**The Purple and The Gold**

Other schools of valor boast, Of victories galore; Of laurels never lost, Of triumphs by the score. Let them tell you of their prowess, But their colors ever lower. To the Purple and the Gold.

Our men are all victorious, In every state around, Our athletes and debaters, Are winning fair renown. Though we're proud of all Wisconsin, Whose fame's in story told Our heart's with Alma Mater, And the Purple and the Gold.

To the banks of old Wisconsin, When years have passed away, As schoolmates we have parted, Our lessons all are done, We'll return and show our comrades, We're as loyal as of old, And cheer them on to victory, 'Neath the Purple and the Gold.

**Why don't we....**

Do something about financing the Iris? Reorganize an effective Student Council? Get class elections under way? Give our valiant football team the student and faculty support they deserve? Have tryouts for cheerleaders? (The Titans really showed us up in that department Saturday!) Purchase some new pencil sharpeners as soon as they're available? Get some of the drones in the student body to replace the overworked few on or off CSTC'sers who have been burdened with all the work of student organizations? Have a formal? (If not, why not?) Learn our school songs?

**Miss Griffiths Speaks**

Miss Jessie Griffiths, who served as a U.S.O. entertainer overseas, was the guest speaker at an assembly program Tuesday morning. Miss Griffiths emphasized the importance of continuing entertainment programs for service men who will remain in the armies of occupation. She pictured the interest and enthusiasm with which the U.S.O. camp shows have been met, and told of some of her personal experiences in this line of work.

**Oshkosh Bows To CSTC 12-0**

CSTC, in its first tilt of the season and its first game after three years of which football, defeated Oshkosh 12-0 on the Titans' field Saturday afternoon by scoring two touchdowns in the latter half of the game. Taking a pass out of an Oshkosh man's hand as he was juggling the ball, Bob Hartman, who scored both touchdowns, ran 30 yards down the sideline for the first score. A lateral pass from Charles Laszewski to Hartman, together with some good blocking and open field running by Hartman, resulted in the second touchdown. Both attempts for the extra point failed.

**Reception To Be Given by Dormites**

The residents of Nelson Hall will be hostesses at a reception on Sunday afternoon from 3 to 5 p.m. for faculty and students of CSTC. In the receiving line will be members of the Dorm council.

**Activity Resumed By Men's Glee Club**

After an interval of three years, the Men's Glee club has resumed its activities. A group of 20 men, representing 10 high schools of the state, attended the first rehearsal held Tuesday, September 25. Membership is still open, and all men who enjoy singing are urged to join the group. Rehearsals are scheduled for 10 a.m.

COURAGE, MATES! Perchance, between the weather ravages of rain, snow and whatever else we're being pelted with, we may glimpse fair Autumn yet. As I said, courage.

However, last Saturday was a bonny day of red, blue and gold, and a good victory was ours, too, at Oshkosh. We pound you on the back, boys.

New sight on football field—girls' cross-country classes trying their hand at hockey, and some with a professional air, too. Cheers, Miss Spande, for initiating a new tradition.

Reminds me— the person who commented with much mooting on the noisy state of girls' locker rooms has evidently never strolled the lower hall after 6 p.m., as did you truly. The garbled sounds emanating from the male side of the hall, straining my startled wits, I realized it must be the boys in from practice. (Honest, gals, the walls are too thick for eavesdropping.)

The complimentary words of Mr. McCarty—Miss Hanson and the radio station, too—surely should shame us for the nonchalance with which we've accepted the gold mine we've got in our midst. The smooth finished product we had at 3:15 over WBLB is the result of much B., S. & T. plus patience and talent; it could have been a tree, which we might believe from the blank looks one gets questioning others on said subject. I propose: mustering up much praise for the work of Miss Hanson and her crew.

Got drift of a mystery composer in the Men's Glee. Who? Who? Hope he shows his colors, or rather notes soon.

New accomplish in Girl's Glee is Rosemary Nicklas, a talented pianist in her own right; promising new voice in that organization, hear tell, is Mary Ann Simon (Margaret Hull, have you found a piano tuner yet?)

Snapshots at random: Who was that blonde lad getting on so famously with Jean Crosby at the Eat Shop recently? One of those chums at Eat Shop, foundation, likely, is Bob Olson, Betty Kunde, Bob Hanson and Toby Tyler,—the latter gent seen rounding out his duties at Burch's.

CSTC alum Red Roberts giving Janice Milton a whirl, as is the case with Liz Stadler and town boy Dick Miltenberg. Barbara Ray's tall radiant face is due to the returning of Jack Washatka from the Navy.

