Wisconsin Teachers
To Meet Next Week

The Wisconsin Educational Association will hold its annual teachers' convention at Milwaukee on October 27, 28, 29, and 30. There will be no school! The faculty has voted to attend. There will be a large number of well-known speakers which will illustrate the newest trends in education.

Many Interesting Speakers

Some of the more interesting speakers will be Channing Pollock, world-famous author, playwright, and lecturers; Raymond Gran, Senior Program Director of Wisconsin Educational Association, and E. H. Tempel, Senior Program Director of the Wisconsin Educational Association.

Weather Disappoints; Rainy Homecoming

There was just enough of a frosty tinge in the air to make a bonfire seem just the thing after the dance last Friday night. The "chain gang" for the junior class started at the Public Square at 7:00 o'clock Friday night. The dance proceeded down Main Street led by the C.S.C. Band. The long string of shouting and laughing students and "alums" paused frequently at street corners to burst out into songs. After school, some roving fire was built. Later in the evening, apple cider and doughnuts were served in the gym just "hit the spot."

Art Group Organizes In Students League

Last Tuesday evening a meeting was held in the Art room, met in the Art room and organized the "Art Student's League."

The group will meet in the Art room on Wednesday evening of each week to sketch and paint. Occasionally an art program given by the Art Group will be sponsored by the League during the year.

The Art Group is the first Art Club that has ever been organized in Central State Teachers College. There are very few teachers' colleges in the state where further interest in such a group is possible.

The following officers were elected for the ensuing year:

President: Frank Jacobson
Vice President: Kamal Prentice
Secretary: Nellie Cullen
Treasurer: William H. Stewart

BLEND FROST CHEERLEADER WINS POPULARITY TROPHY

At the Homecoming dance held at the P. J. Jacob High School gymnasium Saturday night, October 22, Miss Sara Johnson, a senior, was crowned Queen in Grand March. As a fitting climax to the crowning, the new Queen, pre-

Queen In Grand March

fired in the royal purple and gold colors of the school, led the Homecoming dance to its grand close. The homecoming dance was a complete success and it proved so successful that it will be an annual event. The idea was conceived by two enterprising men of the student body, Phil Thorson and Ben Laskie. Laskie explained the plan to the student body at a general assembly held on Thursday, October 20, and the favorable reception the idea received lived up to its being made an actuality.

Big Attendance

The dance itself was a signal success with about 1,000 students in attendance. It is estimated that over 200 couples. Norm Hink-

Hinkley and his Castilians played for the afternoon game which was managed by Mr. Rightsell, Mr. Burroughs, Mr. Schneck, and Mr. Rogers, all of the faculty.

—Why Not a Light Art—

It is exceedingly amusing to meet people looking for "color" during Homecoming, they seldom go to the Nite Club. Credit for floats is given to organizations and chairs involved, but we all have to think of recognizing the Department where the real talent lies.

Perhaps you have taken a trip to the Art Room (not to indicate there is anything on the second floor) any time during the past, and have seen that Miss Carlson and her students deserve the real credit for making future successes. From one end to the other, for room was well decorated with posters, brush, paper, and workers. Through it all, Miss Carlson devoted her real effort in cooperation.

I gave up the hope of being a regular light art— but I could learn to appreciate good music—Why Not Art?— that would be found all over the world. You need not be artistic to take a course of this kind.

Miss Carlson sets her standards as:

1. Complete living today, both within school and without. (calls for a program of interpersonal skills training in order to force to we sublimate subjective)

2. The Art Program provides the tools—creative work in painting, sculpture, etc.—to create a consciousness that we don’t know any adjectives that could generalize that situation. The occupants on the bleachers stayed until 11 p.m. to rain didn’t matter to the umbrellas were found and have now a more healthier shelter.

It’s too bad, and under such circumstances a game becomes a game.

Staff adopts new "pointer" flag
The omega Chi Sorority was hostess to the alumna at a six-thirty dinner in the club dining room at Hotel Whitman, Saturday, October 22. The active members and alumnae, some of whom had not returned for eight years, numbered fifty-seven. Eleanor Ruchti, the president of the sorority, welcomed those present in a short speech: Betty Schwalm followed with a talk on the activities of the sorority. Mrs. B. A. Winstead, an alumna, spoke on the subject: "The formation of the Alumnae Association."

The former members of the Omegas then introduced themselves individually and gave a resume of their work. Among the guests at the evening were: Mrs. Charles Schwalm and Mrs. Palmer Taylor, patronesses of the sorority; Miss H. Tolo and Mrs. Schwalm, honorary members; Miss Carlsten, faculty advisor; and Miss Coleman, a guest.

**Point Ties Mankato In Listless Game**

An overrated Mankato teaching was easily outplayed here without much effort. Point's attack made the Point game a scoreless tie. A soggy field and a second-half goal by both teams to restrict their attack to straight football. Each team gained an attempted placekicking, the Point attempting theirs from the 30 and Mankato booting from the 35.

**Point Homecoming Financial Failure**

This year at G.S.T. Homecoming proved to be one of the most disastrous financially that it has been the lot of the Athletic Committee to handle for some time. The Homecoming dance at the local high school was a triumphant success, much in contrast to the afternoon's game which proved to be a dismal failure in gate receipts. The cold biting wind coupled with the constant drizzle kept the attendance low.

The following table gives complete data on the receipts disbursements:

- Orchestra | $17.00
- Janitors | $3.00
- Wax | $3.25
- Total | $27.25

Deposited in bank | $200.00

The rent for the High School Gym and the aids are still unaccounted for.

**Millers and Eagles Are Leading League**

The Millers Flashes and the Eagles are still leading their respective divisions in the intramural six-man football league. The Flashes have the best offensive record, having scored 39 points to 12 for the opposition. The Eagles have the best defensive record and are also pacing the independent league having scored 62 points while holding the opponents scoreless.

**Title Games To Be Played**

Championship games will be played the latter part of next week and medals will be awarded to members of winning teams. A mythical all-star team will be selected after the play-off. The present standings:
