

## ANNUAL MALE CONCERT TONIGHT

### Michelsen Returns From Wisconsin Bandmasters Meet At Green Bay

Fifty directors, pianists, and arrangers attended the fourth semi-annual session of the Wisconsin Bandmaster's Association held at Green Bay on Sunday, March 26. Among the fourteen directors who took turns directing the Green Bay High School Band was Peter Michelsen, head of the Music Department at C.S.T.C. The numbers on the program varied from the classical selections to modern syncopation. The idea of having frequent changes of directors is a new one as far as high school musicians are concerned. In addition to Mr. Michelsen, those who directed the young Green Bay musicians were: Raymond F. Dvorak, Madison; Joseph Gigante, Milwaukee; Henry Winsauer, Kohler; Edgar Zobel, Ripon; S. E. Mear, Whitewater; Joseph Bergeim, Milwaukee; Ernest Weber, Waukegan; Alex P. Enna, West de Pere; Damon H. Shook, West Ellis; E. C. Moore, Appleton; Harvey E. Drueger, Milwaukee; S. Smith, Shorewood, and J. Paul Schenk, director of the Green Bay High School Band.

### School Completes "Its Part" In Signing Petition

The campaign to protest against the 17% budget cut in the educational field will end this week with the final signing of petitions, which were started by the All-School Budget Committee of the Milwaukee State Teachers College. Petitions have been sent to the other teachers colleges in the state.

So far at C. S. T. C. over 300 persons have signed the petition, which is being circulated among the various organizations in the school. The papers will be sent to the All-School Budget Committee at Milwaukee State Teachers College. Anyone who has not had a previous opportunity to sign one of these petitions may do so at the Pointer office.

The budget cut was recommended by Governor Julius P. Heil, and proposed for the biennium beginning July 1939, and ending June 30, 1941.

### President Smith To Madison; Attend State Educator's Meeting

Last Saturday President E. T. Smith attended a meeting of the Committee on Small High Schools which was held at Madison. This committee is composed of members of state teachers college faculties and the university and was appointed by John Callahan, State Superintendent of Schools.

#### Purpose of Meet

"The growth in the secondary school population of the past thirty years has raised many questions about the type of services which the secondary schools must render if they are to meet the needs of their enlarged population. It is an obvious fact that the curricula and the management of these schools must change more." In light of these changing conditions the organization was formed. This committee assembles much worthwhile data, and summarizes it in a bulletin published by the State Superintendent's office.

### Speech Class And Theater To Present "Queen's Husband" Soon

Plans will soon be in full swing for the production of "The Queen's Husband," a three-act play by Sherwood. This presentation will be the result of the joint efforts of the speech class and College Theater and is to be presented early in May. The definite date has not as yet been set. Casting has begun under the supervision of Mr. Leland Burroughs. Actual rehearsals will begin next week. The technical staff has already formulated its plans.

Acting tryouts will be held in Mr. Burroughs' room Thursday, March 30, from 3-4 P. M. and Friday, March 31, from 7-9 P. M.

### GIRLS GLEE CLUB TO SING FOR A PRE-EASTER CHURCH CONCERT

The Girls Glee Club will appear at the Methodist Church in a pre-Easter concert next Sunday

### Herrick Predicts New High In Placements; Best Prospects In Years

Mr. Herrick announced that this has been the first season in the past 20 years in which the openings for jobs have come so early. He has already had a large number of excellent calls which have come mainly from the southern part of the state and present indications forecast a very successful season.

#### Lack of Primaries

He is very much perturbed because of the lack of an adequate supply of available teachers in the elementary grades. These elementary grades compose the primary and intermediate departments of our school and include grades from one through nine.

Mr. Herrick, stated, "I could place all of the C.S.T.C. graduates if there would be a better spread through all departments instead of the concentration in the high school department."

#### Large Systems Need Teachers

He also said that some of the larger school systems in the state have openings for as many as six to eight teachers. These schools have asked for applications from C.S.T.C. graduates.

Next week one of the superintendents of a Chicago suburb will be here to interview and select teachers to fill vacancies in his system.

Besides all of the work of placing this year's graduates the Placement Bureau is busy making up and sending credentials for graduates of other years.

