Students At Madison For Religious Meeting

Dr. A. S. Lyness accompanied by five delegates from the College "Y" organization spent the week end at Madison, where we attended the 2nd annual Inter-College Religious Conference held on the University of Wisconsin campus preceding the University's "Religious Emphasis Week."

Approximately sixty persons, de-legates from Beloit and Ripon Col-leges, Stout Institute and Milwaukee, Platteville, Eau Claire, and Stevens Point Teachers Colleges, were represented. We were privileged to hear such prominent speakers as Dr. Wm. Lamers, Marquette University; Rabbi Abraham Sacchar, Cincinnati, O., and Rev. Rolland Schloerb, Chicago.

We conversed with members of religious organizations from other campuses and found out how they make theirs "work". We have come back with ideas and suggestions too numerous to disclose here. We might mention that we had the distinction of being the only school there that was an interdenominational group. We suggest that you come to the next meeting March 13th at which reports will be given by the delegates who were: Hannah Kaufman, Beth Johnson, Carol Ockerlander, Gilbert Halverson, and Robert Sparks. College Band Presents Concert A Shawano

Sunday, March 1, marked the beginning of the annual tours taken by the Central State College Band each year. Fifty members of the band left early Sunday afternoon in the College bus and faculty cars to present a concert at Shawano Sunday evening.

Through the courtesy of the Shawano High School Honorary Society the band was presented with a fine dinner at the society's country lodge.

A large crowd attended the concert and the remarks indicated that the band would be welcomed back next year.

The band enjoyed the trip and they are looking forward to the rest of the trips that are scheduled for this year.

PRIMARY COUNCIL

At a special meeting of the Primary Council, Monday evening, final plans were made for the annual Primary Homecoming luncheon to be held April 12, Sunday.

The luncheon will be held at the Hotel Whiting at 1:00. This will be the fourth primary homecoming luncheon to which alumnae of this division are invited.

Various committee chairmen are as follows: Lucille Weiher, adver-

Home Nursing Course To Be Offered Here

The opportunity has at last arisen whereby students interested in Home Nursing and Care of the Sick may receive valuable training in these things — and, if successfully complete the course—emerge with a certificate.

The first regular meeting of those interested in the Home Nursing Course, to be given under the direction of Miss Neuberger, will be held on Wednesday, March 4, in the Student Health center. This meeting will begin at three o'clock and is expected to last for two hours. In the event that the time chosen is not convenient for many who would otherwise be interested in attending, it will be changed before any future meetings.

At the present time too much stress cannot be put upon the need for people who have been trained in the care of the sick or prostrate, and it is seldom that the opportunity to receive this training can be found so close at hand. All who are in-terested and would like to prepare themselves in this way are urged to see Miss Neuberger as soon as possible.

The course is expected to continue for the duration of the school year. At the end of this time national certificates will be awarded to all who have successfully completed the work.

FRIENDLY 21

The Friendly 21 club met Friday evening, February 27, in the recreation room at the dorm. Following a short business meeting, the group played ping-pong. were served. Refreshments.

Free Radio Training To Be Offered Here

A chance for men and women to get free training as radio technicians at government expense is being offered to young men who will be called to service or who intend to volunteer for service in the armed forces, providing they are a high school graduate with at least one year of algebra and one year of three times a week for three hours each session at government expense, with no charge to the students. Evening classes will be organized at times satisfactory to those enrolled. This program is financed by a congressional appropriation, and the Extension Division of the University of Wisconsin is the agency administering the program in the state.

Those who are interested in free radio training to prepare for mili-

College Combination Mother - Daughter

With all the mother and daughter combinations in feminine attire recently, CSTC can be proud of its own combination right here in school.

The mother half of the duo is represented by Mrs. Beatrice Kelly. She taught the upper grades recent-ly in Granton, Wisconsin. However, she is not new to CSTC, having attended night schools and summer sessions previously. Working to-ward a Bachelor of Education degree, she is majoring in history in the Intermediate department. She expects to obtain her degree at the close of the summer session this year.

