IRIS STAFF ANNOUNCED BY EDITOR ACKERMAN

Plans are underway for the composition and publication of the 1941 Iris. Editor Jack Ackerman has announced the nearly completed staff. It is as follows:

Business Manager: Joyce Larsen
Personnel: John Ziehrke
Athletics: D. B. Begnal, Jim Hanish, John Kennedy, Beverly Murty, Myrna Cameron
Organizations: Bud Mendel
Departmental: Isla Mae Wood
Religious Organizations: Viola Gercke
Honorary Societies: Evelyn Murgatroyd
Social: Eileen Rose
Musical: Lilian Bie
Credentials: Carmelita Wirks
Faculty: Gailey Chappin
Seniors: Linda Born
Crowd: Pierce Bartos, Arleen Huntoon, Evelyn Hillers
Layout: Charlotte Reichel, Bob Malecki
Social: Ilene Rose

NEWMAN CLUB BEGINS FALL ACTIVITIES

Miss Roach, faculty advisor for the Newman Club, has announced that the first meeting will be held Thursday night at 7:30 o’clock in the Newman Assembly Hall. An urgent invitation is extended to all Catholic students who have not allied themselves with this organization which exists for them. The members are especially anxious to welcome freshmen to this meeting. The objectives of the organization will be presented and the general plan for the year’s activity will be outlined.

This will be a fine opportunity to get the information one will want to help toward a decision of becoming a member’, states Miss Roach. ‘It is well for Christian students to take a little inventory now and then to discover how much they devote to becoming better informed and more practical Christians. This is a pleasant and profitable method of adding to that percentage.”

In the September issue of the “Torch”, Rev. Francis N. Wendell of New York, made a strong appeal to parents and guardians of young men and women who attend non-sectarian schools, to see that they enroll in Newman Clubs. Father Wendell advises, “Before Jim goes to college or Joan joins Kappa Phi, recommend that they join an organization where they will get some religious training and instruction. The good work being done by the Newman Clubs in this country is truly marvelous.”

Assembly Programs For This Year Announced

The first assembly program of the year will be held in the college auditorium on September 30 at 8:15 in the Newman Assembly Hall with the finest ever to be presented here. Available for the first time for con- tent, Hans Large, with his sixteen feature players from the Chicago Symphony Orchestra, assures the music lovers of the college and the city a thrill of the kind heard but rarely in a lifetime of concert-going.

He has often thrilled New York and Chicago music lovers, and now others may hear the greatest in small orchestra music, played by one of the finest of musicians and conducted by one of the finest conductors.

The New York Times proclaimed the concert a triumph.

The New York Sun wrote: “The entire concert was an occasion for congratulation. Mr. Large’s skill for his artistic judgement and admirable conducting, to the orchestra for its excellent performance, and to the public for the introduction of something which ought to refresh its added spirit and furnish it with enjoyment serene and lovely, filled with peace and recreation of the spirit.”

The New York Journal proclaimed that they made music the perfect thing that it should be.

And thus did others of the nation’s most discriminating critics applaud the concert which the Little (Continued on page 6, col. 2)

Centralized National Economy for the U. S.?
When we speak in terms of economics, we think we have struck the magic word which explains the causes behind the European war. We have argued the fallacy of the Versailles Treaty with such vehemence that some of us have come to disregard the other factors entirely. Others of us refuse to accept the economic argument as an important issue, and force ourselves to conform to our so-called "philosophic ideals."

Perhaps we ought to disregard both extremities and observe the facts squarely. Whatever the outcome of our calculations, we cannot escape the presence of economics as the major factor.

We accuse the German people of being the victims of economic regeneration, and emphatically denounce all forms of it. Yet in the same breath we speak indirectly of our own regimentation every day. Our system of mass-production ushered in the economic regimentation of our people years ago. "It is nothing new to us.

The Ford Company, General Motors, and scores of other large industrial corporations control indirectly, and in some cases directly, the lives of millions of our population. Yet we do not think of that as being a "wrong" condition—we accept it as part of our 'American way' of life.

What we fail to see, I think, is the trend toward centralized industry which is the real force behind the economic regimentation of the Third Reich today. In effect, we are drifting toward this very same system in order to meet the demands of the National Defense Board. Economists declare America to be face to face with the brutal fact that the economic system which has supported it, no longer functions efficiently, and as originally conceived, no longer continues to exist. In explaining it further, they go on to say that democracy cannot be retained where the national economy is under centralized control. In the past, the "free market" has been argued to be the more important of the two, but in the economy of centralized control looms the military aspect—the Nazi challenge to democracy.

