Inexperienced Teams Win Six Debates At Eau Claire Tourney

Traveling in two cars, Mr. Tolo, Mr. Burroughs and eight college students left for Eau Claire Saturday afternoon, to participate in an intercollegiate debate being held there.

Each team had four contests and were the victors of six out of a possible sixteen debates. This is considered good for the inexperienced teams with only one of their numbers having had formal debate experience.

Following are the teams and the number of contests won:

Grant Thayer, Floyd Nixon-3 Points; Jim Flint, Mark Joliet, Tony Schumacher, Bill Damrow-2 Points; Janet Pogemiller, Iris Precourt-1 Point.

Neva Jane Burroughs, Joyce Larson-0 Points.

Platteville Cagers To Invade Point Friday

Seeking their second win of the new conference race, the Central State cagers will play host to the Platteville teachers tonight. Last season the Purple and the Gold annexed both games from the down state school.

Leading the Platteville quintet is Young, six foot four inches, who plays either center or forward, and Captain Lindoff, who packs a potent scoring punch.

Probable starting lineups for the Pointers will have Captain Pete Terzinski and Hank Poskie at the forwards, Al Helmke at the center post, and Ace Terzinski and Bill Carman at the back court positions.

TAU GAMMA BETA

Members of Tau Gamma Beta sorority were elected by Mrs. William C. Hansen, 525 North avenue, on Tuesday evening, January 13th. Other guests were Mrs. Frank N. Spindler, patroness, Mrs. Robert D. Morrison, honorary member of Tau Gam, Miss Ruby Greiling, faculty adviser, and Miss Ula Mae Knutson, an alumna.

A contest was held with Elaine Catlin winning the prize and a lunch was served at the conclusion of the evening.

NOTICE FRESHMEN!

There will be a meeting of the Freshman class in the auditorium immediately after the assembly program on Thursday. President Don Walker requests that all freshmen be present.

Six To Graduate At End Of Semester

Six more Pointers will join the ranks of the C.S.T.C. alumni at the end of the current semester on January 29, according to an announcement made Monday by A. S. Holt. None of the group is only graduate in the two-year rural course, Viola Marsh will graduate from the primary division, and the four-year high school course will be completed by Elva Daughette, Aloha Walter, Kathryn Piehl and Olney Holt.

Miss Piehl and Miss Holt accepted positions as science instructor at Auburndale and Miss Daughette has signed to teach Home Economics in the Stevens Point school system. Both will begin their new duties shortly.

After accepting his degree, Holt is scheduled to enter the United States Army.

Jenks Will Not Shave; Nixon Threatens To Wear Overalls--Hm!

If Merle Jenks doesn't shave, and comes to the Chi Delta Formal still wearing his beard, Babe Nixon will go to the dance in overalls as announced. Efforts to get "Honest Abe" Jenks to shave the shrubbery have been in vain for the past two weeks, so the group has given up hope and prayer of all his fraternity brothers that a priority rating can be secured on a sufficient number of razor blades in time to shave his beard mowed down to "city style".

Chi Delta Rho will hold its fourteenth annual formal dinner and dance Saturday, evening at St. Hotel Whiting. Music will be furnished by Johnny Nugent with his "Music for Moderns". Dancing will begin at nine o'clock and five o'clock to the activities will be broadcast over radio station WFHR, Wisconsin Rapids. The dance has been widely advertised over this station for the past month.

The dinner is to be at six-thirty. Guests of honor for the occasion will be Regent and Mrs. Wilson S. Delzell, President and Mrs. W. C. Hansen, Mrs. Elizabeth Pfiffner, Dean and Mrs. H. R. Steiner, Mr. and Mrs. Raymond M. Rightell, Dr. and Mrs. B. S. Tolo, and Mr. Norman E. Knutzen.

A large crowd is expected. Many of the alumni have already sent in their checks, and others of the college and the city are also planning to attend.

When asked if a "tux" was an absolute necessity, president Sherman Sword replied, "Emphatically no! It has never been and besides, look what Jenks and Nixon are threatening to do!"

Tickets can be obtained from any member of the Chi Dels. The tariff is $1.36 plus $.14 tax making a total of $1.50 per couple. A cordial invitation is extended to all by the fraternity to attend this gala affair.

COUNCIL CANDIDATES

Another Point Lieut. Visits Alma Mater

A short time ago, Lieut. Jack Taylor of the army air corps, formerly of C.S.T.C., visited for a day at the college and was greeted with the joy of the host of friends he enjoyed during the time he was a student here. Lieut. Taylor was invited to speak before T.C.’s ten o’clock history class and with a very interesting discourse on his experiences since leaving school. He told of his training at Skesteon, Fort Totten and Kelly Field, Texas. Since graduation from the ‘West Point of the Air’, he has been assigned to Selfridge Field in Mich., North Carolina, Fort Wayne, Ind., Seattle, Wash., and was on his way to a new assignment in South Carolina when he stopped off in Stevens Point to stay for a day with his parents and friends.

Of most interest to his audience was Lieut. Taylor’s story of his experiences with the P.39’s, or the Bell Airacobra, one of the army’s newest types of pursuit planes. He stated that a fully trained pilot is coveted at $50,000, a payment to the air corps. ‘The air corps does not command the personnel for the successful carrying of responsibility,’ said Lieut. ‘It is the pilots from all the pilots.’ He further pointed out that failure to complete an assignment is what draws the student to the office.

Lieut. Taylor was a student at C.S.T.C. from 1937 until 1940 and was an ardent hunting and skiing enthusiast.

STUDENT PARRING

Fast, Present, Future?

