senior year, he took third first at district meet in the half-mile, 220 yard dash and broad jump as well as anchoring the winning 440 yard relay.

To show his versatility and why he was known as the “one-man track team”, he won the 110 yard high hurdles at the district meet in his senior year and dabling in the high jump field for a while.

Christenson also played four years of basketball in high school, captaining he quintet in his senior year and being named all-tournament center at the district tourney. He was the individual high scorer for Amherst during his junior and senior years and also annexed the highscoring title in the St. Stephens, City League this year while playing with Phi Sigma Epsilon Fraternity.

To round out the athletic season, Christenson played center for the Amherst High baseball team and during the summer manages the Amherst softball team.

Christenson won the most coveted championship in high school when he copped the Ping Pong title in his last burst of glory at good old Alma Mater.

During his college career, he has never won a title because he chooses to run against the toughest competition in the state, Ken Kruemmerlin of Milwaukee in the half-mile, as well as anchoring the relay team. As a freshman, Christy lost to his nemesis by a yard but he should have never came to victory. This year, he is resigned to his fate but is going to give his best in an attempt to turn the tables.

At Oshkosh, he was high-point man with a first in the quarter-mile and seconds in the broad jump and half-mile.

And we come to the end of the trail... This has been a lean year for Central State as far as athletic championships are concerned... After the bounteous era of the previous seven years, it is especially noticeable this time but you can't stay on top forever... Coach Kotal has made an enviable record here but even the best of them can't build without material...

At that, the Pointers took second place in the football conference and third in basketball... The boxers have held up their end of the load with the most successful season in four years... In track, co-captain Ray Grandoski is almost sure to win the mile event at the state meet and will be trying for a new conference record. The 1938 football team will be led by Bill Loewecke and Franklin Hitzke, both of Merrill and both of them three year men... Henry Warner of Stevens Point will captain the basketball quintet... The track and boxing captains have not been elected yet... The "S" club held its last meeting of the year a week ago and elected Bill Loewecke, president; Frank Hitzke, vice-president; and Ben Laschewitsch, secretary-treasurer... Chi Delta Rho fraternity held its softball series for the sixth year in a row by defeating Phi Sigma Epsilon in three straight games... The scores were: 19 to 6, 7 to 6, and 4 to 0...
