

ARMY TO TAKE OVER NELSON HALL

Eleven Men Called To Active Duty By February 26

Eleven CSTC men have received their orders to report for active duty at Fort Sheridan by February 26. All of these men are members of the Enlisted Reserve Corps. The order came as some what of a surprise to the men, but all have made hurried arrangements to get home to see their families and to close their affairs here at CSTC before the deadline date, February 26. These orders will no doubt begin to come with bewildering rapidity in the following months. As this issue goes to press, there may already be others who have received their calls.

Men included in the list ordered to report February 26 were, Cliff Borchardt, Ray Craig, Kent Cutnaw, Frank Dakins, Dan Durkee, John Edwards, Everett Gardner, Don Kordus, Jim Kulidas, Ernie Link and Jay Sweet.

Men in the Army Air Corps who have been called to active duty and must report Friday to their headquarters are Jim Sullivan, Francis Nelson, Howard "Sam" Barton, and Bill Nikolai.

MOVIE OF RAF BOMBING TO BE SHOWN THURSDAY DURING ASSEMBLY HOUR

"Target For Tonight", a 48 minute reel featuring a dramatic story of a bombing mission by the Royal Air Force, will be shown at the regular assembly hour Thursday, February 18th.

This film is distributed under the auspices of the Bureau of Motion Pictures, Office of War Information. This 16 mm. sound film has been designed and planned to inform the American people of the status and the progress of the war, and to indicate how they, as individuals, can help in the war effort.

The film will prove to be highly interesting to everyone here at Central State for it is an authentic and thrilling account of an actual bombing raid by a unit of the Royal Air Force.

The arrangements for the showing of the film here were completed by Jimmy Kulidas, president of the Forum. Mr. Raymond M. Rightsell is faculty advisor for the group.

—FOR VICTORY: BUY BONDS—

Girls Are To Vacate Soon; Many Changes Due Here

400 FLIGHT TRAINEES COMING MARCH FIRST

Raymond M. Rightsell, armed forces advisor for this area, announced today that all preparations for housing, feeding and educating the 400 fliers who are to be stationed here had to be completed by March 1. He stated that actual official approval of the arrangements made here to accommodate the fliers had not been received as yet, but was expected "any time".

Some indication of the training that these boys are to get was also revealed in the statement. Facilities of the Stevens Point Airport under the management of A. E. Padags will be used to provide each of the student fliers with 10 hours of flying. Because of the large number of men who will be receiving instruction, the flight training will be spread out over the five month period for which the students are assigned here.

Formal academic training will include 180 hours of physics, 80 hours of mathematics, 60 hours each of English, history and geography and 24 hours of air regulations. Our own faculty members will have charge of these classes, although it is expected that the Army will bring in some of its own instructors also.

Also included in the five month course will be extended work in military drill and 120 hours of physical education. Army officers will be assigned here to be in charge of the group. All of the cadets will have had some military experience before being assigned here for academic and flight training. Men who successfully complete the course here will be sent on to army air forces advanced flying schools. Those who fail to qualify here will be eliminated as pilot trainees and will be used in other capacities by the army air forces.

The chief difficulty seems to be in recruiting enough physics teachers. We may all be sure that this welcome "invasion" will require many changes in schedule, many inconveniences for those civilian students that are left here at CSTC.

NELSON HALL

Festivities at the dorm were especially gay Saturday evening at a "boy and girl" party held in the recreation and dining rooms. It all began late in the afternoon when the "boys" delivered their "corsages", which were nothing else than vegetables, disguised Kleenex and powder puffs to mention only a few of the clever parodies, to their "girl friends" and escorted them to dinner. The party was climaxed with games and the distribution of original valentines.

Like a bolt from the blue came the startling announcement on Monday evening that Nelson Hall must be cleared of its present occupants not later than Wednesday, February 24. At a special meeting of the entire dormitory, Dean Elizabeth Pfiffner announced that the "ax had fallen", and that the coming of several hundred army student fliers who are to be quartered there had necessitated the abrupt evacuation.

