

## GIVE FINAL CONCERT TONIGHT

### TAU GAM FORMAL SATURDAY

### Meverden Speaks At National Conclave

Merville Meverden, a C.S.T.C. science major, was one of the student speakers at the National Sigma Zeta conclave held last week-end in Westerville, Ohio. In his talk, "Science and Man," Meverden pointed out several failings of our modern scientific life. He urged scientists of today and tomorrow not to rest upon past laurels, but to keep ever alert and progressive.

#### Features of Convention

At the conclave, Friday and Saturday mornings were taken up with business meetings and talks. On Friday afternoon trips were made to the Battelle Memorial Institute, Zoo, and the Ohio Historical and Archaeological Museum in Columbus, Ohio. Also a trip was made to Perkins Astronomical observatory in Delaware, Ohio. A banquet, followed by a dance, was held Friday night.

#### Representatives From C.S.T.C.

Robert Burkman, Merville Meverden, Grace Winarski, Gerald Thusing, Floyd Nixon, Helen Johnson, Marie Eisenhammer, Harry Sheski, and Mr. Faust represented the local chapter. Mr. Rogers, the National Grand Recorder-Treasurer, was unable to make the trip due to illness and the doctor's orders to stay home. His place was filled in by Mr. Faust who also holds the National Office of Grand Editor. Both Mr. Faust and Mr. Rogers were re-elected to their national offices for another year.

#### NOTICE!

Whoever is interested in applying for the position of Business Manager or Editor of the Iris, see Mr. Rogers soon.

### Prom Tickets On Sale Now

Advance sale of tickets for the Junior Prom will begin Monday, April 28, Bob Becker, chairman announced, tickets at the advanced price of \$1.50 will be obtainable from Gene Harrington at the College Club, Clarence Solberg at the Eat Shop, and Katherine Piehl at Nelson Hall. The price after the noon of May 10, will be \$2.00.

### "Flight" To Be Issued Monday

FLIGHT, Sigma Tau Delta literary publication will be issued Monday afternoon, Mary Anne Lochner announced today. This year, FLIGHT will be dedicated to Walter Jacobson, who died during the school year. As in former years, the publication will be comprised of contributions of members of the student body and also the night school students. Poems, short stories, book reports, and narratives have been selected.

### Women's Concert Held At Marshfield

The Girls' Glee Club presented another of its concerts at the Presbyterian Church at Marshfield Sunday, April 20, at 8 o'clock.

The program consisted of three groups of songs composed of four numbers each, with special numbers by the girl's trio consisting of Ruth Lindsay, Gertrude Rondeau, and Charlotte Reichel; Betty Johnson contributed a flute solo, and Dorothy Jane Raddant played a marimba solo, Leota Brandt and LaRae Winch each directed a number on the program.

Mr. and Mrs. Winch were hosts at the dinner for the girls before the concert.

### Primaries To Hold Luncheon

The annual Primary Homecoming luncheon will be held at 1:00 Saturday, April 26, at Hotel Whiting. Many alumnae are expected to be present, besides the members now enrolled in the primary department.

Dr. Dorothy McDonald, the guest speaker, is the advisory physician in School Health Education, Bureau of Maternal and Child Health at Madison.

### Nugent To Play For Sorority Dance

Tau Gamma Beta ushers in the post-Lenten social whirl with its annual dinner-dance, to be held April 26 at the Hotel Whiting. A large crowd is anticipated. Many alumnae already have expressed their intentions of attending the formal.

Johnny Nugent and his nine piece orchestra has been selected. The band features a girl vocalist, and from all reports, she's grand. His orchestra will come here from Milwaukee where it plays for the Marquette Prom, Friday, April 25.

President La Rae Winch will preside and act as toastmistress. Among the guests will be President and Mrs. William Hansen, Mr. and Mrs. Wilson Dellzell, Mrs. Frank N. Spindler and Mr. and Mrs. Ed Kotal. Chaperones for the event are Mr. and Mrs. Robert Morrison and Mr. and Mrs. John Herling.

