Freshman Green Disappears Via Orientation Program

Freshmen of Central State no longer wander around in a daze during their first year at college; they no longer make mistakes in mapping out their college courses, mistakes that used to take their entire college career to rectify. In fact, freshmen can no longer be termed "green" for oftentimes they seem to know more about standards, requirements, and prerequisites as well as correct course procedures as their upper classmen friends. The reason for these suddenly wise freshmen and their fund of correct answers is the

NEWMAN CLUB

The annual initiation services of the Newman Club will be held Wednesday evening, December 2nd, at 7 p.m. in the chapel. All Catholic students who wish to become members and have not as yet made the necessary plans are asked to see Katherine Dineen immediately.

The regular December meeting is scheduled for Thursday, December 10th.

A Christmas party is planned for the following week on the night of December 17th in the recreation room at Nelson Hall.

Interviews and Tests For U. S. Signal Corp To Be Given In City

Lt. Andrew B. Esser of the U. S. Army Signal Corp will be in R. M. Rightself's office from 1:30 to 2:30 p.m. Thursday, December 3, to interview men interested in Signal Corps Pre-Service Training.

A recruiting party, under the direction of Lt. Esser, will be at the Whiting Hotel all day and until 9 p.m. on Thursday and Friday will be given.

R. D. MORRISON LEAVES CSTC TO SERVE UNCLE SAM AS ACK-ACK LOOIE

Central State lost its second faculty member to the United States Army when Robert D. Morrison was called into active service last week.

He is now a 2nd lieutenant and is stationed at the Anti-Aircraft Training Center at Camp Wolters, Texas.

Although Mr. Morrison's history courses have been ably taken over by Mrs. Elizabeth Pfiffner, H. R. Steiner, N. O. Reppen and W. G. Jenkins, he will be missed by both faculty and students.

DEBATE SEASON NEARS—QUESTION CENTERS ON PEACE SETTLEMENT

The subject which CSTC debaters have begun to study under the direction of Leland M. Burroughs is, "Reciprocal relationship that should establish a permanent federal union with power to tax and regulate international commerce, to maintain a police force, to settle international disputes and to enforce such settlements, and to provide for the admission of other nations which accept the principles of the union."

Most of the regular debates will not take place until the second semester, and so definite teams have not been chosen. However, a tournament series of matches have been scheduled here at CSTC for February 22. In addition to this, members of our team have been invited to St. Thomas College in Minneapolis and to Eau Claire to participate in debate tournaments later in the season.

And so, in spite of tire and gas rationing it looks as if CSTC debaters will go on as before—debating and winning favorable decisions.

Complete Iris Staff Announced By Rogers

Work on the 1942-43 Iris is under way. The complete staff has been chosen and is forging ahead to put out a super edition which will be out early this year. The following students are busy gathering data and pictures for their various sections.

Fred Fink, editor; Violet Joyce, associate editor; Jackie Stauber and Carol Oleck—editors; Florence Flugaur, opening section; Glendy Chapin, administration; Hazel Tibbetts, faculty; Margorie Reitan, senior class; Virginia Clark, underclassmen; Elaine Teske, school division; Activities; Florence Theisen, music; Jane Finch, religious clubs; Jackie Stauber, publications; Iris Precourt, debate, forensics, theater, and radio; Byron Crowns and Marjorie Prey, entertainment; Miriam Paulson and Begetta Fleischmann, honorary and miscellaneous; Bill Carnahan, athletes; men; Dorothy Davids, athletes; women; Bernadine Petrosy and Lucille Lee, typist; Bob Shorey, technician.

NELSON HALL

The rumor which circulated several weeks ago concerning new furniture in the lounge room, has been confirmed by Mrs. Elizabeth Pfiffner.

During enrollment, F r e s h m a n s in a Convocation was held. At this time, President Hansen, Dean Pfiffner and Dean Steiner talk to the students, welcoming them and giving them helpful advice. President and Mrs.

First Home Game In Training School Gym

The Purple and the Gold opens its 1942-43 basketball season Friday night when it plays host to Stout Institute of Menominee. Stout boasts a formidable aggregation, having five returning lettermen from last year's team, which was highly recognized as a top team in the state.