Will we be able to meet that challenge, or will we have to resort to the challenger's own methods to beat him at his own game? The former sounds insecure; the latter would be tragedy. Only time will give us the answer.

Round 'Um About
The Viking lover used to grab a gal and ship her home with the old man of the hills. Today that's called kidnaping. What's the diff—add em up and you get 59 years both ways.

In the October showings, Doris Soderberg still belongs to the Phi Sigs. Make that singular. St. Senor?

The public debt as of September 16, $46,041,821,728.53. When all else fails, they might try passing the gas.

When Kay Metcalf says she's sorry and that she's got an awful lot of school work—she is sincere about it.

Upperclassmen take note: There is a freshman loose on the campus whose been breaking all previous records. In fact, since he hit these parts he has fallen head over heels in love andplaitedof childhood sweetheart. "Cuz" why? "Cuz," cause he's just that kind of a guy.

Joyce Sullivan became Mrs. Norman Benson in August. Gordon Cowles and Betty Pederson took the 'step' this summer too.

Rabinson will continue in the Hunter Wenchell style with apologies to the same: What editor of what Iris has been seen several times with the same flatterist—namely B. Johnson?

Here's a hint—each week he inspires his audience over W.L.B.L. Reports are favorable—he now boasts THREE listeners.

The Christmas concert given by the I.C.S.T.C.C.A.A. flying school—Ralph is generally known to be old friend, Janet Pogemiller, and Glee Clubs, or orchestra, and Mixed Choir. Joined in Norm in singing around the "Great Year's Service." A very good student, Alton McCormick, had been accepted since September 16. Some of the flying cadets at Randolph are also members of the N.Y.A. committee with Dr. Reppe as chairman.

MICHELS ANNOUNCES PLANS FOR THIS YEAR

(Continued from page 1, col. 2)

Christmas benefit fund. December 18 and 19 are the dates chosen for the Christmas concert given by the Choral Union and Mixed Chorus under the direction of Dr. Reppe. On February 14 the band clinic will meet here at which time the bands will play the state and although there are no numbers for the band masters.

The band will make a week-end trip starting March 16. March 24 is the date of the home band concert and April 18, the music festival. As another part of the music program of this year, Mr. Michelsten stated that the band will be made up in Washington to be used by the Columbia Broadcasting System for national broadcast; and for the states wide series of music programs for Wisconsin.

GYM ANTICS

The event of the week, girls—the W.A.A. picnic on Wednesday, September 25, at 4:30 P.M. Nelson Hall is the meeting place and the tax is five cents. Surely this is a free fee in comparison to the fun you will have and the new girls you'll meet. Let's see all of you there.

Oh, yes! These Thursday night "hops" look as though they're going to be a success, if we are to judge by the first one. Over 200 people came and actually danced the whole evening. The Phi Sig orchestra even honored us with its presence, and was the music keen! The only request to be made is that you bring along your activity tickets in addition to five cents. You know, after all, it is really no place for a kindergartner.

Two very peppy new cheerleaders have been discovered to lead out yells for the coming season. They are Billie Eichorn of Wisconsin Rapids and June Todd of Stevens Point. They are really rarin' to go, so don't disappoint them in the least, but support your team through a successful season.

The ping pong ladder tournament is still swing and by the looks on the faces of the participants there are quite a number who are determined to gain the championship title.

All you gals interested in field hockey be sure to show up on Tuesdays and Thursdays at five o'clock for practice. It is a great game and you will all go for it in a big way. A list is up for all girls interested in becoming members of the W.A.A. You may sign any time, and be sure to attend the meeting on October 16.

FROM THE LOCKER ROOM
by Jimmy Kulidas & Jimmy Hautg

Bud Menzel played every minute of the nine game schedule Park Falls High had during his senior year. Louis Postlaxx once kicked a 100 yard punt during an important semi-pro football game. The ball was on the one yard line and Lou kicked from the end zone. The kick was a spiral, which travelled 80 yards in the air and rolled the additional yards over the end zone. Lne Van Dyke played an exceptional game at end Saturday. He was in Stout's backfield all afternoon. Van played during his high school days but shifted to half back when he enrolled here. This year, because of the abundance of shifty backs, he went back to his old position and with not doubt he stepped into a spot where he is more beneficial to the team... Duerck, last year's quarterback who is now teaching at Dunn County Agricultural School in Menominee, gave the team a hearty welcome Saturday. Jim served as a linesman during the game. Incidentally he was barred from Pratt's practices held during the week preceding our game... Roy Otto, our co-captain, received the thrill of his life when he scored a touchdown against Stout. Otto, who plays tackle, was automatically eligible to receive a pass when the line shifted to the left and he left holding down an end position. He ran down the field, outran the second string, took Campi and scored, un molested. Basketball practice has started. Captain Pete Terenzjki, Jim Bagnell, Ray Warren, Henry Postl, Gordon Lewis, Ray Terenzjki and a few unidentified boys are working out daily.

