OSBORN TO PRESENT MOVIE-LECTURE AT ASSEMBLY THURSDAY

"WORLD WANDERER" HAS LED COLORFUL LIFE OF TRAVEL

The "World Wanderer," Stanley Osborne, will thrill an audience in our college auditorium at ten o'clock on Thursday, October 17, with his lectures on "Africa Below the Equator," and "Australia and New Guinea," in color and motion pictures.

Born in Darwn, in the tropical north Australia, he was educated at Canterbury College, New Zealand. At the age of twenty he explored many of the mysterious sections of New Guinea, and in recent years collected specimens for Australasian Museums. In 1914 he left Australia with the Anzac contingent and took part in the tragic battles on the Gallipoli Peninsula. Later he served with distinction on the Western Front in France.

Mr. Osborne’s travels have taken him over five continents... he has run the gamut of South Sea romance and adventure... shipwrecked... marooned... the writing of his life story is as entrancing as that of any character conjured up by the great Conrad.

(Continued on page 5, col. 3)

College Calendar

Wednesday: October 16, 1940 7:30 P.M. Special Sigma Tau Delta meeting in Mr. Burrough’s room. 7:30 P.M. Men’s Glee Club Stag Party, Iverson Lodge. 7:30 P.M. W.A.A. Meeting, Game Room. All new members must be present.

Thursday: October 17, 1940 10:00 A.M. Travel talk by Stanley Osborne, World Wanderer. Illustrated with colored motion pictures. 7:30 P.M. College Theater. Membership Meeting, College Theater Office. 8:15 P.M. Intercollegiate Dancing, Training School Gym.

Saturday: October 19, 1940 7:30 P.M. Football game with Eau Claire State Teachers College at Eau Claire.

Monday: October 21, 1940 A lecture: "The Revolt of Youth." By Dr. E. M. Hemp, Teachers College Auditorium.

Polish War Benefit Program on Oct. 29

Tuesday, October 29, is the date selected for the local Polish program to be given in the College Auditorium celebrating Paderewski’s eightieth birthday. Mayor Blood is the general chairman of this civic program, the Polish Harvest Festival. These programs will be held throughout America as a benefit for the Paderewski fund to aid the Polish war refugees.

The program will open with a group of songs by the Mothers’ Choir, directed by Miss Dorothy Vetter, superintendent of music in the public schools of Stevens Point. Mr. Edward Plank will present two piano solos; "The Slow Movement" by Beethoven and "The Heroic" by Chopin from the famous motion picture "Moonlight Sonata." The college orchestra, under the direction of Mr. Peter J. Michelsen will play the Anzac contingent’s "Minuet" and "Kujawiak" a Mazurka by Wieniawski. Ger- ald Torkelson, bass soloist, will sing three selections; "The Lost Chord," "Three for Jack," and "God Give Us Men."" by Squire and "Polish Folk Dances" by the Polish Folk Club.

Football Win, Parties, Parade, Make Homecoming Most Successful in Years

Homecoming was a huge success. Most of all, O.C. was defeated by the score of 12-0. Beautiful fall weather accompanied it for the first time in about three years. Going out with a bang, Thursday morning, Miss Roach and Mr. Steiner set out to excite some school spirit. Highlight of the morning was the faculty’s rendition of "Hail to the Varsity" and "The Purple and the Gold.

Friday night the snake dance, led by a pep band, "Billy Eckhart, Junior Todd, and Doc Kutiza," set out at 6:30 in front of the school, progressed down Main Street to Illinois Avenue and up College Avenue to Fremont and down Clark to the Square. Tony Klein led cheers at the first and电工 who were in attendance.

Saturday morning the parade started at ten o’clock. Winners of the floats were: first, a tie between two groups who presented the same idea, a mock wedding of Victory and Stevens Point. The cup on which the winners names are engraved will be placed in the Girl’s Dormitory for the year. Nelson Hall and Omega Mu Chi were the joint winners.

