SALARIES SLASHED

Senior Placements Show Unusual Seasonal Trend; Bureau Working Overtime

A. J. Herrick in an announcement to the Pointer today indicated that the placements for the coming season will equal or surpass all previous records. The Placement Bureau has received more inquiries to date for an equal period of time in the past. The season is yet early, but as in past years the best jobs have "come in" in the months of June, July, and August.

Jobs are "opening up" not only in the small high schools, but in the principal cities throughout the state. Pending tenure legislation is having a definite reaction upon teachers positions. The State Assembly is slated to take action upon this bill on April 21. Many school boards and superintendents are withholding their decisions until such action is effected.

This report indicates that the placement season will come up to the expectations of the precisions made by recognized authorities for it. 1939 should, if present trends materialize, be one of the greatest in the history of teacher employment.

Health Center Makes T. B. Tests Available

The College Health Center, in charge of Dr. Fred Marrs and Miss Mary Neuberger, announces that the tuberculin tests will again be made available to students of Central State within the next few weeks, providing a sufficient number of students express interest in taking the test. Application for this free test should be made at once by signing the sheet provided in the main or in the nurse's office.

"All students will be wise to avail themselves of this opportunity to take these tests at no cost to themselves," suggested Dr. Marrs. Miss Neuberger added that any student still wishing to take the Wasserman test, also without charge, may do the same by stopping in at the Center between 11:00 and 12:00 any morning during the week."

The "T. B." test is given in conjunction with a city-wide program and represents the second one to be offered at the school this year, and the first this semester.

Faculty Takes "5% Cut" As Result Of Heil Activity; Civil Service Being Exempt

Edgar Doudna, secretary of the state board of normal school regents, announced that the faculty members of the state teachers colleges will be cut 5% for April, May and June.

"The cut", he said, "represents a compromise between an emergency board order for a flat 10% quarterly reduction in expenditures of all state departments and Governor Heil's ruling that the savings should be effected without disturbing the pay scale."

Dempsey Effects Compromise

The governor fixed the cut at 5% after E. G. Dempsey, president of the board of normal school regents, presented a statement to the emergency board last Monday saying that it would be necessary to cut salaries 9%.

The governor assured Dempsey that the full cut would not be levied against the unused balance appropriated for teachers college faculty salaries for the current fiscal year but that the 5% cut would be necessary at least through June 30.

Salaries of civil service employees will not be affected.

Kiekhofer To Speak At Graduation Exercises

President E. T. Smith announced yesterday that two speakers had been secured for the commencement programs in June. He also announced the dates of the commencement events.

Peterson to Speak at Baccalaureate
The speaker at the baccalaureate services on Sunday afternoon, June 4, will be Rev. W. R. Peterson of Watertown, South Dakota. Rev. Peterson was formerly pastor of St. Paul's Methodist Church of Stevens Point. His daughter, Miss Roberta Peterson, is a member of the graduating class.

Wednesday afternoon, June 7, is the date set for the Class Day exercises. In the evening of June 7, the president's reception will be held in the training school gymnasium. The reception will be in the form of a dancing party for the graduates and their friends.

Kiekhofer to Talk June 9

Dr. W. H. Kiekhofer of the department of economics at the University of Wisconsin will speak at the commencement program on Friday morning, June 9.

Glee Club Presents Concerts At Mosinee, Almond and Wausau

Thirty-five members of the Men's Glee Club with their director, Norman E. Knutzen, left Stevens Point noon to present a concert at the Wausau Senior High School at 1:15 and another program at the Mosinee High School at 2:45 this afternoon. Returning home later this afternoon they will leave at 5:15 for a final evening concert at the Immanuel Methodist Church in Almond.

The Almond concert is sponsored by the Music Mothers' Association of that city and supper will be served to the organization at six o'clock. The Wausau program represents the third appearance of the glee club in that school auditorium since the beginning of the organization. The Madrigal Singers of that school have on two occasions made appearances in the annual Spring concert of the Glee Club.

Same Procedure

The usual policy of the organization of featuring student director. (Continued to page 3, col. 3)

Faust Edits Science Bulletin For Sigma Zeta

Mr. Faust, local chemistry instructor, and grand editor for Sigma Zeta has just completed an issue of the Sigma Zetan. This edition is published especially for presenting the Conclave Program and calling attention to matters which will be of concern to delegates to the Conclave.