Mr. Herrick stated that he shall have a list of placements ready for publications in the near future.

at 9 o'clock, preceding the regular services. Mr. Michelsen has selected a program of choral numbers and requests.

Every other Wednesday at 3:45 P.M. the Girls Glee Club alternates with the Men's Glee Club in presenting a broadcast over W L B L.

This afternoon's broadcast includes several selections which will be presented in Sunday's concert.

### Capacity Crowd To Attend Initial Chorus In College Auditorium

### Smith Arranges For Allez And Hanson To Join Summer Session

Students and faculty members will be interested in knowing that Miss Gertie Hanson and Mr. George Allez will be coming back this summer to be on the college faculty.

#### Former Critic

Miss Hanson, a former critic teacher at the Training School, was awarded a fellowship for study at the University of Wisconsin for the past year 1938-39. This was awarded by the Executive Committee of the Research Project in School Broadcasting. Miss Hanson has been given a leave of absence for her radio study. She has been doing work over station WHA in geography.

#### Library Director

Mr. Allez, former librarian at C.S.T.C., was named director of the University extension library school at the University of Wisconsin. Mr. Allez was appointed by the university board of regents, to whose charge the school was transferred. There is an enrollment of forty students which is the school's capacity.

Mr. E. T. Smith discussed summer school plans with Miss Hanson and Mr. Allez last week in Madison.

### Debaters Talk To Junior Chamber Of Commerce In Meeting

Monday night Ben Taske and Gordon Haferbecker presented a debate on government spending before the Junior Chamber of Commerce. This debate had also been given before the local Exchange, Rotary and Kiwanis Clubs.

#### Ophoven, Haferbecker

Joe Ophoven and Gordon Haferbecker debated before their home town high school assembly at Antigo Tuesday morning, and again before the Antigo Kiwanis Club in the evening. They were accompanied by Mr. N. E. Knutzen.

The forensic society is continuing its meetings every two weeks instead of every week. Debate technique will be the subject of discussion. Students interested in coaching debate or in debate for next year are urged to attend these meetings.

### Local Team Will Play Ripon Five For Loewecke Benefit

Ripon, Mid-west Champs, will meet a team composed of local men in a benefit game in the Training School gym, April 3. The proceeds of the game will be used to aid in the payment of medical expenses of "Bill" Loewecke, prominent athlete of C. S. T. C. Bill had been very ill with

Tonight and Thursday evening the College Auditorium will be the scene of the Men's Glee Club Sixth Annual Spring Concert. The organization will be directed by Norman E. Knutzen, assisted by student directors, and the concerts will begin at 8:15 each evening.

#### Reputation Over State

The reputation of this college musical organization has spread throughout the state and this concert has commanded considerable attention. On Thursday evening, March 23, the following material appeared in the "Wausau Daily Record Herald": "The Wausau high school Madrigal Singers have been invited to be guests on the program of the Central State Teachers' college men's glee club when it presents its sixth annual home concert at the college auditorium in Stevens Point next Thursday evening. This group of 58 singers is said to be one of the finest male choruses in the state. It has presented a number of concerts this season, making appearances at Mattoon, Wittenberg, Abbottsford, Medford, Colby, Neillsville, and other cities. It will make two more appearances before the close of the school, singing at the convention of the Wisconsin Federation of Music clubs in Waukesha April 27 and at the convention of the Wisconsin Association of Male choruses in this city May 7. The club is affiliated with both groups."

#### Ticket Sale Covers Wide Area

According to ticket sale chairman, Dick Larson, orders for tickets have been filled from distances up to one-hundred miles. Blocks of tickets of a dozen and two dozen, respectively, have been sent, upon request, to Antigo and Birnamwood. An entire high school glee club is attending from the last mentioned city. Several directors of choruses in the Wisconsin Male Chorus Association (the Wisconsin branch of the Associated Glee Clubs of America), of which the local organization is a member, have indicated that they would attend one of the concerts. Several alumni of the college have signified the same, and these include Bill Larson of Antigo, Kirkwood Likes of Red Granite, and George Cartmill of Unity.

