

## POINTERS OPEN AT MILWAUKEE COUNCIL ELECTIONS FRIDAY

### Old Student Council Arranges To Usher In New Members

At the last meeting of the old Student Council held Monday night, the members made arrangements for the election of the new council. Students may vote for four class representatives and for one divisional representative on Friday, Oct. 2, from 8 to 12 A.M. and from 1 to 4:30 P.M.

Voting tables will be placed in the main hall on the second floor. Seniors will vote at the table nearest the auditorium, Juniors at the next, Sophomores at the next, and Freshman at the last. Chairmen for the various classes are: Senior: Patty Markee; Junior: Jackie Stauber; Sophomore: Beth Johnson; Freshmen: Bill Nikolai.

The Council also voted to assume charge of the following student activities: Pep assemblies, choosing and organizing cheerleaders, and the homecoming festivities.

The Council wishes to remind the student body that petitions of nominees for class officers must be in the Main Office not later than Friday of the 5th week of school.

The following are council nominees:

Seniors: Adrian LaBrot, Ken Brenner, Myron Sharkey, James Kulidas, Florence Theisen, Juniors: Jack Rasmussen, Brigetta Fleischmann, Merle Jenks, Ruth Michelsen, Orland Radke, Don Becker, Sophomores: Beth Johnson, August Rademacher, Hazel Tibbetts, Bob Atkins, Lucille Lee, Howard Barton, Thomas Peterson. Freshmen: Mary Martens, Jim Wheelock, Ursula Hein, Marjorie Stimm, Richard Duckart, Ruth Phelan. Rural: Mary Bubanovich, Lorraine Zenner. Primary: Loretta Gotchy, Patty Markee, High School: Jean Meydam, Jackie Stauber, Jay Swett. Grammar Round Table: Janet Thompson.

### TAU GAMA BETA

Members of the Tau Gamma Beta Sorority invite all college women to attend their annual fall tea on Thursday, Oct. 1st, from 4 to 6 o'clock, in the Home Economics Parlors at the college. Miss Bernice Glizinski is general chairman.

### NEWMAN CLUB

The Newman Club is sponsoring a social event this fall which they hope will become an annual event in the future. On Thursday evening October 1st, the organization is inviting all the Catholic students and faculty, about 115 in number, to attend a Catholic social-get-together in the recreation room at Nelson Hall, from 7:30-10:30.

## Turn Radio Dial To 930

### CTSC Radio Workshop Offers Variety Plus

This my friends, is the age of miracles!! Or haven't you heard? Chief among the wonders that we moderns have come to take as a matter of course is the radio. Whether you know it or not, programs are given over this device at every hour of the day all over the United States!! Oh, you knew that too? Then let me ask you this—Are you aware of the fact that CSTC is one of the many places in America that does the above-mentioned broadcasting? It is!

The Radio Workshop presents a program over station WLBL every day in the week at times when we college students are almost all free and can hear and enjoy them. The Workshop is a student organization whose programs are designed to give you the best in radio entertainment.

(See Radio, page 2)

### Trouble Comes To Dorm But Everybody's Happy

Word has reached this office to the effect that a new inmate has been added to the roster of Nelson Hall. We understand that several formalities were observed before the new "girl" was permitted to enter her name upon the roster. Preceding her formal entrance as a bonafide dormite, she had been secreted in various rooms in the dorm by her friends within who felt that her presence might not be welcome to those in charge. Her name? "Trouble"! Trouble is a lady dog, (said he modestly) and is now safely and happily settled in her new home. We saw "Mike" Blissett uptown the other day with several purchases in tow for "Trouble". The dormites have really taken to the stranger in their midst as is evidenced by the money and care they have spent to allow "Trouble" to become a dormite. Dean Pfiffner and Mrs. Jelinek were at a loss for a moment after the discovery that "Trouble" was in the dorm, apparently established as a regular boarder. They rose to the occasion magnificently however and gave their permission to the girls to keep the dog on the one condition, ordinarily strange in the case of a "dormite", that "Trouble" have no boyfriends!!

And so the dorm has a new inmate, officially entered upon the above mentioned condition (which by the way was drawn up in writing and notarized by Miss Rolfson) and is now regaling the dorm gals with her antics. Would you say that her name was aptly chosen? We would!!

### GALS DECLARE THAT MEN ARE NOW UNNECESSARY— MEN SNICKER SILENTLY

He who first talked about the indispensable male didn't know what he was talking about or else he must have just been sticking around between wars. Just ask any Tau Gam or Omega and she'll tell you that they aren't.