Kathryn ("Kitty") Kelly, the daughter representative, is a Home Ec major in the High School department. A Sophomore, she is studying for minors in Biological Science.

The Kellys hail from Tomahawk. Their Stevens Point residence is on Normal avenue.

HOME EC

The Philippine Islands were the theme of the Home Economics Club meeting Monday night. Talks were given by several members. Hilda Buchholz discussed life on the sugar plantations. Philippine weddings were described by Bernadine Peterhigh school physics. Instruction will son and Anita Murphy told of the be offered in special classes meeting Filipino foods and food customs.

Miss Doidge, field representative of Danforth Foundation, gave an interesting impromptu speech on the homes of other countries. She will speak in the auditorium on Thursday at 10:00 on the subject "Our Future is Now".

LSA

The Lutheran Students' association will meet on Thursday evening tary service or technical radio jobs at 8:00 p. m. in Mr. Knutzen's tising, Ruth Burnett, programs, and should make application with Mr. room. This meeting is important; Bernelda Humke, table. Rightsell. please be present.

Social Organizations Announce Pledge List

Rushing, with its social whirl of Rushing, with its social whiri or pleasure, is over and yesterday began the pledging period for aspiring fraternity and sorority members-to-be. From now until the eagerly awaited Pan-Hellenic dance on March 28th, actives will lead a life of comi laisure while humble pledges of semi-leisure while humble pledges run their errands, make their beds, press their clothes and perform numerous other tasks and duties.

The following girls are pledging Tau Gamma Beta this semester: Marion Alberg, Jean Cattanach, Dorothy Davids, Bette Davis, Char-lotte Harring, Lucille Lee, June Madsen, Ruth Marotz, Myra McMil-han Carel, Octeslander, Dorsen lan, Carol Ockerlander, Doreen Short, Beatrice Steiger, and Lois Vanderheiden.

The girls who attended their first sorority meeting on Tuesday evening as the pledges of Omega Mu chi as the pledges of Omega Mu chi are: Kathryn Bentz, Betty Brooks, Joyce Connor, Jean Doolittle, Vir-ginia Hull, Beth Johnson, Kathryn Kenny, Edith Olfston, Jo Anne Oligney, Bette Owens, Betty Pohl-man, Betty Puariea, Hansi Rade-macher, Genevieve Smith, Hazel Tibbote and Shiclau Tohice Tibbets, and Shirley Tobias.

Chi Delt pledges are as follows:

Reinhart Schroeder, Byron Crowns, Art Crowns, George Frost, Grant Thayer, August Rademacher, Kenneth Kangas, Ed Kowalski, Fred Schwierske, Roman Cooper, Steve Speidel, Hilton Stock and Stanley Langum.

Phi Sigma Epsilon is pledging:

Clarence Buck, Don Walker, Howard Barton, John Edwards, Dan Durkee and Tom Peterson.

It must be remembered during the next few weeks that, besides being a period of misery for those living through it, pledging really has a de-finite purpose. Many of the choics which the actives make their future brothers and sisters perform have as their object the desire to acquaint the pledges with the ideals of the fraternity or sorority; the desire to make pledges realize that the objective toward which they are aspiring is not to be easily achieved, but that when their goal, active mem-bership, is reached, it will be a worthwhile accomplishment.

Archery Club Formed

The newly organized archery club of thirty members held a meeting in the gym Tuesday night, March 3. Any faculty members or students interested in joining the organization are urged to see Virginia Lee.

No equipment is necessary, and dues are fifty cents a semester. Burton Christensen is the president, of the club.

on the beam After attending the meeting at Madi-son, this week-end, Hannah Kaufman brought this to me: "We send our love to Faust, Caryl, Mary Ellen, Adelaide, Jeanette, Ruth, Margaret and Don." There have also been some rumors as to the whereabouts of Mr. Faust's fraternity pin. Do you think that a certain town in Wisconsin is the weakness of both he and Clarence Tohm?

