CZECH REFUGEE HERE TOMORROW

Husky No Defeats -- Yet!

Coach Eddie Kotal's gridders "go west" this week to engage the "Hus­kies" of St. Cloud, Minnesota. The Pointers will attempt to add a 6-2-1 victory to their Minnesota rivals last year, and would like to add another victory this year.

Back on the victory path after de­feating Oshkosh, the Purple and Gold gridders will have to work hard this week to shape up a formu­late a team to come with the out-of­state eleven. The St. Cloud team will enter Saturday's game with an im­pressive record of five consecutive victories. Their opponents have scored but six points in their five en­counters, while they have rolled up an average of about twenty points per game.

The Kotalmen should be about at full strength Saturday. For their bat­tle, as Carnahan and Ted Fritsch and others will be ready to go at reg­ular speed. Klein and Filippi are St. Cloud's outstanding threats and are furnished good blocking by a fine forward wall.

The Pointers will leave by bus for St. Cloud Friday and will stop over­night in the Twin Cities. They will embark for St. Cloud Saturday and will return home sometime Sunday.

CSTC's Contribution To National Defense

"Twenty-one dollars a day—once a month." So many CSTC men have come to the service of Uncle Sam that it seems wise to list them here for St. Cloud Saturday and will return home sometime Sunday.

"quarter century...

Mrs. Frances Jonas Begins Twenty-Fifth Year At CSTC

You have seen her hundreds of times around the halls. Short, gray­haired, neatly dressed, quiet, always busy. Perhaps you've wondered about her often, you've never known her name. She is Mrs. Frances Jonas, only woman of the college mainte­nance staff, and she has been here longer than most of the faculty.

This semester marks the beginning of Mrs. Jonas's twenty-fifth year as janitress at CSTC. In recognition of her many years of loyal service to the students and teachers of this college, the Pointer is pleased to inscribe this story.

The representative of the Pointer who called to inter­view Mrs. Jonas had a hard time convincing her that the school would be interested in hear­ing her story, but finally she laughed and agreed to answer questions. She is reticent about talking about herself, but if you can get her started she can tell many stories about the hundreds of students and teachers who have come and gone in the quarter of a cen­tury she has spent here.

Mrs. Jonas told her interviewer that she couldn't remember exactly how long she has been in administration, Presidents Sims, Baldwin, Hyer, Falk, Smith, and Hansen. She was here during the first World War and saw the effect it had on the college and now twenty­three years later we are facing the same kind of a crisis.

Mrs. Jonas, a widow, has a mar­ried daughter, living in Menasha. At one time she worked as a caterer and has the reputation for being one of the city's finest cooks. She is fa­mous for her Angel Food Cakes. She owns a home on Briggs Street which is attractively furnished and im­mediately kept. She is Catholic and very active in parish work at St. Stanislaus.

Of the twenty-five years that Mrs. Jonas has been employed at the col­lege she has missed only two weeks for illness, and one of those she spent in the hospital where she under­went a tonsillectomy.

Mrs. Jonas has a rare sense of hu­mor. She is forever rattling off little jingles she makes up about anything which happens to catch her fancy.

On the anniversary of Mrs. Jonas's 20th year of service she was invited to the faculty and women on the faculty had a sur­prise party for her home and they still talk about how overwhelmed she was.

When Miss Allen, on behalf of the others, presented her with a gift she was stunned into speechlessness for the rest of the party.

This afternoon, on her twenty­fifth anniversary the faculty and women are honoring her with a tea from 4:15 to 5:15.

Mrs. Jonas likes young people but she admits that girls are her favor­ites, perhaps because she has a daugh­ter of her own. One of her special duties is to keep the Home Ec rooms in order and she is a real friend to all the girls in that department. However, she is interested in the fel­lows, too, and has many friends among them. She has been one of the many visitors in Louis Polzuny's room these past weeks.

Mrs. Jonas is always ready to do anything she can for any of the stu­dents and teachers and she always has a pleasant "good morning". The next time you meet her in the hall say "Hello" even if you don't know her. She'd like to have you say it.

TAU GAMMA BETA Sorority entertained actives, alums, rushees and guests at a "Come as you are" party—the first rushing function of the season—held at the Spindler home on Sunday night. Par­lor games and refreshments constitu­ted the evening.

CHI DELTA RHO Actives, alums, guests, and rushees of Chi Delta Rho fraternity gathered in the American House Sunday evening for their first rushing party. Cards were played, the losers being awarded with a taste of pledging, in the form of the pledge. Refreshments were served to conclude the evening.

OMEGA MU CHI Wednesday evening, the Omega Mu Chi sorority, will entertain at their first rushing party at Iverson Lodge. The actives, alums, guests, and rushees will come dressed as gypsies. FortelUning-games, and refreshments will make up the evening.