#### Gift Stands To Be Used

The organization will use for the first time its newly-acquired Payson Collapsible Choir Stands, a gift to the club. These stands are identical with those being used by outstanding musical organizations in the country, like St. Olaf's College A Capella

(Continued to page 3, col. 3)

a glandular infection in the arm and was entered in St. Michael's Hospital last Wednesday forenoon. The price of admission for the game will be twenty-five cents per person.

## TENURE REPEAL RECONSIDERED

### Bill Debated Pro And Con In Assembly

The Teachers' Tenure Repeal was defeated and then the vote by which it was defeated was reconsidered, so the question of tenure is not settled as yet. Mr. Reuben W. Peterson, of Green Lake County, presented about the best sensible argument on the subject, according to Anthony Gruszka, Assemblyman of the 1st District of Marathon County. In debating tenure he stated that a good Educator does not need tenure and a bad one should not be given the right to it. He

further argued that it is bad policy to guarantee employment of Public Servants, because they soon begin to assume that they cannot be removed and therefore become very lax in their duties. It is a known fact, in rural schools more so than any other place, that if an educator can take the child from a parent for a period of three years, from the age of six to the age of nine, the child is no longer the progeny of the parent but becomes the follower of the one that molds his or her mind and opinion.

"Give the educator an opportunity to implant upon the mind of a youngster his or her ideas and the parent no longer con-

trols the mind and body of the child", says Mr. Kruszka. "It is also a known fact, that our educational institutions turn out teachers yearly. Under a Tenure Law these capable youngsters cannot avail themselves of opportunities to enter the profession of their choosing.

Many arguments can be presented for the tenure. But it appears that under a democratic form of government the people should have a voice in the question of hiring and keeping their educators. The good teacher is in danger of losing her job at the end of four years, in one location due to the tenure provision in the state.

## THE WISDOM CORNER

DOC BEN

Thanks, Mr. "Dissatisfied Reader" for your compliments. In some of your criticisms I stand corrected, in others I have yet to be convinced. Here is something for you to think about—and work on Mister—

### Our Status in Placements

Placements—Nine State Teachers Colleges 1938  
Average of all schools and courses ..... 85%  
Rural ..... 98%  
Elementary ..... 91%  
Secondary ..... 67%  
Special Courses

Agriculture ..... 100%  
(Demand far in excess of supply)  
Art ..... 45%  
Commercial ..... 95%  
Exceptional Children ..... 94%  
Home Economics ..... 100%  
Industrial Arts ..... 100%  
Music ..... 78%  
Physical Education ..... 85%

### C.S.T.C. Percentages of Placements of June

Graduates 1938, as compiled Nov. 14.  
For all courses—125 grads.—108 placed—86.4%  
Rural (2 Yr.)—44 — 42 placed—95.23%  
Elementary — 24 — 23 placed—96%

Primary  
Intermediate Jr. H.  
4 Yr. Rural  
Secondary — 57 grads.— 43 placed—76%  
Home Economics majors 100%—included in Secondary above.

Let us now interpret these figures. (1) In total placement we stand 1% above the average for the nine teacher's colleges—(2) There is hardly room for improvement in the Rural or Elementary departments—(3) Definitely the rub is in the Secondary educational division, thus necessitating the focussing of our attention here.

It must be remembered further that the Secondary graduates from C.S.T.C. include students who never intend to teach, but are merely using this college as a stepping stone before going on to other fields or attending the University. Moreover, this division is now 9% above the state average.

There are two schools of thought as to the possible remedial measures which could be adopted. First, it might be feasible to point out these placement percentages to all students, suggesting that they enroll in those departments where jobs are most opportune. Coupled with this is the choice of majors, minors, and extra curricular activities. In our Secondary field, history majors predominate, creating an over-abundance. If we had more science and mathematics combinations, the placement might be considerably better. As to the choice of extra-activities, they rate: athletics, dramatics, chorus, forensics, band and orchestra, publications, etc. (Pointer, September 16, 1938). Some of the calls for teachers are in almost unheard of combinations, consequently no arbitrary statement can be made. Demands for certain majors are also cyclic.