Conclave April 21

The Conclave is on Friday, April 21, and Saturday, April 22. The Nu Chapter of Sigma Zeta of Northern Illinois State Teachers College at De Kalb, Illinois will be the host for the Conclave. The program starts with registration at 10 o'clock on Friday followed by a lecture by Dr. Carter of the Illinois State Geological Survey and an inspection tour to the Sabine Acoustical Laboratories. The evening continues with a banquet followed by a number of demonstrations, moving pictures, and lectures of a scientific nature. The program continues on Saturday with a breakfast, followed by films, the business meeting, and a luncheon which climaxes the Conclave.

Those from C.S.T.C. who will represent Sigma Zeta at De Kalb are—T. A. Rogers, G. W. Faust, C. Evans, Ruth Johnson, Roland Cady, Leo Lang, Jeanette Winarski, Eileen Marx, Jean Dopp, and Reuben Belongia. The group will start on their journey Thursday morning and return on Saturday evening.

Mick McGuire's gladiator's stayed in the ranks of the undefeated last night when they defeated the La Crosse YMCA boxers seven to three. The card was a "knock 'em down, drag 'em out" affair all the way through and had the large crowd in an uproar most of the time. Two boys scored knock outs. Bill Farral of La Crosse knocked out Jack Taylor in the second bout of the evening after one minute and nineteen seconds of the second round had elapsed. Roman Baker knocked out Jack Spah in the fifth bout after one minute and forty-eight seconds of fighting.

The card was undoubtedly one of the finest of the year. All of the fighters went into the ring with blood in their eyes and most of them came out bleeding from other portions of the anatomy. The final bout of the evening between Fred Nimz of the Point and Clarence Vetsch was a gorey affair in general. Vetsch was awarded the decision after three hard brutally fought rounds.

600 See Match

A good crowd of about 600 attended the fights. The referee was Shorty Heins of Port Edwards and the judges were Clark of La Crosse and Thompson of Stevens Point.

The summary:

118 lbs. Frank La Chappelle of La Crosse was too much of a boxer for Kranski of Stevens Point.
125 lbs. Bill Farrell, La Crosse kayeed Jack Taylor, Stevens Point.
135 lbs. Dave Williams of the Point out slugged Gale Mackay of La Crosse.
135 lbs. John Felix, Point, clearly took the decision from Stan Christopherson of La Crosse.
145 lbs. Roman Baker, Point, got a TKO over Jim Spah, La Crosse.
165 lbs. Jim Hanig, Point, carried too much power in his punches for Leonard Klahn of La Crosse.
155 lbs. Louie Drobniak out punched Bob Amussen of La Crosse.
175 lbs. Louie Lang out lasted George Alberts of La Crosse.
165 lbs. Dan Young gained a close decision over Harold Kostecki, La Crosse.
Heavyweight. Clarence Vetsch, La Crosse, gained a close decision over Fred Nimz of the Point.

All sophomores are urged to call at Room 255 to receive their estimated mid-term grades. Nearly all the faculty members have gone to considerable trouble to compute these "extra" grades for your guidance and convenience. These grade reports should represent friendly warnings or deserved encouragements for each student concerned. Watch my bulletin board for the hours you may be interviewed. These grades will not be available after May 1. Sincere thanks are hereby conveyed to the faculty members who have co-operated so graciously.

Harold M. Tolot

STUDENT—FACULTY POLL

During the past two or three weeks the students and faculty have been polled in an effort to find out the general consensus of opinion on the activities of the student newspaper. The results have been very gratifying.

The student response was very limited but a very large percentage of the faculty considered and answered our questionnaire.

The Pointer Staff wishes to take this opportunity to thank all those who have cooperated in this survey. We feel certain that after the returns have been carefully studied and properly interpreted that the survey will be a valuable help to next year's as well as this year's staff.

The results of the survey will be published next week.

POINTER ISSUE DELAYED

This week's issue of the Pointer was delayed because of accident which occurred at the publishing house early yesterday afternoon. After the presses had started, the form loosened and came out throwing the entire form apart. As a result the entire paper had to be reset necessitating a day's delay in publication.