This year's games will be played in the College Basketball Gym and Coach Berg has planned his offense and defenses accordingly. Practice this week have been designed to make final preparation for the game and both defense and offense have been stressed.

Coach Berg has not announced any definite starting lineup, but the opening five will probably find Carnahan and Erdman at the guard positions, Borchardt at center and Saymaski and Menzel at the forward posts.

Share, An'Tis A Busy Season We'Re To Have

by Florence Flugaur

Now that Thanksgiving is behind us, Christmas lists are the order of the day. If you notice an unusual amount of pencil and scribbling going on within the walls of this venerable institution, don't be misled into thinking that our students are working. They are only writing their letters to Santa Claus!

Do you realize, boys and girls, that three weeks from today we will be adjourning for Christmas vacation? "Three weeks!" you groan. Well, that's not quite an eternity. To speed matters up a bit, we can look forward to College Theater's production of "Can't Take It With You," on December 9. This sprightly drama is good for a rollicking evening of laughs, with a corridol of pleasant memories to carry away afterward.

Another red letter day is December 19—the day of the Senior Ball. Many a dancing foot throughout CSTC is twitching in anticipation of that great event. Of course we can't forget the Christmas Concert on December 20-21. P. J. Michelsen and N. E. Knusten with their singers

PEP ASSEMBLY

A student conducted assembly will be held Thursday at 7:30 a.m. in the auditorium. This is primarily a pep assembly to give our team a good start for the game with Stout.

The college band and mixed chorus will be there to lead in the fun. There will be plenty of singing for everybody to do and some yelling to let off that extra steam. Everyone—come on out!
A girl screams “fire” as flames quickly spread across the gay decorations of a night spot. Utter chaos results as the frightened revelers try to escape. The rest of the story has been published in almost every paper in the nation.

Now, we’ve been thinking. This college building was erected in 1894. It was as modern as any building in its day. That day was April 20, 1894. It was as modern as any building in its day. That day was

Pledge Season Over — 18 Become Actives

It’s all over now. The Tau Gams, the Omegas, the Phi Sigs, and the Chi Delts, in short, the Greeks, have finished their pledging periods. At the end of the era of suffering and sorrow, eighteen students of CSTC joined the ranks of the fraternity or Sorority of their choice.

The pledges became new members at the formal initiation ceremonies held before the banquets on Friday evening, November 20. After feasting, the dinners honoring the new members, the Greeks met at the Hotel Whitings to hold the customary Pan-Hel. Two speakers addressed the men who had just become members of the various organizations.

Pledge Season Over — 18 Become Actives

The new members of Omega Mu were Alice Buth, Audrey Priem, Jane Finch and Virginia Grasell. The Omegas had dinner in the main dining-room of the hotel. Patty Marke, toastmistress, introduced the speakers: Neva Jane Burroughs for the actives and Virginia Grasell for the pledges. The Omega scholars received the highest scholastic average, and were given books and personal pleasure by the banquet committee.

One of the regular army sergeants had an assortment of recruits on the rifle range recently and was nonplussed to see that every one of them had completely missed the targets at one hundred yards. He moved them up to the fifty-yard range and still not a bullet hit the targets. At twenty-five yards, the result was the same. “Fix bayonets and charge!” the sergeant bawled.

**ORIENTATION**

Wm. C. Hansen held open house for the freshmen each year.

In his speech courses, Mr. Burroughs strives to give his students knowledge of basic speech fundamentals and the ability to speak with poise and in talking before a group.

Before their freshman year is completed, freshmen, with the help of Mr. Kampenga, learn of the various and vast resources of the library. They also become sufficiently acquainted with general library practices and reference materials so that they may make fullest use of any library and have proper knowledge of practical bibliographical methods.

In her meetings with the freshmen, Mrs. Pfeiffer gives them a short history of the school, its tradition, extra-curricular offerings, and explains to them the scholastic and academic requirements of CSTC. Toward the end of the year, in connection with the guidance program, division directors and department heads explain the requirements for majors and minors in the various subjects, the standards and qualifications for work — in short they give the students a clear picture of the working world in their own particular field.