In charge of arrangements are Kay Bowersock and Virginia Lundgren. Assisting them are: Margaret Johnson, in charge of program arrangement; advertising, Doris Soderberg, Margaret Johnson, Lucille Neuman, Lucille Weiher, Dorothy Wirkus, and Madeline La Brot; and invitations, Florence Theisen, Brigetta Fleischmann, and Elaine Catlin.

## Chi Delta Rho Gets New Chapter At Eau Claire

### CAMPUS JAMBOREE AGAIN ON THE AIR

Many radio listeners besides our student body will be happy to read that the "Campus Jamboree" will be back on the air again at 11:30 Friday. The jamboree did not sponsor a program the last two weeks.

Guest artists next Friday will be the girls' trio and Russell Frederick. Russell, a senior, has attained great popularity with his baritone solos, both as a guest artist and as a featured soloist with the Men's Glee Club.

Reverend James Saunders, who came to Central State from England three years ago, will be interviewed along with Don Lewis, former C.S.T.C. student who is now home on vacation from the University of Wisconsin. John Cowan will add to the joviality of the program in the role of comedian.

### First Greek-Letter Society On Campus

Sunday, April 27, Chi Delta Rho fraternity will hold formal installation ceremonies for the Epsilon Chapter which has just been formed at Eau Claire State Teachers College. Members of the Crusader Club, a social organization of long standing at the college, voted to dissolve their organization and become Epsilon Chapter of Chi Delta Rho. Crusader Club is the first organization at Eau Claire to become a Greek-letter society.

#### Officers Attend

Officers of the state chapters and the national organization will attend the ceremonies at Eau Claire Sunday. William Tesner, Grand Master of the national organization, will be in charge of the installation, assisted by Deputy Grand Master Earle Siebert of the local

(Continued on page 2, col. 3)

## LET'S COMPLETE LIST OF AIRMEN, SAILORS, SOLDIERS AND DRAFTEES

Last week the Pointer requested the students to furnish a list of all former students of C.S.T.C. now in the United States Army Corps or other divisions of the Army, Navy, or Marine Corps. We have received some replies but the returns are not yet complete.

The Pointer wishes, also, to publish later in the month a list of draftees from among the student body who will go into army camps in June. All draftees, who have not as yet submitted their names kindly do so at once.

With the draft of vital concern to every American the response to a census

of this type should be much more enthusiastically answered by the students. Everyone is interested in the men who will be the future defenders of America, so let's complete the roster immediately.

#### NOTICE!

Will the person who took the photographic equipment out of Locker No. 46 please return to me as soon as possible, as it is needed for Iris work. No questions asked.

T. A. Rogers

### Second Of Annual Men's Glee Club Concerts Tonight

The Central State Men's Glee Club, under the direction of Norman E. Knutzen, presented the first night of its annual spring concert last evening in the College Auditorium.

#### Guest Performers

Featured in last night's concert were the Colby Madrigal Singers under the direction of Mr. Harry Bender and the P. J. Jacobs' A Capella Choir directed by Miss Dorothy Vetter.

#### Program

The glee club's repertoire ranged from sacred music to popular selections. Varied lighting effects were used throughout the program, and of special note were those reflecting the mood of the selection, "In Flanders Fields," sung by special request. "Taps" by Pasternack, was dedicated to the memory of Walter Jacobson, glee club librarian, who passed away last February. Student directors were Edward Wacholz and Gerald Torkelson.

MR. KNUTZEN

Tonight the concert will be presented for a second time. The program is to be the same as last night except for the guest performers, the Wausau Madrigal Singers under the direction of Miss Darin. This group has appeared on two previous concerts with the glee club.

Other features tonight will be solos by Gerald Torkelson and Russel Frederick, glee club senior men.

Fifty college men are taking part in the concerts. Muriel Waid is the accompanist.

The glee club's itinerary for the year has been: Marathon City, Amesher, Gillett, Pulaski, Tigerton, Marion, Wausau, Medford, Colby, Chippewa Falls, Thorp, Merrill, Waupaca and Green Bay. The glee club will sing at Fond du Lac, May 4, with the Wisconsin Association of Male Chorus. The club will also sing at Mt. Morris and Waupaca.

