

DEBATERS WIN EIGHT, LOSE FOUR PHI SIG FORMAL SATURDAY

POINT CRUSHES QUAKERS

KIWANIS — EXCHANGE CLUBS ELEVATE FACULTY MEMBERS

Two members of our faculty have received recognition in civic organizations during the holiday vacations. Thomas A. Rogers was installed as Kiwanis Lieutenant Governor for the North Central Division of the Wisconsin Upper Michigan Kiwanis district at the 21st annual mid-winter conference of Kiwanis clubs of Wisconsin and Upper Michigan held in Milwaukee on January 5, 6, and 7. The North Central Division includes clubs of Antigo, Neillsville, Stevens Point, Wausau and Wisconsin Rapids.

Mr. Rogers also won the first prize of \$25 in the home lighting division of the annual Junior Chamber of Commerce holiday home decorating contest.

Dr. Harold M. Tolo was appointed district governor of District No. 2 of the National Exchange Club, by Leland D. McCormac, the National President. As district governor, Dr. Tolo becomes the national officer representing the National Exchange Club in this district, acting under authority of the national board of control. The district includes clubs at Stevens Point, Appleton, Chippewa Falls, Eau Claire, Fond du Lac, and Wausau. His duties include giving assistance to other clubs in programs and activities and in promoting their growth, and encouraging the formation of new clubs.

THANK YOU

Since it is impossible to tell the members of the faculty and the student body personally how much their messages console us in this earthly separation from Mother, I appreciate the opportunity the Pointer provides for my family to join me in expressing our gratitude to those who have been most comforting in their sympathy during these sad days.

First Conference Win; Score 63-41

Paced by Captain Pete Terzynski and Ray Warren, who scored 20 and 19 points respectively, the C.S.T.C. Pointers trounced the Whitewater Teachers College quintet 63 to 41 in a contest played at Whitewater to capture their first conference victory.

The first half was hotly contested. Whitewater jumped to a 2 to 0 lead on a long shot by Britelli but two baskets in quick succession by Pete and Ray Terzynski extinguished this lead. This was the only lead held by the Agnew men during the game. They did, however, manage to tie the score at 16, 19 and 24. The score at the half was 27 to 26.

The Kotalmen turned on the heat during the second half and simply coasted in. They jumped to a 42 to 30 lead during the first seven minutes and then breezed to victory. Out of 25 free throws tried the Pointers made 19 for a .760 average. They made all of their penalty shots in the second half.

Opening the conference season last Saturday night the Pointers were defeated by Milwaukee State 51 to 48 in a thrilling and exciting game played in the P. J. Jacobs Gymnasium. Buhler led the Green Gulls with 20 points and Ray Terzynski compiled 15 for the Pointers.

Mr. Evans Goes To Florida. . . .

Mr. Charles Evans spent the recent holidays in Florida. This was his fourth trip to that state. He traveled into the more tropical regions to observe and obtain plant specimens.

Mr. Evans drove over 172 miles of bridges to reach Key West, the southernmost part of the United States. He pointed out that this is farther south than Cairo, Egypt. When he reached the keys, a storm was in the making, and it reached its height during his stay. The wind reached a great velocity and covered most of the beach roads with water. Mr. Evans obtained a few hermit crabs before the beaches were combed to rid them of all refuse blown in by the storm.

Marcos Island was one of Mr. Evans' stops. The only industry on this island is clamming. The natives waded out into the water at high tide and follow the water out. They feel for clams with their feet and pick them up with hooks.

At one time this island was ruled by a self made king and queen. They controlled all activity and held the rest of the people in slavery. Mr. Evans was informed. This island at that time, it is believed, was an operating base for smugglers.

Mr. Evans also visited Tarpon Springs. From there most of the sponges used in this country are obtained.

NOTICE JUNIORS!!!

Important meeting of the Junior Class Thursday, 10:00 A. M. in Mr. Roger's Room. Everyone please be present.