Of course fellows would have been nice to have around to build our fires, or to open our pop bottles—or even to walk home with, but we managed to get along right well. Or haven't I told you that the Omegas entertained the Tau Gams at a picnic last night? As far as I could see everyone seemed to be having a good time and there couldn't be found any better "picnicers" than Miss Meston, Miss Glennon, Miss Greiling, Miss Benton, Miss Colman and Mrs. Pfiffner — they were tops.

This is the first get-together the Tau Gams and Omegas have had, but it is hoped there will be many more.

(Editor's Note: Won't it seem queer to see one girl escorting another to the formals?!!)

### Forthcoming Programs During Assembly Hour Hold Interest For All

Students who heard George Hammond explain "How Important is Three-Fifths of a Second," also heard Dr. Lyness mention the fact that many more assembly programs consisting of both local and out of town talent, are to be held at various intervals throughout the semester.

Thus far, only three assembly programs have been scheduled definitely for the coming semester. Further plans will be made as soon as the new Student Council appoints a committee to work with Dr. Lyness on the selection of more programs.

The schedule is as follows:

Oct. 22-Thurs.-10:00-Dr. O. W. Warmingham, lecturer, of the American Youth Foundation, St. Louis.

Nov. 17-Tues.-10:00-Leslie Pickney Hill, negro entertainer of the State Teachers' College, Cheyney, Pennsylvania.

Jan. 21-Thurs.-10:00-Robert Elliot, violinist.

### SIGMA TAU DELTA

Will meet Wednesday evening  
at 7:15 in Mr. Burrough's room.

### Game With Gulls Rated A Toss-Up

The Central State football players will begin a new season Saturday in Milwaukee with a new coach, a new line, a new style of offense and new spirit. They will face an old enemy however—Milwaukee State. Led by Dick Geske, hard pounding fullback, the Green Gulls will present a formidable outfit. The Klugemen opened their season last Friday night against LaCrosse Teachers. The game ended in a scoreless tie after the Green Gulls failed to push over a touchdown from the two yard line late in the game. The Pointers will be out to extend their successive victories over the downstate college to three straight, having taken them into camp 20-6 last fall and 21-19 the previous year.

Coach Berg will be sending a college varsity team into competition for the first time in his career. Previous to this year Berg directed the destinies of Waupun and East Green Bay High School elevens.

The Pointers' starting lineup of last season has been eliminated by graduation and enlistment in the armed forces. Ted Fritsch, who is now performing for the Green Bay Packers, Frankie Koehn, Joe Goodrich, Ken Parr, Roy Otto, Louis Posluszny and Clarence Fox will be missed. The squad was strengthened Monday when Chester "Boots" Derezinski 200 lb. tackle, made his appearance on the field. Coach Berg has not announced a starting lineup but he will probably give the go sign to six lettermen and five freshmen. The boys who will likely answer the opening whistle are: Ends: Swett and Parker; Tackles: Playman and Derezinski; Guards: Schunk and Sharkey; Center: Barton; Halfbacks: Larson and Carnahan; Blocking back: Fink; and Fullback, Schmitz.

The team will leave Friday afternoon for Milwaukee.

### Service Groups To Recruit At College

To stimulate enlistments among college students, particularly of officer candidate, a group of officers representing all branches of the armed services will be in Stevens Point on October 12.

The officers will hold an assembly of the male students of Central State in the college auditorium at 10:00 A. M. After each branch has spoken to the students, they will retire to separate rooms where they will answer any questions concerning reserves or regular enlistments. For any other information concerning this meeting, see Mr. Rightsell.

## The Student Council . . . .

Last January the student body of Central State adopted a constitution for the formation of a student council. Shortly after, students were elected to membership in this council. These students took their positions seriously, and immediately set to work. By the time the end of the term rolled around, the council had accomplished several useful projects. We can say that its first term was successful.

The second year of the student council will get underway after the elections this Friday. The success of this council will depend on two things; the members of the council and the entire student body. To you students who seek election: If your purpose in seeking membership on the council consists merely of a desire for prestige and honor for yourself or your organization, it will be to your interest and to the interest of the school at large that you withdraw your name from the ballot. It is the duty of every council member to work for the interests of the students.

To every student on the campus: The council must have the full cooperation of everyone enrolled at Central State. If this can't be done, the council will peter out and we students will have lost a good thing. So come on everybody, back the Student Council and we shall all profit by it.