Nelson Hall was used in the last war to quarter over one hundred soldiers, and the 1943 co-eds living at the dorm can now fully appreciate the dismay felt by the gals who lived there in '16 when THEY had to move out to make room for the army.

A government announcement released a few weeks ago designated CSTC as one of the colleges that had been chosen as an army training center, but until Mrs. Pfiffner's announcement the fact was not really brought home to us here at CSTC. Extensive plans have been made by the Administration to set up the housing program for these men.

Monday night, several dormites were rushing around Stevens Point in a frantic search for rooms. Their concern is natural, but it was explained that fears that there were not enough rooms for all were unfounded. The rooming facilities here are more than adequate for the needs of the "dormless" dormites and all should be comfortably settled in their new surroundings long before the deadline.

The many sentimental ties which envelop the dorm and its activities are being sadly strained by the evacuation order, but dormites are dormites wherever they may be, and they will no doubt carry on in the traditional manner even though their beloved dorm is being used by the army.

RURAL LIFE

Rev. Father Thaddeus Koszarek, who is assistant pastor at St. Stanislaus' church and Secretary of the Catholic Rural Life Conference of the Green Bay Diocese, was the guest speaker at the Rural Life Club meeting held Monday night. Father Koszarek dwelt on the importance and beauty of life in the country and pointed out the great responsibility which the teacher has in interpreting the environment to the children who come to them.

Other numbers on the program were piano solos by LaVerne Harrison and vocal solos by Joyce Stanton who was accompanied by Jean Meydam.

Group singing was led by Norma Anderson.

Jeep Drive Nearing Goal; Friday Is Sale Deadline

Training School Does Big Share

In a statement issued late Thursday night, Adrian G. LaBrot, president of the Student Council, announced that sales of War Stamps and Bonds in the Main Office totaled \$456 to date and that the deadline for the buying of the jeep was Friday of this week. LaBrot emphasized the excellent co-operation the Training School children and executives have shown in the drive. He estimated that the total amount sold at the college and Training School bettered \$700 and expressed hope that any students or members of the faculty who have as yet made no effort to participate in the drive would do so immediately so that by Friday the campaign can be closed successfully.

"It is right that the interests of the so called common people in a republic should always be kept uppermost but if the republic is to remain sound it is imperative that the discovery and development of the duties of the common people be clearly defined to those who would take and not give."

This lesson, that in a successful republic each citizen must share the responsibilities as well as the rights granted to him by that government, might well be brought home sharply to CSTC. This bond and stamp busi-

ness is one of those duties we have been asked to fulfill in order that we may not lose our rights. Central State, with its already small and fast diminishing enrollment can feel that it has done some of its share if it can buy the jeep.

Debaters Win Seven Of Twenty Debates In First Tourney

The CSTC debate squad returned Saturday from the tournament at Whitewater in which over twenty schools were represented. In the senior division Don Walker and Charles Wildermuth, affirmative, won three and lost two, and Iris Precourt and Hansi Rademacher, negative, won one and lost four. In the junior division, Grant Thayer and Roy Arndt, negative, won two and lost three, and Betty Pohlman, Gladys Craker and Lois Brock, affirmative, won one and lost four. The squad is now seasoned in, and is prepared to present some real competition when the Wisconsin Valley Tournament is held here February 26-27. Plans are being completed for what promises to be as lively a meet as Point has had. Students who are interested in acting as time keepers for the tournament are urged to contact Coach L. M. Burroughs immediately.

Newspapers Have Gremlins, Too

From the New York Herald Tribune

For the millions who are slightly pixy-minded, the discovery of the gremlins, those devilish little sprites who mess things up for the fliers of the royal air force, has provided one of the major excitements of the war. Come to think of it, it is as easy to believe in gremlins as in banshees and leprechauns or in any of the creatures that dance across the pages of that fine Irish writer, Mr. James Stephens.