POINTS FROM Old Pointers

1 YEAR AGO

Second semester pledging will come to a close next Saturday evening when the initiatory banquets and the Pan-Hellenic dance are to be held. Three of the banquets, those sponsored by Tau Gamma Beta and Omega Mu Chi sororities and the Chi Delta Rho fraternity, will take place at the Hotel Whiting while the Phi Sigma Epsilon fraternity will entertain its new members at the house on Main Street.

Each society will perform the initiatory services preceding the banquets. These rites are invariably impressive scenes and climax an enjoyable four-weeks pledge period. Indications point to a good turn out of alumni members of all four societies and each group is planning to entertain several guests.

Following the dinners the Pan-Hellenic dance will be held in the college gymnasium. The Castilians, directed by Norm Hinkley, will furnish the music. Only active and alumni members of the four societies and guests may attend.

15 YEARS AGO

After basketball season Coach Swetland had twelve Volley Ball teams chosen taking care that the personnel of the teams were evenly matched. Games have been played every night after school and on Saturday afternoons. The men in Mr. Swetland's coaching class captain the teams.

The faculty with "Sock 'em" Dyer and "Herb" Steiner and we just can't leave out "Charlie" Evans, started out to show the boys how the game was played when they were young. They started out to do it too, until Tess's team landed them a two to one setback.

"Ham" Williams' team is occupying first place with "Dutch" Kramer's second and Davis's third. Knope's and Finch's are scrapping for the cellar.

Ferdinand Hirzy for the past two years has offered medals for the first place. After each team has played thirty-three games the one having the highest average wins. Six men of this team will be awarded medals.

CONCERT.

The Development Of The Wis. State Teachers Colleges

by EDWIN L. LIETZ

ED. NOTE: The following article was presented by Edwin Lietz before the Social Science Club at its last meeting, March 22.

(Continued from last week)

Waupun offered \$12,000 cash and a site. Whitewater offered a site and \$25,000 cash.

Trempealeau offered a site of five acres and \$11,000 cash.

After examining the sites to some extent the board voted to locate schools at Platteville and Whitewater, saying also that Oshkosh, Stoughton and Sheboygan were suitable places.

Oct. 9, 1866, saw the opening of the first normal school in the state in the old academy building at Platteville. During this first year 143 students enrolled in the normal department and 116 in the model school. There were also 64 prep students.

From 1868 to 1925 we see a steady development and addition of courses in these schools. At one time it was possible for grade school graduates to take two years normal work and then teach elementary school. A high school graduate might take two years normal work and teach in high school. At one time a grade school graduate might take a five year normal course and teach high school and be accredited as a junior at the university.

So in general the courses up to 1925 were mainly two years in length. In 1925, however, the normal schools were put on a four-year basis leading up to a Bachelor of Education degree. They have since been known as State Teachers Colleges. This condition existed until 1938 when the colleges began to grant a Bachelor of Science degree also, this power having been given to them by the legislature. At present besides granting these two degrees the colleges have many pre-medical, pre-law and other students taking preparatory courses. Graduates are admitted to the University of Wisconsin graduate school as well as into the graduate schools of most universities.

THE WISDOM CORNER

DOC BEN

The Forensic Society, of which Mr. Burroughs is a member is, indeed, pleased with the splendid cooperation received this year from the Administration, the faculty and the student body. President Smith together with the instructors in the Social Sciences have been especially helpful. Year after year these people assist both in the judging of tournaments and in the choice of argumentative premises.

To leave all the economic interpretation, plus the evaluation of arguments, and coaching to one man would be placing an unwarranted burden on him. Mr. Burroughs, realizing this, has assumed the problems arising in debating techniques and practices, and has asked the Economics and History teachers to aid him and his debaters in the other fields. For this assistance he is highly indebted and deeply grateful.

To facilitate the handling of

THIS WEEK AND NEXT

Sigma Zeta will hold its regular meeting on Wed. April 19, 7:30 P. M.

Coach McGuire's boxing squad will meet LaCrosse Teachers in the Training School Gym Wed. April 19. Students will be admitted with activity tickets.

Thursday evening, 8:00 P. M. the College Band will hold a Benefit Concert for the transportation department. Get your tickets from the Merchant Sponsors.

Thursday, April 20, 8:00 P. M. the volley ball championship match will be held in the Training School Gym.