By the end of the second semester when the freshman student has successfully completed his course in Orientation, he is well equipped to choose his field of major study wisely and to complete his career in college successfully — thanks to the advice, knowledge and practical applications offered by the Orientation program.

**JOSEY NEWS**

by carny and pils

Gloomy Sunday. Then Gloomy Monday, except for the snow and everything ‘White Christmas’. One tune on the radio and hears Anchors Aweigh or Auld Lang Syne. Someone comes in and asks if the names of the jadgment leaving for the service are going to be mentioned in this column. There are plenty of them. We can’t give them recognition this week. Causing it is another item which reminds us of this: Remember the “good ole days’ when the ‘Ideal Boy’ was one who should:

1. Have a car
2. Be pleasant
3. Have a car
4. Be congenial
5. Have a car
6. Be a good listener
7. Have a car

(P.S. Numbers 2, 4, 6 may be omitted if the car has a radio. And shorty we consider anything with a gasration card and four good tires as potent date-bait.)

While we are going back to the good old days we might go back a few weeks and look over the Pan Hel. Lois Bauernfeind was there with Jack Gear, but she seems to be wrapped up now in a Navy cadet named Chuck Stotenburg. Betty Steckel was there with Don Becker, Katy Benz with John Mase. We hear via grapevine that Wimp is about to give back those wings.

Ask Hansi Rademaker how she feels about the Navy.

Senior Ball is coming up soon, about the 19th we are told. Paul Pasternackl believes in the proverb — Early bird gets the worm — and already has asked for a date, but does this proverb always hold true? We want to know if he got the date.

Some things to think about:

Basketball game Friday night with Stout at the Training school gym. Senior Ball — the 19th — Get yourself a date for the last formal of the year.

The transportation situation. Handseyside and a few of the Northerners know all about that. If school lasts until the 23rd, looks like we will be making a trip to our back and hitting the trail.

Be sure to attend the game Friday. Walker, Ross and Larson will be there and by this time we’re sure they will have thought of something new to entertain the crowd.

The picking of the all-conference team by the coaches is beginning to be a farce. Looking over the selections made by the head coaches we come to the conclusion that it was a hit or miss proposition and that they just jotted down eleven names for the sake of keeping up the tradition of naming an annual honor team. Recognition was not given where recognition was deserved. We cannot help but think that a clique existed among the coaches, how about giving the players some of those who chose the teams the right to be named to the team and naming an annual honor team. Recognition was not given where recognition was deserved. The picking of the all-conference team. We don't know why he was left out but we can imagine. Mike played almost sixty minutes in every game and was always seen spilling the opposing ball carriers and opening large holes for his teammates to run through. In the Whitewater game he played with one arm badly injured and useless. Nevertheless he performed outstandingly for 50 minutes. Of Milwaukee, another great guard, was also forgotten. Ditto of Oshkosh was put in the full back position. We will have to wait until after the duration to find out how it was made possible for him to be voted in. Hein, the leading running scorer and hard plugging fullback was left out. Mangano from Platteville was named to the team, wasn't in the time at which it was chosen, some of those who chose the teams probably don't know who the individual was. Everybody from the officials down to the little boys who formed the sidelines were that performed against Platteville where recognition was deserved. Neverthe less he performed outstandingly for 50 minutes. Of Milwaukee, another great guard, was also forgotten. Ditto of Oshkosh was put in the full back position. We will have to wait until after the duration to find out how it was made possible for him to be voted in. Hein, the leading running scorer and hard plugging fullback was left out. The Phy Ed dept., under the combined forces of Miss Greiling and Coach Berg, is holding open house Friday afternoon at three. Everyone is invited. Mixed volleyball from 3 to 4. At four all types of dancing — folk and ballroom. Other games will be held at this time.

Just a thought: Why don't we let them know, Those boys who join the ranks, That we're sorry to see them go And tender them our thanks.

BUSY SEASON

will probably be very busy these three weeks preparing for this important occasion:

Packed in between these good times will be sorority and frat meetings, sleigh rides, and parties (mixed with a judicious amount of studying, of course) so that December 23 will be here, and we’ll be packed off home before we know it!

So chin up everybody, and full speed ahead. Remember: “Don’t wait until the night before Christmas to be good.”