But gremlins were not enough. The alert though sometimes exasperating minds that conduct the radio industry have come forward with their set of cute little people. These are called grohms. One type of grohm, the slobnik, "louses up" the copy of script writers; another, the laffnix, flattens the lines of comedians; still another, the foobus, makes noises in microphones. This, also, is an interesting discovery, sure to provide much merriment among the people of radio, to whom laughter comes rather easily.

But why the excitement? Journalism itself has long had its own set of little rascals who for generations have messed up one thing or another. Various phenomena observed in newspaper offices leads to the inescapable conclusion that journalism is haunted by as pernicious a set of strange folk as ever harassed an airplane pilot or made life in a radio studio miserable.

These troublemakers have been tentatively named mergenfellers, and they come in many guises. Most puckish of the lot, perhaps, are the eternally playful twins, etain and shrdlu, who have great fun sliding up and down the keyboards of linotype machines. They can inject a note of nonsense and confusion into the most solemn discourse.

There are the slantites, the tiniest and meanest of them all, who have been known to bite all the members of a newspaper staff, from publisher to copy boy, giving them a depressing low-grade infection known as slantitis. Victims are afraid of straight facts; they hoot at the ideal of objectivity; everything they touch must be given a "slant" or an "angle". In time they begin to walk sideways. The final result is almost always fatal.

Then there are the fixpixies, who are responsible for putting the picture of Mrs. Plantagenet in the spot where a cut of Lizzie the Chimp was supposed to go; the cackling of greelybums, who cause people to write unintelligible or abusive letters to the editor; the orthogrevs, who light on the shoulders of reporters and rewrite men and make them incapable of spelling names right—particularly in the matter of middle initials. The list is long.

We recommend that the Nieman foundation at Harvard, which is studying the problems of journalism, make a definitive report on the mergenfellers.

Buy A War Stamp And Lick The Other Side!

NOSEY NEWS

by carny and pils

Well all the girls are in a mad rush—Worse than a bargain sale on nylons... No. It's just that the dorm must be vacated by Saturday and the girls are scrambling for rooms in the private homes in Stevens Point. This is the second time in 25 years that the army has moved in... As long as this is to happen we suppose Mrs. Pfiffner will need a "C" card to check on all the co-eds of CSTC... Just a thought... "Tick" Nelson, star Oshkosh forward, has a reserved sign on one of the beds at 950 Main St. (Just for the week-ends.) Seems his home town girl is attracting him to our campus rather frequently. You don't mind, do you "Torchy"?... Wimpy and Fink are burning up the mail lines these days between here and Miami. Did you notice the large ring dangling from a chain around her neck? Well, it's a Marshfield High ring and it fits Freddie's finger... By the way, the fellas at 950 Main have a star in the window for Freddie. Art Pejsa had a rather stunned look on his face during intermission at the Fox Saturday night... It seems he turned around to see his "supposedly" steady sitting there with somebody else. Carmen Brooks was in town again and Dan Durkee didn't seem to mind a bit. She stayed with Marlys Reed... Rushing has started and it won't be long before the pledges are going through an entirely new routine. We hope it comes soon. There are clothes to be pressed and shoes to be polished. And no more dishes for us to do after next week when the new pledges will be around to take care of 'em... Some life... There are probably two sad girls these days... Namely Judy Graham and Betty Smith... The reason as some of you may already know is that Sam Barton and Jim Sullivan report for active duty this Friday... Lots of luck to you fellas and we'll see you out on the old pond one of these days... The boys are having a roll call tonight (Monday) for Sammy and Sully as a going away event... The Junior Prom is on its way... Date: Feb. 27th... There isn't much else to say that is definite other than that Orland Radke will lead the grand march... "Rat" says for all you guys and gals to put on your fancy duds and he'll see you there... We could predict the queen, but then all we'd have to say afterwards would be "I told you so!", and that's no fun. So keep guessing... Merve said he's going to have to build special booths for Jay Swett and Gen — Jenks and Tibbetts — Brenner and Owens — Craig and Brooks...