The Phi Sigma Epsilon fraternity won the third prize using the political situation as their theme. An Alumni band, directed by Frederick Parfrey, displayed peppy enthusiasm during the parade and game in the afternoon. The Oshkosh band in their flashy gray and maroon uniforms joined the college band to furnish music during the game. At two o’clock the game with Oshkosh was played.

FOOTBALL WIN, PARTIES, PARADE, MAKE HOMECOMING MOST SUCCESSFUL IN YEARS

Homecoming was a huge success. Most of all, O.C. was defeated by the score of 12-0. Beautiful fall weather accompanied it for the first time in about three years. Going out with a bang, Thursday morning, Miss Roach and Mr. Steiner set out to excite some school spirit. Highlight of the morning was the faculty’s rendition of "Hail to the Varsity" and "The Purple and the Gold.

Friday night the snake dance, led by a pep band, "Billy Eckhart, Junior Todd, and Doc Kutiza," set out at 6:35 in front of the school, progressed down Main Street to Illinois Avenue and up College Avenue to Fremont and down Clark to the Square. Tony Klein led cheers at the first and电工 who were in attendance.

Saturday morning the parade started at ten o’clock. Winners of the floats were: first, a tie between two groups who presented the same idea, a mock wedding of Victory and Stevens Point. The cup on which the winners names are engraved will be placed in the Girl’s Dormitory for the year. Nelson Hall and Omega Mu Chi were the joint winners.

The second prize was given to W.A.A. who had a huge American flag made of red, white, and blue crepe paper. The Phi Sigma Epsilon fraternity won the third prize using the political situation as their theme. An Alumni band, directed by Frederick Parfrey, displayed peppy enthusiasm during the parade and game in the afternoon. The Oshkosh band in their flashy gray and maroon uniforms joined the college band to furnish music during the game. At two o’clock the game with Oshkosh was played.

Registration at the Pointer table (Continued on page 5, col. 3)

Notice!!

All who major or minor in English must keep a cumulative record of credits in their field of concentration. Will each student call for his transcript in room 207 and record the work taken last semester.

Mr. L. M. Burroughs Chairman of English Dep’t
WINTER OUTLOOK

With the coming of cold weather and snow in a few short weeks, Americans will have taken to their firesides to begin another long winter’s siege. Perhaps no fall season in America’s history has seen so many important events cast dark shadows upon this democracy of ours. Perhaps no winter in America’s history will have felt the effects of those shadows as much as this one will. It is a sinister season ahead of us—with sinister problems to be ironed out.

Today, October 16, 1940, marks the first step toward the triumph of the growing seeds of totalitarianism in America. Today millions of young men all over the country registered under the requirement of the first peace time conscription law in the nation’s history. Passed as an emergency measure, the draft law appears in the eyes of wide awake Americans to be the BEGINNING OF THE PERMANENT CONSCRIPTION OF AMERICA. Whether we wish to admit it or not, the fact remains that armies ARE NOT FORMED FOR PEACE. It is quite evident that the Administration’s zeal to have the right to send troops outside of our country without declaration of war will blossom out in imperialistic adventure sooner or later. What effect the election in November will have we don’t know. But of one thing we are certain. The national “defense” program would continue with full force under a Republican leadership the same as it has under a Democratic leadership.

The turn of world events since the first part of August has left us in a mental stupor. We are threatened by the Nazis to the East and South, and the Japanese to the West. Whether or not these threats mean anything to the average American is hard to determine, but we must concede truth in the belief that the Axis powers aren’t fooling. They are in a position to dictate to the United States, and so far they have taken advantage of every break.

Just what is our position on the American continent? Speaking geographically, we comprise but 25 per cent of the total land area of the western hemisphere. Canada and the British possessions take in 25 per cent. Brazil amounts to 21 per cent, the French, Danish and Dutch possessions include a little over 1 per cent. The 19 remaining republics take care of the other 30 per cent. Will we admit our designs on South America territory because of Germany’s position in the present conflict and send military forces down there when the “time is ripe”? Will we take Pan-American solidarity into our own hands and carry the stars and stripes down to our Southern neighbors?

