TENURE REPEAL RECONSIDERED

Bill Debated Pro And Con In Assembly

The Teachers' Tenure Repeal bill was debated in the Assembly at the last session. A majority of the members were opposed to it, none being in favor of it. This is the first time in Wisconsin's history that the Tenure of Teachers bill has been debated in the Assembly.

Further argued that it is bad for the state's taxpaying employers of Public Schools, because they have not purchased a single piece of real estate for teachers. In many cases, the school boards have not been continued.

The Teachers, therefore, believe that the Tenure bill should be repealed. They believe that the teachers should be protected in their jobs. They believe that the school boards should be given the authority to decide who should be employed as teachers.

The Teachers' Tenure Repeal bill was defeated in the Assembly by a vote of 50 to 30. It was finally defeated.

ANNUAL MALE CONCERT TONIGHT

Herrick Predicts New High In Placements; Best Prospects In Years

Mr. Herrick, a member of the Wisconsin State Board of Supervisors, attended the meeting of the Committee on School High Schools in Wisconsin. He is the principal of the University of Wisconsin. He is a member of the Board of Education of the University of Wisconsin.

He announced that this has been the first year in which the University of Wisconsin has been able to place all of its students in the schools which were recommended by the Committee on School High Schools. He further stated that the University of Wisconsin is now able to place all of its students in the schools which were recommended by the Committee on School High Schools.

Fifteen members of the tumbler Club are meeting Tuesdays at 4:00 P.M. to work on a demon- stration program which will run over 3 hours. The program will be presented at the annual meeting Saturday, April 11.

No Quarantine, But......

When a ship comes into port, she flies a yellow flag that speaks to the passage of a quarantine. In reality that is suspicion of harboring contagious disease. She cannot proceed until she is given clearby port doctors who go aboard and examine passengers and crew.

That quarantine—a maritime law strictly observed. Ashore we know quarantine as an enforced absence, and form regulations, but familiar enough with its placcards in red or yellow, posted at doors of homes where contagious diseases are known to exist. There is not one among us who does not respect the friendly warning they convey.

As yet, the one communicable disease which has taken more lives than any other is not quarantinable. That is tuberculosis. And Why? Chiefly because tuberculosis is a disease which, in its earliest stages, is unobserved, and is only discovered until it is an advanced stage. Tuberculosis once over, medical history records cannot be so unobtrusively that we rarely know when we ought to run up our red or yellow flags for yourself until you have clearance papers.

The Health Dept. of C.S.T.C. has been working on this and many other similar problems a long time before the Early Diagnosis Campaign was inaugurated. The yellow flag for this College is run only by those who are taking the chance. It is begun the beginning of the year, when T.B. tests were administered. However, the device of the yellow flag works in conjunction with the Wisconsin Anti-Tuberculosis Assn., the importance of which lies in the field of health education.

The Department also announces that students can still take the Wasserman Test any day between 10 and 12 A.M.

Mr. Timmerman and Miss Davis were the local Cubards, the plot—promoting trips hither and yon. (Of course, it does help to pay for the school books, but what was most noticeable was that Mr. Timmerman was being cloned by a local school. The latter was so clonably that it made the former look like a mother hen clomping around with a not ribbly checkboxes clamped on her arm by wearing to blow. The yellow flag for this College is run only by those who are taking the chance. It is begun the beginning of the year, when T.B. tests were administered. 5:00-6:00 Women's Badminton Tournament

WOMEN TAKE PART IN BADMINTON TOURNAMENT

Approximately 60 students are participating in the Women's Singles and the mixed doubles Badminton tournament being conducted by Miss Gormley.

Twenty winners are taking part in the Women's Singles tournament being conducted this week and the leading players will be entered in the Northwest College Legiate Badminton Tournament to be held at River Falls later in April.

J. Iolman, G. Melchior, M. Kolaja, M. Walsh, L. LaValle, L. Kinney, C. Rabbitt, and E. Thiesen have survived the first round and will play in the finals Thursday afternoon.

In the mixed doubles badminton, teams composed of L. McAvoy, W. Zilmer, Dornborn—Thiesen, Quandt—Pronz, Faulk—Walsh, Ruppel—Jenson, J. Holman—Eisen, Melchior were victorious in the first round and will also play final matches this week.

Fifteen members of the rumbling club are meeting Thursdays at 4 P.M. to work on a demonstration program for Play Day, May 13. Any girls wishing to join this group, still have time to do so.

"Burch-barks" CHARLIE BURCH

All-intra-club teams always get panned by someone but that All-Intra-Mural team really merits notice. When the West won back the spark plug of the Dizzy Dopes consolation winners, you have the necessary spark plug of his jocks hat. That was the year his opponent on that game he was forced to miss when he went to the bedside of his sick cousin. Sounds silly doesn’t it?

Spring has come! I’m sure we’ll have a baseball team again this year. How about intra-mural softball? The Fraternity series should be a dandy this year! There’s been a little fuel added to the fire within the past few weeks. There’ll be need for plenty of oil for these troubled waters.

Student managers, get back on the job! Spring football is about to commence and is an essential part of the athletic organization and you’ll be needed. Remember, there’ll be more trips next year.

A “Thought for This Week”

A man should be judged, not for his few mistakes, but for his many worthwhile accomplishments.

Win Six Of Nine in Tough Card

The Stevens Point bowling squad fought back last night after losing the first three bouts of the evening to win the next six straight bouts and clinch the Keshena Indians, six to three. At the start of the evening the visitors scored three wins in a row with a close nod over Richard Tucker.

Jack Taylor, Ben Kranzki, and Clarence Thom lost the first three bouts of the evening to their opponents but these were the only losses for Point. All of these boys put up good fights before giving up the nod. John Pila, Roman Baker, Louis Long, Louis Drobick, and Dan Young all encountered stiff opposition but proved to have the more endurance in their bouts. Felix fought an aggressive fight and kept his opponent on the defensive most of the way. Baker returned to his normal style to start with, but increased the pace in the last round to have him worried. Young successfully pointed Chief Thunders, bolt in the first and then forced the fight to gain the judges’ applause. He had his opponent down twice in the last round but counts of one and two. Louis Long proved too hard a puncher for Manny Boyd, the visitor’s coach.

The closest fight of the evening was between Dan Young and Leonard Tucker. The fight was hard fought throughout and the judges’ awarded Young the victory.

A crowd of about six hundred attended the card.