### RURALS ENJOY GUEST PERFORMERS MONDAY

Rural Life held its regular scheduled evening meeting. The Ruralites thoroughly enjoyed group singing led by Dorothy Jane Raddant accompanied by Muriel Waid. This was followed by a short business meeting.

The entertainment was resumed when Mr. Wenzel Albrecht, director of the P. J. Jacobs High School orchestra, performed three violin solos accompanied by Muriel Waid. As a conclusion Mrs. Watson read the humorous play "Life With Father."

Entered as second-class matter May 26, 1927, at the post office at Stevens Point, Wisconsin, under the Act of March 3, 1879.

The **POINTER** received a letter the other day from former students of C.S.T.C. now at Camp Livingston, Louisiana, which contained statements defending selective service. The opinions were voiced in refutation of statements made by C.S.T.C. students in a recent edition of the **POINTER**. The men in the army camps have a very different opinion of the draft as you will note in the following statements. We publish these at the request of the soldiers:

CORP. WILLIAM SIEBERT: "If women were an added attraction it would be perfect."

CORP. ROBERT REDFIELD: "There is much to learn in the army if a man wishes to. I'm looking forward to the day when I can see Lightbody, Kordus, and Young standing in line with a mess kit in their hands."

TECH. SGT. GEORGE CASHIN: "I assure you that it is no bed of roses but any one will find out that any path you take will have its thorns. It's the thorns that make bigger and better men out of the boys who first came down."

STAFF SGT. DON LARSON: "Any person, any so-called citizen of the U. S. who would make statements as were printed in the POINTER and would turn around and boast of his citizenship, is just the kind of person we would like to have down here as privates."

STAFF SGT. WILLIAM WINKLER: "Dear Objectors: I think you guys are a bunch of panty-waists. I thought that there were men in C.S.T.C. You're the kind of fellows we like to get down here. It's going to be quite a surprise for you when you find out how much you need this training for National Defense. It also might make men out of you."

PVT. QUENTIN MERRILL: "I quit school to come down here for a year of training and I've never regretted it. I believe that you will feel the same as I do after you've been in the service for a while."

SGT. JACK DAVIS: "I feel that this year of training in La. has given me a lot of valuable training and would give you the same if you were willing to do work. Is it because you are afraid to take off your white collar and find out how the other half lives that causes you to dislike selective service? I feel that you have taken a dislike to something that you know nothing of."

PFC. KURT HOFMEISTER: "I quit school to come down here and I'm darn glad I did."

1ST SGT. ANDY KOEHL: "It might happen that I will be your 1st Sgt. If such does take place I wonder how long it will take to teach some of you to change your opinions about Selective Service. I'll be looking forward to seeing some of you conscientious objectors. A year of training in the U. S. Army is the best year any young man of college age could spend. If you want to be instructors the Army is a good place to learn."

SGT. PAUL SWENSON: "I didn't like the opinions in the POINTER. I like Military Service and I think that it is much more valuable than two years of college. I wouldn't worry about a job when I return because there will be many more men drafted and some one will have to take their place."

PFC ROBERT BISHOP: "I think that it is a great life and the Southern girls have really got 'it'."

CORP. DOUGLAS FONSTAD: "If you knew what the service was all about you would think that it was great."

This map illustrates the food supply status across Europe in 1945, categorized into four levels of food security. The legend defines the categories as follows:

- FOOD SHORTAGE BUT NO THREAT OF STARVATION:** Represented by vertical lines.
- THREAT OF STARVATION:** Represented by a cross-hatch pattern.
- EXISTING FAMINE:** Represented by a solid black fill.
- NORMAL FOOD SUPPLY:** Represented by a white fill.
- RUSSIAN OCCUPIED:** Represented by horizontal lines.

The map shows the following distribution of food supply status across European countries:

- Normal Food Supply (White):** Includes Northern Ireland, Scotland, Ireland, France, Switzerland, Austria, Hungary, Yugoslavia, Rumania, Bulgaria, and Greece.
- Food Shortage But No Threat of Starvation (Vertical Lines):** Includes England, Denmark, Germany, Poland, Czechoslovakia, Italy, and Sweden.
- Threat of Starvation (Cross-hatch):** Includes Portugal, Spain, Finland, Estonia, Latvia, Lithuania, and parts of the Baltic states.
- Existing Famine (Solid Black):** Includes Central Poland and Belgium.
- Russian Occupied (Horizontal Lines):** Includes parts of the Baltic states (Estonia, Latvia, Lithuania) and parts of Poland.