Arch Adrian Booked For Social Event At Hotel Whiting

Rapids Station To Broadcast Program

Phi Sigma Epsilon fraternity will hold its annual formal dinner and dance Saturday evening at the Hotel Whiting. Music will be furnished by Arch Adrian and his Men of Note.

Hansens Guests of Honor

The dinner is to be at six thirty and President and Mrs. W. C. Hansen will be the guests of honor. Mr. and Mrs. Fred Schmeckle, Mr. and Mrs. L. M. Burroughs and Mr. and Mrs. E. L. Kotal are also expected.

Dancing will begin at nine o'clock and at nine thirty the activities will be broadcast over radio station WFHR, Wisconsin Rapids. The formal has been widely advertised over this station for the past week.

Many Alumni Expected

A large number of the alumni members have made reservations and more are expected to do so before the end of the week.

General Chairman Adrian La Brot wishes to inform the freshmen that although this affair is called a formal, it is not improper to come semi-formal. He states that the lack of a "tux" should not keep anyone at home.

Tickets

Tickets can be obtained from any member of the dance committee which consists of Don Aucutt, Tom Wislinski, Chuck Dodge and Bob Malecki. The tariff is \$1.50. Dan Young, Bill Carnahan, Loy Mullarkey and Bud Menzel are in charge of the dinner committee.

Rightsell Calls For Twenty More Pilots

Mr. Raymond M. Rightsell, director of the Civil Aeronautics Authority course and instructor of the ground school training here, has announced that twenty primary pilots will be accepted for a new course the second semester. Students interested should apply at once with Mr. Rightsell.

To be accepted in the course, the student must be between nineteen and twenty-six years of age, and must have had at least one year of college education. The course is also open to those not enrolled in college, providing they have had two years of college work previously. The fee is \$25 which includes \$6 for a medical examination and \$9 for insurance. The remainder of the fee being incidental.

Flight training at the Wisconsin Rapids Tri-city airport, and ground school will begin February 1. A minimum of 35 hours flying and 72 hours of ground school besides various air maneuvers are required as a final examination. If the student passes these tests and a written examination he is eligible for a private pilot's license. Luscombe all-metal planes with 65 horse power Continental and Lycoming engines will be used.

BECHER — MURGATROYD WIN FIVE OUT OF SIX AT ILLINOIS TOURNEY

Burroughs Announces Tournament Schedule

Two debating teams from C.S.T.C. took part in the ninth annual invitational debate tournament at Normal, Illinois, on Friday and Saturday of last week.

One team composed of Roy Arndt and Don Kridler won three out of six debates. Margaret Becher and Evelyn Murgatroyd won five out of six.

"Resolved, That the Nations of the Western Hemisphere Should Form a Permanent Union" was the subject debated. Thirty-four colleges from six states were entered. Dr. H. L. Ewbank, director of debating and radio work at the University of Wisconsin, was the speaker at the banquet.

The next tournament in which they will participate will be on February 6, 7, and 8 at Concordia College, Moorhead, Minnesota—the Red River Valley Tournament.

The second annual Wisconsin Valley Debate Tournament to be held here on February 20, 21, and 22 is a college and university invitational tournament. The last tournament scheduled will be the Midwest Debate Tournament at St. Paul, Minnesota, on March 3, 4, and 5th.

The week before Christmas, December 19, 20, and 21, Iris Precourt and Ruth Stelter, the women's team, and Roy Arndt and Don Kridler, the men's team, participated in non-decision debates with Eau Claire and River Falls State Teachers' Colleges and Mankato, Minnesota.

On Wednesday evening, January 15, informal debates will be held in the College auditorium to determine which debaters will go to Moorhead, Minnesota. Students are welcome to attend.

Mary Ann Lochner Is "Flight" Editor

Mary Anne Lochner was elected editor of this year's publication of Flight at a meeting of Sigma Tau Delta, Wednesday evening in Mr. Burroughs' room. Mary Anne is a senior, an honor student, and active in Sigma Tau Delta and Newman Club. Last year she was on the Iris staff.