Second, in view of the sales activities of other colleges, there has been considerable agitation for a C.S.T.C. live salesman and director working in the field. Finding openings, speaking, contacting principals and school boards, selling himself, the school, and his products. To find vacancies, to advance the graduates already placed, to be continually on the hop, is a man sized job that, I believe, would bring results. Salesmanship here bears extensive study.

However, there is hardly a logical reason why the two suggestions could not be combined to form a happy solution.

ED. NOTE: The opinions expressed in the above column are those of Mr. Laschewitch and are not to be construed as reflecting the editorial policy of the Pointer.

## POINTS FROM Old Pointers

### 2 YEARS AGO

#### Band Makes Third Annual Tour

The College Band leaves Monday on its third annual tour. The first program will be given Monday afternoon at Adams; the second in the evening at the Wisconsin Dells. The next appearance is at Tomah on Tuesday afternoon and at Sparta that evening; Wednesday afternoon at Reedsburg and at Baraboo in the evening. Thursday concerts will be given at Portage in the afternoon and at Beaver Dam at night. The final concert of the tour will be given at Waupun Friday afternoon and at Berlin in the evening.

The Annual Junior Promenade, the peak of the year's social season, has been definitely set for April 24 this year.

THE CENTRAL STATE BROADCASTING SERVICE PRESENTS  
COLLEGE CONCERT BAND ..... Thursday, March 30, 3:30 PM  
TEST TUBES AND TELESCOPES — ..... Monday, April 3, 3:30 PM  
"THE ELECTRIC EYE" .....  
EXPLORING OUR STATE  
"AROUND LAKE WINNEBAGO" ..... Monday, April 3, 3:45 PM  
Today the Broadcasting Service presents the Girls' Glee Club at 3:45 and "Problems of the Day" at 4:00 PM.  
There will be no college broadcasts from April 5 to April 10, inclusive, on account of the Easter recess.  
WLBI 900 KC

## THIS WEEK AND NEXT ANNOUNCEMENTS

The Pan Hellenic Formal will be held on Saturday, April 1 at the Hotel Whiting. All members of Greek organizations and their escorts are invited.

Photo Club will meet Wednesday, March 29 in Mr. T. A. Rogers' room at 4 o'clock. All Photo Club members are urged to attend.

Alpha Kappa Rho is having a Formal Party on Friday, March 31 at Nelson Hall. Initiation services will proceed the dinner which will be served at 7 o'clock.

Rural Life will meet Monday, April 3 in the Rural Assembly. All Rural Life's are to come.

The Men's Glee Club is having a Dancing Party on Friday, March immediately after the Formal Concert on Thursday, March 30.

The Newman Club group will meet 7:30 at St. Stephen's on Sunday, April 2 to attend Communion in a body. The group will enjoy a breakfast afterwards in the dining parlors.

Saturday, April 1  
Omega Initiation and Formal Dinner at Hotel Whiting. Tau Gam Initiation and Formal Dinner at Hotel Whiting. Phi Sig Initiation and Formal Dinner at the Fraternity House. Chi Delta Initiation at the Fraternity House and Formal Dinner at Nelson Hall.

## No Quarantine, But . . . .

When a ship comes into port, she flies a yellow flag that speaks an international language. Formally that ship is suspected of harboring contagious disease. She cannot proceed until she is given clearance by port doctors who go aboard and examine passengers and crew.

That's quarantine—a maritime law strictly observed. Ashore we know quarantine under less uniform regulations, but familiar enough with its placards in red or yellow, posted at the doors of homes where contagious diseases are known to exist. There is no one among us who does not respect the friendly warning they convey.

And yet, the one communicable disease which has taken more lives than any other is not quarantined. That is tuberculosis. And Why? Chiefly because tuberculosis is a disease which, in the great majority of cases, is not discovered until it is an advanced stage. Tuberculosis often overtakes its victims without warning, so unobtrusively that we rarely know when we ought to run up the yellow flag.

This is no plea for legislation requiring that tuberculosis cases be quarantined, but a reminder that because tuberculosis is not quarantined, it requires all the

There will be an important meeting of the Junior Class at 10 o'clock in the auditorium, Thursday A. M.

