Greek Council Says Pledging To Start Sunday, October 18

Sunday, October 18, will mark the beginning of 'Greek' rushing at Central State. For one week aspiring sorority 'sisters' and fraternity 'brothers' will be royally entertained by members of Greek societies. For this one week these aspirants will be treated with extraordinary kindness, but on Tuesday, October 27, a drastic change will be evident. The change may be explained by the fact that rushing will be over, and pledging will have begun in earnest.

Four weeks of servitude for all who come forth with an invitation to 'pledge', will be followed by formal initiation. On this memorable occasion pledges will become active members and may take their places as equals in their respective organizations.

Formal initiation is a private ceremony, differing in each organization. All four of the societies, however, hold welcome banquets immediately after their pledges become members. At the close of the banquets, 'Greens' and their guests will meet at the Hotel Whiting for the traditional Pan-Hellenic dance. This event, scheduled for November 21, will designate the end of the five week pledge period.

Adrian La Brot To Head 1942-43 Student Council

Adrian La Brot will head the Student Council this year as president as a result of the elections held at the first meeting on last Monday night. Other officers elected were: Jackie Stauber, vice-president, and Hazel Tibehtes, secretary.

Arrangements for class officer elections were made. Heads of the election committees are: Freshmen—Jim Wheelock; Sophomores—August Rademacher; Juniors—Ruth Michelsen; Seniors—Jim Kulda. Petitions for nomination may be in the Main Office not later than 5:00 PM on Friday, Oct. 16. Elections will then take place on the following Friday.

Chairmen for homecoming committees are: Publicity—Don Becker; parade—Jim Kulda; bonfire—Ursula Hein and Jim Wheelock; pep band—Jack Rasmussen.

Hey! Give Us Some Help!

Do you have a friend or an acquaintance in the service of his country? If so, whether the friend is in the army or navy, a member of the service, or any other branch, tell Miss Susan Colman all about it. She is interested in knowing the name of the person, the branch of the service he is in, where stationed, his rank, home address and club affiliation here at Central State.

Miss Colman is compiling a list of all former students of C.S.T.C. who are in the service. Any help from students will be appreciated.

PLATTEVILLE PEDS TO INVADE C.S.T.C.

Chi Delta Rho Fraternity is going to sponsor a "Campus Caper" Saturday night in the Training School Gymnasium. The festivities will start at 8 P.M. and will continue until midnight.

Harry James, Glenn Miller, Benny Goodman, Henry Busse and other celebrated orchestras will furnish the music by transcription. The Andrew Sisters, Bing Crosby, and the Ink Spots will also be on hand to entertain the crowd with their numerous numbers and current song hits.

Harry James and His Orchestra will open the evening of dancing from bandstand number one. He will play his theme song and then swing into his famous selections. After this the music of Glenn Miller will be heard from bandstand number two. Glenn is to feature the four songs he made famous in the motion picture "Orchestra Wives".

Jim Kulda, chairman of the dance, promises all a good time. Assisting him in promoting the affair is Jerry Nuefiele. No admission—it's for free!

NYA Aid Is Reduced—Blessing In Disguise?

According to Doctor N. O. Reppe, Miss Colman, will allow drastically cut again this year. From the total of $11,830 during the 1940 to 1941 school year and last year's total of $7,084, it has dropped to $3,105. Consequently, only 25 students are employed this semester.

The faculty members have suffered as well as students, for now, only those who have extra administrative duties are allowed NYA student help. These NYA students are divided in this manner—There is one student allotted to each Dean, one to each Division Director, one to each department of the Training School, one to each Science Lab, except Physics, one as a playground supervisor, one on the stage, one in the Main Office, and four in the library.

This decrease in the government appropriation, besides giving NYA help to fewer students, will also curtail the activities of the various faculty members. As a result, this deduction might be made: students will have fewer tests during the course of the year. If this proves true, the shortage of NYA help may prove a blessing in disguise!
SUGGESTIONS . . . .

Homecoming weekend is creeping up fast. Many of the organizations and clubs are busily completing plans for that greatest of all fall events. With this in mind, this department would like to offer a few suggestions for your consideration.

Years ago it was a custom to select a Homecoming Queen. The revival of this practice, we think would create added interest in the festivities. The method of selection could be the same as that developed through the Student Council.

Another thing which could stir up some fun for the students would be to declare the Friday before the game as "Hobo Day." Every student would have to come to school "dressed up" in old clothes. Other ceremonies could be connected with this idea. An award or honor could be given to the best dressed hobo.

A homecoming slogan can always be used. These are just suggestions to get the ball rolling for a bigger and better homecoming. Think these over and if you want to get on these, take your ideas to the Student Council. Not many of the alumni will be able to come back for this homecoming, but for those who do come back, let's give them a homecoming which will last for the duration.

EPISCOPALIANS

Episcopalians will have as their guest tomorrow evening, October 13, the Reverend Gordon E. Gillett, student chaplain at St. Francis College. The meeting will be held in Room 113, Main Building, at 7:30 p.m. Motion pictures will be used to illustrate the lecture. Any one interested may attend.