## RADIO

Here is a complete list of the programs for you to follow in your selection of what to tune in on in your leisure time.

**Monday:** Mr. Leland Burroughs reads original poetry every Monday from 3:45 to 4:00. His program sometimes includes the work of grade school children which has been submitted to their teachers. This will be of interest to you Primaries. English majors, Speech minors and Creative Writers will also find this program to have professional interest for them as well as being a quarter hour of enjoyable listening.

**Tuesday:** From 3:15 to 4:00 Bob Rifleman, Student Producer of the Workshop, brings a program of A-1 music to the air waves on the theory that this type of music, if given a fair hearing by modern jitterbugs, will become a part of the musical need of today. After all, some of the greatest swing selections of the day have been lifted bodily from the works of famous classical composers. Who knows? In listening to this program you may discover an unused bit of melody that can become another swing "great".

**Wednesday:** This war is producing many books, both fact and fancy. The rapidity with which these books are being published leaves all but the trained observer somewhat confused as to which will provide the best reading. Mr. Kampenga speaks for fifteen minutes every Wednesday from 1:00 to 1:15 on the new

books in this war. Kids, here's your chance to keep up on the book situation of today with Mr. Kampenga doing all the work!! All you need to do to get in on this wealth of "info" is to listen.

**Thursday:** We have all heard the college band perform at one time or another at various functions held throughout the school year. "Corny" is definitely not a word that can be used in connection with the work of the band! (That is, with the exception of the few times when Calvin "Krupa" Rasmussen gets out of hand!!) Well, the band broadcasts directly from its room on the ground floor from 3:30 to 4:00 each Thursday. Mr. Michelsen promises to keep "Rass" in check, so give 'em a try!!

**Friday:** Each Friday Grant Thayer, announcer of the band program on Thursday, handles the "Purple and Gold Hour", heard at 3:15. "Shiek" Thayer does a right smooth job with this program, introducing the warblers and other talented bozos who perform at this time. Don "Glczc" Walker mangles the campus news on this program to fill out the fifteen minutes.

**Everyday:** At 11:45 Bob Rifleman doubles at the controls and announcing posts to bring you the Campus Variety Program, which is just what the name implies. Lenny Abrahamson, Assistant Producer, helps Bob with this quarter hour. Popular records, to feed the insatiable appetites of the swing addicts make up part

(See Radio, page 3)

## NOSEY NEWS

by carny and pils

No preliminaries today... right on with the "news". After that item in last week's column, at least three Virginias have asked us if they were the Virginia, Sam Barton talked about while unconscious. Where does Cassidy fit in? Jack Gear, Don Becker, and Grant Thayer played bridge at the dorm for 2½ hours before they convinced Mary Lou Hutchins to go out with them. She's not ratio worried. Heart-breaker Sharkey is on the beam again. He set aside his unit outline to go stepping with last semester's campus sweetheart. Guess he wants to put in his time before she leaves for nurses's training.

Charm Magazine featured an article on the interpretation of lipstick on envelopes. It didn't help much in trying to find out about the marks on Bill Parks' forehead. Gloria Joosten is sporting the "ole conquer". Her o.a.o. is leaving for the army. "Boots" Dereziński, new student, was in a hurry to start classes. He went to his 11 o'clock at ten. Gil Rodencal went to LaX to scout the LaX-Milwaukee game and a special little girl there from Berlin.

In case there are any more curious students, Bill Carnahan traded a sweat-shirt for that little red hat with Rosie Howes. Shorey claims that he can study at home better than in St. Pt. He goes home every weekend and we think that there is someone special there besides his mother.

Several people from Point took in the Notre Dame-Wisconsin game last Saturday. Rassie's press ticket was accepted, so he went in on a kiddie's ticket. Informal dancing starts this Thursday in the College gym. Come on over and have some fun. Jim Brown was getting in shape for the army last Sunday night. He claims that he walked miles. What was the reason? This may be a reason for the increasing number of fellows "chasing" the Point girls... the rising cost of food. Grant has stepped right in since the "Navy" flew away.

Seen about town: Dave Hennick-Jan Thompson; Wimpy- LaVerne Larson.

## Students Invited To See Exhibit

The paintings of various artists, who have now made their mark in the world of art, are now on exhibit in the art room of the college. Miss Carlsten, art teacher, invites all students to come in and look them over. They will be on exhibit for about two weeks.