Last year grad, Rog McCallum, now located at Manawa, was in town last weekend. That honeyed accent you may have been hearing belongs to Jeanine King, formerly of Ocean Springs, Mississippi, now a freshman at CSTC.

The year is really getting under way now, what with sorority teas and tryouts for fall productions. Condemnable turnout in both instances.

I understand there were a few injuries resulting from the Oshkosh game. Allan Brekke is the holder of a broken thumb, while Connor Dineen suffered back injuries. There was not a very decent representation of CSTC, we are told, and in view of the fact that a homecoming game has been set, Oct. 20, with Whitewater, we'd better get on the ball, don't you think? What about it, boys?—should we renew the tradition with a bang-up job, or shouldn't we attempt an elaborate affair the first year? Whatever your opinion, please don't sit on it. If anything at all is going to be done, we must get some organization Re­­kindle it now. Time's a-wastin', only two weeks, so let's get rolling. Adios.

Rev. Johnson Speaks

Rev. C. Russell Johnson gave a short address on the value of Chris­tian living in college to the members of LSA at a meeting held Thursday evening in the group's recreation room. A leather wallet was presented to him as a farewell gift by the group. Rev. Johnson, who has been pastor of the First English Lutheran church, left Sunday to be­gin study for mission work in Mada­gascar.

Marion Hemmrich explained the organization and purposes of LSA for the benefit of the new members.

Newman Club Has Party

Edward Nighbor, president, wel­comed approximately 45 students to the first meeting of Newman club on Thursday, September 29, at the recreation room at Nelson Hall.

Miss May Roach gave a welcome address followed by short introductions and comments from the other officers. Barbara Felker, Monica Gill and Max Kopp­chinkis spoke for the club.

Dorothy Donald Theisen spoke to the group about topics for discus­sion at regular meetings. Plans were made for future initiations and commis­sions were appointed to take care of food, initiation procedures and decorations.

After the business meeting, games were played and refreshments served. There was an hour of dancing before the group adjourned.

Primary Council Meets

Clara Winter called to order the meeting of Primary Council on Monday evening in room 113. The new officers were introduced.

The following girls volunteered to provide displays for the Primary Council: Aleta Hansen, Dorothy Radtice, Lucille Tanner, Jeanne Cone, Mavis Dumdei, Carole Krogness, Verna Genrich, Lor­leen Loeffler and Dolores LePold.

The group will have a picnic at Iverson Park at 5 p.m. on Monday, October 8. Members are to meet in room 113. If the weather is not favorable the picnic will be held in the college recreation room.

Press Rep. Chosen

Dorothy Lobeg was elected press representative at a recent meeting of the Women's Athletic Association. The following sport heads were chosen: Lillian Lemsky—volleyball, hockey; Pat Thorpe—basketball; Nao­mi Barthels—archery, tennis; Dolores Lemsky—volleyball and golf; Dorothy Obrecht—varsity football; Dorothy Ockerlander—varsity tennis.

The girls have started volleyball and plan to begin hiking soon.

Rural Life Picnics

Rural Life Club had a picnic in the college gym on Monday evening, October 1, when the weather kept them away from Bukolt park. Quin­cy Doudna and Alex T. Peterson led the fun with games, singing and square dances. Refreshments were served.

The next meeting of Rural Life will be held on October 15.

Tau Gamms To Hold Tea

Tau Gamma Beta sorority will hold its annual fall tea in the Home Economics parlors of the college on October 10 from 3 until 5 p.m. All of the college students, faculty mem­bers and their wives are invited.

The committees for the tea are: Decorations, Delores LePold; Jean Woltert, Pat Thorpe and Grace Lepak; favors and posters, Jeanne Cone, Clara Winter and Mavis Dumdei; invitations, Beth Ruth Crawford, Dorothy Lobeg and Mary Juetten; food, Betty Haber­korn, Monica Gill and Helen Nig­bor; clean-up, Bess Jones, Doris Ockerlander and Pat Thorpe.

Home Ec's Initiative

Mary Asbenbrener, president of the P.E. Club, welcomed the new members of the club in a candle­light ceremony on Monday evening, October 8.

Plans were made by the group for the State College Home Economics club meeting to be held at Stevens Point on Saturday, October 15. This meeting will be followed by a lunch in Mr. Helen's at 12:30 o'clock at Nelson Hall.

The State Home Economics club is a new organization composed of the home economics clubs of the five col­leges in Wisconsin offering home economics: The University of Wiscon­sini-Madison, Mary, Stout Institute, Milwaukee, UW-Stout and La Crosse. Miss Leona Jones of CSTC is the secretary-treasurer of this organization.

Welcomes New Members

Doris Ubbedolde, president of Grammar Club, welcomed new members to the first meeting of the organization on Monday evening in room 118.