Charlotte Reichel, a junior, was elected business manager. She is in the Primary Department, a soloist of the Girls' Glee Club, a member of the Tau Gamma Beta sorority, Gamma Delta, Y.W.C.A., and Sigma Tau Delta.

Flight is the literary publication put out annually by Sigma Tau Delta. It contains some of the best prose and poetry selected from the writings of the entire student body. Contributions will be accepted by Mary Anne Lochner, Leota Brandt, Charlotte Reichel, or any of the English instructors.

Men's Glee Club Moves To Radio Studio

Men's Glee Club has moved to new quarters. Instead of holding their regular practice in Mr. Knutzen's room, Studio A of the College Radio Studios is being used. Director Norman E. Knutzen predicts better working conditions there as more chairs will be furnished.

Mr. Knutzen also announced that no concerts will be given before the end of the semester.

PLATFORM FOR 1940-41

1. Complete and impartial news coverage.
2. Stimulate student interest in public affairs.
3. Promote cooperation among the various groups and organizations on the campus.

"WITHIN OUR HEARTS"

Because it has been a part of the Pointer's editorial policy to attempt to "stimulate student interest in public affairs," we have given most of our editorial space to questions of national importance. In a year with such rapidly changing events, public affairs have come "closer" to the college student than ever before in the history of the country. We need not review those events—already we have felt the effect of some of them, and in the near future we shall undoubtedly feel the "sting of sacrifice" in one way or another as a result of them.

Day by day it becomes more apparent that if democracy is to live in America, the youth of to-day, you and I, will be responsible for its continuation. Our job will not be an easy one. Not since the darkest days of the revolution has liberty and freedom faced such a strong enemy. We must prepare ourselves to meet it and destroy it as it would destroy us.

Guns and airplanes alone will not save democracy; they are but the tools which are used to enforce the demands of those at the control board. The new "force" which has gobbled up half of the continent of Europe is a new type of enemy which attacks us from within. It preys upon the weaknesses of man's mental faculties. It is the "thief in the night" which does its work slowly and quietly. It preaches hatred, and places force before tolerance. Once accepted it rules the lives of men. Let not that be our destiny! We must not only defend democracy by means of the "sword," but we must defend democracy within our hearts, for that is where democracy begins!

Round 'n About

As some of you very probably know C.S.T.C. was due for a new song. Fred Waring and his Pennsylvanians were handing them out to Colleges and Universities all over the country. The new anthems and pep songs were given a "bang up" introduction on his Friday College Smoker programs. Well, we made known that we wanted one too, and found a place in the waiting line, where the rule "First come, first served," was observed and there were plenty ahead of us. Now the entire project is at a standstill. The reason? The current ASCAP-radio battle. Waring is a member of ASCAP and so none of his songs may be broadcast. Many of the "institutions of higher learning" are objecting because they would like to hear the songs of their alma mater over the air at games and "sech." This isn't pleasant for the maestro either and he has headed a committee of orchestra leaders like Eddie Duchin and Johnny Green, to try to

bring the two factions together, but it seems that for the present at least, an irresistible force has met an immovable object. And in the meantime, we are still set for a New Song.

No matter what radio or music publication you pick up the ASCAP-BMI controversy is featured. According to one magazine our government is trying to break the deadlock. It is not much concerned as to which is right or wrong, but is out to protect the public's interest in the matter.

Paul Whiteman is starting a brand-new sixteen man band. It will be four-squared of reed, brass, string, and rhythm quartets, but there will be so much doubling that Whiteman expects to have as many as six saxes and six strings. He is getting new blood for old and at a much reduced price, which is of course the reason for the rejuvenation.

NOTICE!!!

Students interested in registering in the second semester Civil Aeronautics Authority Course submit your application to Mr. Raymond M. Rightsell at once!

ORGANIZATIONS

PRIMARY COUNCIL

Primary Council held its meeting January 13 when it was decided that the Primary Council buy A.C.E. bulletins. These bulletins are to be kept in file in Miss Colman's office. They will be of value to the girls for use in Primary techniques classes.

Rev. Saunders told the girls about the elementary school system in England.