Ray Warren and Ray Terenzjki were members of the Rhinelander championship team last year. Stout, by its 9-0 victory over Carroll establishes itself as the team to be beaten in the Conference this year. The Green Gulls started the same lineup that won the championship last year... In Postlaxx, Koehn and Peterson, the Pointers have three boys who are liable to break away for a long run any time. They are potential scorers every time they carry the ball. All three of these boys have a tricky stop-and-go style which is baffling to the opposition... Fred Dubbe, the boy who beat the Pointers last year with a field goal in the last five seconds of play, will again be in the River Falls lineup. Fred kicked a field goal against Gustavus Adolphus last Saturday for the Falcons, only score... Felix Bohan and Warren Becker, "39" and "34" captains respectively, were released by the Milwaukee Chiefs to the Boson Braves of the same league. Both are holding first string positions. Here are our predictions for Saturday's game. St. Norberts over South Dakota State in a very close battle; Colgate over Akron; Hobart over Amherst; Duquesne over Wayneus, Gustavus Adolphus over Stout, Milwaukee over Lake Forest; Ohio University over Northland; Washington over Minnesota; Illinois Wesleyan over Carroll; Whitewater over DePauw; Calumet over V. M. I; Detroit over Wayne; Purdue over Butler; Illinois Normal over Platteville and U. S. C. over Washington State... Adios.

RIVER FALLS HERE
IN GAME SATURDAY
Saturday, September 28, will find local townspeople and college students casting a critical eye upon Eddie Kotal's gridders for the first time this season. The competition is to be furnished by a veteran "River Falls" team. The Pointers are fresh from a victory over Stout, while the Falcons are recovering from a decided 20 to 0 thrashing at the hands of a big rugged Gustavus Adolphus squad.

Word from River Falls has it that the Falcons are an almost entirely veteran squad. They will be led by left tackle and captain, Fred Dubbe, a husky veteran of three years service. Other veterans and their positions are as follows: ends, Schmidt and White; tackles, Dobbernstein and Dubbe; guards, Rivard and Schuleburg; back, Peterson, Press, Trecker, Thompson, Deiss, and Kroeger.

Without doubt the Falcons team will be out to avenge its earlier defeat and it goes without saying that the Pointers are going to do their darndest to stay in the win column. Then too, the Point team will be out to avenge a 10 to 7 defeat at the hands of the Northern Divisioners last fall.

The probable line for Central is as follows: ends, Anderson and Van Dyke; tackles, co-cap's Dorsha and Otto; guards, either Reading or Rades and Goodrich; center, Purr; halfbacks, R. Peterson and Postlaxx; fullback, Fritsch, and quarterback, Carnahan.

4
Pointers Win Opener From Stout By 20-0

Promise Speed And Power For Conference Schedule

The Purple and Gold gridders opened the 1940 season with a decisive victory over a hard charging Stout eleven.

The Kotal men scored a touchdown in the first, second and third quarters. Two by passes and the third by power plays.

Outstanding for the Pointers were Peterson, Possluszny, Koehl, Carnahan, Menzel, Young, Van Dyke, Goodrich, Dorsha and Otto. Carnahan did an exceptionally good job directing the team. Goodrich and Van Dyke played very well in the line considering that they are former backfield men. Jimmy Hanig was the only casualty of the game. He hurt his shoulder in the second quarter. Outstanding for Stout were Colbreese, Schlie, and Walker.

Kotal Polls Fifth In Tribune Vote For All-Star Coach

Hats off to Coach Eddie L. Kotal. In the annual All-Star Coaches’ Poll conducted by the Chicago Tribune the C.S.T.C. professor of gridology received 122,850 first place votes; 4,201 second place votes; and 3,537 third place votes; finishing in fifth place in the middle west division with a total of 380,489 points. The poll was divided into five divisions: Middle West, Western Conference, East, South, and Far West. The coach that received the largest amount of points in his respective division was elected and the coach who had the largest amount of all became the head coach. The first place votes counted three points, the second counted two points and the third counted one point. Dr. Eddie Anderson of the University of Iowa was elected head coach and the other coaches were Don Faurot, Missouri; Red. Dawson, Tulane; Buck Shaw, Santa Clara and Tad Wieman of Princeton.

