Squad Meetings will be used to meet. The tentative casts for the three one-acts which will be presented by College Theater have been announced. The play "Auf Wiedersehen," a tragedy, has been chosen to replace "Poverty" which will not be produced because of unforeseen difficulties. The cast for "Auf Wiedersehen" which is directed by Barbara O'Gara will include Madelyn Davel, Madelyn Lee, Ben Laske, Ted Meyer, Gene Stenz, and Ed Duffel. This production is titled "Verdict by Tradition," directed by Betty Hannon and Mason Atwood, Gerald Hilt, Alvin Ronsin, Sara Anderson, Blanche Bowman, and Jim Duexker. Norman Ben Dag is in charge of stage."Silver Tea" Planned By YWCA March 21st Adopting the slogan, "a dinner with the woman," the Y.W.C.A. is sponsoring a tea at the Home Ec. parlors March 21st. Prospective members may send a delegate to the Y.W.C.A. Geneva Conference this summer. The theme for the "silver" tea will be the official celebration of spring. According to one of the Y.W.C.A.'s, the question is, "Come and celebrate Spring! Winter is officially over next Thursday, March 21, and the Y.W.C.A. is making the most of it by giving a Silver Tea in the Home Economics Parlors from four to six p.m. This will be a good opportunity for everyone to get together. Their program will include music and speeches by members of the Milwaukee Auditorium." During their stay in Milwaukee the students will stay at Hotel Medford. The rooms are being furnished gratis by the hotel management. The students have made the Medford their headquarters for three previous trips. On these trips to Milwaukee they saw Watertown and Waukesha and Lakewood in "Idiot's Delight," and the opera "Lobengulin." The tickets are available now. They may be obtained from Marv Olson before Friday of this week.

Initiation For Newman Club Planned; Activities Are Defined In Notice Final plans for the formal initiation of candidates for the Newman Club have been formulated and the date for the rites has been set for Thursday, March 14th. This club is a national institution. The plans for the initiation and the practical theological work started by Cardinal Newman for the benefit of young men. The organization of the club is in the hands of the Newman Club Manager, Dr. Jean Dopp, President. Sigma Tau Delta

ON STATE TRAINING MEET BOXERS TO MEET RIONO HERE THEATER SELECTS CASTS "Frenchies" To Madison

 стал A State Training Squad Meets Ripon The Central State Boxing Squad, coached by "Mick" McGuire, will meet the Ripon College team in the Central State School gymnasium in the first inter-school card of the season. Eight bouts were staged in all divisions from 115 pounds up and including the heavyweight class. The Ripon boys will attempt to even scores with the local "pugs" who are now one up in matches won. (Ripon held the Point to a draw in one card last season after having been de feathered 6½ to 2½ by the Point team earlier in the season). The following boxers have been picked as members of the squad:

Benn Cranke—115 pounds—ranked is much improved over last year and should make a good showing against anything Ripon can offer.

Jack Taylor—125—Although Jack fought in the second year, it will be his first appearance on an inter-school card. He has shown significant improvement becoming a tough one to beat.

John Felix—135—Felix is one of the advanced to the Milwaukee Auditorium.

Connell Announces Plans For Session Announcement was made last Monday that a conference of all of the Wisconsin Teachers College Training School faculty members will be held at our Training School on May 12, 1939. The general opinion of the group seemed to lean toward the possibilities of curbing "counter" advertising, which is the advertisement of the food and drug products by means of enlightenment of the public through education.

The next regular meeting will be held March 22, when Bernard Johnson and Edwin Lietz will lead a timely discussion relative to the state budget allotments for the University and the nine state teachers colleges.

Grant Secured For New Radio Studios President E. T. Smith announced last Monday that final approval was granted for the $10,000 radio project which had been approved and that he expected the work on the new studios to begin by March 28. The new studios will be situated in the northeast part of the basement which was formerly occupied by Home-Economics rooms.

The plans for the new studios were drawn by Mr. J. D. Colby and Mr. Redmond in the State Engineers Office at Madison. Mr. Colby has been selected to represent the school by President Smith.