Many of these works are now in prominent art galleries throughout the country and handsome prices have been paid for them. These artists have also painted murals for the government to use in government buildings.

The paintings on exhibit have been allocated to each State Teachers College by the WPA Art Program.

## LIBRARY NOTICE

Revised rules for the student use of the library during the present school year have been announced by Mr. N. R. Kampenga, college librarian. Questions will be welcomed by Mr. N. R. Kampenga, Mr. Paulson, or Miss Gloyer, who will be in charge of the desk.

Library hours will continue as before, except that the reading room will not be closed during the noon hour. Reserve books are available daily after 4:00 P.M. for overnight use and on Fridays, for weekend use. These books must be returned by 8:15 of the next school day. Fines for late returns will be as follows: 8:15 to 9:15—5¢; after 9:15, 10¢; after 1:15, 25¢ per volume will be charged.

On ordinary 14-day books, however, the fine rate will continue to be two cents per day.

## HITTING THE NOTES

with mickey

While the war has had a detrimental effect upon the enrollment of C.S.T.C., as in other colleges all over the nation, it has apparently had no such effect upon the Girls Glee Club. To date, approximately 100 girls have expressed their intentions — or hopes — of becoming members. Such being the case, more than ever, this year we ought to be an active, peppy, worthwhile organization. Our director, Mr. Michelsen, is ready to work with us and for us, so let's all help him, and make this the best year we've ever had.

The Men's Glee Club has begun to take shape. In sharp contrast to clubs of previous years, the bass section is somewhat weaker, but this can easily be overcome. Mr. Knutzen, director, says that he will use lighter numbers this year. Early winter concerts have been planned.

As one fellow said to me, "Where's the rest of the band?" Well — we may not have quantity, but we do have quality!!—You just won't be able to keep us down no matter how small we are.

We may have only two trombone players, but Pat and Johnny ought to be able to hold that section down. We have a new flute player too — or have you heard? He's not real tall and he's a little(?) on the Chuck Dodge side when it comes to hair, but he's Ooooh, so handsome!

Of course the drum section is just as good as it ever was. It's probably the best section in the band — not that anyone around here is partial or anything. Anyway, if you think we won't have a band this year, — just because there aren't many of us — you just wait! We're all ready to blow you off the bleachers at the first football game!

**GIRLS IN SHORTS**

by margie mae

The weatherman and I are just like that — I'm on the bottom! If we have any more snow right away I'm going to call this "Girls in Parks"—or something!

Anyway, we had archery this Monday, and don't forget the regular time scheduled for, that is Mondays and Wednesdays at 4:00.

If you girls are interested in bowling, Jackie Bregger is getting the girls together next Monday from 7:00-9:00 at the South Side Alleys, downstairs — remember you don't have to be an expert—we'll all be green together.

The WAA picnic that was scheduled for last week is to come off this Wednesday at 7:30 P.M.—unless there's another snowstorm! The meeting place is the "Dorm."

Informal dancing is starting this Thursday — dancing from 8:00 to 10:00 in the gym.

If there are any warm days there'll be tennis too, and plans are being made for girls' hockey.

**THOUGHT FOR THE WEEK:** Although you don't win a pennant And nobody calls you a "Card" Sports are a lot of fun and play Even though you may work hard.

**LSA**

The local Luther League sponsored a reception for the LSA students and faculty advisors at the First English Lutheran church Monday evening, September 21. Rev. A. Swenson of Milwaukee was the guest speaker. Walton Murat showed movies of the Bible camp at Crooked Lake.

**Tennis Program Set —  
Dearth Of Gridders  
Delays Pigskin Setup**

Final arrangements for the intramural tennis matches have been completed and the various games will be played at the most convenient times for the players that are participating. All of the sets will be played on the college courts. The group has been divided into two divisions, the novice and the experienced, and each will go through a round-robin series with every player meeting each other. Each round will be determined by the player winning two out of three sets. The schedule for round one: In the novice division: Ray Arndt-Bye; Richard Berard-Bob Tibbetts; John Mase-Francis Nelson and in the experienced division: Ray Becker-Bye; Thos. Felker-Paul Pasternacki; Jim Fitchen-Chuck Larsen; John Graff-Clarence Hengel. Any other information that is wanted will be posted on the Athletic bulletin board.

As yet, not enough fellows have signed up for intramural football, and a schedule cannot be drawn up until further names are added. If any more of the fellows can possibly arrange to play, sign up in the Coach's office. Also anyone wanting to learn officiating of football and basketball games, can report to Coach Berg who would like to hold a class for this purpose. It would be helpful for anyone who wishes to become a coach or physical education teacher.