YWCA Will have a Hallowe'en costume party at 7:30, Thursday, October 25.

Lecturer To Speak On Present War

Dr. O. Roderick Chyle will lecture in the regular Thursday morning as­sembly next week. Dr. Chyle prepared the speech will be "The Economical and Political Aspects of the Present War". Dr. Chyle is an able speaker well versed in the economical and political angle of the war. He is a refugee of Czechoslovakia, having escaped that country through Rumania, Jugoslavia, and Atlantis in the spring of 1939. He is a graduate of Charles University, Czechoslovakia, and holds a doctor's degree in juris­prudence and economics. He was in the diplomatic service of the Czechoslovakian government from 1939, having served in New York and Cleveland. Well aware of Europe, Dr. Chyle speaks English very fluently and is certain to provide an interesting and enlightening hour's enter­tainment for the student body.

More Taxes?

We pay taxes on everything from hair tonic and lipstick to football games these days. There have been some who were concerned about the taxability of our student activity tickets.

Mr. Schmeekle was consulted last week by a number of students and he stated that although there has been no definite statement about it as yet, the ticket probably will not be subject to tax. If it were a ticket to a game, a play, a dance, or a spe­cific activity, the admissions could be taxed. The student activity fund, however, supports the entire school program. This includes the IRIS, the POINTER, and music organizations, etc. On these grounds, the college maintains that the activity ticket is not taxable.

Torkelson At Mosinee

Gerald Torkelson, one of the out­standing graduates of the class of 1941, is teaching in Mosinee High School. A major in history, he is now instructing four classes a day in that subject.

Shortly after the beginning of the school year, he was engaged by the college as chemistry laboratory as­sistant to take the place of William Winging, who was drafted into the army. Torkelson resigned to take the Mosinee position and has been re­placed at the college by Charles Kohls of Stevens Point, a graduate of the class of 1939.

LSA

The business meeting of the LSA was held at the college on Wednes­day evening, Oct. 18. Gilbert Halver­son opened the meeting with desig­nations. Jane Weinmeier was elected secretary. The next meeting will be held Oct. 30 at the home of Rev. Bormeyer. LSA's picture will be taken at this meeting.

TOO MANY ADS . . . .

The bulk of the student criticism leveled against the POINTER so far this year has been on the amount of advertising matter. The entire POINTER staff feels the same way about it. Why cut our articles short in order to give the space to ads?

This situation is lamentable but hardly avoidable. The POINTER is supported in the main by its advertising revenues. The amount of money in the fund supplied by the student activity fees is only one dollar per student. The total seems large until we break it up into the different expenditures. By far the greatest of these is the cost of printing. One thousand copies of a four-page issue cost $38.00 to print; six pages would cost $52.50. Cartoons, pictures, and smaller type raise the price accordingly. To cut the statistics short, the budget on which the POINTER is working at present allows only $12.87 from the activity fund for each issue. The balance of the cost must either be made up in advertising or there will be less to print. During the year, to make up for all of the page issue must have 72 inches of ads included in its 200 inches of space. Six pages cannot be paid for without 125 of their total of 300 inches taken up with advertising.

With these figures, it should not be difficult to realize that the Stevens Point merchants who purchase advertising space are really making the paper possible. Without their aid, there would be no POINTER.

**Dope From Pils . . . .**

"Pardon me Boy, is that the Cha- 
na-oo Choo Choo?" rates almost a number one spot on the hit parade of the campus. Almost everyone seems to be singing that in addition to Elmer's Tunes, Yes Indeed, and $21 Day One Night. You should have seen Joe Negard and Patoot dancing at the Eat Shop the other night. We had a regular floor show. Saw Joe dancing with one of the Quin girls and they danced so well together I gathered it wasn't their first try at it.

On Wednesday last the WAA climaxed their initiation period with a kids party. You probably noticed a few of the victims talking baby talk and writing notes to their kid party dates for several days afterward.

There was an imaginative exchange of Father's Day gift ideas and a piece of double dating. All WAA members had fun because they are a peppy bunch of gals—never a dull moment is the motto. It isn't so surprising to see Betty Johnson here on week-ends but, in

the middle of the week too! Jack Ackerman is a pretty lucky guy.

To those of us who know Jack Rogers, here's a little item of inter-

est—Helen is the proud possessors of a diamond—the donor being in the army.