W.P.A. The labor will be done by W.P.A. workers and the materials will be furnished by the state. Live work will be supervised by Mr. Colby and Mr. Rusch, who are the directors of the city W.P.A. projects.

New Press Box Part of the allotment will be used for taking care of the papers and the building of a press on Schmeltz field. A press will also be used to fix College Theater's new office and work room.
**Method and Knowledge**

Two weeks ago I had the pleasure of discussing some educational problems of current interest with an educator who was recently honored in London for his exceptional work in the field of education.

The subject discussed was the importance of the development of method and acquisition of knowledge in training people for the teaching field. Both are valuable, of course, but those of utmost importance but their individual importance varies depending on what type of teaching people are preparing to become.

It is the opinion of many people that training for high school and grade school work should be concerned more with method and acquiring a thorough knowledge of the subject of their subjects. College teachers and instructors, on the other hand, should have more complete preparation and be familiar with those who often develop the finest details of a branch of study present an example of the extreme.

We are too prone to look at programs that present two extremes—those with highly developed methods and knowledge and those with a vast store of knowledge and complete knowledge of their subjects. Occasionally one finds a person who thoroughly knows his subject and presents in an interesting way—a great teacher.

Here at CSTC are students who will someday become teachers for the future generation. My suggestion is to acquire knowledge of the subject in which many cases determines his success or failure as a teacher regardless of the methods drilled into him.

**THE WISDOM CORNER**

*DO BEN*

Hardly an hour passes without five or four "cacky" individuals passing by wearing their hats, shouting, and acting as if they own the school plus the fixtures. Faculty members do the same thing. This is a little thing but it becomes annoying when it is repeated. Seeing some of these childish witticisms they form an unspoken rules of this school.

We all children and we are one of the reasons people remain interesting; it keeps them from getting the wrinkles from their faces. These facts are no excuse, however, for acting childish when big goals rather than goals are a state.

As we age chronologically they may stretch of dignity to which we must adhere while we are in school. Society expects us to act as the art of conversing ourselves like men and women. Even in our present state, it is exasperating when it is not made habitual—but.

With the new WPA allotments it might be possible to build a much-needed men's lounge. It is remarkable that being a student gives us the privilege of having a men's lounge for some time we will be able to appreciate better a place of recreation and rest for the tired muscles and minds of our most students.

The dining hall in the Home Ec Rooms would aptly suit such a purpose.

Last week's article appearing here might have been misconstrued. I did not wish to reflect poorly on the WPAcluey. The editor, I feel sure, is doing his best, the Mardi Gras, however, is the overabundance of the undesirable practices of a fraternity.

The Rural Department may sing "Jingle Bells" but they are already on their way to another 100% placement year.

**STUDENT REACTION TO PROPOSED BUDGET CUT**

by GEORGE QUANDT

The recommendations embodied in Governor Heil's "Economy Budget" proposed for the coming session of the legislature is a problem in practical government which is considered the solution of a problem of a proposed reduction in the tax requirement to the Board of Regents and Teachers' Councils. The legislature, in dealing with any controversial type legislation, it is necessary to consider the "facts in the case" at one's fingertips. The problem, no of the conclusion, should be reached from an unalien conclusions should be reached from an unaltered facts alone.

Heil Submits "Economy Budget"

During the past gubernatorial campaign, Mr. Heil pledged support to a platform which called for a reduction in the cost of government. A tax cut was elected by a democratic people would indicate that the state government has been run inefficiently. It would have been considered a government for the state which would be done over in order to reduce the tax requirement by the amount of the "facts in the case" at one's fingertips. The problem, no of the conclusion, should be reached from an unalien conclusions should be reached from an unaltered facts alone.

**Gettin' out a paper is no fun;**

if we print jokes, people say we are silly.

if we clip things from other papers to write letters ourselves we don't, we are too fond of our own paper.

if we don't print contributions people meet us in a huff; if we do print the green grass, the paper is filled with junk.

Now like as not someone will say that we can't get this from some other paper.

Well, we did.

**Envisage Placement Record**

The next basic conception that is big enough to result in oversupply of teachers, and graduates of teacher colleges, and teachers have been placed, are to grow and lengthen the training period required for degrees for not even teachers in the Joint G-9083 than gradually.