Tuesday's 10 and 11 o'clock classes will be held Thursday at 10 and 11 o'clock.

Friday, April 21, the Music Department of C.S.T.C. will sponsor a Music Festival. Following the festival a dance will be held in the Training School Gym Friday evening. Music by the Castilians. Admission, 25c.

Grammar Round Table will hold its regular meeting in Mr. Watson's room on April 24, 7:30 P. M.

Forensic Activities in C.S.T.C., the Forensic Society was organized last fall with the experienced debaters as a nucleus. The success of this organization well warrants its continuance.

It was not, nor is the purpose of this group to devote its efforts toward debate alone, although that is its primary interest; neither is it the aim of the group to limit the membership and participation to a few active students in this field—but rather, the organization has formulated and adopted a policy designed to further all Speech activities and to have all of its meetings open to the entire student body that is interested. It is, thus, not necessary to be a member to participate in the programs.

During the course of the year the Forensic Society has been active in coaching Training School Debate and Declamations; they have conducted regular weekly Radio programs on current problems; they sponsored the Invitational Debate Tournament here in which seven Colleges took part, and are at present conducting bi-monthly discussions on problems of Speech.

Next year promises to be even more highly successful than this year's season. Speaking for the Seniors of the squad, Mr. Burroughs, we wish you every measure of success—especially in the choice of judges in tournaments. We appreciate the help you have given us, and will not soon forget our associations with you and the Society.

ED. NOTE: The opinions expressed in the above column are those of Mr. Laschewitch and are not to be construed as reflecting the editorial policy of the Pointer.

"Ain't It The Truth"

Dear Readers,

This column has been variously styled every-thing from a bunch of rancorous tripe, (often), to the best feature in the paper, (seldom). Now, in order to let those of you have your say—who wish to do your part toward the betterment of this "Ain't It the Truth" menace, we're asking for contributions. Really and truly we'll print them if they're at all printable. It seems that we don't have enough variety of names to suit some of our readers. Some doubt the wisdom of such a column as this, appearing at all.

May we explain a bit?—A gossip column naturally does not purport to be any great shakes at giving its readers any startling moral truth or lesson. Neither can it hope to include everyone in its paragraphs. Naturally, those individuals in school who have made themselves known to a great body of the students, are the individuals whose names appear here. Ladies and Gents, we love you all, and your dear little foibles are of news value, so if you've never been recognized here, it's not thru any malice of the writers. It's just that we don't know you. If you have anything you think looks good, about yourself or any of your friends, tell it to someone on the staff, or write it up, and drop it in the slot in the door of the Pointer office. We probably won't get much support on this—most of us are too lazy to do anything about a proposition of this kind—we'd rather sit and gripe. Anyway, don't say we didn't ask you and in the future, if you want variety and new names, give us some. (Incidentally, sign the copy, you drop it in the slot. We won't publish your name, but for some reason or other, all contributions must be signed—probably the editor is afraid that one of the local firebugs will slip in an incendiary article unnoticed, if the names are not signed.)

Add to the "I remember the face but forget the name" department. Petey Terzynski, one of the more promising of the underclassmen, made himself a date at the dorm for Saturday night. We don't know when or where he made the engagement, but evidently his memory failed him somewhere along the line, for Pete called up the dorm Saturday night trying to find out whom he had the date with. He knew what she looked like but "darned if I can remember her name, Mrs. Finch, etc. etc." We imagine that a situation of this kind could be very embarrassing, but Pete carried it off like an old master, so we hear. We only hope his date wasn't absent minded or else they probably should have forgotten where the dorm was when it came time to go home.

The two Greek sisterhoods on the campus are a bit clubbier than the brotherhoods when it comes to supporting one another's social functions. Quite an Omeg turn-out at the Tau Gam ball Saturday night.

Thought for the week—"Avoid constipation of thought and diarrhea of words"—Old Chinese Proverb (Actually invented by Thorson to fill space.)

With this we shall close. As Mason said to Dixon, "You've got to draw the line somewhere."

ANNUAL BAND CLINIC FRIDAY

BRIEFS

Y. W. C. A. CONSTITUTION

Y. W. C. A. met last Thursday at Nelson Hall. A Constitution, which had previously been composed by members of the Cabinet, was presented, discussed, and voted upon by the entire group. This Constitution is to be kept on National Record. It is also the first Constitution that the organization ever had. The group also decided to have their formal spring banquet at Hotel Whiting on May 4.