All new students, who enrolled this semester, must take a health examination. Notices of appointments have been posted on the main bulletin board but have not been kept. All those new students who have not taken an exam must report for an appointment immediately.

Easter vacation begins Wednesday, April 5, at 4 P. M. and ends 8 A. M. Tuesday, April 11. The dates for Easter recess, stated in the catalogue, are erroneous.

Material for the Sigma Tau Delta publication "Flight" is being solicited. Any offerings in prose, poetry, themes, or picaresque acceptable. Hand them to Mr. Burroughs, Eleanor Ruchti or Jean Dopp.

Friday night at 4:00 is the deadline for ordering Senior graduation announcements. The price is 15c each and orders must be left at the Counter.

Fifteen members of the tumbling Club are meeting Tuesdays at 4 P. M. to work on a demonstration program for Play Day, May 13. Any girls wishing to join this group, still have time to do so.

more vigilance on our part. To this end, the Wisconsin Anti-Tuberculosis Association is conducting this month its annual Early Diagnosis Campaign, the slogan, of which is "Help Find Early Tuberculosis."

If there has been a case of tuberculosis in your family, be vigilant. Go to a physician for a simple test. If you know friends similarly endangered, encourage them to seek medical advice. Help find early tuberculosis. Help find the spreaders of this disease who may be hidden in the circle of your family or your friends. Like the captains of ships—run up the yellow flag for yourself until you have clearance papers.

The Health Dept. of C.S.T.C. has been working on this and many other similar problems a long time before the Early Diagnosis Campaign was inaugurated. The yellow flag for this College was run up at the beginning of the year, when T.B. tests were administered. I owe, the department wishes to emphasize, with the Wisconsin Anti-Tuberculosis Ass., the importance of vigilance in regard to health problems.

The department also announces that students can still take the Wasserman Test any day between 10 and 12 A. M.

## "Ain't It The Truth"

Spring is here—and oh!—so many new romances. Tush! Miss Davis seems to be the local Cupid in the plot—promoting trips hither and yon. (Of course, it does help to pay for the school bus.) Here's what we've heard: Harlow Henninger had his armor clipped severely by weakening toward a lassie named Mildred on the way back from Madison. How now, Milly! And Neal Brown and Marjorie "Flat-foot Floggie" Menzel were just too, too chummy down at Milwaukee. And need it be said! Mr. Colby was charmingly attentive to Miss Davis. It was commented by Ed Slotwinski that ten runs occurred in the stockings of young ladies enroute to Milwaukee. Bum lux!

Several la femmes seem to be suffering from a malady other than spring fever. It's rather shocking too see. Really now, can't something be done about gap-o-sis? We'd suggest zippers.

Don't tell us the dorm has gone "dry." It was only a week ago that one of those Freshies with "fuzzy hair and vacant stare" met with a calamity. She "only leaned, just leaned with one hand, sorta"—and the sink fell off the wall—hondest. The plumber found her wading ankle deep in despair.

The Three Musketeers (Meta, Mary, and Peggy) have forsaken their wooden shoes for rubber tires. Last Saturday the three of them were seen making the rounds in an open Ford. It isn't exactly one of the newer models but it does seem to serve its purpose well enough. Their main worry with the thing is that it must have caught the eye of someone else who has acquired a yen for midnight motoring and every morning they find it in a different place.

And never the twain shall meet! But there was a very curious meeting when Louie Drobnick and Elaine were both called to see friends stopping at the Spot while going through town. It seems one of the fellows knew Elaine back when and another chap hailed from Tomahawk. Imagine their embarrassment when they realized that it nearly caused the breaking of one of C.S.T.C.'s most celebrated matches.

And speaking of matches, Coach McGuire has an excuse if his work seems to be slipping a little. It's spring and Gene reports that in spring the mud comes up from the lake at Chetek and runs down the street so everybody leaves town. But then, Gene is a pretty good coach herself.

According to Paul Mauer, and alumnus of this institution, the Pointer is gaining nationwide fame. The paper is sent to the Coca Cola plant at Pittsburg where Paul is employed, and he tells us that the entire office staff is concerned over the outcome of Laske and Haferbecker's debates. Rural Life meetings, sections, etc. We suggest that the Business Manager of the Iris should write them for an ad.

