Juniors Preparing For Prom May 2

Springtime means promtime—and that time is coming soon. Bill Carnahan, general chairman of this year’s event, has been busy appointing committees, and they are working hard to make everything in readiness for that gala occasion of May 2.

Tickets for the prom will be $1.65, tax included. It has been definitely settled as to where it will be held, but the P. J. Jacob’s H. S. gym may be the scene of the event.

The committees appointed are:

Music: Tom Wishlinski, chairman, Frank Kochen, Florence Theisen, and Bob Shorey.

Decorations: Neva Jane Burroughs, chairman, Myron Sharkey, Virginia Lundgren, Patty Markee, and Joe Goodrich.

Invitations: Jack Gear, chairman, and Andrew C. Meyd’am, chairman.

Jean Meyd’am, chairman, and Kathryn Bentz and others by the string quartet composed of Gladys Berrend, Jackie Staub, Jean Meyd’am, and Kathryn Bentz; several numbers by the string quartet composed of Gladys Berrend, Jackie Staub, Jean Meyd’am, and Kathryn Bentz; and the Brahms “Cradle Song,” a soprano solo by Gertrude Rondue.

Terzynski Brothers On All Conference Team

Captain Pete Terzynski, star Central State forward, was named on the “All-Conference” team for the third year in succession by the coaches of the Southern Division of the Teachers Conference at their annual meeting at Madison last week. Pete led the Pointers in scoring during the last three seasons and finished third, second, and first in the conference scoring column respectively.

Ken Friebrich of Milwaukee State was scoring king of the conference. Ken Buehler of Wisconsin State was the top passer. Pete was voted the best guard for the third year in succession. Pete Terzynski is the only Freshman to be named among the All-Conference Team.

Fred Waring Petition Signed By Students

Petitions circulated by the Student Council asking Fred Waring to compose a pep song for C.S.T.C. have been signed so far by approximately 275 students according to Ted Fritsch who is in charge of the campaign. These petitions are being forwarded to Fred Waring and it is hoped that they will be accepted. Only one-fourth of the student body or 121 students of the student body would be needed to obtain results.

PHI SIGS TO PRESENT DOUBLE FEATURE

On Wednesday evening, March 25, at 7:30 in the auditorium, Phi Sigma Epsilon will present a talent show for the public. Two one-act plays will be given; a melodrama, “She Was Only a Farmer’s Daughter,” and a satire, “George S. Kaufman’s J. H. Form Played to Do.”

The second half of the double bill will be a style show of future fashion designs by the Phi Sig pledges.

ST. PATRICK’S PARTY AT NELSON HALL

The St. Patrick’s dinner at the dorm Saturday evening, March 14, was a huge success. Green carnations and white snapdragons decked the head table. Place cards were cut in the shape of the Irish clover leaves; green and white candles lighted the banquet table; and songs at dinner were of Irish origin. After dinner the guests were entertained with an impromptu Virginia Reel.

It is a part of Nelson Hall’s social program this year to invite a portion of the faculty to each formal banquet. Among the guests were: President and Mrs. Hansen, Rev. and Mrs. Delzell, Mr. and Mrs. Schmeeker, Mr. and Mrs. Reppen, Mr. and Mrs. Rogers, Dr. and Mrs. Tolo, Miss Pfeiffer, Miss Diehl, Miss Neuberger, Miss Geirling.

DEFENSE STAMPS

DAIRY TO SELL DEFENSE STAMPS

SINGING, SHOOTING ASSEMBLY THURS.

Singing and shooting—something for the musically-inclined and something for the outdoor-minded—this will appear at Endeavor High School Thursday morning from nine till eleven. At nine, we will hear the A Capella choir from Oshkosh State Teachers College. This is the first of those exchange programs with other colleges which we students suggested last year in filling out the assembly questionnaire. Our exchange to Oshkosh will be on May 21 by the Men’s Glee Club. At ten, Russ Hoogerhyde, five times national archery champion, will tell us of the “romance of archery” and will give a William Tell-ish demonstration of his theme.

Girl’s Glee Club At Wausau And Endeavor

The Concert Group of the Women’s Glee Club, accompanied by their director, Mr. P. J. Michelson, will travel to Wausau on March 19 to present a program at the Methodist Church. The following evening they will appear at Endeavor High School. Special numbers on the program include a marimba solo, the Liszt-Edwards “Rhapsodic Fantasia” by D. J. Raddant; Irving Berlin’s “Angels of Mercy,” a contralto solo; and a satire, “George S. Kaufman’s J. H. Form Played to Do.”

The second half of the double bill will be a style show of future fashion designs by the Phi Sig pledges.

STAMPS FOR SALE TO STUDENTS AT MAIN OFFICE IN COLLEGE

U. S. Defense Stamps went on sale this week at the information window of the main office. Government posters are conspicuously displayed throughout the building advertising the drive, but up until closing time Monday night only four stamps had been sold.

When a person purchases his first stamps, he is conveniently supplied free of charge, with an album in which to mount them. The stamps on sale at the main office are of the 10c, 25c, 50c, and $1 denominations.

A 10c stamp album, containing 50 Defense Stamps has a total value of $5.00 and may be exchanged for a $5.00 stamp and album.

Can’t we make our quota each week at least a 10c stamp per person? Go to the office tomorrow and tell Miss Mayville, “I’d like to buy a Defense Stamp please.”

PHI SIGS TO PRESENT DOUBLE FEATURE

The second half of the double bill will be a style show of future fashions displayed by the Phi Sig pledges.