That Camp McCoy trip had its good and bad moments... Good in that the gals saw more than eighty fellows at one time (wolves call). Some of the girls have already gotten fan mail from the Camp... Blanche Padour is all set... She got her WAAC application papers and she's off... More power to her, and good luck in the WAACS... "A real wonderful cadet (Navy) was here to see me", she said. Who said it?? Pils, of

Q. Can Stamps of various denominations be placed in one album?

A. More than one denomination in an album greatly increases the work and cost of redemption. Please, therefore, don't mix denominations.

Q. May a minor designate a co-owner or beneficiary?

A. Yes, if the purchase is made by the minor from his own wages or earnings.

Q. Do I lose my investment if my War Savings Bond is lost, stolen, or destroyed?

By Gib Crockett.

A. No; upon satisfactory proof of loss or destruction, the Treasury Department will issue a duplicate, usually without requiring a bond of indemnity.

Q. May I register the name of a beneficiary on a Bond without his knowledge?

A. Yes. Records of War Savings Bonds are confidential. It is not necessary for the Treasury to contact the beneficiary during the owner's lifetime. Only individuals may be named as beneficiaries. No associations, churches, or clubs may be so named.

Remember—the longer you keep War Bonds, up to 10 years, the more valuable they become.

Life in the WAAC

Some questions and answers of interest to every patriotic college woman

The drilling sounds so strenuous—!

Nonsense! The most beautiful women in America today are the girls in khaki! Some calisthenics and drilling are vital to general good health, discipline and tuned-up reflexes. After a few weeks at Fort Des Moines, Daytona Beach or the new Fort Oglethorpe training center you'll feel better than ever in your life.

Maybe I wouldn't like the work?

People are happiest doing what they do well. Every effort is made to place you where your service will count most toward final Victory. You may have some latent talent that will fill a particular need for work interesting and new to women — such as repairing the famous secret bombsight, rigging parachutes, operating the fascinating new electronic devices — or driving an Army jeep over foreign terrain.

Then I have a chance to learn something new?

Yes, indeed. And the list of WAAC duties grows constantly. The training and experience you get in the WAAC may equip you for many stimulating new careers opening up for women.

What are my chances of promotion?

Excellent. The Corps is expanding rapidly and needs new officers, both commissioned and noncommissioned. *Those who join now have the best chances.* All new officers now come up through the ranks. If qualified, you may obtain a commission in 12 weeks after beginning basic training.

What is the age range and other requirements?

Very simple. You may join if you are a U. S. citizen, aged 21 to 44, inclusive, at least 5 feet tall and not over 6 feet. In good health — regardless of race, color or creed. The Army needs you *now*—don't delay. Total War won't wait!

Linguists needed. If you speak and write Spanish, Portuguese, Chinese, Japanese, Russian, French, German or Italian, see your local Army recruiting office *now!* You are needed for interpreting, cryptography, communications.

First of all, is the WAAC really needed?

Emphatically yes! Already the President has authorized the Corps to expand from 25,000 to 150,000. The Air Forces and Signal Corps have asked for thousands of WAAC members to help with vital duties. Both Ground Forces and Services of Supply are asking for thousands more. Members of the WAAC may be assigned to duty with the Army anywhere — some are already in Africa and England.

Can the WAAC really help win the war?

The whole idea of the WAAC is to *replace trained soldiers* needed at the front. If American women pitch in now to help our Army (as women in Britain, Russia and China do), we can hasten Victory — and peace.

What can my college education contribute?

College training is important equipment for many WAAC duties too long to list. Cryptography, drafting, meteorology, laboratory work, Link trainer and glider instructing, for example. If you are a senior you may enroll at once and be placed on inactive duty until the school year ends. See your WAAC faculty adviser for more details.

But can I live comfortably on WAAC pay?

There are few civilian jobs in which you could earn clear income, as WAAC enrolled members do, of \$50 to \$138 a month — with all equipment from your toothbrush to clothing, food, quarters, medical and dental care provided. WAAC officers earn from \$150 to \$333.33 a month.