Gleanings from the Easter-vacation: . . . I dove into a book with a 1907 copyright and came up with this one, which still makes sense:

"Tempus fugit," said the Romans;  
Yes, alas, 'tis fleeting on;  
Ever coming, ever going,  
Life is short, and soon 'tis gone.

But as I think of next vacation  
Poring o'er these lessons huge,  
Ever harder, ever longer,  
All I say is, "Let her fuge!"

Fair question: . . . The son of a mono-generian recently called up the editor of a daily paper and proudly proclaimed, "My father will celebrate his 92nd birthday tomorrow. In all his life, he has never touched liquor or tobacco. He's never used profanity. He's never been mixed up with women. He indulges in no vices and excesses. And tomorrow he will celebrate his 92nd birthday." "Just how?" asked the city ed. simply. . . .

## (Continued from page 1, col. 3)

Alpha Chapter. Tesmer is a member of the Beta Chapter at Whitewater Teachers College. Other representatives from Stevens Point who will attend the affair are Dick Sandborn, Dennis Roberts, Harry Sheski, Gerald Torkelson, Ken Brenner, Jimmy Kulidas and Jack Vincent.

Davenport, Adviser

Dr. Davenport, debate and forensic coach at Eau Claire Teachers College, has been the adviser of the Crusader Club for many years, and he will continue as the Epsilon Chapter adviser.

This one has made me laugh every time I've heard it: . . . A man appeared before a judge and asked legal permission to change his name, the unwanted monicker being "Tony Stinkus." "The name itself is reason enough to request a change," said the magistrate. "What do you want it changed to?" Without hesitation the man came back with, "John Stinkus" . . . !!!

The weekly "drunk" story, all due credit (?) for which must be given to my brother Dean, a student at some school (?) over by the Mississippi; I think it's called LaCrosse... The drunk boarded a double-decked bus and climbed somehow to the open-air upper deck, the lower one being filled. Before the bus had carried him more than half a block he came stumbling and sliding down the steps. "What's the matter?" asked the conductor. "You don't need to think you're going to make me ride up there," he blurted, "There's no driver up there!"...

The retort appropriate... The colored preacher, after talking to his congregation about free salvation, asked Brother Smith to take up the collection. A parishoner got to his feet and protested: "Parson, I thought you said salvation was free—free as the water we drink." "Salvation is free, brother," replied the minister. "It's free and water is free, but when we pipes it to you, you has to pay for the piping"....

Nice job... I figured out the other day that, counting at the rate of 100 a minute, it would take a corps of 40 workers nearly 10 years of 8-hour days (Sunday and holidays included) to count the seven billion one-dollar bills to be spent for our defense program. That ain't hay, brothers, but it would certainly buy plenty of it...

Short cuts and slashings... Hitler has made a name for himself, but a gentleman never mentions it in polite company... We deride foreigners for saying, "Me no got", but put up signs, reading, "No U Turn"... Definition of college—A four-year intermission between high-school and unemployment... They used to put tomato juice in stews and they still do... It's the fresh egg that gets slapped in the pan... You only live once, but if you work it right, the first time is enough... And then there was the obliging-kitchenware clerk who got a smack in the face from the young housewife who asked him for a little oven...

Good old Wednesday... I overheard this comment from a feminine student in the hall last Monday: "I don't like school on Monday or Tuesday and from Thursday on I don't like it either....!!"

While the weatherman makes up his mind, Miss Davidoff announces the schedule for spring sports:

Archery—every day at four.

Tennis—Monday and Wednesday at five.

Creative Dancing—Tuesday and Thursday at five.

Softball—Monday and Wednesday at four.

Those of you who arch will be interested to know that there are two new targets, several new bows, and three dozen new arrows. There will be a bailed straw backstop against the band stand on the football field to prevent the loss of arrows.

Anyone interested may sign up for the tennis tournament which will get under way soon. Watch the W.A.A. bulletin board!