Eighty-five per cent of the 150 graduates are employed in the fields of college education. Some turned to other professions, teaching, and to the establishment of independent record for any institution, especially at a time when unemployment is an important problem.

The immediate problem is to instruct in 7500 students, and students in 9943. The state has only 395 teachers and 5080 students. If the quality of the instruction is not controlled by the local agencies may be adversely affected. The other problem is a large problem with the state of the teachers classes, as the state is not the wealthier classes. The state is not the wealthier classes, and 98.5% of the state's teachers' college. Now the problem is to maintain a student in these colleges in the United States, the cost is $2494.40, while in Wisconsin Teachers Colleges, 1936 is $249.45.

Finally, Wisconsin (can afford to maintain its schools for the present. Is it not the one of the most significant obligations of state, it is obvious that the training of teachers is considered so that no mistake be made.
Women's Fraternity Committee Announces Essay Contest; World's Fair Trip Is The Prize Offered

With the cooperation of outstanding leaders in our national life, New York City alumnae groups of the twenty-three national fraternities have just announced an essay contest devoted to a consideration of America's so-called "four freedoms," in 846 colleges and universities of the country, according to information received from Miss Sophie P. Woodman, chairman of the Fraternity Women's Committee for the New York World's Fair.

Information on the essay contest may be obtained from the office of this paper or from the committee's headquarters at the Hotel Beckman Tower, 3 Mitchell Place, New York headquarters of the National Panhellenic Fraternities.

Presidents of the universities and colleges, and heads and members of English departments have received announcements of the essay contest. The contest, however, is open to students in any department who wish to participate, and Miss Woodman pointed out, it is not confined to fraternity members. Also, she added, it is open both to men and women.

A trip to the World's Fair, with a one-week's all-expense stay at the Committee headquarters, the Hotel Beckman Tower, New York, is the first prize in the contest. Second and third prizes are cash awards of $25 and $15 respectively, and an all-expense stay of one week at the Beckman Tower, not including railroad transportation. In the press area adjacent to New York, $100 first prize will be given in lieu of the round trip transportation to the Fair. Winners will be given special recognition at "Panhellenic Day" at the World's Fair.

In order to focus attention upon some of the basic principles of our democracy, the New York Fraternity Committee is devoting its current annual essay contest to a consideration of the so-called "four freedoms" contained in the First Article of the Bill of Rights — freedom of speech, freedom of the press, freedom of worship and freedom of peacable assembly, as its official activity in conjunction with the Women's Advisory Committee for the Fair. Students entering the contest will select as topics one of the questions submitted by national leaders and women on the Committee.

Governmental leaders who have supplied topics for the contest are: Gen. John J. Pershing; Sen. Sumner Welles, Under-Secretary of State; and Mayor Fiorello La Guardia of New York City.

Application blanks may be secured at the Printer office.

State Training Facilities To Meet
(Continued from page 1, col. 3) be set up. There will be an election of officers and the next meeting place will be determined. Any other business pertaining to the newly-formed organization will also be taken care of.

There will be a 6:00 o'clock banquet for the directors and any other interested faculty guests. The speakers will be several leading city administrators, representatives of the State Department of Education, and some representatives of Governor Heil's staff.

The idea for such a conference was born in E. S. T. C. Training School. Letters of congratulations have been received commending the meeting and expressing the spirit and some of the other colleges have notified that they would like to attend. This conference will hereafter be an annual affair.

SOCIETY LIFE

Miss Adda Tobias, principal teacher in the primary department, was sick for the past few days with the flu. A substitute teacher is taking her place in the first grade.

Mr. Peter Michelsen, director of the music department, was unable to accompany the band on the concert trip to Madison on Monday morning, because of illness. Mr. Herbert Steiner of the faculty accompanied the students.

Last week-end Miss Susan Coleman accompanied by a group of students went to Madison. Miss Coleman attended to some business and went shopping. Saturday evening the group attended the Wisconsin Players production, "Barchester Towers" at Bascom Hall. Miss Davidoff returned to Stevens Point with the group on Sunday.

Tid Bits

Gene Connor who is teaching at Chetek visited the "Third Floor Gang" at Nelson Hall this week-end.