During the last two weeks a long cherished dream has come true. Several students have proposed to the Student council for our school and because of the interest, lack of interest on the part of the faculty, and the idea the idea did not get very far. However, we did our best and after the game seems that Aly has quite a number of admirers in Wausau. Heard that Mark Erdman, a one time drummer in the band and with the Playboys, is coming to Wausau and after the game is over J.J. is pleased over that fact also. Remember Hank Hryniewicz? He is slated as a second semester arrival also.

Forest and Thayer, Smith and Moreau! Brooks and Craig still have their meeting places in the hall and Eileen Owen is still getting letters from the O’Brien’s! Almost forgotten about Russ Fredricks and Ida Wood—forever? Their presence is felt to some extent and much are there.

Ask Joyce Larsen or Neva Jane about Joyce’s method of snapping her fingers in her debate speech. It’s really quite the new look.

Ed Valentine and Don Powers had quite an evening weekend. They received letters on how to spend the next night—they learned a lesson, too. Never park in an alley.

Louis Erdman wasn’t sette for anything less than a Betty-Ray had Betty Davis for the Art Kassel dance.

Bye now—Pils.

STUDENTS BOOST RED CROSS WAR FUND

The students of C.S.T.C. contributed $53.10 to the Red Cross War Fund of that association. Under the pocket book of their custom-

ers. Cooperation on the part of every student and by all the citizens of the city will bring us that much quicker. Different methods will be used unless it is found advisable again to use the phone and have mass meetings. Do your part, help the Red Cross, go to the Frat dance but don’t put your movie tickets to better use until battle is won. Victory may soon be ours.

KOTAL RESIGNS AS ATHLETIC HEAD

In the top game of the evening the Sport Shop toppled the Phi Sigma Epilson team, two out of three games. The Phi Sigs could not break their losing ways and now lead the league by but one game over the College Eat Shop who have moved up fast to take over the second rung in the standings. The De Molay team met defeat at the hands of The College Eat Shop in two out of three matches. These defeats dropped them in the standings. In the other games of the night the Underdogs toppled the Faculty in three straight and pushed the Faculty into the cellar in the league statistics.

Fritz Schwierske, star Eat Shop kegler, hit a 241 high for a single game and Roger Olson, outstanding Underdog bowler, posted a high 601 for three games.

Oshkosh Trounced By Point In Conference Cage Opener 50-36

The Stevens Point Teachers opened the conference season with a bang last Saturday when they decisively trounced the Oshkosh Teachers. The score was 50-36 in a game played in the P.J. Jacobs High School Gym.

Only in the first few moments of the game was the score close. The Pointers gradually pulled away and led at the half time 26-19.

Sparked by reserve forward Gordie Lewison, the Kotalmen gained ten quick points to put the game in the bag. Oshkosh modified zone defense proved no puzzle for the Purple and the Gold and they handled the ball well and shot with unerring accuracy. Especially from the corners where the opponents guards could not stop them were they ‘hot’.

Captain Pete Terzinski led his team-mates with sixteen points, including ten free throws and three baskets from the field. Hank Poskie added nine points and Gordie Lewison followed with seven.

Ditter, Oshkosh southpaw shooting guard, paced the Peds with ten points.

Numerous fouls were called and, before the game ended, the Pointers had lost two men via the foul route.

The Stevens Point Teachers gradually pulled up fast to take over the game and Roger Olson, outstanding Underdog bowler, posted a high 601 in a game played in the P.J. Jacobs High School Gym.

Gym Antics

Basketball is the main issue of the week—the girls are beginning to organize their teams. The Tau Gams are supposed to have a powerhouse. The team composed of Geer, Blissett, Pilis, Wemore, Larson, Morrissey, Both and Davis sounds pretty good also—and I’m willing to bet there will be plenty of exciting games this year.

Thursday at ten will be a posture program in the auditorium. Mrs. Pfiffner, Miss Colman, and Dr. Marsh will speak. Madeleine Labrot will demonstrate exercises.

Don’t forget the dance after the Platteville game—it is being sponsored by the WAA again this week—could you find anything more exciting to do on a Friday night?

The sleigh ride is still going to be held as planned—if old man winter comes through with a little snow in a big hurry—I wonder if it’s too late to start praying for a little snow.

Finger-pong has a new name on top of the ladder. It’s none other than Jean Doolittle, and from the looks of things, she will be there for a while.

There will be informal dancing on Thursday of this week but not next Thursday. Exam week, you know.

Come out for mixed doubles in badminton. We hear that Doc Pierson is quite a flash and Bob Whiteside from the Golf Post doesn’t do so badly, either.

Sportsmanship means a lot in life. One way to develop it is in sports. Let’s all come out for all sports—whether you are a member of WAA or not!

Tohm Elected Prexy Of Rural Life Club
Officers for the second semester, elected at the regular meeting of the Rural Life club on Monday night, are: Clarence Tohm, a fourth year student; president; Helen Firkus, sophomore, vice-president; Dorothy Hanish, junior, secretary; and Reuben Schulz, who was elected as treasurer, much to the delight of the "freshies".

An interesting program followed the business meeting. The following numbers were given: Reading, Loraine Zenner; Piano solos, Everett Gardner; Monologue, Helen Firkus; vocal selections by a chorus of nine girls accompanied by Carol Ockerlander at the piano; declamation, Arlene Prentice, a one-act play, and a recitation by Verna Merveden.

Before the meeting adjourned, Mr. Neale called the attention of the group to the serious problem we are facing in the shortage of teachers for rural and state graded schools during the years ahead and pointed out the opportunity there is for all of us to get good material into these fields for immediate training. This is another splendid way to do our bit in National Defense.