Officers for the coming year elected in the following order—President . . . Elouise Torkelson Vice Pres. . . . Viola Gericke Secretary . . . Virginia Johnson Treasurer . . . Doris Thousand

DELTA KAPPA GAMMA

Delta Kappa Gamma, National fraternity for women teachers, will have their monthly meeting in the Home Economics parlors next Wednesday night, 7:30. Members from Wausau, Marshfield, Wisconsin Rapids, and Stevens Point are included in this chapter. Miss Mae Roach of our faculty is president.

33 High School Bands To Participate In Meet

Thirty-three bands and orchestras from cities throughout Wisconsin will convene here on Friday, April 21, for the annual music festival at Central State Teachers' College. It is expected that about 1800 musicians will take part in the twenty-seven bands, six orchestras, two mixed choruses, and a twelve piece string ensemble.

Neenah is bringing a very commendable representation consisting of 300 persons which includes two bands. This large group is coming on a special train from Neenah.

Events of the day will begin at 8:30 A. M. in the College auditorium, and at 9:00 A. M. in the old gym. The purchase of an admission ticket (10c—15c) will admit one to performances all day. Peter J. Michelsen will judge in the auditorium, and Edgar Zobel of Ripon will judge in the gymnasium.

A notice of the schedule of bands and the time of performances will be placed on the main bulletin board for the convenience of students wishing to attend the concerts.

The solos start at 9 o'clock in the morning, and will continue until 3:00 P. M. No admission will be charged.

There will be no competitive placement for the concerts. The judges will offer criticisms after the performances. There will be no rankings except in marching. First, second, and third place winners will be awarded trophies. A twirling baton will be awarded to the best drum major.

The parade will start at 3:00 P. M. from the college, will proceed up Clark Street to the public square, and then, march down Main Street. There will also be five concerts broadcast during the day. The five bands will play for 15-minute periods.

The evening program will be-

GLEE CLUB TRAVELS, SINGS

(Continued from page 1, col. 4)

tors will be pursued in the three concerts. The following student directors will make appearances: Delos Kobs, Ted Meyer, John Steiner, Gordon Cowles, Warren LeRoux, and Arthur Staple, Club President. In addition soloists will include Russell Frederick, Gerald Torkelson, Warren LeRoux, and Gerald O'Doherty. Miss Peterson and Mr. LeRoux will also present piano and vocal duets. Numbers will be presented by the organization's quartet during the three programs.

The quartet, composed of Bill Clements, Gerald Torkelson, Herbert Upright, and Gordon Cowles, is the same one that toured the northern part of the state the past weekend. They sang at Argonne and Crandon on Friday afternoon, and in the Crandon Methodist Church in the evening. The Stambaugh Presbyterian Church was the scene of their next appearance on Sunday afternoon. Mr. LeRoux furnished the car for the trip and Miss Peterson acted as accompanist. Both presented vocal and piano numbers in these programs.

gin at 7:30 P. M. in the college auditorium. At this time, the Wisconsin Rapids orchestra will play.

Biennial Action Submitted To Assembly By Committee; Final Action Deferred To April 16th

The much discussed new Wisconsin biennial budget which for the past several weeks has been in the hands of the joint finance committee of the state legislature was brought out and submitted to the assembly last Friday. According to legislative rule all bills of such a nature are first considered, after being brought out of the committee, by the lower house.

The budget has been altered considerably from the form recommended by Governor Julius P. Heil and represents a \$1,826,246 increase over the one which he proposed. This brings the total Wisconsin budget for the two year period beginning July 1 to 68½ million dollars. This in turn is a substantial increase over the budget now in operation. In spite of this increase of the total budget expenditure, the Board of Regents and Teachers' appropriations will still be about \$750,000 under their present allotment. The committee restored \$41,500 of the Governor's proposed 17% decrease of \$789,741.

State assemblymen and senators after a preliminary study

of the measure immediately began to prepare amendments. The entire measure promises to result in a bitter fight in both houses before its final passage in one form or another.