GIRLS IN SHORTS

by margie mae

Hello—here it is Wednesday, the 17th—it's not too cold out and it is the dawn of the WAA Girl and Boy Party—girls, don't be wallflowers, come if you have to stag—you're among friends. It's not formal—Don't bother to dress.

I know you all have been hearing a lot about the Physical Fitness classes that Miss Greiling has been holding. You know, they're from 3-4 on Tuesdays and Thursday. If you wonder what's ailing you, you feel tired, run down, come to Miss Greiling's physical fitness classes, held in the gym (I am NOT getting paid for this!) In case you are not free at that time, Miss Greiling is willing to hold some evening classes if you girls would like it; Thursday evening would be best for her. If interested see her NOW!

It seems that the war has even invaded such peaceful, placid places as the girls' gym classes. I hear that they are divided into squads, each with a team leader and a special name. Do they call themselves the "Busy Bees", or "Jolly Beavers"? NO—here are a few of the names:

FLYING TIGERS, Arleen Esselman
COMMANDOS—Georgia Newby
DIVE BOMBERS—Audrey Jauquet
RASCALS—Mary Okray
GREMLINS—Gladys Pils
SPARS—Evonne Roth
TERMITES—Elizabeth Dubinski
WAVES—Betty Colbert
WAACS—Patty Anderson
WAIFS—Norma Krueger.

SOME IMPORTANT MUSTS on your calendar: Basketball—Monday & Wednesday—4-5; Badminton—Monday and Wednesday 5-6. Mixed Badminton—Wednesday—6:30-8 AND Informal dancing on Thursdays.

THE SPORT CYCLE:

Jean Meydam, Helen Lundgren, Evelyn Firkus, battling the little birdee around.

Norma Krueger, Pat Anderson, Mary Butter, Chube Gruba on the basketball floor, playing for all it's worth.

SPECIAL PLEA: Won't SOMEBODY break the ping-pong deadlock? I even would if I could!

OSHKOSH WINS CLOSE ONE 37-32

Phi Sigs Defeat Chi Delts 15-13 In Hard Fought Game

Playing a preliminary game before the varsity contest between Central State and Oshkosh Teachers, the Chi Delta Rho and Phi Sigma Epsilon Fraternity quintets put on a very thrilling and exciting game for the crowd.

The game possessed all of the color and intense rivalry that accompanies any meeting between these two fraternities be it on the diamond, the hardcourt, the gridiron or in the race for new members.

Phi Sigma Epsilon emerged victorious 15-13 after thirty minutes of hectic basketball.

The Phi Sigs employed a shifting zone defense while the Chi Delts used a man-to-man. The game was, as might be expected, quite rough and quite a lot of "body contact" was witnessed!!

Baskets by Carnahan and Peterson put the Phi Sigs ahead at the quarter 4-2. The Chi Delts score came on a basket by Pejsa. During the second quarter the Phi Sigs found the range and increased their lead to 9-3 at the half. Tom Wislinski put in a basket and Bill Carnahan came through with three free throws to add to the total. The Chi Delts on the other hand were held to one free throw which was made by Bob Schunk.

The third quarter found the two teams scoring only four points between them. The Phi Sigs added two points on a basket by Ray Skatrude while the Chi Delts counted on Swett's ringer from the side.

Chi Delta Rho rallied strongly in the final quarter but fell short by two points of tying the score. Bob Schunk made one basket and one free throw, Grant Thayer sunk a long shot and two penalty tosses and Roy Arndt supplied a free throw. The Phi Sig scoring was climaxed by a basket by Bob Shorey and a free throw apiece by Bill Carnahan and Ray Skatrude.

The thriller of the game came in the last second of play when Jay

Swett brought the crowd to its feet on a shot that almost tied up the ball game. The ball hit the rim, wobbled crazily, and fell out.

At this the Phi Sig fans were overjoyed for time was about up. Just then Timekeeper Harry Hertz motioned to little Sol Shafton who blew the horn which marked the end of the game.