RURAL LIFE MEETING

The Rural Life Club met Monday evening, January 6, in the Rural Assembly.

There was a short business meeting followed by a program. Leota Brandt led the club in group singing.

The highlight of the evening was a talk by Superintendent Vincent of Stevens Point who spoke on the subject, "What Makes a Teacher." He discussed the following points as a basis for judging a teacher: What he knows; what he can do; and what he is. A teacher must have a knowledge of fundamentals and a knowledge of children. He must be able to use his ability and must have a love for teaching and children.

After Superintendent Vincent's talk, Thelma Gunderson gave a reading and Ray Gresens entertained with two saxophone solos.

The meeting ended with the singing of "God Bless America."

SOCIAL SCIENCE CLUB

The next meeting of the Social Science Club will be held on Wednesday, January 22. The topics to be discussed are "African and the Near East" and "Russia and the Balkans."

HOME ECONOMICS CLUB

Home Economics meeting was held January 13 at the Dorm Recreation room. After the regular business meeting, Mrs. Cowan gave an interesting book review of "Foods America Gave the World," by Verill. Miss Woodman of the State Department of Narcotics talked on narcotics.

COLLEGE THEATER

College Theater, at a meeting held Thursday, January 9, voted to produce a series of one-act plays throughout the 2nd semester instead of holding to the regular schedule which has included a three-act production each semester. It was announced that this change would make possible more participation for more people in the several different aspects of play-production.

Initiation of new members will be held Thursday, February 20, it was decided by the group. Participants who will be invited to membership have not been named as yet.

ALPHA PSI OMEGA

At a meeting held Thursday, January 9, Alpha Psi Omega, honorary dramatic fraternity at C.S.T.C., selected a panel of candidates for membership. A pledge period of one month is required of all prospective members. They are selected on their record of excellence in participation in any form of dramatics. Pledge instructions will be given to the candidates next Thursday evening. The panel of candidates has not been announced according to Director Robert Burkman.

Y. W. C. A.

Last Thursday evening the Y-Dub girls enjoyed a very interesting talk given by Mr. Faust, who chose for his subject, "The Glories of God as We See Them About Us." Mr. Faust cited examples which pertained to the field of chemistry, by using a candle, a lump of sugar, cigarette ashes, etc.

A short business meeting was held after the lecture. Their president tried to impress on the girls the importance the "Y" has in their everyday life.

ALPHA KAPPA RHO

Alpha Kappa Rho, honorary music fraternity, elected the following officers at the meeting Monday evening: President, Leota Brandt; Vice-president, Tom Wishlinski; Secretary, Leone Kulas; and Treasurer, Dorothy Nelson. Initiation of officers will be held January 27 in the Nelson Hall Recreation Room.

COLLABORATION CORNER

THE COLLEGE INFORMER

How's everyone—after two weeks of tearin' around and one week of recuperatin' back in the portals of learnin'? Ah, how many of us left for the Christmas vacation with most solemn promises to do the unprecedented act of actually studying during the vacation period and—how many remained in the obscure ranks of precedence! Now that we're back, anticipating the final exams with tremulous feelings and tearing our collective hair in anguish, we collaborators must take time out from the pre-exam rush to attempt to divert your attention to something more relaxing than cramming.

We try to cooperate with the Pointer's policy of "complete news coverage." In fact we start over where the news staff stops. The reporters have handed in stories on the debate trip to Normal, Illinois last week, but we're going to give you a few choice items that you won't find in the copy. They didn't tell you that the only debate that Margaret Becher and Ev Murgatroyd lost was the one that was judged by a woman.

They not only are old hands at debating, but Murgatroyd is the gal who knows how to make it a sure thing. On one of the trips last year Ev cinched a judge for herself. In fact he was so interested that things didn't stop when she came home. He sent her flowers and invited her up for a couple of formals. Nice technique!

Roy Arndt wrote 8 letters while he was on the trip—and we know that several of them went to a little girl at River Forest College. (And we've been thinking all the time that Roy was girl-shy—just shows you how wrong you can be.)