Stamps may be purchased in advance from any Phi Sig active member. The price is 20¢; at the door, 25¢.
"OUTWARD BOUND"—Our sympathy is with the casting department this night. By the time this paper reaches the "stands" it is believed that the final cast will have been made public. We regret that no news is forthcoming today, but we had attended try-outs this P.M. We know that keen competition is the fellow to blame. Out and our predictions are risky, so we'll stay under cover behind this one. We advise that you watch for this Freshman "John Barrymore," who we expect will become prominent in theatre work here.

DOUBLE FEATURE: March 19— The 9:00 classes will be dismissed so that we may hear the A Capella Choir from Oshkosh State Teachers. The Choir is directed by Prof. J. A. Brehm.

(Contrary to public opinion: Let's prove to people that we are interested in assembly programs. Let's have another "standing room only" in the Chapel.)

Our Mens Glee Club will give a concert at Oshkosh on May 21—We want them to have a "full house." Let Russ Hoogeryhde, five times national archery champion present a lecture-demonstration: "THE RECORD OF ARCHERY." at 10 on Thurs.

ON STAGE

by Hannah Kaufman

Spring would be such dreary weather, were there nothing to do but spring. March 18th and already there are many of us who have had the opportunity to go to see the new comedy, "The Well." It is a wonderful play, and we are all agreeable wholeheartedly with our suggestions that the followings from Tripp and Adams hall at the University transfer to CSTC. Margie Prey would rather a certain one from a different frat house. . . . Send a note to the President of the theatre society, and they'll be glad to promote something. SeveralPromotions were made during one of the performances. Among the professors who were complimentary of the cast was Dean Tinkle. Says Dean Tinkle: "They are a well directed show, a very well directed show."

WHAT BETTER TIME . . .

If American armies decided to "put off" fighting for a week; if our naval forces determined to halt the hunt for enemy submarines until next month—how long would American remain free? If the producers of armaments "just forgot" to turn out guns and tanks and planes; if American generals "didn't have time" to map our campaigns—how long would America remain an independent democracy? We while can't of one person who hasn't commented favorably on United States Defense Stamps and Bonds, and who hasn't said "I'm going to start buying Defense Stamps without fail!" we can think of several people who have "delayed their purchasing," who "won't start buying for a few days," or who had "just forgotten to buy a stamp."

Today there appears to be no good reason for not buying stamps regularly. They can be bought at the information window of the main office. General Jack Tofton passed there at some time during the day. Why not stop for a moment and start a really worthwhile stamp collection, the most useful philatelic collection a person can have today?

Do not try to give the excuse that "only a dime won't help." If each of the some 500 students here at CSTC buy only four ten-cent stamps, they shall have placed in the hands of the government enough money to buy forty of the finest steel helmets made for America's fighting men. Again, if these same students purchase one ten-cent stamp each week for the next ten weeks until the end of the semester, they shall have provided enough money to fire a .50 caliber anti-aircraft gun more than 2000 times.

Let's bring it closer to home. Let's glance over the record of our own Training School pupils, the children whom we are teaching to be good, loyal Americans. During the month of February alone, the Training School children bought $157.10 worth of Defense Stamps. Can we, who should be expected to set the examples for them, show a record to compare with this?

We seriously doubt that there is anyone among the student body who doesn't "blow" at least a dime a week on his own pleasure, be it candy, cigarettes, movies, pin-ball machines, cokes, et al. Why can't we turn a few of those dimes over to a really productive purpose? Let's get behind this movement now and start buying Defense Stamps wholeheartedly, systematically, and regularly. There are no legitimate excuses! We have all said that we are willing to do our part. What better time to show it than right now!!
FROM THE LOCKER ROOM
by JIMMY KULIDAS and JACK RASSMUSSEN

An open letter to Malcolm Gilligan who writes sports Hash under the title of OSTC Profile in the Oshkosh State Teachers College Advance: We happened to read in your latest column that youresented the fact that Ted Fritsch, all-conference fullback from Central State, had been signed by the Green Bay Packers. You also stated that you didn't think that the war had done much to Pro football. My dear Malco., we guess that you don't remember when Teddy defeated the Titans single handed at our homecoming during the season of "40" when he kicked two field goals from beyond the twenty five yard line and scored a touchdown. Last fall Jerry Pleuvius saved Oshkosh from a bad beating when the entire field was bathed in mud and water. We know that you have to dust off the record books to find out when the Titans won their last conference football event... When you get a player the likes of Teddy Fritsch, Hell will freeze over... We also think that you got robbed when they held their day's ABC bowling tournament at Columbus, Ohio. You have an ideal setup... Let's see, Oh Yes, it was back in "36" when the MIGHTY Titans emerged victorious and we have inside information that it wasn't Vassar you defeated... Below is a record of the individual scoring for Central State's championship quintet...
BOWLING

The College Eat Shop still held first place in the CSTC bowling last week although they dropped two out of three to the Phi Sigma Epsilon fraternity who are close behind in second place. The DeMolay Epsilon fraternity who are close to amicably remained in second place by conquering the matches. In the other games of the evening, the Sport Shop whipped the Faculty in two out of three.

Louie Posluszny, Paul Cress and Roger Olson were closely bunched for honors in single games. Respectively they hit 202, 201, 201. Lee Kalkofen hit the high total games with a 573 series. Two members of the Sport Shop team, L. Kalkofen, and Frank Koehn are now deadlocked for leadership in average pins per game, with 176.