Kotalmens Victorious At Oshkosh

FROM THE LOCKER ROOM
by Jimmy Kulidas & Jack Rossmaesen

Coach Eddie Kotal scouted the Chicago Bears in their game last Sunday with the Detroit Lions for head mentor Curly Lambeau of the Green Bay Packers. Coach saw an eyeful as the Bears turned on the heat and defeated the Lions 49-0. So if the Packers hand the boys with the famous "T" formation their first set-back of the season on Sunday, November 2, you will know that it wasn't an upset or that the Bears had an off day. You will know that the game was won on Sunday, October 19, when Eddie Kotal was in the stands with a pencil and paper writing down every move the world's champion pro-gridggers made. Games are won on the practice field weeks before the actual contest is played.

The St. Cloud Pels, whom the Pointers meet this Saturday, are undefeated in five games thus far this season. They have defeated St. Johns, Rau Claire, Duluth Teachers, Mankato, and Winona Teachers. Don't be surprised if the Kotalmens topple them off the undefeated ranks. Last fall the Minnesota boys came here with a record of seven wins and one defeat and were favorites for an easy victory. Well, they went home with a 12-6 loss.

Northern Illinois Teachers of DeKalb, Illinois, whom Central State plays November 8, is also undefeated thus far. The Huskies defeated Whitewater 49-0; held the Central State Teachers of Muncie, Indiana, to a 6-6 tie; beat the Chicago Teachers 49-0; and won at Wheaton College 24-0. They travel to Oshkosh to meet the Titans Saturday.

Capt. Vic Aldridge of Illinois Normal U. found a set of Illinois Wesleyan plays. These two schools, with their campuses one mile apart in the city, Bloomington, Ill., are arch rivals. Vic promptly gave the plays to Coach Hancock who in turn returned them to the Bloomington outfit without looking at them. Real sportsmanship, eh? Roy Otto played a bang up game last Saturday. Time after time he was seen breaking through the Titan forward wall to smear the ball carrier for a loss. Ted Frisch was a hard man to bring down. On his 35 yard run after taking the lateral from Leon Kalkofen, four would-backtacklers bounced off him. Four men were taken off the field during the game after attempting to bring him to earth. Time out was called for two others who had the wind knocked out of them when they made contact with Ted. Doctor Peterson was off form last Thursday night and posted total scores of 182-226 and 253 for a total of 653. His 253 score broke the league record for a single high game. Jack Turecek's 237 game was high until the fraternity boy burned up the alley. Bob's 653 series score came within six points of Jack Turecek's league record of 659. Leon Kalkofen and Mr. Mott posted total scores of 541 to finish second high for the night.

Tomorrow night:
Alley I & 2 Phi Sigma vs. Faculty I (Plus 89)
Alley 5 & 4 Faculty II vs. DeMoyal (Plus 28)
Alleys 5 & 6 Sport Shop vs. College Eat Shop (plus 3)

MENTION "THE POINTER"

Six Teams Bowl In CSTC League

The Central State Teachers College Bowling League opened its third season of competition last Thursday night on the South Side Alleys. The Phi Sigma Epsilon Fraternity boys took three games from the Faculty team No. II.; the College Eat Shop swept three games from Faculty No. I. and the Sport Shop keglers defeated the DeMoyal team thrice.

Bob Becker was the high man for the evening. The Phi Sig star sent the pins sprawling for scores of 182-226 and 253 for a total of 653. His 253 score broke the league record for a single high game. Jack Turecek's 237 game was high until the fraternity boy burned up the alley. Bob's 653 series score came within six points of Jack Turecek's league record of 659. Leon Kalkofen and Mr. Mott posted total scores of 541 to finish second high for the night.

Neither team could make any headway in the sea of mud and a punting duel between Kiddie of Oshkosh and Frisch of Central State took place during the game. The Titans kicked on the first and second downs and one of Kiddie's tremendous punts put the Central Staters back on their 3 yard line. Frankie Koehn, attempting to punt from out of the end zone, couldn't hold the slippery pigskin and was tackled in the end zone for a safety. This gave Oshkosh boys a 2-0 lead which they maintained at half-time.

The Pointers came back and scored the winning touchdown at the start of the second half.

On a fourth down, Kiddie kicked to Kalkofen, who caught the ball while running at top speed. He returned the punt ten yards and lateraled the ball to Ted Frisch just as he was being tackled. Frisch re-tossed his field and galloped to the 18 yard line. Frankie Koehn made it a first down on the eight yard line on an end around sweep and then (Continued on page 4, col. 2)

Joe Goodrich says that in order to complete their difficult schedule against Stevens-College St.

against the team owned by himself and managed by Doc has added several outstanding players to their roster—Kenny, Rich, Rezin, Payne, Baurenfeind, Lee, and Grassl.

Pokey Jossart is doing a super job of touch holding for a certain somebody back home. Gen Smith has made up her mind and Swett is the winner. To one of the Nevenfeldts, "Blick Hit" is.

"Blick Hit" is.