W.A.A. committees are working on the annual Play Day to be held here May 17. Already fourteen schools bringing a total of 190 girls have accepted their invitations.

There will be a notice posted soon for a special W.A.A. meeting. Watch the bulletin board!

## FROM THE LOCKER ROOM

BY  
*Jimmy Kulidas and  
Jack Rassmussen*

The fraternity softball series is scheduled to begin very soon now. This friendly feud on the diamond between the Chi Deltas and the Phi Sigs was inaugurated in 1931 and has been the outstanding attraction every spring. Both the faculty and the student body look forward to this engagement between the two Greek organizations. Competition is very keen and a very good brand of ball is displayed. The Chi Deltas have beaten the Phi Sigs for eight successive years and lead the series 8 to 2. This year the Phi Sigs are two to one favorites to cop the series and thus overthrow the eight year domination of the Chi Deltas. They have two top flight hurlers in Art Seidel and Bill Carnahan who are veterans of last years campaign and also have men like Dan Young, Sport Anderson, Loy Mularkey, and Ralph Mishnick returning who played on last year's aggregation. Jimmy Sullivan, Myron Sharkey, Gordy Lewison, Tom Wislinski, Bob Olk, Don Aucutt, Bob Fisher, Bob Shorey, and Bob Becker comprise the rest of the squad. The Chi Deltas ranks were riddled by graduation and names like Bohan, Slotwinski, Drobnick, Duecker, Anderson and Wiersig will be missing from the lineup and new names of boys who never have played in the series will appear. Louis Posluszny, Ted Fritsch, La Vern Van Dyke, and Sherman Sword are the only men returning from the team that won three straight games last spring. The personnel of the team is not yet known. May the best team win. During Easter vacation Dr. Reppen got mixed up in a bowling match with Dr. Tolo and Reverend Dybvig,

professor of religion at St. Olaf's College of Northfield, Minnesota. Quite aside from the fact that the visiting Rev. out-bowled both of our Profs. it was rather a coincidence that in two of his three games Dr. Reppen bowled exactly 100. This situation caused his two opponents to agree that because Dr. Reppen is a teacher he must have made the ever-mistaken idea that 100 represented a perfect score in bowling. The boxing team will compete in the Northwest Tournament which will be held at Superior May 2 & 3. Stout, Eau Claire, Duluth, St. Olaf's, St. Thomas, Michigan Tech and Superior are the other representatives in the tourney. A tennis tournament will be held next week to determine the personnel of the net team. Len Ropella is the only holdover from last year's squad. Gordy Lewison and Mike Kufel are handy men with the racket and have a very good chance of landing on the roster. La Vern Van Dyke bowled 698 in the city bowling tournament last Saturday night and as a result is in first place. A score of 666 won last year's tourney and we think that Van's score will survive. Louie Posluszny came through with a 590 score and Jack Turecek bowled 556. The Schlitz Rock Garden aggregation who won the championship in the C.S.T.C. league sent the pins sprawling for a 2,732 score in the team competition.

## Point Boxing Team Hosts To Duluth

Teams Will Battle It  
Out In Gym Thursday

Seeking its first victory of the season, Central State Teachers College boxing team will meet the strong Duluth Teachers fistie aggregation tomorrow night at 8:15 P.M. in the Training School Gymnasium.

The Pointers were defeated by Superior 7 to 1 in their opening bout of the season and have been idle ever since except for inter-squad competition because the Keshena Indian School failed to fulfill its engagement here.

This is Duluth's first venture in inter-collegiate competition and they were beaten by Superior 5½ to 1½ in their first and only match thus far. By this showing against the Yellowjackets the boys from the North will rule as favorites.

Seven fights will be featured. Fights will be staged in the following weights, 127, 135, 145, 155, 165, 175 and heavyweight Duluth will forfeit the 120 lb. match because they haven't any fighter in that division. The C.S.T.C. representatives will be:

127 lbs. Ken Brenner: Kenny should show the form that earned the Golden Glove championship for him. If he does he will be a tough boy to defeat.

135 lbs. Len Ropella: This will be Lens first inter-collegiate bout this year and his opponent will be a busy boy for three rounds. Len missed the Superior trip because he had to work.