ROOSEVELT . . . THE ANSWER

America’s Dairyland (that’s us), and good advertising too; besides, it doesn’t cost much. And lots of the states are catching on. Anyway, our license plates for 1941 have black letters on a yellow background. There you are, forty-nine different automobile license plates, excluding trucks, WPA, etc., etc., etc., etc. You didn’t forget our nation’s capital? And do you know what they have on their plates? “District of Columbia”... Texas has a lone star instead of a dash between the serial numbers, and one of our Union states, the Georgia Peach... Guess which? ... Nebraska pictures the state capitol and further west is “Scenic Idaho”... A bucking bronco is Wyoming. (Continued on page 6, col. 2)

It seems quite evident that the winter will unfold strange answers to some of these questions. We shall wait and watch with anxiousness the advent of 1941. The current year has seen so much in the way of discord in our world order, what will the first months of 1941 bring?
HOMECOMING FETES

TAU GAM BANQUET

The Tau Gamma Beta Homecoming Banquet was held Saturday evening, at 6:30 in the main dining room of the campus.

The T-shaped table was decorated with several dishes of rose and white baby mums and larkspur of delphinium blushing damask roses of smi-

lax, and tall ivory tapers.

Over sixty guests were present at the reunion of alumni and active members. Miss Margaret Johnson, president of the sorority, presided at the banquet. Mrs. Cutnaw and Miss Meston, the new faculty advisors, and Helen Weber, president of the Alumni Association, gave short after-dinner speeches.

A solo, "Bird Songs At Eventide", was sung by Miss Gertrude Rondeau, accompanied on the harp by Miss Ula Mae Knutson. The sorority songs were sung at the beginning and end of the dinner, Irene Hite Thompson, composer of the songs, played them.

** **

SIGMA ZETA LUNCHEON

The largest of all past alumni turn-outs appeared at the annual homecoming luncheon of Sigma Zeta. A total of 42 guests, representing the classes of 1936, 1937, 1938, and 1939, attended the event. Attendees enjoyed a special luncheon at the Home Economics Parlors of the Alumni Association, with guests treated to a sumptuous meal served by the students. Attendees included students from both the Sigma Kappa and Delta Pi sororities, as well as members of the Tau Gamma Beta and Phi Mu sororities. The luncheon was hosted by Miss Linda Hite, president of the Alumni Association, who welcomed the guests and addressed the assembled alumni. Attendees also enjoyed a special selection of beverages and appetizers, including a variety of cocktails and hors d'oeuvres.

During the past year, Sigma Zeta has continued to expand its membership and expand its involvement in campus activities. The sorority has welcomed new members, including one alumna who returned to the university for the first time since graduating. The alumna expressed her excitement and gratitude for the opportunity to reconnect with the university and its community.

Sigma Zeta has also continued to support charitable causes and community service projects. The sorority has donated funds to various local organizations and has organized events to support important causes. The alumna expressed her commitment to continuing these efforts and to promoting the values of Sigma Zeta in the future.

At the luncheon, the alumna delivered a brief address expressing her gratitude for the support and guidance she received from Sigma Zeta during her time at the university. She emphasized the importance of the sorority in her life and expressed her commitment to continuing the legacy of Sigma Zeta for future generations.

The luncheon concluded with a special presentation to the alumna, including a commemorative plaque and a gift bag containing representative items from the university's alumni association. The alumna was deeply touched by the gesture and expressed her appreciation for the recognition.

In conclusion, the annual homecoming luncheon of Sigma Zeta was a meaningful event that brought together alumni and current students, allowing them to reconnect and celebrate the legacy of Sigma Zeta. The event was a testament to the enduring nature of the sorority and its commitment to excellence and service.