Wisconsin is the weakness of both he and Clarence Tohm? Arlene Doville and Florence Rydell, both of Wausau, spent the week-end in Point, visiting. There was a bill in the Pointer office for a long distance call to Rapids. Sword was wondering about it and said that if it had been to Oshkosh, he would have known who called. Nixon blushed and said, "Now, Sword!" Sounds like the bud started at the Point-Oshkosh game has blossomed.

Bob Schunk drank eight (8) malt-ed milks at the Goal Post the other night, each with one egg and two scoops of ice cream. He figures he gained a couple of pounds. Two women's teams, composed of Iris Precourt and Rachel Eide; Joyce Larsen and Neva Jane Burroughs, left on Sunday for St. Paul where they will participate in the Mid-West Debate Tournament at St. Catherine's. Say the modern Portias, 'We'll be back Wednesday unless we take eight out of eight.

RURAL LIFE

The Rural Life club met Monday night in the rural assembly. It was truly an "our meeting" evening. Following a short business session, a truth and consequences program was hilariously enjoyed by all. Much talent was discovered among people who have not appeared upon the program before this.

On February 16, patriotism was the theme of the program. Community singing of patriotic songs was enjoyed by the group. A pep talk on patriotism was given by Thelma Gunderson. This was followed with a talk by Mr. Mott on patriotic philosophy. The timely poem, "The Call To Colors" was read by Ada Knutson and followed by a mono-logue "Life Of Lincoln" given by Arlene Prentice.

there was anything he wanted in the Pointer. He said, "Yes. Tell Pils that I'm in love again." Chet Caskey, the ol' flash, is on the beam again. He certainly comes to the dorm enough and then there's another one who isn't effected by hours. We hear that Jerry Neuenfeldt backed out on his promise to get a date last Wednesday, but from a very authentic source, it is stated that he will not back out tonight (Wednesday). Who was seen with who on what night of what week? This bit was con-tributed by Malecki. Three of the girls (no names men-tioned by special request) were walking past the police station the other night and showed their patriotism by going in and telling one of the "flat-feet" that their flag was still up outside. They were told that the fellows hadn't gotten around to taking it down yet! Dorothy Sixel has been sporting a continuous smile. The one reason for

Monday night resulted in the chalking up of another victory for the "Blitzkriegs". This team won the first round robin in the basketball tournament and are right in there pitchin' for a second victory. They are well under way after defeating the "Outlaws" by a score of 27-7. The "D.F.s" are in second place. Thus far in the tournament Mary Raye Geer leads the scoring with Gen Smith and Madge La Brot fol-

lowing. WAA has set May 9th as the date for their annual Playday. Notices were sent out to the schools attending last year and up to date eighteen schools have replied stating their desire to attend these activities.

The women's singles in badmin-ton were finished last week and Jean Meydam emerged as champ. She de-feated M.K. Geer in an exciting 2 out of 3 set play-off. Both girls played an excellent

game. Mixed badminton is still in session every Wednesday night at the usual time. Come out and participate or watch some of these matches.

There will be a meeting of all members in the WAA game room at 7:15. There is a lot of important business to be discussed so all be there

See you at WAA tonight.

With the conference championship already cinched, Coach Eddie Kotal's cagers dropped a hard fought game to the Platteville Teachers last Friday night. The score was 42-41. This game wound up the season for both teams.

Fighting odds that were too great to overcome, the Purple and Gold missed several opportunities late in the game to nab the game out of the fire, but could not come through with the necessary baskets.

Harold Diers, rangy center, led Platteville with fourteen points gathered on six baskets and two free tosses. Captain Pete Terzynski led the Pointers with eighteen points, garnering six from both the field and from the charity line.

Bowing out of their college careers were Pete Terzynski, Teddy Fritsch and Hank Poskie.
