Student Council elections will be held on Friday morning, October 19, with members of last year's council conducting the election. Ballots will be passed out this morning in the corridor on second floor.

Nomination petitions were circulated during the past week and the names of the candidates will be posted this week. Four representatives will be elected from each class and one from each division.

Plans Are Made for Football Frolic

A bonfire at the south end of Schmeeckle field on Friday night, October 19th, will be followed by a snake dance that will start the Football Frolics rolling. The game itself on Saturday afternoon is THE event, and the joint efforts of the faculty and the students will see to it that the campus is filled with fans heading for Schmeeckle field.

The Homecoming game will be played between the Point Griddiers and the White Gulls at 3:00 p.m. The point spread of 14 points was set by the Oddsmen.

and will be followed by singing and cheering. Students will then form a snake dance down Main Street.

The dance in the Training school gym, starting at 8 p.m. on Saturday, is under the auspices of the Athletic association. Refreshments will be served in the gym on Saturday night ought to finish up the Frolics just right.

Edmund Przybylski, sports editor of the POINTER, is in charge of the bonfire. He urges the freshmen who are responsible for gathering trash for the fire to build the pile high. The fire will be lighted at 7 p.m.

From the Bleachers — A Coed Speaks

Saturday, October 13, dawned clear and bright, but 2 o'clock found the skies overcast and the wind chilly. Undaunted, we donned mufflers, tucked a blanket under our arm and joined the many football fans heading for Schmeeckle field. At the gate we were met by Mr. Thompson and Mr. Pierce who hailed us heartily, in typical CSTC fashion.

The sky was much noise and commotion on the field — fans were milling around, the band was playing, and, after a warming-up cheer, the game began.

The first half saw the Pointers stave off several drives deep into the territory of the White Gulls. The boys played fairly gallantly but just couldn’t stop the Milwaukee steam roller. Late in the second quarter the Point griddiers out the gates, and the homecoming game will be played between the Pointers and the White Gulls.

The Cast will be composed of Carolyn Roshak, Alice Hetzer, Terry Kuntzweil, Robert Belcher and Elmer Hayes. Frances Kostka is the student director.

Dick Olke is production manager. On the technical staff in charge of settings are Leland M. Burroughs, Robert S. Lewis and Dr. Warren G. Jenkins. The cast will be presented by the College Theater at an assembly on Thursday morning, October 25.

Under The Rug

The air is mostly full of homecoming spirits this week, people rushing around with loads of paper we hope—indeed, general people just rushing.

Have we done our studying on week nights this time, to guarantee our selves a free week end (?)

Last Saturday, we, and many other forgetful souls, rushed over to the Eat Shop between halves—and found it closed. Boo Hoo, wish Andy and Eva could take a hint. Cheers for the band, who sounded larger than usual and very well. And speaking of cheers we thought our cheer leaders did very well. Hey, Plunkett, not as spy as you once were? But naughty, naughty, some of you spectators who did not respond. True, the students were scattered over the field in a uniform yellowing hard, but just the same!! (We're one of those who couldn't speak during the last quarter). Lots and lots of old grads were seen around town last week.

Radio Address Given

By President Hansen

"One of the problems now confronting CTC is to find adequate living quarters for our returning veterans," said President William C. Hansen in a radio address over the "Our College" program of the Radio Workshop on Wednesday, October 5.

"By the beginning of the second semester," Mr. Hansen continued, "the problem will become acute. That is obvious. A systematic effort will have to be made by citizens of Stevens Point to convert available spaces for housing of these brave young veterans," said President William C. Hansen in a radio address over the "Our College" program of the Radio Workshop on Wednesday, October 5.

Mr. Hansen pointed out that the education of these young men has already been postponed several years by the war, and that everything possible should be done now to facilitate its completion.

Concerning the possibility of offering graduate degrees to veterans, Mr. Hansen said, "The answer is no—not yet. We don't know when we may begin on that. The question naturally arises because the last session of the Legislature authorized the State Board of Normal School Regents to grant Master of Education degrees in the teachers colleges. The Board

Faculty Entertained

Mist. Carolyn Rolfson, Mrs. Elizabeth Pfiffer, Miss Myrtle Spandle and Miss Gladys VanArsdale, all of whom have birthdays in October, sang in the chapel Tuesday night as a special birthday coffee last Thursday in the Home Ec. parlors. An attractive centerpiece of fall fruits and vegetables was made that night.

Dr. Nels O. Reppen, another faculty member with a birthday in October, poured. He was given ample congratulations by Dr. Warren G. Jenkins.

Veterans Return

Veterans of World War II are returning to our campus from the four corners of the world and are entering into college life with zest reminiscent of former years.

Members of the student body who have returned from serving in various theaters of war are: Leland Malchow, William Nikolai, Eugene Obermeyer, Seymour Tyle, Karl Barthowski, Jack Davis, Alvin Kaziak, Terrence Kurtzweil, Robert Hansen.

Rural Life Meets
Quincy Doudna, director of the rural division and newly elected president of the Wisconsin Recreation Council, talked to Rural Life club members at a regular meeting of the club on Monday evening. Mr. Doudna told of the history of the recreation movement in America. He was introduced by Anita Lang, president of Rural Life, who talked briefly on community recreation.

During the business meeting there was discussion of the election of members of the student council. Rosemarie Berza was appointed press representative.

Plans are under way for a Portage County Recreation School on October 25 or November 3.

Alums Represented Throughout Country

How many students at Central State realize that many of our graduates are now instructors in colleges of the country? If you were to visit any number of colleges, especially in Wisconsin, you would find CSTC represented on the faculty.

Dr. Celestine Nieuw, a graduate of CSTC in 1934, has been added to the faculty of the Catholic University of America in Washington, D.C. He began his work in the social science department there in September, 1945. At Central State, Dr. Nieuw won state and inter-state oratorical contests in 1932. His subject was "The Bourne of Youth." Mr. Nieuw and Donald Mills won State Debating Tournaments in 1933 and reached the semi-finals in the Midwest Debate Tournament at St. Thomas college in St. Paul, Minnesota. During this same year Mr. Nieuw won second place in the state extemporaneous speaking contest.

Dr. Frank Klemens and Wilson Schwahn, both members of the 1935 graduating class at CSTC, began their duties on the faculty of the Eau Claire State Teachers college this year. Mr. Klemens is in the social science department and Mr. Schwahn is veterans' administrator at Eau Claire.

While in college here, Mr. Klemens was editor of the Pointer. He recently received his doctor's degree from the University of Wisconsin.

MILWAUKEE

(Continued from page 1)

In the second quarter Fehlbauer broke loose and dashed down the field 46 yards for another Milwaukee score. The attempt for the extra point failed.

Late in the third quarter, Hoppe, Green Gull halfback, smashed over from the one foot line to make the score 26 for Milwaukee.

A 15 yard run by Kratz at the start of the last quarter resulted in Milwaukee's fifth touchdown. The attempt for the extra point failed.

Recovering a fumble of Point's the Gulls drove down the field with Profit taking the ball over the line for Milwaukee's sixth and last touchdown. Hager's kick failed.