Kotal Gridders In
Fine Shape For
Close Battle

Light signal drill was the extent of the workout for C.S.T.C. grid- ders on the Monday following their coming home the week before Oshkosh Teachers. Despite the fact that his gridders were in good shape, Coach Kotal was satisfied with a light practice. He has fully reacted upon his boys that the nearness of the Eau Claire tilt will necessitate some conscientious work in little time remaining before that contest. Although the outcome will not affect the Conference standings, it will never-the-less be important that the Pointers win if they desire to maintain their fine record to date.

Having lost to St. Cloud, Superior, and Malacosta, and having tied Wisconsin, the Pointers and Gold Raiders of Eau Claire will be a very determined host. Their attack centers around Schafer, Hoeppner, and Sequin, and tend to be a nervy display. So far they have been generally outweighed in their battles, but this week will find them meeting a team about equal to them as concerns the avoidance ratio.

Their line will conform to the following:

Ends - Sequin and Hoeppner, Tackles - Arneberg and Mattek; Guards, Brauer and Griswold, Center, Cooke; Backs, Schafer, Kolstad, and Keough.

THE LOCKER ROOM

by Jimmy Kaldes & Jimmy Haunt

The pep festivities which were held Friday night prior to the games were the best that have been held here at C.S.T.C. for a long time. The pep rally held in the training school was quite perfect. The same dance was a huge success. It went from the college, down and back without being broken. The biggest attribute in it followed the dance and didn't attempt to form lines of their own. Most of the cheerleaders from the office and on the public square was marvellous. The students gave all they had to back up the large crowd which had gathered to watch the proceedings. The Pointers are planning to take 45 minutes out of the Boston Bears of the American Professional League. The Bears have won three straight games after dropping their opener to Buffalo. The Pointers haven't won the basketball championship since 1936. They were the class of the league in 1957 & 58 but they had to forfeit all the games won because the other coaches at the conference claimed that some of the Pointers men had played half with non-school teams during the regular season. The "36 season was the toughest to take when Fred Ninn wasn't allowed to play any more because of outside participation. The Purple and Gold Basketers had won fourteen straight games and were headed toward an undefeated season when this happened. C.S.T.C.'s undefeated basketball team of 1932 defeated the University of Wisconsin 29-26. Last week we predicted 18 right, 4 wrong and one tie. Here are our predictions for Saturday's Games.

Big Ten
Michigan 20 Illinois 11
Northwestern 20 Wisconsin 10
Minnesota 14 Ohio State 13
Iowa 21 Indiana 15

Middle West
Central State Teachers 21 Eau Claire 12
Notre Dame 26 Carnegie Tech 7

Nebraska 14 Kansas 9
Michigan State 20 Temple 0
Missouri 16 Kansas State 9
Notre Dame 28 Creighton 14
Whiteout 14 Milwaukee 13
River Falls 19 Stout 7
East
Cornell 32 Syracuse 14
Penn 14 Princeton 13
Fordham 20 Pittsburgh 14

The W.A.A. will hold its second meeting on October 16 at 7:30 P.M. in the game room. All new girls who want to join are to be there at that time. Remember your dues, old members!

The organization of a women's bowling league is being considered. Charlotte Reichel is in charge and anyone who is interested will please sign up on the W.A.A. bulletin board. It should be a lot of healthful fun for you women students. It would probably take the kinks out of your legs and backs. Watch the bulletin board for an announcement; a meeting will be held next week.

Pat Carver is still at the top of the Ping Pong ladder tournament. How about challenging her and taking her place, if you can.

Be sure to come out again for informal dancing Thursday, October 17 at 8:15 P.M. It's really fun. Ask somebody who goes if you don't believe it. Don't forget your activity tickets.

We would like to have some real competition in field hockey, but that's impossible unless we have some more people out for it. The only thing that keeps us away is rain. Hot or cold we play hockey. Basketball and baseball will be starting soon. Start planning on coming out for both; they are great sports.