Don Krider spent a couple of hours shopping for a present for the new Mrs. Krider. He finally decided on kitchen utensils and practically bought out the store.

Margaret and Ev waited and waited for a couple of debaters they had made waited and waited. The four happened to meet later on the street tho, and everything was explained.

Just a tip—Don't go out with a fellow who asks to kiss you. The exciting kind doesn't ask..... Since Harold Kahler has been going with Donna Bestul his theme song has been "Five Foot Two, Eyes of Blue." He almost drives the fellows at the Phi Sig house crazy.....

One of the science teachers was puzzled the other day over the strange phenomena that causes ice to freeze with the slippery side up.....

We hear that Dorothy Nelson and Merle Jenks always manage to sit together in the back seat on their ride to and from Abbotsford every week—regardless of the number of passengers in the car.

You should see the 'big picture' of Barbara on our esteemed editor's desk..... Dorothy Larson seems to have been changing her mind lately. It used to be Bob Oik, now it seems to be Carnahan.

We understand that Shafton was late for a class the other morning—he thought it was necessary to walk home with his girl-friend between classes!

THOUGHT FOR THE WEEK: Where a man sews so shall it rip!

Schlice's Win in Three; Hold League Lead; Koehn Topples 598

Schlice's Rock Garden keglers maintained their hold on first place by sweeping a three game series from the Faculty Team No. 1 last Thursday night. The Phi Sigs strengthened their hold on second place by taking three straight from the Faculty Team No. II, and the Independents dropped the United Cigars from second place into a tie for third by taking all three games.

Frankie Koehn was high man for the evening with a 598 score. He bowled 204-192 & 202. Jack Turecek and Dr. Pierson finished second, and third respectively. Jack bowled 204-140 & 205 for a 549 score and Dr. Pierson posted 212-152 & 182 for a 546 score. His 212 was the highest single game score for the evening.

High Ten

	Games	Average
Turecek	10	191
Koehn	15	182
L. Kalkofen	15	173
Pierson	13	169
Posluszny	15	167
Hestad	12	161
Becker	15	160
Seidel	12	160
Olson	15	159
Yokers	12	158

Standings

	W.	L.
Schlice's Rock Garden	12	3
Phi Sigs	11	4
United Cigars	8	7
Independents	8	7
Faculty No. I	5	10
Faculty No. II	1	14

FROM THE LOCKER ROOM

by
Jimmy Kulidas & Jimmy Hauig

Writing a column after the holidays is a bit of a problem. We simply don't know what to write..... Caught in the midst of indecision, we cautiously peck away at the typewriter, begging it to do something about our dilemma. But the keys seem to laugh at us, saying, "Bud you've pounded on us for four months, making us beat out all sorts of horrible things. Do you think we'll pass up this chance to get even? It's your problem—you worry about it." What's a man to do when his own typewriter deserts him? Did FDR once say something about a stab in the back? He ain't seen nutting. Well, we'll just have to fight our way out of this. Chin up, old man, carry on, and all that sort of stuff..... We resolve to try to give to Central State the best sport section it has ever had, which is only what it deserves..... The Faculty Team No. I aggregation lost two tough games to the Schlices Rock Garden Team last Thursday night. They were beaten by two pins in the first game and by six pins in the third..... Jack Turecek established a new three game series record score of 658 the week before Christmas vacation. He bowled 234-210 & 214..... Boxing candidates have been holding strenuous workouts every night last week and this week. Coach Menzel has been applying pressure and it looks like the mitt men are in for a successful season. In the main Menzel has been working the fellows on left jabs and the boys are developing a powerful punch. All of the boys reported in pretty fair shape and are gradually developing

themselves into condition..... Fritsch and Parr are the boys selected to lead the Pointers on to victory next fall. Two more deserving fellows could hardly have been selected. Both are Juniors and were selected on the all-conference team..... The intramural basketball league got under way Monday night. Three games were played before a capacity crowd in old gym. The Finns defeated the Bandits 12 to 11 in the opener. Brenner led the Finns to victory by scoring six points while Cowan and Wells each garnered four points for the losers. The game was close throughout..... In the second game the Flashes routed the Phi Sigs No. II team 31 to 14. Rasmussen was high point man for the Flashes with six field goals and a free throw. Repella and Schunk scored eight and six points respectively. "Sport" Anderson netted nine points for the losers. The Phi Sigs won the game on a forfeit as Rasmussen and Repella are members of other teams..... In the final game of the evening the Hawks defeated the Robins in a thriller 22-20. This had the crowd on its feet throughout the contest. The score at the half was 12 to 11 in favor of the Robins.