Now here's a bit of fraternal loyalty. "Bud" Menzel hitch-hiked all the way to Wisconsin Rapids to secure a paddle he'd left in an airplane traveling to the Rapids. The boys felt badly for him and flew him back before the actives even missed him.

## Vol. I THE POINTER No. 22

Published Weekly except holidays and examination periods, at Stevens Point by the students of the Central Wisconsin State Teachers College. Subscription Price \$2.00 per year.  
Entered as second-class matter May 16, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

## SOCIETY LIFE

Bill Loewecke, a senior, was taken to St. Michael's hospital Wednesday noon. Bill has been ill about a month with an infection caused by the flu.

Miss Marguerite Adams spent the week-end at her home in Green Bay.

Miss Cynthia Krohn visited in Wittenberg last week-end.

Miss Ethel Higganbathom of Shawano, and Miss Geneva Vanderlous of Appleton visited Miss Charlotte Reichel last week-end.

Tau Gamma Beta will initiate its pledges at an initiation ceremony at Hotel Whiting Saturday evening, followed by a formal dinner. Jane Johnson, president, will preside at the dinner. Miss Mildred Davis, Miss Harriet Stull, and Miss Helen Gormley are to be guests. Mrs. Spindler, patroness, will give a talk. The table will be decorated in a spring color scheme.

Initiation services at 6:15 P.M. will be followed by a formal dinner at 6:45 in the club dining room at Hotel Whiting for Omega Mu Chi sorority. Zilphia Webster, president, will preside.

The honorary sorority pin will be presented to the pledge having the highest grades.

Miss Edna Carlsten and Mrs. Palmer Taylor, patronesses, will give short talks. The sorority colors of gold and lavender, and jonquils will be used for table decorations.

The Chi Delta Rho fraternity will initiate sixteen pledges at their initiation service and dinner at Nelson Hall at 6:30 Saturday evening. Warren LeRoux will preside. Representatives from the alumni are expected to be present. Mr. Raymond Rightsell, Mr. Harold Tolo, and Mr. Norman Knutzen, faculty advisors, will attend.

Phi Sigma Epsilon will hold its formal initiation and dinner at the Phi Sig house Saturday evening. A large alumni attendance is expected. Nine pledges will be initiated into the fraternity.

Alpha Kappa Rho, honorary music fraternity, will hold formal initiation of new members Friday night in the recreation room at Nelson Hall. The initiation will begin at 6:30, and will proceed a 7:00 o'clock dinner. Eight new members will be taken in. They are: Leota Brandt, Dorchester; Betty Johnson, Wisconsin Rapids; Phil Dakin, Antigo; Harold Scheel, Spencer, Clifton Fonstad, New London; Louis Hamil, Arpin; Bill Miller, Stevens Point; and Samuel Winch, Marshfield.

Mr. and Mrs. H. R. Steiner will be formally received into the fraternity as faculty member and patroness. Mr. and Mrs. E. T. Smith and several alumni will be present at the dinner.

Sigma Tau Delta held its pledge service in Mr. Burrough's room last Wednesday noon. Ula Mae Knutson, Nancy Steiner, Mabel Wind, Virginia Johnson, Elva Pease, Margaret Dunnehan, Kathleen Stone, Gotelind Rademacher, Margaret Becker, John Yurkovich, Ben Kordus, Lawrence Jozwiak are pledges for this semester.

Initiation will be April 3 in Mr. Burrough's room.

Plans are being made for the annual publication of "Flight." Eleanor Rucht is editor and LaRue Smith, business manager.

### Annual Male Concert Tonight

(Continued from page 1, col. 5)

Choir from Northfield, Minnesota.

Ushering for the two concerts will be in charge of college sororities, Tau Gamma Beta on Wednesday evening, and Omega Mu Chi on Thursday evening. The Wausau Madrigal Singers of 20 voices presents their selections on the second evening and the local high school A Capella Chorus of 38 voices on Wednesday. About 58 men will comprise the Men's Glee Club in this concert, the largest number to ever represent the organization in any of their concerts during the past six years.