The committee on education of the senate introduced in the upper house another bill of interest to state teachers' colleges. It would abolish the University board of regents, the state board of normal school regents, the Wisconsin mining school board, and the state board of vocational and adult education, and substitute a new department headed by a state superintendent of public instruction and a state board of education of nine members. These offices would be filled by appointments by the governor. Two members of the present board of regents for the teachers colleges would be put on the first new board. Board members would serve nine year terms.

INTRA MURAL SOFTBALL GAMES START

Seven Teams Apply For League Membership

Weather permitting, the intramural softball league should swing into action in the very near future. Heyer has arranged and posted on the athletic bulletin board a schedule of the games. The teams entered are the Vagabonds, the Phi Sigs, the Loafers, Ingersoll's Boys, House of Yulga, the Harriers, and the Chi Delts.

Several Stars of the Diamond will be seen in action during the tournament. Jim Duecker, Ed Slotwinski, and Roman Baker are some of the better softball pitchers. Fe Bohan, Louie Drobnick, Ed Durand, Charlie Kohls are a few sluggers of note. Among the first year men are Pete Terzynski, Sherman Sword, Tom Jaaska, and many others.

Softball always furnishes good entertainment for spring afternoons so let's all turn out and see a few games.

SPRING SCHEDULE

Following is the schedule of women's athletic activities for the next several weeks.

Softball:

Monday and Wednesday 4:00 to 6:00

Tuesday and Thursday 5:00 to 6:00

Tennis:

Monday and Thursday 5:00 to 6:00

Tuesday and Wednesday 4:00 to 5:00

Archery:

Monday and Thursday 4:00 to 5:00

Tuesday and Wednesday 5:00 to 6:00

Modern Dance:

Monday and Wednesday 5:00 to 6:00

Social Dancing:

Thursday 8:15

Golf:

Arrangements to be made later.

Tumbling:

Schedule of practices will be posted on the Bulletin Board.

WEEK'S PROGRAM

Wednesday—April 19

4:00—5:00 Women's Volleyball League Tournament

Giants vs Dodgers

Bees vs Reds

Cubs vs Phillies

5:00—6:00 Modern Dance

7:15 Mixed Badminton

Tournament

Semi-finals—Lang-Jordon vs Quandt-Prinz Ruppel-Jensen vs Melchior-Essex

Winners will play for school championship

Thursday—April 20

5:00—6:00 Meeting of all girls interested in tumbling demonstration, May 13 — College Gym.

8:00 Men's Volleyball Championship Training school gym.

8:15 Social dancing—College gym.

Friday—April 21

12:00 Deadline for signing up for Women's Baseball Tournament Teams and for Tennis Tournament — sheets on downstairs bulletin board.

Saturday—April 22

10:30 A. M. Women's Tumbling Demonstration Group

Monday—April 24

Men's Baseball League—High School grounds.

3:50 Vagabonds vs Phi Sigs

4:50 Chi Delts vs. Harriers

4:00—5:00 Final games in Womens' Round Robin Volleyball Tournament.

5:00—6:00 Modern Dance

Tuesday—April 25

4:00—5:00 Tennis (Women)

5:00—6:00 Archery (Women)

Wednesday—April 26

High School Grounds—Men's Baseball League

3:50—Ingersoll's Boys vs Loafers

4:50—House of Yulga vs Utility Slugs

"SIZIN 'EM UP"

Mick McGuire has whipped a nice boxing team into shape. Some of the boys such as Lang, Baker, Young, Drobnick, and Felix, should look good at Superior this year.

A ping pong tournament would bring together some pretty fancy paddle masters. Fe Bohan, Ralph Urbanowski, Roman Baker, Ken Storandt, Ernie Ruppel and many others show that they have mastered the rudiments of the game.

Some of the boys around school would like to have a golf team. "Clump" Olk, La Verne Van Dyke, Jim Duecker, Bill Mailer, Pete Terzynski all are players of mettle. Central State could be well represented on the links if such plans could be made.

Spring football is due to get under way in the very near future. This reminds us that Central State should be well taken care of next fall in football. Men like Fritsch, Hanig, Parr, Sybeldon, Cashin, and others all have a year of experience under their belts and should make up a pretty tough combination. Then too, Slot will be out to make his last year the best. Fe Bohan, Hank Nimz, and other veterans round out a pretty good looking squad.

Major League baseball started yesterday. As per usual Lou Gehrig is due to fold and the Cubs are due to walk off with the National league.