Sleights and cutters to rent. Special rates to students and student organizations.

INTRAMURAL LEAGUES BEGIN PLAY; MENZEL RELEASES SCHEDULE

Intra-Mural athletics under the direction of Coach Ted Menzel are definitely under way. A sixteen team program has been provided for followers of the hard-court. A novel system has been planned by Menzel in which the teams will be divided into two leagues, the American league and the National league. Each league will have eight teams. The winners of the respective leagues will meet to decide the championship. Medals will probably be bought for the champs.

Games will be played every Monday, Tuesday, and Wednesday in the Training Gym. The doors will be open at 6:45 and students are invited to come and cheer their favorites on to victory. Games will start at 7:00, 7:45, and 8:30 sharp. The quarters will be eight minutes in duration for the benefit of those who aren't in the best physical condition. The competition period will last for at least six weeks and will involve the majority of the male talent in the school.

Schedule

Mon. Jan. 13	7:00 Bandits vs. Finns
	7:45 Flasks vs. Phi Sigs
	8:30 Robins vs. Hawks
Tues. Jan. 14	7:00 Owls vs. Sizzlers
	7:45 Phi Sigs vs. Log Rollers
Wed. Jan. 15	7:00 Rags vs. N.Y.A.
	7:45 Chi Delts vs. Ind's.
	8:30 Frosh vs. Chiefs
Mon. Jan. 20	7:00 Bandits vs. Flasks
	7:45 Finns vs. Robins
	8:30 Hawks vs. Owls
Tues. Jan. 21	7:00 Phi Sigs vs. Sizzlers
	7:45 Phi Sigs vs. Rags
Wed. Jan. 22	7:00 Log Rollers vs. Chi Delts
	7:45 Independents vs. Frosh
	8:30 N.Y.A. vs. Chiefs

NOTICE!!!

Student Record Books, similar to those in use in other colleges, have been provided for future use here. Each student, except those expecting to receive degrees or certificates next June, will be required to have his Record Book with him when he goes to his director to enroll for the second semester. The little book will contain all college credits earned previous to the beginning of the current semester. The cost of the booklet to the college is five cents and it will be sold to the student at cost, and becomes his property when he leaves the college. Seniors and two year rural graduates may receive one of these books upon request. These books may be secured in the Registrar's office between now and the time for enrollment and must be returned when the fees are paid at the completion of enrollment. After first semester grades have been entered in the books they may be secured again. These books should be useful to both students and faculty and we hope they will be appreciated and preserved.

Fetes Thursday At Hotel For Hansens

A public banquet and reception for President and Mrs. Wm. C. Hansen will be held at the Hotel Whiting on Thursday, January 16, at 6:30 P. M.

Speakers on the program will include Mayor Frank Blood, who will speak in behalf of the city, Dean Herbert R. Steiner, chairman of the faculty, speaking for the faculty of C.S.T.C. A response by President Hansen will follow. The final address will be given by H. E. Doudna, Secretary of the Normal Board of Regents.

The public reception will be held in the Club Room of the Hotel Whiting immediately following the banquet.

Tickets for the banquet may be obtained from the main office.

pause and

*Turn to
Refreshment*

5¢

YOU TASTE ITS QUALITY ice-cold Coca-Cola.

You'll enjoy the relaxation of a pause more if you add the refreshment of ice-cold Coca-Cola. Its taste never fails to please, and it brings a refreshed feeling you will like. So when you pause throughout the day, make it the pause that refreshes with