There will be some contests in (1) football passing for distance (2) passing for accuracy; (3) Punting for distance and (4) punting for accuracy. Get in plenty of practice and be ready when these tests are announced. All boys except those on the varsity football team are eligible.

**From The Locker Room**

by Jimmy Kulidas and Jack Rassmussen

The athletic department has set October 31 as homecoming. That is the final game of the season and we will be host to Oshkosh State Teachers. However, as the Pointer goes to press, we were informed that the University of Wisconsin will also hold homecoming festivities on the same day. There are many Badger fans and alumni in this vicinity who would like to take in the Wisconsin homecoming and who would also like to see Central State perform. Likewise many Central State students had planned on going to Madison. Furthermore the local high school will conduct homecoming on the same weekend. This will interfere with our celebration. We would like to suggest that our homecoming date be moved to the 17th or 24th of October. Platteville will come to town for our first home game and third conference tilt on the seventeenth and Northern Illinois Teachers will be our opposition on the twenty-fourth... Joe Goodrich was headlinesman at Westfield-Adams Friendship game last Friday night... Coach Eddie Kotal of the Packers toured a group of Central State stu-

dents through the Packers locker-room after the game Sunday. The boys were quite thrilled with the occasion... Ted Fritsch gave a good account of himself against the mighty Bears. He looked very good going through the line. On one occasion he thunderbolted through the Bear line for nineteen yards and was brought down by the safety man... We would like to extend our sincere sympathies to Whitewater Teachers College in the loss of Chick Agnew, their coach and friend. Coach Agnew will be missed by the rest of the coaches of the conference. He was the "Dean of Wisconsin Coaches". In his twenty three years of coaching at Whitewater he produced six championship ball clubs... He had the distinction of never having any of his teams finish below third place in the conference standings. Dealing with Coach Agnew in athletic activities as student managers representing Central State we found him to have a very pleasing and likeable personality. We will never forget the day we congratulated him after his powerful eleven had won the conference title undisputed by trouncing Central State 45-12. With a broad smile on his face he told us that his team was lucky to win. He was a modest person if there ever was one.

# Nurse Come Here And Hold My Hand

Are you baffled by a thermometer? Can you improvise back rests out of suitcases? Do you know all about planning the correct diet for a sick person?

These are but a few of the techniques and answers those students will have who are enrolled in the Home Nursing course that is being offered at the college. The lucky few who will have all these answers are: Gertrude Heike, Phyllis Umlauf, Kathleen Schaefer, Jean Meysdam, Billie Jean Eickhorn, Arlene Semanko, Kathryn Kelly, Lorraine Zenner, Verna Meverden, and Agnes Madsen.

The class will meet every Wednesday afternoon at 3:00 for two hours in the Health Service Room. The first half of the period will be devoted to informal discussion and lecture, while the latter part will consist of demonstration and practice in actual nursing methods.

Miss Neuberger states that she will offer this Home Nursing course again next semester and she hopes that fellows as well as girls will enroll.

### PRIMARY COUNCIL

New sophomore members were welcomed into the primary council last Monday evening. At the meeting it was decided to hold the annual picnic at Bukolt Park on October 5th. The new officers for this semester are: Marjorie Reiten, president; Maxine McGuire, vice-pres.; Harriet Coey, secretary; Lois Van-

## New Secretary Joins Administration Staff

Mrs. Arla Bender, former teacher at Mondovi High School, is the new secretary in the registrar's office. She filled the vacancy created by the resignation of Miss Loretta Gonerig who has enrolled in C.S.T.C.

Miss Arlene Mayville is leaving this week to accept a stenographic position in the Agricultural School of the University of Wisconsin. To date this vacancy has not been filled.

## COLLEGE "Y" PREPARES FOR ITS SECOND YEAR

There will be a re-organization meeting of College "Y" Wednesday, Oct. 7 at seven thirty in Room 115. At this time the regular schedule of meetings and activities will be arranged.

College "Y" is an inter-faith organization beginning its second year at CSTC. Its primary purpose is to bring students of all faiths together in discussions of present-day social and intellectual questions. Don't get the impression that this is a "stuffy" bunch!! College "Y", in the one year of its existence at Central State under the able direction of Dr. A. S. Lyness, has established itself as one of the most worthwhile and interesting groups on the campus. Everyone is invited to attend this first meeting.