Box Score:

Chi Delta Rho 13

	B.	F.T.	P.
Arndt, F	0	1	2
Swett, F	1	0	3
Pejsa, C	1	0	1
Schunk, G	1	2	3
Thayer, G	1	2	4
Brenner, F	0	0	0
Mase, G	0	0	0
	4	5	13

Phi Sigma Epsilon 15

	B.	F.T.	P.
Peterson, F	1	0	0
Shorey, F	1	0	0
Carnahan, C	1	4	3
Wislinski, G	1	0	3
Sharkey, G	0	0	4
Skatrude, G	1	1	0
Durkee, G	0	0	1
	5	5	11

Summary: Free Throws missed—Chi Delts 6; Phi Sigs 8.

Central State suffered its twelfth straight defeat when "Spitball" Tempas, Oshkosh guard, sank three long shots in the closing minutes which enabled Oshkosh to win 37-32. The game was played in the Training school gymnasium last Thursday night and was the final home appearance of the season for the Pointers.

The teams started slowly and scored a total of only 24 points in the first 15 minutes, at the end of which Oshkosh held a 15-9 edge. The halftime score was 21-13. At the start of the second half the Pointers put on an eight point spurt and tied the score at 21-all. Two baskets by Cliff Worden, one by Clarence Henkel and two free throws by Art Crowns did the damage. This was all done within three minutes.

The Titans enjoyed a brief scoring spree and moved ahead, 27-23, but the Pointers came right back with baskets by Worden and Erdman, and a free throw by Francis Nelson to go into the lead 28-27.

Tempas made a long shot and Hartman a short one for Oshkosh to put the Kolffmen into the lead 31-28. Clarence Henkel made good his shot from underneath the basket to cut the lead down to 31-30 and then Oshkosh sewed up the game when Lamb put in a rebound shot and Tempas came through with two long shots. Howard Barton concluded the scoring for Central State with two free throws.

Howard Barton of Central State and Lamb of Oshkosh shared scoring

POINTERS MEET QUAKERS SATURDAY

SIDELINES — by sharkey

Sorry, fans but there are no upsets to give to you in the basketball games played last week-end. In the preliminary games the team which was riding with the money paid off again. Phi Sigma Epsilon rode the crest of victory by handing Chi Delta Rho a 15 to 13 defeat. As the score denotes it was a closely fought game throughout. The much taller Chi Delt team failed to capitalize on their height which enabled the Phi Sigs to jump into the lead and maintain it as the game progressed. Shorey took the ball under the basket, ignored an easy push-up shot and dropped in an under-the-basket-over-the-shoulder shot. The P.S.E. boys never relinquished the lead. This game produced no stars on either team. A bucket was scored by one of the Phi Sig players and each Chi Delt played well. Am I surprised — an off-the-record fistcuff didn't occur.

The Pointers played their usual scrappy game last Thursday night but could not click on their shots. I told Mr. Parks not to "put the cover on" but he must have forgotten.

This was the year for Oshkosh to go away from the CSTC court the victor — the first time in many, many years, I might add. . . . No, sports fan, "Tick" Nelson always shoots like that and he doesn't bathe in lifebouy. . . (Ed. Note: For those of you who didn't get it any quicker than I did, Mike means he is a stinky shooter but a swell guy.) You have your own vocabulary to use in describing those unartful shots of his. . . Most of the comments that I might make would be unprintable!!! . . . With the Aviation Cadets soon to be in town, we will have some new teams to challenge in basketball, baseball or what have you? These boys should put forth some keen competition. . . That is if they have any time. . . I heard that they are not going to be college students in uniform, but soldiers in college.

Apologies offered to Pils and Carry for getting off the beam last week and muscling in on their territory. Gosh, what's a fella gonna do? After basketball, I can hardly support this column on pingpong news!!!!

Our intramural program is steadily expanding under Coach Berg. . . Basketball and pingpong are in the spotlight at the present time. . . These two intramural sports, besides varsity basketball, take up all our men—all twenty-five of them!!!

"Duffy" Barton starts racking up points for Uncle Sam "in the big game", starting Friday. Jim Sullivan, the other half of the star guard combination was also a choice in the government's lottery for a winning team. Their leaving places Point in a position for a complete reversal of the cage season of last year.