145 lbs. Myron Sharkey: Myron will be making his second appearance for C.S.T.C. and if he doesn't tire a point will be chalked up for the Pointers.

155 lbs. Howard Stimm: Howie lost a split decision to Chester Larson of Superior who finished fourth in the national intercollegiate tourney in his first bout and is itching to break in the win column. He will meet a boy who beat Larson.

175 lbs. Jay Swett: Jay is steadily improving and will make things tough for his opponent tomorrow night.

165 lbs. Dan Young: Danny won the golden glove championship and lost a close decision to Wayne Shumate of Superior in the 175 lb. class but he went down to 165 and should be faster and in better shape.

Heavyweight. Norman Halla: Norm will be out to vindicate his Superior defeat. He will show his opponent some real power.

**COLLABORATION CORNER**

Just 22 years ago this month America cast her lot with England and France in the great crusade "to make the world free for democracy." Then it was our older brothers, fathers, and friends that marched off to fight. This time, if we continue to sit by and let ourselves be swept in again by propaganda and martial music, it will be you and me, girls and fellows alike. Is America to fight again?... We're really surprised to find the building still standing after the festival. Those kids certainly do kick up their heels when they get away from home... We stood on tiptoe and stretched our necks with several thousand others to watch the parade and we were forced to admit we were slightly disappointed. A few of the bands were a sorry sight on parade. They slouched, were out of step and paid very little attention to their lines and they looked plenty messy... When we were in high school we had a band master who had once been a mule skinner in the army and at times he could revert to typical army lingo. He had one characteristic expression he used to bark at us when we slouched. He'd come walking down the line and seeing an offender he'd bellow, in his best mule-skinner language, and believe you me we did stand up and march... Bob Dietrich is wearing a class ring on his little finger and we tried to find out where he got it, but it seems that Bob himself can't quite recall where he got it... Arlene Huntoon, who has recently joined the ranks of the "DW's"—Draft Widows to you, had a caller Sunday. Her boyfriend, on leave for the weekend, travelled 510 miles to get here only to find she had gone weekendeng... Muriel Waid had one swell time at the Manawa prom last week... and speaking of proms—Gardner Harvey took Pauline Noble to the Amherst prom Monday night and Ronnie Craig has dated Muriel Berard from Rapids for the college prom... June Lindeman who has been assistant secretary in the college office for two and one half years has accepted a job with the federal government in Washington and is Doctor Pierson gonna be lonesome or is he gonna be lonesome?... Cowan, Fryer, and Friday thought they had pulled a fast one on the theater Saturday when they found no one either in the box office or at the door. They walked in unmolested and sat down to enjoy what they thought was going to be a free movie. It turned out to be the last part of a special Saturday comedy for the kids... Alva Thompson bowled her first game the other night but don't ask her what her score was... **BOY MEETS GIRL**... Several of the new combinations: Karloske-Sharkey, Laumer-Carnahan, Metcalf-Ropella, Wiese-Negard, Catlin-Halvorsen, DeGuire-Aucutt.

## TRAINING SCHOOL INSTRUMENTS CHECK AND AID STUDENT'S EYES

It is possible that college students here will be able to profit by the use of the new metronoscope and ophthalmograph, instruments being used at the Training School to photograph the eye movements of pupils, diagnose difficulties, and provide training to overcome them. Experimentation and studies on the subject of remedial reading are being made at the Training School under the supervision of Mrs. Edith Cutnaw, supervising critic of the Junior High School. Last year the Education Department was instrumental in the acquisition of the ophthalmograph, that photographs the movements of the eyes when reading, and the metronoscope, which is used to train the eyes in correct movements. Instruments like these are being used at the University of Wisconsin for college students who have had difficulty with their studies.

The ophthalmograph records the speed, and regression from line to line. Fifty people can be checked on one film. After this machine is used, the film is developed, and the difficulties are determined. Then training by the metronoscope is prescribed. Improvements in reading are thereby made.

A special class in remedial reading, without credit, is being directed by Mrs. Cutnaw. Here they discuss and determine the problems and causes of reading of students of the Training School.