The sport heads for the coming season are as follows:

Field Hockey -------- Elaine Johnson
Archery --------- Mary L. Butter
Basketball ------- Mary K. Greer
Volleyball ----- Jeannette Halvorson
Badminton -------- Florence Theisen
Tumbling ---- June Wallace
Softball ------------ Virginia Lunugren
Ping Pong - Marjorie M. Nelson
Tennis ------------ Jean Meydam

Pointers Score Homecoming
Win Over Oshkosh, 12-0

Fritsch Kicks Two Goals; Koehn Scores

The C.S.T.C. Pointers won their first homecoming game in six years when they defeated their tech-rivals, the Oshkosh Titans 12-0, before the largest crowd to witness a game at Shimeckel field in recent years.

The Purple and Gold gridders looked good in securing their second conference victory. They made 15 first downs to Oshkosh's 8. The Titans made only two first downs by rushing. Ted Fritsch was the outstanding player of the game with his two field goals and in blocking out two men on Frankie Koehn's touchdown punt.

The Kotalmen went to work and scored a touchdown in four plays after they received the opening kickoff, but it was nullified because of an offside penalty. The discarded touchdown was scored after three straight first downs brought the ball to the Oshkosh 33 yard line. Poduszny dropped back and hurled a pass to Fritsch who, with the aid of a beautiful block by Carnahan, scored un molested.

The first score came when the Pointers matched two first downs, the next time they took the ball on an exchange of kicks. When Oshkosh held them on the 15 yard line Fritsch dropped back to the 25 and kicked a perfect field goal with Carnahan holding the ball.

Early in the second quarter Poduszny, Koehn and Fritsch alternating in carrying the pigskin, brought it from their own 25 yard line to the Oshkosh 19. At this point the attack failed to materialize in three plays and on the fourth down Fritsch dropped back to the 29 yard marker and again kicked a perfect field goal.

The final scoring for the afternoon occurred midway through the second quarter when the Kotal gridders scored on a sustained drive from their own 30 yard line. Koehn, Peterson, and Fritsch were instrumental in bringing the ball to the four yard line, where Koehn with the aid of good blocking, went around his left end and scored the only touchdown of the game.

command of a program conceived and moulded into action by President Roosevelt? As to the matter of foreign policy, there does not appear to be any existing issue. There is no issue because the Republican candidate is an acknowledged disciple of the President in the matter of foreign policy. In all fairness it must be said that neither the Republican party nor the Democratic party wants war. Both want peace with full preparedness. However, it takes more than merely being a successful business executive to be a good president. A president should be more than a leader of a political party; more than the commander and chief of our armed forces. He should be the living symbol of this—a great nation, with its hopes, its aspirations, its ideals and its destiny! Roosevelt is the best answer!

Walter Jacobson

POLISH WAR BENEFIT PROGRAM ON OCT. 21

(Continued from page 1, col. 2)

Dancers, organized by Mrs. Adam Bartosz, will present two numbers; a mazurka, a dance of the nobles; and a kakovik, a peasant dance. Members of the troupe, who will be dressed in colorful Polish costumes are: Joseph Bartkowiak, G. Pershing Sappenfield, Norbert Worzalla, Vincent B. Kroll, Eugene Majewski, Robert Kostka Jr., Jeanette Jablonski, Jane Krygier, Gladys Kedrowicz, Eleanor Seosong, Helen Getkowski, and Helen Krygier. Miss Bernice Friday will be the piano accompanist, and Dominick Slusarz will play the accordion.

coming's trade-mark, and New Mexico is the "Land of Enchantment". Montana goes geographic with the map of the state on the plate—and so does Penn. and Tenn. Pennsylvania licenses have PA before the number. Across the hall in New Jersey it's possible to have your license plates initialed... There's something about that personal touch. Incidentally, ten states have initials included in the serial number. Arizona advertizes the Grand Canyon and Maine is known as the "Vacation Land". Me. also has the shortest license plate. Delaware and Maryland announce that the licenses expire March 31, 1942. How do we know? We read the Saturday Evening Post... We'll read the cover.

If anyone can figure out what is at the bottom of the Arkansas plate, please notify us... We're curious.