Dear Don Walker and those whom you represent:

How about some action? Talk's an active one for the organization.

FROM our observation all I see you guys do is stay at the Eat Shop hanging around the pin ball machine in bunches or if you do condescend to go to informal dancing, you all congregate at one end and watch the girls dance with each other.

What more can we do? At least we're trying!

Signed,

I don't like going to a formal escorted by another gal.

FORUM

James Kulidas is the new president of Forum, the organization of students enrolled in the Division of Secondary Education. Bob Shunk will serve as vice-president and Violet Joyce, secretary-treasurer. The elections were held at the first meeting, Thursday, October 8. The officers expressed their determination of making this year an active one for the organization.

R. M. Righell, director, reminds the members of the High School Division that it is their responsibility to attend the meetings of the Forum. The meetings are few, but everyone is expected to attend.

Homecoming

Nosey News by carny and pills

Hail to the Varsity! Whitewater sort of took us, but, gee, the gang wasn't there to cheer. We seek revenge on Saturday—it's Platteville here so plan to stick around. Get out the cowbells and blankets and invade Schmeeke Field—"Give and Git." Saturday night there will be a shin-dig at the training school, and here's where we gals will give the fellows a chance to do what Don Walker opined about in his column last week.

The majority of students were homeward bound Thursday but Hansi Redemarck was here to keep a date with Jim Playman.

Harry Hendrux used his influence to get some of the football players in the East and West game free. Later on a fellow said that was the first time he ever heard of anyone getting into that Madison High School classic without paying. Nice going, Harry.

Wildermuth and Gertie Rondue are seen together again now that she has finished serving out her campus term.

Squirt Berard" is in hot water again. Sam Barton and Bill Cancer are the main reasons for his sudden change of mind, and after two years, too. It seems they have something about 'Blondie' Olsen to 'Squirt,' but his steady was with him, then—not anymore.

The first home game of the present football season will take place Saturday when Central State plays host to the Pioneers of Platteville Teachers College. What do you say we turn out 100% and cheer the team on to victory. Let’s not let the team play before empty stands. Get out to Schmeeckle Field Saturday afternoon and REALLY SEE SOME SCHOOL SPIRIT. Surely we can outdraw Milwaukee State and Whitewater, especially Milwaukee, where only a handful of students turned out for the game. We are college students of equal ability to any in the country — let us demonstrate what Central State symbolizes and stands for whether it be on the athletic field or in the classroom. When the cheerleaders ask for a cheer give them a good response. Have the people in the outskirts of the city sit up and take notice as to where all of the yelling is taking place. If the students of Notre Dame, Northwestern, Minnesota, Wisconsin, Yale, and Stanford can remember Informal Dancing this Thursday from 8:00 to 10:00.

STRING OF VICTORIES IS EXTENDED TO SIX
by Jack Rassmussen

Whitewater continued to cast its spell over Central State. Saturday’s game played at Hamilton Field proved the point as Whitewater whipped the Purple and Gold to the tune of 13 to 0. The Pointers seeking their first victory over the downstate school since 1939, found their opponents worthy ones. As in the Milwaukee encounter, the Bergmen’s blocking was very sloppy and ragged and therefore the offense failed to function.

Whitewater scored after the game was but two minutes old after recovering a Point fumble on the Pointers’ forty-two yard line. After two line smashes had gained only two yards, Fisher passed to Wagner, who had sneaked behind the defense and scored. There was some question at this point whether or not Fisher had stepped out of bounds as he threw the pass. The officials ruled, however, that the play was correct, and Whitewater had scored with abrupt suddenness. Hrnjak converted for the extra point and Whitewater led, 7 to 0.

The Pointers’ attack on the ground did not function at all during the first half and Carnahan’s fine kicking was the outstanding highlight. Particularly fine was Carnahan’s quick kick which was downed on the Whitewater twelve yard line, and which traveled fifty yards. At

GIRLS IN SHORTS
by margie mae

From what I can gather all you girls seem to be bashful damsels or something, waiting for others to start something. Come out, the water’s fine — and there’s plenty of sports to pick from! Jackie Bregger’s bowlers met last Monday evening — that is, what there were of them. Nine girls came out and Jackie’s planning on three teams — so let’s really get them organized.

Remember, there’s archery every Monday and Wednesday from 4:00 to 6:00.

The W.A.A. met last Wednesday evening and did a lot of planning — they’re going to try to have a Homecoming float that wins the prize THIS year, too. So, other organizations, please look to your laurels! There will be another IMPORTANT meeting this Wednesday afternoon — more plans for Homecoming, so everybody be there!

Did you know Patty Markee and Hazel Tibbits have been hiking away to Boston early mornings and even fixing their breakfasts — bacon and eggs (the girl’s can cook) Alva “Tommy” Thompson has been so run down in and out of the Dorm’ with a tennis racket under her arm — really going it at hard. During the weekend W.A.A. members, Lois Brock and Elizabeth Du-omiing, traveled to Wisconsin, Yale, and Stanford can