ORGANIZATIONS

COLLEGE THEATER

The first meeting of the College Theater was held Thursday evening, September 19, with nineteen of its twenty-one members present.

The members elected the following officers for the first semester: President ........ ........ Earle Siebert Production Manager ........ ........ Donald Krider Treasurer ........ ........ Mervile Meverden Secretary ........ ........ Lillian Boo

It was announced at the meeting that all members wishing to direct one-act plays should meet the Board of Directors at 2:00 P.M., Monday, September 23, in the Theater office. Although this first meeting was called only for the members, many freshmen aspiring dramatic achievement, showed up. With such a display of enthusiasm, it is obvious that the call for talent for the coming year will be well answered.

* * *

GRAMMER ROUND TABLE

Grammar Round Table held its first meeting of the year Monday evening, September 23, in Mr. Watson’s room. Miss Rita Novitski, the new president, presided and the other officers elected last spring assumed their duties. Mr. Watson gave a short talk in which he called attention to the importance of filling the requirements listed in the catalog, and explained some of the fundamental problems confronting students in the Grammar Division. Miss Hanson added a few words of advice and welcomed the new students.

Plans were discussed and a committee composed of Evelyn Murga­

Mid .;hman; Rolli e McManners, Chester Kaege, Pat Cover, Diana Kampe, and Mary Louise Butter were appointed for the Homecoming float.

EPISCOPALIANS

Episcopal College Students, under the auspices of the Church of the Intercession, have begun their regular meeting on Sunday evening, at 6:30 P.M. in the parish parlors, 218 Church St. Miss Lulu M. Man­

sur, librarian, and Miss Susan E. Colman, of the faculty, are sponsors of the group The Reo. Edward C. Lewis, rector of the parish, with priests from the neighboring cities, will assist in a program of instruction.

COMING PROGRAMS
The first radio program of the year will be broadcast Thursday, September 26 at 2:30, when the Central State Broadcasting Service will present "Seeing the Americas". This is a series of Travelogs suitable for use in Grades 7 & 8 by pupils and teachers. It will be adapted by the narrator, Miss Gertie L. Hanson, and announced and produced by J. D. Colby.

The following programs will be broadcast every Thursday throughout the course of the year:

- Sept. 26 Gateway Between the East and the West—Panama
- Oct. 3 South of the Border—Mexico
- Oct. 10 Queen of the Antilles—Cuba
- Oct. 17 Plantation Island—Porto Rico
- Oct. 24 Colonial West Indies—Bahamas
- Oct. 31 Biggest Little Man of the Earth—Bermuda
- Nov. 7 Acadian Land—New Scotia
- Nov. 14 Emerald Isle of America—Dublin, Ireland
- Dec. 5 Old French Province—Quebec
- Dec. 12 The Garden of Canada—Ontario
- Jan. 9 Heart of the Wheat Belt—Saskatchewan
- Jan. 16 Lake Louise Region—Banff
- Jan. 23 America’s Outpost—Alaska

it was announced by Mr. Colby.

This is an excellent opportunity for anyone who is interested in obtaining some valuable radio experience.

Three or four new operators can be used for college broadcasts, football broadcasts, and recording work. Interviews can be made with Mr. Colby at his office in the radio workshop any morning at eleven o’clock.

Announcers for the football broadcasts will be determined on a competitive basis. There is a chance that one or two students will be used for the broadcast of Saturday’s game with River Falls.

HANS LANGE TO APPEAR HERE
(Continued from page 1, col. 4)

Symphony Orchestra will present on Monday evening. Students (with their activity tickets) and faculty must secure tickets for this concert on or before September 26th at the Information Desk. Outside admission is 40c.

Fourteen equally attractive programs will follow this one. They will be scattered throughout the school year, one coming each month, and may be heard at the regular assembly hour, 10:00 A.M., on Thursdays. The last program of the series will be given May 1, 1940.

The following is a brief resume of the coming attractions:

- An outstanding travel talk by Stanley Osborne, self-styled "World Wanderer", illustrated with colored motion pictures; a fascinating lecture on Maritime New England, also with colored motion pictures; the world famous Fraunfeder Family from the High Alps, known as the only Four Part Yodelers traveling in the United States; a stage play, "Modern Daughters", presented by Ethel Salisbury Hanley, featuring an all-girl cast (Miss Hanley presented a Marionette Show here last fall, "Snow White and the Seven Dwarfs"); a musical variety program by the Meoldears, three talented people who sing and play on the harp, violin, banjo, guitar, piano, and marimabone, presenting both classics and swing in the form of solos and duets; a talk on "The Value of a Hobby" by Edwin A. Rowlands, telling how his auto-