FRATERNITIES CLASH AGAIN THURSDAY NITE AT SEVEN O'CLOCK

The feud will be on again Thursday night when the Chi Deltas and the Phi Sigs resume their basketball rivalry. The Chi Delta Rho boys will be out to even the series while the Phi Sigma Epsilon' chaps will attempt to win victory number two. The game will be played in the Training School Gymnasium and will start at 6:30 p.m.

Plenty of excitement is promised again for this contest. The Phi Sigma Epsilon cheering section led by Donald Walker and Johnny Edwards will be on hand with added strength while the Chi Delt rooters will come prepared to do a little more cheering this time.

Coach Jimmy Kulidas of Chi Delta Rho plans on starting the same lineup as he did in last Thursday's game — He promises to be more calm during tomorrow's engagement and that no technicals will be called on him!! Head mentor Bob Malecki will also employ the same starting five.

LINEUPS

Chi Delta Rho	Phi Sigma Epsilon
Arndt F.	Peterson F.
Swett F.	Shorey F.
Pejsa C.	Carnahan C.
Shunk G.	Wishlinski G.
Thayer G.	Sharkey G.

NOSEY NEWS

course!! Grant Jacobs is the lucky fellow. . . Grace Pudlas received quite the valentine Saturday in the arrival of two dozen roses (American Beauties) from her special Staff Sergeant. . . Ellen Gordon also hit the jackpot when she received a box of chocolates from Ed "Red" Roberts, Navy flier who moved on a few weeks ago. . . Lucille Lee says it might not be a bad idea to print a new "directory" so the army men won't have so much trouble looking

See NOSEY NEWS, page 6

Minus Services Of Two More Men

The Central State Teachers College basketball team will travel to Whitewater this week where on Saturday night they will meet the league-leading Whitewater Teachers College five. This will be the second meeting between the two teams. Whitewater won the first encounter 59-28 two weeks ago in a game played in the Training School Gymnasium.

As if he didn't have anything to worry about in this coming game — more woes came upon Coach Berg yesterday when it was found that two more first stringers, namely Howard Barton and Jimmy Sullivan, had received their notices to report for Uncle Sam's team. "Sam" and Jim will report for training with the Air Corps. Three days before the first game with Whitewater Coach Berg lost the services of Captain Ed Szymanski and Jack Rasmussen. Barton moved up to the starting position after the departure of Szymanski and Rasmussen and immediately began to work in with the boys. He was a constant scorer in all of the games and reached his peak in the Oshkosh game last Thursday night when he led the team in scoring with twelve points. His shots from far out were very deadly and opponents began to rush him when he began to get set for a long shot. Sullivan came out for the team at the start of the semester and was just rounding into shape and finding his eye. These two boys will be sorely missed.

Coach Berg has not indicated what his starting lineup will be but it is expected that the following will be at the starting posts:

Hinkel and Menzel, Forwards; Crowns, Center; Erdman and Nelson, Guards.

It is also very likely that Menzel will be shifted to the guard position and that Cliff Worden will occupy the forward post.

Whitewater will be led by the high scoring duo of Lang and Zurich.

NOSEY NEWS

up dates... Some big time operator might be able to capitalize on this, since all the dorm gals will have new addresses.

Some of the dorm "cats" who always know you just well enough to talk about you behind your back seem to be doing a little two-timing... Why don't you come out in the light with your "carrying on", girls? It would seem that if you went out with them you would allow them to see you to the door... Oh well, see you all at inspection. Carny-Pils

ASK THE
ARMY ENTERTAINER
FROM THE TROPICS

"FLOWERS AND A COCA-COLA
... JUST LIKE HOME"

"You always enjoy it when you connect
with a Coke no matter where. There's
something about it that's special. All the
difference between something really re-
freshing and just something to drink. Yes,
indeed. The only thing like Coca-Cola is
Coca-Cola, itself. Bet you've found that
out already."