Ehel Hill, who has been ill at her home in Ashland, returned Monday.

Dorellan Lambert, of Wausau, was a guest of Ruth Johnson this week-end at the Johnson cottage.

Loyola met in the Recreation Room at Nelson Hall Sunday afternoon. Lunch was served.

Ed Lightbody, who is a messenger in the State Assembly at Madison, visited here Monday.

Life is dull and dreary for Jerry Dunn, seeing as how all of his joy is away on the band trip. Cheer up, Jerry. It's only for five days.

Phi Sigs Defeat Midgets; Dizzy Dopes Beat Maulers

Champions of intramural league were decided last Wednesday when the Phi Sigs took the measure of the Midgets by a 26 to 17 score. In the first game of the evening Dizzy Dopes defeated the Maulers 31 to 28 in an overtime game for consolation honors.

Both of the games were hard fought and scrappy from start to finish. In the Dizzy Dope’s victory there was never a definite answer until the end of the overtime period when the Dopes scored. In this game “Lucky” Lewison was the big gun for the Dopes with fifteen points on a variety of seemingly impossible drives. Hills looked best on defense for the Dopes. For the Maulers, Sword captured the lead, with eight points.

The Phi Sigs were led scoring by Bill Miller with eight points and on defense by Roman Baker. Bill Maier, a guard, was next in scoring with six points. For the Midgets Bud Mensel showed up best with seven points while Rene Stirmat was best on defense.

Good Games

The games as a whole were worth a quarter of anybody's money and were played with a full measure of class and fight as any basketball you could see.

Chi Dells Win From Tomahawk In 47-29 Tilt

The Chi Dells showed the people at Tomahawk how basketball is played in college by taking the Wilkins Foxes from Tomahawk by a 47 to 29 score. The game was played at Tomahawk Friday.

Van Dyke was the big gun for the Chi Dells scoring nineteen markers making seven field goals and five free tosses. The others who aided in the slaughter were: Oscar Copes, Jim Duncker, Frank Hintze, Red Smith, and Jim Bag- nell.

Give Gold Medals To The Basket Ball Champs—W. A. A.

Basketball season closed with the presentation of gold medals to the championship winners.

More Tumblers Needed

A group of interested girls attended tumbling each Tuesday at 4 o'clock. More girls are asked to meet and practice for demonstrations for Play Day and other occasions.

A varied sports program has been planned by the gym heads to meet the desires of all students.

Valley ball has proved to be one of the most popular sports with eight teams signed up for participation. The first games of the season were played Monday.

Another well-liked sport is badminton, which is played during the evenings twice a week. Winners of last week's games were: G. Melchior-H. Scheel, J. Falan- J. Leoton, J. Halvorson-H. Faaske, P. Tellner-L. Rapolla, C. Prone-G. Quant, and E. Theisen-H. Scheel. Others interested in entering the elimination tournament must sign up with Miss Gormley or Mr. Meyer.

W.A.A. To Meet

"SIZING 'EM UP"

Well, the basketball season is over and so we can start thinking of other things. However, suppose we just forget about basketball over the season. We didn't do it as badly as when we considered everything we did. You know the teams in the conference will forget protests and try to beat us up on their own honor.

Some of the boys who showed up well in the intramural league and who will bear watching for next year's college team are Ralph Urbanowski, Bill Miller, Rene Stirmat, Bob Becher. Ken Parr, Ed Sliwowski, Hank Poskie, Roman Baker, Jim Mannling and many others. These boys looked like real college stuff in the games this winter.

In closing, folks, keep an eye on the sports program in school from now on. Even though basketball and football are out there is still plenty of tennis, track, and other things to be considered.

Speaking of tennis, Ernie Ruppe, George Quandt, Bill Winse and a couple of others have been practicing in the gym quite a bit and we just take a guess at how good they would be if they were allowed to practice. It probably would be a good thing to open the intramural free throw contest held in the gym this winter. Everyone here that was in the intramural free throw contest has been doing a good job this year and we hope that next year's basketball team will be in the same condition as this year's basketball team. No one is too old to try and make the best team possible.