In the fall meeting, Charles F. Watson, director of the Junior College and Junior High School division, explained the purpose and function of Grammar Round Table to the group.

An interesting movie on Mexico was presented by Robert S. Lewis. A musical background for this enter­tainment was set by a program of recorded music, presented by Miss Gerrie Hanson.

Plan's for an active year were made at a meeting of Sigma Tau Delta, honorary English fraternity, on Wednesday, September 29, in the student lounge. The members decided to hold meetings on the fourth Wednesday evening of every month. Tentative plans were made for other activities, including the publication of a "Flight," the group's own anthology of student writing.

Officers of the organization this year are: President, Elvira Lindow; honor secretary, Betty Johnson; Secretary, Ellen Gordon; treasurer, Marjorie Stimm. Leland M. Burroughs is the faculty adviser.

STUDENT ORGANIZATIONS

To whom it may concern: The students of CSTC have been vitaly interested in the controversy of the past week concerning the admission prices which are being charged at the theaters of Stevens Point. We believe the present prices are much too high, especially in comparison with those of theaters in neighboring communities.

Pity the poor fellows who must pay $1.30 for the tickets for them self at the Present Picture, and the Home Ec's to pay $1.35. We, the students of CSTC, have been charged $1.30 at the movies in Wausau, which we believe is an expensive proposition.

With our sympathies those who are attempting to cause us to leave the town, we don't believe that and will continue to support the theaters of Stevens Point.

However, we feel that the admission prices should be lowered, and we have this to say:

We, the students of CSTC, desire to express our appreciation and thanks to the managers, proprietors and employees of the present theaters and for the entertainment that we receive.

A Student
Every mailbox had a little white slip in it on Saturday morning, and each Dormite said to the other, "What does it say on yours?" These slips were the result of the first room inspection of the year, which was made Thursday; and Dormites, proud of their rooms, were anxious to have a good report.

The latest "touche" the rooms have been receiving are individualized name plates, which are much more personal than numbers. On second floor is found "Kathy's Kernel," the "Hutch," and the "Dog-Out," not to mention "Tumble Inn," Frankie and Larry proprietors. Up on third a certain door bears the stately title of "Bedside Manor," but best of all is the "Nutcracker Suite," also down on second. This charming room is equipped with a phonograph, lots of records, Mary Juettner and LaVerne Hawkins. Adults and girls may dance there. Adults pay $30 a dance — college girls dance free.

Dorothy Loberg, Kathleen Berg, Lucille Lemskey, Gail Smith, Doris Ubelohde, Ramona Putnam and Barbara Lupient journeyed down to Oshkosh and enjoyed seeing Point win their first football game of the season. The Dorm is right behind you fellows, so keep up the good work.

The library runs over at 11:15 and there is a general buzz in the office as Dormites strive to get their lessons done. How we would appreciate the solitude of our own rooms, or even just solitude!

The girl with the flowers this week was Jane Miller who received a dozen roses and an orchid corsage. Jane was one of the 15 dorm girls who were ill with the flu this past week.

A desk girl's job is usually quite uneventful, but Nelda Dopp got acquainted with a brand new caller when she answered the telephone Saturday. It seems that when she gave the other party her name that person exclaimed that Dopp had been her maiden name. After further conversation it turned out that she and Nelda are cousins. It's a small world on a telephone!

A guest at dinner Friday evening was $1/c Butch, a very handsome though diminutive sailor, who enjoyed the welcome song. Imagine the surprise of the Dormites when Tonie Tushinski and Betty Furstenberg held up a sailor doll to take a bow!

Tuesday of this week Jean Brede son entertained Flight Officer Wayne Harmon at dinner. Don't miss the Nelson Hall reception Sunday afternoon from 3 to 5 o'clock. We'll see you there!

Weekend guests were Arlene Se manko, a graduate of last year, who visited Bess Jones, and Carol Cherry of Tomahawk, who visited Pat Lavers.

Advisers Appointed

The following faculty members will serve as class advisers for the year 1945-46:

Freshman class, Mrs. Elizabeth Pflüger, permanent, Fred J. Schmeckle, rotating; Sophomore, Miss Edna Carlsten, permanent, Miss Bertha Glennon, rotating; Junior, George R. Berg, permanent, Dr. Harold M. Tolo, rotating; Senior, Charles E. Evans, permanent, Norman E. Knutzen, rotating.

"The great need and demand for physical education teachers in public schools instigated the addition of the physical education minor," say both Miss Spande and Mr. Berg. "Teachers, especially those of the lower grades, are often called upon to take charge of the physical education of their pupils, and too many are unqualified because of lack of training. Consequently the physical education program in many grade schools is poorly organized and improperly executed."