Tickets are selling at 15c for students and 25c for adults, and may be purchased at the door.

### A CAREER in Search of Men

Dentistry offers an opportunity in the field of health service for men of ability. Government statistics show that in recent years, for each dental school graduate, there have been two physicians and four lawyers.

The Marquette University Dental School is one of the 17 dental schools of the United States whose diplomas are recognized in all of the states.

The close relationship of the Dental and Medical Schools at Marquette University is an advantage to students.

Entrance requirements: Two years in a recognized College of Liberal Arts with satisfactory credits in biology, chemistry, and physics.

For complete information concerning opportunities in dentistry, write to the Secretary, Marquette University Dental School, Milwaukee, Wisconsin.

5:00-6:00 Women's Badminton

## WOMEN TAKE PART IN BADMINTON TOURNAMENT

Approximately 60 students are participating in the Women's Singles and the mixed doubles Badminton tournament being conducted by Miss Gormely.

Twenty-four women are taking part in the Women's Singles tournament being conducted this week and the leading players will be entered in the Northwest Collegiate Badminton Tournament to be held at River Falls late in April.

J. Tolman, G. Melchior, M. Kujawa, M. Walsh, L. LaValle, L. Kinney, C. Rabbitt, and E. Theisen have survived the first round and will play in the finals Thursday afternoon.

In the mixed doubles badminton, teams composed of Lang-Jordan, Ropella-Zellmer, Sanborn - Theisen, Quandt - Pronz, Faulks - Walsh, Ruppel - Jensen, Leton - Holman and Essex - Melchior were victorious in the first round and will also play final matches this week.

Fifteen members of the tumbling club are meeting Thursdays at four P. M. to work on a demonstration program for Play Day, May 13. Any girls wishing to join this group, still have time to do so.

## "Burch-barks"

CHARLIE BURCH

All-conference teams always get panned by someone but that All-Intra-Mural team really merits notice. Where was Lewison, the spark plug of the Dizzy Dopes, consolation winners? In the game which decided the consolation winners, Lewison scored 15 points while playing opposite Sword, the selection for the all-intra-mural first team guard!!! Maybe Lewison was relegated to the second team because of that game he was forced to miss when he went to the bedside of his sick cousin???? Sounds silly doesn't it?

Spring has come!!!! I'm sure we'll have a baseball team "again" this year. How about intra-mural softball??? The fraternity series should be a dandy this year!! There's been a little fuel added to the fire within the past few weeks. There'll be need for plenty of oil for these troubled waters.

Student managers, get back on the job!!! Spring football is about to commence. You're an essential part of the athletic organization and you'll be needed. Remember, there'll be more trips next year.

"A Thought for This Week"

A man should be judged, not for his few mistakes, but for his many worthwhile accomplishments.

ED. NOTE: The opinions expressed in the above column are those of Mr. Burch and are not to be construed as reflecting the editorial policy of the Pointer.

## Win Six Of Nine In Tough Card

The Stevens Point boxing squad fought back last night after losing the first three bouts of the evening to win the next six straight bouts and defeat the Keshena Indians, six to three. At the start of the evening, the visitors scored three decisions to give them a three to nothing lead. Dave Williams started the Pointers on the road to victory with a close nod over Richard Tucker.

Jack Taylor, Ben Kranski, and Clarence Thom lost the first three bouts of the evening to their opponents but these were the only losses for Point. All of these boys put up good fights before giving up the nod. John Felix, Roman Baker, Louie Lang, Louie Drobnick, and Dan Young all encountered stiff opposition but proved to have the more endurance in their bouts. Felix fought an aggressive fight and kept his opponent on the defensive most of the way. Baker resorted to his old plodding style to start with, but increased the pace in the last round to have him worried. Drobnick successfully outpointed Chief Thunderbolt in the first and then forced the fight to gain the judges' applause. He had his opponent down twice in the last round for counts of one and two. Louie Lang proved too hard a puncher for Manny Boyd, the visitor's coach.

The closest fight of the evening was between Dan Young and Leonard Tucker. The fight was hard fought throughout and the judges awarded Young the victory.

A crowd of about six hundred attended the card.
