Resignation Leaves Emery Place

The resignation of Doctor Collins leaves a vacant place on the staff of this college which will be impossible to fill. In addition to being a mathematical teacher ranking with the best, he brings to his classes an extensive knowledge of 2h infinite variety of subject, the keenest of observations on current problems, and a youthful outlook on all controversial issues. Too, he is a real human being, and he keeps this from us or his philosophy of life. His wit and good humor have been a great inspiration to all who have studied under him will ever forget his innumerable stories, has pointed out new and his individual manners.

As an athletic man, I feel particularly qualified to express what I think all others feel. It is with deepest regret that we leave him, we are happy and we live we shall never forget the work done under you. May your future work be as successful as that done here. There will always be a warm place in our hearts for you. We shall never forget you, "Doc."

Bohan, Bandow Lead 39-40 Athletic Teams

Dynamic Wingman Leads Next Year's Football Team
by JOE BLOOM

The gridironers of C. S. T. C. got together last Thursday evening and elected Fe Bohan to lead their escapades on the gridiron for next year. Bohan was a popular choice for the job. Ed Slotwinski was elected first year regular tackle for the past three seasons was the next closest choice, but Fe won by a substantial margin.

Three Year Veteran
Fe has played regular right end on the Point grid team for the past two years and played a good share of the time in his freshman year. Always a dependable work horse Fe was best when the going was toughest. As a defensive end his flanks was seldom rounded for any material gains by opponents and on offense he was a bear. As a pass catcher Fe could be relied upon to snatch one out of the stratosphere and pick up a few needed yards.

Great Leader
Although well versed in the mechanics of play Fe will be remembered by Pointer fans for his great fighting spirit on the gridiron. Always a battler, the boy from Chicago Heights was never willing to call it quits until the time's gun told him to. His aggressive play was a nucleus for some of the things that raised the Point eleven from a mediocre football team to an irresistible force.

Good Luck
All of the local fans should get behind next year's team and back it to the wall. There is plenty of good material for next year's squad and Stevens Point may once again find its way back to the top of the conference. Good luck Fe. We're all with you.

Tennis Tourney Is Being Organized

The intra-mural tennis tournament is being rounded into shape for the fellows in C. S. T. C. who are interested in tennis. The tournaments will be divided into two groups, one for those who think they are varsity competition and the other for those who are not. Both groups are interested in keeping their skills limber and are eagerly waiting for the opening day of play.

Chuck Heyer is the only new member in the Madison Blues lineup this season. This is one of the strongest entries.

VETERAN GUARD IS POPULAR CHOICE OF BASKETBALL SQUAD

By JOE BLOOM

Along the line of electing captains, the seniors had nothing to do but stand on the sidelines and allow the team to pick their leader for the 1939-40 season in the person of Art Bandow. Here again we have a good choice for a leader. Art was almost a unanimous choice to handle next year's laurels on the hard court.

Bandow is not new to Point fans for he represented Stevens Point High School in basketball for three years before entering C. S. T. C. In high school Art was captain of the team his senior year so that the driver's job is anything but strange to him. He was also selected as a first team conference guard in the Wisconsin valley, his senior year.

Bandow is one of the smoothest guards ever to play for C. S. T. C. in years. His ability to get the defense under his control was one of the high lights of C. S. T. C. basketball team for the past two years. Along with this he had an uncanny eye and a cool head. When the game was close and the crowd and other players were, in an uproar, Art's cool and heady generalship in the back court stood out. He worked in perfect unison with his combination and was as efficient at the end of the game as he was at the beginning.

Here again we must bid Bandow fair-few-y. He will have a good bunch of boys to lead and basketball title is not at all out of the question. As with Bohan we also say to Art. Good luck Art. We're all with you.
